

## Kick Ass Wife 94

### Chapter 94

Isabella glanced at him from the corner of her eye. If that person was looking for the Miraculous Doctor, he might really be able to find him within a certain period of time.

She sipped her tea and listened to them quietly.

General Sanders said, "Killing Carlos is only the last resort. Our main goal is still to deal with Ghost, but Ghost is too mysterious, and the Clan Mobius is just as mysterious as well. They are also related to foreign forces, so they are not easy to deal with."

Draxton nodded.

"It's about time, sister-in-law. prescription please."

Connor stood up and looked at Isabella.

Isabella was drinking tea and did not realize that he was talking to her.

Connor frowned. "I won't be taking it for free..."

At this moment, Isabella suddenly reacted. She held her teacup and looked at the tall Connor, then at the regal and noble Draxton. She asked, "You... are older than Draxton?"

Connor still looked serious and cold. He nodded. "One month and three days, five hours, thirteen minutes,

and seven seconds."
