

INTELLIGENT 961

Chapter 961 - 961: Twist The Truth

Song Su Jin read the news. She read how the writer had twisted the truth. The writer wrote, when Song Su Jin was down, she went to see Su Yu Hi who was currently the vice president of Qi Qi Skincare and seduced him to get the role of spokesperson.

It was the same as other jobs too including the current film that Song Su Jin was shooting right now. After that, she read the comments. The comments became a lot nasty. Someone had offered her money in exchange for her body. Song Su Jin gritted her teeth as she read the comments.

The crew members were talking about this too. She heard some. Even though they did not talk in front of her but she still got hurt.

Jiang Ke Ma smiled as he looked at Song Su Jin. He also knew about the news. Yesterday, he was the one who was being criticized by the public but she got the taste too. 'Serve you right.'

The Qiaosu Entertainment Company quickly followed their big boss's order by suing the publishing company. The publisher quickly pushed their writer to shield themselves saying it was not their intention to write something like that. All the blame was pushed to the writer alone.

However, Song Su Jin's fans were furious. They did not think so. The publisher was also to be blamed. Since they did not check the content first before publishing those things. And some of the fans believed that the publishing company knew but still let it publish it, because of money.

The publishing company pulled the article back. Even so, people also read it. Everyone knew about that. There was no use to pull the article back from the Internet. Some of the readers already screenshot the article.

However, that night, the internet had exposed another thing. Su Yu Hi was having a broadcast explaining his relationship with Song Su Jin.

He explained that he had started to date Song Su Jin a few months after she had gotten the role of Qi Qi skincare's spokesperson. He also told people that for all of her jobs, she got them by her own efforts. He was never involved in helping her got her jobs.

A lot of people watched him. Yu Qi also watched him together with some nurses.

"Wow, he is handsome." One of the nurses said.

"Well, our prince doctors are more handsome than him." Another nurse said.

"Well, I can not deny that."

"Doctor Yu Qi must be thinking that her fiancée is the most handsome man in the world."

Hearing that, Yu Qi coughed several times because she choked on the water which she drank at the moment. 'Why does the matter move to me?'

Everyone laughed seeing Yu Qi's reaction.

"For the sake of his girlfriend, he is really going all out to explain to the public about his girlfriend. Isn't it cute?"

"Yeah."

They admired the man who was willing to do anything to protect his woman. That night, Su Yu Hi gained many fans and they were following him on Weibo.

Yu Qi was thinking that Su Yu Hi was in Fanghai Nation. He had probably read the article and decided to help his girlfriend.

But Yu Qi felt it was not over yet. It was a setup. She needed to confirm something first before taking the action.

So, she decided to visit Song Su Jin's tomorrow at her shooting place. Luckily for her, the shooting place was in FINN City. And she was having a day off tomorrow.

.....

"Miss Yu Qi, you have arrived." Xiu Mi Lan went out to welcome Yu Qi.

She treated Yu Qi with respect since Yu Qi was their boss. Not many people knew that the girl in front of her, right now, was the big boss of Qiaosu Entertainment Company. If they knew, their jaws would probably fall on the ground.

Xiu Mi Lan brought Yu Qi in. At the moment, Song Su Jin was having her scene together with Wendy. Song Su Jin was looking beautiful when wearing the ancient Chinese custom.

"Miss Yu Qi, Su Jin will be very happy if she knows that you have come to visit her." Xiu Mi Lan said.

"How are her emotions?" Yu Qi asked.

"Well... After all, this happened, she has been feeling a little down. But it is nothing serious. This is what she has told me." Xiu Mi Lan let Yu Qi know about it.

"I'm glad. Pay more attention to her emotions. She is probably having some stress. By the way, has she watched my brother's broadcast?" Yu Qi asked.

"Yeah. She has." Xiu Mi Lan smiled while nodding.

"Brother Yu Hi can not come since he is out of the station right now." Yu Qi explained.

"I know. Su Jin has told me." Xiu Mi Lan remembered that Song Su Jin told her about that.

Jiang Ke Ma just came to the set with his assistant. Today his manager was not together with him. Then he was stunned by a beauty who had been talking to Xiu Mi Lan.

He had never seen a woman with such a beautiful face and good proportion. She was a goddess. Without knowing, his legs walked towards the beauty.

Xiu Mi Lan realized that Jiang Ke Ma was approaching them. Unconsciously, she blocked Jiang Ke Ma from coming too close.

"What do you want?" Xiu Mi Lan also had negative thoughts about Jiang Ke Ma due to his picture together with Song Su Jin.

Chapter 962 - 962: Changing His Target

"Sister Mi Lan, can I know who is the beauty behind you?" Jiang Ke Ma directly told Xiu Mi Lan why he came over.

"There is no need for you to know her." Xiu Mi Lan replied while gritting her teeth.

Jiang Ke Ma did not discourage. He looked aside at Xiu Mi Lan.

"Miss, can I know your name?" Jiang Ke Ma tried to ask directly.

Yu Qi's eyes finally landed on Jiang Ke Ma. Jiang Ke Ma felt his body had been struck by the electricity. He never felt like this before.

"Can I get your contact number?" Jiang Ke Ma asked again.

"No." Yu Qi rejected him with one word.

"Jiang Ke Ma, what are you doing here? Go and change your clothes. Your scene will begin soon." The assistant director was angry when seeing Jiang Ke Ma already came but still did not get changed.

"Brother Ke Ma, Let's go and change first. If you change, the beauty probably will notice you." The assistant whispered to him.

"Yeah. I can impress her when I am in that costume." Jiang Ke Ma nodded.

Since Yu Qi enhanced her hearing, she could hear what the assistant said to Jiang Ke Ma. She looked over. The assistant managed to see that Yu Qi was looking at him.

"Miss Yu Qi, you need to be careful of that man." Xiu Mi Lan advised Yu Qi.

"Okay. Don't worry." Yu Qi nodded.

15 minutes later, Song Su Jin could take a break. When she approached Xiu Mi Lan, she was surprised to see Yu Qi.

"Yu Qi, what are you doing here?" Song Su Jin asked.

"I have come to visit you, Sister Su Jin." Yu Qi said.

"Who is this, Su Jin?" Wendy asked.

"My friend, Tang Yu Qi, has come to visit me." Song Su Jin explained to Wendy.

"Oh... Hello." Wendy greeted Yu Qi.

"Hello. I am Tang Yu Qi. You can call me Yu Qi." Yu Qi replied.

Wendy kept looking at Yu Qi. She seemed to have met Yu Qi before but she did not remember where and when she met Yu Qi. She was thinking very hard to remember Yu Qi.

"Oh... Are you Colonel Long's fiancée?" Wendy asked for a confirmation.

"Yes." Yu Qi nodded. There was nothing to hide about it.

"No wonder, I feel familiar. I remember seeing you before. But at that moment, your face was different." Wendy said.

Wendy went to the engagement party, accompanying her friends at that time. She remembered the good looking couple.

"It is probably because I am wearing some makeup at that time." Yu Qi said.

"So, are you not wearing any make-up right now?" Wendy asked.

"Well, yes." Yu Qi nodded.

"Not a little bit?" Wendy asked again.

"No." Yu Qi nodded again.

"Oh my god. Can I know what has made your skin look so beautiful?" Wendy asked. She was a beauty freak.

"I am using Qi Qi Skincare." Yu Qi promoted her brand.

Song Su Jin and Xiu Mi Lan looked at each other. It was funny, knowing the brand was Yu Qi's.

"Really?" Wendy asked.

"Of course, Wendy. I am a spokesperson of Qi Qi Skincare. My skin has definitely become better." Song Su Jin added.

Wendy asked something from her assistant. The assistant gave a wet tissue to her and she wiped her hand with it.

She asked Yu Qi. "Can I touch your skin?"

"Sure." Yu Qi nodded.

With that permission, Wendy touched Yu Qi's cheek.

"Oh my... Your skin is like a baby." Wendy felt the softness of Yu Qi's Skincare.

She was not lying. Yu Qi's skin did feel like baby skin. It was soft and bouncy. She almost did not believe what she had touched right now.

"You can try Qi Qi Skincare. You can get a discount from Sister Su Jin." Yu Qi promoted it again to Wendy.

"Okay... I will buy it later." Wendy nodded.

"By the way, Yu Qi, are you interested to be an artist? With your looks, it will be easy to come into the entertainment world." Wendy suggested.

"No." Yu Qi shook her head.

"Why not?" Wendy felt it was a waste of those looks if she did not enter the entertainment world.

"She is a doctor." Song Su Jin pointed.

"I have never thought... Oh, I remember Colonel Hui's fiancée comes from a long-established doctor family. So, you are a doctor too." Wendy remembered it.

"Yes." Yu Qi nodded smiling.

"I think that the men will rather get sick if they know that you will be treating them."

Jiang Ke Ma came out with his costume. He looked at the beauty from earlier. He saw that Wendy touched the beauty's cheek. Ah... He wanted to touch her too.

He wanted to greet her once again as he wanted to show himself. So, he walked towards her.

"What do you want?" It was Wendy who asked the question guarding Yu Qi against Jiang Ke Ma like an elder sister guarding her younger sister against a bad guy.

"Miss, what do you think? about my outfit right now?" Jiang Ke Ma ignored others and asked Yu Qi.

"It is so so." Yu Qi answered.

Others around wanted to laugh but they held back. With Long Hui as her fiancée, she probably had a high standard.

Jiang Ke Ma's face stiffened for a moment. But he changed back while smiling.

"I think I need to make more effort on my looks." Jiang Ke Ma said.

"Ke Ma, come here. It is your turn." The assistant director called.

Chapter 963 - 963: Admiration

Jiang Ke Ma was feeling reluctant to leave the place. However, the assistant director had called him again. So, he left.

Everyone who had held back their laughter just now started to laugh.

"He is targeting Yu Qi now," Wendy said in between laughing.

"Yeah. He has tried to ask for Yu Qi's name just now but we have not told anything." Xiu Mi Lan said.

"He dares to compete with Colonel Long. How fearless. I bet if he knows, he will be scared." Wendy laughed again.

Yu Qi smiled. She never thought that it was Wendy's character. She thought that Wendy would not act like this.

They were talking for a while until Song Su Jin had been called by the director to shoot her part. She would shoot with Jiang Ke Ma, using the wire.

Song Su Jin wore the wire attached to her waist. It was not the first time that she had acted while using the wire because she had shot an ancient film before.

But it was Jiang Ke Ma's first time using the wire. So, he needed time to get used to hanging up. He frowned as he felt the pain around his waist but he endured the pain.

He did not want to show it because he did not want Yu Qi to think that he was a weak person.

"Okay... Is everyone ready?" The director asked the hanging Song Su Jin and Jiang Ke Ma.

"Yeah." Song Su Jin nodded.

"Yes." Jiang Ke Ma also nodded.

"Let's get rolling... And action!!!" The director shouted.

Song Su Jin and Jiang Ke Ma began to act their roles. Everyone seemed very focused on their acting. Yu Qi looked around. Then she noticed someone who was moving suspiciously.

She looked at that person, who approached the equipment and she lost the person since that person had walked behind the equipment.

Then, after five minutes she heard everyone seem to scream about something. She moved her sight towards the source of the scream.? She saw Song Su Jin holding the wire around her.

"Where is the safety air landing?" The director shouted.

"Here." The men brought the item.

Yu Qi frowned. It was not enough for Song Su Jin to make a safe landing. Song Su Jin would injure her legs. She could not let that happen.

So, her eyes moved around looking for the solution. Then, she saw something. After her mind made the calculation, she moved.

"Yu Qi?" Wendy watched Yu Qi dumbfounded, did not know what Yu Qi was trying to do.

Everyone also watched Yu Qi. They were also feeling the same when they saw Yu Qi. Yu Qi used the equipment around her to jump and managed to grab Song Su Jin in the air.

Because Song Su Jin was shocked with Yu Qi, she released the wire that she held. Everyone immediately screamed when seeing both of them were falling onto the ground.

However, they were bewildered when they saw Yu Qi manage to land smoothly with Song Su Jin in her arms. They could not believe what they had seen right now.

"Sister Su Jin, are you okay?"

Song Su Jin heard Yu Qi's voice and she opened her eyes. She saw Yu Qi was okay and unharmed.

"What... is... happening?" Song Su Jin's eyes blinked her eyes like a foolish person.

Yu Qi brought Song Su Jin to a chair and let her sit on the chair. She grabbed Song Su Jin's hands and looked at the surface of her hands.

There were wounds on them, because of holding the wire too tightly. The wire was not very thick so, Song Su Jin had hurt her hands because of the friction while holding to the wire.

"Get the first aid right now." Yu Qi shouted to a nearby person.

"Yes." The person was shocked but still went to grab the first aid box.

The person brought the box to Yu Qi. After she got the first aid, her hand quickly treated Song Su Jin's wounds.

"Your wounds are not serious but you still need to be careful. Don't let the water touch the wounds. If it gets worse, come and see me at the hospital. Sister Xiu, I hope you take care of Sister Su Jin." Yu Qi gave her advice as a doctor to Song Su Jin and let Xiu Mi Lan know about it.

Song Su Jin and Xiu Mi Lan nodded.

"Are you a doctor?" The director asked.

"Yes, I am. I am a doctor at Tang Private Hospital." Yu Qi nodded.

"But how can you move like that?" The director asked.

Then, he was pushed by another person. It was the martial arts director. He looked at Yu Qi with admiration in his eyes. He could not believe that someone could move like that.

"Miss, are you interested in joining our martial arts school?" The martial arts director asked.

"No." Yu Qi shook her head.

"But... You are very talented in the martial arts." The martial arts director was very disappointed to know that.

"Let's leave the matter for now. We need to solve to the other matter right now." Yu Qi said.

"What's the matter?" The martial arts director asked. And then he remembered something more important than that.

Yu Qi walked to the wire and took the wire. She took a look at the wire.

"It seems this wire has been cut by using something sharp." Yu Qi said and lifted the wire while pointing to the cut.

"What?" The director shouted in shock.

Other people were horrified when they heard about the matter.

Chapter 964 - 964: Suspicious

"I would like to ask. Can someone from outside enter this place?" Yu Qi asked.

"Yes, but of course, with our permission. Like you today." The director said.

"Who else except me has come here today?" Yu Qi asked again.

"Who else?" The director asked his assistant director.

The assistant director tried to remember it. "I don't think another one has entered today, except for her."

"Then, it is great. We probably can find the culprit." Yu Qi smiled.

"How?" The director asked.

"Can you call everyone to gather here? I am looking for someone." Yu Qi said.

The director did not know what to do. So, he just relied on Yu Qi's instructions. Ten minutes later, everyone had gathered there.

Yu Qi looked at them one by one. She was looking for the person who she had seen moving suspiciously earlier while they were still shooting. She remembered the person's face. Yu Qi smiled as she saw the face. She moved in front of that person. That person was a woman.

"Hello... Can I check your belongings?" Yu Qi asked in a soft tone.

"What??? Why do you want to check mine?" The person was panicking.

"Xien Tin, please cooperate." The assistant director said.

"Ok... Okay..." Xien Tin nodded as she went to go and took her bag.

They usually put their belongings in one room which contained lockers inside it. The assistant director and another female crew member followed her to the room to get her belongings together.

10 minutes later, they came back. They placed Xien Tin's belongings on the table. It was only a backpack. They brought out everything inside the backpack. A towel, a small bag contained her skincare product, a pack of tissue, some pairs of stockings, a notebook and a pencil case.

Yu Qi grabbed the pencil case. She opened it. She looked through the pencil case. She found a small knife. She looked at it.

"Hmm... It looks sharp." Yu Qi commented.

"It is small. This type of knife can not cut those wires." The person in charge of the wire cable said.

"Hmm... I see... So, what kind of tools can be used to cut the wire?" Yu Qi asked.

"Plier cutter. Like this." The person in charge of the wire cable showed the plier cutter from his toolbox.

"Wait, then, are you the one who has cut the wire?" Xien Tin said.

She wanted others to turn their attention to someone else.

"Of course not. Everyone under me can take it. But we have not used this plier to cut any of those wires since none of them needs to be cut." He retorted.

"I see." Yu Qi smiled again.

"So, you don't need my stuff anymore, right? I will take it." Xien Tin said, wanted to collect her stuff.

"Wait." Yu Qi stopped her.

"What? Is there something that you want?" Xien Tin said, was feeling flustered due to Yu Qi.

Yu Qi grabbed the towel. It had been folded very well. She opened the folding. To everyone's surprise, there was a plier that was similar to the earlier one, secured with tape, so that, it could attach to the towel.

Xien Tin wanted to grab it. But Yu Qi moved faster, avoiding Xien Tin.

"So, can you tell me what are you doing with this plier?" Yu Qi looked at Xien Tin.

"I have just bought it today and want to use the plier for my house. Is there any problem with it?" Xien Tin explained.

"Is that so?" Yu Qi managed to get some points from Xien Tin.

"So, why are you hiding it so well?" Wendy asked.

"Yeah. It is well hidden." Another one nodded.

"If it is just so normal purpose, why are hiding it in your towel like that?" Someone asked again.

"So, what? It is not wrong to store something like that." Xien Tin said while shouting.

"Is that so? Then, can I borrow yours?" Yu Qi smiled.

Somehow, in Xien Tin's eyes, Yu Qi was not smiling but looking at her prey.

"For what? If you want to use, you can borrow his." Xien Tin said.

"Of course, I will take both of them for the sample testing." Yu Qi revealed what she was going to do with those things.

"Sample testing?"

Everyone was confused.

"I want to send the plier to the police for sample testing. We can check whether these pliers have been used for cutting that wire or not. Get some of the samples of the wire too." Yu Qi explained.

"What?" Xien Tin almost shouted. She became more panicked.

"Can it really be checked?" The director asked.

"Of course, our technology is developing. Since you have said that you have just bought it today, so, it is still new and unused. The particles of the wire should not be here, right?" Yu Qi wanted to trap Xien Tin once again.

"Well... She is suspicious when she hides that plier like that." Someone said in the back.

"Just take and go to test it." Another one said.

"What if you are wrong?" Xien Tin asked.

"If I am wrong, we, Qiaosu Entertainment will compensate you." Yu Qi said it straightly.

"What does that mean? Is she someone who makes the decision for Qiaosu Entertainment?" Someone asked.

"She is a doctor, right?" Another one asked.

"Sister Xiu, record it and send it to Lang Sun later." Yu Qi said.

"Yes, Miss Yu Qi. I have already recorded it." Xiu Mi Lan obeyed Yu Qi's order.

Chapter 965 - 965: Call The Police.

Xiu Mi Lan had already recorded the entire thing through her phone as Yu Qi requested earlier. Everyone was very surprised.

"Please call the police to report this incident." Yu Qi asked the director.

Actually, the director was hesitant to call the police to report about this but when he had been asked by this young lady, he could not help to follow her request. He told his assistant director to call the police.

Minutes later, the police came and investigated the crime scene. Yu Qi asked the police to conduct the test as she explained to others before. The police nodded and took the evidence away.

It was already evening. The shooting could not be continued because of all the stuff that had happened. The director said that the shooting would continue tomorrow with other scenes for Song Su Jin's scene. Song Su Jin would continue her work after her hands get better.

As for Xien Tin, she could not take part in the shooting because she had been put under observation from the police for her suspicious actions. The police told everyone that the test would be ready tomorrow.

Jiang Ke Ma fell even more for Yu Qi. She looked very domineering when she explained everything to others. However, he was also very confused when she acted on the behalf of Qiaosu Entertainment. She even called CEO Lang Sun by name.

"Miss Tang, can I get your contact number?" Jiang Ke Ma wanted to try again.

He already knew her name as everyone called her by her surname. Actually, he wanted to call her by her first name but he was afraid she would get displeased by it.

She was Song Su Jin's friend, so she probably already knew about their matter. He did not want her to be more displeased with him.

"No, I don't give my contact number to a stranger. Sorry." Yu Qi rejected it.

Jiang Ke Ma just smiled even though he was particularly hurt by that statement. Well, he was indeed a stranger to her but now he was her acquaintance since they already knew each other's names.

"She already has a fiancé. Give up." Wendy advised.

It was after Yu Qi, Song Su Jin, and Xiu Mi Lan had left.

"What? Does she already have a fiancé?" Jiang Ke Ma was surprised.

"Yeah." Wendy nodded.

"Do you know her fiancé?" Jiang Ke Ma asked.

"Kind of," Wendy said. Well, everyone probably knew him.

"Who is he?" Jiang Ke Ma seriously wanted to know about him.

"For what? To compete with him?" Wendy just asked jokingly.

However, Jiang Ke Ma answered it seriously. "Yeah."

Everyone who listened to the conversation, well it was just Wendy's assistant and Jiang Ke Ma's assistant, they were surprised.

"Jiang Ke Ma, I seriously advise you, don't do it. You will lose from the beginning." Wendy said the words before leaving the place.

"What? What does she mean by that? Lose from the beginning?" Jiang Ke Ma felt a little bit angry with that.

He was handsome. A lot of girls liked his face. He was also rich, well, it was his family actually. But so what, the wealth soon would be his later.

"You, I want to know about Miss Tang. Conduct the background check for me." Jiang Ke Ma ordered his assistant.

"Brother Ke Ma, please don't be like this." His assistant sighed.

He had been told by Ma Dong Xiu to look after Jiang Ke Ma and did not let him to do whatever he displeased. But who was he to stop Jiang Ke Ma?

"Just do a background check on her. Especially her fiance too." Jiang Ke Ma ordered again.

His assistant sighed. Well, since it was only a background check, it was okay to do it.

"Okay. I will ask someone to do it." His assistant said.

"And don't tell Dong Xiu about this." Jiang Ke Ma said again.

His assistant did not reply. That order, he would not take it. He would not lie to Ma Dong Xiu. Since Ma Dong Xiu knew from someone else, it would be a disaster for him. He quickly ran away.

Jiang Ke Ma ignored his assistant. He had another target to hunt out.

....

Yu Qi called Su Yu Hi to tell him what happened today since it involved his girlfriend. She never thought that it had happened when she was visiting her at the site.

However, she felt very relieved that she was nearby when the incident had happened. Otherwise, Song Su Jin would be injured even though they already placed some cushions below. Falling down from that height, it would probably result in broken legs.

"That happens?" Su Yu Hi asked.

Yu Qi could hear that Su Yu Hi's voice was shaking.

"Yeah. Other than a little injury on her hands, she was okay. She has already gotten a break from the shooting for a few days." Yu Qi told everything.

"I see." Su Yu Hi was relieved to hear that his girlfriend was okay. "Thank you, Yu Qi."

"Never mind about that. When will you return?" Yu Qi asked.

"My flight is tomorrow afternoon." Su Yu Hi informed her.

"After the trip, take a few days off. You can accompany Sister Su Jin." Yu Qi ordered.

"But there are a lot of things to do." Su Yu Hi wanted to reject.

"I will handle it for a few days..." Yu Qi said.

"But..."

"I will ask Brother Xuehai to help me. Take a few days off. It is an order." Yu Qi gave the order.

Chapter 966 - 966: Her Motive

Since Su Yu Hi took a few days off, Yu Qi took over his work. She was working as a doctor in the daytime and doing the company work at night. Of course, she was doing the company work in her space since the time was moving slower than outside. As for the meeting, Su Yu Hi would deal with it by himself as he got back to work.

The result of the sample testing came out. The result told the truth. The two pliers were sent to the testing. Only one came with the positive result indicated one of them had been used to cut the wire in the incident.

As Yu Qi had expected, the plier that Xien Tin hide in her towel was the one. The crew members were shocked by the result. Xien Tin was guilty of attempting to harm others. Qiaosu Entertainment took action on suing Xien Tin.

The police went to Xien Tin's house to arrest Xien Tin. However, Xien Tin was not in her house. Xien Tin has already run away. Even though the police told others that they would watch Xien Tin but they left after midnight. That was when Xien Tin decided to run away from the town.

So, the police searched for Xien Tin. After one day of searching, it had been confirmed that Xien Tin had already run away from the town. novel(1b-1n

Lang Sun reported it to his big boss. He thought that his big boss would get mad but she was very calm.

"Never mind. She will be caught soon." Yu Qi said while her lips smirked.

Yu Qi entered her space and went to the computer one since she needed many monitors to do the work. She hacked the surveillance camera and used the software that match-picture to the people who were in the surveillance camera.

Yu Qi was focusing on the train station, bus station and airport. Since she did not own a car and was in the debt, so she could not afford to use a taxi because the fee would be so expensive.

The software would automatically match the picture of Xien Tin with the people. If the software got the correct match, it would sound an alarm to inform Yu Qi. So, Yu Qi could do other things too.

After two hours, the software's alarm was ringing. Yu Qi took a look at the monitor. Xien Tin's last seen was at the train station. She was going to a neighbouring city. As for why she went there, she did not know.

Xien Tin was an orphan. So she did not have any family. Probably she went to her friend's house. She did not care about that. She immediately called the police station and reported Xien Tin's whereabouts.

The police acted faster. Xien Tin was caught when she was about to enter her friend's house. Her friend was shocked when out of a sudden, the police came and arrested Xien Tin.

Xien Tin was struggling to escape but did not succeed in the end. She was brought back to FINN City for questioning.

At first, Xien Tin was silent when she was being asked by the police as for why she did that. After being forced and feeling stressed, Xien Tin blurted out her motive.

She was doing that because she was angry that Song Su Jin seduced Jiang Ke Ma. She shouted angrily to the policeman who was questioning her at the moment. She told the police that the bitch (Song Su Jin) needed to die.

The situation was recorded by the CCTV Camera in the room. It became the concrete evidence. As soon as Song Su Jin heard she was caught, she would like to meet Xien Tin.

Song Su Jin went to meet Xien Tin together with her lawyer.

"Why have you done that?" Song Su Jin asked.

They were meeting in the room that separated both of them by the clear glass. The lawyer was standing behind Song Su Jin.

"Why do you ask? You bitch! How dare you seduce my Ma?" Xien Tin looked at Song Su Jin with pure hate.

"I have never seduced him. I have my own boyfriend." Song Su Jin calmly said that.

"Yeah... yeah... boyfriend. He is just one of the men that you have seduced. You whore! I know a woman like you would spread her legs to get a man." Xien Tin insulted Song Su Jin. "You should die... If you have died or get injured, you will never act with my Ma again. But because of that girl, you have survived."

Xien Tin had already planned it. Since it was the wire act on that day. It should be a success however, Yu Qi's presence was the miscalculation in her plan.

"Even if I die, Jiang Ke Ma will not be your man." Song Su Jin said.

Xien Tin stood up from the chair and using her hand, she hit the glass. Thank goodness that glass was stronger than the hit.

"Shut up! Shut up! Why can you not just die?" Xien Tin was angry with that statement and wanted to jump to grab Song Su Jin.

The policeman behind Xien Tin grabbed Xien Tin and held her down. "Calm down! Calm down!"

After a few seconds, Xien Tin became calm. Song Su Jin felt there was nothing to say anymore. The reason she wanted to meet Xien Tin was accomplished.

She also wanted to give some advice to Xien Tin but now she thought there was no use in doing that. Xien Tin would not listen to her.

Chapter 967 - 967: Yes, He Is Sick In The Head. He Needs To See The Psychiatrist.

"Do you know where is she working?" Jiang Ke Ma asked.

His assistant, Li Chui Yao just got back to bring him a drink when he asked his assistant about this. At first, Li Chui Yao did not know who he was talking about. But after a few seconds, he remembered that girl whom Jiang Ke Ma had asked him to investigate.

"Have you gotten the information? Hurry up and tell me." Jiang Ke Ma pressed Li Chui Yao to tell him about the matter.

"I have still not gotten the information. But I remember that she has said that she is working at Tang Private Hospital." Li Chui Yao told Jiang Ke Ma about that.

When Li Chui Yao told him, Jiang Ke Ma also thought that he remembered Yu Qi saying that, after being asked by someone when treating Song Su Jin.

"Chui Yao, what do you think I should do to go to the hospital?" Jiang Ke Ma asked.

Li Chui Yao could not catch what was he talking about. "What are..." After a few seconds, he finally got what Jiang Ke Ma wanted to say. "Brother Ke Ma, please don't think to do something stupid."

He was terrified of Jiang Ke Ma. He did not want Jiang Ke Ma to do something stupid like injuring himself so that he could go to the hospital to meet the beautiful doctor.

"So, are you saying that I need to go to the hospital just like that? I need a reason to go there. Otherwise, people would be suspicious." Jiang Ke Ma said.

"So, Brother Ke Ma, if you get injured and go to the hospital, why do you think she will be the doctor who will treat you?" Li Chui Yao asked. He was feeling dizzy when talking to Jiang Ke Ma.

"Can I not request the doctor, right?" Jiang Ke Ma asked a stupid question.

Li Chui Yao had enough. "Brother Ke Ma, please... don't do something stupid. Just finish the shooting, will you?"

Jiang Ke Ma did not reply to Li Chui Yao. He was thinking of a plan to go to the hospital after finishing shooting for today.

Li Chui Yao called Ma Dong Xiu to tell him about Jiang Ke Ma's today.

"What? Is Ke Ma doing something?" Ma Dong Xiu asked when he got a call from Li Chui Yao. He told Li Chui Yao to call him if something was wrong with Jiang Ke Ma.

"Brother Dong Xiu, he wants to go to the hospital." Li Chui Yao said.

"What? Is he sick?" Ma Dong Xiu asked afraid something bad happened to Jiang Ke Ma.

Li Chui Yao rolled his eyes. He wanted to say 'Yes, he is sick in the head. He needs to see the psychiatrist.' But of course, he could not answer like that. Otherwise, he would lose his source of income.

"No... no... he is not sick but..." Li Chui Yao wondered if he could tell about Jiang Ke Ma.

"But what?" Ma Dong Xiu felt stressed when? Li Chui Yao could not answer right away.

"He wants to go there to see a beautiful Doctor." Li Chui Yao decided to tell Ma Dong Xiu.

"What? Is he crazy?" Ma Dong Xiu shouted angrily.

He knew that Jiang Ke Ma was a playboy but he only targets women in the entertainment industry. Now, he wanted to taste women other than the entertainment industry, he gritted his teeth.

Li Chui Yao also thought Jiang Ke Ma was crazy but he could not say that.

"Is he over there?" Ma Dong Xiu asked.

"He is currently shooting the scene." Li Chui Yao answered.

"Okay... Don't leave him alone. Keep eyes on him. I will come over after finished the work here." Ma Dong Xiu said.

He was two hours away from the shooting place. He was sending another artist to go to her shooting place. He thought that he could stay over for a night since the place was good for a short vacation but hearing about Jiang Ke Ma, he thought he would never be able to get a good sleep thinking about Jiang Ke Ma.

He decided to cancel the plan and go back right now after giving some instructions to the artist and her assistant.

"Okay, Brother Dong Xiu." Li Chui Yao nodded.

The call ended.

Li Chui Yao was looking at Jiang Ke Ma who currently shooting his part. Even so, he could not Jiang Ke Ma to do something stupid.

"Su Jin, you are here." The assistant director saw Su Jin coming over.

"Yeah. I think I am feeling better already. So, I have come to shoot." Song Su Jin asked.

She already went to the hospital this morning. And the doctor said it was okay to start working. The wound already closed up but she need to be careful, not to put some strength on her hands.

The assistant director went to prepare the scene to be shot. Wendy came and greeted Song Su Jin.

"Are you okay?" Wendy asked.

"Yeah. I am already fine." Song Su Jin nodded.

"Good to hear," Wendy said.

"I have heard about Xien Tin. Never thought someone would do something stupid like that." Wendy added while sighing.

Seriously, she was shocked when hearing Xien Tin was doing that horrible to people. Song Su Jin was lucky that Yu Qi came to visit her on that day. Otherwise, she did not know what would happen on that day. Only two possible conclusions, either she would seriously break her own legs or die on the spot.

Chapter 968 - 968: I Love My Life More Than Anything

"I am also shocked. Such a girl like that dares to do something like that. Just for man." Song Su Jin nodded.

"Not to mention for worthless man." Wendy glanced in Jiang Ke Ma's direction.

The director told Wendy about the motive. That girl was doing something to others because she was jealous. Jealous of a guy who never thought about her.

Well, she could understand if the man was her boyfriend but the man was just an artist that she idolised and a playboy. She snorted when glanced at Jiang Ke Ma.

"I hope she could cool down in the jail." Song Su Jin said.

Jiang Ke Ma finished shooting his part. He then saw Song Su Jin. Great. He was thinking to get some information about his princess. He walked towards Song Su Jin.

"Miss Song, are you already feeling better?" Jiang Ke Ma used a gentlemen voice to ask.

Song Su Jin looked indifferently at Jiang Ke Ma. While Wendy was rolling her eyes at Jiang Ke Ma. If both of them did not know him, they would think he was a good gentleman, but they already knew him, they wanted to vomit.

"I am fine. Thank you." Song Su Jin answered shortly.

"I want to ask something." Jiang Ke Ma said. "Oh, don't worry. It is not about Miss Song."

"What is it?" Song Su Jin asked.

"It is about Miss Tang who has come a few days ago." Jiang Ke Ma said while smiling.

Song Su Jin and Wendy frowned. This man has not given up... this man is looking for death.'

"What is it about her?" Song Su Jin's voice changed.

"Can I ask for her contact number?" Jiang Ke Ma asked.

"No... I can't give it to you." Song Su Jin was rejected that right now.

"What are you going to do with that, hmm? Call her and harass her?" Wendy glared at Jiang Ke Ma.

"Harass her? Of course not." Jiang Ke Ma shook his head.

But he would call her every day to woo her. With a handsome artist chasing her, she would definitely go ahead to like it.

"She is busy doing her work." Song Su Jin pressed the word 'works'.

Yu Qi was not only a doctor but a businesswoman. She would not have time to entertain Jiang Ke Ma.

"Don't worry I will not call her when she is working." Jiang Ke Ma said.

"I have told you that she already has a fiance. She would not have time to talk to you." Wendy rolled her eyes.

This was the second time Wendy said about Yu Qi having a fiance.

"Who is her fiance? Is he from the entertainment industry too?" Jiang Ke Ma asked.

"Nope. You can find out about him by yourself." Wendy said.

"Wendy, Su Jin. Go and change your outfits and makeup." The assistant director shouted at both of the women.

Without saying anything to Jiang Ke Ma, Song Su Jin and Wendy walked away from him.

Jiang Ke Ma was very eager to know more about Yu Qi, especially her fiance. He wanted to know about her enemy. So that he could fight him.? He hoped that Li Chui Yao got the information faster.

"Chui Yao." Jiang Ke Ma called Li Chui Yao.

"What is it?" Li Chui Yao ran approaching Jiang Ke Ma.

"Have you already gotten the information?" Jiang Ke Ma looked at his assistant.

"Yes... yes.. it is here. I will send the information to your phone right now." Li Chui Yao brought out his phone and sent the information right now. He also gave Jiang Ke Ma's phone to Jiang Ke Ma.

"You should have done this earlier." Jiang Ke Ma grabbed his phone.

The notification sound came out of Jiang Ke Ma's phone showing the information had been received. Jiang Ke Ma started to read the information.

The information told him about Yu Qi. He never expected that the girl was an orphan and had been adopted by the Tang Family. He was also shocked when knowing the Tang Family was the famous doctor family.

The most shocking thing was the fiance. His hands were trembling when he read about Yu Qi's fiance. It stated that Yu Qi's fiance was a soldier. And the famous one, Long Hui, a promising soldier, grandson of the former General, Long Fei Yi. A man who was expected to become a future General in the military.

Of course, Jiang Ke Ma knew about him. He also had an opportunity to see him once but not directly talk to him. The young generation admired Long Hui so much. It was including him.

Because Long Hui was in the military at a young age, there was some impressive aura that Jiang Ke Ma could see when looking at Long Hui.

Wanted to snatch a woman from Long Hui, was he crazy? Jiang Ke Ma asked himself. He would not be alive after that. He would never risk his life for something like that. His life was more important than other things.

No wonder Wendy said something like that. She was right. He would never win against Long Hui. He would lose right away. He retreated from the fight in which he knew that he would lose right away.

"Brother Ke Ma, please don't do something stupid." Li Chui Yao advised Jiang Ke Ma.

He did not read the information. So he knew nothing about that.

"I knew... I knew... I love my life more than anything." Jiang Ke Ma gave up the idea to woo Yu Qi.

Li Chui Yao blinked several times. He looked at the information. Then he understood why Jiang Ke Ma gave up. Thank goodness that Jiang Ke Ma gave up. Otherwise, he would never save his head.

Chapter 969 - 969: The News

Wendy and her manager, Wang Ju Bei went to a party organized by ZungBei Fashion. Wendy looked around. There were a lot of famous people and businessmen.

Wendy associated with the people. Wang Ju Bei left her for a moment to go and see his friend. So, Wendy took a drink and went to a corner of the hall. She was tired and she still needed to come here.

Wendy sighed. However, she also heard someone sigh beside her. She turned around and saw a woman. The woman also looked at her. Then both of them laughed.

"Hello." The woman said.

"Oh, hello," Wendy replied.

"Are you alone?" The woman asked.

"I have come with my partner. He has gone to see someone." Wendy said.

"I see. I have come alone." The woman asked. "By the way, are you the famous actress, Wendy?" The woman asked.

"Yes, I am." Wendy felt there was no need to hide.

"You look beautiful." The woman praised.

"Thank you. But you are beautiful too." Wendy asked.

"My name is Feng Yue." Feng Yue introduced herself.

"Feng Yue?" Wendy felt that she had heard about the name before. "Are you Feng Yue from Feng Cooperation?"

"Yes." Feng Yue nodded.

"It is an honour to meet the eldest miss of Feng Family." Wendy smiled.

"No need to call me that. You can just call me Feng Yue." Feng Yue asked. "I like to watch your films and dramas."

"Thank you. Oh, by the way, do you know Yu Qi, right?" Wendy asked.

"Yu Qi? Of course, she is my best friend. How do you know Yu Qi?" Feng Yue asked.

Wendy laughed. "I was filming an ancient drama. She came to visit Su Jin. We got to know each other." Wendy explained.

Feng Yue remembered that Song Su Jin was an actress too. "I see."

"Yu Qi is very beautiful. I even got the chance to feel her skin. It was smooth and flawless. I asked what kind of product that she used. She immediately said it was a Qi Qi Skincare product. The next day, I asked someone to buy the products and I have been using them since then. It is very good." Wendy had happily mentioned that to Feng Yue.

Feng Yue laughed after that. "She is good. In order to promote her own products, she sacrifices herself."

"Her own products?" Wendy was surprised.

"Yes, Qi Qi skincare is a brand that she has invented herself." Feng Yue said.

"Wait, isn't she a doctor?" Wendy asked.

"Yeah. But who says that a doctor can not be a businesswoman?" Feng Yue grinned.

"Wait, there is an incident when we are shooting. Then, Yu Qi made a statement like 'We, Qiaosu Entertainment will compensate you?' Does that mean, the hidden of boss Qiaosu Entertainment is Yu Qi?" From surprise to shock, Wendy's eyes became wider.

"Since she said so, it is probably the truth." Feng Yue said.

"Oh my... She is still young but is already successful in her life." Wendy was very impressed with Yu Qi.

"I also hope to be like her." Feng Yue said.

"Oh, before I forget, tell Yu Qi to be careful," Wendy remembered that matter.

"Be careful? About what?" Feng Yue frowned.

"Well, my co-actor seems to target Yu Qi. He is known as a playboy. Before this, he seems to make a move on Su Jin, creating a scandal between them. Thank goodness, the PR manager of Su Jin handled it very well plus Su Jin's boyfriend also helped the scandal to disappear. But right now he switched his target to Yu Qi when he saw her on that day." Wendy explained.

"What? Really?" Feng Yue asked.

"Yeah. I hope that Yu Qi would not fall into his trap. Even though I know that Yu Qi already has Colonel Long, but still Jiang Ke Ma will probably think about how to get Yu Qi." Wendy told her concern.

"I see. I will take note of that." Feng Yue said. "Thank you, Wendy."

The women continued to talk with each other until Wendy's partner came and got her. Feng Yue had also gotten tired by staying at the party. So, she left the party after exchanging some words with the organizer since she was here on the behalf of her grandfather.

Before she was talking to Wendy, a lot of people came and greeted her. She did not want to be rude, so she talked with them. However, after 10 minutes, she was tired and left the crowd and went to stay at the corner before talking to Wendy.

However, she was happy about coming to this party since she got some news about Yu Qi. This news she could tell Long Hui. She wondered what Long Hui would do if she knew about this news.

As she cleaned up and landed on her bed, she went online finding what she could find on the internet about that man, Jiang Ke Ma. Jiang Ke Ma was a little bit popular, so the news about him appeared when she typed his name.

The latest news about Jiang Ke Ma was the scandal news with Song Su Jin. When she read about the news, she was angry. 'This man is a total jerk.'

She quickly grabbed her phone and opened the chatroom between her and Long Hui.

SweetYue: "Brother Hui... Brother Hui..."

She waited for Long Hui to reply to her message. But after 5 minutes Long Hui still did not reply. She was thinking positively. Her Brother Hui was probably in a situation where he could not reply to her message.

Chapter 970 - 970: Deal With Him

She threw a bait.

SweetYue: "Brother Hui... It is about Yu Qi."

LongHui: "What is it?"

Feng Yue's lips were twitching when her messages had been replied to within two seconds after she sent them off. She was amused as she was speechless with this speed.

SweetYue: "Brother Hui is sure fast when it comes to Yu Qi."

LongHui: "Of course."

Feng Yue wanted to scream. She made a sarcastic remark to mock him but he accepted it and was quite proud of her.

LongHui: "What's news that you have gotten about Qi Qi?"

"SweetYue: "Someone is targeting your girl..."

LongHui: "Who is it?"

SweetYue: "An actor. He has a bad reputation in creating the scandal with other female artists."

LongHui: "What is his name?"

SweetYue: "He... He... He... Brother Hui, you know the information is not free, right?"

LongHui: "You can ask Mo Han for that. Give me the name."

SweetYue: Deal. His name is Jiang Ke Ma. He is an actor. The rest, you can find on your own."

After that, Long Hui did not reply to her messages anymore. She guessed that he was probably digging the information about that man.

In fact, it was true that Long Hui was digging out the information about that man, right after, he got the name from Feng Yue. Everything that he wanted to know about the man was in front of him. He was reading the information in his office when Ren Qian Yi came to his room.

"Hey, why are you still here?" Ren Qian Yi asked.

"Reading some information." Long Hui said.

"What? A new mission?" Ren Qian Yi wanted to know too.

"Nope. Reading the information about a man and thinking, should I kill him or not." Long Hui said in a serious tone.

"Wait! What?" Ren Qian Yi looked at Long Hui straight. 'It seems he is not lying.'

"Hey... Hey... Tell me about that too." Ren Qian Yi also wanted to know.

Long Hui ignored him and continued to read more. He sneered as he read that. Taking out his private phone, he started to call someone.

"Second Brother, why have you called me?" Liang Mo Han was surprised to get a call from his second brother.

"Jiang Ke Ma. Deal with him." Long Hui said.

"Jiang Ke Ma? That name sounds familiar to me." Liang Mo Han thought.

"Search about him yourself. Update to me when you are done." Long Hui ended the call.

"Wait... Hello... Hello... Second Brother..." Liang Mo Han shouted. However, there was no one who answered him. "Sigh... I guess I need to do some research about this man."

"Second Brother, tell me. How is this Jiang Ke Ma? Who is he? Why do you want Third Brother to deal with him?" Ren Qian Yi was waiting for Long Hui to end his call and quickly asked about that.

He was eager to know about that.

"He is someone who is courting his death." Long Hui said. Then Long Hui looked at Ren Qian Yi straight.

Ren Qian Yi shivered as he saw the eyes.

"Do you want to have sparred with me tonight?" Long Hui asked.

Ren Qian Yi stood up from the seat. "No Sir. I will go to sleep now." Without waiting for Long Hui to answer, he ran away from the scene.

Long Hui went back to his room. After cleaning up, he climbed up on the bed. He felt he could not sleep. He really missed his beloved Qi Qi. So he ended up calling her. After one ring, his call had been picked up by Yu Qi.

"Hello, Qi Qi."

"Hello, Brother Hui. What are you doing? Not asleep yet?"

"Not yet. I am just laying on the bed. I miss you."

"I miss you too."

"What are you doing right now?"

"I am in the hospital tonight. It is my turn for night duty."

"Am I disturbing you?"

"No... No... It is fine right now. I have no patient right now. So, it is okay to talk."

"How are you?"

"I am fine. Life is great. How about you? Are you going on a mission soon?"

"Yeah. The day after tomorrow."

"Be sure to take care of yourself."

Yu Qi nagged to him about the safety.

"I know, my dear."

Hearing that, Yu Qi was silent. The word 'dear' made her blush. It sounded like they were already married.

They talked until Yu Qi had been called by someone. She apologized and ended the call. Even though it was short, he was happy to hear from her.

....

It was Liang Mo Han's turn to dig up the information about Jiang Ke Ma. This time, there were more details. He dug up about his family too. What his family was doing, his relationships, even his financial statements.

His second brother wanted him to deal with that man. So, he needed something to attack him. But to be honest, this man had a lot of weaknesses that he could attack.

The more he read about this man, the more his rage increased. Even he as a man was disgusted with this man. This man did many sexual harassments of female artists, under his family's entertainment company and came off nicely, because his family covered everything for him.

The last scandal was with Song Su Jin. She was Su Yu Hi's girlfriend. Su Yu Hi was Yu Qi's person. 'So, he wants to help his own fiancée to get some revenge.'

Well, Liang Mo Han was free anyway. He needed some entertainment. So, dealing with this bastard would be fun too.

Since that entertainment company was his backup, Liang Mo Han decided to attack the company first and his family. Let's see how he was going to do without his backup.

.....
