

## Drama

It was Tuesday, Ashtray was finally coming to school. To be honest, i don't think Ash was coming for the play i think he just wanted to be with me.

it was around 6:00 am i got up early to make ash breakfast, once i was trying to get up and i felt a pair of arms pulling me in from my waist.

"y/n" ash said in a deep sleepy voice.

"where are you going" he said holding me tighter.

"ash let me go" i said trying to pull his arms o of me.

he made a noise instead of saying no and hugged me more putting his head against the top of my head.

"ash i got to get up"

"why" he groaned looking at the time.

I didn't want to tell him i was gonna make him breakfast cause in the first place i wanted it as a surprise.

"uhm, i got to take a shower" he so ly let go of me and i walked to the kitchen.

I made eggs, two eggo wa les for ash, bacon and co ee with my moms homemade whipped cream. once it it 6:30 ash came out rubbing his eyes trying to adjust to the light.

"who's this for" he said stretching.

"i made it for you" i said smiling putting the food on the table.

he came over and hugged me, it was a long hug. his hugs always make me feel safe.

He sat down scarfing his food.

"you don't want any" he said finish up his food.

"no, no" i giggle.

once he finished me and him walked to the bedroom to change our clothes.

and we hopped in the car.

"are you sure you wanna go to school"

"that breakfasts made me sure" he said leaning back into the seat. I laughed.

We made it to school. me and ashtrays schedules were a little di erent because i took advanced math.

ashtray walked into his math class and sat down, someone came and sat next to him.

"hey ashtray" Gia said with her arm up on the desk resting her head on her hand.

"yo" ash replied.

"so,uh. what bring you here"

"y/n"

"y/n made you come to school" gia got loud

"i wouldn't do that if i were your girlfriend" she said winking at him.

"yup okay that's it, have a nice day" ash said getting up skipping class in the bathroom. <sup>6</sup>

It was lunch i walked into the lunch room holding ash's hand, and there were so many people giving us. well me, looks.

i felt amazing knowing ash was my boyfriend.

We sat down next to lexi.

"lexi this is my boyfriend ashtray, ash this is my sister lexi"

"sup" ash said.

"hey, glad i could finally meet you, now time to get down to business" lexi said right away.

"business?" ash questioned.

"the play" i looked at him

"oh, right"

Lexi explained what the play was about to me and ash.

"so we skip the rest of the day to rehearse" ash said happily.

"yup a er lunch you and y/n meet me on stage" lexi said

i looked over at ash and smiled.

sooner than we thought lunch was over, me and ash walked to the high school auditorium.

and lexi handed us the script, we went through the script and ash smiled.

"you okay" i laughed

"are you even reading" he smiled.

" i read it"

"i get to kiss you in front of everyone"

ash kissed me while i was laughing.

"your ruining the moment" Gia said walking in.

"gia?" i questioned.

" i just wanted to let you know" gia said getting into my face.

"i like ash and i think i should play your part"

" excuse me" i said standing up

lexi came in at a perfect time saying "um ashtray and y/n you can go home looking at this. <sup>3</sup>

awhile a er we got home i went straight to our bedroom.

"y/n, wait!" ash said. he chased me into the bedroom.

"do you like gia back?" i questioned ashtray

"what? no! of course not!" he said laughing.

i looked back at him "why are you laughing"

"because i don't like her"

"your laughing because you don't like her?"

fez walked in and said "if you gonna keep fighting with ash i need you out"

"if 'I'M'!? starting things" i got up.

"no y/n don't listen to him" ash said grabbing my arm.

"i'm gonna go out to eat" i ran to the car and started it. <sup>3</sup>
