

INTELLIGENT 981

Chapter 981 - 981: Being Observed.

Everything was set. They got the resources and the manpower labour. Lu Yeyang agreed on becoming her lapidary.? So, she asked Lu Yeyang to find other manpower to fill the gap.

As for the place to open the shop, Yu Qi chose a place near the shopping mall. It became easy for her to go and check the shop later.

They were lucky since there was an open spot beside Qi Qi Skincare shop. The earlier shop wanted to move somewhere else. So the shopping mall offered the place to everyone who wanted to rent the store.

Yu Qi felt the rent was not too high. So, she rents the place. Su Yu Hi read the report and was impressed with Yu Qi's work. She got everything set.

.....

"How is your observation about the girl?" A man in black asked his subordinate.

"She has started a new business. Apparently, it is jade related business." The subordinate reported.

"Oh, another one." The man in black smiled. "As expected of their daughter."

The man in black smiled as he looked at the moon above.

"Continue to observe her." The man in black ordered.

"Yes, Sir." The subordinate nodded and left the room.

"Xiao Xien, I have another entertainment now." The man in black talked to himself as he drank the wine.

.....

"Colonel Long, I have something to report to you." Zhu Shanggun called Long Hui after their military drill.

"What is it?" Long Hui asked.

"It is about the upcoming mission." Zhu Shanggun said.

"Alright. Come to my office." Long Hui said.

Zhu Shanggun smiled as she followed Long Hui to his office. It was very hard to be alone with Long Hui. If she did not use the mission as her topic, she could not even step into his office.

Her grandfather wanted her to come back to Capital City but she insisted to stay here. It was close to Long Hui. She regretted in the past, not staying closer to him when she had the opportunity.

They were trained in the same squad but she was too afraid to talk to him. At that time, only three of the women were in the squad. One of them was able to talk with Long Hui normally. Only the other two did not able to talk to Long Hui. One of them was her.

If she became friends with Long Hui and stayed closer to him, she would not have to give the opportunity to another woman. But he became another woman's fiancé. But she was not giving up since Long Hui was not married yet. She thought she still had a chance to be with Long Hui.

When she thought about Long Hui's fiancée, she really felt that the girl was not suitable for Long Hui. A weak girl like her.... she was disgusted. She really could not stand a weak-looking girl like her.

"Okay. I will discuss the matter with others later." Long Hui said.

"Alright, Sir." Zhu Shanggun nodded.

"Is there anything else?" Long Hui asked since the girl still did not leave his office.

"Colonel Long, about your fiancée....do you really love her?" Zhu Shanggun was surprised that the question came out of her mouth.

"Of course. I love her." Long Hui answered it without hesitation.

"But... a weak girl like her seems does not fit you, Colonel Long." Zhu Shanggun said.

"A weak girl, you say..." Long Hui glared at Zhu Shanggun.

Even though she was scared of the glare, she braved herself.

Then she heard Long Hui chuckle.

"I think her strength is above you." Long Hui made the statement.

"What?" Zhu Shanggun could not accept that comparison.

How could that girl be stronger than her? She could not accept it. When Zhu Shanggun was about to say something, someone was knocking on his door.

"Second brother, there is the package for you from your beloved." Ren Qian Yi came in without waiting for Long Hui's permission.

Ren Qian Yi was surprised to see Zhu Shanggun inside. However, Long Hui had already appeared in front of him and snatched the package.

"Okay... okay... take it." Ren Qian Yi rolled his eyes.

Without waiting any further, Long Hui opened the package, there was something inside the package. A bottle contained brown water, a bottle contained cream and a bottle contained some pills. And there was a letter.

When Ren Qian Yi looked at the content, he was confused. Long Hui took the letter and read it.

'Dear, Brother Hui... Here is something that I want to give to you. The water brown is an energy drink. It also improves your body condition. It can help you preserve your energy better. The cream was for the sunscreen. The UV is very dangerous, so try to wear it. And the pills, have the same function as the brown water. After you finished the brown water, you can take the pills. You can give it to Brother Qian Yi if you don't want to.

I hope you will stay alive while doing your mission. Please take care of yourself. And Let's go on a date when we are free.

-From your? beloved.'

"Energy drink..." Ren Qian Yi laughed. " Will you drink it?"

"Of course, it is from Qi Qi." Long Hui stated the fact.

"If she gives you some poison, will you still drink it?" Ren Qian Yi asked.

"Yes. But I believe her. She will never do something to harm me." Long Hui said.

Chapter 982 - 982: Wait For Her

Zhu Shanggun frowned as she looked at the package.

"Oh, Captain Zhu, why are you still here?" Ren Qian Yi asked.

"I will leave first." Zhu Shanggun saluted to both of them and left the room.

"What is she doing here?" Ren Qian Yi asked.

"About the mission... And she was also saying something about Qi Qi, that she is a weak girl." Long Hui said.

"What? A weak girl? Yu Qi? No no no..." Ren Qian Yi shook his head.

Why was he saying something like that? That was because he had already sparred with the girl. That girl was clearly stronger than him. Probably in the par as Long Hui.

How could someone like her called was weak? But it could be related. Who knew behind the beautiful face, a sweet girl like her could be mistaken.

"Why does she say something like that?" Ren Qian Yi asked,

"Humph... She is mumbling that Qi Qi is not suitable for me." Long Hui sneered.

"Oh, after that, she would be promoted herself. It is a usual pattern, right?" Ren Qian Yi stated.

"Probably" Long Hui did not care much about other women.

Zhu Shanggun left the place, feeling very angry. She was about to say something but Ren Qian Yi appeared making her not able to say what she wanted to say. And the box from Yu Qi made her angry the extreme.

Since Long Hui did not care about it, she thought she would go and discuss it with? Yu Qi herself. If that woman truly loved Long Hui, that woman would agree with herself. Long Hui needed someone who could help him.

...

Zhu Shanggun requested a day off just to meet with Yu Qi. She drove all the way to Tang Private Hospital. She arrived in the afternoon. However, she could not meet with Yu Qi.

"What?" Zhu Shanggun frowned.

"She is in the surgery theater" A nurse informed Zhu Shanggun.

Zhu Shanggun did not catch the word 'surgery'. She only heard about theater. She was speechless.

"What? Does she have time to watch a movie right now? Even if it is her family's hospital, she should be more serious about her work." She mumbled.

Even though Zhu Shanggun did not mean to say for someone to hear it but the nurses around there could hear the words. They knew this woman seemed to hate Yu Qi and this woman seemed to have misunderstood Yu Qi.

"Miss, Doctor Yu Qi is not watching a movie but she is doing the SURGERY." One of the nurses jumped in and confronted Zhu Shanggun.

The nurse glared at Zhu Shanggun. She was a hard fan of Yu Qi. She could not hold up when Zhu Shanggun say something bad about Yu Qi. Generally, all of the doctors and nurses liked Yu Qi. Well, there were some people who disliked Yu Qi but they were in minor number.

"But you have said that she has gone to the theater." Zhu Shanggun was taken back due to the nurse's words.

"It is SURGERY theater, not the movie theater." The nurse rolled her eyes.

Zhu Shanggun was speechless. She did not know the surgery room would be called surgery theater instead. Whatever, her purpose today was to meet with Yu Qi.

"When will she be finish?" Zhu Shanggun asked.

The nurse already knew that Zhu Shanggun hates Yu Qi, she did not want to talk anymore with Zhu Shanggun. Seeing her colleague did not want to talk with the woman anymore, the another nurse stepped forward and answered Zhu Shanggun.

"According to the schedule, Doctor Yu Qi has just entered the surgery theater. The surgery will be finished in 5 hours, if no complications happen during the surgery." The nurse answered.

"What? 5 hours?" Zhu Shanggun was surprised. She needed to wait for five hours to meet her, what a ridiculous joke.

"Miss, you can book an appointment if you want to consult her regarding your health." The nurse said.

"No. I haven't come here for that. 5 hours, okay... I will come back later." Zhu Shanggun left the place.

"What a woman." The nurse who Yu Qi's fan said. "I bet she hates Doctor Yu Qi."

"I held my laugh when she said that Doctor Yu Qi went to watch a movie."

"That's right. I was about to crack up."

"She must have something important to discuss with Doctor Yu Qi."

"I bet the matter is about a man."

"Doctor Yu Qi already has her fiancée. A handsome one."

"Then, the woman probably want to snatch Doctor Yu Qi's fiancée."

"Or, it is about the man who came last bringing the flower together."

"Enough. Go and work" The head nurse came and reminded the nurses.

Zhu Shanggun went to the shopping mall to waste her time while waiting for Yu Qi to finish the surgery. As a soldier, she was particular about her face. Because of that, she took a great care of her face.

Recently she changed the brand of the skincare that she used. It made her skin looked better than before. So, she went to the store which sold the brand that she used.

The sales assistant greeted her with a smile. She took a look at the products lined up. It seemed there were new products available.

"This is a new product that our Qi Qi Skincare produced. A sunscreen that blocked the dangerous UV light and at the same time, provide the vitamin needed for our skin. It can be used on all skin types and around the body, which includes the face." The sales assistant promoted the product to Zhu Shanggun.

Chapter 983 - 983: Meet Her Nemesis

Zhu Shanggun ended up buying the sunscreen. She also bought other products. When she looked at the time, only two hours had passed. She had another three hours to spend.

"Shanggun?" Someone called her name.

Zhu Shanggun turned around and saw someone from the university time, Jung Louqi. She was surprised to see her this time.

"What a surprise to meet you here." Jung Louqi smiled at Zhu Shanggun.

Zhu Shanggun smiled in a restricted manner. She never liked Jung Louqi.

"Are you having a vacation here?" Jung Louqi asked since she knew Zhu Shanggun was a soldier.

"Not really. I have something to do here. And you... what are you doing here?" Zhu Shanggun asked.

"I am waiting for my boyfriend. He has a meeting around. So, I have spent some time here." Jung Louqi said.

"Oh..." Zhu Shanggun did not want to talk anymore.

But it was obvious that Jung Louqi still wanted to talk more with Zhu Shanggun.

"Shanggun, do you have a boyfriend? Call him over. Let's have a double date." Jung Louqi said.

Jung Louqi said it on purpose. It was because she knew that Zhu Shanggun did not have a boyfriend at the moment.

"I don't have the intention to spend time with you." Zhu Shanggun rejected.

"Shanggun, don't be like that. I know it is because you don't have a boyfriend, right?" Jung Louqi smirked.

"What do you want to say?" Zhu Shanggun glanced at Jung Louqi.

"Don't be so angry. It is not my fault that you can't find a boyfriend." Jung Louqi mocked Zhu Shanggun.

"You..." Zhu Shanggun glared sharply at Jung Louqi.

"Oh, do you want to fight? Are you sure? If you fight with a weak citizen like me, what will happen to your career?" Jung Louqi smiled.

Jung Louqi knew Zhu Shanggun would not fight in the public, especially, with a citizen without a proper reason. If Zhu Shanggun dared to fight with her, Zhu Shanggun needed to undergo punishment and had to give a valid reason for it.

Not only would she be questioned but her grandfather would also be involved. Jung Louqi knew that Zhu Shanggun would not want that. Even though she knew that she would not easily lose while fighting with Zhu Shanggun.

"Louqi, if you have anything to say, you better say it right now." Zhu Shanggun wanted to leave.

"Okay... okay.... don't be so angry. I just want to greet you. That's all." Jung Louqi felt it was enough for now.

At the same time, Jung Louqi's boyfriend already finished his meeting and came to get her.

"Louqi..." Her boyfriend called. He looked at Zhu Shanggun. "Your friend?"

"Yes. A friend from University time." Jung Louqi said.

"I see. Nice to meet you. I am Shui Ye Gan." Shui Ye Gan introduced himself.

"I am Zhu Shanggun." Zhu Shanggun nodded.

"Louqi, Let's go." Shui Ye Gan said.

"Bye Bye Shanggun." Jung Louqi put a playful smile on her face, before leaving Zhu Shanggun alone.

Zhu Shanggun disliked Jung Louqi. That girl liked to sneer at her. Feeling her mood for shopping interrupted, she left the mall. She went back to the hospital.

Zhu Shanggun went to the waiting place and sat around, waiting for Yu Qi. Since she had nothing to do, she looked through her social media account.

Not realising the time, Zhu Shanggun wasted her time, waiting for Yu Qi. She even wasted half of an hour after Yu Qi had completed her surgery. When she realized the time, she went to the counter to ask about Yu Qi.

"Has your Doctor Yu Qi finished the surgery?" Zhu Shanggun asked.

"Doctor Yu Qi is currently resting." The nurse informed.

"Then when can I meet her? I have just wasted five hours waiting for her." Zhu Shanggun said.

"Miss, you have yourself made the decision. You come here without knowing her schedule. You should have booked an appointment." The nurse said in response.

"What?" Zhu Shanggun was stunned by the nurse reply. "You rude woman!!!."

"Rude? Miss, you are the rude one." The nurse said.

"What is going on here?" Someone interrupted their conversation.

They turned around and saw the person who was the main reason why they were quarreling just now. It was Yu Qi who stood there, looking at them.

"Doctor Yu Qi." The nurse called. "This woman wants to see you without knowing that you have a surgery. She has been waiting for you and gotten angry after waiting for so long." The nurse explained.

"I see. I will handle it now." Yu Qi said to the nurse and turned to Zhu Shanggun. "Miss, may I help you?"

"We need to talk." Zhu Shanggun said.

"Sure. Let's go to the cafe." Yu Qi nodded.

She invited her to the cafe because she knew that this woman did not have any medical situation to talk with her. And she also remembered seeing this woman before at the military compound in Shiwa Town.

However, she personally did not know this woman. She was confident about that. So she was kind of wondering what did she wanted to talk about.

They sat at the empty table, far from the other tables. Zhu Shanggun chose that way. So that, others would not hear their conversation.

"So, can you please introduce yourself? Since I don't know you." Yu Qi said.

"I am Zhu Shanggun. The granddaughter of the current general in the military, right now." Zhu Shanggun proudly introduced herself.

'Current general? Oh...' Yu Qi remembered.

Chapter 984 - 984: Jiang Fall Down Part One

The current general who inherited the position did have the surname 'Zhu'. However, she could not link the connection on why this woman wanted to have a conversation with her.

"Hmm... Okay... Then what do you want to talk with me?" Yu Qi asked.

"I will be straightforward. Leave Colonel Long." Zhu Shanggun said.

Yu Qi was speechless at the moment. She was indeed a straightforward woman. In the past, none of the women came to her and talked to her like this. They would be more secretive in what they wanted.

Yu Qi then chuckled. "Miss Zhu, why do you think that I will just go and do as you want?"

"You are not suitable for him. I am more suitable for him since we are working in the same line." Zhu Shanggun conveyed.

Yu Qi once again chuckle. "Just because of that?"

Zhu Shanggun felt like Yu Qi was mocking her. It was just like Jung Louqi who had mocked her before. "YOU!"

"Miss Zhu, I think you must not daydream. I will not leave him just because of that reason. And what do you think I am going to agree with you?" Yu Qi turned serious.

"You should if you love him. He needs someone who could understand him." Zhu Shanggun pressed the stupid reason.

"I don't think we should continue this conversation. I will not leave him regardless of what the reason is. I would like you not to visit me anymore." Yu Qi suddenly released the murderous aura towards Zhu Shanggun.

Zhu Shanggun felt her back cold. She was terrified as she looked at Yu Qi. This feeling, how could this woman display such a terrifying aura? It was not a normal person that could have this kind of aura. It was the same as Long Hui's aura.

Yu Qi pulled the aura back. She returned to a normal Yu Qi.

"By the way, I see you have purchased a lot of Qi Qi skincare products. Thank you then." Yu Qi suddenly said as her eyes laid on the shopping bag that Zhu Shanggun carried.

"What do you mean by that?" Zhu Shanggun frowned.

"That's my company. Thank you for supporting Qi Qi." After saying that, Yu Qi left.

Zhu Shanggun was dumbfounded by that. 'That Qi Qi Skincare is hers? But she is a doctor. She just wants to play tricks on me. I will not believe it.'

She stood up, grabbed her shopping bag and left the place. She did not even get the result that she had wanted. It made her frustrated.

"It seems that I need to use my backing." Zhu Shanggun said before getting into her car.

.....

Jiang Entertainment Company had been investigated by the government due to tax evasion. The management team did not know how the government knew about their schemes.

The investigation team came without any warning. So Jiang Entertainment could not do anything to avoid the accusation.

Jiang Entertainment wanted to settle this matter outside the court, but the method could not be used this time. The government officials were very strict. They would not receive any money.

Usually, Jiang Entertainment would pay some amount of money and everything would be settled but now they could not run again. Jiang Entertainment felt that someone was targeting them but they could not do anything about that.

Jiang Entertainment needed to be fined about 50 million due to their fault in tax evasion. It was not much but it was still money.

The media also reported their news. Jiang Entertainment? Company's shares dropped 30% overnight after the news had been reported.

Most of the shareholders were Jiang Family branch members. Only three of them were outsiders. The shareholders were questioning the main Jiang Family about the matter.

Jiang Entertainment calmed down their shareholders by telling them that they were launching new projects that could help to promote their company. The shareholders finally calmed down a little bit.

However the next day, the news exploded again with Jiang Entertainment news. Jiang Entertainment Company had been reported for prostituting their artists to get the contracts.

At the first, people did not pay much attention to the news. However, when someone tweeted the news to her page, it suddenly became a sensation.

Some of their artists came to expose Jiang Entertainment ways to promote their new artists. They had been told that it was the faster way to get the job. If they did not follow the instruction, they would not get any job.

They could not leave the company due to the contract. Breaking the contract would require them to pay a big amount of money. Since they were new artists, they could not pay that amount. n(.(17--e/-1--b(-1-(n

The news hit Jiang Entertainment very hard. The citizens were questioning Jiang Entertainment. Jiang Entertainment denied the accusation.

They wanted to sue the media that published the news. However, the media retorted back by publishing a branch of pieces of evidence.

Text messages, contacts, and even videos proved the accusations. The expert examined the videos and proved that they were not be tampered with by the third party.

Jiang Entertainment website and Weibo had been attacked by the citizens.

Justice Girl: "Poor the people. They came to chase their dream but ended up selling their bodies."

Strange but attractive: "Jiang Entertainment, go die."

Jiangdie: "Jiang Entertainment is the worst. How dare you use our idol for that purpose???"

Sheman: "Are you sure that news is the truth?"

Jiangdie: "Hey commenter above... are you from Jiang Entertainment?"

Just a passer-by: "Never thought the entertainment industry is this dirty."

Want to kick something: "Jiang Entertainment, go to hell."

Chapter 985 - 985: Jiang Fall Down Part Two

Jiang Ke Ma just came back from the nightclub. After knowing that Yu Qi was Long Hui's fiancée, he backed off. However, he started hitting on another girl in the crew.

The female crewmember became scared to get together after Song Su Jin's incident. They were afraid if they got together with Jiang Ke Ma, the same thing that happened to Song Su Jin would happen to them.

Jiang Ke Ma thought that it was not a big deal since there were a lot of girls who would like to be with him. So, he got a girl that night. He wanted to go home with the girl.

He already put on the mask after getting out of the car. He went to open the door car for the girl. The girl seemed to be drunk or something. So, he lifted the girl and brought her to her condominium. His action had been captured by a paparazzi who was hiding behind the corner.

Even though he was wearing the mask, but he could not hide his style. Everything had been captured by this paparazzi.

Jiang Ke Ma seemed to be offline yesterday.? He did not know the news that hit Jiang Entertainment Company. He did not go online on his social media or the internet. Otherwise, he would not be so relaxed and wanted to be with a girl at this time.

He was having fun with the girl that he brought yesterday. His manager called him by phone many times but he had already switched off the phone.

The paparazzi who took yesterday picture did not store them for so long. He immediately wrote the article about the picture.

'JIANG KE MA BROUGHT THE DRUNK GIRL TO THE BED.'

The article mentioned that Jiang Ke Ma hit on a girl at the nightclub. In order to bring the girl home, he drugged the girl with a powerful drug. All the pictures showed evidence of what he had done.

Jiang Ke Ma's fans were screaming in anger when they saw the news. They immediately defended the idol.

Jiang Ke Ma's wife: "This is a lie. There is no way that my husband will do something like that."

Brother Ke Ma's fan: "That's right. You bastard. How dare you throw dirty water to my Ke Ma?"

Iwanttobehiswife: "I will not believe this stupid news."

Nirwana: "My brother is a good man. He will respect all women."

Sheqan: "The news must be fake. How dare you slander my Ke Ma?"

They were very angry. They even asked someone to sue the media platform that posted the article. However someone from the entertainment industry knew Jiang Ke Ma's truth face.

Iamfromentertainmentworld: "@Nirwana... You just don't know his truth face."

Roll your tongue: "Respect all women??? I want to spit my saliva. PTUI!"

Nirwana: "Hey, what do you mean by that?"

Brother Ke Ma's fan: "Of course, he respects all women. He respect us as his fan."

Roll your tongue: "I am someone working in the film industry. Your so-called idol really likes to hit on women in the crew. I am not talking about what has happened just once .. It always happen."

Iamfromentertainmentworld: "Yeah. Last time, he wanted to hit on one of the actress in the crew. But that actress already have a boyfriend."

QianKeMa: "I know. It is @SongSuJin, right?"

KEMAWorld: "I know... it must be @SongSuJin that bitch's scheme. It must be her doing."

Since Song Su Jin was mentioned, Song Su Jin's fans backed up their actress.

SuJinlove: "Hey, don't try to pull my jinjin here, okay. It is your idol's scandal." n--Ove**l**In

SongSuJin's no.1 [\[email protected\]](#): "That's right. Our Jinjin is happy with her boyfriend."

Songsongsister: "Hey, it is your idol's scandal. I always know that Jiang Ke Ma is someone like that. Disgusting."

JINJIN: "Luckily, our Jinjin has a wonderful boyfriend to protect her."

Others also commented about the articles

LoveGirl: "This paparazzi is very amazing. He is very good at taking a picture."

I am an onlooker: "I have also seen this man. It was indeed the truth that he has brought a girl with him into our building condominium."

KeMa's true wife: "You are lying. You must hate our KeMa, right?"

I am an onlooker: "Hey commenter above, there is no reason for me to hate him. I have just told whatever I have seen."

Jiang Ke Ma's fans shot the person until the person did not reply anymore. Even so, others still commented about the article.

Ma Dong Xiu called Jiang Ke Ma many times but still not getting through Jiang Ke Ma.

"That bastard, where is he?" Ma Dong Xiu felt he wanted to smack the handphone.

Li Chui Yao was also there together with Ma Dong Xiu. He also tried to contact Jiang Ke Ma but still could not get the answer from Jiang Ke Ma.

"Brother Dong Xiu, I will go? and check at his condominium." Li Chui Yao suggested.

"Okay. I will stay here." Ma Dong Xiu nodded.

He could not get out from the building. Everyone knew him as Jiang Ke Ma's manager. Since everyone could not get in touch with Jiang Ke Ma, he would be the one who would be chased by others.

He felt that Jiang Family had offended someone that they should not offend. He was not stupid. Otherwise, how could the bad things kept happen in a short time?

Usually, the media platform would think about Jiang Entertainment Company before posting some bad news about Jiang Entertainment Company. But this time, they did not care about Jiang's power. So, there should someone who had backed them up.

Chapter 986 - 986: Jiang Fall Down Part Three

Li Chui Yao knocked on the door hard and called Jiang Ke Ma's name a few times. He knew that Jiang Ke Ma was probably in the room.

The prediction was correct. Jiang Ke Ma opened the door while scratching his head. He looked like he had just woken up.

"What is it? I don't think I have scheduled activity today." Jiang Ke Ma had indeed just woken up. He felt tired after playing a few rounds with the girl whom he had brought home yesterday.

"Brother Ke Ma, why don't you answer the phone? We have been trying to contact you for so long." Li Chui Yao said to Jiang Ke Ma.

"My phone? Oh, it is probably switched off." Jiang Ke Ma answered.

"So, you still don't know about the news then, do you?" Li Chui Yao asked again.

"What news?" Jiang Ke Ma became irritated with Li Chui Yao.

"Look at this." Li Chui Yao handed out his phone to Jiang Ke Ma for him to read the article.

Jiang Ke Ma took the phone and read the article. It was about him bringing the drunk girl yesterday. Completed with the pictures of him bringing the girl to his home. He clicked his tongue, signalling that he was annoyed with this.

"Ask PR company to deal with this news as soon as possible." Jiang Ke Ma ordered.

The news was a half-truth, half false. He indeed brought the girl home but he had not put any drug to the girl's drink. The girl had volunteered herself to drink and have sex with him.

"Brother Ke Ma, we can not do it." Li Chui Yao sighed.

"Why?" Jiang Ke Ma asked.

"There is some problem in the company. You can read the below article." Li Chui Yao gave the phone to Jiang Ke Ma for a second time.

Jiang Ke Ma took the phone and read the article. He frowned as he read the news.

"What is this?" Jiang Ke Ma gritted his teeth.

"We also don't know how the news got leaked. Everyone in the company is panicking. Your father has been taken away by the police for further investigation with several directors." Li Chui Yao explained.

"What?" Jiang Ke Ma shouted.

"Brother Dong Xiu wants me to tell you that you need to hide first. Don't go out for a while." Li Chui Yao told Jiang Ke Ma what Ma Dong Xiu had told him to tell Jiang Ke Ma.

Jiang Ke Ma frowned.

"And please ask the girl to go home." Li Chui Yao said. He knew that the girl was still inside the room.

"Okay. Ask Brother Dong Xiu to contact me later." Jiang Ke Ma said before closing the door.

Jiang Ke Ma went to the room and spotted the sleeping girl.

"Hey, wake up!" Jiang Ke Ma woke the girl up.

The girl woke up but she was still sleeping at the moment.

"What? Do you want more? I am tired." The girl said in a harsh tone.

"More? Wake up and get lost." Jiang Ke Ma shouted angrily.

The half-sleeping girl immediately sobered up as she heard the loud and angry voice.

"What?" The girl asked.

"Hurry up and get lost." Jiang Ke Ma ordered.

The girl felt scared when she was looking at Jiang Ke Ma. She immediately stood up and grabbed her clothes. She was wearing her clothes in hurry.

Jiang Ke Ma took some money from his wallet. He threw the money towards the girl.

"Take the money." Jiang Ke Ma said.

The girl took the money and left the house as soon as possible. She was afraid if she was there any longer, the man would kill her.

.....

"Have you seen the news?" Xiu Mi Lan asked.

Song Su Jin who currently sitting and waiting for the make-up artist to come.

"News about what?" Song Su Jin asked back.

"The news about Jiang Ke Ma and Jiang Entertainment Company." Xiu Mi Lan said.

"I have read about Jiang Entertainment Company but not about Jiang Ke Ma himself. What about him?" Song Su Jin really did not know about Jiang Ke Ma.

"The paparazzi have caught the pictures of showing him bringing back a drunk girl. He also drugged the girl too. What a scum." Xiu Mi Lan said.

"Oh..." Song Su Jin was speechless. She knew that Jiang Ke Ma liked to sleep around but she did not expect him to drug someone in order to sleep with her.

"Luckily, he was halfway when dealing with you. Otherwise, he might do something to you. We need to be careful around him." Xiu Mi Lan said.

"Okay. I will follow your words." Song Su Jin nodded.

The make-up artist arrived and began her work on Song Su Jin's face. Half an hour later, Song Su Jin went to the set. The director and others were talking among them.

"Su Jin, come here." Wendy saw Song Su Jin and called her over.

Song Su Jin approached them.

"Su Jin, I need to tell you something." The director said to Song Su Jin.

"Yes?" Song Su Jin tilted her head.

"We need to change the second male lead. Since you are the one who has many scenes with him, you will be most affected." The director sighed. "The investors have asked me to do that. They did not want Jiang Ke Ma anymore in the shooting."

"I am okay with that." Song Su Jin nodded. She did not mind much about that.

Chapter 987 - 987: Jiang Ke Ma Had Been Replaced

"If we continue using Jiang Ke Ma, the result will be terrible. The investors don't want that to happen." The director said so. "We will shoot all the Jiang Ke Ma's scenes again."

"Who will be the replacement?" Wendy asked.

"The investors and I will choose through the audition." The director answered.

Last time, Jiang Ke Ma had been chosen by one of the investors. That investor was from Jiang Entertainment Company, since many things happened in the company, that investor pulled himself out from the project. So, other investors wanted to throw Jiang Ke Ma out.

"I understand." Song Su Jin nodded.

After that, someone from the project went to Ma Dong Xiu to cut Jiang Ke Ma from the project. Of course, Ma Dong Xiu's side fought for Jiang Ke Ma but nothing succeed.

Ma Dong Xiu accepted the terms. The project announced to the public that Jiang Ke Ma had withdrawn from the project. The replacement actor would be announced later.

Of course, Jiang Ke Ma's fans protested. They bombed the website with some of the curse words. The crews did not care much about that.

Luckily the shooting place had not been revealed to the public. Otherwise, the place would be crowded with Jiang Ke Ma's fans who wanted justice for their idol.

Jiang Ke Ma was also angry with that decision. How dare they threw him out of the project? He wanted to see the director but he could not go out.

He was facing others things. The previous women who he had slept with, wanted to sue him. They told others that they had been forced by him. Otherwise, Jiang Ke Ma would block their career.

Some of the victims family members were searching for him for justice. They wanted Jiang Ke Ma and Jiang Entertainment Company to pay for everything for what they had done.

They even made a protest in front of the Jiang Entertainment Company building. To make it even worse, they found out the address of the Jiang Family. Even Jiang Ke Ma's condominium address was leaked.

Jiang Family went to hide in the countryside since the hotels around did not dare to accept Jiang Family as their guests. The hotels were afraid if anyone knew the? Jiang Family had been hiding inside their hotels, no one knew what would happen.

As for Jiang Ke Ma, he had been hiding at Li Chui Yao's house. The house was not too big for Li Chui Yao. However, it became less space when two adults lived there. Not to mention, Jiang Ke Ma was complaining about everything. 'The room is so dirty... the toilet is too small... the food tastes bad...'

At first, Li Chui Yao could hold the anger. But Jiang Ke Ma seemed to push him to his limit. So, Li Chui Yao blew up.

"Brother Ke Ma, if you think my place is stinky, why don't you find another place?" Li Chui Yao gritted his teeth.

Jiang Ke Ma became silent when hearing Li Chui Yao suggestion. Well, but for a while, he started to complain again. Li Chui Yao could not hold back. So, after that, Li Chui Yao called Ma Dong Xiu to discuss that.

Ma Dong Xiu who had just been released by the media answered the call.

"What is it?" Ma Dong Xiu asked.

"Brother Dong Xiu... please... can you take Brother Ke Ma? I could not stand him anymore." Li Chui Yao said.

Ma Dong Xiu pinched the space between his eyebrows. A problem passed, here came another one. He knew that Li Chui Yao could not make Jiang Ke Ma listen to him.

"Okay. I will pick him up." Ma Dong Xiu said.

"Thank you, Brother Dong Xiu." Li Chui Yao almost cried while thanking Ma Dong Xiu.

This showed how much he wanted Ma Dong Xiu to take Jiang Ke Ma away. After that, he went to see Jiang Ke Ma and was told that Ma Dong Xiu would come and take him (Jiang Ke Ma).

"Is the matter settled already?" Jiang Ke Ma asked.

"I don't know about that." Li Chui Yao indeed did not know about that.

"Stupid." Jiang Ke Ma snorted.

Li Chui Yao felt that Jiang Ke Ma still assumed that he was the heir to Jiang Family. Jiang Ke Ma probably thought that the thing would go back to normal.

However, when Li Chui Yao thought about the matter, he did not think that the matter would be settled completely. Probably it could not be settled. Assuming the scandals about Jiang Ke Ma and Jiang Entertainment Company were this bad.

'I think I should resign now.' Li Chui Yao made the conclusion. He did not think it was hard to resign since he did not sign any contract to be Jiang Ke Ma's assistant.

Supposedly he needed to sign the contract but it seemed Ma Dong Xiu and Jiang Ke Ma had completely forgotten about that because he was hired when they were very busy.

'Yeah. I can tell Brother Dong Xiu about this later.' Li Chui Yao nodded.

One hour later, Ma Dong Xiu arrived at Li Chui Yao's house.

"Dong Xiu, is everything settled?" Jiang Ke Ma asked.

"How could this matter be settled so easily? Your family probably has offended someone powerful. Probably has tied with the government." Ma Dong Xiu explained.

"What? How dare they attack my Jiang Family?" Jiang Ke Ma shouted.

"I don't know. You don't need to worry about it. You, yourself are the same. You have offended many people too." Ma Dong Xiu said.

Chapter 988 - 988: Worry About Yourself.

Jiang Ke Ma did not know how to reply to that. Usually, he did not care much about that. Those people could not do anything to him because he had Jiang Family as his backup. Now even the proud Jiang Family that he arrogantly bragged about was in the trouble now.

"Brother Dong Xiu, I have something to say." Li Chui Yao suddenly interrupted them.

Ma Dong Xiu seemed to know what Li Chui Yao wanted to say. "What is it?"

"I want to resign." Li Chui Yao said calmly.

"What? Just because of this?" Jiang Ke Ma was the one who reacted strongly to it.

"Please, let me resign." Li Chui Yao ignored Jiang Ke Ma and said to Ma Dong Xiu.

Ma Dong Xiu already predicted this. "Okay."

"What?" Jiang Ke Ma was shocked.

"Thank you." Li Chui Yao bowed to Ma Dong Xiu.

Ma Dong Xiu knew that Li Chui Yao would request to resign. Before this incident, Li Chui Yao would endure everything that Jiang Ke Ma did to him because Li Chui Yao saw Jiang Ke Ma as his income. But not anymore.

"Let's go." Ma Dong Xiu pulled Jiang Ke Ma from Li Chui Yao's house.

When both of them were in the car, Ma Dong Xiu started the engine and drove off.

"That bastard, how dare he leave at the time like this?" Jiang Ke Ma mumbled about Li Chui Yao.

"You can't blame him. It is natural that he has resigned." Ma Dong Xiu said.

"I will make sure that he will never find any job." Jiang Ke Ma said.

"Don't think about other people. Worry about yourself. You are not out of the trouble yet." Ma Dong Xiu said.

"This is temporary. After my family recovers, everything is going back to normal." Jiang Ke Ma was still confident that his family would return to its past glory.

"You are saying that on what basis? You know what? You have been fired by 'Airang Project' crew." Ma Dong Xiu informed him about that.

"What!!" Jiang Ke Ma could not believe his ears.

"The investors have asked the director to replace you. They are saying that they can not use such scandalous actors like you." Ma Dong Xiu explained.

"Scandalous actor? How many actors do not act like me? I am sure that they also play like me." Jiang Ke Ma shouted.

"Yes, I know but they are not stupid to let anyone know about it." Ma Dong Xiu also replied by shouting.

Jiang Ke Ma was silent after that.

Ma Dong Xiu sighed after he calmed down. "Your family has probably offended someone whom they should not offend. So, the matter is very difficult to settle in a short time. I will send you to your family first. You will stay with them for a while."

....

Yu Qi read the news about Jiang Entertainment Company and Jiang Ke Ma too. She was curious how that Jiang Family ended up in this situation.

"Looks like someone is interrupting the whole time." Yu Qi said as she ate the food.

"What are you talking about, Doctor Yu Qi?" Nurse Shin Te asked in surprise when Yu Qi suddenly spoke.

"Oh, nothing." Yu Qi put away her phone and paid attention to the food.

"Doctor Yu Qi, can I ask something?" Nurse Shin Te asked.

"Huh? What is this?" Yu Qi asked back.

"You have a boyfriend, right?" Nurse Shin Te went to the topic.

"Yes..." Yu Qi nodded.

"Is it true that man also wants their space when they are alone?" Nurse Shin Te asked in a serious tone.

Yu Qi was confused with the question. Well, Long Hui was the type who would not leave her when they were alone. He always liked to cuddle with her and hug her from the back.

"Well, I don't know about that." Yu Qi said.

"Then how is he when you two are alone?" Nurse Shin Te asked again.

Because of the seriousness in Nurse Shin Te's voice, Yu Qi felt that she could not lie.

"He likes to cuddle with me and hug me from behind." Yu Qi coughed in blush.

"How romantic." Another nurse joined their conversation. Her name was Mo Su Su.

"Yeah. Why does my boyfriend seem to hate when I am near him?" Nurse Shin Te sighed.

"It is only one explanation, Nurse Shin." Nurse Mo Su Su said.

"One explanation? What is it?" Nurse Shin Te asked.

"He is probably cheating." Nurse Mo Su Su said.

Yu Qi slapped Nurse Mo Su Su's shoulder. Nurse Mo Su Su felt the pain and looked at Yu Qi. She immediately understood why she had been hit.

"That can not be true, right?" Nurse Shin Te was shocked.

"Shin Te, talk to your boyfriend nicely. Don't think in rush. Communication is important." Yu Qi advised.

"Yeah. Shin Te. It is probably a misunderstanding." Nurse Mo Su Su followed up.

"Okay. I will try to talk with him." Nurse Shin Te nodded.

To think about, Yu Qi had not seen Long Hui for quite some time. They had talked on the phone though.

She remembered Zhu Shanggun. She did not tell Long Hui about Zhu Shanggun and the fact that Zhu Shanggun asked her to leave Long Hui. She thought that it was not important.

However, Yu Qi felt that Zhu Shanggun would not give up so easily. It was the same as the other women who wanted to be at Long Hui's side.

Chapter 989 - 989: Malachite

Yu Qi, Su Yu Hi and Ming Xuehai went to the jade warehouse. The person in charge of the warehouse was Lu Yeyang whom Yu Qi hired not long ago.

"Miss Yu Qi, Mr Su, and Mr Ming, welcome." Lu Yeyang welcomed them

Lu Yeyang also knew Su Yu Hi and Ming Xuehai. They had met each other after Yu Qi handed all the matters to both of them.

Lu Yeyang called Yu Qi that he had found what Yu Qi wanted. Yu Qi met Su Yu Hi and Ming Xuehai on the way.

"Have you really found it?" Yu Qi asked.

"Yeah, Miss Yu Qi. Come and take a look." Lu Yeyang asked to follow him.

Su Yu Hi and Ming Xuehai also followed them. They wanted to see what Yu Qi had been looking for. She looked so delighted when Lu Yeyang told her about it.

"It is not big but it is enough to make something out of it." Lu Yeyang showed the stone to Yu Qi.

It was a green shade stone. It was a Malachite stone. It was a green copper carbonate mineral. It was part of the monolithic crystal system and had a silky lustre. It had opaque transparency and sometimes had a patterned surface.

Hypnotic green swirls and a rich azurite mixture made the healing gemstone of Malachite pop. This dark emerald and glorious stone could send our imaginations shooting to forests of velvet green, soft spring days, lush mountains, and cool running waters.

"What is this, Yu Qi?" Su Yu Hi asked.

"It is Malachite stone. Also known as midwife stone. It is good for childbirth. It can keep you safe and sound during childbirth so tuck those worries away for a while. It can stimulate contractions, cut down the intensity of labour pains, and give you that the safest experience possible from start to finish." Yu Qi touched the stone.

"My auntie is currently pregnant. It is hard for her. So, I hope to do something for her." Yu Qi added.

"It is indeed a beautiful stone." Ming Xuehai commented.

"So, what are you going to do with this stone?" Lu Yeyang asked.

"I want to make her a bracelet." Yu Qi smiled.

"Okay, Miss Yu Qi. I will ask the maker to make it for you as soon as possible." Lu Yeyang nodded.

He called the jewellery maker and explained it to him. The jewellery maker understood. He took the stone and started working for it.

"My first purpose is done. Let's go through our work then." Yu Qi said.

Lu Yeyang understood. He began to show Yu Qi and others the progress of their work.

"I assume in one month from now on, the store will be officially opened." Lu Yeyang concluded.

"By the way, have you decided on the name of the store?" Su Yu Hi asked.

"Yeah. HuiQi Jade." Yu Qi smiled.

It was obvious that the name was the combination of her name and Long Hui's name.

"It is a good name." Lu Yeyang said. n))O**V**e**L**bIn

"Oh, my... My break time is nearly over. I have to go back to the hospital." Yu Qi was looking at her watch.

"I will do the final check-up later. Bye." Yu Qi ran towards her car and drove back to the hospital.

When she was on the way stepping into the hospital, she heard her name, had been called by someone.

"Miss Tang Yu Qi."

Yu Qi knew that the person must not be someone who was not close with her, assuming the polite tone in the voice. She turned around and saw a man.

It was Nie Feng La. It had been quite some time since she had met Nie Feng La. 'What is it this time?' Yu Qi sighed.

"Yes, Mr Nie?" Yu Qi asked.

"I would like to invite you for dinner tonight." Nie Feng La stated his purpose on coming here.

"Sorry, I have night-duty tonight." Yu Qi rejected it right away.

"Then, what about tomorrow night?" Nie Feng La suggested.

"I don't think I can accept your invitation, Mr Nie." Yu Qi said.

"What? Just because you are engaged?" Nie Feng La mocked.

"So, Mr Nie knows that I am engaged with someone. Then, why do you act like this?" Yu Qi glared narrowly at Nie Feng La.

"I want you." Nie Feng La stated his reason.

"Then, let me say this loudly and clearly, I love my fiancée and will not do something that can arise the rumour." Yu Qi said.

"Are you are afraid that your feelings will change?" Nie Feng La smiled.

"Nope. My feelings will never change." Yu Qi was confident with her feelings.

What was she afraid of was someone might use the rumour to blacken her. It was worse if her family got involved with it.

"Miss Tang, I really hope that you accept my invitation. Otherwise..." Nie Feng La threw a look behind Yu Qi.

With that, Yu Qi's aura changed. Her eyes turned cold.

"Mr Nie, don't mess with my family. Otherwise, you will end up losing your life." Yu Qi gave a warning.

"Owh, are you threatening me?" Nie Feng La smiled.

"Nope. I am just giving you a reminder... Mr Smith." Yu Qi's lips curved up.

Hearing the name, Nie Feng La's turned to look at Yu Qi with a cold look. That name was supposed to be a secret. How could someone like her know about that?

Chapter 990 - 990: Su Xiao's Birthday

"I will go in first. It's late already." Yu Qi left.

Nie Feng La was still standing stunned at the place. It seemed that the woman knew something about his identity. She probably was not only a doctor.

Nie Feng La left the hospital. When he entered the car, his assistant was the one who was driving the car.

"Investigate Tang Yu Qi thoroughly." Nie Feng La ordered his assistant.

"Yes, Sir." The assistant nodded.

.....

One day before Su Xiao's birthday, Lu Yeyang called Yu Qi telling her that the bracelet, present for Su Xiao was finally completed. Yu Qi went to pick up the bracelet.

Tang Family held a party but only for the family. They did not invite anyone else. They did not want any incident to happen when people came to visit.

Everyone made sure that they would not do the night shift on that day. Yu Qi and Tang Jin Wei went to Tang Qin Hao's office and took Tang Qin Hao home. Ming Yue and other maids made the preparation for the party.

And of course, it was a surprise party. Su Xiao did not know about it. She had actually forgotten her birthday since she was busy taking care of the baby.

Grandpa Tang took care of Su Xiao and only allowed her to take some walks. He did not allow her to do her gardening work. She spent her time working in her garden. Thankfully the garden was full of beautiful flowers.

It was the final preparation for the birthday party. Grandpa Tang held Su Xiao in the room and checked her condition. After receiving the message from his phone, telling him the preparations had been completed, Grandpa Tang finished his check-up.

Tang Jang Qin brought his wife to the dining room. Su Xiao did not expect anything and assumed it was a normal dinner. When she entered the dining room, she was surprised.

"What is this?" Su Xiao was stunned.

"Happy birthday, Su Xiao."

"Happy birthday, Auntie Su Xiao."

"Happy birthday, Mum..." Even Tang Qin Hao said it.

"Xiao Xiao... Happy birthday." Tang Jang Qin kissed her wife's cheek.

"Everyone... Thank you..." Su Xiao did not expect that today was her birthday. She forgot about that.

"Let's eat first." Tang Jang Qin said.

So, the maids brought the food in. It was a feast. Grandpa Tang had been taking care of Su Xiao's diet. So, she strictly followed that diet plan. However, tonight, Grandpa Tang allowed her to eat her favourite food but in limited quantity. n-)0Vellb1n

They ate in a happy mood.

"Everyone, thank you for celebrating my birthday." Su Xiao smiled as she rubbed her stomach.

"Auntie Su Xiao, here is your present." Yu Qi handed out the box.

"Can I open it now?" Su Xiao asked.

"Of course." Yu Qi nodded.

Su Xiao opened the box and saw a bracelet. She thought it was a jade bracelet.

"Is this jade? Thank you, Yu Qi. I like it." Su Xiao liked the bracelet.

"Auntie Su Xiao, it is not jade. But Malachite bracelet." Yu Qi said.

"Malachite?" Su Xiao did not know about that.

"Malachite is a stone that has healing properties. It is also known as a midwife stone that can keep you safe sound during childbirth. It can also stimulate contractions, cut down the intensity of labour pains, and give you the safest experience possible from start to finish." Yu Qi explained. "Even though it is not scientifically proven but still it gives a smooth feeling to the owner."

"I don't care much about that. But it is from you. I like it very much." Su Xiao took the bracelet and wore it. "Hmm... it is indeed nice and beautiful."

"Auntie Su Xiao... here is my present." Tang Jin Wei pushed a box to Su Xiao.

When Su Xiao opened it, it was a pair of flat shoes. Tang Jin Wei explained that it also could serve as a foot massage. Su Xiao thanked Tang Jin Wei.

Tang Qin Hao slowly gave his present to his mother. Su Xiao knew her son's character. It was a pair of gloves. It seemed to be knitted with hands.

"Did you crochet this?" Su Xiao was surprised.

Tang Qin Hao nodded.

"Thank you, my son." Su Xiao said.

Next was Tang Han Lee. He gave a shawl to Su Xiao.

"Thank you, Han Lee..." Su Xiao said.

Ming Yue and Tang Jung Wen gave their presents too. As well as Grandpa Tang.

"Uncle Jang Qin, you don't prepare your present?" Tang Jin Wei asked.

"Of course I have. But I will give it to my wife later." Tang Jang Qin replied.

Tang Jin Wei grinned like a foolish man.

"Stop smiling like that." Tang Han Lee smacked his brother's head.

"Owh. That hurts." Tang Jin Wei said.

They laughed seeing this.

The party ended. Yu Qi could not sleep went to the garden. She saw Grandpa Tang sitting while drinking the medicinal wine that Yu Qi had made for him.

"Grandpa..." Yu Qi called him.

"Oh... Yu Qi, come and sit with me." Grandpa Tang invited her over.

Yu Qi sat beside Grandpa Tang. It had been a while since they sat together like this. Yu Qi was busy with her work, not to mention her company.

"Is everything okay at work?" Grandpa Tang asked.

"Yeah. The work is going well." Yu Qi nodded.

"That's good then." Grandpa Tang said.

"Do you still have many left? This wine." Yu Qi asked.
