

INVINCIBLE 1943

[Chapter 1943: Are You Messing With Us?!](#)

“Are you retarded? Who doesn’t wish to obtain one ten-thousandth of Huang Xiaolong’s talent and luck? Do you really think that’s possible?”

Huang Peng and the others felt a trace of shock flashing through their mind.

Huang Xiaolong?!

Those disciples from the Earth Splitting Gang were discussing Huang Xiaolong!

“This... could he be someone with the same name?” Guo Xiaofan muttered to himself. “The Divine World is boundless. There is definitely someone with the same name as him, right?”

Huang Peng, Su Yan, and the others felt the trace of hope in their hearts dissipating.

He was right. It was definitely someone with the same name.

Huang Xiaolong went to the Devil World?!

They knew of the horrors of the Devil World. Even the head of the Earth Splitting Gang, a Heavenly Monarch Realm expert, wouldn’t dare to enter the Devil World. How could the Huang Xiaolong they knew head over to the Devil World?!

“I’ve also heard that Huang Xiaolong broke into the Emperor Realm not too long ago. This is too terrifying! It hasn’t even been forty years since the Battle of the Heavenly Court... Wasn’t he a Seventh Order Heavenly Monarch during the battle?”

“Taking less than forty years to break into the Emperor Realm from the Seventh Order Heavenly Monarch... It’s no wonder he managed to beat Di Jing down during the battle!”

“I wonder who his parents are. They managed to give birth to such a terrifying presence! Didn’t he ascend for merely several hundred years?! He managed to break into the Emperor Realm from the Highgod Realm in such a short amount of time! Every time I think about this, I feel like smashing my head into the wall and killing myself!”

“Smash your ass! Go smash your head into the ore mountain in front of us if you have the guts!”

The voices of the Heavenly Gods continuously entered the ears of Huang Peng and the others.

When they heard that the ‘Huang Xiaolong’ the Heavenly Gods were talking about had only ascended for several hundred years, they felt a tremor run through their hearts. This... Could it be true?!

Is the Huang Xiaolong they were talking about the same Huang Xiaolong they knew?!

Could their son be the Huang Xiaolong they were talking about?!

Huang Peng, Su Yan, Huang Min, and the others felt excitement bubbling in their hearts.

However, it was too much for them to take in all at once.

Emperor Realm?!

Didn't they say that Huang Xiaolong had entered the Emperor Realm?!

That was the Emperor Realm they were talking about!

In the tens of years that they were in the mines, all of them had heard the news about the Divine World. They were clear on what a cultivator at the Emperor Realm meant. They were extremely clear that the Emperor Realm came after the Heavenly Monarch Realm.

An Emperor Realm expert was someone their gang leader wouldn't be able to meet even if he wanted to!

A presence at the Emperor Realm wasn't something Huang Peng could conjure in his mind.

Even though the few of them felt extremely excited that the Huang Xiaolong they were hearing of was the same Huang Xiaolong they knew, they didn't dare to believe their ears.

"With Huang Xiaolong's identity, I'm afraid that there will be no woman capable enough to match up to him, right?" The Heavenly God Realm disciples continued their discussion.

"I've heard that Huang Xiaolong is already married. Isn't there that lady called Li Lu and Yao Chi following him around? Oh right, I've also heard that the Second Lady of the Silver Fox Commerce, Bei Xiaomei, and Fang Xuanxuan of the Fortune Emperor Palace, along with Peng Xiao, are already together with him! No one knows if that is true..."

"The Second Lady of the Silver Fox Commerce and Fang Xuanxuan?! Hehe, Huang Xiaolong really has luck with women!"

"It's Bei Xiaomei and Fang Xuanxuan who are lucky. In the entire Divine World, there are tons of ladies queuing up to glance at Huang Xiaolong. Even the wife of our leader screams for Huang Xiaolong in her dreams and causes him to spit out mouthfuls of blood in anger!"

"How do you know that?! You should not let anyone hear about the news of the leader's wife screaming Huang Xiaolong's name. Otherwise, your life might be forfeit!"

The laughter from the Heavenly God Realm disciples filled the air, but Huang Peng and the others felt as though they were hit by a lightning bolt.

Li Lu!

Li Lu was Huang Xiaolong's woman!

Even though they had no idea who the Second Lady of the Silver Fox Chamber of Commerce was, they knew Li Lu!

Li Lu!

The instant they said her name, Huang Peng and the others were sure that they were all thinking of the same Huang Xiaolong! The Huang Xiaolong everyone was talking about was their son!

“Xiaolong! We finally found Xiaolong!” Su Yan screamed with joy as she grabbed Huang Peng’s hand. “Huang Peng, we finally found our son!” Her eyes turned bloodshot as tears formed in the corner of her eye.

Huang Peng buzzed with excitement as well. “Yes, we finally found our son!”

For the past ten years, they had tried to look for Huang Xiaolong despite enduring their harsh circumstances. The only reason they had held onto their will to live was because they believed that they would be able to find their son!

Right now, they had finally received news of Huang Xiaolong!

Their son, Huang Xiaolong, had broken through to the Emperor Realm! Their son was an Emperor Realm expert!

Huang Peng and Su Yan leaped to their feet and ran towards the Heavenly God Realm disciples.

As for Huang Min and the others, they quickly followed behind the two of them.

“Hold it! What do you think you’re doing?” One of the Heavenly God Realm disciples looked at the group and snapped in anger.

Facing the might of a Heavenly God, Huang Peng and the rest could only stop dead in their tracks.

“Senior, we have no other intentions. We want to ask you about the Huang Xiaolong you were talking about.” Huang Peng’s voice trembled as he spoke.

All the disciples from the Earth Splitting Gang looked over.

One of them sneered when he heard what Huang Peng said. “Huang Xiaolong isn’t something you slaves can ask about. Right now, go back to whatever you were doing. If you speak another word, I’ll whip you!” A light flashed in his palm as he stood up and swung the metal whip in his hand.

A look of fear appeared on the faces of Huang Peng and the others.

All of them had experienced the pain of being whipped, and none of them wanted to experience it for a second time.

However, when Huang Peng thought about the possibility of Huang Xiaolong being his son, he gritted his teeth and said, “Huang Xiaolong is my son!”

His voice stunned all the disciples present, and even the Highgods in the mine stared at Huang Peng.

However, the Heavenly God Realm disciples roared with laughter in the next instant.

“What did this slave say?! He said that Huang Xiaolong is his son?! Did I hear wrong?!” One of the Heavenly God Realm disciples grabbed his stomach as he dropped on the ground laughing.

It was no surprise that none of them believed Huang Peng. After all, it was the same as when a beggar claimed that he was the father of an Emperor! Who would take him seriously?

When Huang Peng and the rest saw that no one believed them, their expressions turned ugly.

“Dog slave, are you wasting my time?!” One of the Heavenly God Realm disciples stopped laughing and he snapped at Huang Peng. “If Huang Xiaolong is your son, Heavenly Emperor Di Jun is my dad!” He didn’t bother waiting for Huang Peng’s explanation before he sent the whip flying at him.

In order to wake Huang Peng up, he didn’t hold back. Huang Peng flew away as a miserable shriek escaped his lips. Blood sprayed out from his wound.

“Huang Peng!”

“Father!”

“Grandpa!”

Everyone’s faces changed when they saw Huang Peng’s miserable condition.

Everyone rushed over towards him and helped him up. When they saw the horrifying scars on his body, hatred and rage welled up in their hearts.

“Brother Peng, are you alright?!” Su Yan started to cry as she pressed her hands onto his wound. She used all the godforce she could muster to try to stop Huang Peng’s injury from becoming worse.

Since none of them had any pills to treat his injury, she could only use the most primitive method available.

It was too bad that his wound was profound. Blood flowed non-stop.

Huang Peng lowered his head weakly. “Don’t worry, I’m fine. I will live until the day I see my son.”

Su Yan could no longer hold her tears back as she bawled her eyes out.

The disciple raised his whip again, and he snapped impatiently at her, “B*tch, don’t think that I won’t whip you if you don’t stop crying?!”

Huang Peng hastily stopped Su Yan from crying as he shook his head.

However, Guo Xiaofan couldn’t help himself as he tried to explain to the Heavenly God Realm disciples. “Lords, my uncle is really called Huang Xiaolong. I know about aunt Li Lu, and she was his childhood sweetheart in the lower realm!”

Even though none of them cared about him, Guo Xiaofan continued to explain.

If he didn’t say anything, there wouldn’t be a chance of them ever believing him. If he said something, there was a chance they might actually listen to him!

A sneer escaped the disciple’s lips. “How dare you remain stubborn?! Don’t think that I don’t know what you guys are planning. Do you really think we’ll release you if you claim that Huang Xiaolong is your son?! I’ve seen this too many times!”

It was true. In order to escape, many Highgod Realm cultivators came up with all sorts of excuses.

Guo Xiaofan didn't want to give up and he eventually ate a whip from the Heavenly God Realm expert. He was sent flying and suffered the same fate as Huang Peng. In fact, his wounds were worse than Huang Peng, and his blood stained the ground red.

"Xiaofan!" Everyone screamed as they ran over to support him.

Everyone glared at the group of Heavenly God Realm disciples.

However, they were only met with a casual glance from these disciples. One of them spoke, "If anyone dares to come up with reasons to escape, they will be whipped three times! I'll cripple one of their hands!"

Everyone's expressions changed.

They needed both their arms in order to dig, and if one of the arms was crippled, there would no longer be a way for them to hit their target. They would die a horrible death at the end of the month if that was the case.

...

Several days later, in the Fortune Divine Kingdom, Huang Xiaolong looked at the clouds of spiritual qi swirling around the mountain peak as he tightly knitted his brows together. It had already been a month, but no one had managed to find any news about his parents.

Every day felt like a year, and he felt especially uneasy these few days.

In the distance, two figures slowly approached him.

It was precisely Fang Xuanxuan and Peng Xiao.

As they appeared beside Huang Xiaolong, they noticed the dejected look on his face. They looked at each other but failed to think of a way to console him.

"Xiaolong, don't worry, uncle and aunty will definitely be fine. Don't overthink things..." Fang Xuanxuan eventually decided to say something.

"That's right! Xiaolong, with the strength of the Silver Fox Commerce, there will definitely be news of them soon!" Peng Xiao hastily followed up.

Huang Xiaolong nodded his head and sighed, "I hope so."

"Xiaolong, some of the Emperor Palaces sent over news that Heavenly Prince Di Jing managed to break into the Emperor Realm. With his Heavenly Dao Divine Physique and Godhead, no one would be able to kill him!" Fang Xuanxuan suddenly thought of the report she had heard previously and relayed the information to Huang Xiaolong.

"Oh." Huang Xiaolong felt a little shocked when he heard the news. He had never expected Di Jing to be able to enter the Emperor Realm so quickly.

As he became the embodiment of the Heavenly Dao, his body was indestructible and his soul would never scatter... Huang Xiaolong's eyes lit up.

“Also, we heard that Heavenly Prince Di Jing and Heavenly Emperor Di Jun managed to invite a monstrous old freak. Some say that he will be there to deal with Shi Ming, but others say that he is there to deal with the King of Grandmist!”

Huang Xiaolong frowned, and a surprised look flashed through his eyes. “Which old monster did they manage to invite?”

Since the rumor could spread, the report was most probably true. Huang Xiaolong knew that it didn’t matter who was the old freak they had managed to invite. But he was afraid that the old freak they had invited wouldn’t lose to his master, the King of Grandmist, if they were to fight.

“We don’t know who it is.” Fang Xuanxuan shook his head. “Perhaps the King of Grandmist might know...”

Huang Xiaolong nodded his head. After he found his family members, he would head over to the Grandmist Lands before going to the Radiance World.

I wonder how the little cow is doing... Did she manage to regain her strength?

Even though the number of experts around him was aplenty, he knew that he lacked Sovereign Realm experts. If the little cow recovered her strength, she would be another strong fighting force for him.

He also had to think of a way for the four odd beasts, the radiance angels, Tai Yue, Jin Yuan, and the other Great Commanders to break through to Sovereign Realm.

All of them were trapped at the peak of the late-Tenth Order Emperor Realm for several billion years. They needed nothing but a stroke of luck to break through to the next realm.

Just as he was thinking about them, his transmission symbol shook. Huang Xiaolong retrieved it, and to his surprise, it came from Bei Xiaomei!

“Fire Stone World. Earth Shattering Gang!” Huang Xiaolong couldn’t control himself as a look of joy appeared on his face. He had finally managed to locate them!

According to what Bei Xiaomei said, his family members were located on the Fire Stone World.

“Xiaolong, did you receive news about uncle and aunty?” Fang Xuanxuan couldn’t help but ask when she saw the look on Huang Xiaolong’s face.

Huang Xiaolong nodded his head and passed his transmission symbol to the two girls.

They rejoiced when they saw Bei Xiaomei’s message.

“That’s great! Xiaolong, shouldn’t we hurry over to the Fire Stone World right now?” Fang Xuanxuan couldn’t help but ask when she saw the expression on his face.

Huang Xiaolong was stunned for a second. “You guys want to go as well?”

Fang Xuanxuan and Peng Xiao nodded in unison. Their faces flushed red at the same time as they thought of something.

“Alright. We shall head over to the Fire Stone World right now!” Huang Xiaolong declared. He knew that the most important thing right now was to head over to the Fire Stone World.

The three of them flew in the Netherking Flying Ship as they charged towards the Fire Stone World.
