Chapter 44 The Rivera Family Calls Off The Marriage

The members of the Lang family were utterly disgusted by what they heard.

No one spoke on their way back. Even the driver looked crossed.

They only had contempt for the Thompson family for all those despicable acts.

The Thompson family was just downright shameless. Did they feel any guilt when they did those things?

The Lang family was sure that the Thompson family sure didn't. If they did, then they wouldn't have done so.

"You really can't judge a book by its cover. I didn't expect the Thompson family to be so morally dishonest."

Mrs. Lang's face was ashen.

She thought for a moment and thought of Isabella Thompson, whom she had met five years ago. Then she thought of the baby in the video who had been separated from her by Mrs. Thompson.

Mrs. Lang couldn't help but have some thoughts about her biological daughter when she saw with her own eyes how her daughter was swapped.

However, Isabella was already dead.

"She's already dead." Tears welled up in Mrs. Lang's eyes, and her heart ached faintly.

Ethan Lang and Jason Lang also had grim expressions.

Mrs. Lang said, "I must stop Sammy and the Thompson family from interacting. Even if they are Sammy's biological parents, it's better not to have such malicious biological parents."

Jason glanced at his mother.

Actually, a thought popped up in his head, but he couldn't just say it out loud...

He also hoped that his guess was not true.

He and Ethan looked at each other in tacit understanding and did not say anything.

When they returned home, Samantha Lang was already there. Surprisingly, the Rivera family was also there as well.

"Dad, Mom, Big Brother, you're all finally back. Mr. Rivera and Mrs. Rivera have come."

Samantha immediately greeted them.

Mrs. Lang looked at her pitifully. Ethan nodded at her and walked towards the Rivera couple.

The Rivera couple also stood up and walked over. Mr. Rivera said, "We should have informed beforehand that we are visiting. Please excuse us..."

Ethan stared at him and said, "We've many years of friendship. There's no need to stand on ceremony. When have you not come whenever you want? When have we not gone to yours whenever we want to?"

These words made both families laugh.

While they were busy chatting, Samantha held her brother's arm and said, "Big Brother, where did you all go? I called the company, but all of you weren't there either."

Jason glanced at her and said directly, "We went to the place where the Thompson family used to live. We have to find out if the video we found online is real."

Jason stared into Samantha's eyes.

Samantha's expression changed, but her eyes still appeared magnanimous and worried. She looked straight at Jason. "Big Brother, did you... find anything?"

Her expression was not abnormal at all. Jason said with a complicated expression, "The Thompson family had been mistreating Isabella Thompson. Moreover, the video is authentic."

Samantha's face turned pale.

"Big Brother..." Samantha looked at him in fear.

Jason patted her shoulder comfortingly and said, "Sammy, they are them and you are you.

"The reason why we went to investigate the matter this time is that we don't want you to be implicated they are your biological parents, you should stay away from them if they have malicious intentions pale face. Then she heard
