

## Living In Cloud 9

---

\*bang bang\*

I jumped up and looked out my window.

It was fez, so i rolled the window down once the sun got in my eyes i felt blind.

"rise and shine"

"what time i it i said putting my hand over my eye.

" what are you doing sleeping out in here, ma"

fez said opening my door and picking me up,

at this point i couldn't tell if i was up or not.

fez brought be into the room ash was in.

"shit" ashtray said getting out of his seat

fez put me on the floor and pulled ash out of the room.

"yo ion know what happened man, but she was sleeping in her car outside of the store, this ain't my mess to clean" Fez said walking away.

Ashtray walked back in the room and put me in a seat. "y/n what happened" he said putting his hand on my thigh.

"my mom. she. kicked me out" i said crying

ash just sat there looking at me.

"why didn't you tell me" he hugged me.

I was sobbing because of how stupid it was.

"cassie a hoe why doesn't she say any" my words were stopped by hearing rues voice i got up and ran and hugged rue while ashtray followed me.

"did you know my sister went partying last night" rue said

"i'm sorry i invited her" i said wiping my tears

"why the hell are you sorry, you look like you need to smoke.

"yeah" i said

"no" ashtray bumped in the conversation

rue pulled out a pack of cigarettes "ion got any weed so here's this" she put the cigarette in my mouth and lit it.

my tears were all gone something about smoking man. fez just stood there quiet while ash looked pissed. "i think me and y/n gotta go home" ashtray said pulling down my dress because it was messed up.
