### [Chapter 691 The Beginning Of The Wedding](#)

Sylvia's POV:

On the day of the wedding, I had wrapped a gift and was ready to leave for the venue with Rufus.

He wore his watch and glanced at the exquisitely packaged walking stick on the table. "Don't you want to take this with you too?"

Rufus nodded and didn't say anything else. He grabbed the wedding gift and we walked out together.

### [Chapter 692 The Bride's Resentmen](#)

Sylvia's POV:

I was a little surprised as this was the first time that Alina had wanted to talk to me in private.

True, we had issues with each other before, but we had never confronted each other in private.

Not wanting to have another confrontation with her, I tried avoiding her at all cost.

### [Chapter 693 The Same Gem](#)

Sylvia's POV:

Rufus always listened to me because he was my boyfriend, but why would Leonard cater my every need? What was she even talking about?

Although Leonard and I knew each other well now, he only treated me the same way an ordinary elder would treat a young person.

### [Chapter 694 Collusion With Evil Force](#)

Sylvia's POV:

It was none other than Noreen!

Immediately, I shouted at Rufus outside the door.

However, to my surprise, no one responded.

Alina sneered and said, "Just give up, Sylvia. No one can hear you. This place is isolated from the outside world."

Seeing Alina walking towards Noreen with ease, my blood boiled. It seemed that Alina brought me here today to kill me.

#### [Chapter 695 The Wedding Was In A Mess](#)

Leonard's POV:

Rufus and I were in a conversation in the corridor. As I watched the bustling scene outside, I was in a good mood.

Now that Alina was going to get married, she could look forward to a lifetime of happiness.

"You shouldn't eat sweets." Rufus looked very serious as he tossed the candy into the bin.

#### [Chapter 696 The Chaos](#)

Rufus' POV:

The figure in black ran really fast. As I chased it, I could see the hemline of Sylvia's dress fluttering in the air along with the shadow.

I shouldn't have left Sylvia with Alina alone!

Alina must be the one who set this up!

#### [Chapter 697 Strange Place](#)

Sylvia's POV:

I felt groggy as I slowly regained consciousness.

I wiggled my fingers feebly, feeling as if I were lying on a big soft bed.

My surroundings were bright, and dazzling sunlight streamed into the room. I shut my eyes, feeling quite uncomfortable.

#### [Chapter 698 The Black Witch Bloodline](#)

Sylvia's POV:

I was so angry that I burst into maniac laughter. That was a foolish thing for Noreen to say.

I was to blame for the black thorn on Rufus' back? Why didn't she just tell me that I was the descendant of a witch? It was ridiculous, as if saying that a vampire would faint at the sight of blood.

"What nonsense are you talking about? If you don't want to tell me, just let me go," I spurted out with a cold face.

### [Chapter 699 The Pas](#)

Sylvia's POV:

The fact that my mother had been bullied ever since she was a kid came as a surprise to me.

This was because she seemed to be a really courageous and strong woman to me growing up. She was always happy and brave.

### [Chapter 700 Feeding The Black Thorn](#)

Sylvia's POV:

Edwin's face flashed in my mind subconsciously. I frowned and said coldly, "I already know who he is, and he's actually not that important to me."
