Calling Me Daddy For The First Time

Rufus' POV:

Suddenly, I regretted my carelessness and didn't know how to clarify it.

Wasn't she the one who had asked Arron not to call me Daddy? But her mind had become slow now. She wouldn't understand what I said. Maybe she would assume that I lied to her again.

Reining in my frustration, I looked at her with complaining eyes.

However, instead of feeling even a twinge of guilt, Crystal glared at me.
