

## It's Too Late To Get A Divorce by Coreal White Chapter 43

### Chapter 43

I said stop! Are you deaf or something? Have you lost your mind or do you just not have any self-esteem?" Jaydon pushed Alita's head with his hand. He was determined to not let her do such a thing.

Alita pushed his hand to one side and said sharply, "You'll die if don't suck the venom out."

"My life is none of your concern. Don't touch me with that disgusting mouth of yours, you hear me? Now, get lost!" Jaydon had a fierce look on his face. He was determined to not let Alita do something as dangerous as sucking the venom out of his wound.

Outside the house, Kim and Annabel came back after a walk. When they saw a blood trail from the stairs all the way into the house, they immediately knew something was wrong. They quickly ran into the house.

When they saw a pool of blood in the living room, and the two people who looked like they were going to start a fight, both Kim and Annabel were dumbfounded.

What the hell happened?"

Jaydon." Annabel felt terrified and quickly ran up to Jaydon. She thought Alita was the one who caused Jaydon to be in such a state, so she pushed Alita away forcefully. When she saw the wound on Jaydon's leg, she couldn't help but tremble in fear. Tears trickled down her cheeks. 'What happened, Jaydon?"

Jaydon didn't have any time to explain. "Stop Alita. Don't let her get near me."

Annabel looked at Alita, who was climbing off the ground, and shouted, "What did you do to my brother, you ruthless

b\*itch?

She rushed over, grabbed Alita's shoulder, and slapped her.

Just before the slap landed on Alita's face, a big hand grabbed Annabel's wrist. Kim stood in front of Alita. "Calm down. Alita can't be responsible for the wound on Jaydon's leg. Take a closer look."

When Kim walked into the house, he first saw the blood on Alita's pajamas. He had thought that Jaydon had beaten her, but he then saw the wound on Jaydon's leg.

"Thank god you're back. Help me pin Jaydon down. He was bitten by a snake. If we don't suck the venom out now, he'll die, Alita pushed Kim from behind and said desperately.

Annabel panicked once again. "Wh-What? Bitten by a snake?"

"That's right. He won't let me suck the venom out. That's why he was trying to push me away. Annabel, Kim, you need to pin him down right now," Alita said desperately as she grabbed their arms. Her slender hands were trembling a little because of

fear.

Only then did Annabel realize that she had wronged Alita. She turned around and walked up to Jaydon. "Jaydon, let Alita

treat you."

"Shut your mouth. Drag her back to her room." Jaydon was gradually losing his consciousness. However, his voice was still domineering

Alita knew that Annabel was scared of her brother, so she looked at Kim, who was standing to one side and nudged him. "Kim, you're stronger, you go

Kim looked at Alita and his eyes flashed. "Do you know the consequences of your actions? You'll be poisoned as well. If anything goes wrong, you'll die as well."

'Is she really going to risk her life for this man?' wondered Kim. If she married Jaydon because she wanted money and

power, then all of that would be gone if she dies."

"I know. He's my husband. I must save him." Alita looked very determined.

"Kim, let Alita help Jaydon. Quick, he's dying!" Annabel shouted when she looked at her brother and saw that he was dying.

Alita lowered her head earnestly. "Please, let me save him. I'll be fine."

Kim's heart sank to a level that he had never felt before. 'She was willing to die just to save Jaydon. Is she doing this because she's greedy or because she loves Jaydon?"
