Chapter 1191: The Truth Is Revealed

Lu Zhixi took out the silk handkerchief, wiped her tears and said softly, "Cai Yu, no matter who did this, Chen Jiancheng and Feng Yunqing are both dead now. And it is even after you and I went in. If people investigate thoroughly, it will affect you. So, the only way now is to make Xi Yue take this charge."

She stepped forward and grabbed the young man's hand for the first time. She pleaded earnestly, "Cai Yu, I don't want anything to happen to you, so we can only let Xi Yue bear this crime. You know what I mean?"

There was a chill in Cai Yu's heart, but the girl's earnest eyes made his heart turbulent.

Everything is going in the direction that I don't want to see the most, but can I say everything?

No, absolutely not!

So, I should let Xi Yue die? I should let Xi Yue take the charge of murdering his classmates?

There was pain in Cai Yu's eyes. For the first time, he began to hate what he had done.

Miracle Healer Academy Cafeteria.

Miracle Healer Academy of course had a cafeteria that sold spiritual food, otherwise if everyone relied on cultivation and medicinal pills to fill their stomachs, it would be too hard.

Therefore, although the cafeteria here was not too prosperous, there were still countless students entering and leaving every day.

After Zhang Chong came to the cafeteria, without hesitation, he activated the recording talisman with spiritual power.

It was noon at this time, and there were always students coming and going in the cafeteria.

Many people were still indignantly discussing the deaths of Feng Yunqing and Chen Jiancheng, clamoring to punish Xi Yue for killing.

But suddenly, a bright light appeared above the center of the canteen.

Then, in the originally empty air, the scene of the jungle field began to play.

The images recorded by the Shadow Calling Stones had figures, so when images were reproduced, there was naturally sound.

A man's voice quickly resounded in the cafeteria, "Xi Yue?! How... how come there are so many medicinal pills?"

Appearing in the image were Chen Jiancheng and Wang Hai lying on the cliff above the valley.

The perspective of the image also switched with the vision of Chen Jiancheng and Wang Hai, and it finally landed slowly at the bottom of the valley.

There, a handsome boy was wiping the sweat off his face while opening the pill refining furnace.

What appeared in the pill refining furnace were dozens of medicinal pills with transparent color.

Just by looking at the shape and color, everyone could tell that they were the five spiritual pills?

The people watching this scene in the cafeteria were stunned. Some people couldn't help shouting, "Didn't they say that the five spiritual pills were brought in by Xi Yue cheating? Isn't... isn't this clearly refined by Xi Yue himself?"

"Moreover, more than 30 grade 4 medicinal pills were made in one furnace, and he was using the low grade pill refining furnace. How superb is Xi Yue's pill refining level?"

Just now everyone was cursing Xi Yue collectively, but at this moment, they were all shocked by the content played in the image.

No one would suspect that the image was fake. Even a refine master couldn't fake an image record, not to mention, it was so flawless.

However, the shock this video brought to them did not end at all.

Immediately afterward, Chen Jiancheng and Wang Hai in the video began to plan how to snatch Xi Yue's medicinal pills and kill her.

They taunted the poison spiritual bee, led poison spiritual bee to Xi Yue and wanted to make Xi Yue die in an accident.

Chapter 1192: Something Bad

Fortunately, Xi Yue was very vigilance.

When she saw the poison spiritual bees were chasing Chen Jiancheng and Wang Hai, everyone in the cafeteria let out a burst of happy laughter.

Someone couldn't help but said angrily, "It turns out that Chen Jiancheng is such a scum. He not only stole someone else's result, he even murdered his teammate. Even if this kind of person died, he deserved it."

"Wang Hai too. He was the one who plotted against Xi Yue first. It's right for Xi Yue to stand by and watch him die.

Before these people's speculations were finished, they saw Chen Jiancheng come to the river. Seeing that the 2 were about to be overtaken by poison spiritual bees, Chen Jiancheng let Wang Hai die for him and climbed up.

Afterward, when Chen Qiaoying and others came over, Chen Jiancheng lied to them. And... everyone else believed Chen Jiancheng's nonsense and accused Xi Yue.

It was like everyone who was watching the image at the moment.

The voice of discussion gradually faded. Although the image was still playing, everyone looked at each other with shame and remorse on their faces. They didn't even dare to look up to face the handsome young man in the image.

Zhang Chong looked at everyone's reaction, and a smile finally appeared on his face.

He wiped the tears from his eyes and murmured, "Little Yi, brother can finally do something for you!"

Academy Student Council's office space.

Lu Zhixi sat at the top, glanced at the officers sitting below with a bit of solemnity on her face, and sighed softly, "I believe everyone has heard about the accidental death of Chen Jiancheng and Feng Yunqing. The incident has already had a huge impact on Miracle Healer Academy, making everyone feel uneasy, lest they will be the next."

"I have already investigated with Deputy President Cai. Before Chen Jiancheng and Feng Yunqing died, no one had visited. That proves that they were not killed after being put in prison, but when they were fighting with Xi Yue. At that time, the root cause had already been planted."

"We have never had such a blatant crime in the academy, so we must investigate this matter thoroughly. Xi Yue's murder motive is sufficient and he has the most suspicion, so I, in the name of the Academy Student Council's president, now request to put him in jail to wait for his trial. Does anyone have any opinion on this?"

The officials below, except for the haggard-faced Cai Yu, all nodded, Ren Xueling was even more excited, "We should have dealt with this damn Xi Yue long ago. If we let him continue to do whatever he wants at Miracle Healer Academy, will our Academy Student Council still have face..."

Before Ren Xueling could finish speaking, the office door was slammed open.

A young man rushed in with panic, and he said while panting, "President, deputy president, something... something bad happens!"

Lu Zhixi frowned. She was displeased that the matter she had been looking forward to was interrupted.

Ren Xueling even said angrily, "Didn't you see that it's an important meeting time? Why did you run in rashy and say something bad happened?"

The young man didn't seem to hear Ren Xueling's words at all. He just looked at Cai Yu with a panicked look, then he swallowed and said, "President, deputy president, the cafeteria... the cafeteria is now in an uproar. About Xi Yue's cheating, the matter has now... spread out. Everyone is calling deputy president to give an explanation..."

Chapter 1193: Infuriated

Lu Zhixi's brows twitched suddenly. She stood up abruptly, and she almost lost control of her facial expression, "What do you mean? Make it clear!"

Cai Yu's body shuddered heavily, but then he seemed to be relieved. He made a desperate and relieved smile on his face.

The same thing happened in the elder meeting.

Because of the death of Feng Yunqing and Chen Jiancheng, the elders and the branch deans were discussing on how to handle Xi Yue.

Elder Qin strongly demanded that Xi Yue be imprisoned for inspection. He believed that the deaths of Feng Yunqing and Chen Jiancheng were absolutely inseparable from Xi Yue.

Zeng Shouyue naturally strongly objected, "You said that they were killed by Xi Yue, what evidence do you have? If there is no evidence, don't even think of arresting my student!"

The opinion of the elders was also divided into 2 factions. Some agreed that Xi Yue should be arrested first while others believed that a thorough investigation should be carried out first.

Elder Qin said with a sneer, "I have long felt that Xi Yue's performance in the assessment was strange. It was because of this rat that we had many accidents in this assessment. The death of Chen Jiancheng and Feng Yunqing is definitely the case. He planned it long ago to silence their mouth. Such a vicious person, I will never agree to let him continue to move freely in the academy!"

But the elders' opinions had not been unified, so the boy in green clothes hurried in, "Master, Master! Something big happens in the cafeteria!"

Elder Qin and others hurried to the cafeteria. They saw a group of students gathered around. Each of them was with righteous indignation. Almost everyone was talking about Xi Yue.

He just hurried over before he could hear Ah Qing's words. When he saw everyone was talking about Xi Yue angrily, he immediately said angrily, "Did you see, Xi Yue is just a rat. Let him stay in the academy..."

Before the words of Elder Qin were finished, the image in the air played again and again.

The clear replay of that scene stunned all the elders present, and it also made Lu Zhixi and Ren Xueling, who had just arrived, look pale. They almost fell down.

Elder Qin regained his senses and said angrily, "Who put this up? Who is it!"

Zhang Chong walked out of the crowd slowly, holding the activated recording talisman in his hand. His face was pale, but his eyes were very clear and persistent, "Elders, deans, I played this image."

"Who told you to play it?!" Elder Qin slapped him angrily, "Did you collude with Xi Yue? You deliberately broadcast some forged evidence for him, and you even incited your classmates. You people are so disgusting! You still don't want to admit your cheating and hurting your classmates? You must be expelled, immediately expel!"

Zhang Chong staggered when he was beaten, and the image of the recording talisman also disappeared. Blood flowed out from the corner of his mouth.

But he bit his teeth and immediately input spiritual power again, and the image in the air appeared again.

Elder Qin was trembling with anger. He was about to slap Zhang Chong to death when he suddenly found that the surroundings were eerily quiet.

All eyes were on him, with suspicion, scrutiny, and disapproval.

Even those students looked at him with no respect anymore, and more of them were indignant

Elder Qin suddenly panicked, and Zhang Chong had stood up from the ground at this time. His voice was clear and authentic, "Everyone knows that I was the invigilator of Chen Jiancheng, so I knew what he did in the Illusive Forest."

[The King of Hell's Genius Pampered Wife](#)

Chapter 1194: Guilty

"I hated what he did at the time, so I recorded this image with a recording talisman, hoping that Chen Jiancheng would not be so arrogant."

"But I didn't expect that these images would become the only evidence to prove Xi Yue's innocence. Because Deputy President Cai is my benefactor, I once did not want my testimony to bring disaster to him, but... this time I really can't remain silent!"

Zhang Chong gritted his teeth and raised his head to look at everyone around him, "Xi Yue is innocent. His talent, his demeanor, are beyond the reach of all the other candidates. He didn't cheat, let alone letting his peers die without helping. On the contrary, he almost sacrificed his own life in order to keep them alive!"

"Why would such a person cheat? Is it necessary to cheat? How could such a person bother with Chen Jiancheng and Feng Yunqing, the 2 useless rats. Why would he need to kill them?! Do you still believe that kind of speculation after watching this image?"

Everyone was a little excited. They nodded in agreement with Zhang Chong's words.

Elder Qin said angrily, "Zhang Chong, do you know that copying the contents of the recording stone without authorization and revealing the secrets of the academy will be severely punished! I'll give you another chance. Did Xi Yue let you forge this image?"

"It doesn't matter, I've already gone all out!" Zhang Chong suddenly raised his voice, "I dare to promise with my life that the image I released is absolutely true. Elder Qin, do you dare to release the recording stone in the hands of Deputy President Cai Yu?"

"All the survivors' recording stones will be inspected by the elders. Especially you, the chief invigilator of this assessment, Elder Qin. I don't believe that none of you found out that Xi Yue was wronged!"

As soon as these words came out, there was an uproar in the audience.

If everyone's attitude toward Elder Qin was just skeptical, now it had become a question filled with righteous indignation.

The Miracle Healer Academy assessment, known as the fairest, turned out to be such a shady scene. Allowing other students to frame an amazing genius, how... how terrible was this incident?

Elder Qin looked around. His body trembled with fear, and his clenched palms were full of cold sweat.

He shouted sternly toward the boy in green clothes behind him, “Ah Qing, arrest this man who disturbed the order of the academy immediately! Hurry up!”

“Wait!” Zeng Shouyue took a step forward and said coldly, “Elder Qin, are you guilty? We haven’t figured it out yet, how can you arrest this kid?”

“Zeng Shouyue, do you have to go against me?! What does this have to do with you?!”

Zeng Shouyue smirked and said, “Why not? Did you forget? This Zhang Chong was expelled from Heaven Medical Branch a few days ago and is now under my Huang Medical Branch. Since he is a student of Huang Medical Branch, he is my people. How is it not related to me?”

Elder Qin’s face turned pale, and the other elders also looked at him with doubts.

Li Chengqun of the Heaven Medical Branch even said coldly: “Elder Qin, you’d better explain this matter clearly! If you have reviewed all the recording stones, it is impossible that a student is falsely accused! Are you really framing Xi Yue on purpose?”

[The King of Hell's Genius Pampered Wife](#)

Chapter 1195: Admit

“No... no... I’m not...” Elder Qin stepped back in panic and said incoherently, “This image must have been forged by someone. Cai Yu... Cai Yu, don’t you know what his character is? How could he... How could he do such a thing... Xi Yue must have forged the image!”

Zeng Shouyue sneered and said, “We will know whether it is fake after Dean Huang checks it? Dean Huang is a master in forging and talisman. If he can’t judge that the image is fake, then it must be true. By the way, since we have to check, I think it would be better to check all the recording stones of the candidates in this assessment, right?”

Elder Qin staggered and almost fell down. His face was pale.

Dean Huang, who was named, touched his beard and walked forward calmly. He took the recording talisman in Zhang Chong’s hand and checked it, then he shook his head decisively and said, “These images do not show any signs of alteration. They are real records.”

Dean Huang’s words made the little bit of hope in Elder Qin’s heart vanish in an instant, and he sat down on a chair.

There were only 2 words in his mind: It’s over!

After confirming the authenticity of the image, everyone’s attention turned to the Academy Student Council.

In this incident, Elder Qin could only be considered an accomplice at most. The person who really did such a nasty thing was the invigilator of the Academy Student Council.

And he was the deputy president— Cai Yu, who was once admired by everyone at Miracle Healer Academy.

After the crowd, Lu Zhixi, Cai Yu, Ren Xueling and others slowly stepped forward.

Ren Xueling was full of resentment and deep concern for Cai Yu.

Cai Yu's face was pale and his steps were unstable, but there was a faint smile on the corner of his mouth that seemed to give up everything.

Lu Zhixi walked at the front. Her eyes were flickering. When she stopped, a dark and decisive light flashed in her eyes. She finally made up her mind.

Because of Zhang Chong's announcement of the recording stone, everyone was outraged by what Cai Yu did in the entrance assessment this time.

However, seeing his appearance at this time, many people's hearts were filled with disbelief and intolerance.

That was Cai Yu, the gentle and helpful Academy Student Council's deputy president.

He had a high cultivation base and a high position, but he never bullied others. Many people had received his help. Even in the minds of some students, the prestige of the Cai Yu Cai deputy president was even higher than that of President Lu Zhixi.

Such Cai Yu, would he really do such a dirty thing?

Ren Xueling was even more anxious. She glared at Zhang Chong and said angrily, "Zhang Chong, have you forgotten how Brother Cai Yu helped you before? How can you repay your kindness like this? Did Xi Yue ask you to do it? That's why you framed Brother Cai Yu like this?"

Zhang Chong's eyes were red when he saw Cai Yu, and he couldn't help but cry, "Deputy president, I... I'm sorry for you..."

"Don't say it anymore." Cai Yu interrupted Zhang Chong's voice gently, revealing a wry smile, "Zhang Chong, you've done enough for me. It's me who should say sorry."

After finishing speaking, Cai Yu looked at all the students around and said in a low but clear voice, "I admit that it was me who changed Xi Yue's written assessment results. I know Xi Yue's talent. I saw the process of her pill refining and the process of saving people, and I deliberately pretended not to see it. I did all this, and I'm willing to accept any punishment."

Chapter 1196: Voluntary

Now, when it was finally exposed, he actually felt a sense of relief.

As soon as Cai Yu said this, the entire cafeteria was in an uproar again.

Some people said in disbelief, "Cai Yu, we trust you so much in the Academy Student Council, is this how you manage students?"

"I still don't believe that Deputy President Cai would do such a thing! Do you have any difficulties!"

Ren Xueling remembered her complaints against Cai Yu at the beginning and when Cai Yu made up his mind, she cried heavily.

She complained Xi Yue with Cai Yu with the intention of letting Cai Yu drive Xi Yue out of the Miracle Healer Academy.

But she never thought that doing so would make Cai Yu be condemned by everyone.

Ren Xueling cried, grabbed Cai Yu's arm and said, "Brother Cai Yu, is it because I told you what Xi Yue did to senior sister..."

Before Ren Xueling could finish her words, she felt a hand on her shoulder, preventing her from continuing.

Lu Zhixi looked at her with calm and sad eyes, but there was a hint of determination that was difficult to detect, "Xue Ling, you shouldn't be involved in this. Chen Gang, take Xueling back first."

One of the officers of the Academy Student Council who was standing behind Lu Zhixi immediately stepped forward and took Ren Xueling out of the cafeteria while comforting her.

At this time, everyone in the cafeteria's condemnation of Cai Yu had reached its peak.

The most resentful was Dean Li Chengqun of Heaven Medical Branch, "Cai Yu, you are also considered an elite in Miracle Healer Academy. Don't you know the consequences of doing these things? Not to mention you exchange the grades of Xi Yue and Chen Jiancheng, you even lied about Xi Yue's talent in refining pill and framed him for cheating. How much grievance does Xi Yue have with you? You want to frame him like this?"

Cai Yu shook his head with a wry smile, "I didn't know Xi Yue at all before this assessment."

"Then why on earth are you doing this?"

Cai Yu glanced at Lu Zhixi and saw that Lu Zhixi was looking at him pitifully.

He felt pain in his heart. He secretly thought: What he did was voluntary and had nothing to do with Zhixi. Why should I tell the truth to implicate Zhixi?

Thinking of this, Cai Yu closed his eyes and said with shame, "I changed the assessment papers just because I was jealous. Seeing that Xi Yue answered almost all the questions right at a young age, if he entered the academy, he would steal my limelight."

"What?!"

"Just because of jealousy?! How can you do such a thing?!"

"Cai Yu, we are so disappointed in you!"

The students' and teachers' accusations drifted into his, making Cai Yu look even more shameful.

However, Lu Zhixi breathed a sigh of relief, and a faint smile appeared on her mouth again.

Li Chengqun slammed the table beside, and he said, "So you also framed Xi Yue for cheating because of jealousy?"

Before Cai Yu could say anything, Elder Qin suddenly stood up and said angrily, “Cai Yu, I didn’t expect you to do such a thing. You’ve made this year’s entrance examination a mess. You don’t need to say anything more. Put him into the dungeon and wait for the result of the sentence!”

Chapter 1197: Instructed By Elder Qin

Elder Qin was about to order his disciple to arrest him, but Zeng Shouyue took a step forward and sneered, “Elder Qin, didn’t you just say that the recording stone was forged by Xi Yue? Why do you say that everything is Cai Yu’s fault now? Shouldn’t we listen to Cai Yu’s explanation?”

Elder Qin’s face turned pale. He wanted to speak, but Zeng Shouyue’s hand was on his wrist, and the pressure of spiritual power made him unable to say a word.

Cai Yu took a deep breath. Without any hesitation, he said solemnly, “After the results of the second assessment came out, I was really jealous of Xi Yue’s outstanding talent and I also concealed her talent in pill refining, but I didn’t think of framing Xi Yue for cheating. Because no one knows better than me that those five spiritual pills are really made by Xi Yue.”

“However, Elder Qin suddenly found me, and he asked me to tell the investigating elder that I monitored Xi Yue all the way and never saw him refine any pill. Moreover, he also took Xi Yue’s recording stone and extracted the footage that would be unfavorable to Xi Yue.”

“You—! You liar!” Elder Qin jumped up anxiously, “Cai Yu, you dare to talk nonsense. I will slap you to death right now!”

However, before Elder Qin jumped up, he was restrained by Zeng Shouyue.

Zeng Shouyue half-smiled and said, “Elder Qin, you seem really desperate. Can’t you just let Cai Yu finish his words?”

Huang Dean, who was in charge of forging, appreciated Cai Yu’s talent the most. He couldn’t help asking, “Cai Yu, do you mean Elder Qin instructed you to frame Xi Yue and her from the Miracle Healer Academy? Do you have evidence? Besides, why did Elder Qin do this?”

Cai Yu looked mad, but he glanced at Elder Qin in fear before saying slowly, “I heard that Xi Yue and the Feng Family have a deep hatred. Moreover, there is one thing, the students who participated in the assessment that day all know. When Xi Yue was trapped in the Illusive Forest and her life or death was unknown, many students hoped that Xi Yue could survive, but Elder Qin insisted on closing the teleportation array early. It seemed like he wanted Xi Yue to die immediately.”

“I can also testify about this!” Zhang Chong immediately stepped forward and said, “The assessment still have a few hours before ending and Xi Yue’s recording stone was still intact. It just couldn’t be activated. But Elder Qin wanted us to close the teleportation array. We even went into conflict with Xi Yue’s servant.”

Soon, the freshmen in the cafeteria, He Jiang and He Jieyun, also stood up and testified.

Elder Qin’s eyes were full of anger and fear, and his voice was stuttering, “You... you all... I’m an elder...”

Cai Yu said in a low voice, “Xi Yue’s recording stone is still in Elder Qin’s hand, and Xi Yue’s inscribed jade slip has not broken. As long as the inscribed jade slip is activated, the recording stone will sense it even if it is kept in the storage bag. Elder Qin, do you dare to deny this fact?”

Elder Qin screamed “ah”, staggered and fell on the chair again. His rapid and messy breathing indicated his fear and despair.

This time, everyone understood that what Cai Yu said was true.

Zeng Shouyue sneered and said with a frosty face, “So, you also caused the death of Chen Jiancheng and Feng Yunqing? And you want to blame Xi Yue for their deaths?”

[The King of Hell's Genius Pampered Wife](#)

Chapter 1198: The Real Murderer

“No! It’s not me!” Elder Qin was shocked when he heard the words, and he shouted anxiously, “You can go check it out. I... I have never been in the dungeon and I’m not qualified to enter the dungeon. How could I kill these 2 people?”

Framing someone for cheating and killing someone to silence them were 2 different things. Even if it was confirmed that he had framed Xi Yue for cheating and disrupted the assessments of Miracle Healer Academy, he would at most be kicked out of the academy.

But if it was confirmed that he killed someone, he would definitely be severely punished by the Miracle Healer Academy. At that time, let alone the possibility of cultivation abolishment, he might not even survive the punishment.

Thinking of this, Elder Qin’s voice became even more anxious, “I’ve been refining pill in my room for the past few days. Ah Qing and my other disciples can testify. I definitely didn’t kill them!”

Zeng Shouyue and Li Chengqun confirmed from Ah Qing and others that Elder Qin did not leave the room or go to the dungeon.

He definitely couldn’t kill them.

However, it could never be Xi Yue?

Zeng Shouyue resolutely said, “Xi Yue has never done those things at all, so the reason for killing them is naturally untenable. Besides, if Xi Yue wants to kill them, wouldn’t it be more reasonable and less suspicious for Xi Yue to kill them in the practice match?”

Everyone nodded when they heard the words.

After so many things, a fool could see that Xi Yue was a victim.

Elder Ji, who was in charge of punishment, frowned and said solemnly, “Since it wasn’t done by Elder Qin, investigate one by one. Who had been in the dungeon during this time and who poisoned Feng Yunqing and Chen Jiancheng? If someone is suspicious before and after Feng Yunqing and Chen Jiancheng were poisoned, investigate that clearly. I don’t believe that I can’t find the real murderer!”

Saying that, Elder Ji snorted coldly with a fierce gaze, "Dare to commit murder in my Miracle Healer Academy, simply tired of living!"

Cai Yu's face suddenly turned pale. He looked at Lu Zhixi with worry in his eyes.

But to his surprise, this time Lu Zhixi didn't look at him. Instead, she looked indifferent like it wasn't related to him. There was even a slight smile on her face.

Just when Cai Yu was astonished, a short man with a quirky appearance suddenly walked out from behind Lu Zhixi.

Cai Yu recognized him. He was Jiang Zhongcheng an officer who just joined the Academy Student Council last year.

Jiang Zhongcheng had the word "loyalty" in his name, but his personality was cunning. He was good at seeing the wind. He was somehow valued by Lu Zhixi half a year ago.

Although Cai Yu was not worried, he would not object to such a trivial matter.

So why does Jiang Zhongcheng want to do at this time?

Jiang Zhongcheng bowed to a few deans and elders before saying with a complicated look, "I don't know if I should say this. It's about the death of Feng Yunqing and Chen Jiancheng."

Elder Ji said immediately, "Say it!"

Jiang Zhongcheng glanced at Cai Yu, gritted his teeth and said unbearably, "The night before Feng Yunqing and Chen Jiancheng died, I once saw Deputy President Cai went to the dungeon."

"What?! Is this true?"

Jiang Zhongcheng looked at Cai Yu with guilt, "Deputy President Cai, don't blame me. Just like Zhang Chong, although I don't want to hurt you, but my conscience won't let me lie. I can only be frank about this matter."

Elder Ji's eyes were shining as he glared at Cai Yu, "It's really you who killed Feng Yunqing and Chen Jiancheng?"

Cai Yu blurted out, "Of course not, I definitely didn't kill anyone!"

Before Elder Ji finished speaking, Jiang Zhongcheng sighed and shook his head, "Deputy President Cai, it has already come to this point, stop being stubborn anymore. We can call the guard of the dungeon and ask whether you had been to the dungeon that day."

Cai Yu's face turned pale, and he said in a trembling voice, "I had been to the dungeon, but I... I went to refine pill... I have been refining pill there all the time. Everyone knows it."

Jiang Zhongcheng sneered, "Deputy President Cai, I know you haven't been able to calm down to refine pill for several days. Why did you suddenly feel in the mood to refine pill? And just the day after you went, Chen Jiancheng and Feng Yun Qing were dead, isn't this too coincidental?"

Elder Ji's face turned gloomy, and he said to the boy beside him, "Call the guards of the dungeon immediately!"

Soon, the guards of the dungeon were called over. When they heard the question, they immediately said, "Yes, Deputy President Cai has indeed been to the dungeon."

Another guard hesitated for a moment and said, "Moreover, the prison head said that Deputy President Cai did not go to the place of pill refining immediately, but he went to the dungeon where Feng Yunqing and the others were staying for a while."

"Cai Yu, what else do you have to say?!" Elder Ji was furious. He looked at Cai Yu with cold gaze, "How dare you kill people in Miracle Healer Academy? You're so bold!"

"No, I didn't! It's really not me!" Cai Yu looked at Lu Zhixi in a panic. His eyes were full of pleading and helplessness, "Zhixi..."

He hoped that Lu Zhixi could clarify for him.

If he just framed Xi Yue, he would at most be kicked out of Miracle Healer Academy or be expelled to the Huang Medical Branch, but if he killed students for no reason, the punishment was not something he could bear.

Lu Zhixi's long eyelashes trembled. There seemed to be sadness and disappointment in her eyes, "Cai Yu, you really disappointed me so much. I believed in you so many times. For you, I asked for a petition to expel Xi Yue, but I didn't expect you to even kill the students. Cai Yu, is this how you repay my trust?"

Lu Zhixi's words made Cai Yu's body tremble violently. His whole body swayed gently, and he was almost speechless.

He felt that he must have heard it wrong. He thought it was just a dream.

Lu Zhixi, my goddess, the girl I like, how could she say such a thing? She knows that I didn't kill them. She knows that I did it for her, but she ruthlessly pushes him into the abyss of hell!

No! No! How could this be the Fairy Zhixi in my mind?

How could this be the goddess I had admired for so many years?

But soon, everything was brutally shattered like a dream.

People from the Academy Student Council gathered around to comfort the crying Lu Zhixi, and Jiang Zhongcheng even said, "President, it's not worth being sad for this kind of person. Because of him, our Academy Student Council's reputation has been ruined now. President, you've done enough for him. You don't have to care about this kind of scum in the future!"

"Yes, he even killed his classmates. It makes me horrified to think that I was working with him. Fortunately, his evil deeds have been discovered now. I believe the elders will definitely make a public judgment."

Lu Zhixi wiped away her tears, stepped forward, slightly bowed towards Elder Ji, Li Chengqun and others, and said in a sobbing tone, "Zhixi is incompetent and didn't manage my subordinate properly.

The Academy Student Council actually had such a ruthless person. This even implicated Xi Yue. Zhixi really has no face to face the elders.”

The King of Hell's Genius Pampered Wife

Chapter 1200: Hopeless

Elder Ji still had a good impression of this God’s favored pretty girl. Hearing this, he immediately comforted her warmly, “This matter is caused by Cai Yu’s own jealousy. It has nothing to do with you Zhixi, so you don’t need to blame yourself for this kind of person.”

Only then did Lu Zhixi stand up, showing a pale and weak smile.

Elder Ji coldly looked at the hopeless Cai Yu and Elder Qin and said coldly, “Okay, now that the truth is out, this is the end of the matter. Elder Qin failed to do his duty in supervising the entrance assessment and framed student; all his duties will be removed and his elder privilege will be deprived. The Elder Council will decide his stay or leave.”

When Elder Qin heard the words, his face turned ashen and he collapsed onto the chair.

This meant that the result of his expulsion from Miracle Healer Academy had been confirmed.

“As for Cai Yu!” Elder Ji’s eyes were like lightning and his voice seemed to be ice-cold, “Because of jealousy, he disturbed the normal assessment, framed his classmate for cheating, and he even killed for fear that the incident would be exposed. The evidence is conclusive. According to the rules of the academy, Cai Yu will be exiled to the Spirit Extinct Valley. He will not be able to return without a summon!”

“What? Spirit Extinct Valley?!”

“And there is no set return period?”

“Isn’t... isn’t this the equivalent of putting Cai Yu to death?”

Everyone gasped when they heard the words.

Spirit Extinct Valley was one of the forbidden places of Miracle Healer Academy. Not only there was no spirit in it, but it was filled with evil spirits, which could erode the dantian and meridians of martial artists.

Moreover, the people who were once expelled to the Spirit Extinct Valley had either died long ago or they had become madmen with ruthless and irrational nature. It could be said that no normal person could survive in the Spirit Extinct Valley.

Cai Yu was expelled to the Spirit Extinct Valley. Even if he didn’t die, he would definitely become a waste or he would be even more miserable than death.

When Cai Yu heard the words, he was in despair. He slowly closed his eyes and said nothing.

There was a saying that it was worse than death when one has nothing to live for.

Huang Dean couldn’t bear it, “With Cai Yu’s talent, he should have done a lot. Isn’t such punishment too heavy for him?”

Elder Ji snorted coldly, "Talent can't be used as an excuse for making mistakes! If he committed murder, then he should pay for it. Does Huang Dean still want to plead for him?"

Soon, someone stepped forward to take both Cai Yu and Elder Qin away.

Huang Dean followed quietly and stopped Cai Yu before he was about to be sent into the Spirit Extinct Valley, "Cai Yu, tell me, did you really kill Feng Yunqing and Chen Jiancheng?"

When Cai Yu heard this, he couldn't bear it any longer. 2 lines of hot tears rolled down, "Dean Huang, if I said I didn't do it, would anyone still believe me? No, no one will believe me anymore!"

Dean Huang sighed. "Your forging talent is one of the best even in the entire Miracle Healer Academy, especially your forging direction is so special. I originally hoped to train you to become a talent and finally send it to the upper realm, but I didn't expect such a thing would happen."

Cai Yu bowed his head in shame. His tears dropped on the ground drop by drop, and he sobbed, "Dean Huang, I'm sorry to let down your high hopes. I did things that went against my conscience for the unworthy person, but I was thrown away like a garbage. If I have another chance to choose..."

"What? What does it mean for the unworthy?"

Cai Yu shook his head with an ashen face and said nothing. He walked toward the enchantment of the Spirit Extinct Valley.
