

INTELLIGENT 951

Chapter 951 - 951: Monster

The men were flabbergasted when they saw their friend being kicked.

"Do you want to have a taste too?" Yu Qi cracked her hands.

Then one of them ran away followed by others. Seeing the men running away, Yu Qi became relaxed.

"Yu Qi, if you are a man, I will definitely fall in love with you." So Pang Lim said.

"Sorry. I have my standards." Yu Qi said jokingly.

"I am hurt.." So Pang Lim acted like she had severe pain in her chest.

Yu Qi smiled.

They walked back to the room where their friends were. But looked like someone walked towards them and stopped in front of them before they managed to step into the room.

"Not again..." So Pang Lim looked at the man.

However, Yu Qi looked straight at the man. She knew the man. 'Nie Feng La.' The man came to the hospital and met her.

"Miss Tang, what a coincidence." Nie Feng La smiled.

"Hello." Yu Qi bowed a little bit.

"Yu Qi, your acquaintance?" So Pang Lim asked in a lower voice.

"He was one of our hospital's patients. I have checked on him once." Yu Qi explained.

"Oh..." So Pang Lim thought that the latter was thinking something else. 'Looks like she has another man chasing her. Our Yu Qi is surely popular.'

"I will enter the room first." So Pang Lim read the situation and made the decision, intending to leave Yu Qi with the man.

"We don't have anything to say. So, Mr Nie, have a nice day." Yu Qi drew the line between her and Nie Feng La.

"Wait." Nie Feng La stopped Yu Qi from leaving.

"Yes?" Yu Qi turned to Nie Feng La.

"Since we are here, why don't we hang out together?" Nie Feng La suggested.

"I don't think it is a good suggestion since we are not familiar with each other." Yu Qi said.

"Well..." Nie Feng La wanted to do say something but Yu Qi ignored him and entered the room.

"Young Master, do you need to get her out from there?" One of the bodyguards said to Nie Feng La.

"Do you think you can force her?" Nie Feng La asked.

He watched the video which had been provided by the bodyguards whom he had asked to take her. He was amused by her who could easily defeat the bodyguards that he had trained.

The bodyguards who fought against her were still not healed from the fight. The bodyguards who accompanied him right now did not know about the matter. So, they did not understand why their young master had prevented them to find her.

"Go and settle the payment for that room." Nie Feng La ordered his bodyguards.

....

"Yu Qi has another suiter." So Pang Lim said to others.

"It is nothing unusual." Mei Lilli said.

"Can you react more to what I am saying?" So Pang Lim sulked.

"So, are you sober?" Mei Lilli asked.

"Yeah. Thank for Yu Qi's medicine." So Pang Lim gave the thumbs up.

"So, what about the other suiter?" Song Ha Ting asked.

"Oh, just now, when we are about to enter the room, a man with some bodyguards stopped Yu Qi. He suggested hanging out together. I guess he wants to be together with Yu Qi." So Pang Lim said.

"Brother Hui needs to be careful." Ding Na An said.

"I bet. Another suiter is arriving." So Pang Lim laughed. And then as she remembered something, she said this enthusiastically. "I have another exciting story to share."

"Exciting story?" Mei Lilli lifted up her eye.

"Yeah. After I came out of the toilet, we were blocked by several men." So Pang Lim began her story.

"What? Are you guys okay?" Ding Na An turned and asked both Yu Qi and So Pang Lim.

"We were okay. Don't worry." Yu Qi said.

"Then, what is the exciting thing in this story? Yun Xiao interrupted the conversation.

"The exciting part is when Yu Qi kicked one of them, he had gone flying back. Things that happen in the martial arts film." So Pang Lim even stood up and gave a kick in the air. "Seeing their friend like that, they ran away to save themselves."

"I don't know if I should laugh." Mei Lilli sighed.

"Is it true, Yu Qi? Have you sent someone flying?" Song Ha Ting asked curiously.

"Well, Pang Lim is telling the truth. But I have never thought that he would be so weak. I think I have already held back my power." Yu Qi said.

Mei Lilli, Yun Xiao and Ding Na An were flabbergasted when they heard Yu Qi's words. They actually just thought that So Pang Lim was exaggerating the story but it was the truth.

"I think Yu Qi is about to become a monster." Mei Lilli laughed.

They all laughed. So Pang Lim wanted to drink some more but Mei Lilli banned her to drink for the rest of the night.

"I want to drink. It is fine. I have Yu Qi's medicine here." So Pang Lim shook the bottle.

"Pang Lim, you can't eat the medicine anymore for one week." Yu Qi said.

"Eh... really?" So Pang Lim was surprised.

"I have already told you just now." Yu Qi reminded her.

So Pang Lim grinned. "Okay... Okay... I will not drink any alcohol anymore. I will just drink the juice, okay?" So Pang Lim surrendered to her friends.

They started talking again about their life and plan. While they were having some lively conversations, the door was opened from outside.

Chapter 952 - 952: Mr Black's Girlfriend

"Look, Brother Jai... she is the bitch who has hurt Su Man."

Yu Qi and others could see that a group of men had entered the room by force. One of them pointed towards Yu Qi. Assuming the leader of the men, a tough-looking man stepped closer to Yu Qi.

"Are you the one who has hurt my brother?" The man asked.

"Huh?" Yu Qi lifted up her eyebrows.

"Don't play a fool. You are the one who has kicked Su Man earlier."? There was a voice behind the tough-looking man who had shouted.

"Oh.. That weak man." Yu Qi remembered it.

"Bitch. How dare you humiliate my brother?" The tough-looking man said angrily to Yu Qi.

"So, what is it? Do you want to take revenge on me for him?" Yu Qi asked.

"Brother Jai, we can sell them. They all look very beautiful, including the man over there." One of the men whispered to Brother Jai.

Brother Jai took a closer look at the group. The girls were indeed beautiful. The idea of selling them was good. He could get some extra cash.

Since Yu Qi enchanted her hearing, she could listen to what the men had whispered. The men seemed to forget that Yu Qi had hurt their friend earlier. Of course, she would not let anything happen to her friends.

"Bitch, it is better to surrender right now if you don't want to get hurt. Our Brother Jai is a boxer. He is very strong." One of the men said to Yu Qi.

Yu Qi, Ding Na An and Yun Xiao stepped forward protecting the others. Seeing the action, Brother Jai and his men laughed.

"Hey, don't struggle. You will lose easily." Brother Jai smirked.

"Yeah. Give up and let us have fun together. You will like it." One of the men said.

"The experience will be useful when you will be sold soon." Another one added.

"What do you mean by that?" So Pang Lim asked.

"Since you guys want to know, I will tell you some. You will be sold as a sex slave." The man said.

His friends laughed. Brother Jai was also laughing. They seemed to do an earlier celebration when thinking about the money that they would get soon.

Without waiting for anything, Yu Qi started to attack Brother Jai. Brother Jai managed to protect his face by blocking the blow.

"I can see that you are a boxer. You are indeed stronger than that earlier one. Then, I will increase my strength." Yu Qi displayed an evil smile.

Brother Jai was actually shocked by the strength that the girl had. He could feel his arms hurt when he blocked the punch. And the girl said that she would increase her strength, what the heck was going on?

Only Yu Qi was attacking Brother Jai. Ding Na An and Yun Xiao did not move, they protected other girls from the other men.

Yu Qi did as she had said. She increased her strength of attacking Brother Jai little by little. Brother Jai did not have much time to reply to the attack. He was struggling to block the attacks. It became more painful.

'This girl is telling the truth. My arms will not be able to hold anymore. I need to attack her.' With that in his mind, he moved his leg to kick Yu Qi. However, the girl looked smooth when she blocked his kick.

"Oh, you want a kick right now? I will gladly do it." Right after that, she gave a kick. Her aim was the thigh.

Brother Jai did not have time to block it. So, it landed straight on his thigh.

"Ahhhhh!!" Brother Jai could feel the sharp pain in his thigh. He knew that his thigh bone had already broken.

Brother Jai's group were shocked when seeing the scene. They could not expect that Brother Jai would be in this situation.

Feeling scared, one of the men wanted to run away but he got blocked by someone when he had opened the door. The group of men who were wearing the bodyguard's suit blocked the man.

The man was shaking as he saw the group. It seemed that the men knew the group as they were shocked and looked scared. Even Brother Jai was not excluded.

"Mr Shin, what are you doing here?" Brother Jai asked shakingly.

"I will also like to ask you, what are you doing here?" Mr Shin looked down at Brother Jai who was currently sitting on the ground.

"I... " Brother Jai could not find a good answer.

"Humph! Do you dare to make chaos in Rose Nightclub?" Mr Shin said angrily to Brother Jai.

He then turned to Yu Qi. "Miss Tang, we are sorry for the unpleasant time that you have gone through today." He bowed.

The men were seriously shocked when they watched this.

"Who are you?" Yu Qi asked.

"We are subordinates of Mr Black." Mr Shin explained.

"Oh, no wonder. Is he here?" Yu Qi remembered Mr Black was Liang Mo Han.

"No, Miss Tang. Mr Black is not here. He has ordered us to protect you whenever you come to the premise, no matter which branches it is." Mr Shin explained.

"I see. Thank you for doing so." Yu? Qi said.

Brother Jai and his gang were scared when they listened to the conversation. It turned out that the girl was Mr Black's girlfriend. It was what they had concluded from the conversation.

"So, what do you want to do with these bastards?" Mr Shin asked as he looked sharply at Brother Jai and his gang.

Chapter 953 - 953: Cut These Things

"Do whatever you wish. I don't care much but they seem to like to rape the girls. I hope you can cut these things." Yu Qi looked at Brother Jai. Well, at the middle of their legs.

When the men heard the sentence, they gasped. The punishment was the worst for a man. This girl was cruel.

"What?" Yu Qi could feel that Brother Jai and his gang looked at her hatefully. "You have probably harmed many girls with these things."

"I will do what Miss Tang has asked to. Brothers, take them away.." Mr Shin ordered his subordinates.

With that, Brother Jai and his gang had been taken away from the room.

"I will go first. Enjoy yourself, Miss Tang." Mr Shin bowed and left the room.

The room fell into silence before Song Ha Ting started to talk. "Is it over?"

"Yeah." Yu Qi nodded.

"Those men in the black suits are working at this club. They are like a security guard. If something happens in the club, they will take charge." So Pang Lim explained. She knew it because she had asked someone before.

"Do you know them?" Mei Lilli asked.

"Kind of." Yu Qi vaguely answered that.

"Oh.." Mei Lilli understood. Yu Qi did not like to answer more.

"What? So mysterious. Mr Black is the owner of Rose Nightclub. Yu Qi, you are so awesome. You even know the owner." So Pang Lim added.

"Forget about it. Yu Qi, thank you for protecting us." Mei Lilli said.

"As I have said earlier, if Yu Qi is a man, I would already fall in love with her." So Pang Lim said.

"Well, I am already in love with Yu Qi." Song Ha Ting added.

"Ha Ting, you can't be a lesbian." So Pang Lim shook her head.

"Not that kind of love, you idiot." Song Ha Ting said in high pitch.

"Thank goodness." So Pang Lim took a relief breath.

"By the way, are they going to cut those men's things?" Mei Lilli asked Yu Qi.

"I don't know." Yu Qi made a body language that she did not know.

"It is better to cut it off since they have harmed many girls before." Ding Na An said.

"Girls, can you stop talking about it?" Yun Xiao said it.

"Oh, sorry." Ding Na An realized.

Yun Xiao was also a man. Obviously, he did not want to listen. Even though he was a little bit feminine, still he was a man. Cutting off that thing, that was the worst nightmare for a man.

After that, they decided to end the drinking party. When they wanted to settle the payment, they had been told that the bill had been settled.

They were curious. 'Who has paid for their bills?' Then, So Pang Lim assumed that it was probably Mr Shin as the nightclub's apology. Others thought the same. They had no idea that someone else had paid for their bills. Pity Nie Feng La.

They returned to the hotel.

...

The day where Yu Qi and Long Hui would go and take their things from the pottery class had arrived. They finally had the same day off.

Long Hui drove and took Yu Qi from her house. They went straight to the pottery class. The girl on the registration counter remembered the couple due to their outstanding appearances.

"Welcome back." The girl greeted them.

"Thank you. We will like to take the pottery that we have made." Yu Qi said.

"Oh, my friend will guide you over." The girl then called her friend and told him about it.

The boy nodded and brought Yu Qi and Long Hui to the storage room where the pottery had been stored. When they entered the room, it was full of pottery.

The boy looked at the record and found the names immediately. The arrangement was so good, which made it easier to find someone's pottery.

"Here." The boy showed their pieces.

The teacup that they made was very good. And also the vase looked very beautiful especially Long Hui's vase.

"Here." Long Hui gave the piece to Yu Qi.

"Huh?" Yu Qi was confused.

"I have made this for you. Put in your room or your office." Long Hui smiled.

"Me too. I want to give it to you." Yu Qi said.

So, both of them exchanged the pieces which they had made with each other. They went to the hotel. For the rest of the day, they decided to enjoy their time inside Yu Qi's space. They would have a lot of time to spend together.

Long Hui decided that he would be the chef for today. Of course, Yu Qi did not reject it. She wanted to have a taste of Long Hui's cooking.

Long Hui forced the three little cuties to help him. Since their master wanted them to help Long Hui, they helped him even though they disliked it.

Yu Qi sat at the table watching Long Hui cooking. Weirdly she felt that Long Hui looked very sexy right now. She swallowed her saliva. Her cheeks became slightly red. She patted her cheeks lightly.

'Stop thinking about such weird things.' Yu Qi tried to calm down.

"Master, are you okay? Your face is red." Shino asked when he saw his Master's face was slightly red.

"Nothing. I? am okay." Yu Qi said shaking her head.

"Oh, if you are sick, you can go and rest first. When the food is ready, I will call you." Shino said.

"It is okay. I will sit here." Yu Qi said. How could she leave? To watch this scene was very precious. She wanted to watch more.

Chapter 954 - 954: Let's Exercise

Yu Qi spent her time watching Long Hui cooking. One hour later, Long Hui finished his cooking. She was impressed with the food which had been prepared by Long Hui.

"Eat this." Long Hui put the food into Yu Qi's bowl.

Not feeling enough by cooking for Yu Qi, Long Hui also treated her like a princess. Of course, Yu Qi enjoyed the treatment. She was not feeling bad at all. She thought that it was normal for a couple to treat each other like that.

Long Hui was happy to serve his beloved Qi Qi like that. He just came back from the mission. And to his surprise, he got some report from Liang Mo Han..

At first, he wanted to ignore Liang Mo Han. He assumed that Liang Mo Han wanted to report the things about the business but Liang Mo Han clearly told him that it was about Yu Qi.

Long Hui thought there was no interception for Liang Mo Han to get involved with Yu Qi. However, when Liang Mo Han told him that a group of men wanted to harm Yu Qi and her friends, he opened his ears widely to hear about the matter.

Liang Mo Han told him everything. His anger was rising as he listened to the details. Even though his beloved Qi Qi was fine but the fact that she had been harassed by those men had made him, want to kill those men.

Liang Mo Han told Long Hui that Yu Qi suggested cutting off those men's...? Well... 'pride'. Liang Mo Han did not want to disappoint Yu Qi, so he followed her suggestion and treated them after that. Then, he handed those men to the police with the evidence that he had found out.

Turned out, Brother Jai and the gang were a group who liked to pick up a girl and gang-raped as well as film it and sell and post it online on the porn website. They also used the video to blackmail the raped victim for not telling the police and for money. The victims did not know that video had been made into the internet.

The police were shocked by this. With this much evidence, they would get their punishments for sure.

"Delicious."

Yu Qi's voice broke his thoughts about the matter.

"Really? Then it is great." Long Hui said.

"Why don't you eat?" Yu Qi took the food and put it into Long Hui's bowl.

They began their turns to put the food into each other's bowls. If Tang Jin Wei saw this, he would definitely say, 'Can you just eat quietly without giving someone the dog food?'

"I have eaten too much." Yu Qi rubbed her stomach. "I need to do some exercise after this."

"Oh... Exercise... It is a good idea. Shall I help you?" Long Hui grinned.

Yu Qi gasped. "Not that kind of exercise." She shook her head.

"Oh... I am thinking to spar with you. Tell me what kind of exercise are you thinking about, hmmm?" Long Hui narrowed his eye as he grinned widely.

Yu Qi gasped once again. "Nothing... Okay. Let's spar." She wanted to end the embarrassing conversation. Of course, she was thinking that Long Hui wanted to do some naughty.

Long Hui chuckled as he saw Yu Qi's face was red. He would leave the topic here.

.....

"The surgery is successful thanks to Doctor Yu Qi's suggestion." Doctor Yu Han said.

They had just finished a complicated surgery. A week before that, Yu Qi and several doctors were in the meeting to discuss about the heart surgery replacement for one of the patients. The patient had been waiting for a long time for the surgery.

"Yeah." Doctor Qui Su nodded.

"It's all because of Doctor Yu Han's technique. I have just suggested." Yu Qi smiled humbly.

"I think that's all for today's meeting." Doctor Zhu Shang nodded.

All of the doctors left the meeting room. Yu Qi got back to her table. It was lunchtime. But she thought that she would not have any time to eat since she had another online meeting with her employees.

The room was empty without any doctors, probably on their duties and having their lunch. So, it was perfect.

She wore the earphone and set up her laptop to join the meeting. Then, on the screen, there were Su Yu Hi, Chui Mei Fung, Ming Xuehai, Song Tao and Song Tai who were already waiting for her to join the meeting.

"Sorry. I am late." Yu Qi apologized.

"It does not matter. We have not started yet." Ming Xuehai.

They started to discuss about the business. As usual, they would be reporting about the current situation of the companies. After that, they would move to discuss about the improvement.

"We need to open the new production line. The current ones are not enough since we have many products to produce." Song Tai told Yu Qi.

"In simple words, we need to renovate the factory." Yu Qi said.

"Yeah. But, the renovation will disturb the existing operation line." Su Yu Hi nodded.

"We can close the operation line which is close to the renovation area. Meanwhile, the line which can be operated will operate twice. Day shift and night shift. We will hire other employees for the shifts. When the renovation is done, the day-night can easily be converted to the daily shift without getting fired." Song Tai suggested.

Chapter 955 - 955: Major Accident

"Hmm... It is a good idea. I will leave responsibility of the management to Brother Tai. Brother Yu Hi, please assist Brother Tai in the work and finance." Yu Qi said. "As for the advertisement, I think we need a new advertisement."

"Yeah." Su Yu Hi agreed.

"Hmm... Maintain Sister Su Jin and find another one. Go and choose the one from our entertainment company. I will leave this to Brother Yu Hi and Brother Xuehai." Yu Q gave the order.

"Do I have to choose?" Ming Xuehai pointed to himself. "But I don't know how to choose the model."

"Think positive, Xuehai, you can see a lot of beautiful girls." Song Tai joked.

"Oh, someone is willing to add his work burden." Yu Qi smirked.

"Thank you for the offer, Miss Yu Qi. It is enough. More than this, I will die." Song Tai shook his head.

"Okay. Sister Mei Fung, is there anything on your side?" Yu Qi moved to Saisei Ryokan Hotel.

"It is nothing for now." Chui Mei Fung did not have anything to say about the hotel. For now, it was perfect.

Yu Qi looked at her watch. "The lunchtime is almost over. Nothing else, everyone?" She asked before ending the meeting.

Su Yu Hi : "No."

Ming Xuehai: "No."

Song Tao : " No."

Song Tai : " Nope."

Chui Mei Fung : "No."

"Then, the meeting is adjourned." Yu Qi ended the online meeting.

She stood up and stretched her body. When she turned around, she was surprised that there were some people in the room. Her sense did not work when she was too focused on something.

"Doctor Yu Qi, what were you talking about just now?" Doctor Su Li, a resident doctor like Yu Qi asked.

"Yeah, you were having such a lively chat. I assume they are not doctors, right?" Doctor Quan Bei Sen also asked.

"Yeah. They are my friends." Yu Qi said, did not explain much about them.

"Oh... okay..." Seeing that Yu Qi did not explain much about it, Doctor Su Li did not want to probe further about the matter.

However, Doctor Quan Bei Sen wanted to know more about it.

"You are doing business, Doctor Yu Qi?" Doctor Quan Bei Sen asked.

"Yeah. My part-time job." Yu Qi nodded.

"Part time job? Why? This is your family's hospital." Doctor Quan Bei Sen was confused.

"It is but I am doing it because I like it. That's it." Yu Qi said.

"I see." After that Doctor Quan Bei Sen ended the conversation since all of them needed to go to work.

The red alarm was ringing. Meaning there would be a lot of patients coming to the hospital through emergency department. They needed to be ready.

"It's probably a major accident which has involved many people." Doctor Ren Yi, head department said. "Be ready."

Five hours later, the patients who got involved in the accident were safely placed. There were some patients who were seriously injured, some of them suffered the permanent disability and someone of them were having just minor injuries.

The accident had occurred because a car which was being driven at a very high speed. Wanting to avoid the lorry in front of him, the driver lost the control and entered the opposite side where there was a bus.

The bus driver was shocked and also wanted to avoid but it hit another semi truck. The collision was very bad. The driver of the car also hit the semi truck. His injury was the worst.

The doctors worked hard to save him and right now, he was in the coma.

The family members of the victims were crying. Some of the victims, when they knew that they were permanently disabled, they cried very much. Someone of them were even thinking to kill themselves.

Even though the chaos was over but the doctors could not relax, but get afraid as someone might kill themselves.

"As a doctor, we just need to help as much we can. After this, it is up to the patient." Doctor Quan Bei Sen said.

Yu Qi was only silent.

"I want to eat. Do you want to grab something?" Doctor Su Li asked everyone.

"Yeah. I am hungry too."

"I want to eat."

Everyone wanted to eat but Yu Qi wanted to sleep.

"You can leave. I want to take a nap first. Wake me up, if something happens." Yu Qi told her colleagues.

"Sure. Do you want me to get you something? Like sandwiches?" Doctor Su Li asked.

Yu Qi went to the staff room to take a nap.

"Excuse me, where is Doctor Yu Qi?" Tang Han Lee looked at the group of people with whom, his little sister used to talk together. He wanted to see his sister. His sister was on duty tonight.

"She told that she wants to take a nap. So, she is probably in the staff room." Doctor Quan Bei Sen said.

"Thank you." Tang Han Lee thanked the group and left for the staff room.

Yu Qi went to her space through her soul. People would wonder if she went missing. Since the time in the space was longer, she went to sleep.

"Master, what do you want to do?" Shino asked.

"I want to take a nap." Yu Qi said.

"Oh, then I will accompany Master." Aoi shouted.

"Me too." Shino joined.

"Bo Ya, do you want to join me take a nap?" Yu Qi asked Bo Ya.

"Can I?" Bo Ya asked shyly.

"Of course. Let's take a nap together." Yu Qi smiled.

So, the little cuties went up to Yu Qi's bed to take a nap together.

Chapter 956 - 956: Coax The Patient

Tang Han Lee saw the door was not fully closed. He assumed that another female doctor had just entered or wanted to go out.

However, when he took a look inside, he saw a man wanted to do something to his sister. He quickly entered the room and pulled the man before the man managed to do something to Yu Qi.

"What are you trying to do?" Tang Han Lee questioned the man.

"Let me go... Let me go..." The man screamed.

"Master... Master... wake up... I think something has just happened outside the space." Bo Ya who heard the mess quickly woke Yu Qi up.

"What?" Yu Qi was dazzled off. She rubbed her eyes.

"You need to return to your body now. Something has happened outside." Bo Ya explained.

"What? Really? I will go now." Yu Qi said.

So, Yu Qi opened her eyes. What she saw in front of her eyes was Tang Han Lee who held down a man.

"Big Brother." Yu Qi called Tang Han Lee.

"Little Sis, do you know this man?" Tang Han Lee asked Yu Qi.

"Of course, she knows me. She has promised to marry me." The man shouted.

"Huh? What the hell? Who are you? I don't know you." Yu Qi looked down at the man.

"What? How can you lie to me? You have promised to marry me. How can you forget about me?" The man? still shouted nonsense.

The shouts made some doctors came to see what had happened.

"Two days ago, you have given medicine to me so that I can get better. You have told me if I get better, you will marry me." The man said.

The man told the story very innocently . If someone did not know Yu Qi, people would probably trust the man.

"What? I don't even know you." Yu Qi frowned.

"No... no... you are lying. You have said that. You told me that you want to marry me." The man shouted again.

"My little sister has a fiancée." Tang Han Lee added.

"What? But the nurse has told me everything very clearly." The man began to get confuse.

"The nurse? Which nurse?" Yu Qi quickly got something.

"A nurse has told me that you will marry me." The man said again.

"I see. Someone wants to use me." Yu Qi smiled coldly. "We need to investigate the matter."

"What about the man?" Tang Han Lee asked.

"Release him." Yu Qi said. "Before that, check his mental state."

"Yeah. I think he is... since he believes something like that." One of the doctors said. Others understood what the doctor meant to say.

After investigating the matter, they managed to find out the man's identity. Bo Cai Ju. He was indeed a patient who had been admitted one week ago. He somehow came from a wealthy family. However, their assets were lower than the Tang Family.

The family had been called by the hospital. The family members admitted that their youngest son was not normal. They apologized for the matter. They did not know that their son wanted to do such thing.

As for the nurse, Tang Han Lee quickly found out her. It was easy because everything had been the record by the CCTV camera.

The nurse's name was Ye Sui. Ye Sui had been called to the meeting room. She actually thought that the hospital had called her to promote her position. She did not think about other matters.

But when she entered the meeting room, she saw Tang Han Lee, Yu Qi and the head nurse, Gong Xue, her body flinched. She could feel something bad would happen, considering their expressions.

"Are you Nurse Ye?" Tang Han Lee asked.

"Yes." Ye Sui nodded.

"Do you know why have you been called here?" Tang Han Lee asked.

Ye Sui was silent for a moment and then shook her head. "I don't know."

"Then, let me change the question. Are you the nurse in-charge of the patient, Bo Cai Ju?" Tang Han Lee asked again.

When Ye Sui heard the name, she eventually remembered about the patient.

"Look like Nurse Ye remembers him. So, do you remember what have? you told him?" Yu Qi took the chance to question Ye Sui.

"I... I don't remember." Ye Sui did not want to admit what she had said to the man.

"Nurse Ye, I heard from one of the nurses that you have told the patient that Doctor Yu Qi will marry him if he gets better." This time, Head Nurse Gong Xue voiced.

Ye Sui remembered the nurse who was also at the scene when she had said those words. The nurse also scolded her to use the words.

"I..." Ye Sui could not defend herself since what they had said was the truth. "But... It means nothing. I just want to coax the patient to eat the medicine."

"But you don't need use those sentences to coax the patient." Head Nurse Gong Xue said.

"Something might have happened to my sister because of your words." Tang Han Lee said.

Ye Sui was silent. 'Something might have happened? Then, it has not happened yet. Why are they so angry at me?' She bit her lower lip.

"Nurse Ye, I don't think we have any interaction before, right?" Yu Qi asked.

"Ye... Yes." Ye Sui nodded. 'Does she not remember?' But when she looked at Yu Qi again, she knew that Yu Qi seemed to have remembered the once interaction between them. But it was not a direct interaction.

"I hope Nurse Ye will not do it again. I will let the matter end here." Yu Qi smiled meaningfully.

Even though Tang Han Lee was not satisfied with the conclusion, he accepted it because his sister had wanted it.

Chapter 957 - 957: Your Target

"Cut!!"

The director shouted and the shooting was stopped. The assistants quickly moved and approached their artists to give them something to drink. On a hot day, when the temperature would rise, it was important to stay hydrated.

Xiu Mi Lan also went to Song Su Jin and gave her, a bottle of mineral water and a towel. Song Su Jin used them.

"How many scenes are left for today?" Song Su Jin asked.

"As for your part, you have almost finished." Xiu Mi Lan looked at the schedule.

"I see. Then, I want to change the outfit. It is so hot to stay in this outfit." Song Su Jin said.

The current shooting was about an ancient Chinese film. So, the outfit required many layers of clothes. The shooting was on a hot day. So, it was very torturing for the actors and actresses to wear the costume.

"Sure." Xiu Mi Lan nodded.

Song Su Jin was acting as the second female lead. She had fallen in love with the character and fought her way to get the role.

It was very tough for her since a lot of actresses wanted to get this role. Due to Song Su Jin's hard work, she had managed to get the role.

"Done for today?" An actor from the same crew asked Song Su Jin when she came out of the changing room.

Song Su Jin was startled for a moment. She had never thought that the actor would talk to her like that.

"Yes. I have finished my part for today." Song Su Jin did not want to appear rude, so she answered it, nicely.

"How about we go for a drink together?" The actor suggested.

"What?" This time, Song Su Jin was shocked to hear the suggestion.

She was looking at the actor weirdly. 'Is he think straight?' She could not help but think that. That behaviour would be a scandal if a paparazzi caught them together.

"I am sorry. I have another thing to do. So, I am leaving." Song Su Jin apologized and left the place quickly.

The actor, Jiang Ke Ma, smiled as he watched Song Su Jin leave. 'Interesting.' He was confident that she would get delighted when received an invitation from him.

He was from Jiang Family. His family owned an entertainment company. The female artists liked to get him to get the resources. Well, he did not mind since he also got the benefits.

"What are you doing here? Don't tell me you want to sneak into the female artist's changing room?" His manager, Ma Dong Xiu appeared behind Jiang Ke Ma.

"Why do you think so low about me? If I want a woman, I will not do such a low thing." Jiang Ke Ma rolled his eyes.

He was handsome and rich. Many girls liked him. So, there was no need for him to do that.

"So, what are you doing here?" Ma Dong Xiu asked.

"I was talking to Song Su Jin just now." Jiang Ke Ma smiled.

"So, is she your new target now? Don't find trouble. Song Su Jin is an artist of the Qiaosu Entertainment Company. They are very protective of their artists." Ma Dong Xiu warned him.

"Don't worry. I will be very careful." Jiang Ke Ma smiled meaningfully at Ma Dong Xiu.

"Why are you like this?" Xiu Mi Lan asked when she saw Song Su Jin walking hastily as something was chasing her.

"I just met Jiang Ke Ma when I came out of the changing room. He offered to have a drink together. I rejected him and ran away." Song Su Jin explained.

"What? Jiang Ke Ma? That's not good. The playboy has set his target on you." Xiu Mi Lan gritted her teeth.

Of course, she had heard about Jiang Ma Ke. He was a playboy. With that handsome face of his, he had a lot of fans. Whenever he approached a female artist, the fans would attack the female artist, saying uncomfortable words to the female artist.

There was a case that had been reported to the police. Some of the fans were attacking the female artist. The female artist was hurt badly on her face due to the hit. Because of that, she retired earlier. A good career was destroyed because of a man.

Even though Jiang Ke Ma acted sorry for that female artist, however, it was not so long until he did it again.

"Just stay away from him. He is a disaster." Xiu Mi Lan said.

"I know." Song Su Jin was not so stupid.

Even though they were from the same crew, there were not many interactions between her role and his role. She would stay away from him.

"Let's go. You have another job later." Xiu Mi Lan reminded.

"Okay." Song Su Jin nodded. So they walked away.

....

"How is your relationship?" Yu Qi asked Su Yu Hi after they had finished discussing the matter.

They were holding an online meeting. In today's meeting, only she and Su Yu Hi were present.

"Why are you asking about this?" Su Yu Hi returned the question with a question.

"Well, just asking." Yu Qi smiled.

"We are doing great." Su Yu Hi said.

"Brother Yu Hi, are you afraid that she may find another man? Since the entertainment industry has so many handsome men." Yu Qi wanted to see his reaction.

"I believe her. I know, she will take care of herself. Xiu Mi Lan will help her as well. So, I don't? need to worry much about her." Su Yu Hi smiled.

Chapter 958 - 958: Su Jin, I Really Like You

Starting from that day, Jiang Ke Ma started to approach Song Su Jin aggressively. Even people around noticed it.

Jiang Ke Man would shamelessly sit beside Song Su Jin during lunch. Waiting for Song Su Jin to finish shooting, even though he had already finished. Intending to invite Song Su Jin for dinner and etc.

Song Su Jin was uncomfortable due to this. So, she decided to confront Jiang Ke Ma about this.

"Mr Jiang, what are you trying to do?" Song Su Jin asked.

"Su Jin, I want to court you." Jiang Ke Ma displayed the signature smile which had made his fans fall in love with him

Song Su Jin did not feel anything when seeing the smile. She was just feeling disgusted with it.

"Mr Jiang, I don't like you. Please stop doing so." Song Su Jin said straight forward.

"Su Jin, I really like you." Jiang Ke Ma confessed.

"I am sorry. Please stop doing this anymore." Song Su Jin shivered when Jiang Ke Ma said that he liked her.

It made her hair stand up. Since she felt like that, she wanted to leave the place quickly.

"I will leave first." Song Su Jin left the place.

...

The next day, the internet exploded with the news that Song Su Jin decided to be together with Jiang Ke Ma. There was a picture that showing Jiang Ke Ma was sharing a kiss with Song Su Jin.

SuJinHater: "Slut is coming."

Jiang Ke Ma is my husband: "You bitch, stay away from my husband."

Ke Ma's no 1 fan: "Bitch... Bitch... Bitch..."

Ke Ma's lover: "Stay away from my boyfriend. You bitch."

I will protect Ke Ma: "Song Slut, you are not suitable for our Ke Ma. You old hag."

SU JINX: "She is a slut..."

Jiang Ke Ma is my God: "Bitch..."

There was a lot of negative comment about the news. They especially came from Jiang Ke Ma's fans. They cursed Song Su Jin and even told her to go and die.

Of course, Song Su Jin was shocked. Nevertheless, the crew was also surprised. When Song Su Jin had arrived at the scene, the reporters were already gathered at the entrance.

Xiu Mi Lan led Song Su Jin to another entrance. The crew members went to ask Song Su Jin about it.

"Su Jin, is it true?" Wendy, the female lead of the film that Song Su Jin who was currently working, came and asked Song Su Jin about the news.

"Of course not. I am not together with him." Song Su Jin shook her head and said it loudly.

"I know that bastard is doing it again." Wendy gritted her teeth.

Everyone knew about Jiang Ma Ke but they did not want to make a story about that. But when something like that happened in the crew, of course, the crew members, especially the female would be angry

"But there is a picture showing they were sharing a kiss." One of the crew members said.

Everyone turned to the person who made the statement. It was a female crew member. She was probably Jiang Ke Ma's fan.

"Are you an idiot or what? That picture has been taken from a tricky angle." Wendy glared at the girl.

The girl did not reply back.

"Su Jin, don't worry. We believe you." Wendy said.

Wendy really hated those kinds of scandals. She also suffered the same scandal once. Thank goodness that everyone around her believed and supported her. And that bastard failed miserably when everything was exposed.

Then they saw Jiang Ke Ma entering the place. He approached Song Su Jin with an apologizing face.

"Su Jin, I am sorry for the news. I have never expected that the reporter would write about this." Jiang Ke Ma apologized to Song Su Jin.

Song Su Jin was still frowning. So, Wendy took over.

"If you are sorry, then stay away from Su Jin from now on," Wendy said.

"Yeah."

"Stay away from her."

"Stop everything that you are trying to do to her before."

All of the female crew members except for the one girl who had demanded Jiang Ke Ma to stay away from Song Su Jin. Song Su Jin was very thankful for them.

"But..." Jiang Ke Ma wanted to say something.

"But what?" Wendy glared at him. "And please make a clarification by saying that you don't have anything to do with Su Jin." She ordered.

Wendy had a powerful background. She had Fengtien Entertainment behind her back. Other entertainment companies bowed down in front of them.

It included Jiang Ke Ma's company. Even though it was powerful but they could not challenge Fengtien Entertainment company.

Jiang Ke Ma's face stiffened. For now, he could back off and follow the demand for now. Jiang Ke Ma opened his social media and posted a statement.

"Song Su Jin is just a co-worker. There was nothing between us."

The moment the post on the Internet, the public reacted to it.

Ma's wife: "It must be that bitch wants to use our Ma's name."

Jiang Ke Ma is my husband: "Bitch, your plan does not work."

Su Jin Hater: "She must be flustered."

Ke Ma's fan forever: "Bitch, you can find another man."

Song Su Jin read the comment. It was the same pattern. His fans cursed others too in the past like this. If she was still young, she probably would cry right now when seeing these comments. But she was already used to the comments. It was not the first time that these kinds of comments were directed at her.

Chapter 959 - 959: Is This Song Su Jin's Boyfriend?

Then, someone dropped another bomb by posting something on his WeChat.

'She just needs me in her life. @SuJin.

The post appeared on Song Su Jin's moment making Song Su Jin's fans read about it. When she read it, she went blushed. She knew who the owner of the account.

But she was thinking, was it okay for him to post such a thing? She did not want any trouble for him.

Su Jin is my goddess: "Woah... Who is this?"

JieMei: "Is this Su Jin's boyfriend?"

Akuqin: "Probably. Her boyfriend can not stand that Jiang Ke Ma and has decided to come out."

Su Jin is no.1: "Oh... Oh... Oh... my god..."

QianJin: "I bet he is a businessman. I am looking through his post. A lot of his posts are about business."

JieMei: "He can be a promoter. He promotes a lot of Qi Qi skincare products."

QianJin: "His post also includes the investment."

Su Jin is no.1: "Nevertheless, he states that Su Jin is her girlfriend openly."

Since Song Su Jin was on hot news at the moment, others also read the post. It was including Jiang Ke Ma's fans.

SU JINX: "He's probably being hired by that bitch."

SuJin Hater: "I agree with the commenter above."

Ke Ma's wife: "She probably asked someone to fake the post."

JieMei: "Stupid. Look at that account. It is a verified account."

Sister Jin: "Yeah. A verified account."

QianJin: "He must be her boyfriend."

The fans kept fighting. Song Su Jin did not know about the comments because after he had made the post, she was shooting. Not until lunchtime, Xiu Mi Lan gave the phone back to her and she started to read about the comments.

She did not care much about the negative comments but smiled when reading the comments saying the person who made the post was her boyfriend.

"What are you looking at?" Wendy asked when she saw Song Su Jin smiling while looking at her phone.

They became pretty close since they started to film together. At first, Song Su Jin never thought Wendy would be such a person but like people said, 'You never know if you don't talk to that person.' Wendy was a good person. She treated everyone kindly regardless who they were.

"I know. You are smiling because of that person right?" Wendy's assistant became pretty excited to talk.

"What? Who?" Wendy became curious. She wanted to know too.

Wendy's assistant showed the post to Wendy. Wendy also read the comment. Her eyes became glittering.

"Oh my... Is it true, Su Jin?" Wendy asked.

"Hmm... Well..." Song Su Jin's eyeballs moved from right to left.

Seeing Song Su Jin's reaction, it seemed to be the truth. The women became excited.

"Tell me... Who is he?" Wendy elbowed her a few times asking Song Su Jin about the person.

"Well, he is just a normal person." Song Su Jin wanted to play the pull and push trick.

"Normal person? He is Su Yu Hi, one of the most promising bachelors." Wendy's assistant blurted out the name. "Vice president of Qi Qi Skincare, and YQ Investment Company."

"Oh, my. His identity is too good." Wendy said.

Jiang Ke Ma who was sitting and leaning on the wall heard the conversation. His position was hidden from the group, so they could not see him.

'She already has a boyfriend. This is ridiculous.' Jiang Ke Ma did not believe it. He asked his manager to check the identity of the person.

15 minutes later, the manager came back with the information. It was not so difficult to find the person's information since it was a verified account.

One could open countless fake accounts but they only could verify one account since it was linked with the identity card.

"Su Yu Hi... Hmmm... He is pretty impressive. But he comes from a normal family." Jiang Ke Ma sneered.

The manager looked at Jiang Ke Ma. He just could say it in his mind afraid of getting fired by Jiang Ke Ma. 'Without your family, you are nothing though.'

....

"Mr Su, are you sure that you want to make this statement?" Lang Su asked Su Yu Hi.

"Yeah. I can not let this matter be extended." Su Yu Hi said.

"Okay. I will do it." Lang Su nodded.

He just followed the order. They gave the power to him.

Qiaosu Entertainment: "Our Song Su Jin did not have any relationship with Mr Jiang Ke Ma. We hope that anyone would not talk about them anymore. Anyone who slanders our Song Su Jin would face a letter from our lawyer."

Qiaosu Entertainment Company had given their statement. However, they did not mention anything about Su Yu Hi's post.

So, the fans were convinced that Su Yu Hi was Song Su Jin's boyfriend. It became a hot topic on the Internet at that moment.

In the night, Song Su Jin sent a message to Su Yu Hi. After a few minutes, Su Yu Hi picked up her call.

Song Su Jin: "Hello. Are you busy right now?"

Su Yu Hi: "No. I am just returning home."

Song Su Jin: "I see. Hmm... about that..."

Su Yu Hi: "About what?"

Song Su Jin: "Well... the about earlier post... Is it okay for you to post something like that?"

Su Yu Hi: "Don't worry. It does not affect me that much. Some clients of mine have asked me about the matter. What about you? Is it bothering you?"

Song Su Jin: "No... of course not... But..."

Chapter 960 - 960: Sue That Damn Publisher

Su Yu Hi: "But what?"

Song Su Jin: "Are you sure about exposing our relationship to the public? You have a promising future but I.."

Su Yu Hi: "Jin... I have already told you. I love you. At first, I don't want to expose our relationship because I have been afraid that it may affect your career. But now, your career is sailing smooth. I think that it is okay. And to be honest, I am very angry and jealous."

Song Su Jin: "Are you really feeling angry and jealous?"

Song Su Jin was taken back.

Su Yu Hi: "This picture."

Song Su Jin suddenly understood Su Yu Hi's meaning.

Song Su Jin: "It is a misunderstanding. I am not kissing him. The paparazzi took the picture by using a tricky angle to make us look like, we were kissing. I have not kissed anyone. The only man I have kissed is you."

Song Su Jin panicky explained that to Su Yu Hi. After the last sentence, they became silent. Song Su Jin was blushing after saying such embarrassing sentences.

Su Yu Hi: "It is nice to know that I am your first."

He knew that Song Su Jin was embarrassed at this moment.

Su Yu Hi: "Okay. We probably will be meeting three days later since I need to go to Fanghai."

Song Su Jin: "Your work?"

Su Yu Hi: "Yeah. Something requires my attention there."

He needed to go and inspect the greenhouse in the Fanghai Nation.

Song Su Jin: "Take care of yourself."

Su Yu Hi: "I have already asked Lang Sun to give you some bodyguards. To protect you from the anti-fans and the reporters."

Song Su Jin: "Thank you."

Su Yu Hi: "Don't worry about the matter. Lanng Sun will take care of the matter."

Song Su Jin: "Okay."

Su Yu Hi: "It's late already. Go to sleep."

Song Su Jin: "You too. Take care of yourself over there."

The conversation between the two lovers ended there. However, the matter did not end there but it accelerated in a different direction.

Yu Qi was having her lunch together with some nurses at the cafe when they came across the topic.

"The hot news today is about Song Su Jin who has sold her body to get the resources. How can someone write something like that?" Nurse Shin Nang shook her head as she said that.

"What are you talking about?" Yu Qi asked.

"Here, Doctor Yu Qi, you can read it." Nurse Shin Nang gave her phone to Yu Qi to read it.

Yu Qi took it and read with furrow one's brows. 'How dare those people write these disgusting things about Sister Su Jin?'

"But we are also not sure that she has not done such things like that, are we?" Nurse Wu Song said.
n))OVeℓbIn

"Even so, is it good to write something like that? What if someone spreads the rumour that you have been sleeping with someone to get your work, do you like that?" Nurse Shin Nang asked.

"Of course not!" Nurse Wu Song quickly retorted that.

"See... It is the same. Whether it is true or not, things like this should not be in the news. It will affect her name." Nurse Shin Nang sighed.

Yu Qi still kept her mouth quiet. 'This will not do. We need to take an action.'

"I am done. Enjoy your meal." Yu Qi stood up and took her food tray away.

"Why do I feel that Doctor Yu Qi is angry?" Nurse Wu Song asked Nurse Shin Nang.

"I don't know." Nurse Shin Nang lifted her shoulder showing she also did not know about it.

Yu Qi went to her locker, took out her phone and immediately called Lang Sun.

"Hello, Miss..." Lang Sun answered his big boss's call.

"Lang Sun, are you aware of the reason why I have called you right now?" She asked.

"I know, Miss Yu Qi." Lang Sun knew. It was probably because of Song Su Jin's matter. "Our PR team is already working on it."

"Okay... But one thing for sure that I want you to do is to sue that damn publisher. How dare they write something like that?" Yu Qi particularly wanted to shout but she remembered that she was in the hospital.

"Alright, Miss Yu Qi. I will do it." Lang Sun obeyed her order.

He also was furious with that publisher. How could they publish something that could eventually destroy someone's career?

"Good. I will be waiting for your good news later." Yu Qi ended the call.

She remembered that Su Yu Hi went to Fanghai Nation today for three days inspecting the greenhouse and handling some works there. He was probably on the flight and could not see the news at the moment.

As expected a lot of people read the news and commented about that. Of course, it was not a pleasant comment to read.

"Su Jin, don't read it." Xiu Mi Lan grabbed Song Su Jin's phone.

Song Su Jin was currently taking a break. Xiu Mi Lan who saw the news did not want Song Su Jin to know about the news.

"What is it this time?" Song Su Jin smiled.

"You don't need to worry about this." Xiu Mi Lan said.

"Sister Mi Lan, please tell me. I need to know." Song Su Jin said.

Xiu Mi Lan sighed. "Okay." She gave the phone back to Song Su Jin.

Actually, Xiu Mi Lan did not want to stress Song Su Jin at the moment, but Song Su Jin insisted on reading it.
