Chapter 561

Hexi's eyes widened slightly . She was astounded as she looked at the bodies entangling each others and the men and woman who moaned from time to time on the screen .

Even though the woman's jade body was tangled with another body at this time; her hair was disheveled; her face was sweaty and looked confused, it was completely different from her usual superior look, but Hexi recognized the person at a glance .

Isn't this ... Feng Lianying? And the person tangled with her is ... Nie Jincheng?

But this was not the most startling part .

The most shocking thing was that Mr . Liao's seven extremely ugly disciples were all undressed at this time, they were surrounding Feng Lianying with a fascinated look . Some people caressed her skin; some people bit her jade arm; someone kept rubbing against her, showing an expression of enjoyment .

This scene was really inscrutable and disgusting .

Nangong Yu originally pulled out this video in order to vent Hexi's anger, but when he saw the scene, his face suddenly turned gloomy .

He exited from the Boundless Blackmarket immediately . He pulled the girl closer to her arms and covered her face fiercely, "Don't watch!

Nangong Yu felt that he was really out of his mind . He just wanted to stick up for Hexi . Why didn't he realize that the scene was so unsightly, it almost polluted Xi'er's eyes .

The most important thing was that the men were naked shamelessly . How could he let Xi'er see it? Even if he wants her to watch, she can only watch his .

At this time, Nangong Yu was annoyed that he wanted to delete the "live broadcast" in the blackmarket .

Hexi laughed in his arms . He grabbed his big hands, and there was amusement at the corners of her eyebrows . "Nangong Yu, you are doing this to stick up for me?"

Nangong Yu sneered, "Isn't Feng Lianying want your reputation to be ruined? Then I will fulfill her wish . The number of purchases of this video has exceeded 10 million . I believe that the entire Miluo Continent today will know what kind of person the Miss of the Feng Family is . "

Hexi hesitated for a moment . She had always been alone . She would get her revenge on her own; she would deal with her business on her own .

But now, for the first time, she felt dependent on someone and being cared for, but it was so sweet and soothing .

As Hexi was about to say something, a pink pig suddenly appeared out of nowhere and landed between Hexi and Nangong Yu .

Little Egg rubbed his eyes and looked around, then he suddenly woke up and pounced into Hexi's arms and cried, "Wuwuwu, mom, are you okay!? Little Egg always knows that you were in danger during my sleep, but I just couldn't wake up . Little Egg was worried and anxious, but fortunately, dad arrived! "

Hexi touched his little head and said softly, "Little Egg, don't worry . Mom is fine now . "

She knew that this little one exhausted his spiritual power in order to heal the Little Dumb Cow and fell into a coma . Hexi was happy now that he could wake up safely .

But wait, what the hell is dad?!

She saw Little Egg turn around and looked at Nangong Yu timidly, then he screamed with a soft child voice, "Dad!"

Nangong Yu's cold eyes showed a hint of warmth, and he nodded, "Come here . "

Little Egg turned to look at the astounded Hexi, then he stepped with his short legs and ran to Nangong Yu clumsily .

Nangong Yu took out a lotus-shaped jade, threw it to Little Egg, and said, "Giving you a present . "

[The King of Hell's Genius Pampered Wife](#)

Chapter 562

Little Egg grabbed the lotus-shaped jade, and he was suddenly overjoyed . The peculiar spiritual power inside was thick and pure, and it was mixed with a flavor of magic energy . Whether it was for Niu Niu, Little Dragon or Aunt Little Purple, it was the best supplement .

Little Egg quickly put the lotus-shaped jade into the void . His eyes that were watching Nangong Yu were full of worship and kindness . He grabbed his clothes and said, "Dad, you are so good! Those bad guys were defeated easily under your hand . "

But he seemed to think of something again, Little Egg immediately became weeping, "But dad, it would be nice if you come early . That way, mom would not be bullied by that bad guy . That bad guy took off mom's clothes, and he still wanted to humiliate mom . Little Dragon and Aunt Little Purple were also injured . Wuwuwu... if dad were there, you can definitely protect your mother! "

When Nangong Yu heard that, his face suddenly turned gloomy . The pair of beautiful eyes became dull like a storm condensing into a whirlpool .

"Little Egg knows!" Little Egg immediately raised his little paw, clenched into fist, and shook it fiercely in the air . "My mother called him Feng Yunjing, and he asked mom to marry him and become the Miss of the Feng Family . Mom wasn't willing, so he wanted to force mom . That old and ugly shameless man, he doesn't even match dad's shoes . How can he covet mom!"

Nangong Yu looked at Hexi with a somber and cold look . That chilling anger and murderous intention made Hexi shiver .

He stretched out his hand, then Hexi shuddered and she was pulled into his arms . He hugged her tightly .

“Feng Yunjing, where did he touch you?” Nangong Yu’s voice was filled with the murderous intention that could pierce into the bone and jealousy . “Xi’er, you are mine . Anyone who covets you should be damned! Why didn’t you ask me for help earlier? ? ”

Hexi shivered under his cold gaze, then she immediately returned to her senses . She said furiously, “How do I know that the inscribed jade slip is used to summon you?”

“Wu Xing just told me to let me bring this inscribed jade slip with me . If there is a danger, it can save my life . I don’t know how to use this inscribed jade slip, let alone summoning you . ”

Nangong Yu frowned, and he was extremely dissatisfied with Wu Xing .

He knew what Wu Xing was worrying about, but it was because of Wu Xing’s worry that Xi’er almost suffered irreparable harm . Maybe he should let them know the position of Xi’er in his mind .

Wu Xing who was recovering from his injuries in the Cang Mountain shuddered . He looked around suspiciously without finding any peculiar; he was totally unaware that his master had marked down one demerit on him .

Under Hexi’s explanation, Nangong Yu’s complexion eased . However, he held Hexi’s hand tighter, “Xi’er, I will never let Feng Yunjing go . Since he dared to touch you, then he should prepare to suffer a living hell!”

Hexi was stunned . She had the same cold expression on her face, “Nangong Yu, if you want to revenge on the Feng Family, count me in . ”

If she didn’t return the pain and humiliation that the Feng Family’s people added to her, she would not be Hexi .

Nangong Yu frowned as he remembered the plot hidden behind the Feng Family, and he wanted to refuse .

He didn’t want Xi’er to be in any danger .

However, seeing the persistence under Hexi’s eyes, Nangong Yu still sighed, lowered his head and kissed her gently, “Well, let’s go together . ”

Hexi breathed a sigh of relief . However, when she thought of the name that Little Egg addressed just now, her eyes suddenly squinted with a hint of warning, “Little Egg, why do you call him dad?”

[The King of Hell's Genius Pampered Wife](#)

Chapter 563

Little Egg tilted his head blankly, and he said childishly, “Dad taught me . ”

He asked you to do it then you have to follow? Do you still have a little vigilance? Besides, weren’t you calling pretty brother happily in the beginning?

Nangong Yu leaned closer to Hexi’s ear and whispered, “I haven’t asked Xi’er yet, pretty brother? Hmm? It seems that Xi’er really likes my looks . I’m really honored . ”

“Damn you!” Hexi pushed him away and laughed . “What dad, you don’t take advantage of our Little Egg .”

Nangong Yu squeezed her upright nose and said seriously, “I’m just trying to get used to the feeling of being called as dad . After Xi’er marries me and gives birth to a child for him, I will know how to take care of our baby .”

“Bullshit! Who... who is going to give you a baby!” Hexi patted his hand away; her face flushed .

As she was about to say something, she suddenly saw Nangong Yu’s pale face suddenly became paler .

Hexi panicked, grabbed Nangong Yu’s hand, and said, “Nangong Yu, what’s wrong with you? Was it hurt?”

“I’m fine .” Nangong Yu waved his hand . “Don’t worry about it . It’s just the sequelae for tearing through space .”

Hexi quickly took out Ninth Secluded Spirit Spring and fed it to Nangong Yu, but she was a little confused .

Tearing through space?She remembered that almost no one in Miluo Continent could do that right?

And now that he was being governed by the rules of the Breaking Spirit Mountain . Even if he was an advance level Nascent Soul stage powerhouse, it was impossible for him to enter without the inscribed teleportation jade slip .

How did Nangong Yu come here?

Thinking of this, Hexi’s face showed an anxious look, “You ... did you use any secret method? So you have to pay a heavy price to appear here?”

Nangong Yu lifted her worried eyebrows . In those clear and beautiful eyes, all the reflections were his own shadow .

He couldn’t help lowering his head and softly kissed on those eyes before he said softly, “Xi’er, rest assured, your man is not so weak . Although tearing through space has to pay a little price, it’s just a minor problem for me .”

“It’s just that this is just my clone, and it will soon dissipate into fundamental essence and merge with the original body .”

“Clone?” Hexi was even more surprised, and she suddenly felt that the Nangong Yu in front of her was full of mystery .

Miluo Continent’s martial artists can cultivate clones, but most clones can only support the user and confuse the enemy . Like Nangong Yu, clone that can tear space, has powerful combat power, and can be transformed fundamental essence and merge with the original body . How terrifying is that strength?

Nangong Yu, the strength that he shows, is it only at the intermediate level of the Nascent Soul stage?

Nangong Yu embraced the doubtful girl in her arms and pinched her soft little hand . He couldn't help lowering her head and kissing her tender cheek again, "Xi'er, we don't have much time together . Don't worry about other things . Just focus on being with me, okay?"

The man's voice was low and hoarse with a sense of coquettishness and grievance . Coupling with the exquisite and delicate face of Zhang Junxiu, even the most stubborn person would be enchanted by his tenderness .

Nangong Yu only hated that his clone, that could tear through space, didn't have much time before merging back to the original body .

Now that he and Hexi had just established their relationship, it was the most affectionate moment . He couldn't wait to separate from her lips and hold her in his palms . He didn't want to separate from her anymore .

Hexi just felt that her ears were hot and her body was soft and weak, but she felt sweet and shy in her heart .

[The King of Hell's Genius Pampered Wife](#)

Chapter 564

She grabbed Nangong Yu's big palm, then she suddenly straightened up and gently made a soft kiss on the man's side face .

Immediately afterward, she turned her face and whispered, "Is this okay? I did focus on treating you right?"

Nangong Yu responded to her with a fiery deep kiss, completely engulfing her breath .

However, the sweet time was always short . Nangong Yu's face was getting paler, and his breath was getting weaker .

He put his hand on Hexi's face, but it slowly became cold and empty as if it would disappear at any time .

Nangong Yu sighed softly, "Xi'er, wait for me for a while . I will be back soon; soon..."

As soon as the words were spoken, Nangong Yu's body seemed to be dissimilated, turning into many light spots and dissipating in the air .

Hexi heard from him that it was only his clone disappearing and merging back into the original body .

But when Hexi watched this scene, there was still an unspeakable panic in her heart . Even her breathing almost stopped .

It was as if Nangong Yu would disappear forever from her life .

"Boss, don't worry about it . He'll be fine!" There was a weak voice from Little Golden Dragon in his ear . "When the fundamental essence returns to his body, he will mostly spit a few mouthful of blood and get itchy . "

As soon as she heard that, Little Golden Dragon appeared in front of her .

Although the Little Dragon's breath was still a bit weak, it was obvious that his injuries were mostly recovered after consuming the dozen monster essence pills . Now he even had energy to mock Hexi .

Hexi grabbed this little one and checked his wound . She only let out a sigh of relief after determining that he was fine .

Little Golden Dragon spoke calmly, "Boss, the dragon's vitality is a very powerful, especially after entering rank five . This minor injury is nothing at all . And after swallowing so many monster essence pills, I think my strength improves a lot after I've recovered . However, Little Purple ... "

Purple Abyss Vine had the most serious injury . After all, she was a plant . After her root was hurt, it was more difficult to heal than magical beast .

Little Egg immediately took out the lotus-shaped jade flower that Nangong Yu gave him, and he spoke excitedly, "Little Dragon, look, this is the treasure I got from dad . There is even magical energy in it! After Aunt Little Purple consumes it, she will definitely get better!"

Little Golden Dragon extended his claw and examined the lotus-shaped jade flow, and he suddenly panicked, "This ... Isn't this [Yin Yang Lotus Jade]? This is a treasure that can't be bought by hundreds of millions of crystals! King of Hell can actually gift such a magnificent present? He is really so generous!"

Little Egg held a lotus-shaped jade flower with his small paw; his face looked adored, "Of course, dad is the most powerful person! Little Dragon, you fell asleep, so you did not see the people, who bullied mom, begged for mercy after being punished by dad!"

"I decided . In the future, dad will be my idol . I want to learn like dad, and I will become as powerful as dad, and then protect my mom!"

Little Golden Dragon looked at the cute face, short legs and pink claws of Little Egg, then he pursed his lips without speaking .

The few spiritual pets in the void, together with Hexi's opinion, Little Egg only needed to act cute . As for becoming as powerful as Nangong Yu, after thinking about the tall and muscular image of Little Egg, he couldn't help shaking his brain to get rid of the image . That was too unsightly .

Little Golden Dragon did not talk to Little Egg, and continued, "Boss, do you know what Nangong Yu's current cultivation is?"

Hexi frowned, "Isn't it the intermediate level of the Nascent Soul stage?"

[The King of Hell's Genius Pampered Wife](#)

Chapter 565

She could see through most of the martial artist's cultivation, including Feng Yunjing and Nangong Yu, but there were also some people whom she couldn't see through, such as her master and Zijin Immortal Master .

But in her eyes, Nangong Yu's cultivation was indeed at the intermediate level of the Nascent Soul stage!

Little Golden Dragon's small paw was holding his dragon's chin with a thoughtful look, "Boss, do you know what was Nangong Yu's trick just now?"

In response to Hexi's gaze, Little Golden Dragon shook his claws, "That's the clone of the fundamental essence . Once the martial artists' cultivation reaches a certain level, they can use spiritual power to condense fundamental essence . If the fundamental essence is strong enough, you can make fundamental essence transfigure your own clone . "

"In general, the higher the cultivation, the closer the clone of the fundamental essence to the original user, and of course, the stronger the strength . "

"However, it's strange . " Little Golden Dragon looked dignified . "Logically, there are very few martial artists below Divine stage who can condense the fundamental essence's clone . The people in the Miluo Continent who have heard about the fundamental essence's clone are probably very few . "

"What's more, Nangong Yu's clone is still so solid . It seems that even its sensory emotion is exactly the same as his original body . The clone can also stay for a long time . This is definitely not a martial artist on the Nascent Soul stage can do it . "

"Let alone, he also tore through time and space . Even if he is a martial artist of Divine stage, there are very few people who can tear through time and space and enter the enclosed space . When my master, Zijin Immortal Master was still in Miluo Continent, he might not be able to do it, but Nangong Yu did it . "

Hexi listened to Little Golden Dragon's words, but instead of being happy, she became more worried . "You also said that this is not easy to do . Then he tore through space and sent his clone here, will he really be fine?"

Little Golden Dragon looked at Hexi's worried expression, and he immediately turned his eyes and laughed, "Well, boss, you don't have to worry about it . You can see his ease look and his reluctant to disappear, then you will know . The King of Hell is so powerful . Since he was certain that he could do it, then he will be fine . "

What Little Golden Dragon didn't say was that it was of course no problem to condense the fundamental essence's clone, but once the fundamental essence's clone was condensed, it meant that his strength would be divided into two . If the actual body was dangerous, he would most likely not be able to cope .

In addition, the consumption of spiritual power was extremely huge to tear through space . Looking at Nangong Yu's pale face just now, he definitely didn't feel good . But he didn't want his boss to worry, so he refused to tell her the truth .

Hmm, since His Royal Highness King of Hell didn't want to reveal it, then I won't talk much . Lest my boss worries for no reason .

Thinking of this, Little Golden Dragon immediately shifted the topic . He turned his claw, then a man who had no limbs and his lower body part was badly mutilated appeared in front of Hexi, "Boss, the King of Hell specifically left him to boss to deal with him . Hehehe, how do we deal with him?"

Mr . Liao, who was thrown in front of Hexi, had his hands and feet cut off; even his reproductive organ and pelvic bones were also broken by stones .

Mr . Liao, after all, was a martial artist with relatively high cultivation . Although he lost a lot of blood, he wouldn't die so die .

At this point, he was smashed by Little Golden Dragon, and he immediately groaned and turned around .

When he opened his eyes and saw Hexi looking down at him coldly, he was frightened that his body trembled . “Forgive me! Please forgive me! All this was what Feng Lianying asked me to do . It isn't related to me . Fairy, please forgive me... I will never dare to do it again!”

[The King of Hell's Genius Pampered Wife](#)

Chapter 566

Hexi looked at him with a sneer . There was no mercy in her eyes, “Mr . Liao, I have heard that many young boys and girls were killed in your hands? I don't know if you still remember their cry for mercy before they died?”

Mr . Liao's body was stiff, then he cried even more pitifully . “Miss Xi Yue, the men and women I played with were mostly mortals who did not have cultivation . Those people were just scumbags . Those people weren't even worth being mentioned by Miss Xi Yue . Even if I kill thousands of them, they are just a bunch of nobodies . ”

“This time, it was my fault to recognize your relationship with the King of Hell . I deserve death to offend you... As long as Miss Xi Yue can let me go, I ... I'm willing to offer my precious medicinal pills that I keep for my whole life . And those battle puppets I made, if Miss Xi Yue wants, I can give them all to you . Please let me go for this time... ”

Mr . Liao took his words for granted, but Hexi's face became more and more sinister .

In the eyes of these beasts, mortals and low-level martial artists were nobodies who could be trampled and tortured freely by him .

However, they did not expect that they would be the nobodies and animals under the feet of the other one day . It was better to be dead rather than living .

The corner of Hexi's mouth slowly evoked a charming arc . Even if Mr . Liao's situation was so miserable now, he was still attracted by her charm; he kept swallowing his saliva .

He heard Hexi saying slowly, “Just rest assured, I won't kill you!”

Mr . Liao breathed a sigh of relief, then he had a lot of bad ideas in his mind .

His cultivation methods was different from the other martial artists . If the other martial artists's bodies were destroyed and their pelvic bones were crushed, they would definitely be screwed .

But who was this Liao Chengfu? He was best in making puppet . Even if his body was ruined, he only needed to make a puppet and put his soul in, then he could still walk freely and play with those beautiful men and women .

It was just that his cultivation would forever be stuck at the puppet's cultivation forever after transferring his soul .

However, as long as he found a puppet that had powerful cultivation, would he be able to live as ease . When he successfully transferred his soul, he would definitely get this chick and play with her .

Such a beautiful girl, and she is still the sweetheart of His Royal Highness King of Hell . I wonder what is the taste of pressing her underneath me, hahaha...

Mr . Liao's mind was rippling, but Hexi suddenly reached out and sprinkled some powder on him .

Mr . Liao's face changed . He thought she was poisoning him, so he suddenly screamed, "You... what do you want to do? I tell you, if you poison me, it won't do you any good!"

Mr . Liao shouted for a long time, but Hexi just smiled faintly without giving any response .

Mr . Liao froze and found out that after those powders were spilled on his body, instead of feeling pain and itching, he felt a lot of relief in the severed limbs .

He suddenly overjoyed and sneered, "Miss Xi Yue, I'm really glad that you can be so sensible and considerate..."

But before he finished speaking, Hexi spoke to Little Golden Dragon, "Find a good place for him, and remember that it must be a quiet and nourishing place . I don't want him to die so soon!"

Chapter 567

Little Golden Dragon smiled, and he looked at Mr . Liao's eyes full of strangeness and excitement, "Boss, please rest assured . When did I fail to execute the task that you gave?"

"But you are really amazing, boss . Why do you have so many strange medicines on your hand; you have all kinds of herbs . "

"I never thought that there would be this drug in the sky ... Well, if it were because we can't stay in Breaking Spirit Mountain for a long time, I really wanted to stay here and see the end of this scum . "

Hexi patted his little head, "Stop the flattery . If you want to learn, I can teach you how to configure and use these poisons when I am free . "

"Wohoo—Thank you, boss!" Little Golden Dragon flew into the sky delightedly after hearing it, then he dived down from a high altitude, grabbed the crippled body of Mr . Liao, "Boss, let me find a good place for him to rest . "

Until then, Mr . Liao's eyes finally showed a look of fear . He couldn't understand the meaning of the woman's conversation with her pet, but he knew that he might have a miserable end .

When he was brought into the air by Little Golden Dragon, Mr . Liao couldn't help but shouted in horror and angrily, "Xi Yue, you shameless bitch! It is your honor to let me play . When I'm free, I will turn you into a puppet and let you crawl on the ground like a dog... Xi Yue, if you kill me, my master, Black Law Protector will not forgive you! The Feng Family will not forgive you either!"

Hexi sneered . She didn't look at the disgusting scum anymore . She turned and walked away:Feng Family, either you die or I die . I am waiting for you .

Little Golden Dragon grabbed Mr . Liao's body and flew to many places . He finally found a mountain crack with a length of hundreds of feet .

The crack was deep, but it was very narrow . It could only allow one person to pass . It looked dark and gloomy down there, not even the sunlight could reach . One could know that it was a humid and cold place down there by just looking down .

Little Golden Dragon suddenly laughed . He finally found a satisfactory place .

He grabbed Mr . Liao's body and flew down the crack . When he was about to land, he released his claw and threw Mr . Liao's crippled body down .

When Mr . Liao was thrown, he suddenly screamed miserably . His body was desperately trying to struggle .

Then he found in horror that he was stuck in the mountain; he could not move .

Little Golden Dragon hovered in the air and looked down at him . He sighed, "This is really a good place . You can't see the sun, but there is a thin layer of spirit . You can't die even if you want to die . It's so far from the ground, and the mountain crack is so small . Even the magical beast can't get down . As long as I simply set up a soundproof enchantment, I believe that no one will find you here for thousands of years . "

Mr . Liao's eyes were full of panic, and he trembled, "What do you ... what do you mean? You left me here, what do you want to do? I warn you ... if I'm dead, my master will know . My master is an expert of the Nascent Soul stage, he will never let you go!"

"Hahaha..." Little Golden Dragon laughed when he heard it . "You can rest assured, you will not be dead . My boss has told me that it's too easy for you to die so easily! Do you want to know what boss had sprinkled on you?Hm,you will know very soon!"

[The King of Hell's Genius Pampered Wife](#)

Chapter 568

As Mr . Liao wanted to say something, he suddenly heard a rustling noise in his ear .

The sound was dense as if it was coming from the ground, and it also seemed to come from the crack in the mountain, then it approached him in a hurry .

Mr . Liao's body was stiff for a while . He slowly turned his head and looked to the side as if his head was stuck .

Then, he saw a scene that terrified his heart .

Countless bugs emerged from the ground and between the mountain walls and crawled toward him rapidly .

Mr . Liao's eyes widened in horror . His mouth was widened, then he watched the bugs dig into his eyes, ears, and nose .

"Ahhhh—!" . The shrilling scream resounded in the deep valley .

Little Golden Dragon covered his ears . He said annoyingly, “You are so noisy, useless thing . When you torture other little girls and boys, don’t you think their screams are good? Don’t you enjoy their look of despair? Why, now it’s your turn, shouldn’t you feel happy and enjoy it!”

The miserable scream lasted for 5 minutes . Those bugs that appeared out of nowhere suddenly disappeared like a tide as if they had received a command .

At this time, Mr . Liao’s face full of biting flesh and blood . He was already out of breath .

However, the thin spiritual power under the mountain began to enter his body, repairing his fatal wounds . It allowed him to be sober to endure the pain and suffering, but he could not die .

Little Golden Dragon said with a laughter, “How? Boss’ medicine is powerful? At twelve hours every day, you body will emit a fragrance that attracts insects and ants for five minutes every hour . After five minutes, it will become the fragrant that the insects hate the most . This can ensure that you will be suffering for every moment, but you can’t die . ”

“No ... no ... please... for... forgive...” Mr . Liao’s voice was husky . The panic in his eyes turned into tears and despair, “Please, please ... please kill me ... kill me.....”

The smile on Little Golden Dragon’s face suddenly became cold . He smirked, “When the people you tortured beg for your mercy, did you spare them? Now in this dark and humid ground where you can’t see the sun, you can feel the despair and torture they once experienced; feel their curse and resentment . ”

“Finally, there is another sentence that my boss wants me to bring to you . There are karma and justice in this world . Do you think God will spare a perverted scum like you?”

As Little Golden Dragon finished speaking, he quickly set up a sound-proof enchantment in the valley, then he flew away from this place leisurely .

He couldn’t wait to go back to his boss . He was afraid that he would spit out the monster essence pill he consumed for taking another glance at this scum .

Under the crack, Mr . Liao just felt that the screaming and crying of those girls and boys constantly resounded in his ears .

Then, the ferocious and malicious faces constantly appeared in front of him . Each of them was bruised and crippled . They were stretching out their bone-like claws toward him, asking him to pay his life .

“Ahhh!” Mr . Liao screamed miserably and passed out .

However, his journey to hell was far from over .

Chapter 569

In Breaking Spirit Mountain, Hexi re-examined the injuries on her body . She found that Nangong Yu used some kind of method that she didn’t know, and those internal injuries that took at least half a month to recover were now almost recovered .

Purple Abyss Vine was also nourished by [Yin Yang Lotus Jade], slowly recovering as before . Now the main vine was bustling with life, and it did not look deprived like a few days ago .

Hexi breathed a sigh of relief . She and decided to enter the fourth-order magical beast area . After all, she might still meet the pervert Feng Yunjing here . Feng Yunjing was not what she could handle now .

To go to enchantment, she naturally had to pass by where Feng Lianying and Nie Jincheng were now .

Hexi let Little Egg completely hide his spiritual power, and used light steps to reach the border between the rank five magical beast and the rank four magical beast area .

From a distance, she heard Feng Lianying's moaning and the man's rough roar .

There was a sneer in the corner of Hexi's mouth, but she didn't bother looking at them . She went straight through the enchantment of the rank four magical beast area .

Most of the martial artists from Breaking Spirit Mountain were all disciples of the famous sect . Therefore, they rarely went to the blackmarket where a place specially prepared for non-martial artists . Therefore, no one here knew that the video of Feng Lianying having sexual intercourse was spread to the entire Miluo Continent .

However, the people of Feng Family and the major families in Breaking Spirit Mountain would also see this video soon . How ugly would Feng Family's face look like by that time?

Thinking of Nangong Yu who did all this for her, Hexi was a little worried .

She knew that Nangong Yu must be doing something very important, but no matter how she asked, Nangong Yu would only tell that there was nothing more important than her .

Nangong Yu, whose his clone has returned to the original body, is he all right?

However, Hexi, who was worried about Nangong Yu, didn't know that Nangong Yu was stepping on a pool of blood on the ground now . He was looking at the corpse across the square in the sect with a sinister smile .

Everyone who looked at him at this moment had only one thought in their mind:This person is a devil!

However, the Azure Dragon who followed Nangong Yu could see his feeble state and pale face at a glance .

Master actually cast a clone and tear through space to save the princess, this ... This is really for the princess . Nevermind the plan and revenge, he doesn't even care about his life .

Azure Dragon clenched his hand tightly . He lowered his voice after a while, "Master, are you all right?"

Nangong Yu didn't answer him, but he just said lightly, "How is the Wu Gou's progress over there?"

After hearing Nangong Yu's mention of the matter, Azure Dragon no longer dared to think wildly . He said quickly, "Wu Gou will breach this Nine Turn Earth Mysterious Array in about five minutes ."

Azure Dragon and Nangong Yu didn't lower their voices at all when discussing this . The martial artists, who initially looked terrified, looked despair when they heard this .

Suddenly, a white-bearded old man stepped out and yelled at Nangong Yu, “Nangong Yu, I didn’t expect you to be such an ungrateful animal . Both the Feng Family and Liu Li Sect treat you well, and our patriarch even saved your life . Not only you are not grateful, you even requite kindness with enmity, trying to eliminate Liu Li Sect . ”

“Nangong Yu, aren’t you afraid of suffering divine retribution and ending up being thundered to death by the sky?”

“Saved me?” Nangong Yu smirked; his eyes were cold and indifferent . His gaze on them was as if he was looking at death corpse . “Elder Feng, you know better than anyone whether Feng Family is my benefactor or enemy . ”

[The King of Hell's Genius Pampered Wife](#)

Chapter 570

“You really thought I was ignorant at that time, so you could use a few lies to coax me?Hehe, or did you tell too many lies that you think they are true?”

The bearded elder man called Elder Feng’s face suddenly changed . He stumbled and stepped back, then he spoke in a trembled, “You ... you bullshit, what enemy? You ... don’t simply find a reason for being ungrateful!”

Nangong Yu looked at him coldly like he was looking at a clown . “I originally wanted to let you live a little longer, but you did something that you shouldn’t; you shouldn’t touch the person that I care the most . ”

“Since you are digging your own grave, then don’t blame me for counting the old and new hatred together!”

Elder Feng was trembling under Nangong Yu’s terrifying Shura like eyes, then he screamed, “You ... Nangong Yu, do you know the consequences of doing this today? How dare you kill so many disciples of Liu Li Sect . The Feng Family will never let you go! ”

Nangong Yu raised his eyebrows slightly . His handsome face looked extraordinarily fine and charming under the bloody sunset . It was a face that could turn people upside down . But at the moment, Liu Li Sect disciple only felt that he was more horrible than devil .

“Feng Family won’t let me go?” Nangong Yu chuckled leisurely, “Then, I will kill you all, and don’t let Feng Family know for the time being, wouldn’t that be fine? Wait until I eliminate Feng Family in the future, you all can reunite in hell . I won’t be late to complain to the Feng Family by then!”

The mountain where Liu Li Sect was isolated by Wu Gou’s enchantment; no sound or information could be transmitted .

When Nangong Yu sneaked into Liu Li Sect, he chose the magical beast forest that nobody else would ever think of . So, as long as Liu Li Sect’s people were completely killed, it was impossible for anyone to know that Nangong Yu eliminated Liu Li Sect .

“You-you-Nangong Yu, you are going to far!” Elder Feng was so angry that the muscle and beard on his face trembled, then he roared, “You really think that you can destroy Liu Li Sect with you Nangong Yu alone? Stop dreaming! ”

“We Liu Li Sect is one of the four major sects . Even if you are very talented, you are only at the intermediate level of the Nascent Soul stage . I don’t believe that we can’t beat you if all of us will join forces!”

As soon as Elder Feng spoke, he rose into the sky . He immediately broke out of the range of Liu Li Sect’s Mountain Guard Array .

At the same time, there were three men of the initial of Nascent Soul Stage flying together with him .

The three men surrounded Nangong Yu, and they all stirred up with their spiritual power . Their faces were full of ghastly murderous intentions .

Just when the three were about to make a move, an excited voice suddenly came from not far away, “Master, Nine Turn Earth Mysterious Array is breached!”

Before the words were finished, the light shield that was surrounding the whole sect trembled and disappeared without a trace .

A cold, bloodthirsty smile evoked at the corner of Nangong Yu’s mouth . He raised his hand that was long, fair and well-proportioned joint .

Then, he waved leisurely, “Kill-!”

It was just a short word, but the mountain shook and the weather changed instantly .

Countless martial artists wearing black armor came out from all directions with a murderous vibe . They were charging at panic Liu Li Sect’s disciple .

Liu Li Sect’s disciple’s face was full of astonishment and fear . Their hands that were holding magic weapons were shaking . The arrays they cast were disrupted . Their eyes were full of disbelief .
