The cruel truth hit me like a bolt of lightning.

[Chapter 703 No Taste](#)

Leonard's POV:

It had been a long time since I felt so weak and powerless. My body seemed to be giving up. Even my heart couldn't seem to beat properly.

Sensing that my breathing was slowing down, I woke up from my coma with a start.

When I finally came to my senses and my heartbeat returned to normal, I found myself lying in a bedroom.

As I looked at my surroundings in confusion, a figure approached me.

Leonard's POV:

The chicken soup spilled all over the floor and scalded Alina's hand. I immediately regretted my rash actions and felt guilty.

I didn't want to get angry with Alina, but she blatantly ignored my orders over and over again. Ever since Alina had come back from the capital, she had become more withdrawn and difficult to communicate with. This wasn't the first time that she had ignored my orders.

Last time, she threw a fit when I tried to arrange a marriage for her and even flipped a table in front of a group of elders.

"What have you done?" I asked in a trembling voice. How on earth was she able to kill Chet without anyone noticing? This meant that Sylvia might be in danger too!

[Chapter 706 To Kill Or Not To Kill](#)

Alina's POV:

Noreen's devilish voice echoed in my ears. Every word that came out of her mouth made me feel guiltier.

I trembled and didn't dare to look into my father's eyes. He must've been terribly disappointed. Perhaps he even regretted having a daughter like me.

I didn't dare to answer. I clenched my fists so hard that my nails dug into my palms.

[Chapter 707 The Confrontation Between Father And Daughter](#)

Alina's POV:

My eyes went wide in fear and shock. My first instinct was to throw the dagger away.

But Noreen held it in my hand tightly and said, "Think about it, Alina. Do you really think your father will just let you go after you did this to him?"

My mind was a complete mess and I couldn't help but ramble.

[Chapter 708 Family Or Enemy](#)

Leonard's POV:

My subconscious reaction seemed to have pissed Alina off even more. Her eyes turned red and she gnashed her teeth angrily.

[Chapter 709 The Dagger Of Sin](#)

Leonard's POV:

"No, it's not like that. Alina, you are mistaken. I have never wanted to get rid of you. Our pack is always your home and your support," I disputed her claims and clarified everything for her again.

[Chapter 710 Stab Into The Heart](#)

Alina's POV:

My father kept getting closer to me, his face grim. No matter how much I screamed, he refused to let

me go.

A violent buzzing sound filled my ears. I saw visions in front of me, all of them filled with angry fathers.

I collapsed, losing my last shred of sanity.
