"Ben! Ben I don't think I can do it!!" I yell, clinging onto him.

"Come on you can do it, I'll go first!" He tells me.

"Wait no!" I try to grab for his arms but he goes.

I watch him lean back as he smiles at me.

He starts to walk side ways out of the way.

"Ma'am are you okay?" The worker asks.

"Y-yeah, I'll be fine," I tell him.

I turn around and lean back screaming.

"I'm gonna fall!" I grab Ben's arm tightly.

"No you aren't! You're okay," He chuckles.

I hesitantly walk side ways out of the way, shaking.

"Holy fuck I'm doing it!"

The group begins walking around the tower. I look down scared as fuck.

But it's a beautiful view, just looking at the buildings and the street and the possible places my body could splatter around if I fall. I feel my heart beat out of my chest.

"Positive thoughts Roni," Ben looks at me.

"I'm thinking of some kind of thoughts," I look at him.

We finish walking around the tower and we get the harness taken o of us, as we walk back inside.

"Holy fuck I can't believe we just edge walked on the CN Tower!" I feel the rush.

"You did great," Ben laughs. "Your face was priceless,"

"Shut up, I thought I was gonna die!" I exclaim.

"You weren't gonna die," He laughs at me.

We walk to the elevator, and head down.

We leave the CN Tower and walk around the city.

"So what do you want to do now?" I ask Ben.

"There's a fair not that far from here, do you want to go to that?" He asks.

"Sure,"

We walk to where Ben says the fair is, I look at all the rides. We get the bracelets and walk around.

"Do you want to play a game?" Ben points to a water gun.

"Okay,"

We hand the guy working the game booth the money.

"So the object of the game is to shoot the water at the red dot, which will fill up the tube, first one to do that wins a teddy bear," The worker says.

"What, that's such a small red dot," I laugh.

"Let's make a bet, you don't win, you get a date with me, if you win, well then you get a date with me," He winks.

I could see Ben tense up as he spoke.

"How about I win, I walk away with my boyfriend, with the teddy bear in my hands, and if I lose, well then I walk away with my boyfriend, the teddy bear in his hands," I suggest.

The guy just doesn't say anything.

Ben and I begin to shoot the water.

"What the fuck how are you doing so good?" I laugh at Ben.

"I'm a good shot!"

I shove him playfully, making him mess up.

I fuck with him enough for my tube to catch up with his. I shove him one last time and my tube gets filled first.

"Yes! I win," I cheer.

"Because you cheated!" Ben laughs at me.

"Nah, I won fair and square," I stick my tongue out at him.

The guy hands me the teddy bear and we walk away.

"So now what?" I ask.

"How about we go on that roller coaster,"

We walk over to the line and wait. Eventually we get on, the roller coaster starts.

"Holy fuck," I mumble as we start going up the incline.

I feel my stomach drop as we shoot straight down and do a sideways circle.

I scream my head o , closing my eyes. It felt like forever but eventually we got o the ride.

"Holy shit Ben that was scary as fuck,"

The rest of the day we spent at the fair. Ben won me a huge bear, and we went on more rides

Right now we're just coming back to the hotel.

I take my shoes o as I sit down on a chair.

"Thank you for today," I kiss Ben.

"Of course," He kisses me back, picking me up.

He walks us over to the bed, laying us down.

He works my shirt o , eventually getting to my pants.

I take his shirt o as he unzips his pants.

"Fuck I love you Veronica," Ben mumbles against my lips.

"I love you too Ben,"

We lay there cuddling in the dark. We don't exchange words, but yet just enjoy each other's company.

Soon enough we fall asleep in each other's arms.
