

## Keep A Love Profile, Sir! Chapter 18

### Chapter 18 Toast

Dayana dressed beautifully appeared behind Galilea, holding a few girls who were also dressed gorgeously. She looked surprised, as if she had seen something that should not appear here.

Galilea did not expect that Dayana would be here.

Besides her and her sisters, there was an even more unexpected person.

That person was Micah's good friend, his name was Jasper Armstrong.

Galilea had seen him a few times in his two years of marriage with Micah, but Galilea was not familiar with him.

Jasper frowned and looked at Galilea who was wearing a sling dress. He hesitated and asked.

"Galilea, are you... working here now?"

He deliberated over his words, but they still stabbed into Galilea's heart.

Yes, the young miss of the Frankie Group in the past had fallen to such a state today.

Who was the one who had caused all this?

Seeing that Galilea did not speak and seemed to have agreed tacitly, Jasper's heart sank. He stepped forward and stood between Mr. Walter and Galilea.

"Galilea, does Micah know that you are here?" :

"Mr. Armstrong, I have divorced him now. Does my ex-husband have to know my whereabouts?"

Jasper paused. Their matter had caused a storm in the city, so he naturally knew about it. He was about to say something, but Dayana directly interrupted. "Galilea, even if you lack money, you can't come here to work. How much money do you need? I can lend it to you directly, but if you work here..." "Miss Quincy, we are not an indecent place. What do you mean by that?"

The manager directly interrupted Dayana.

If Galilea really did not work here, wouldn't the news she had released today make the entire Brook Villa in trouble?

II

Galilea sneered.

“You don’t have to pretend here. Didn’t you recommend me to come here, Miss Quincy?”

Dayana didn’t expect that Galilea would directly expose her in front of so many people, and her face instantly turned ugly.

Several of Dayana’s close friends saw that she was defeated and looked at each other.

“Alright, since Miss Frankie is working here, how about we order her?”

Mr. Walter, who was at the side, saw that the meat in his hand was about to fly away, how could he let it go?

“Sigh, first come, first served. Ms. Lee, you can’t be unreasonable.”

“Mr. Walter, of course, we know the principle of first come, first served. We don’t really want to steal your Cindy, but we can order her to accompany us together...” A meaningful expression flashed across the faces of those women.

Mr. Walter paused at first, and then his greasy face suddenly showed excitement and greed.

“You are naughty! You are really Miss Quincy’s friend. Well, I agree!” Ms. Lee did not expect that these people would have such thoughts. Even she, who was used to seeing storms and waves, looked at Galilea with pity. How could Galilea not understand the thoughts of these people? It was clear that they were humiliating her.

“Are you crazy? Don’t regret it when things get out of hand! Galilea, you really let Micah down...” Jasper choked.

After saying that, he looked at Galilea angrily and turned to leave. When Dayana saw Jasper leave, she knew that she had achieved her goal. She just wanted everyone around Micah to look down on Galilea!

At this time, she no longer pretended to be concerned and looked at Galilea with ridicule. “Cindy, isn’t it good that you get two sets of income at the same time? Think about it carefully. Oh, maybe you can’t think about it. The customer is God, don’t you think so, Mr. Walter?” Mr. Walter laughed and looked up and down at Galilea, wishing to make a move now. “Miss Quincy is really knowledgeable! You are right. Cindy, come in with us.” As he spoke, he even reached out to pull Galilea. “Sigh, Mr. Walter, don’t be in such a hurry. I think it would be better for Cindy to give you a toast first.” Dayana reached out to stop Mr. Walter with a smile that was not quite a smile, hinting at

something. Mr. Walter was stunned for a moment, then reacted, "That's right, that's right. Cindy still owes me a glass of wine!" Sitting in a wheelchair, Galilea watched this scene and sneered in her heart, She knew exactly what these people were thinking and how much Dayana wanted her to make a fool of herself.

Since that was the case, what was wrong with fulfilling their wishes? Galilea used force to stand up from her wheelchair. Her speed was very slow, and she firmly walked towards Mr. Walter.

This action stunned everyone present.

"Mr. Walter, I offer you a toast."

Galilea walked in front of Mr. Walter, raised the champagne in her hand, and clinked with the glass in Mr. Walter's hand with a crisp sound. Mr. Walter was stunned on the spot and did not react for a moment. Galilea did not want him to really react.

"Miss Quincy, and you. I really have to thank you for recommending me here." The golden wine directly poured down from Dayana's head.
