Chapter 3216: Huang Xiaolong Has Appeared!

The five of them didn't dare to move a muscle as they stood there. They were guessing the identity of the old ancestor's disciple silently, and before they knew it, a ray of light flashed before them and three figures appeared.

Di Yu and the others got to their knees respectfully, "We greet the Old Ancestor!"

Nodding slowly, the old dragon chuckled, "Alright, you can dispense with the formalities now."

Getting to their feet, the five of them looked at the old dragon.

"Alright. This brat here is going to be my disciple in the future. He will also be the Son of Creation of the Blazing Dragon World." He pointed at Huang Xiaolong who was standing behind him.

Di Yu and the others acknowledged respectfully before turning to stare at Huang Xiaolong. When Di Yu saw his appearance, he nearly jumped in fright. "It's you!"

Even though the auction happened several hundred thousand years ago, he was naturally able to recognize the Purple Lightning Young Master.

He didn't expect the old ancestor to really accept the kid as his disciple!

Also, there were many things that happened several thousand years ago that confirmed the Purple Lightning Young Master's identity!

When Celestial Emperor Di Cangtian noticed Di Yu's reaction, he quickly asked, "Second brother, this..."

"He's the Purple Lightning Young Master we were talking about!" Di Yu gasped in shock.

"What?!"

“It’s actually him!”

The other four felt their heads spinning.

As the upper echelon of the Blazing Dragon Celestial Empire, they knew everything that transpired.

When Fu Luosen and Huang Shengdao announced the bounty on Huang Xiaolong three thousand years ago in the Dao Emperor World, Huang Xiaolong’s fame had already shocked the universe. It was no wonder the four of them learned about him.

Di Cangtian looked at the old dragon and stuttered, “Old ancestor... This... He...”

“Alright. Come here and greet Xiaolong.” The old dragon raised his hand to stop any questions. It was clear he didn’t plan on explaining himself to them.

The five of them felt their hearts trembling in shock as they quickly cupped their fists towards Huang Xiaolong, “We greet Your Highness, Huang Xiaolong!”

When Huang Xiaolong received the Blazing Dragon inheritance in the future, he would not only become the Son of Creation of the Blazing Dragon Celestial Empire. He would control the entire Blazing Dragon World! As such, even Di Cangtian had to address Huang Xiaolong appropriately.

Huang Xiaolong nodded and chatted with them for a bit.

Soon, the old dragon made his youngest son, Di Yubai, arrange a suitable residence for Huang Xiaolong and Yuan Tianyi.

After the three of them left the hall, Di Cangtian turned to the old dragon and asked, “Old Ancestor, Huang Xiaolong is the Son of Creation of the Huang Long world, and he’s Huang Long’s son! Accepting him as your disciple might not be the right thing to do!”

The old dragon looked the others in the eye and asked, “Do all of you think the same way?”

Looking at each other, they eventually nodded in agreement.

“Why don’t you guys tell me where’s the problem with my arrangement?”

?!

The four of them stared at each other in shock.

They could hear the slight irritation in the old dragon's voice when he addressed them, but Di Cangtian had to continue, "He's already the Son of Creation of another world! Moreover, he's someone on the True Dragon Celestial Empire's to kill list! If old ancestor takes him in as a disciple, wouldn't Huang Sheng..."

The old dragon snorted in irritation.

The hall turned silent in an instant as the four of them got to their knees.

"You're all too shortsighted." The old dragon lectured them. "Who says that he can only be the Son of Creation of a single world? Moreover, he doesn't know how to control the origin of the Huang Long World! He can't be considered the Son of Creation if that's the case!"

"All of you are worried Huang Sheng would cause trouble for the celestial empire after I take him in as my disciple, right?" The old dragon sneered. "Are you really afraid of offending the True Dragon Celestial Empire?! Are you afraid Huang Sheng would personally appear to destroy us?!"

"Do you really think that he won't make a move after he devours Huang Long's bloodline and origin energy?!"

"Or do you think that I will have to care about what Huang Sheng thinks before I make a decision?!"

Di Cangtian and the others felt cold sweat dripping down their foreheads when faced with the old ancestor's anger.

"Do you really think that I have no idea what all of you are planning?" The old dragon harrumphed. "You're uncomfortable because I chose someone outside the royal family to be the Son of Creation. All of you think that I should choose one of your descendants to inherit my mantle. Is that it?!"

The old dragon's questioning caused all of them to tremble in their shoes. None of them dared to raise their heads in response.

"Old Ancestor, we were wrong!" Di Cangtian was the first to respond.

The old dragon's face was cold as he snorted in anger, "All of you are disappointments. After Huang Sheng devours Huang Long, he will definitely turn against the entire universe. When that happens, our Blazing Dragon Celestial Empire will be the first on his list!"

"Huang Xiaolong is our only hope!"

The old dragon left the hall as soon as he spoke, and no one dared to raise their heads for a long time.

Di Cangtian and the other three thought about it for a long time before getting to their feet.

"The Old Ancestor is right. We were too short-sighted." Di Cangtian sighed.

In the two days that followed, Huang Xiaolong remained in the palace of the Blazing Dragon Celestial Empire and continued to cultivate peacefully with Yuan Tianyi.

On the second day, Huang Xiaolong couldn't help but think about the manor he bought in the past.

"Let's go take a look at the Purple Lightning Manor..."

When they decorated the Purple Lightning Manor in the past, they used a ton of precious treasures.

Compared to the imperial palace, the Purple Lightning Manor was Huang Xiaolong's true home!

As such, the two of them traveled back to the Purple Lightning Manor in the Hidden Dragon Sacred Land, and it only took an hour for them to arrive.

In the manor, Di Xiaolong wore a long face as he thought about the appointment ceremony that was about to take place the next day. When he thought about how he had to accept someone else as the Son of Creation, he couldn't help but feel a sense of hatred in his heart.

"Your Highness, I received news that the person chosen by the Old Ancestor is currently living in the imperial palace." Caretaker Pang reported.

Di Xiaolong nodded slowly. "He might be there, but none of us are allowed to take a step into the imperial palace in the first place. I've tried asking second uncle, but he refused to say a word."

Other than Di Cangtian and the other four who had seen Huang Xiaolong for the first time, no one knew that he was the chosen one.

Just as Di Xiaolong was racking his brains to think of someone, one of his subordinates rushed into the hall hastily and yelled, "Your Highness, the Purple Lightning Young Master! Huang Xiaolong... Huang Xiaolong appeared!"

Staring at his subordinate for a solid second, Di Xiaolong wouldn't believe his ears. He jumped in joy the next second and yelled, "Where is he?!" One had to know that Fu Luosen and Huang Shengdao placed a bounty of one hundred trillion dao coins on Huang Xiaolong's head.

"He's in the capital right now! Moreover, he's heading straight for the Hidden Dragon Sacred Land!"

Chapter 3217: Hard Pressed to Escape

When Di Xiaolong heard that Huang Xiaolong was heading straight for them, he jumped in joy, "Are you for real?"

"Yes, Your Highness!" The subordinate was extremely happy too. "It seems like he plans on coming back to the Purple Lightning Manor!"

The joy in Di Xiaolong's heart multiplied once again. "Nice! Then we shall lay down countless formations here to trap him in the Purple Lightning Manor! We cannot allow him to escape!"

With a single order, everyone got to work.

Caretaker Pang chuckled happily, "Seems like the Purple Lightning Manor is quite important to that guy. He's crazy enough to return to the Blazing Dragon Celestial Empire despite the bounty on his head, and it seems like there should be something important to him here."

Di Xiaolong nodded happily.

"However, Huang Xiaolong's strength isn't something we can look down on. Capturing him won't be easy."

A frown formed on Di Xiaolong's face. That was also the part he was the most afraid of.

In the Dao Emperor World, Huang Xiaolong took Fu Luosen and Huang Shengdao on alone. His strength was something Di Xiaolong would never forget.

"Contact Fu Luosen and Huang Shengdao!" Di Xiaolong growled. "We'll lay down a super formation to trap Huang Xiaolong. Once the two of them arrive, they will take him down!"

"After all, they only mentioned that we need to provide Huang Xiaolong's location to obtain the reward. There's no need for us to lift a finger!"

Di Xiaolong might admit that Huang Xiaolong was strong, but he was confident that they could trap him for a little while.

...

"Your Highness, we received a piece of news from Di Xiaolong of the Blazing Dragon Celestial Empire!" An expert from the True Dragon Celestial Empire reported to Huang Shengdao.

As soon as he opened the report, a look of joy flashed through Huang Shengdao's face.

"Your Highness, this..." The expert couldn't help but ask when he saw the happiness on Huang Shengdao's face.

"It's Huang Xiaolong! They received news on Huang Xiaolong!"

"He's in the Blazing Dragon Celestial Empire right now!"

Soon after, the entire group led by Huang Shengdao charged towards the Hidden Dragon Sacred Land.

When Huang Shengdao made his way over, Fu Luosen did the same.

In the past hundred years, Fu Luosen had always been roaming about the Blazing Dragon World.

As soon as he heard about the old dragon's appointment ceremony, he made his way over to the celestial capital.

As such, the two of them were able to rush over the moment they received the report.

Of course, Zeng Ying also managed to obtain the report on Huang Xiaolong's appearance.

She gasped in shock at the news. She didn't think that Huang Xiaolong would be crazy enough to return.

"He's really insane! When he escaped death in the Dao Emperor World, everyone thought that he would go into hiding! Who would have thought that he would return?!" Zeng Ying frowned. "Doesn't he know that Fu Luosen and Huang Shengtian are currently in the Blazing Dragon World?"

According to her, Huang Xiaolong was asking for death by appearing in the Blazing Dragon World.

"I've heard that the two of them have already left for the Hidden Dragon Sacred Land." One of the Silver Haired Old Men spoke. "Moreover, they got people to seal off the entire region in case Huang Xiaolong tries to escape again!"

"Your Highness, do we try to save Huang Xiaolong?" Someone suggested.

However, he was shot down instantly by someone else. "Save him? How are you planning to do so? Is there anyone here who can save Huang Xiaolong from the two of them? Do you wish to offend Fu Luosen and Huang Shengdao by doing so?!" Turning to Zeng Ying, he continued, "Sixth Princess, you might be siding with Huang Xiaolong because of your friendship, but you will most definitely offend the two most powerful Sons of Heaven in the universe if you do so. Please reconsider."

Zeng Ying chose to remain silent.

It wasn't really worth it to offend them because of Huang Xiaolong.

Not to mention the fact that she did not possess enough power to save him in the first place.

Either Fu Luosen or Huang Shengdao was enough to crush them all!

...

In the Hidden Dragon Sacred Land, within the Purple Lightning Manor.

Huang Xiaolong looked at the experts led by Di Xiaolong with a cold gaze.

“Since when did my manor become yours, Di Xiaolong?” Huang Xiaolong muttered.

“Huang Xiaolong, who do you think you are?! How dare you call His Highness by name?!” One of the experts behind Di Xiaolong screamed.

The expert was one of the marshals of the Blazing Dragon Celestial Empire, and he didn't seem weak.

“Are you talking to me?” A sneer formed on Huang Xiaolong's lips.

Raising his hand slightly, Di Xiaolong stopped his subordinates from going any further. He smiled at Huang Xiaolong before speaking, “Huang Xiaolong you should know that you won't be able to escape with your life intact this time! Why are you so concerned for your manor?”

“What's the use of owning the manor if you're dead?”

Huang Xiaolong chuckled in response. “Thanks for the concern, but I've always been hard to kill. I wonder if you should be more concerned for your life right now!” Embark on a quest to the commencement at n0v#lbin★

Di Xiaolong was stunned for a second, but he roared with laughter the next moment. “What?! Are you planning on killing me?! Huang Xiaolong, this is the Blazing Dragon Celestial Empire! If you dare to touch a single hair on my head, your death will be a thousand times worse!”

“You definitely notified Fu Luosen and Huang Shengdao about my whereabouts. Since I won't be able to escape anyway, I'll just bring you along with me.”

A trace of panic flashed through Di Xiaolong's eyes, but he quickly covered it up. “Hahaha! Huang Xiaolong, you're not capable of killing me!” Waving his hand, several rays of light emerged from the manor and enveloped Huang Xiaolong and Yuan Tianyi. The space around them was frozen solid, and they were trapped.

“Huang Xiaolong, I’ve long since refined all the restrictions around your manor! I’ve even strengthened the formations by hiring some experts!” Di Xiaolong roared, “Right now, the formation is countless times stronger than the ones you laid down! Hahaha! I bet you didn’t expect that you would be trapped by the formation around your own manor!”

“Moreover, Fu Luosen and Huang Shengdao will arrive in ten minutes!”

Looking at the formation around him and Di Xiaolong who was laughing his head off, Huang Xiaolong transformed into a giant golden dragon. With a single claw, he tore the formation into pieces.

“WHAT?!” Di Xiaolong stared at Huang Xiaolong in shock.

He was shocked, and so were his subordinates.

“You... How can you...” Di Xiaolong couldn’t believe that Huang Xiaolong could tear through the formations he painstakingly laid down.

“You won’t have to worry about that. I’ll lay down new formations around my manor.” Huang Xiaolong sneered.

So what if Di Xiaolong refined the formations around his manor? Strength ruled supreme!

Moreover, Huang Xiaolong’s strength wasn’t something they could map to the Huang Xiaolong of three thousand years ago.

After the old dragon’s assistance, Huang Xiaolong’s strength reached a whole new level! How could Di Xiaolong begin to imagine the power he could wield?

With a sweep of his giant tail, a horrifying amount of energy shot towards Di Xiaolong.

Chapter 3218: Take Revenge for Me!

Di Xiaolong didn’t dare to be careless when facing an expert such as Huang Xiaolong. He used everything he had, and he summoned a creation artifact level armor to protect himself.

“Save His Highness!”

“Kill the Purple Lightning Young Master!”

The experts who stood around Di Xiaolong screamed as they made their moves hastily.

In an instant, a multitude of lights covered the entire city.

The experts around Di Xiaolong were experts chosen by himself personally. They were also the strongest of his subordinates, and the weakest person present had comprehended five elements to the grand completion stage! There were even some who had ten elements at the grand completion stage!

All of them charged towards Huang Xiaolong in a desperate attempt to save Di Xiaolong.

Rushing beneath Huang Xiaolong's belly, they knew that it was the weakness of the Dragon Race.

However, one had to be strong enough if they wanted to exploit a weakness. All of them were too weak, and by the time Huang Xiaolong's tail swept over, they were sent flying away from the energy waves created. Even Di Xiaolong's desperate attempt to protect himself failed to slow Huang Xiaolong's tail down the slightest bit. When it struck, the armor on Di Xiaolong's body shattered and he shot out like a shooting star. He smashed through countless structures before arriving at the edge of the Hidden Dragon Sacred Land.

When he landed, the entire sacred land trembled.

"What?!" Fu Luosen and Huang Shengdao gasped in shock when they saw what happened from a distance away.

The two of them could naturally see that Huang Xiaolong was much stronger than he was during their battle three thousand years ago!

They couldn't understand how Huang Xiaolong improved so much in such a short amount of time!

In the Dao Emperor World, they obtained a ton of resources in the Mysterious Magician's treasury. Even though they managed to improve a little, it was nothing compared to Huang Xiaolong's rate of improvement!

Their expressions sank as killing intent built up in their hearts. Huang Xiaolong was too damn terrifying and their desire to kill him grew ever so strong. Chart your course back to the origins of this substance at n0v^lbin

After sending Di Xiaolong's group flying, Huang Xiaolong didn't bother chasing them. Instead, he turned to look at Huang Shengdao and Fu Luosen coldly.

He was extremely satisfied with the power he could wield.

Very quickly, the two of them arrived.

"Huang Xiaolong, I have to say, I'm extremely impressed by your guts. Who would have thought that you would appear in the Blazing Dragon Celestial Empire after the battle three thousand years ago?! Hahaha! You even dared to move against Di Xiaolong in his celestial empire!" Fu Luosen sneered, "Even if the two of us allow you to live, the experts of the Blazing Dragon Celestial Empire will hunt you down!"

"You're definitely going to die today!"

"Let's see who manages to save you this time!"

Fu Luosen roared in rage.

Even though Huang Shengdao didn't say a word, he was planning to work with Fu Luosen like before. The two of them would attack Huang Xiaolong from both the front and the back.

A chuckle left Huang Xiaolong's lips, and he disappeared from where he stood. Appearing before one of the experts working under Fu Luosen, Huang Xiaolong's claw swiped across the air, turning countless experts around the man into meat paste.

Fu Luosen and Huang Shengdao were shocked by his sudden movement. No one expected him to move against the other party's subordinates.

When the two of them were shocked, Huang Xiaolong's tail swept through the ranks of the Excessive Darkness Celestial Empire, killing even more people.

All of them were Fu Luosen's trusted subordinates, and everyone that died caused his heart to ache a little.

“Huang Xiaolong, you shameless bastard! Stop right there!” Fu Luosen screamed with rage.

“Shameless? Me?” Huang Xiaolong sneered, “When you killed my subordinates, did you think of yourself as a glorious b*stard? The two of you worked together to fight me, and that’s really honorable of you guys!”

The two of them stared at each other in stunned silence.

With his figure flashing once again, even more people died.

Fu Luosen could no longer contain his rage as he transformed before charging at Huang Xiaolong. Huang Shengdao didn’t hold back as he transformed into a golden dragon and lunged at Huang Xiaolong.

Instead of returning their attacks, he continued to kill the subordinates working for the two of them!

In the past, Fu Luosen killed Li Shuo and He Zhen! Now, he would kill two thousand of them in return!

After receiving the old dragon’s grand cosmos energy, Huang Xiaolong’s speed far surpassed the old him. He was even faster than the two of them, and no matter how hard they tried, they couldn’t catch Huang Xiaolong.

When they saw their subordinates dying one by one, anger rose in their hearts.

As the battle raged on, Celestial Emperor, Di Cangtian, received the news. Jumping out of his throne in fright, he brought the other four with him as they charged towards the Hidden Dragon Sacred Land.

They weren’t the only ones. Even the Celestial Emperor of the True Dragon Celestial Empire, Huang Dinghai, rushed over.

As for Zeng Le, the Celestial Emperor of the Extreme Heaven Celestial Empire, he stood by the side ready to watch the show play out.

“This time, we have to kill Huang Xiaolong!” Huang Dinghai roared at the experts of the True Dragon Celestial Empire.

“I’ve heard that he seriously injured Di Xiaolong just now.” One of the marshals of the True Dragon Celestial Empire mocked, “Seems like we won’t

have to make our move. Di Cangtian will definitely use everything in his disposal to kill Huang Xiaolong. Everyone knows Di Cangtian loves Di Xiaolong the most out of all his sons...”

Huang Dinghai nodded and chuckled, “Who would have thought that Huang Xiaolong was stupid enough to do that? He dug his own grave... Whatever the case, let’s play it by ear. It would be for the best if we kill Huang Xiaolong ourselves.”

The members of the True Dragon Celestial Empire nodded in acknowledgement.

When the experts of the various factions were rushing over, the battle raged on. With their combined might, the entire region shook.

Countless experts watched the battle using various tools, and they had nothing but praises for the three of them.

“Huang Xiaolong is much stronger than he was in the Dao Emperor World! How in the world did he improve so quickly in three thousand years?! Wasn’t he seriously injured in the past? He should take several dozen years to recover, no?” Someone who watched the battle in the past gasped in shock.

“I’ve heard that he has three different types of cosmos energy. I doubted the claim, but it seems like he is really someone special! He should be the first person in the history of the universe to possess three small worlds!”

“So what?! He’s still going to die! If I’m Huang Xiaolong, I would have hidden myself in some nameless sacred land and cultivated in seclusion for countless years before emerging! Now, he won’t be able to escape!”

Discussions flew about and there were many who were gloating in his misfortune.

By the time the battle reached the climax, Di Cangtian and the others arrived.

When Di Cangtian saw Di Xiaolong who was beaten half to death by Huang Xiaolong, rage rose in his heart. However, a feeling of helplessness soon followed.

As soon as Di Xiaolong witnessed the arrival of Di Cangtian and the others, he jumped to his feet and cried in anger, "Father, that dog b*stard beat me up! You have to take revenge for me!"

Chapter 3219: The Blazing Dragon World's Son of Creation

When Di Xiaolong thought that Di Cangtian would immediately leap into battle to help Fu Luosen and Huang Shengdao, a slap made his vision go black.

Of course, the slap landed heavily on Di Xiaolong's face, and he felt the world spinning around him.

Grabbing his face in pain, he stared at his father in disbelief.

The experts of the Blazing Dragon Celestial Empire felt their jaws dropping in shock when they witnessed the scene before them.

Celestial Emperor, Di Cangtian, actually slapped his favourite son, Di Xiaolong!

There were even some who felt that Di Cangtian was placed under an illusion! Did he mistake Huang Xiaolong as his son?!"

"Father, you..." Di Xiaolong stammered.

Like everyone else, he had no idea what just happened.

A cold snort left Di Cangtian's lips. "You'll be punished accordingly when we get back." After he spoke, he turned to look at Huang Xiaolong.

"Punished?!" Di Xiaolong was stunned. He didn't understand what his father meant. However, from the looks of things, his father didn't seem to be hallucinating.

He wasn't the only one who had no idea what was going on. The other experts standing around were equally as clueless.

"Big Brother, do we make our move now?" Di Yu asked.

He was asking if they should make their move to save Huang Xiaolong. After all, he was the Son of Creation of the Blazing Dragon World. Regardless of what he did, they couldn't allow anyone to kill him.

However, Di Xiaolong thought that his father and his uncles were planning on killing Huang Xiaolong.

Turning to look at them, a trace of anticipation could be seen in Di Xiaolong's eyes.

After thinking about it for a second, Di Cangtian shook his head. "There is no need." He could see that Huang Xiaolong wasn't even on the losing end of the battle. Embark on a quest to the commencement at n0v#lbin★

A trace of shock flashed through his heart when he realized that Huang Xiaolong was evenly matched against the two of them.

Di Cangtian was extremely clear on how strong they were, but his eyes narrowed all of a sudden as he turned to look at the void before them.

It was precisely where Huang Dinghai and the members of the True Dragon Celestial Empire was coming from.

When Huang Dinghai saw the battle from afar, he was as shocked as Di Cangtian. However, a snort formed on his lips as he waved his hand through the void. A terrifying amount of power shot towards Huang Xiaolong.

As Huang Dinghai made his move in secret, not too many people managed to catch it.

As the Celestial Emperor of the True Dragon Celestial Empire, Huang Dinghai's strength wasn't something Fu Luosen and Huang Shengdao could compare to. If his strike landed on Huang Xiaolong, Huang Xiaolong would lose a layer of skin even if he didn't die.

Seeing as the palm strike was about to hit, another terrifying blast appeared from nowhere and stopped it.

A massive blast rocked the entire region, and everyone stared at the space before them in stunned silence.

Huang Dinghai was shocked. He didn't expect anyone to stop him.

Turning around, question marks formed in his mind when he realized that it was Di Cangtian.

“Brother Di, this...” Huang Dinghai couldn’t help but ask.

Huang Xiaolong seriously injured his son, and Di Cangtian should be more than happy to watch Huang Xiaolong die! However, he did the exact opposite and saved the kid!

Could he be planning to kill Huang Xiaolong himself?

When Huang Dinghai was making wild guesses in his mind, Di Cangtian sneered, “What an amazing celestial emperor you are. You even dared to make a sneak attack on someone of the younger generation! Don’t you think you’re humiliating yourself and the name of the Blazing Dragon World?”

Huang Dinghai and the others stared at him in shock.

A trace of anger formed in Huang Dinghai’s heart after the ‘lecture’ by Di Cangtian. Was the other party actually scolding him, the Celestial Emperor of the True Dragon Celestial Empire, in front of so many people?!

Frost flashed in his eyes and he glared at Di Cangtian, “Di Cangtian, are you sure you’re clear headed right now?!”

Ignoring the ugly look on Huang Dinghai’s face, Di Cangtian snorted, “Huang Dinghai, we have to do things openly. Everyone saw the despicable move you committed. Are you planning on denying your actions?!”

The experts who were standing about stared at him in shock.

Even Di Xiaolong couldn’t believe what his father just said.

“Princess, do you think Celestial Emperor Di is making sense right now?” One of the attendants behind Zeng Ying scratched her head in confusion.

Shaking her head, Zeng Ying had no idea what was going on either.

She wasn’t the only one. Even the patriarchs of the various ancient races and super experts present had no idea what Di Cangtian was thinking.

They didn’t understand why Di Cangtian was hell bent on going against Huang Dinghai!

Even Zeng Le, the Celestial Emperor of the Excessive Heaven Celestial Empire, frowned.

Things were getting too weird.

Could Di Cangtian be thinking of saving Huang Xiaolong? Was he planning on pulling Huang Xiaolong over to his camp? Could that be the reason behind his actions?

Huang Dinghai felt a trace of irritation rising in his heart when he heard Di Cangtian bringing up the matter over and over. However, a massive explosion brought all of them back to reality. In the space above, Fu Luosen and Huang Shengdao were sent flying backwards by Huang Xiaolong's claw strike.

At that instant, Huang Xiaolong's back was exposed to Huang Dinghai, and the man decided to make another move. Right before his strike could land, Di Cangtian stopped it.

Glaring at Di Cangtian, Huang Dinghai would have killed him if he had the ability to.

Ignoring Huang Dinghai once again, Di Cangtian and the other four experts of the Blazing Dragon Celestial Empire flow towards Huang Xiaolong. When everyone was curious as to what they planned to do, the five of them cupped their fists in greeting. "We greet Your Highness!"

Di Xiaolong felt his brain going blank.

Huang Dinghai saw the world spinning before him.

As for Fu Luosen, Huang Shengdao, Zeng Ying, and the others, their jaws dropped in fright.

"Your... Your... Your Highness?!" Di Xiaolong screamed in fright.

What the hell did he just hear?! His father was addressing Huang Xiaolong as His Highness! Why would he be so respectful?!

Huang Xiaolong turned to the five of them and nodded, "You're here."

?!

What the f...

Di Cangtian looked at Di Xiaolong whose mouth couldn't close and he snorted, "Why aren't you kneeling in His Highness' presence? Kneel and apologize!"

"ME?!" Di Xiaolong gasped in shock.

Could it be?!

A terrifying thought flashed through the minds of everyone present.

"In the future, His Highness, Huang Xiaolong, will be the Son of Creation of our Blazing Dragon World!" Di Cangtian announced.

Di Xiaolong, Zeng Ying, Fu Luosen, Huang Shengdao, and everyone of status felt a bomb going off in their minds.

Chapter 3220: He's Not Qualified!

The Son of Creation of the Blazing Dragon World!

Celestial Emperor Zeng Le, Celestial Emperor Huang Dinghai, and the various world leaders standing around were shocked.

All this time, they used everything they could to discover the identity of the Son of Creation chosen by the old ancestor. Emerging from n0v@lbin☆, this material harbors clandestine details.

Now, Di Cangtian revealed the identity of Huang Xiaolong to everyone present.

"It's him?!"

"How can it be?!"

"There's no way!"

Many experts didn't want to believe what they were hearing.

"Why are all of you standing there? Greet His Highness right now!" Di Cangtian roared when he saw the experts of the Blazing Dragon Celestial Empire standing there like wooden dolls.

His yell rocked the entire region and Di Xiaolong and the others hastily rushed over.

The appointment ceremony was set for the next day, and the experts who should be present should have already arrived. In fact, even the world leaders from other celestial empires had come.

The Blazing Dragon wasn't just the old ancestor of the Blazing Dragon Celestial Empire, he was also the God of Creation of the Blazing Dragon World! As such, the holy worlds contained in the Blazing Dragon World sent their world leaders over to witness the ceremony.

Staring at each other, the patriarchs of the various factions started to hesitate.

Even Di Xiaolong paused for a second.

Just a second ago, he wanted nothing more than to kill Huang Xiaolong! Now, his father was making him kneel before the man!

"Humph!" A snort left Di Cangtian's lips and Di Xiaolong felt as though a sledgehammer was slammed straight into his chest. He vomited a mouthful of golden blood and he yelled in pain.

"Father?!"

"Kneel!" A frosty light flashed through Di Cangtian's eyes.

Huang Xiaolong remained silent as he watched the scene play out before him.

Di Xiaolong's expression was ugly to the extreme as he kneeled before Huang Xiaolong. "I greet Your Highness, the Son of Creation!" Endless rage filled his heart.

Di Cangtian, Di Yu, and the others stared at the various world leaders standing around.

No longer able to drag things out, the various world leaders got to their knees. Their greeting caused the space around them to shake, and even the experts from the Extreme Heaven Celestial Empire didn't know what to do.

"Since Huang Xiaolong is appointed as the Son of Creation of the Blazing Dragon World, everyone shall pay their respects!" A formless voice rang through the skies.

Staring at the void in shock, someone exclaimed in terror, “It’s the God of Creation, Lord Zeng Ling!”

Another wave shook the crowd when the arrival of Zeng Ling was announced.

The experts of the Extreme Heaven Celestial Empire who were hesitating just a moment ago got to their knees instantly.

“We greet Your Highness!”

Even old freaks who had been in hiding for a long time got to their knees.

Eventually, only the members of the True Dragon Celestial Empire were left standing.

Di Cangtian looked towards them and he snorted, “Huang Dinghai, why aren’t you and the members of your celestial empire on your knees?”

His voice traveled through the Blazing Dragon World.

In an instant, all eyes turned to Huang Dinghai.

Roaring with laughter all of a sudden, Huang Dinghai looked at Huang Xiaolong, “Son of Creation of the Blazing Dragon World? What a joke! Di Cangtian, do you really think he’s the Son of Creation because you said so? Huang Xiaolong isn’t even from your Blazing Dragon World! He’s not qualified to be the Son of Creation!”

Everyone stared at him in shock.

“That’s right! Huang Xiaolong isn’t someone from your Blazing Dragon World! He’s not qualified to be our Son of Creation!” Another voice traveled through the void.

When Di Cangtian realized that he had no idea who just spoke, his expression sank.

“That’s right! Only someone from our world has the ability to be the Son of Creation!” Someone else yelled. “Huang Xiaolong is already the Son of Creation of the Huang Long World! What rights does he have to be the Son of Creation of our Blazing Dragon World?! Get lost!”

The voices rocked through the air and Di Cangtian failed to lock on to the speaker.

Huang Shengdao finally spoke up all of a sudden. “Huang Xiaolong, did you hear that? You’re not a person from our Blazing Dragon World. Do you really think you’re the Son of Creation just because Di Cangtian and the others say you are?”

“Don’t forget. There’s three celestial empires in the Blazing Dragon World!”

“If you wish to become the Son of Creation of the Blazing Dragon World, all of us will have to agree!”

Huang Shengdao snorted.

Even though Fu Luosen didn’t say a word, everyone could see that he was gloating happily at the side.

“Do you think our old ancestor need to go through you to determine the Son of Creation of the Blazing Dragon World?”

Huang Dinghai spoke up all of a sudden. “The Son of Creation of the Blazing Dragon World will decide the future of our world. It concerns all three celestial empires, and all of us will have to come to a consensus!”

In fact, that was the reason the True Dragon Celestial Empire sent their men over!

“The Blazing Dragon World was created by me, and I’m more than capable of making the decision on my own! Who the f*ck do you think you are?!” A voice descended from the heavens all of a sudden it brought about a crushing pressure.

The voice sounded through the various worlds, and even the territory of the other celestial empires failed to block out the soundwave. It was especially so for the True Dragon Celestial Empire.

“It’s Lord Creation, the God of Creation, Blazing Dragon!”

Ancient experts exclaimed in shock.

“Lord Blazing Dragon!”

The entire Blazing Dragon World broke out into cheers when they heard his voice.

“Old Ancestor.”

The experts of the Blazing Dragon Celestial Empire felt tears streaming down their faces.

Even though Huang Sheng’s strength had surpassed the Blazing Dragon, the old dragon was the true creator of the Blazing Dragon World. There was no way Huang Sheng could overtake the old dragon’s position in the Blazing Dragon World.

Even Princess Zeng Ying was moved by the presence of the old dragon.

The old dragon was the person most people in the Blazing Dragon World looked up to, and Zeng Ying was no exception.

Huang Dinghai swallowed a mouthful of saliva in shock when he heard the old dragon’s voice. He was strong, but he was smart enough to know that he couldn’t stand up to the old dragon.

Two miserable shrieks rang out in the void as two figures fell to the ground.

“Yin Yang Buddha!”

“Silver Headed Ghost!”

Many experts yelled in fright when they saw the two figures. They were monsters whose fame rocked the Blazing Dragon World, and they were even more famous than You Ming of the Nether Spirit Palace!

It was evident that they were the ones challenging Huang Xiaolong’s authority previously! Now that the old dragon was here, there was nowhere for them to hide!
