Chapter 831 - 831: Doctor Princess.

Then, a scream could be heard.

"DAD!!!" A woman screamed loudly while hugging her father's body which has fallen on the ground.

Yu Qi grabbed her bag and ran toward the old man who had just fallen on the ground. She had to squeeze to get closer to the old man.

"Dad..." A woman called her father again.

"Step aside. I am a doctor." Yu Qi spoke a little louder in order for others to give some space for her to pass through.

Hearing that, others gave some space to Yu Qi. Yu Qi grabbed the old man's wrist to read his pulse. 'Weak... He is having difficulties in breathing. He is having a heart attack. I need to stabilize his condition.'

"Step back. Give him some space. And someone, please call an ambulance." Yu Qi ordered.

It was a clear order. Everyone followed and stepped back giving them some space. Someone grabbed her phone and called the ambulance. Some of them went to inform the airport management about the situation.

"Your father is having a heart attack. I need to stabilize him to make sure his heart will be stable enough until he reaches the hospital. Do you believe me?" Yu Qi asked the daughter.

"Yes." The daughter nodded. Even if it was just a piece of hope.

Yu Qi brought out a case that contained the silver needles. She needed to tie up her hands so that the hair would not be blocking her sight.

"Wow, those are the silver needles. Is that girl proficient in traditional medicine?"

"I think so."

Yu Qi forcibly opened up the shirt on the old man. She grabbed a needle and stabbed it right into the old man's chest. One on his wrist. One on his forehead. It was precise.

Yu Qi waited for one minute and read his pulse again. 'Still weak but he can finally breathe normally.' Yu Qi put down the old man's arm. She pulled off one by one the needles from the old man.

"I have stabilized his condition but it is not for a long time. He still needs to go to the hospital to check." Yu Qi told the daughter.

"Thank you, miss... Thank you..." The daughter said thank you.

Yu Qi nodded. Her hand grabbed the hairband that tied her hair up. By mistake, the mask that she was currently wearing broke its string. Revealing the face behind the mask.

"What a beautiful girl."

"I have never thought there will be a beautiful face under the mask."

"I am willing to be hurt if someone like her is my doctor."

Yu Qi sighed. 'It has broken.' She opened her bag, pulled out another mask and put it on. The beautiful face was hiding under the mask again.

Not long after that the paramedic came and took the old man. Yu Qi explained the old man's condition. The paramedic recorded the condition and brought the old man to the hospital.

The daughter managed to give her card to Yu Qi. Yu Qi did not have any choice but to accept the card. She put the card in her bag.

Yu Qi did not know that the entire situation had been recorded by the onlookers.

"She is a good doctor."

"And beautiful too."

"Just now, I look the artist with the name Qin Min Ah has wanted to bully her."

"I saw that too. Compared to the girl, I don't think that Qin Min Ah is beautiful anymore."

"Humph!!! Qin Min Ah can just cover her face with thick make-up."

Qin Min Ah and Su Na Lim were actually behind the people that talking about her. She was very angry with the whole thing.

Afraid that Qin Min Ah would destroy the situation, Su Na Lim pulled Qin Min Ah while leaving the place. They would be waiting at another place for the flight to take off.

.....

"What are you watching?" Tang Jin Wei came to the front counter.

He had just finished five hours of surgery. He would be heading for his office to receive another patient. Somehow the nurses at the front counter at his department did not pay much attention to him and seemed to focus on their phones.

"Doctor Tang." A nurse turned around and greeted him.

"What are you watching? Seems so interesting." Tang Jin Wei asked again.

"Doctor Tang, this is your sister, right?" The nurse showed the video showing the girl gave an acupuncture treatment to an old man.

Tang Jin Wei watched the video. He already recognized the girl in the video. It was indeed his little sister. The video showed the mask that the girl wore broke its string and revealed the face behind it.

"It is indeed my little sister." Tang Jin Wei nodded.

"See. Like I have said, it is Doctor Princess." The nurse told her colleagues.

"Doctor Princess?" It was the first time Tang Jin Wei heard the title.

"Oh, it is the name that we have given her since she is the only daughter in the Tang family, so she is the princess. As well as she is a doctor by occupation. "

"This old man was having a heart attack. Doctor Princess gave the treatment and sent the old man to the hospital. We are indeed receiving an old patient on the E.R one hour ago. He had the same condition like mentioned in the video. Meaning he is an old man in this video." The nurse told Tang Jin Wei.

"Oh..." Tang Jin Wei remembered that Yu Qi told them that she wanted to go to Capital City for some works. The flight probably had been delayed since he recognized the place in the video.

Chapter 832 - 832: Qin Min Ah Again.

The flight had landed safely at Capital City. She visited this city a lot in her past life. Because the roots of the Bai Family were from here.

While she was Bai Shu Jin's fiancée, she came to greet the Old Master Bai and Old Lady Bai. They were Bai Shu Jin's grandparents. They were the only people that she did not hate in Bai Family.

She was an orphan before, so, the other Bai relatives disliked her since they felt that she was not suitable for Bai Shu Jin. However, because of Grandpa Mu, they did not have the choice but to accept her.

Yu Qi sighed. There was no need to think about it anymore. She did not have any kind of fate with the Bai Family.

Yu Qi did not bring much. She just brought two bags. One for her clothes and another one for her items like phone, purse and etc.

Well, she could travel without bringing any bag since she could take her clothes from her space but her family would be curious about that.

Yu Qi went to the rental car store since it would be easier for her to go around. Renting a car was the right thing to do. She went to the hotel that she used to go to in the past life. She went to the reception.

"Hello, miss. Welcome to our Grand Lite Hotel. May I help you, miss?" The receptionist welcomed Yu Qi and asked her with a smile.

Before Yu Qi could manage to answer her, a person interrupted them.

"I will like to request an Executive Suite." Qin Min Ah said while looking arrogantly at Yu Qi.

The receptionist was hesitant and she looked at Yu Qi. Yu Qi nodded and stepped back giving Qin Min Ah to be served first. The receptionist was happy when seeing Yu Qi understand her situation.

"Sure, Miss. Can I get your ID card for registration?" The receptionist asked.

"What? Why should I give my ID card? For you?" Qin Min Ah glared at the receptionist.

"Miss, it is our standard procedure to check-in in our hotel." The receptionist still spoke with a smile.

"How can a popular artist like me give her ID card randomly ?" Qin Min Ah argued with the receptionist.

The receptionist gritted her teeth for a second. However, Qin Min Ah did not notice.

"Miss, as I have told you earlier, it is our standard procedure if someone wants to check-in in our hotel." The receptionist did not want to lose since if something happened, it would be on her head. She might lose her job.

"I am saying..." Qin Min Ah's voice was loud.

Su Na Lim pulled Qin Min Ah's hand.

"What are you doing, shouting like that?" Su Na Lim asked her in anger.

"I am just angry because she has asked for my ID card." Qin Min Ah explained.

"That is why I have told you to wait for me." Su Na Lim glared at Qin Min Ah.

Lately, Qin Min Ah seemed to become very arrogant after the movie in which she had acted as the third female role had exploded in the box office. Just like the incident at the airport earlier, the waiting area was indeed packed with people. However, she chose the girl because she wanted to disturb the girl. If she chose a male, he might give her the seat right then.

"Miss, I apologize for my artist. Here is my ID. You can register with my ID card." Su Na Lim smiled while apologizing to the receptionist.

"It's okay." The receptionist just smiled and took the ID card for registration. "One Executive Suite, right? May I know, for how many nights?" She asked for confirmation.

"What? Executive Suite?" Su Na Lim was shocked.

"Yes, the miss behind you has said so." The receptionist answered.

Su Na Lim turned around and looked at Qin Min Ah. Qin Min Ah did not look at Su Na Lim's eyes.

Su Na Lim sighed. Turned back to the receptionist and said, "No, change it. We just need two rooms with a single bed. That should be enough." She asked the receptionist to change the type of room in which they wanted to stay.

"But..." Qin Min Ah wanted to protest.

"Shut up!" Su Na Lim said.

Seeing her manager seemed to be so angry, Qin Min Ah shut her mouth up. She was embarrassed when Su Na Lim was mad at her. While feeling like that, she realized that someone was watching them.

It was Yu Qi. She was just waiting for her turn. Well, even though her eyes were watching them, her mind was thinking about another thing.

"What are you looking at?" Qin Min Ah snapped to Yu Qi.

Yu Qi was dumbfounded when someone just screamed at her face. She frowned. 'What is wrong with this woman? To become angry at me so suddenly. Who is she?' Yu Qi already forgot about this woman since she was not so important to Yu Qi.

"What?" Yu Qi raised her eyebrows.

"Don't show off just because you are a doctor." Qin Min Ah pointed her finger at Yu Qi.

Yu Qi grabbed Qin Min Ah's finger.

"ARGH!!!" Qin Min Ah shouted in pain.

"I really don't like someone pointing their finger at me. I feel like I want to break it." Yu Qi gave a warning to Qin Min Ah.

After a few second, Yu Qi released her finger. Qin Min Ah felt that her finger had been broken.

"Sister Na Lim, she has broken my finger. I want to sue her." Qin Min Ah complained to Su Na Lim.

"Sure. I don't mind but I hope you have the evidence to support your claim." Yu Qi snorted.

"Miss, can I check in to my room? I have booked an Executive Suite yesterday." Yu Qi said to the receptionist.

"Can I get your ID card, Miss?" The receptionist asked.

"Sure. Here..." Yu Qi gave her ID card.

"Miss Tang, right? Yes. You have booked an Executive Suite yesterday. Here is your key." The receptionist gave the key.

Qin Min Ah just wanted to leave but suddenly boiling in anger after hearing that Yu Qi had checked into an Executive Suite.

"Don't make a scene anymore. Let's go." Su Na Lim did not want to make the scene anymore pulling Qin Min Ah's hand, she left the area.

Chapter 833 - 833: Buying The Land

The area that Yu Qi wanted to survey was the outskirts of the City Capital. Aoi who was in her space decided to come out of her space, wanted to accompany her.

He did not want anything to happen with Yu Qi since she was in an unknown place. He was no longer small.

"Are you sure?" Yu Qi asked when Aoi told her that he wanted to follow her.

"Yes, Master. I want to follow you outside." Aoi nodded.

"Okay."

Yu Qi went to the area. One of the areas that she wanted to see was owned by someone. She already got the contact number of the owner and told that she wanted to meet him and discuss the price to sell the land.

The owner agreed to see her and wanted to see her on his own land. So, they set an appointment.

Yu Qi drove alone to the appointed place with Aoi. They arrived at the land. There was a cabin. Besides the cabin, there was a signboard that said that the land was private property and the entry was denied.

Yu Qi called the owner and told him that she had arrived. Asking where he was. The owner told that he was not there yet and asked Yu Qi to wait. Yu Qi agreed. She ended the conversation.

Yu Qi got out of the car. Not far from the area, Yu Qi could see a factory over there. 15 minutes later, a car approached the area and stopped right in front of the cabin.

A fat old man emerged from the car with two men. Yu Qi approached them.

"Are you the owner of this land?" Yu Qi asked.

A fat old man's eyes shined as he looked over at Yu Qi. He looked at Yu Qi up and down.

"So, you are the woman who has called me yesterday?" The fat old man asked.

"Yeah. I want to ask if you want to sell this land to me." Yu Qi directly asked him about her purpose in meeting him.

"Well, we can discuss in that cabin." The fat old man grinned as he pointed to the cabin. "By the way, your dog can't enter with you since I don't like dogs around me." He saw a dog beside Yu Qi.

'What? Master, this man has a bad intention towards you.' Aoi said to his master. nDve(L&)In

"Okay. I will let him wait outside for me." Yu Qi nodded.

'Wait outside. Don't worry about me. I can protect myself. You also can improve your skills.' Yu Qi patted Aoi.

Aoi sighed. 'Okay. I will wait outside.' He had gotten a new skill with which he could see inside the building. He could see anything alive in the building using their temperatures.

The fat old man smiled as he saw that the girl had agreed. They entered the cabin. In the cabin, there were chairs and a table. There was also a room. The arrangement was a little bit odd but Yu Qi did not think much about it.

The old man and Yu Qi sat on the chairs while the two men stood at the door. Well, like guarding the door. Yu Qi did not think much about them.

"So, I will like to ask you whether you like to sell the land to me?" Yu Qi directly asked because she did not want to waste time here.

"I have never seen you before in this city." The old man said.

"Yeah. Because I am not from this city." Yu Qi admitted the truth.

"Owh. I see." The old man was happy hearing the news.

"I can sell it to you but there are some conditions that you need to follow me." This time, the old man did not hide the l.e.w.d on his eyes.

Yu Qi did not say anything, just looked at the old man.

"You need to be my mistress." The old man said the condition.

Yu Qi sighed. Meaning she needed to use something.

"Warehouse No. 14 at City Port." Yu Qi leaned over the chair and smiled at the old man while her legs crossed each other.

The old man noticed that the aura of the girl changed. He could see the confident look on the girl's face. But he could not understand the change.

"What?" The old man confused since he did not pay attention to what she just said.

"Warehouse No. 14 at City Port." Yu Qi repeated the words.

This time, the old man heard it loud and clear.

"What???" He was afraid.

"If you want your thing to be safe, do sell this land at the standard price." Yu Qi was still smiling.

Yu Qi had already investigated the old man. She needed to know everything about it. While looking at the old man's information, she discovered the secret. From that, she knew that the old man was not so innocent.

"What are you talking about?" The old man panicked.

He did not know how this girl in front of her knew about his secret. The girl was still smiling.

The two men sensed the distress when they looked at their boss. They became on guard.

The old man observed the girl. She came here alone. Only with her dog. 'If she disappeared...' His eyes flashed the glint.

"Don't ever think about that. Something happens to me and your secret will be exposed to all people." Yu Qi said.

Chapter 834 - 834: Meeting With Song Su Jin

"Well..." Yu Qi looked at the old man.

The old man gritted his teeth. His secret could not be exposed to public. He needed to sacrifice this land.

"I will sell it to you." The old man gave up the land.

"Great. I will send you the document over. Don't worry. I will not take it as free. What is the price?" Yu Qi asked.

"5 million."

"2.5 million."

"What? 4.5 million."

"2.6 million."

"Humph! Okay. 2.6 million."

Yu Qi was happy as the old man agreed on the price that she had stated. ~~nOVe-lb-1n~~

"I will send the document over on the other day. We will sign it later." Yu Qi said.

"Okay." The old man could just nodded.

"Please to meet you, sir." Yu Qi said.

"Well, I am not." The old man retorted.

Yu Qi pretended not to hear that. She stood up and walked towards the door. The men did not give way to go out.

"Sir... Can you ask your men to step aside?" Yu Qi asked the old man.

"Let her go." The old man ordered the two men.

....

Yu Qi was in the hotel restaurant eating for her dinner. She was eating alone.

Then, there were customers coming over and sat at the table nearby. They were three women.

"I will treat you, Sister Chi." Wei Su Kee said happily to Chi Yuan.

"Su Kee, only Sister Chi?" Fung Zhu Nie smiled.

"Of course not, Sister Fung. You too." Wei Su Kee smiled to Fung Zhu Nie.

They began to order the food. After ordering the food, they continued their conversation.

"Sister Chu, Sister Fung, I have heard from my grandma that my cousin will be engaged soon." Wei Su Kee said.

"Which cousin?" Fung Zhu Nie asked.

"Well, my aunty's son." Wei Su Kee answered.

Hearing that, Chi Yuan's expression changed for a moment. But it changed back to normal. So, both of her friends did not notice much about that.

"Hmm? I have forgotten which one." Fung Zhu Nie said.

"The soldier one." Wei Su Kee pointed.

"Oh, yeah the handsome one? Wait, meaning Sister Chi is getting engaged?" Fung Zhu Nie looked at Chi Yuan.

"No. It is not me." Chi Yuan shook her head.

"If it is not Sister Chu, then, who?" Fung Zhu Nie turned to Wei Su Kee.

"Well, I don't know much about that." Wei Su Kee sighed. She added. "Sensing from Grandma's mood, she is unhappy hearing about the engagement."

"Of course, since she wants our Sister Chi to be her granddaughter in law." Fung Zhu Nie said proudly.

Yu Qi who was sitting on the nearby table was able to hear the conversation. She did not think much about that and decided to end her dinner since she was already full.

She stood up and wanted to pay at the counter. Then she saw one of the women tripped on something and was about to fall down. She caught the woman before she fell down.

"Are you okay?" Yu Qi asked.

Wei Su Kee felt grateful of the woman who had caught her. Saving her from embarrassing of falling on the ground. She had tripped because of her high heel.

When she turned to say thank to the woman that saved her, she was surprised seeing such a beautiful woman like her.

"Are you okay?" Hearing the question once again, Wei Su Kee nodded and stood up properly.

"Thank you for saving me." Wei Su Kee thanked the woman.

"Are you okay, Su Kee?" Fung Zhu Nie said.

Chi Yuan also looked worriedly at Wei Su Kee.

"Yes. I am okay. Thankd to the lady since she has saved me." Wei Su Kee answered.

"Since you are okay, I will go first." Yu Qi nodded to Wei Su Kee.

"Oh, okay." Wei Su Kee also nodded.

Yu Qi left.

...

Su Yu Hi told Yu Qi that his girlfriend was at Capital City acting for a movie. After they had finished shooting the promotion video for Qi Qi Skincare and the promotion video had aired, Song Su Jin got another role in the movie.

This time, she got the first female lead. She was happy with offer. Xiu Mi Lan was also happy for her.

Yu Qi called Song Su Ji asking to meet her. Song Su Jin told her that she was at the shooting site. So, Yu Qi came to visit her.

Coincidentally, Yu Qi arrived at the shooting site when it was lunchtime. Of course, not everyone could enter the shooting site. Yu Qi was held back by the guard.

After telling that she was Song Su Jin's friend and got the confirmation from Song Su Jin's side, Yu Qi managed to enter. She was lead by someone to Song Su Jin.

"Sister Su Jin." Yu Qi called Song Su Jin.

"Oh, Yu Qi, you have come." Song Su Jin already called Yu Qi by her name as Yu Qi herself requested that.

Yu Qi already considered Su Yu Hi as her brother. So, hearing her brother's girlfriend calling her 'Miss Tang' or 'Miss Yu Qi' did not seem to fit at all.

Xiu Mi Lan greeted Yu Qi by nodding to her. Yu Qi acknowledged that.

"Lunch?" Yu Qi asked.

"Yeah." Song Su Jin nodded. "By the way, what are you doing here, in the Capital City?"

"Well, I have some work here. How is your work?" Yu Qi asked.

"Awesome. After being the spokesperson for Qi Qi Skincare, my career has started to grow rapidly. Like this one, I am the first female lead in this movie." Song Su Jin was happy.

Chapter 835 - 835: I Want Her To Be Sued

"I want my waiting room alone. I don't want to share with another artist."

Both Yu Qi and Song Su Jin turned in the direction from where they heard the argument. They saw Qin Min Ah who was arguing with someone.

"She has arrived already." Song Su Jin said.

"Who is she?" Yu Qi asked.

"She is the second female lead." Song Su Jin explained. "She wants to be the first female lead but the director does not agree with that even if the largest second investor of this movie has insisted. So, she has ended up with the second female lead role."

"Oh." Yu Qi did not say much about that.

Qin Min Ah was still arguing about the matter. Finally, the staff was forced to follow Qin Min Ah's request.

"You should accept my order from the beginning." Qin Min Ah said arrogantly.

Su Na Lim who was behind Qin Min Ah apologized to the staff for Qin Min Ah's rude behaviour.

"You should respect others, then only others will respect you." Su Na Lim advised Qin Min Ah.

"Don't worry too much about that. She is just nobody here." Qin Min Ah ignored that advice.

Su Na Lim sighed. Qin Min Ah walked around. Then her eyes landed on two women. One of them was the woman whom she had met yesterday. Another one was the woman who had snatched the first female lead role. Qin Min Ah walked towards them.

"Hi." Qin Min Ah greeted them. nDve(Lb)In

Both Yu Qi and Song Su Jin looked over.

"Oh, hi." Song Su Jin nodded.

Yu Qi did not say anything. She just nodded.

"We have met again." Qin Min Ah said to Yu Qi.

Yu Qi was confused. She did not remember meeting this woman.

"You know her, Yu Qi?" Song Su Jin asked.

"No." Yu Qi shook her head.

"Hey, we have met yesterday okay." Qin Min Ah was angry when knowing that Yu Qi did not remember her at all.

"Miss Qin, my friend does not know you. Don't be angry about that." Song Su Jin said to Qin Min Ah.

Song Su Jin knew Yu Qi's personality. Yu Qi was indifferent towards everyone with whom she was not close.

"I know that you must be a person who wants to get close to a famous person right?" Qin Min Ah said to Yu Qi.

Yu Qi still ignored Qin Min Ah.

"If you want to be famous, you can enter the entertainment world by becoming a little mistress." Qin Min Ah chuckled

"Oh, I guess that you have used the same method to enter the entertainment world, haven't you?" Yu Qi's turn to chuckle.

"You!!!" Qin Min Ah pointed her finger at Yu Qi.

Yu Qi narrowed her eyes and grabbed the finger. "Oh, you are the person who has pointed her finger at me yesterday, right? Haven't I tell you I will break your finger next time?"

Then the sound 'prak' could be heard. At the same time, Qin Min Ah screamed in pain.

"AHHH!!!" Qin Min Ah screamed loudly making everyone in the set looked at them.

Su Na Lim was panicking.

"Miss, let her finger go." Su Na Lim wanted to break the fight between both of them.

Yu Qi looked at Su Na Lim for one second. Then she moved her hand which was still grabbing Qin Min Ah's finger. Another 'prak' sound could be heard and once again Qin Min Ah screamed loudly.

Yu Qi finally released Qin Min Ah's hand. Qin Min Ah fell and sat on the ground while holding her index finger. Su Na Lim looked at Qin Min Ah.

"She has broken my finger. I want to sue her." Qin Min Ah said while crying.

"Okay... Okay..." Su Na Lim nodded while calming Qin Min Ah down.

"Sure. I will wait for your letter. Make sure to include the medical evidence to show which one of your fingers have been broken." Yu Qi looked down at Qin Min Ah.

"What do you mean? You have broken my finger. This one." Qin Min Ah spoke in a loud voice while showing her finger.

"Are you sure?" Yu Qi narrowed her eyes.

Hearing that, Qin Min Ah looked at her finger. She already could not feel the pain when she moved her index finger. She was confused. She moved her fingers many times. Indeed, the pain was already gone.

"Next time when you see me, make sure you stay away from me. Otherwise, you will feel the pain again." Yu Qi gave the warning to Qin Min Ah. "And if I know that you are making things difficult for Sister Su Jin, you better know what I? will do to do with you."

"You!!!" Qin Min Ah glared at Yu Qi.

"Or you can tell your sugar daddy, I am not afraid of anyone." Yu Qi said again.

Because of too much anger, Qin Min Ah fainted on the spot.

"Min Ah!!!" Su Na Lim called Qin Min Ah. She then looked around. "Help me in bringing Min Ah to the hospital. Please tell the director what has happened here." Su Na Lim said to the production crew.

"Yu Qi, are you sure that you will be okay?" Song Su Jin sighed seeing the situation handled by Yu Qi.

Indeed, Qin Min Ah was backed up by someone. That 'someone' was quite powerful. Song Su Jin was afraid that Yu Qi would be affected by that.

"Don't worry about me, Sister Su Jin. I can take care of myself. It is you whom I am worried about. I am afraid that she will make things difficult for you. If you counter her, don't just be quiet. Tell Sister Mi Lan." Yu Qi said to Song Su Jin and turned to Xiu Mi Lan. " Sister Mi Lan, please pay attention to Sister Su Jin. You can call me or Brother Yu Hi if someone is bothering you and Sister Su Jin."

Xiu Mi Lan nodded.

Chapter 836 - 836: Flirting In The Phone

Yu Qi went to a cafe to relax. After meeting Son Su Jin,? she did not have another appointment. So, she wanted to relax in the cafe.

Then,? her phone was ringing. The screen showed the name 'The King of Vinegar'. Every time she saw the name,? she ended up chuckling.

Yu Qi answered the call.

Long Hui: "Hello,? Qi Qi."

Yu Qi: "Hello,? Brother Hui."

Long Hui: "Where are you?"

Yu Qi: "Capital City."

Long Hui was silent for a few moments. Yu Qi was a little bit confused about that.

Yu Qi: "Brother Hui..."

Long Hui: "Is it nice,? Capital City?"

Yu Qi: "Nothing much. I will head back two days later."

Long Hui: "Well,? is it okay for you to wait for me over there? I will go to Capital City tomorrow."

Yu Qi: "You want to come here?"

Long Hui: "Yeah. I want to bring you to meet someone."

Yu Qi: "Sure. I don't mind."

Long Hui: "Okay. Qi Qi... "

Yu Qi: "What is it?"

Long Hui: "I miss you."

Yu Qi: "I miss you too."

Long Hui: "I miss you so much."

Yu Qi: "I also miss you so much."

Long Hui: "I miss your warmth."

Yu Qi: "I also miss your warmth."

Long Hui: "I miss your body."

Yu Qi: "I also miss your b... Wait why are you trying to make me say such things?"

Yu Qi was led by Long Hui. He almost made her say something so embarrassing, Yu Qi could feel that her face was turning red. She also could hear that Long Hui was laughing on his side.

Long Hui: "What is so embarrassing about that? It is the truth,? though."

Yu Qi: "You! This is still daylight."

Long Hui: "Oh, is it okay for me to talk like that when it is night,? then?"

Yu Qi: "You!"

Long Hui laughed again. It was so good to tease his beloved Qi Qi.

Long Hui: "Okay... Okay... I will not tease you anymore. By the way,? where are you staying?"
n()Ovelb1n

Yu Qi: "Grand Lite Hotel."

Long Hui: "Okay. I need to go now."

Yu Qi: "I will wait for you. Bye."

Long Hui: "Bye Qi Qi. I hope you will dream about me tonight. I mean an e.r.o.t.i.c dream."

Yu Qi felt shy again. Putting her phone,? she patted her cheeks to calm herself down. After a few seconds, she had already calmed down.

She did not realize that she had been watched by a group of people in that cafe too when she was talking to Long Hui just now. She finally realized that. Then,? she turned in the direction where she felt that she had been watched.

Yu Qi could see that there were three men and one woman on that table not far from her table. They were just normal people, she thought. Feeling she was worried for nothing,? she moved her sight and enjoyed the cake in front of her after being interrupted by Long Hui's call just now.

.....

"Su Zien,? what are you looking at?" Xian Lan Sun asked his friend,? Wei Su Zien when he saw that Wei Su Zien was looking in one direction

It seemed that his friend was mesmerized by what he was seeing. Xian Lan Sun also turned in the direction where Wei Su Zien looked at. When Xian Lan Sun saw her, he could understand it. No wonder Wei Su Zien was mesmerized by her.

Xian Lan Su could see a woman who was also looking in their direction before turning away and paid attention to the cake in front of her. It was the first time she met this girl.

"What are you both looking at?" This time,? their female friend,? Gu Ning,? asked.

" I think Su Zien is falling in love." Xian Lan Su teased Wei Su Zien.

"What? Really?" Another friend,? Jin Den Hang,? was excited to hear that.

Wei Su Zien had already turned from looking at the woman. He faked his coughs.

"Don't be ridiculous." Wei Su Zien said.

"I can see why Su Zien feels that. Even I feel that woman is beautiful." Gu Ning nodded.

"I just think that because you are not a woman." Jin Den Hang chuckled.

"Oh,? I see. I think you want a few rounds with me after this." Gu Ning smiled while showing her fist to Jin Den Hang.

Jin Den Hang gulped. 'It is not good to provoke her too much. I will suffer.' He quickly shook his head right and left.

"After a few rounds,? you can follow me for a few rounds too." Xian Lan Sun also added.

Gu Ning smirked.

"You are horrible. Bro before hoe." Jin Den Hang said.

After saying that, he ignored both Xian Lan Sun and Gu Ning.

"Bro,? if you are interested in her,? go and meet her. Be brave,? bro." Jin Den Hang gave encourage to Wei Su Zien.

"Yeah. I also agree with him." Gu Ning nodded.

Wei Su Zien's eyes were trembling. Xian Lan Sun did not miss that. Meaning Wei Su Zien was indeed interested in that woman.

Having a handsome face, Wei Su Zien had been popular with the girls. A lot of girls wanted to be his girlfriend but he did not care much about them. Even Xian Lan Sun suspected that he was gay.

However, seeing Wei Su Zien like this, Xian Lan Sun was relieved that he was a normal man. Just he did not meet someone that could make his heart tremble.

Chapter 837 - 837: Exchange The Phone Number

"How about I help you?" Gu Ning offered.

Wei Su Zien looked at Gu Ning.

"You must be shy since it is your first time like a woman. I will act as your bridge. If she becomes my friend, she may become your friend too." Gu Ning raised her eyebrows several times.

"Yeah. That is indeed a good idea." Jin Den Hang nodded.

"Then, I will go and greet her first." Gu Ning waved before rushed to the woman.

Wei Su Zien did not have time to talk about it. He just could see Gu Ning walking towards the woman.

"I am sure she will get the name of our future sister in law." Xian Lan Sun laughed.

....

Yu Qi saw someone came to her table. Yu Qi tilted her head, feeling confused. It seemed that this girl came from the nearby table.

"Hi... May I sit here for a while?" The girl said.

"Sure." Yu Qi nodded.

"I am Gu Ning. Born here. It is my first time seeing you in this city. Can I assume that you are new here?" Gu Ning introduced herself while handed out her hand to shake with Yu Qi.

Yu Qi grabbed and shook hand with Gu Ning. "I am Tang Yu Qi. You can call me Yu Qi. Indeed, it is my first time coming to this city since I have some business here."

"Oh, you can call me Ning." Gu Ning nodded. "By the way, I have some friends over there. The one that wears a yellow t-shirt is Jin Den Hang, the blue one is Xian Lan Sun. He is my boyfriend." She added some chuckle at the end of the sentence before continuing again. "The last one is Wei Su Zien."

"Oh." Yu Qi looked at them. When she saw Gu Ning's friends were also looking at her, she smiled and nodded.

"Do you have time tomorrow? Let's hang out together tomorrow." Gu Ning suggested.

"Well, not like I don't want but I still have something to do." Yu Qi said.

"Oh..." Gu Ning was a little disappointed. "Then, what about we exchange the numbers with each other?"

"Sure. I don't mind." Yu Qi reached out her phone.

They exchanged their numbers with each other.

"I need to return to my table. We will meet again, Yu Qi." Gu Ning waved her hand before returning back to her seat.

....

"Welcome back." Xian Lan Sun said.

"So, how is it?" Jin Den Hang asked.

Wei Su Zien was not that much excited but from his face, but Gu Ning knew that he was also waiting for Gu Ning to tell them about that girl.

"She is Tang Yu Qi. She has come here because of some work. I have invited her to hang out together but she has told me that she already has an appointment. However, I have managed to get her number." Gu Ning grinned. She then turned to Wei Su Zien while asking this question. "Do you want her number?"

Wei Su Zien was stunned as he heard the question. Meanwhile, Xian Lan Sun held his laughter and Jin Den Han was already laughing.

"Gu Ning, I salute you." Jin Den Hang said in between his laugh.

Wei Su Zien looked at Gu Ning.

"Okay... Okay... I will give it to you." Gu Ning stopped teasing her friend.

Jin Den Hang patted Wei Su Zien's back. "She has already left. You are still staring at the place. Our Su Zien's heart has finally opened."

Wei Su Zien rolled his eyes. But his heart became warm. Indeed, he was finally interested in a woman.

.....

"Master... Master..." Aoi and Bo Ya came running when Yu Qi entered her space.

"What is it? Why are you in so much hurry?" Yu Qi was a little bit confused when knowing that there was an eager look on both of her little cuties.

"Come in, Master." Bo Ya grabbed Yu Qi's hand and led her into the pagoda.

Yu Qi followed them into the pagoda. When she entered the pagoda, she saw something in the hall.

A small and furry creature with a cone-shaped nose, long tail and a long, pear-shaped body with short legs and long claws. It was a ferret. Its small bead-like eyes stared directly at Yu Qi, assuming its observed Yu Qi.

"It is..." Yu Qi turned to Bo Ya and Aoi.

"It has suddenly appeared in our garden and started to attack us. So, we fight. After a while, we have stopped since we are tired. So, we have talked to each other. When we ask him how he came here, he

says he does not know how he was here. Somehow, he has suddenly appeared in this space." Aoi explained.

"It is like Aoi first time has appeared in this space." Bo Ya added.

"Yeah." Yu Qi nodded. She then turned to the ferret. She sat down so that her face was closer to the ferret.

"Can you speak to me?" Yu Qi asked the ferret.

The ferret seemed a little bit scared. He looked at Bo Ya and Aoi. Bo Ya and Aoi just nodded. That made the ferret felt assured that this human was not a bad human. He then turned to Yu Qi and nodded his small head.

"I can speak." The ferret said.

Chapter 838 - 838: Shino

Yu Qi lifted the ferret gently and look straight at his small bead-like eyes.

"Do you want to return to your own place?" Yu Qi asked.

"Well..." The ferret hesitated.

Actually, he was living alone in the jungle. He did meet a human a long time ago. That was why he knew the creature in front of him right now was a human. However, he thought that this human seemed to be different from the human that he had met before.

"Actually, even though you want to return to your own place, I don't know how to make you return. I am sorry. If you don't mind, you can stay here for a while. You can find a way to return to your own place in between." Yu Qi suggested.

The ferret was stunned as he heard that suggestion. "Is it okay if I stay here? Is it alright to trouble you like this?"

"Well, I don't mind. I bet Aoi and Bo Ya may be happy since they will get a new friend." Yu Qi looked at Aoi and Bo Ya.

Aoi and Bo Ya nodded themselves.

"Okay then... I will trouble you for a while." The ferret said.

"By the way, what should I call you?" Yu Qi asked.

"Hmm... I don't have any name." The ferret said.

In the jungle that he lived in before, there was no need for the name since nobody would be calling him.

"That will not do. You need to have a name since you will be going to live here. It is easier to call you if you have a name." Yu Qi said.

"Well, Master, you should choose one for him. You did for me and Aoi." Bo Ya said.

"Yeah. I will like you to choose one for me." The ferret looked at Yu Qi with an expectant look.

"Hmm...Yeah...I will think about that." Yu Qi was thinking what was a suitable name for the ferret.

She read about the animal called ferret before. She looked at the ferret with a closer look. This ferret colour was cinnamon. It was the rarest colour for ferrets. He also had pink colour on his nose.

"Cinnamon... Cinnamon... Hmmm... Shino... Your name is Shino... Do you like that?" Yu Qi asked the ferret.

"Shino... Shino... Yup... I really like it." The ferret... Shino really liked his name. "Thank you,? Master."

"Wait... I am not your master." Yu Qi shook her head.

"Huh? But they called you,? Master. I thought your name is Master." Shino was confused.

"My name is Tang Yu Qi. They call me master because we have a special bond." Yu Qi said.

"Can I call you,? Master too?" Shino asked.

Yu Qi was silent for a moment. "I guess you can call me master if you want. I don't mind."

"Thank you, Master," Shino said.

"Okay. I will go and cook. We need to celebrate since we have a new friend here." Yu Qi's announcement made Aoi and Bo Ya shouted happily.

It made Shino confused. "Why are you both like this?"

"Wait until you have a taste of my Master's cooking.? It is so delicious. You will crave for more." Aoi said to Shino.

"Okay. You three help me with the preparations." Yu Qi said to them.

....

"It is very delicious." Shino ate the meat cooked by Yu Qi.

Shino was very touched by the deliciousness, making him cry a little bit. He did not expect that it would be too delicious like this. He was now wondering what was he just eating until now in that jungle.

Yu Qi was in the shower right now. She said that she would eat later. So,? she served three of them first.

"Right? This is what I am talking about. I also acted like that when first time tasting Master's cooking. I don't want to go back to my old life,? that is what I am thinking." Aoi recalled his memories.

"Huh? You mean you are also not from here?" Shino asked.

"Yeah. I also accidentally appeared in this space and met with Master." Aoi nodded.

"What's about Bo Ya?" Shino turned to Bo Ya.

"I am the guardian of this space. I am always here." Aoi said.

"So, Aoi,? you will not leave this space even if you found the way to go back to your original place?"

Shino asked. $n)/\sigma((v)-e(l)/)\mathbb{D}/(l/n$

"Nope. Well, I already can't since I already had a blood contract with Master." Aoi said.

"You just bite Master and form the contract just like that." Bo Ya said. He remembered the scene.

Aoi just grinned. "My instinct tells me to do so. I am glad that I am following my instinct. It turns out very good."

"Is that really good?" Shino asked.

"Yeah. Master is very good to me. She really likes to cook for us." Aoi answered based on his glutton.

"Hmm... Do you think she would like to bond a blood contract with me too?" Shino asked again.

"Wait! What? You want to do the blood contract with Master?" Aoi was surprised.

"Don't you want to return to your own place later?" Bo Ya reminded Shino.

"Yeah. If you form a blood contract with Master, you can't leave Master. And if Master dies, you will also die." Aoi explained.

"Yeah, that's right. You need to think about it carefully." Bo Ya added.

Chapter 839 - 839: I Have My Own Standard

"Master, I want to form a blood contract with you," Shino said as he saw Yu Qi was walking toward them.

Yu Qi was a little bit confused at the moment. "Shino, I think you need to think more about it since..."

"I have already thought about it. Even I return, nothing is there. I have been and will be alone. Since that is the case, it is better to stay here. At least, I get new friends." Shino cut Yu Qi's sentence.

"Oh, is that okay, Bo Ya?" Yu Qi asked since Bo Ya knew more about this.

"Hmm... I think it is okay." Bo Ya nodded.

"Alright. Let's form the blood contract." Yu Qi agreed.

"Now Master faces Shino. Shino, you need to bite master's finger. Just for a while. If you could taste the blood, you can stop. You need to think that you want to form the blood contract with Master, understand?" Bo Ya told Shino how to form the blood contract.

"Yeah. I understand." Shino nodded.

Yu Qi gave her index finger for Shino to bite. The ferret was a carnivore. So, Shino knew how the blood tasted. He bites Yu Qi's finger while thinking about the blood contract.

Then the white light surrounded both Yu Qi and Shino. It had only lasted for a few seconds before it disappeared.

"Done. You are in a blood contract. Master, you can test telepathy with Shino." Bo Ya said.

'Shino, can you hear my voice now?' Yu Qi tried to speak with Shino by telepathy.

"I can hear Master's voice in my head." Shino startled.

"That's right. We can speak with Master through telepathy. So, whenever you follow Master outside this space or in front of other humans,? you need to use telepathy to speak with Master. Don't speak directly." Aoi gave a warning.

"Outside the space? Other humans?" Shino was surprised.

"Yeah,? Master lives outside this space. I can follow Master when she is going outside. So,? there will be a lot of humans. Animals-like us could not speak directly to humans. Otherwise,? we might be caught by someone who is interested in talking animals." Aoi said reminding Shino about that.

"I see. What about Bo Ya? Can you follow Master?" Shino turned to Bo Ya.

"No, I can't. I can't leave this space. I am the guardian of it." Bo Ya said proudly.

"Welcome to the family,? Shino." Yu Qi smiled.

Now,? they would have another member in this space.

"Hmm... Thank you,? Master." Shino was very happy with this outcome.

.....

Yu Qi was drinking some tea at the hotel restaurant the next morning. It was a lovely morning until someone came to ruin it.

An old man came and just took a seat in front of Yu Qi. Seeing this, Yu Qi frowned.

"Who are you?" Yu Qi asked.

"What? Pretending not to know me after spending a night with me?" The old man just made his voice louder so everyone around Yu Qi's could hear the sentence.

The look in Yu Qi's eyes became sharp. She glared at this old man coldly. This old man wanted to create some trouble for him.

"Old man, have you looked at your face in the mirror? Even if you have money, I will not look at you." Since the other party wanted to trouble her,? she would not hold back and insulted the old man.

"Even my grandfather has? better looks than you." Yu Qi sneered.

This insult was making the old man's face became angry.

"I know, a woman like you just use your face to survive." The old man fought back.

"Even if you have money, I will not go after you. I have my own standards. You are out of it." Yu Qi replied.

"Yeah. You should look at your face in the mirror." Someone joined the conversation.

Everyone turned to the voice. It was Yu Qi's new friend that she met last night, Gu Ning.

"My friend will not look at you. With that face, the only low-class woman will go after you." Gu Ning added another insult.

The onlookers started to chat among them.

"Hey,? that is Gu Ning, the city mayor's only daughter."

"Yeah. I know her too."

"She says that girl is her friend."

"Meaning that girl is part of the high society."

"There is no way that the girl will be a mistress to that old man."

"As the girl and Miss Gu have said just now,? that old man needs to look in the mirror."

They were laughing.

"The old man must want to destroy the girl's reputation. What an asshole."

"That girl can report it to the police and sue the old man."

The old man started to panic. He thought that it was an easy job to earn some cash. He just needed to say something to misled others to make them think that this girl was a mistress who just wanted to have money.

He never thought that she was a friend of Gu Ning,? the only daughter of Mayor Gu. He was kind of regretting coming here.

"What are you doing?" The old man asked in anger. n//o.(V(-E((l./B())1()n

"Taking a photo of you. It may be useful for the policeman later." Yu Qi smiled coldly.

Chapter 840 - 840: Arrest The Old Man

"No... No... Don't report me to the police. I am just doing this under someone's instruction." The old man confessed. He stood from his seat and kowtow in front of Yu Qi.

"Who is that?" Gu Ning's roar was very loud.

She really did not like this kind of behaviour. Since her father became the mayor,? some people always liked to slander her father. She really could not tolerate this.

"Then, tell me. Who has asked you to do this?" Yu Qi asked.

"I don't know. But I can tell you that that person is a woman." The old man said.

"Humph! I know. Only a woman will do something like this. Stupid woman." Gu Ning gritted her teeth.

"So, you don't have any clues? Has she paid you in cash?" Yu Qi asked again.

"Yeah. She has paid me in cash." The old man nodded.

Yu Qi thought that if they paid the old man by online transfer, she could track it.

"Then, you have nothing to say anymore. I hope you will enjoy some of your time in the police station." Yu Qi looked down at the old man.

"What? I have already confessed that someone has instructed me to do this." The old man did not expect that this girl would want to report him to the police even after he had confessed.

"I have never said that I will let you go, have I?" Yu Qi sneered.

"You!" The old man became angry.

"You should know doing something like this is wrong. Who knows how many lives has been ruined because of you,? saying something like that? If I can not retort your words today,? my reputation may be ruined." Yu Qi's reply made the people around thought about that.

"I think what the girl has said is true. I have almost believed the old man."

"That's right. How many girls must have been ruined because of your mouth, hmm?"

"Even though you are not good looking, you need a good heart."

Then two police officers came into the restaurant.

"Sir, here." Gu Ning called the police officers.

"Miss Gu." The police officers greeted Gu Ning. "What has happened here?"

"This old man has said that someone instructed him to ruin my friend's reputation. Investigate it." Gu Ning said while pointing to the old man who was currently sitting on the ground.

"Please. Don't arrest me." The old man begged.

However,? everyone had turned blind eye to him. They would not say anything. It was clear to them that the old man was in the wrong.

Before the police officers left, Yu Qi told them, she would go to the police station later. The police officers left with the old man. n./O/(V-.e.-1)(B/(1)-n

"Thank you, Ning." Yu Qi thanked Gu Ning after the riot passed.

"No problem." Gu Ning was happy to help Yu Qi.

"By the way,? what are you doing here?" Yu Qi asked.

"Oh my god. I have forgotten that I have an appointment." Gu Ning forgot about that.

She had promised her first brother that they would have breakfast together.

"Do you need me to come with you and explain what has happened earlier?" Yu Qi felt bad about this.

"No need. I can explain it myself. He will understand." Gu Ning grinned. "I will go first."

Gu Ning ran towards the private room where her first brother,? Gu Ye Fei was waiting for his sister. She entered the room.

"I have thought you can't come." Gu Ye Fei said as he saw his sister.

"Sorry. Something has happened on the way." Gu Ning said.

"Huh? What happen?" Gu Ye Fei asked.

Gu Ning began to tell Gu Ye Fei about what had happened just now. Same as Gu Ning,? Gu Ye Fei also really hated it. A slander could destroy someone's life. It was not a lie. He did witness it happening.

"Is your friend okay?" Gu Ye Fei asked.

"Yeah. She is okay." Gu Ning nodded while smiling.

The brother and sister began their breakfast. Gu Ning was casually texting her close friends and told them about the incident. Wei Su Zien reacted so fast asking about the detail. So,? Gu Ning told all of them.

Three of them wanted to meet tonight. As for Wei Su Zien,? he could not go out tonight because he had something to do.

Yu Qi went to the airport to wait for Long Hui's arrival. He told Yu Qi that he would be arriving in the afternoon. There was still some time for Long Hui's arrival. So she was chilling at the arrival pass gate.

While she was sitting there reading a book while listening to the music through the earphone,? someone patted her shoulder. She turned around to see the person.

She thought that it was Long Hui. Turned out it was not.

"Yes?" Yu Qi asked.

"I am the daughter of the man that you have saved at FINN City airport recently." The woman said.

"Oh, it's you. How is your father?" Yu Qi asked back.

"Thanks to you. My father is alright. The doctor has said,? the first aid treatment has really helped to prevent my father from getting a stroke." The woman really appreciated Yu Qi's help back then. Otherwise, her father might end up spending his time on the bed.

"Your friend,? Ren Yi?" An old man came and spoke to the woman in front of Yu Qi.

Yu Qi assumed this old man was the woman's father. And her assumption was correct. It was indeed the woman's father.

"Dad, this young woman is the one who has saved you back then." The woman said to her father.

"Oh,? really? Thank you very much. Without you, I might become paralyzed for the rest of my life." The old man thanked Yu Qi again.
