

King of Hell 1491

Chapter 1491: Good Way

As for the others, even if they had the same surname as Nangong, they had nothing to do with him!

The image on the Nebula Dew Mirror disappeared, and Qing Long moved the treasure back.

Butler Nan looked at his master's indifferent face, but he felt pain in his heart.

Although Master didn't show any emotion, I knew that the master is once again more disappointed with that family.

When Old Master and Madam were killed, Young Master was still a naive child.

Before, he would laugh and make trouble, but in the blink of an eye, he IS as cold as ice. He no longer shows other expressions on his face.

While Young Master was hiding his strength and pretended to get along well with the Feng Family, he also wants to investigate the truth about the deaths of Master and Madam.

For so many years, before meeting Miss Xi Yue, Young Master had never really smiled happily.

Now that Young Master is finally able to marry Miss Xi Yue, the Nangong Family actually wants to meddle in his marriage. They even got him a fiancée with ill intentions.

It's like they don't want Young Master to have a good life at all.

Nangong Yu squinted suddenly, tapped his fingers on the table, and suddenly said in a deep voice to Qing Long who just came in, "I have a task for you."

Qing Long bowed and listened to his orders. After Nangong Yu finished his words, Qing Long opened his mouth slightly, showing a shocked expression.

Butler Nan immediately smiled delightfully. He immediately said, "Young Master, this is a good way! Just let everyone know that you are going to marry Miss Xi Yue. When the time comes, the marriage has been done. Let's see what kind of trouble can the people of the Nangong Family with malicious intentions make."

Qing Long gave Butler Nan a complicated look. He couldn't help complaining secretly in his mind: You only know that this is a good way to deal with Nangong Family, but you don't know that Master hasn't even successfully proposed yet.

When the news of the marriage is spread to everyone, the princess...

Qing Long shuddered, but he bowed his head and went to execute the order.

===

After returning from the magical beast forest, Hexi's days returned to a rare calm.

The amount of books in Miracle Healer Academy's library really surprised her, especially the materials on medical skills and pill refining. They could make up for her lack of foundation and experimentation.

Moreover, Hexi always felt that those academy elders were treating her inexplicably well now.

They let her read the books for free, use the spirit stones for free, vacate the best pill refining room for her, and even assign the elite elders and branch deans to teach her every day.

One day, just after the class, Dean Huang couldn't help but excitedly said, "Xi Yue, a genius like you should come to learn how to forge weapons! How can you be a pill refiner? It's really a waste of talent! If you learn about forging, you will definitely become the best forge master!"

Hexi had a headache while listening to Dean Huang's nagging.

This was not the first time that Dean Huang asked her to change to forge weapons. Uhm... It should be said that this was not the first elder who asked her to change to learn other skills.

For some reason, after unlocking the first level of the wood source, Hexi found that she was learning quickly and easily now.

But she has always known that skill lies in proficiency rather than the number of skills. For her, the most important and most interesting thing was always the art of healing and poisoning.

Chapter 1492: Congratulations

As for other skills such as forging, array, and planting, she only seemed to know a little superficially. First, it would help her medical skills. Second, they would also have a life-saving effect at critical moments.

As Dean Huang was talking excitedly, Li Chengqun's angry voice suddenly came from the side, "What are you talking about? Xi Yue's talent in array is obviously better. Xi Yue, listen to me, if you want to give up medical Skills and pill refining, come and learn array from me. I have never accepted any disciple. You are the first one! What is there to learn in such boring forging skill!"

Dean Huang had always been the best tempered, but when it came to forging, his temper immediately exploded, "Your temper is bad like a cow. Why are you accepting disciple? Xi Yue will be ruined if he follows you..."

Hexi looked at the 2 deans who were arguing like children, pressed her aching temples, and quietly backed away.

As soon as she turned the corner, she breathed a sigh of relief. Then, Wei Chengyuan's laughter came into her ears, "It seems that being too popular is not a good thing!"

Hexi rolled her eyes at him angrily, "It seems that you have been very idle recently."

Wei Chengyuan touched his nose with a smile and took out a jade box for her.

Hexi raised her eyebrows, "This is?"

"It's... a new year gift from Venerable Hui Yue." Wei Chengyuan paused with a deep smile. "Venerable Hui Yue also specifically said that this gift is not considered as a reward for your life-saving grace, but as an elder's gift. Please accept it."

Hexi opened the jade box and took a look. Inside was a delicate and beautiful purple jade hairpin. It had a luster. Complicated array runes could be faintly seen.

Hexi's mouth twitched. What does Venerable Hui Yue mean? Knowing that I'm now disguised as a man, he even gave me a girl's accessory. No matter how beautiful this purple jade hairpin is and how powerful the defensive array is, it is of no use to me.

Wei Chengyuan couldn't help but poked his head to look at her, but Hexi had closed the jade box with a "snap" before Wei Chengyuan saw it.

Wei Chengyuan wondered, "What is it? So mysterious! Venerable specifically told me not to open it casually. Xi Yue, can't you let me see it?"

Hexi glared at him. As she was about to speak, Lu Zhixi in a pink dress walked over gracefully not far away.

Seeing this woman, Wei Chengyuan immediately frowned with a disgusted expression.

After returning from the magical beast forest, Lu Zhixi was inexplicably absolved of her crimes. She was able to stay in Miracle Healer Academy like nothing happened.

Moreover, Lu Zhixi, who came back, seemed to be a different person.

In the past, no matter what her insides were like, her appearance was always dignified and beautiful like a noble fairy. People could only watch her from a distance.

But now Lu Zhixi exuded a seductive and enchanting aura with every gesture. She had seduced many young students in Miracle Healer Academy.

At this moment, several elites from the 4 upper courtyards surrounded her. As long as Lu Zhixi gave a wink, they would be overwhelmed with excitement as if they would die for her.

Lu Zhixi glanced at Hexi with a hint of deep jealousy in her eyes, but a soft smile evoked on her face instead, "Student Xi Yue, congratulations."

Congratulations? Hexi raised her eyebrows.

Wei Chengyuan said directly in disgust, "Lu Zhixi, what are you planning again?"

Chapter 1493: Marriage News

Lu Zhixi glanced at Wei Chengyuan and sneered with pity and sarcasm, "Brother Wei, you stay by Xi Yue's side with all your heart, but you don't know that he doesn't like you at all."

"Although he is a man, he has high aspirations. Now he even hooks up with His Royal Highness King of Hell. Mister... Xi, am I right?"

Hexi frowned slightly, "What do you mean by that?"

Lu Zhixi smiled enchantingly, winked at the men around her, and said with a sneer, "Xi Yue, are you pretending to be stupid in front of me now? Nangong Yu actually wants to marry you, a toy boy, at all

costs. He even announced your marriage news to the entire Miluo Continent. Are you happy now? Are you proud of getting His Highness King of Hell?"

"However, you never think that if Nangong Yu married a man, what kind of laughing stock would he become? You disregard the ethics and ruin Nangong Yu's reputation. How dare you walk around in the Miracle Healer Academy like nothing happens? Even I'm ashamed of you!"

All the men around Lu Zhixi blushed. Although they agreed with Lu Zhixi's words, no one dared to say anything more.

Xi Yue had established absolute prestige in Miracle Healer Academy, even if they didn't completely surrender to her, few people dared to embarrass her face to face. Those who were severely slapped in the face in the past had taught them enough lessons.

Hexi was also taken aback by the words. Her expression froze for a while.

Marriage news spread throughout Miluo Continent? What the hell is this?

===

Siam Continent Divine Moon Palace.

Venerable Hui Yue listened to his subordinate Wei Jianxing's report, and he said with a half smile: "I never thought that the Feng Family, which the Dark Night Clan put so much effort into supporting in the lower realm, would be wiped out so easily by that brat of the Nangong Family." Yes. Hehe, I already had a high evaluation of him, but it seems that he is much more powerful than I imagined."

"Should I say that he really deserves to be the son of Nangong Aotian?" Venerable Hui Yue said and shook his head with some emotion, "If there was no Nangong Aotian back then, the Nangong Family would have been a bottom-level existence in Siam Continent. They were even lower than the Feng Family that was the vassal of the Dark Night Clan. Now the Nangong Family is falling again, but this Nangong Yu is rising unexpectedly. Even I can't see through him. He is really unfathomable..."

Yan Xiao, who looked rough and unsuspecting, smiled and said, "Who cares if this brat is unfathomable or not? Anyway, he doesn't fight against us. We only need to watch the Dark Night Clan make a fool of themselves. I wonder how long can they wipe their ass clean. Hahaha..."

Wei Jianxing coughed lowly, interrupted Yan Xiao's rude words, and continued: "There is another news. Nangong Yu from Miluo Continent released the news that he is about to marry Xi Yue of the Miracle Healer Academy as his wife. I heard that the Nangong Family in Siam Continent is furious over this. Especially because Nangong Hua originally wanted Nangong Yu to marry Yun Jingxue from the Yun Family."

Venerable Hui Yue smacked his tongue and said dissatisfiedly, "Why is Nangong Yu so quick? I still want to introduce that little girl to my Zhen'er! Why did he announce the marriage before I could think of a way to break them?"

Wei Jianxing coughed again and again. Venerable, is it really okay for you to say so brazenly that you want to break up the couple?

Chapter 1494: Marry A Man?

Venerable Hui Yue is still dissatisfied, “Where is Zhen’er? I asked him to go down to Miluo to meet that little girl Xi Yue. Did he do that? Where did he go?”

Wei Jianxing rubbed his nose and smiled, “Venerable, Master Zhen said that he found a place to practice, and he has been away from the Divine Moon Palace for more than a month. Well, Master Zhen said that he is not interested in women, and he told... told you not to worry about it.”

Venerable Hui Yue called out “bastard” angrily, then he was taken aback and said with some hesitation, “Wait, when Nangong Yu announced the marriage news, did he mention whether Xi Yue is a man or a woman?”

Wei Jianxing was startled, then he murmured after a long while, “No one will think that the wife Nangong Yu is going to marry is a man... right?”

No one in Siam Continent knew who Xi Yue was, so naturally they didn’t doubt whether she was a man or a woman. As for Venerable Hui Yue, they already knew Xi Yue’s identity as a woman.

However, Wei Jianxing thought of Miracle Healer Academy. It seems... almost everyone in Miluo Continent has acquiesced that Xi Yue is... a man?

This... Thinking of the expression on the face of the Nangong Family when they thought Nangong Yu was going to marry a man, Wei Jianxing couldn’t help but burst out laughing.

Then the Divine Moon Palace erupted into loud laughter, which confused the guards outside the palace.

===

The magical beast forest in Miluo Continent could be said to be the largest mountain range in the entire continent that spanned several countries.

In the northernmost corner, there was an inconspicuous small town named Huanan.

Huanan City was unknown to many people in the entire Miluo Continent. It was located in a remote place and did not belong to any country. The population was even more pitiful. The total number of people was less than a thousand, but few people know that this was the base of the Nangong Family in the lower realm.

They didn’t have any big tasks. Their purpose was to get intel in the lower world and report it to the Nangong Family in the Siam Continent. The most important news they wanted to investigate was about Nangong Yu.

The person in charge of guarding Huanan City was none other than Nangong Xin, who had the lowest cultivation level in the Nangong Family and was considered the most useless.

Nangong Xin was the younger brother of Nangong Hua with the same father and mother. Nangong Hua was handsome and tall while Nangong Xin was like a short winter melon. Not to mention he was ugly, he even had fat all over his body.

If he wasn’t at the Nascent Soul Stage early stage, with those sneaky mung bean eyes, he looked no different from a profiteer full of fat.

It was late afternoon at this time. The sun was shining outside. The palace was also bright.

But in the city lord's sleeping hall, there were ecstasy crashing sounds, panting sounds, and moaning and crying that made people blush.

"Third Master, lightly~lightly... ahhhh! It's too fast! Third Master, please spare me—!"

On Nangong Xin's huge bed, a middle-aged man who was like a ball of meat pressed tightly against the body of a handsome young man. He kept banging the young man and making roars like a beast.

With tears on the young man's face, he lay prone on the bed, moaning in pain and joy.

After a long time, Nangong Xin let out a loud cry, finally satisfied, and fell on the young man with a look of contentment.

The young man burst into a sweat on his bead. The stinky liquid and the smelly breath made the young man frown in anger, hatred and disgust, but he quickly suppressed it.

Nangong Xin's weight was at least 200 catties. After being pressed by him for a long time, the young man could hardly breathe.

Chapter 1495: Nangong Xin's Toyboy

He showed a pitiful expression and said in a weak voice, "Third Master, you are so powerful. Bing'er almost couldn't stand it. Can you let Bing'er go now?"

Nangong Xin had already intended to end it, but when Nangong Xin saw his lustful look, his desire was soaring again.

After about 300 rounds, there were hurried footsteps followed by a knocking on the door.

Nangong Xin was infuriated for being interrupted, "Get lost!"

This group of people is really getting more and more annoying. They dare to disrupt me when I was having fun. When I'm done, I will remove all these useless things.

Unexpectedly, the person who knocked on the door not only did not retreat, but he said anxiously, "Third Master, open the door quickly. It is a letter from Second Master, and it is very urgent."

As soon as Nangong Xin heard that it was the letter from his second brother in the Siam Continent, he didn't dare to neglect it.

He was able to enjoy such lustful life and rich resources due to the indulgence of his second brother.

Otherwise, with his Nascent Soul early stage cultivation, even in Miluo Continent, there were many people who were stronger than him, how could he be so carefree?

Nangong Xinchu crawled off the bed with his heavy body. The fat all over her body was shaking.

After getting off the bed, Nangong Xin stretched out his hand to touch the young man's back and said with a lustful smile, "Little fairy, wait for me to come back. I will definitely satisfy you."

After saying that, with a big belly, he slowly walked out of his bedroom.

The servant who sent a letter to Nangong Xin couldn't help but look into the room.

Smelling the stench that filled the room and looking at the naked young man, he couldn't help showing a contemptuous expression.

It's fine that the Third Master of the Nangong Family doesn't like women and likes young men, but he even indulged in sex every day. It's really embarrassing for the Nangong Family. No wonder Master threw him to the lower realm.

After Nangong Xin and the servant left, the young man who was lying on the bed slowly got up.

The pitiful, well-behaved and docile look on his face just now had long since disappeared without a trace. His cold eyes stared at the direction in which Nangong Xin disappeared with deep loathing.

If there were people from Miracle Healer Academy here at this time, they could identify of this young man at a glance.

Tong Bing, the boy who the entire Miracle Healer Academy thought had died in the magical beast forest, unexpectedly appeared in the city lord mansion in Huanan City. He even became Nangong Xin's toyboy.

===

In the conference hall, a middle-aged man in green clothes bowed to Nangong Xin casually and handed him an inscribed jade slip.

Miluo and Siam Continent couldn't communicate with each other with ordinary communication talismans. Treasures such as Nebula Dew Mirror, there weren't many of them even in the Siam Continent.

And this man in green clothes, named Zheng Luo, was Nangong Hua's confidant. His strength had reached the early stage of the Soul Splitting Stage, so he could break through the barrier between the continents and deliver the letter to the Miluo Continent.

Nangong Xin shook his fat body and sat down on the chair. He was very dissatisfied with Zheng Luo's inattention when facing him. Isn't it just a dog of my second brother? What are you acting so arrogantly?

Nangong Xin read the inscribed jade slip with Divine Sense, then he frowned.

The order in this inscribed jade slip was very simple. It actually asked him to investigate Nangong Yu's fiancée, but it even let him to ruin the marriage between Nangong Yu and his fiancée? Isn't this asking me to court death?

Chapter 1496: Terrifying Nephew

Doesn't second brother know that what I fear the most is that cold nephew? It is even more frightening than when I see second brother.

Nangong Xin couldn't help thinking about the past.

At that time, Nangong Yu was only 16 years old and had just advance to the Gold Core Stage.

Nangong Xin took a fancy to a manservant of Nangong Yu and wanted to rape him forcibly. In the end, Nangong Yu saw it. He launched his flying sword and chased Nangong Xin for the entire continent.

The point was that Nangong Yu was only at the Gold Core Stage, and Nangong Xi was already at the Nascent Soul Stage, but he couldn't fight against Nangong Yu at all.

He was slashed several times on his body. In the end, he knelt down and begged for mercy. He even brought out Nangong Xin's mother to barely force Nangong Yu to stop.

After that, Nangong Xin never dared to provoke his terrifying elder nephew. Even the surveillance tasks ordered by Nangong Hua could only be carried out secretly.

It had been a long time since what happened back then, but thinking about it now, Nangong Xin felt that the old wounds were aching.

Thinking of this, Nangong Xin's attitude toward Zheng Luo was very bad, "Second brother only gives this order? He only knows that Nangong Yu is going to marry a person called Xi Yue, and he has no other information? How do you want me to find this person? What's more, even if I found this person, will Nangong Yu listen to me?"

It is better not to be able to find anything so that I don't have to confront that lunatic Nangong Yu.

Zheng Luo said indifferently, "Don't worry, Third Master. Second Master had ordered me to stay in Miluo Continent and assist Third Master at any time."

That is to say, the investigation must be done and the marriage must be ruined?

Although Zheng Luo said he would stay, Nangong Xin was not happy at all. Nangong Yu had already left a deep trauma in Nangong Xin's mind, which made him feel that even Zheng Luo, who was at the Soul Splitting Stage, might not be able to save him from Nangong Yu's sword.

When Nangong Xin returned to his bedroom, his face was still sorrowful. He had no intention of indulging in sex.

He just frowned with distress and displeasure.

"Third Master, what's the matter? Did someone make you angry?" The young man's soft and slightly hoarse voice came from beside his ear.

Nangong Xin waved his hand irritably, but he did not speak.

A dark light flashed in Tong Bing's eyes. His slender body squeezed into Nangong Xin's arms, he hugged Nangong Xin's thick and short neck, and he praised and comforted several times in a gentle and tender voice.

Originally, Nangong Xin would not tell these things to his toyboy, but this young man gave him harmless feeling, which made him relax his vigilance unconsciously.

Listening to Nangong Xin's narration, Tong Bing's face became more and more surprised, then it was twisted by jealousy and anger.

King of Hell Nangong Yu wants to marry Xi Yue? Isn't he a man like me? Is Nangong Yu's brain trampled by a magical beast and becomes an idiot?

Besides, doesn't Xi Yue already have a lover? He not only seduces Xuan Mu, but he even seduces King of Hell Nangong Yu?

Wait, in the confinement space of the magical beast forest, when Xi Yue's lover was swept away by the teleportation array.

The skin on his face seemed to be cracked, as if... a mask had been torn apart.

Could it be that the high cultivation but unremarkable bodyguard and lover next to Xi Yue is the King of Hell Nangong Yu?

Tong Bing gritted his teeth with hatred when he thought of the rumored Nangong Yu who was unparalleled handsome and had unfathomable cultivation.

Chapter 1497: Dogshit Plot

Why? Why? As men, I'm no worse than Xi Yue. I'm even more dedicated, kind and pure than Xi Yue, but Xuan Mu and Nangong Yu will only look at Xi Yue. And I... can only be trampled by this fat pig?

Tong Bing took a deep breath, slowly covered up the resentment on his face, and then frowned. He looked at Nangong Xin with a naive look, "Third Master, are you sure you are not mistaken? The person King of Hell Nangong Yu wants to marry is Xi Yue? He won't be the Xi Yue I'm thinking right?"

Nangong Xin was taken aback, "What? Bing'er, you know Xi Yue? Tell me quickly, which family she is from? I have been in Miluo Continent for so many years, why haven't I heard of any family with the surname Xi?"

Tong Bing bit his lips hesitantly.

Under Nangongxin's urging, Tong Bing said, "If the Xi Yue that Third Master mentioned is the Xi Yue I know. Then...then Xi Yue is not a woman, but a man. Are you sure, Third Master? How could King of Hell marry a man?"

"What?!" Nangong Xin jumped up from the bed, "You said Xi Yue is a man? How is this possible?!"

Tong Bing seemed to be scared by Nangong Xin. His eyes were slightly red, and he said with a sobbing and sad voice, "Third Master, Bing'er has always been very grateful to you for picking Bing'er back from the magical beast forest. Otherwise, Bing'er would have died tragically in that forest long ago. Does Third Master want to know who caused Bing'er to end up in a miserable state?"

What Nangong Xin cared most about now was whether Nangong Yu was going to marry a man or a woman, so he wanted to scold: I don't care who harmed you as long as I have enough fun with you.

But when he saw Tong Bing looking at him with tears in his eyes, he still restrained himself and said, "Who hurt you?"

"It was that Xi Yue!"

As soon as Tong Bing said this, Nangong Xin was taken aback, "What do you mean by that?"

“Third Master, I was originally a student of Miracle Healer Academy. Then, I discovered Xi Yue’s misbehavior. He obviously had a lover, but he still flirted with the man in his dormitory, and even he had sex with him.”

“I originally wanted to expose Xi Yue, but Xi Yue found out. When we were training, he set me up with a trap in the magical beast forest. If Third Master didn’t help me, I would be dead for nothing.”

Nangong Xin’s face was sluggish. The dogshit plot completely exceeded his expectations.

I thought Nangong Yu would marry a beautiful lady from a great family, but he is actually going to marry a man? What’s more, the man is such a ruthless and promiscuous person?

Tong Bing wiped his tears. His body trembled slightly as if he couldn’t bear the pain of being framed. He said in a choked voice, “Now that I heard what Third Master’s words, I finally know that Xi Yue’s lover is King of Hell Nangong Yu. No wonder he wanted to kill me; no wonder he was so afraid of being exposed about his scandals. If His Highness King of Hell knew about his scandal, His Highness King of Hell might not want him.”

Nangong Xin regained consciousness. Listening to Tong Bing’s words, his mung bean eyes became brighter and brighter.

I was still worrying about how to separate Nangong Yu and his fiancée.

In the end, the fiancée is not a woman, but a “man”?

Chapter 1498: Laugh Out Loud

Haha, our Nangong Family is a respectable family. Of course it doesn’t matter if we play with men, but who dares to marry a man? Isn’t this making the Nangong Family a joke in the entire Immortal Realm?

In this way, not to mention that Nangong Hua will not agree to the marriage, even the old lady and everyone in the world will not let Nangong Yu do it.

If I release the news that the man is flirtatious and promiscuous again, the marriage will be over without me ruining it.

Nangong Xin really got more and more excited as he thought about it. He grabbed Tong Bing’s hand and asked, “Is it true?”

Tong Bing nodded again and again, “I used to live in the same dormitory as Xi Yue, and no one knows him better than me, so how can I make a mistake?”

“Third Master, Nangong Yu is your nephew. You have saved Bing’er’s life. How can Bing’er let your cousin be deceived by such a person? Xi Yue, he... hooks up with any man. How can such a person be worthy of His Royal Highness King of Hell?”

“Okay!” Nangong Xin became happier the more he listened. He said, “We will go to Miracle Healer Academy and meet this man whom my nephew chooses.”

Tsk tsk, Nangong Yu would be fascinated by a man? I heard that he is even 17 years old, which is my favorite type. If I can play for a while, I wonder how wonderful is it.

Didn't Tong Bing say that he is promiscuous? I believe that as long as I show my identity as one of the Nangong Family, he will obediently lie on me. As long as he thought of playing Nangong Yu's person, his blood was boiling.

Tong Bing looked at the greed in Nangong Xin's eyes, and a sharp and crazy light flashed in his eyes.

Back then, he wanted to devour Xi Yue's spiritual power and talent, but Xi Yue devoured his vitality instead.

When he was left to die in the magical beast forest, everyone thought he was dead.

A few days later, a beastkin that had just transformed passed by him, thinking that he was a student of Miracle Healer Academy. He had heard that Xi Yue from Miracle Healer Academy was the savior of the beastkin clan, so he kindly treated him.

Tong Bing devoured his beastkin power and vitality without hesitation at the time of life and death.

Although he took advantage of the beastkin's kindness again, Tong Bing felt that he was still kind and pure. After all, beastkins and humans were different. Only a vicious person like Xi Yue would be ruthless to him, but Xi Yue treated the beastkins better.

However, Tong Bing was seriously injured. Even after devouring the little beastkin's vitality, he was still weak. He fled to the edge of the magical beast forest and passed out, but he was finally picked up by Nangong Xin.

When Tong Bing woke up, he found that he was being raped by this fat scum, Nangong Xin.

He was unwilling, resisted, and even called Brother Xuan Mu for help, but in the end, he still couldn't avoid a miserable fate. He hated Xi Yue even more for making him fall into such a fate.

So after waking up again, Tong Bing changed his previously resistant attitude. Instead, he flattered Nangong Xin.

He wanted to stay alive and become stronger. He must return to Miracle Healer Academy and take revenge on Xi Yue and those who bullied him and ruined him in Huang Medical Academy.

But now, the opportunity he had been waiting for for a long time finally arrived.

As long as he thought that Xi Yue would be raped by the scum, Nangong Xin, Tong Bing trembled with excitement. He almost couldn't help wanting to laugh out loud.

Chapter 1499: Act Before Informing

Nangong Yu was going to marry a man as wife.

This news swept through the entire Miluo Continent like a hurricane.

Who was Nangong Yu? That was the only 20 years old Nascent Soul Stage martial artist in Miluo Continent. He was the god of war known to everyone in the world.

Who was Xi Yue? If we were together years ago, some people might not know her.

But now, Shengde Hall's branches had opened all over the world. The best quality pills sold in Shengde Hall and Qingxia Sect had attracted many martial artists. Everyone knew that those best quality pills came from the young Miracle Healer Xi Yue.

And now, King of Hell Nangong Yu actually wanted to marry Xi Yue as his wife?

This... This was a jaw-dropping news.

The students and elders of the Miracle Healer Academy even wanted to find out more about it.

However, unlike other people who thought Nangong Yu was blind for wanting a man instead of a woman, the people in Huang Medical Branch felt even injustice for Hexi.

"Lu Zhixi, that black-hearted bitch, is now spreading rumors outside all day long, saying that Xi Yue seduces King of Hell Nangong Yu. She even says that Xi Yue is willing to be a lowly toyboy. Bah, is there anyone meaner than her in the entire Miluo Continent? She is just being jealous!"

Qian Dazhuang and the others gathered together in Hexi's small dormitory. They cursed angrily.

Zhang Yi clenched his fists and said angrily, "Why do people say that Brother Xi Yue seduced that King of Hell? It was clear that King of Hell wants Xi Yue himself."

"Yeah! With ur Xi Yue's talent and worth, does he need to seduce others? How many men and women are fond of Xi Yue in the Miracle Healer Academy! So what if he is King of Hell Nangong Yu? He is no better than our Senior Xuan Mu!!" This was said by Xi Yue's fan.

"But I think His Royal Highness King of Hell and Brother Xi Yue are a perfect match. As long as they like each other, what does it matter if they are both men." This person believed in love.

Hexi pressed her forehead. I'm already annoyed enough!

Jin Zeyu looked at Xi Yue and ignored the cursing of the people around. He whispered, "Xi Yue, is this true? If it is King of Hell's unilateral intention, I can find a way for someone to clarify."

Hexi frowned. Her mind was also overwhelmed.

When she heard Jin Zeyu's words, she thought for a moment and said calmly, "If there is only 1 person who I can live with for the rest of my life, this person can only be Nangong Yu."

Jin Zeyu's eyes flickered. He nodded immediately, "I understand what you mean."

After returning from the magical beast forest, Jin Zeyu did not leave Huang Medical Branch. He began to take charge of the Academy Student Council again. And Lu Zhixi was dismissed directly by Deputy Dean Jiang.

Therefore, he had great authority to control the academy's public opinion.

After Jin Zeyu and others left, Hexi took out the inscribed jade slip that Nangong Yu asked Boundless Blackmarket to send over. She showed an angry and funny helpless expression.

There was only one sentence in the inscribed jade slip. It wasn't words, but Nangong Yu's deep and magnetic voice as if it was blended with deep affection, "I only want to be with one person in this life:

hold hands until we get old, be husband and wife, love without doubt. Xi Yue, I want everyone in the world to know that that person... is you!"

"This bastard..." Hexi carefully put away the inscribed jade slip and murmured in a low voice, "It's clear that he acted before informing me. He doesn't want to give me the opportunity to reject!"
