The King of Hell's Genius Pampered Wife

Chapter 611

In Ouyang Haoxuan's arms, Ouyang Zhixiong's eyes turned white, and he spat out blood .

The crimson eyes turned pale and silent .

The moment when Bai Sha just broke his heart meridian, he also shattered his dantian .

He was no longer alive .

Scarlet blood seemed to flow endlessly, pouring out of Ouyang Zhixiong's mouth .

Ouyang Haoxuan grabbed his hand tightly and tried to send his spiritual power in, shouting with a dying tone, "Father ... don't ... don't die ... I ... I will take you to Xi Yue ... She will definitely save you ... Daddy ... do you hear me? Don't die ... Don't leave me ... Daddy ... "

However, how could a person with a broken Dantian and heart meridian be able to receive spiritual power again .

All the efforts were in vain, and he could do nothing done except watching his father dying

Ouyang Zhixiong grabbed his son's hand with his backhand . The pair of hands that were originally wide and powerful were covered with blood at this time .

The cold blood stuck to the palm of Ouyang Haoxuan as if it covered all the light in life .

"Haoxuan ... run ..." Ouyang Zhixiong clenched his hand tightly, saying each word with difficulty, "Run now... Don't condense sadness ... Don't ... Condense Five Elements Spirit Pearl . Quickly ... quickly run... Live! Be sure to live! "

After finishing the last word, Ouyang Zhixiong finally loosened his hands, closed his eyes and lost his voice .

"Daddy — !!! Daddy ——— !!!!!!"

Ouyang Haoxuan froze in place; his eyes were empty and blank .

All hope, all fear, all happiness and expectation were bursting like a bubble . They all left him .

He stood up slowly . The dark and silent pupil looked at Bai Sha and Feng Yunjing .

Deep in the pupil, a string of scarlet flames burned little by little, and it boiled little by little .

He suddenly laughed lowly, but his voice hoarse had a bitter tenderness, "It's gone, my parents, my home... all gone ..."

"But you are still alive, why are you murderers who killed my parents, alive?"

"Hahahaha... Feng Family, Feng Yunjing! You caught my parents, tortured them, and killed them in front of me . You forced me to a desperate situation . What do you want to do?"

The creepy tenderness suddenly turned into hysterical madness . Ouyang Haoxuan’s hair that was tied by the hair crown suddenly rose up high without wind .

It was like a huge wind rising from his body, taking his body as the axis and spreading throughout the cave .

The powerful scorching heatwave caused the men in black to start to stagger . Some even made a painful sullen snort .

Feng Yunjing and Bai Sha also had dignified expressions, but there were more joy and excitement in their eyes .

Such a powerful spiritual power fluctuation, such a hot temperature, it seems that Five Elements Spirit Pearl is definitely on Ouyang Haoxuan .

And it is most likely to be a Fire Element Spirit Pearl .

Sure enough, a layer of golden flames slowly burned in his dantian, then it gradually condensed .

In the constant rotation, the golden flame slowly gathered together and turned into a bead in the size of a small nail .

The bead showed a bloody red color, gently shaking in the Dantian of Ouyang Haoxuan and radiating golden light from time to time .

“Fire Element Spirit Pearl!!!” Feng Yunjing whispered excitedly, “It’s really Fire Element Spirit Pearl!!!”

Chapter 612

Bai Sha was trembling with excitement . “As long as we can get the Fire Element Spirit Pearl, our Feng Family will unify the Miluo Continent and rise to the upper realm .

Feng Yunjing barely suppressed his excitement and shouted, “Immediately get the spirit pearl!”

Bai Sha immediately responded . He channeled his spiritual power and rushed toward Ouyang Haoxuan .

However, before waiting for Bai Sha to approach Ouyang Haoxuan, a dazzling light suddenly burst out from his dantian .

As soon as Bai Sha touched the light, he felt a burning pain all over his body .

He hurriedly blocked with spiritual power before barely supporting it .

Ouyang Haoxuan’s low, hoarse laughter came from not far away, “So what you want is this, Fire Element Spirit Pearl . ”

“For this, you killed my parents, destroyed my family, and forced me to such a desperate situation . ”

“Feng Yunjing, do you really want this Fire Element Spirit Pearl? Then take a look, do you have any life to get it!”

As soon as the voice fell, the heatwave that had been surging suddenly became even hotter .

Feng Yunjing cast the Rakshasa Flag to protect his surroundings to then barely block the heatwave .

However, when he looked at Ouyang Haoxuan, his expression changed abruptly, “No, he will fuse the Fire Element Spirit Pearl to explode Jindan, you guys stop him now!”

After Feng Yunjing’s order, the men in black around him assaulted Ouyang Haoxuan .

Innumerable flying sword magic weapons shot toward Ouyang Haoxuan .

However, before the flying swords got close to Ouyang Haoxuan, they were all melting as if they encountered a blazing flame .

This is a magic weapon forged with rare materials . Why would it be melted?!

Everyone was stunned by the terrifying power of Fire Element Spirit Pearl .

At this time, Ouyang Haoxuan can clearly feel the fragmentation of his gold core and the collapse of dantian in his body .

He felt the scorching heatwave that roasted the flying sword wrapped his body little by little .

It burned his dantian, burned his meridians, and melted his bones .

This was a kind of pain that ordinary people simply couldn’t bear . His cultivation was disappearing little by little, and the life-sustaining flesh and bones were swallowed and melted bit by bit .

Heartbreaking and all bones eroding couldn’t compare to it in the slightest .

But Ouyang Haoxuan still kept a smile . The face that was flushing red was still revealing a crazy smile .

He had nothing to lose now .

For revenge, he could give everything and endure everything .

His meridians, skeletons and dantian were all gone, but there was another powerful fire spiritual power supporting his body so that he could live and be able to exert powerful power .

He was going to kill the animals in front of him at all costs!

“Feng Yunjing, you will all die!!! I want you all to be buried with my parents!!!”

The fiery red spiritual power surged out of his body and swept toward Feng Yunjing and Bai Sha .

Those well trained black-shirted men did not hesitate to block in front of Feng Yunjing without waiting for orders .

One by one, they operated the spiritual power in their body and cast their magic weapons, trying to block the attack of the red spiritual power .

However, this red spiritual power actually swallowed them effortlessly with just a touch .

These people only felt a powerful force that burned souls, then they lost consciousness .

In this dim cave, they did not even leave corpses and clothes .

Chapter 613

Bai Sha's face had turned pale at this time . He pushed Feng Yunjing behind him and shouted, "Master, let's go now!"

"With the combination between Five Elements Spirit Pearl and the self-explosive power of Jindan, Ouyang Haoxuan's current strength is definitely not something we can compete with ."

"But as long as it lasts for a while, his body can't bear the power of Five Elements Spirit Pearl, and it will completely collapse . By then Five Elements Spirit Pearl is ours!"

Feng Yunjing nodded quickly . He quickly cast a Rakshasa Flag to wrap around him, then they walked toward the cave .

But will Ouyang Haoxuan give them a chance to escape?

A fiery spiritual power waved again, slashing hard toward the two .

Bai Sha felt a scorching heatwave behind him, and his face changed greatly .

He turned around and quickly cast a huge bell, blocking himself and Feng Yunjing behind him .

Later, he did not care about this bell and pulled Feng Yunjing out of the cave quickly .

The night outside the cave was already night . It was a starless moonless night . A cool breeze hit their face, making Bai Sha relieved .

He said in a deep voice: "Young Master, let's hide first ..."

Before Bai Sha's words could finish his word, his face changed suddenly .

The bell behind him made a painful sound, and it shattered into pieces under one hit by Ouyang Haoxuan's blow .

The next second, Ouyang Haoxuan's figure flew behind him like a flame, exuding a flame that burned his skin and meat .

Bai Sha showed a bit of panic in his eyes . Without thinking about it, he stretched out the protective cover and took out his defensive magic weapon anxiously .

But his strong protective cover was fragile like a piece of paper . It was suddenly burned by a powerful fire spiritual power and disappeared .

"Ah, no—!!"

Bai Sha made a stern shout, a pair of hands pierce into his dantian before he could say anything .

The scorching burning power instantly burned his dantian and internal organs into ashes .

Bai Sha's mouth opened wide, and his face was full of panic and unwillingness .

Then he fell to the ground, twitched a few times, and lost his life forever .

Ouyang Haoxuan stood in the same place as like a Shura, looking at Bai Sha's body . He suddenly made a gave a laugh, but the voice seemed to be a cry of despair and sorrow .

"Daddy ... do you see it? I'm getting revenge ... for you ..."

After talking, the scarlet's gaze suddenly looked at Feng Yunjing who was aside .

Feng Yunjing shuddered . He looked at Bai Sha's hollow hole in his stomach . His burned dantian was still glowing, then it was dragged out like it was pulling out by a needle .

"... It's your turn ... you ... die for my... parents ...Arh~~~~~"

Ouyang Haoxuan opened and closed his lips with difficulty, spitting out hoarse words .

The fire spiritual power of his body burned wildly, and his hair fluttered without wind . The pair of eyes were as red as fire, and he seemed to lose his senses at all .

There was a low roar in his throat, which was not like a human voice, but like a beast .

Feng Yunjing took a deep breath, and he raised his Rakshasa Flag in his hand suddenly .

A huge black air shrouded from the sky . The momentum was overwhelming, bringing a chilling wind .

Ouyang Haoxuan didn't seem to see the black gas at all, nor could he feel the coldness and the underground cave .

His intellect at this time has completely disappeared, leaving only the instinct of slaughter and hatred .

The fiery elements of fire boiled and burst inside him, driving him to pounce on Feng Yunjing .

Chapter 614

Feng Yunjing's muscles and nerves were tense all over his body, and his hands quickly formed a gesture, controlling the dark shadows condensed in the Rakshasa Flag to swallow Ouyang Haoxuan .

However, as soon as the shadow came into contact with the blood of Ouyang Haoxuan, he shivered in extreme agony and retreated in fear .

Feng Yunjing's complexion changed so much that he had no time to dodge, and Ouyang Haoxuan had hit his shoulder with a palm .

Feng Yunjing was blown back . He only felt a burning pain in his left shoulder, then he lost consciousness again .

He turned his head in horror and found that a hole in his left shoulder was melted by the fire element .

Both his flesh and the bones were burned by the terrible fire spiritual power .

Ouyang Haoxuan raised another beast-like roar in the sky, staring at Feng Yunjing brutally with crimson eyes . He charged at Feng Yunjing again with a murderous intention .

At this moment, Feng Yunjing's face finally showed some fear .

He shivered as he took out a whistle and put it on his mouth, blowing the whistle in a hurry and panic .

Expensive and powerful magic weapons were taken out by him and blocked in front of him . His trembling hands controlled the magic weapons, and he could not hide his fears .

Seeing that Ouyang Haoxuan was about to reach him, suddenly the fire spiritual power on Ouyang Haoxuan's body was like a flame that extinguished after the fuel was gone .

Ouyang Haoxuan stumbled down on the ground . His body was dark . After the heat was gone, he was still twitching and shaking .

Feng Yunjing was stunned for a moment, then he overjoyed .

Ouyang Haoxuan's power of self-explosive gold core finally could not support the powerful power of Fire Element Spirit Pearl and collapse .

He stood up with the severe pain in his shoulder . As he just stood still, a few shadows appeared in front of him . They bowed to him as they said, "Young Master!"

Feng Yunjing pointed to Ouyang Haoxuan on the ground and said in a deep voice, "Tie him up and put him in a ten thousand years darksteel (a type of fictional rare material) cage . Let's go right away . "

The movement just now was too big . Although he has covered up with the array, it was hard to guarantee for a master like Shen Sen to not discover it on Breaking Spirit Mountain .

The men in black bowed and responded, then they rushed toward Ouyang Haoxuan who had fallen to the ground .

One of the men in black transfigured a darksteel cage in his hand .

He opened the iron door of the cage and said to his companions, "Throw him in . "

The companions around him nodded as they bent over to grab Ouyang Haoxuan .

As his hand just grabbed Ouyang Haoxuan's hair, Ouyang Haoxuan, who seemed to be unconscious, suddenly looked up .

The man in black retrieved his hand abruptly, making a short scream subconsciously .

Because at this moment, he met a pair of crimson eyes . This was a pair of scary eyes he had never seen before .

It was scarlet like blood, but his eyeballs weren't round as usual, but they became vertical pupils like a beast .

There was no trace of sanity and consciousness in those eyes . The only thing left was the instinct of killing, bloodlust and wild .

As the man in black shouted, before he could warn his companions he felt a black shadow rushing toward him . There was a piercing and burning pain on his shoulder .

Immediately afterward, he couldn't even make a scream . He was torn into two into half forcefully .

Everyone was stunned by the scene before them .

Blood, internal organs, fur, eyes; all horrible things flying in the air and rolling on the ground .

Chapter 615

After the people knew what had happened, they discovered that Ouyang Haoxuan, who was lying there, disappeared .

Feng Yunjing looked cloudy . He bit his lips, “Find him! Search every place on this mountain foot . You must find Ouyang Haoxuan!!”

During this Breaking Spirit Mountain trip, they lost so many Gold Core stage masters and lost their faces . Now even Bai Sha, the Nascent Soul stage master, had died in the hands of Ouyang Haoxuan . He even gave up the plan to take Xi Yue back just to get the Five Elements Spirit Pearl .

If he can't bring back Five Elements Spirit Pearl, how should he explain to his father and elders?!

Feng Yunjing took a few deep breaths, and it took a while to endure the pain in his shoulders and the tyranny in his heart . “This area has been surrounded by our enchantment . He will never escape . Find him for me as soon as possible . Never let Five Elements Spirit Pearl fell into the hands of others!”

“Yes, young master!”

In the silent night, Ouyang Haoxuan walked through the icy mountains .

There was a low, broken sound from time to time in his throat, and the blood-red horror pupils looked distracted .

He could feel that his body was constantly breaking down, and all his organs and meridians were burned as if they would be turned into ashes and completely scattered in the next moment .

However, there was like a strong force in the body, supporting him to live .

I must live!

I still have important things to do! !

Ouyang Haoxuan couldn't remember how long he had been walking, let alone where the destination was . He just kept moving forward, making a low roar .

Someone rushed over, holding an illuminating stone and attacking him .

He forgot who these people were, but he instinctively felt disgusted . He tore them apart with bloody claws .

All his sanity seemed to be all burned; his memory and emotions were lost little by little just like his life slowly reaching the end .

Until there was a surprised voice in his ear, “Ouyang Haoxuan ——? !!!”

It was clear and transparent like the morning dew drops in the red water .

It's so nice!Ouyang Haoxuan thought . I seem to hear this voice before!

===

Hexi looked at the dark shadow in front of her with dim light . She could not believe her eyes .

The man in front of me, no, maybe it should be a humanlike creature, is Ouyang Haoxuan?

The skin on his whole body seemed to be burnt by something . Except for the pair of scarlet eyes and a face, every other exposed area was scorched . There was even a disgusting rotten smell .

But the most terrifying thing was the breath emanating from him .

Hexi was a doctor, so she knew how to diagnose someone .

She didn't have to check Ouyang Haoxuan's pulse to determine that all vitality in this person was long gone .

Not to mention his dantian and meridian, even the ordinary internal organs and respiratory tract were burned .

But the strange thing was that he could still moved with such a collapsed body, and he could even emanate such a terrifying killing intention .

Especially the horrifying power that loomed out of him, before Hexi approached, she already instinctively felt fear .

The current Ouyang Haoxuan was more light a mobile corpse with a powerful threat instead of a human .

Hexi wanted to ask him what happened .

However, the footsteps behind her were getting closer and more rapid .

Chapter 616

Hexi didn't have much time to think . She grabbed Ouyang Haoxuan, took him slightly up in the air, and clung it on the mountain wall .

Ouyang Haoxuan opened his mouth, exhaling a hot breath, and his throat gave a muffled beastlike roar .

Hexi stretched out her hand and covered his mouth, saying in a low tone, "If you don't want to die, don't make a sound ."

The cold and silky little hands were attached to his face and lips, bringing a coolness like an ice spring .

Ouyang Haoxuan's original scarlet eyes flashed, his body was stiff and tight, but he really calmed down .

Under the wall of the mountain, a group of black-shirted men hurriedly rushed over .

They examined the torn bodies and searched back and forth several times .

After confirming that there was no trace of Ouyang Haoxuan, they slowly moved away from this place .

Hexi dragged Ouyang Haoxuan down from the mountain .

As she was about to let go of Ouyang Haoxuan, her shoulders were suddenly caught .

Ouyang Haoxuan's hands have become pitted as if every inch of his skin had been burnt, exuding a rancid smell .

He opened his scarlet eyes wide and stared closely at Hexi .

Suddenly, the eyes were full of pain, despair, hatred, brutality, and cruelty .

A muffled roar coming between his lips and teeth, but all the sounds were closer to a beast than a normal person .

Hexi felt pain on her shoulder that was being clutched, but she didn't break away from him . She looked into his eyes instead, "Ouyang Haoxuan, what do you want me to do?"

"Father... Mo... ther..." A hoarse voice spit coming out from Ouyang Haoxuan's mouth . It was husky and trembling, and it had the hint of begging desperately, "Cave... corpse... buried... into the ground..."

As Hexi heard this, her pupils shrank suddenly .

Does Ouyang Haoxuan mean that General Ouyang and Mrs . Ouyang are both dead? Their bodies are in the cave?

How could this be?

I only had just met General Ouyang before Big Hunting Match . He and Ouyang Haoxuan even spoke together a few hours ago .

In just a few hours, what has happened to General Ouyang and Mrs . Ouyang that killed them, and Ouyang Haoxuan turns into such a beast?

Looking at Ouyang Haoxuan's bloodthirsty eyes, Hexi shuddered . She nodded and said, "You can rest assured . I understand what you mean, and I will find your parents' bodies and burry them . "

The scarlet in Ouyang Haoxuan's eyes flashed, staring at the Hexi's clear eyes in the darkness .

In the center of his eyes seemed to be churning out countless words and feelings, wanting to speak and expressing .

However, it was too late; too late!

"Be careful of... the Feng Family... Xi Yue, I..."

The last voice was disappearing in the cold wind . Ouyang Haoxuan's body fell straight down . His head fell on Hexi's shoulder, and all his voice was lost .

No breathing; no heartbeat; no pulse .

Ouyang Haoxuan... is dead?!

Hexi's eyes widened incredulously . Her eyes were full of horror, anger, and hatred .

Feng Family, it is Feng Family again!!

How many people do they want to kill before they are satisfied?!

Hexi took a deep breath, masked the anger and hatred in her eyes, and gently supported Ouyang Haoxuan's stiff body .

Her hand stopped suddenly, and her face revealed a surprised expression .

Ouyang Haoxuan's body clearly had no pulse and heartbeat, nor could she feel any vitality, but there was a powerful force trembling in his dantian .

[The King of Hell's Genius Pampered Wife](#)

Chapter 617

At the moment when Ouyang Haoxuan's heartbeat stopped, this force seemed to replace the role of the heart and began to beat rhythmically.

Moreover, with the beating, a weak force passed from Ouyang Haoxuan's dantian to all his limbs.

Hexi was surprised. Little Egg's voice suddenly came in his ear. "Mom, this brother is so strange. He died obviously, but his soul has not faded yet. His the spiritual power is still running just like he is alive."

"And Little Egg feels that the power in his stomach is familiar,um... It seems nice to smell and taste delicious. It's very similar to the taste of mom.

Hexi moved his heart and frowned, thinking: Is Ouyang Haoxuan still alive? However, his heartbeat and breathing stopped, even if I'm a miracle healer, I don't know how to save him.

As she was hesitating, she faintly heard the footsteps of the black-shirted men coming from far away.

Hexi's heart was tight. Before she could think much, she kept Ouyang Haoxuan into the storage ring and threw him into the void.

In fact, the storage ring could not store people but only dead things. Not to mention that there was no spiritual power and air in the storage ring, so it was impossible for living people to stay.

But now Ouyang Haoxuan's situation was different. He has no breathing and no heartbeat which was no different from the dead. The storage ring could naturally put him in.

Hexi did not dare to stay in place, but she moved quietly along the mountain wall with qinggong [1].

She also remembered Ouyang Haoxuan's request to find the bodies of the General Ouyang and his wife in the cave.

About five minutes later, Hexi touched the entrance of the cave with no accident.

As the saying goes, the most dangerous place is the safest place.

The people of the Feng Family just had a conflict with Ouyang Haoxuan here, so they didn't expect that Ouyang Haoxuan would come back here, so the guards here were the most relaxed.

Hexi easily dealt with the two Meridians stage martial artists at the entrance with Purple Abyss Vine and invisible needle, then she quickly infiltrated into the hole.

There were only illuminating stones in the cave; the light was dim.

However, when Hexi saw the scene in front of her, she took a deep breath in awe.

Whether it was the naked Mrs. Ouyang who died with her eyes open or General Ouyang whose legs were cut off and lying in the pool of blood, that scene was terrible.

It was like a living hell.

It is no wonder that Ouyang Haoxuan will not be able to withstand the stimulation and turned into his current state.

Hexi took a deep breath and walked quickly to Mrs. Ouyang, squatted down and gently closed her eyes.

She took out a soft cotton shirt and wrapping Mrs. Ouyang's scarred body in it, then it was included in the storage space.

In front of her, she could still vaguely remembered Mrs. Ouyang weeping for joy a few months ago, and she was thankful to her.

Regardless of the details, General Ouyang and Mrs. Ouyang loved Ouyang Haoxuan so much.

Watching the loved one who loved him died in front of him, how desperate and sad was Ouyang Haoxuan?

Hexi walked to General Ouyang's body and retrieved his two severed legs.

As she was about to put General Ouyang into the storage ring, her hand pressing on General Ouyang's chest stunned a little.

A glimmer of light flashed in his eyes, then Hexi quickly took out the silver needle for acupuncture and struck it quickly into the major acupoints of Ouyang Zhixiong.

After a moment, Ouyang Zhixiong moaned and slowly opened his eyes.

Chapter 618

“General Ouyang, how are you?”

Ouyang Zhixiong's face looked confused for a while, and his eyes looked dispirited, but after a moment, his body twitched suddenly, then grabbed Hexi's wrist, “Haoxuan... Haoxuan... my son...”

Hexi's bone made a creaky sound being clutched by his blood-stained hands, but her face did not show a bit of pain . She just said with a calm expression, “General Ouyang, rest assured, I have met Ouyang Haoxuan, he let me rescue you . ”

“Haoxuan... is fine...?” Ouyang Zhixiong didn’t believe it, and he asked with a hoarse tone, “Feng Yunjing... let him go?”

Hexi nodded and said, “Ouyang Haoxuan was injured, but I will heal him . ”

“It’s great... great...” The hot tears fell from Ouyang Zhixiong’s eyes with despair and hope, “Miracle Healer Xi, please save him... make sure you save him!”

Hexi only felt sour in her heart . She held Ouyang Zhixiong’s hand and said in a hoarse voice, “You can rest assured about that . I was able to heal his meridians previously, so this time I can still save him . ”

“Thank you... At least Haoxuan can be saved... That’s great...”

Ouyang Zhixiong’s face showed a gratifying smile, and the initial vitality that appeared slowly disappeared again . “Miracle Healer Xi, it’s great that... you can accompany him... I want you to tell my son... Sorry that his dad and mom can’t stay with him anymore... leaving him alone... However, he still has you fortunately...”

Hexi said in a deep voice, “General Ouyang, please don’t say that, I will find some ways to save you ...”

“No... No... I... I’m going to accompany Xiangyun ...” Ouyang Zhixiong said softly in a hoarse voice . “Xiangyun has always been timid and afraid of loneliness . I’m afraid she will be waiting alone in the afterworld, and she will be sad... I... I am going to accompany her... I promised her... to always be with her...”

“Young Master Xi, thank you!” Ouyang Zhixiong reached out and pulled out a black wood carving from his arm, shoving it into Hexi’s hands . He said softly, “It’s really... good... that I can see you before I die... I have nothing to repay you... This is... Zhenwei Army’s commander’s seal... ”

“Although the Zhenwei Arm ... nominally belongs to the army of the Jinling Royal Family, in fact it is... actually my private army... they only follow my command... Young Master Xi, you can take this seal . Together with Haoxuan... Haoxuan’s identity, you can mobilize 100,000 troops... I’m entrusting Zhenwei Army and Haoxuan... to you... ”

“Feng Family... Feng Family—— !!!” Ouyang Zhixiong’s body twitched, then his eyes turned white again, “You must revenge on Feng Family for me-!!!”

As soon he said that, he suddenly lost his breath, but his eyes were still staring; his eyes full of hatred and unwillingness .

Hexi sighed softly, closed his eyes for him, and put his body into the storage ring .

As she spread open her slender palm, there was a black jade carved into the shape of a magical beast .

The word “Zhenwei” was inscribed below the jade . This was the seal that could mobilize 100,000 Zhenwei Army .

General Ouyang gave this army seal to her was to repay her kindness, and on the other hand, he wanted her to ensure his son’s safety .

The King of Hell's Genius Pampered Wife

Chapter 619

Because even if Zhenwei Army was Ouyang Family's private army, if she wanted to mobilize 100,000 troops, it was definitely not enough to rely on a piece of jade seal .

Only Ouyang Haoxuan's identity and General Ouyang's seal could truly mobilize 100,000 troops .

Hexi put the commander's seal into the space . Without thinking more, she turned and left the cave .

However, just after walking out of the cave, her complexion suddenly changed .

Immediately afterward, in the dark mountains ahead, a dazzling light lit up, illuminating her solitary figure .

Feng Yunjing's somber voice came slowly from the open space, "Xi Yue, do you have to go against our Feng Family every time?"

Hexi narrowed her eyes and looked at the man who came out slowly under the light . She sneered, "You might as well ask you, Feng Family, why do you always do something that is too abhorrent, and I always encounter it . "

Feng Yunjing's eyes suddenly froze, and a powerful spirit pressure came, "Where is Ouyang Haoxuan?"

"Ouyang Haoxuan?" Hexi showed a surprised look . She frowned as she spoke, "I was just going down the mountain and inadvertently entered this cave, then I saw the tragic death of General Ouyang and Mrs . Ouyang . Just now I was still thinking who was so heartless that they actually tortured General Ouyang and his wife to such a terrible state and even killed them . "

"Hehe, now I got it, it turned out to be you . This kind of cruel thing is really the style of your Feng Family!"

Hexi watched the eyes of Feng Yunjing and others full of disgust and contempt, "You didn't even let the weak Mrs . Ouyang live, and you even did such beastly things to her . Feng Yunjing, Ouyang Family, what kind of hatred do you have with them . You even want to kill the women and children? Your Feng Family is so heartless, aren't you afraid of being condemned by god retribution?"

Hexi questioned loudly; her expression was furious, and it had a bit of shock and doubt . There was no flaw in her eyes .

Feng Yunjing felt a little moved in his heart . He frowned, "You really don't know where Ouyang Haoxuan is?"

"I am the one who wants to ask you where is Ouyang Haoxuan!" Hexi said sharply, "You killed General Ouyang and his wife, are you even going to kill Ouyang Haoxuan? Did you kill him yourself, and now you pretend to not know where is he?"

When Hexi spoke that, Feng Yunjing's face became more and more ugly .

A black-shirted man soon came around and whispered anxiously, "Young Master, we have gone through every inch of the foot of the mountain, but we still can't find the trace of Ouyang Haoxuan . "

Several other black-shirted men hurriedly entered the cave, searched around, and shook their heads toward Feng Yunjing .

Ouyang Haoxuan seemed to have disappeared out of thin air in this world .

A black-shirted man trembling voice sounded in Feng Yunjing's ear, "Young Master, could it be that Ouyang Haoxuan broke through our enchantments and escape with his weird cultivation?"

As soon as he said this, the anger and fierceness in Feng Yunjing's eyes could even raise a storm .

Feng Yunjing's ice-cold gaze looked at Hexi . He sneered, "Xi Yue, I don't care if you are hiding Ouyang Haoxuan . Since I can't get Ouyang Haoxuan, at least it's good to get you back . "

After he said that, he waved his hand .

The black-shirted men rushed forward immediately and surrounded Hexi in the center efficiently .

Hexi sneered, "Feng Yunjing, but it is still within the scope of Breaking Spirit Mountain . Don't you forget that there is a consensus among the four major sects . You can't kill anyone during the Big Hunting Match . "

[The King of Hell's Genius Pampered Wife](#)

Chapter 620

You actually dared to kill General Ouyang and Mrs . Ouyang at the foot of Breaking Spirit Mountain, and now you even say that you want to kidnap me? Aren't you afraid that the other three major sects will condemn you Feng Family?

"What a joke!" Feng Yunjing sneered . "The people and things that Feng Yunjing asks for, I will always get them . He is only a general of the Jinling Kingdom . He is just an ant in my eyes . So what if I kill him? What can the Jinling Kingdom do to me? "

"As for the other three major sects, do you think they would go against the Feng Family for you Xi Yue?Hehe, Xi Yue, don't dream!

His eyes narrowed slightly, and he slowly walked forward . The falcon-like gaze fixed on Hexi as if he was going to swallow her . "Xi Yue, this time, you came to deliver yourself to me, then you don't even think of escaping from my hand! "

"Oh, is it?" Instead of panicking, Hexi smiled lowly . The smile was full of provocation and contempt . "Feng Yunjing, do you dare to speak those words in front of these people behind you again? "

Feng Yunjing's face changed suddenly . He suddenly turned around and he met Shen Sen's ambiguous smiling face .

Behind Shen Sen were the disciples of Qingxia Sect, as well as Emperor Shangguan Wenji and Prince Shangguanqi of the Jinling Kingdom .

Shen Sen's cold eyes looked at Feng Yunjing and slowly said, "Young Master Feng, I just heard you say that you killed the General Ouyang and his wife like you are just stepping on two ants . I don't know if it is true?"

Feng Yunjing's eyebrows frowned slightly, and he glanced at Hexi with his eyes full of anger and coldness .

He snorted coldly, then he said lightly, "Elder Shen, don't you think you are bothering others' business too much? Whether it is Ouyang Zhixiong or Xi Yue, it seems that they have nothing to do with your Qingxia Sect right?"

Shen Sen's face sank . He said fiercely, "They have nothing to do with my Qingxia Sect, but Master Feng, don't forget, Big Hunting Match has regulations that no one can be killed during the competition, let alone in killing anyone in the Breaking Spirit Mountain . This is the rule we set together, does Feng Family want to break the rule? "

Feng Yunjing's eyes sank . He suddenly said, "Elder Shen, did you see my Feng Family killing anyone? You accuse me of killing people just base solely on Xi Yue's words, do you Qingxia Sect really think that our Feng Family is easy to bully? "

Shen Sen's expression looked stagnant . He indeed did not see Feng Yunjing killing anyone .

However, without waiting for them to speak, Hexi suddenly took a step forward and took out the General Ouyang and his wife body from the storage ring .

Her movements were gentle and solemn as if she was handling a fragile porcelain .

However, when she opened the white cloth covering General Ouyang and his wife, all the people present took a deep breath .

The broken body; the bruised scars; the broken limbs; each of them seemed to be telling the pain and torture that the General Ouyang couple had experienced before they died .

Even Shangguan Wenji couldn't help but exclaimed, "Sir Ouyang, how could... how could it be ?!"

Hexi stood up . Her cold eyes slowly looked at Feng Yunjing and the black-shirted man behind him .

The clear and cold voice echoed clearly in the silent night, "I accidentally went into the cave, and I saw this scene already . Mrs . Ouyang was dead, but General Ouyang still had his last breath . "

As soon as Hexi said that, Feng Yunjing's expression suddenly changed . His cold eyes stared at her deadly as if he would rush over to break her neck if she said one more sentence that she shouldn't say .
