Chapter 351: Leaving the Secret Territory

Momentarily, the flesh flew in all directions. The bones rumbled and rolled around on the floor.

In the hot and overgrown desert, the air reeked of blood for a short period of time. This caused the people to feel sick and heightened the magical beasts' excitement.

As time went by, Feng Yunjing's complexion became more and more unsightly. The spiritual power inside his body was beginning to run out.

And the people around him, the disciples of Liu Li Sect, were slowly dwindling.

Some of them were devoured by the magical beasts and others were taken by Feng Lian Ying and Nie Jinchen to act as a shield.

Even Feng Lian Ying and Nie Jinchen, who took so many of the disciples to use as scapegoats, were also becoming battered and exhausted.

Above all were Feng Lian Ying's clothes, which were originally used to showcase her elegant figure. Although they did have some defensive attributes, how could they possibly be enough to endure against the magical beasts? By now her clothes had already been torn into shreds by the magical beasts, showing faint traces of her underwear.

Most of the disciples of Liu Li Sect had already been injured or dead, leaving almost none left. Feng Yunjing was stuck in combat with the Rank 6 magical beast as the three Rank 4 magical beasts pounced towards Feng Lian Ying. These several people's spiritual power was almost used up.

Feng Lian Ying couldn't hold it anymore, she fell apart and shouted. "No--! No--! I don't want to die! Save me ah--! Nie Jinchen, don't you like me? Quick, save me!"*

Saying this, she grabbed Nie Jinchen and pulled him in front of her. "Quick, block the attack for me!"

Nie Jinchen's eyes flashed with extreme fear and shock, as he began to randomly swinging the long sword in his hand around.

However, one magical beast still managed to bite down on his left hand. The only noise he heard was 'ka ka' as piecing bursts of pain stabbed him. Nie Jinchen could feel the bones on his left hand breaking apart.

Meanwhile, another magical beast's bloody mouth came near his face.

The fear of life or death scared Nie Jinchen into freezing up. He wanted to call for help, he wanted to escape. But his whole body seemed to be rigid.

Aside from desperately waiting for his death, he could do nothing else.

He thought about how he granted whatever was asked for from Feng Lian Ying over these past ten years, how meek and subservient he was. Then he thought about how ruthlessly she just treated him.

At this moment, any love Nie Jincheng held for Feng Lian Ying completely vanished.

Except for undesired desire, the only feelings he had left over were a heart full of hate and ***** towards her. Ideas of trampling her filled his mind.

It seemed like, soon, the lives of Feng Lian Ying and Nie Jincheng were about to end, and Feng Yunjing wasn't faring much better either.

During this time, a thousand pounds were hung by a thread [1]. However, the scene before these three peoples' eyes suddenly changed.

There was no longer the scorching hot temperatures, the magical beasts' stinky breaths, dust-filled sky, and the foul smell that caused people to feel nauseous. Instead, it was replaced by the sweet smell of vegetation and a gentle breeze.

Feng Yunjing and the others looked all around, they found out that they were unexpectedly in the middle of a valley.

Moreover, the land form of this valley was awfully familiar. Wasn't this where these several people initially entered into Sealed Dragon Domain's Secret Territory?

This..... What's the matter with this? How could they have suddenly appeared in the middle of a group of magical beasts? Then, in the blink of an eye, leave the secret territory?

Feng Yunjing was both shocked and angry when he suddenly heard a shout.

"Ah— —! The Rank 5 spirit crystal I just won, I was clearly holding it in my hand. Why is it missing now?"

"I was clearly in Burning Heaven Realm just a moment ago, but in the blink of an eye I'm here now?"

The box full of spiritual fruits I harvested, it's value was millions of crystal stones worth of treasures. With great difficulty I was able to defeat the guardian beast in order to pick these fruits. How are there none left now?"

"In the end, who's done this? Why have we all been sent out?"

Chapter 352: Jade Body On Display

"Don't tell me that something suddenly happened inside Sealed Dragon Domain's Secret Territory, so it pushed us outside?!"

Everybody's tongues were wagging, their faces were filled with shock. But nobody was able to figure out what had happened.

Suddenly, someone's deep voice sounded out. "I feel as if this situation seems to feel as if somebody has gained control over the Secret Dragon Domain."

"What!?"

"How could this be!? Legends say this Secret Territory is the almighty martial artist's, how could it be controlled by someone else?!"

Feng Yunjing's face didn't appear nervous, he slowly took out a spirit pill and swallowed the Replenishing Spirit Pill.

But, something gloomy and dark flashed by his eyes.

Just now, he almost obtained the spiritual spring tree. But now, he failed through lack of a final effort and even lost dozens of Liu Li Sect's elite disciples.

This time, the loss Feng Family suffered could be said to be disastrous. Zijin Palace's inheritance wasn't obtained, in Hundred Herb Mist Feng Lian Ying lost popular feeling, and most importantly, they narrowly missed getting the spiritual spring tree. This time, he truly didn't know what to say when he returned!

It was just, how could he always feel as if all these acts were deliberately planned against Feng Family?

Just like the situation now, where they were thrown out of the secret territory. The martial artists before them also lost the weapons they had been carrying in their hands. And their dozen or so people were thrown into the middle of a crowd of magical beasts. They experienced nine deaths and were still alive [1], almost not making it out alive.

Could it be that someone truly got control over the secret territory?

If that's the case, who was able to obtain control over the Sealed Dragon Domain's Secret Territory? Could it be Nangong Yu?

No! Impossible!

Feng Yunjing's thoughts swept past this idea, immediately denying it.

What type of place was Sealed Dragon Territory, these martial artists in front of him only knew one and understood half [2]. But he, who was the person who held great political power inside Feng Family, was clear.

This sacred place had existed for a millennium. Every big influential family on Miluo Continent had been preparing for Secret Dragon Domain's Secret Territory to open for several hundred years.

In the event that someone was able to get control over Sealed Dragon Domain's Secret Territory, then how powerful was that person!?

If this type of person truly decided to oppose Feng Family, then how could they (Feng Family) possibly resist?

Just as Feng Yunjing was just thinking about such a person, he heard a cry of surprise.

In the blink of an eye, he saw Feng Lian Ying crawling up from the ground.

It's unclear whether it was due to the fact that she was roasted by the hot temperatures inside the barren desert or if it was due to the situation with the magical beast scratching her. But when she stood up, the clothes on her body, unexpectedly, completely fell apart and turned into a puddle of powder.

In a flash, Feng Lian Ying was no longer wearing any clothes causing her jade-like body to be put on display.

Originally, everyone was busy being angry over their lost weapons and asking why they had been sent out of the Secret Territory, so, nobody paid attention to Feng Lian Ying.

But everyone's gaze turned towards Feng Lian Ying after her shout just now.

Immediately, there were gasps of surprise coming all around, no sooner after one subsides another arises.

Most of all, all the low-level male martial artists looked up and down at Feng Lian Ying's fruit-like body as their eyes filled with lust and excitement.

Someone couldn't help themselves and whispered, "Aiyah [3]! This couldn't be the Ice Lotus Fairy, right? I didn't expect her to be so passionate and bold, not even wearing clothes in front of all these martial artists!"

Clicking their tongue, "Look at this soft and tender flesh, pampered girls raised by influential families really aren't the same!"

"If I can get on intimate terms with this person, I would willingly die!"

How could Feng Lian Ying ever imagine that after struggling to escape from that beast, going back would also welcome such humiliation?

For a moment, her beautiful face was snow white and her two hands were clenched together, hugging her shivering body. She wanted to take out a new set of clothes from her storage ring but was unable to because her spiritual power was all used up, she wouldn't be able to take anything out for awhile.

[The King of Hell's Genius Pampered Wife](#)

Chapter 353: Completely Ruined

Immediately, her pair of beautiful eyes filled with tears. It would appear to be as if I saw a white lotus, but the male martial artists all began to feel sorry and take pity on her.

But there were also female martial artists who disapproved of her attitude, coldly standing to the side and heatedly mocking her.

"Truly shameless! Obviously, you're wanton, yet you're still sitting here putting out a pitiful appearance!"

"Exactly, if I was her, I would have been ashamed to even see people! Unexpectedly she puts on a pitiful face trying to get me to feel sorry for her!"

"What Ice Lotus Fairy? All I see is a white lotus flower putting on an act of flirtatious behavior!"

Feng Lian Ying just got up before realizing how awful her current situation was.

Originally she wanted to put on a weak, couldn't-do-harmed expression in order to evoke some sympathy. But now, having heard the comments of these women, her face twisted and the shame in her eyes completely changed to bitter hatred.

In the end, who was it, who harmed Feng Family? Who caused Feng Lian Ying to make such a fool of herself?

The painstaking effort she exerted to build up her image these past few years, her blissful fated marriage... It was all ruined in these short few days, completely ruined!

No! No matter who caused her to be so humiliated today, she wanted to put it all on Xi Yue, that slut!

She definitely won't let go of that slut! There will be a day when she kills that slut and leaves her without a burial sight.

Under other people's loathing, wanton, passionate, or criticizing gazes, Feng Lian Ying's body had almost no clothing to cover herself and felt as if there were brambles and thorns on her back [1].

Unfortunately, she completely wasted her spiritual power, she couldn't even take out one piece of clothing. Her eyes were reddened with tears.

Suddenly, a warm piece of clothing was draped over her, covering her body.

Feng Lian Ying turned her head around and saw Nie Jinchen's deeply concerned gaze. "Lian Ying meimei, are you okay? Those magical beasts from before didn't hurt you, right?"

Feng Lian Ying stared blankly, recalling her previous actions inside the group of magical beasts, how she pulled Nie Jinchen in front of her to act as her shield and suddenly felt as if she had a bit of a guilty conscience.

Nie Jinchen seemed to have not noticed her emotions, softly saying, "If Lian Ying meimei doesn't take offense, she can wear my clothing."

At first, Feng Lian Ying was embarrassed. But after raising her head up and seeing Nie Jinchen's tender and infatuated gaze, she stood up, feeling proud and arrogant again.

Nie Jinchen was the dog that stuck to her side. No matter how many times she tossed him around or humiliated, he would never betray her.

Although she didn't care much for this dog, this dog continually pursued her. This greatly satisfied her vanity.

Feng Lian Ying was too busy feeling proud of herself and didn't notice Nie Jinchen bowing his head down to cover his the cold look flitting through his eyes.

Just as Feng Lian Ying put on Nie Jinchen's clothes, Feng Yunjing coldly smiled. "Let's go! We'll return to Feng Family first before discussing!"

They must go back as soon as possible and report today's matter to their elders.

As for Feng Lian Ying, that stupid woman who lost face today... Feng Yunjing already concocted a plan to completely abandon this waste!

Watching as Feng Lian Ying and Feng Yunjing prepared to leave, the people who were previously too scared to speak out in front of Feng Family's great prestige suddenly shouted out.

The scene regarding Feng Family's eldest daughter, the Ice Lotus Fairy, was quickly spread through word of mouth. Everybody repeated over and over again how Feng Lian Ying's body was on display after everyone left the Secret Territory.

By the next day, the news was popular gossip alongside news of Sealed Dragon Domain's Secret Territory. In Yan Jing City, inside all the great streets and alleys [2], everybody knew this information.

Chapter 354: Repaying Double the Amount

Watching as the three figures vanished, the Little Golden Dragon standing by Hexi gloomily said, "Such a pity. If this time when the secret territory's control is being handed over was longer, then those three people would have been torn apart by the magical beasts!"

Contrary to one might think, Hexi didn't seem to have any big reaction. She was standing to the side, looking over all the treasures she plundered today. Faintly saying, "Feng Yunjing is at Nascent Soul stage. If his life was truly in danger, the magical beasts may not be able to do much damage to him. In fact, he may even do damage to the Secret Territory instead."

"You should've also seen the chilliness in Nie Jincheng's eyes. Looks like he won't be protecting his Ice Lotus Fairy with all his heart anymore!"

"To add onto the fact the shame Feng Lian Ying just lost in front of everyone, it won't be long before everyone knows about what happened here. Hehe....."

Inside Sealed Dragon Domain's Secret Territory control room, Hexi could not only control every corner inside the Secret Territory, she could clearly see about ten kilometers outside as well. In other words, even if she didn't leave the Secret Territory, the entire Cang Mountain was under her control as well.

Therefore, even though Feng Lian Ying and the other martial artists were kicked out of the Secret Territory, Hexi could still clearly see all of their actions.

Hexi's mouth lifted up into an unfeeling smile, and in passing she waved her hand, taking the treasured items she just earned into her space. Unhurriedly she said, "Feng Lian Ying, this vicious and merciless white lotus. First she hurt you and Dan Dan, then she continuously plots against me, trying to kill me. How could she die so easily to those magical beasts? Isn't that too convenient for her?"

"Rest assured Long Long [1], this woman hurt you and Dan Dan. There will definitely be a day when she repays you double the amount!"

After Hexi's words, she listened to the Little Divine Dragon getting fired up.

He really was worthy of being her family's boss, although his strength wasn't profound yet, his domineering attitude was really matchless.

It was until his last few words that caused Hexi's smile to come crashing down. "Don't call me Long Long, it's not imposing enough. I'm the magnificent golden dragon, how can I be called such a wet behind the ears name [2]?!"

Hexi chuckled. "This is the nickname Dan Dan gave you. If you want to protest, go find Dan Dan! But, I'll warn you. If you cause Dan Dan to cry, my family's Little Purple won't let you get away with it!"

Little Purple is precisely the Purple Abyss Vine. After this guy and Dan Dan ate all those magical plants, they developed a deep foodie friendship.

Adding to the fact was that Dan Dan was especially clever and obedient. Every day, he would call Little Purple Auntie Purple Abyss, causing the Purple Abyss Vine to treat Dan Dan even more generously than her, the master.

The Little Divine Dragon's face immediately came crashing down. He definitely wasn't scared of Dan Dan. But, when he thought about that adorable little pink pig's weeping appearance, the Little Divine Dragon felt as if all the scales on his body hurt. Especially twitchy, especially unable to endure.

Hexi no longer paid any mind to this confused little guy. She tilted her head up, directing her attention to the top of the room.

Actually, this secret room was not just a singular room, but the basement of a palace.

After gaining control of the Secret Territory, Hexi found that the ceiling in this room was completely clear. Looking up, she could see what appeared to be the sight of a dazzling palace.

Chapter 355: Overcoming Catastrophe to Ascend Heavenwards

From here, one could see the faint shadow of a flying cyan sword.

The Little Golden Dragon followed Hexi's gaze and looked at the flying cyan sword. His face couldn't help but be filled with a longing expression. "That's the heart of Sealed Dragon Domain. It's also the most precious item inside the entirety of Secret Territory— Sealed Dragon Sword."

"That year, when my family's master flew upwards, he used this exact spirit weapon. At that time on Miluo Continent, my master killed Gods if Gods blocked and killed Buddhas if Buddhas blocked [1]. Except for those old fellows who were on the same level as master, other people couldn't even see master's back."

"And I am one of master's spirit pets, how powerful is that? Nobody is my rival!"

But afterward, when master overcame catastrophe and ascended heavenwards [2], Qing Sha and I failed and were unable to follow master. Spirit beast Qing Sha was completely extinguished. All that's left is a broken strand of primordial spirit that's left by the owner inside the Secret Territory."

"But I'm better than Qing Sha, that idiot. Although I was also extinguished, the dragon race has the ability to reincarnate. We can reincarnate if we give up on our cultivation and start fresh. So, master left Sealed Dragon Domain to me and left the Sealed Dragon Sword on me, so it wouldn't fall apart. Letting me wait for a fated person to come in and break the seal so that I may see the light again.

However, although the seal has been removed and I can cultivate again, I can't see my master ever again in this lifetime!"

Flying beyond the boundaries? Hexi's eyes brightened up and her lips curled up into a fighting spirit smile.

Ever since she came to this strange world, she never thought about stopping her steps.

Becoming stronger, stronger, stronger until she can't be restricted or suppressed again. Until her two eyes can look over the whole world and her feet can walk over every inch of land.

Looking at the Little Golden Dragon's sadness, Hexi smiled proudly. "Isn't it just ascending upwards after overcoming catastrophe? After being defeated once, what are you afraid of? If you follow me, there will surely be a time when you can attempt to overcome catastrophe and ascend heavenwards again. When the time comes, are you scared you won't be able to find your previous master?"

The Little Golden Dragon was stunned. It wanted to ridicule this woman overestimating her capabilities— One needed to at least be at Meridians stage to overcome catastrophe and ascend heavenwards. This was such a distant matter, saying these words now, it was just indulging in one's fantasies.

But seeing Hexi's brilliant and bright eyes, the Little Golden Dragon suddenly felt as if it was unable to refute her words.

It always felt as if, no matter what formidable task this girl in front of it said, she seemed to was always be able to accomplish it.

Hexi no longer talked and pitifully looked towards the Sealed Dragon Sword.

Because the level of the Sealed Dragon Domain's Secret Territory was too high, she was unable access some places, even though she was now in control of the Secret Territory.

For example, the Sealed Dragon Sword inside the palace's main hall. At the very least, she needed to be Gold Core Stage in order to bypass the restriction.

Otherwise, if you are able to hold the sword but you hurt all sides..... Just think about it. But it's just wishful thinking, nothing more. If she was truly able to take out the Sealed Dragon Sword, the Little Golden Dragon was afraid that she would be chased by people everywhere.

After finishing dealing with the Secret Territory's matters and sending the Little Golden Dragon into her space, Hexi went back and appeared in front of Nangong Yu.

"Xi'er—!!" Upon seeing Hexi, Nangong Yu firmly carried her, his face was full of anxiousness. "Did you get hurt!?"

Sensing Nangong Yu's anger and concern, Hexi was distracted. Immediately, she softly said, "Didn't I leave you a slip of paper saying that I was fine?"

[The King of Hell's Genius Pampered Wife](#)

Chapter 356: Are You Willing To Marry Me?

After Nangong Yu held onto her for a moment, he slowly loosened his grip on her. Pinching her nose and faking anger, he said, "You still dare to talk. You left only a slip of paper with no trace of you around, how was I supposed to know if you were coerced into doing that? Do you still say that I shouldn't have worried?"

Hexi lowly coughed twice, she was rarely embarrassed. But at that time she wanted to let Feng Lian Ying and Feng Yunjing experience some unluckiness. Momentarily, she was up to her ears in work [1]. So, she only had time to hurriedly leave a slip of paper for Nangong Yu and the rest of them. At the time, she didn't think too much of it.

Wu Yu and Gu Liu Feng weren't as anxious as Nangong Yu, but when they saw that Hexi returned safe and sound, they were also quite happy.

But thinking about how those several people inexplicably ended up outside the Secret Territory, Wu Yu couldn't help but ask, "It's very strange. With Sealed Dragon Domain's Secret Territory being so big, unless someone touched the control core, how could everyone has been sent out?"

"Don't tell me that the Secret Territory encountered some sort of problem? Unless someone obtained the Sealed Dragon Sword?"

As everyone knows, Sealed Dragon Domain was used to hold the Sealed Dragon Sword. If someone was able to get the sword, then Secret Territory's core control would certainly open.

Hexi rubbed her nose and didn't dare to say anymore.

The Little Golden Dragon had said that before she could hold the Sealed Dragon Sword, she must not let anyone know she was the owner of the Secret Territory. This included even the people closest to her.

Otherwise, if someone killed her, the Secret Territory would collapse and the Little Golden Dragon would experience a violent death.

Nangong Yu looked at the deep burning in Hexi's eyes, he seemed to have finally guessed what was going on. But instead of saying anything, he rubbed the top of Hexi's head, softly saying, "Xi'er, do you want to come back to Hell King Manor with me?"

Hexi gloomily shook her head, why do you want me to follow you back to Hell King Manor?

"I still have to settle some matters inside Cang Mountain. Once I finish dealing with them, I'll return to my own courtyard."

Unexpectedly, Nangong Yu didn't continue to insist. Nodding his head, something gloomy flashed in his eyes. "You returning to your own courtyard is good too. I'll let Wu Xin follow you, to protect you."

Just as Hexi was about to retort, Nangong Yu extended his hand out to softly caress her warm cheek. Saying with a gentle and low voice, "During this time, I won't be able to come find you. You have to obediently take good care of yourself and wait for me to come back, en [2]?"

Hexi unhappily slapped his hand away. Unexpectedly, when she slapped his hand her hand landed on top of his, unlike previous times, Nangong Yu extended his other hand and brought her into his embrace.

His deep voice which faintly seemed to hold weakness and praying sounded in her ears. "Xi'er, in the event that everything is over, if..... are you willing to marry me?"

Hexi was stunned. It seemed as if something was stuck in her throat, leaving her speechless.

Hexi vaguely knew that Nangong Yu needed to attend to a very important and dangerous matter. So the words he spoke just now seemed to sound like his last dying words.

Hexi deliberately wanted to question what he was going to do. But seeing Nangong Yu's eyes filled with stars and burning, Hexi swallowed any words she wanted to say.

Hexi rolled around a small storage ring on her palm. Her complexion was indifferent and the words she spoke held even less emotions. "I'm replying no to your question! After all, when you go there, only God knows if you'll ever reappear in front of my face again!"

It wasn't even a moment later when she threw the storage ring onto Nangong Yu's body. Indifferently saying, "Everything inside here is for you. I believe that these things will be helpful for you, no matter what you're doing!"

[The King of Hell's Genius Pampered Wife](#)

Chapter 357: Wait For Me To Come Back

Nangong Yu was startled, he looked around inside the storage ring. His eyes quickly showed astonishment.

The ring was filled full of magic weapons and spirit fruits that were hard to estimate the worth of. By taking just a bite out of those spirit fruits, one would completely replenish their spirit energy. Additionally, there were also sacred grade fighting pills called Lotus Mark Immortality Peach. In Miluo Continent, one of these pills could be estimated to be worth a small city. But Hexi gave him twenty of them!

So much so that inside the pile of magic weapons, there was a flying purple sword.

Nangong Yu's expression was extremely moved, the flying sword appeared in his hand. It quickly released the sound of an imperial chant.*

"This is.....!!"

Hexi pursed her lips. "This isn't the real Sealed Dragon Sword, it's a fake the real owner made. But its power is fifty percent of the original sword. I can't use it at my current strength so it's better to give it to you!"

This fake Sealed Dragon Sword was originally inside the Desolate Desert Realm. It was there that Hexi noticed its power was formidable, no magical creature dared to enter within ten li [1] of it. So, she took it out.

It was only after she took out the fake that she gloomily discovered she couldn't use it. Forget about it, she can't use the real Sealed Dragon Sword. But now, she can't even use the fake one. She can only stare at it, too depressing!

Looks like the most important thing to do now is increase her strength.

Nangong Yu dazedly stared at the long sword in his hand. Nangong Yu's eyes glittered with tears.

Hexi looked at Nangong Yu who seemed to have turned stupid. She thought he couldn't look up to this Sealed Dragon Sword [2] and wanted to say something. But before she could, Nangong Yu suddenly extended his hand out and brought her into his embrace. Hugging her closely, he seemed to want to embed her into his flesh and blood.

"In my life, I've always been fighting alone from the beginning. When I grew up, I blocked wind and covered rain for others. You are the person I wish to protect the most in this life. But you're also the first one that I can't shield under my wing."

“Xi’er, wait for me to come back! You can’t become fond of other men, you can’t look at other men, and you can’t let yourself be hurt.....”

During the first half of Nangong Yu’s words, Hexi smiled and felt moved. But after hearing his last sentence, she couldn’t help but roll her eyes. Pushing him away, she said: “Are you finished with your ‘this can’t do’ and ‘that can’t do’?”

This time, Nangong Yu didn’t continue speaking. He deeply stared at Hexi, seemingly trying to engrave her image into his mind. Then he quickly turned and left.

Qing Long and Wu Yu quickly followed Nangong Yu, walking along beside him. They saw him tightly biting his jaw and push his heart down.

Master didn’t tell wangfei the matter they were dealing with this time was to deal with the Feng Family at an date earlier then what was originally planned.

And Feng Family not only had the support of Liu Li Sect and the foundation of a millennium, they also had Feng Family’s scary influence.

It could be said that in terms of going against Feng Family this time, Hell King Manor didn’t have much odds of success.

But Master couldn’t wait to abolish Feng Family, he couldn’t wait to get rid of Feng Yunjing and Feng Lian Ying, those two people who wished to bring harm to wangfei. Even more so, he couldn’t wait to impressively marry wangfei through the door [2].

Watching Nangong Yu and the others leaving, Hexi’s heart gave birth to indescribable sorrow.**

But she quickly threw this sorrow to the back of her mind. Turning around, she walked towards Gu Liufeng, Zhou Yan’an, and Gu Yidao.

Gu Liufeng was distracted, he couldn’t help but keep thinking of the intimate moment Hexi and Nangong Yu just shared. Hexi had a delicate face, long eyelashes that slightly trembled, bright eyes, and white teeth. So much so that compared to Nalan Yanming, the women in the drawing, to some degree, she (Hexi) was more elegant.

Chapter 358: Returning Home

The more Gu Liufeng imagined Hexi as a woman, the more his heart swayed and the face behind his mask was flushed.

But quickly, he came back and saw Hexi’s concentrated expression as she used a needle on Gu Yidao.

The gentleness in his heart scattered and made way for appreciation and respect.

Xi Yue was clearly a male. Furthermore, he was a highly skilled genius doctor and he was his close friend. How could he (Gu Liufeng) think of him (Hexi/Xi Yue) with such thoughts?

Gu Liufeng suddenly felt ashamed. Lowering his head, he didn't dare to look at Hexi face to face.

Zhou Yan'an thought this his family's master was too embarrassed to ask Hexi, but at this moment, he couldn't deal with that. Walking two steps forward, he asked, "Xi gongzi, that day, when we were inside Zijin Palace Hall, you asked why we would risk our lives to save you."

Hexi nodded her head. "You want to ask me to save Gu Liufeng's mother?"

"Precisely!" Hearing what was said, Zhou Yan'an felt overjoyed at the good news." At once, he asked, "My family's master's mother has been bed-ridden for many years. No matter how many genius doctors we invited, it was no help. We're asking Genius Doctor Xi to help now."

"If you want me to save people, that's fine." Hexi nodded her head without hesitation. "But I'm also not some God, I can't possibly cure every single sickness. Additionally, I have some matters to settle these few days. Wait a bit, I'll go to Sheng De Hall to look for you. At that time, you can go bring me to look at the patient!"

At first, Zhou Yan'an's face seemed to be staring blankly. Following that, his eyes turned red. 'Pu tong' sounded as he knelt down on the floor. "I'll bring my family's master to thank Genius Doctor Xi, who granted us such a huge favor."

Gu Liufeng cleared his hand and came over, he pulled the person up from the floor. Facing Hexi, he faintly smiled. "Xi Yue, I'll wait for you!"

Saying this, he didn't bother to linger anymore and without the slightest hesitation, he turned around and walked away.

But, nobody discovered the romantic love affair in his naturally charming pair of eyes. Now, a dedication and decisiveness settled in his eyes.

Although Xi Yue denied him, Gu Liufeng decided that if Xi Yue was truly able to save his mom, then his life would be Xi Yue's.

For Xi Yue, he wouldn't hesitate to go through water and tread on fire.

✧

After sending Nangong Yu and Gu Liufeng, Hexi returned to the Secret Territory and activated the concealing array.

When Sealed Dragon Domain's concealing array was active, even Nascent Soul stage martial artists wouldn't be able to discover the Secret Territory's location. Forget about trying to enter it.

From now on, Cang Mountain and Sealed Dragon Domain's Secret Territory was now Hexi's private property. She could open up a few locations inside the Secret Territory to use as a training ground for her family's people.

If there was any danger, she could allow Wet Nurse Chen and the others to enter the Secret Territory. It really could be said that this was the perfect place to hide and to attack.

After finishing with her matters regarding the Secret Territory, Hexi no longer hesitated. She quickly flew towards Bie Courtyard.

At this moment, her heart gave birth to a sudden feeling of guilt. In front of her eyes, she could practically see Xiao Li's lovable and silly smile, Wet Nurse Chen's deeply concerned complexion, and her family's peoples' adoring and trust-filled eyes.

In her previous life, she was just a person. Regardless of how long she left for and no matter where she lived, she always returned to an empty house. She has never been able to call a place home.

But in this life, it's different. Inside Bie Courtyard, there's always people waiting for her, looking forward to her.

There will always be a room that's lit up for her, providing her warmth. This is home.

With this time's gains, she had confidence that Wet Nurse Chen and everyone else could become stronger. It would also be able to provide for good days ahead for them.

Chapter 359: Bloody Slaughterhouse

Hexi descended onto a lawn nearby Bie Courtyard. Just as she was about to go near it, her complexion suddenly changed.

Originally, Bie Courtyard was hidden by an array. But now, it completely disappeared. The wind blew the pungent smell of blood from inside the courtyard.

Hexi's heart sunk a little bit. In an instant, her figure appeared inside the courtyard.

Not even a moment later, an even heavier smell of blood assaulted one's noses. The blood on the floor seemed to resemble a red lotus blooming [1], suddenly causing Hexi's eyes to redden.

Hexi stumbled, she was almost unable to keep standing.

Just now, she had pictured this warm, peaceful and harmonious scene. But now, it had transformed into a twisted and sinister scene with corpses and a bloody slaughterhouse.

The inside of Bie Courtyard was in disorder, it was full of corpses. Inside the manor lay a servant girl, Xiao Si, and the low-level martial artists she had been given control over from Nalan Family.

Every one of them died with eyes filled with fright, their eyes were wide open. They were dead but wouldn't close their eyes [2].

And in the center of Bie Courtyard, Wet Nurse Chen's body had been carelessly thrown onto the ice cold floor.

Just like the others, her eyes were wide open. There was a gaping hole in her chest and her internal organs were on the ground, smashed by someone's foot.

Wet Nurse Chen's eyes had unwillingness and tears of blood [3] flowing out. As if she had been shouting to be able to see her family's young lady when she was at death's doorstep.

However, her breath had long since been cut off and any sign of life had disappeared. Even if Hexi had better medical skills, it's impossible to revive a dead person.

Hexi slowly walked up to Wet Nurse Chen. Crouching down next to her, she closed the eyes that were filled with remaining grievances. Softly saying, "Wet Nurse, Hexi has come back!"

"Forgive me, Hexi came back late!"

A flicker of light passed through her eyes, but it quickly changed into coldness that resembled the Asura from Hell and killing intent. Her lowered voice was clear and pleasant to listen to, but it also carried a coldness that had people's hairs standing on end. "Wet Nurse, you can rest assured. I'll definitely make the people who did harm to you repay you a hundred thousand times."

"Wet Nurse, when you've arrived on the Yellow Springs [4] road, you must walk slowly so you may see their headless bodies, their expressions seeing they're at the end, oh!"

After she finished speaking these few words, little by little, she gently took Wet Nurse Chen's internal organs and re-inserted them into her stomach.

Then, she took out a silver sewing needle. Her hands were quick and moved as if they were in a dance, sewing back the cut open stomach as if it hadn't been damaged before.

The elegant youth's expression was distinctly cold and the corner of her mouth even held a sneer.

She sat on the floor, in between the blood, bodies, and wreckage. Her two hands were covered in blood. But her finger, which was well-proportioned and seemed to be carved from jade, held a needle and seemed to be a dancing as if it was a fantasy.

She resembled a demon who had walked out of Hell. So beautiful, so brilliant, but also so frightening, allowing people's hairs to stand on end.

Wu Xin, who had received an order from his master, hurried over to Bie Courtyard at this time and saw this precise scene in front of his eyes.

Even Wu Xin, who's heart was cold and had seen the whole world, held his breath from intimidation.

Previously, Wu Xin wasn't fond of Hexi. Although Hexi saved Master's life, it was also because Hexi got hurt that Master got caught up in that crisis. So much so that Master, in order to save her, wasted the blood essence.

And most importantly, previously Master had always been cold and formidable, he never had a weakness before.

But when Hexi appeared, Master suddenly had the ordinary person's four human emotions [5] and a weakness.

And this woman named Nalan Hexi is delicate, in such a way that it's inconvenient, causing Master to have to constantly worry over and protect her.

Chapter 360: Tearing Into Pieces

If this continued on, one day, this weakness will become Master's fatal crisis.

Therefore, Wu Xin had been scheming to secretly get rid of Hexi, this hindrance of a woman. He made sure to take pains to ensure Master wouldn't suspect anything.

Wu Xin had recently just broken through Nascent Soul stage and although his foundation still wasn't completely stable, but in Miluo Continent, there were few people who had seen him and didn't tremble in fear. This allowed him to injure people as he wished.

Yet she was merely an insignificant girl at just Foundation Establishment stage who, unexpectedly, caused him to feel afraid.

Is this woman truly ordinary and weak?*

After Wu Xin entered Bie Courtyard, this was his first thought. Soon after, he took note of the misery-filled courtyard and the bloody slaughterhouse-like scene. His complexion couldn't help but drop.

Initially, before he (Nangong Yu) had entered Sealed Dragon Domain's Secret Territory, Nangong Yu had told Bai Hu and him (Wu Xin) to guard Bie Courtyard's surroundings and to protect Nalan Hexi.

However, later when Hexi, by an accident arising from many causes, also entered the Sealed Dragon Domain's Secret Territory, they lost "future wangfei's" Bie Courtyard. So naturally, if they had to say it, protecting it (Bie Courtyard) no longer held value. To add onto the fact, they received information regarding that secret. So, they quickly threw Bie Courtyard and the people inside Bie Courtyard to the back of their minds.

In any event, Wu Xin never thought that this moment of ignorance would cause Hexi's servants and subordinates to be massacred.

Inside Yan Jing city, it's possible to be able to find Hexi's address. There were few people who didn't know that she was Hell King Manor's people and under their (Hell King Manor's) protection. Just who ate a bear's heart and the leopard's guts [1]? Unexpectedly, someone dared to put their hand to Hell King Manor's future wangfei!

At this moment, Hexi had already finished sewing together Wet Nurse Chen's body.

Wu Xin walked a few steps forward. "Wangfei, this subordinate has come under Master's order to protect you."

Hexi paid no attention to him, she respectfully shifted Wet Nurse Chen's body to a corner and lightly flattened out a corner of her (Wet Nurse Chen's) jacket. Softly saying, "Wet Nurse, wait here for a moment for me."

After saying that, she no longer hesitated and stood up. Her figure disappeared from the place she originally stood at and began to carefully check every inch and corner inside Bie Courtyard. She had yet to see Xi Jia and everyone else or Xiao Li.

Just after she passed through the corridor and into the back garden, Hexi's eyes suddenly contracted.

She only saw the back garden's floors were also filled with blood and corpses were strewn about, in disorder.

But these corpses, in comparison to the ones in the front yard, met an even crueler and miserable end. Some bodies had their hands chopped off, some had the bones in all four limbs of their bodies crushed, and others met the same fate as Wet Nurse Chen, they had their internal organs spilled out of a hole in their stomachs. Their intestines were purposefully taken out and they didn't die immediately. They had to endure a slow and painful death.

These people were the subordinates Hexi meticulously trained- Xi Jia, Xi Yi, Xi Bing..... Xi Gui.

Hexi looked at the scene in front of her eyes. Her expression was calm, as if she held no emotions. But even she didn't notice that her fist was clenched, as if she wanted to tear something to pieces.

She crouched down, softly using her hand to support Xi Jia's dead body. She wanted to sew back his hands and feet that had been chopped off. But just as she supported his body, her movements stopped.

Although it was very, very weak, her fingertips felt the faint pulse of a heartbeat.

A bright light shone in Hexi's eyes. She didn't hesitate and quickly took out silver needles from her space. One after another, she inserted them into the holes in Xi Jia.

After being completely ignored by Hexi, Wu Xin felt unsatisfied. But thinking about Bie Courtyard's miserable state, he still slowly followed behind Hexi.

*Pff, of course not. Our Hexi has MC plot armor!
