

King of Hell 751

Chapter 751: The Day of Returning Home

Xi San nodded quickly, and he couldn't help but glance back with a confused face.

His Royal Highness King of Hell, who was rumored to kill people like flies, was reaching out his hand and gently stroking his Miss' cheek. His eyes filled with pampering and pity.

Princess... Princess! It turns out that King of Hell likes our Miss!

From now on, our Miss will be the King of Hell's wife!

God, that's the King of Hell! Wouldn't I be the manager of the King of Hell Mansion in the future?

Xi San felt that his footsteps floating even more. His hands and legs were moving at the same time. He stumbled from time to time, making Qing Luan look back at him frequently.

After Hexi sent away Xi San, she continued to study her prescription.

Besides, Nangong Yu was intimate with her enough. He also asked people to bring the official tasks of the King of Hell Mansion here, and he handled them right beside her.

Hexi raised her head occasionally. Looking at the man working seriously beside her, she couldn't help being moved.

This time, I really fell for it!

She could feel the throbbing in her heart. She would miss when she didn't see him; she would be happy when she sees him; she couldn't wait to be always with him; when she saw him getting close to another woman, she would feel annoyed; her heart would throb when seeing his serious working face...

Nangong Yu, in this unfamiliar and dangerous world, can I really stay with this man?

I surely can right?

===

This day was the day when Nalan Feixue brought her new husband Zhu Zhongba back to her home, but there was no festive atmosphere in the entire Nalan Mansion.

For Nalan Family, Zhu Family was definitely not a good relative, not to mention that the Miss of the Nalan Family was married to Zhu Zhongba who was stupid like a pig.

In this marriage, there were so many people laughing at the Nalan Family for disgracing themselves.

Although the Ouyang Family was now destroyed, compared to the young and talented Ouyang Haoxuan, Zhu Zhongba was really unworthy as compared to Ouyang Haoxuan.

When Nalan Family detested Ouyang Haoxuan whose meridian was broken, they canceled the engagement with the Ouyang Family. But now they married their baby daughter to Zhu Zhongba who already had a dozen of concubines. This was really a joke.

So for Nalan Zhengze, no matter who married, as long as the Nalan Family was marrying the Zhu Family, he wouldn't be happy.

As for Mrs. Nalan, she was very excited.

But she was just excited to laugh at Nalan Hexi. She patiently prepared the bridal chamber for her.

In the main hall, the Nalan Family's master and madam and Nalan Yurong were sitting in their seats, looking anxiously at the door.

The butler had just come to report that the new son-in-law was bringing his new wife home.

Sure enough, after a while, Zhu Zhongba's plump figure appeared at the entrance of the main hall.

He was still wearing a new red dress, and his face was full of vitality. Even his eyes were smiling triumphantly.

It was just that his body was too fat. The groom's red dress on him did not only look brave, but he looked more like a roasted pig which was really ridiculous.

After stepping in, Zhu Zhongba was about to step forward to salute Nalan Zhengze, realizing that the person behind him hadn't followed up.

He immediately turned around and pulled. He yelled, "What are you dilly-dallying for? Father-in-law and mother-in-law are still waiting for me to kowtow to them!"

Under this pull, a woman's figure appeared immediately behind Zhu Zhongba.

It was just that compared to Zhu Zhongba's vigorous face, the woman looked a lot dejected.

Chapter 752: She Is a Devil

As she was pulled by Zhu Zhongba, she staggered and almost fell to the ground, making a low sob.

When Mrs. Nalan saw the miserable appearance of the woman behind Zhu Zhongba, she was immediately exasperated. She subconsciously stood up and took a few steps forward.

When Zhu Zhongba saw her, he didn't mean to be too respectful. He just cupped his fist and sneered, "Greetings to mother-in-law..."

Mrs. Nalan had no time to chat with this fat pig. She waved her hand excitedly and said, "Quickly take Nalan He... Quickly bring the bride up to me!"

Let me see how miserable the bitch looks!

Zhu Zhongba thought that Mrs. Nalan missed the bride, he immediately pulled the natural silk in his hand, and exclaimed, "Have you not heard the way your mother-in-law calls you? Don't hurry up and lift up your head!"

Mrs. Nalan excitedly watched the bride shivered violently, then the bride slowly raised her head.

This was a beautiful and charming face, but at this moment, this face was haggard and sad; her eyes looked blurred and scared. There was a wound on her forehead, but it was treated with some ointment. The corners of her mouth were covered with bruises. It seemed unspeakable miserable.

But, if this face was not the Second Miss, Nalan Feixue from the Nalan Mansion, who would she be?!

When Mrs. Nalan saw this face, she couldn't help being stiff, and then she screamed, "Fei... Feixue!!"

Hearing the words "Feixue", Nalan Feixue's originally dilated pupils slowly focused. When she saw her mother, she finally couldn't help crying out, "Mother! Mother! Help me! Save me! Mother! I'm Feixue..."

"Impossible! How is this possible?!" Mrs. Nalan rushed up crazily, grabbing Nalan Feixue's face and pulling her to the side, "You lie to me, you must be lying to me! Is that bitch Nalan Hexi pretending to be you?"

"Ah... mother, I'm Feixue! I'm really Feixue!"

Nalan Feixue desperately avoided Mrs. Nalan's tugging and cried out loudly, "Mother, it's all because of Nalan Hexi. She framed me and made me fall into this situation. She is a devil! Devil! Mother, you must save me!"

Mrs. Nalan took a step back staggeringly, and the bun on her head was loosened by the violent movement.

At this time, she was like a crazy woman. Her eyes were bloodshot, and her body was shaking. She kept mumbling, "No! No way! This is absolutely impossible! It should be Nalan Hexi who was married, why would it be Feixue? Why is it my baby girl Feixue?!"

Zhu Zhongba understood the conversation between the two persons even though he was stupid.

The thought that he almost married the devil, Nalan Hexi, he couldn't help being afraid for a while.

Although this Nalan Feixue was also arrogant at first, she became honest after being punished by his father.

Moreover, Nalan Feixue's appearance was so delicate and beautiful; her body was soft and white. She was even prettier than his concubines. He wasn't done with playing her yet!

Thinking of this, Zhu Zhongba pulled the natural silk in his hand and snorted coldly, "Mother-in-law, what do you mean by this? I obviously have an engagement with Feixue, but you guys wanted to marry the Third Miss to me? Hmph, aren't you afraid that I will report this to the sixth prince and the crown prince for deceiving them."

Chapter 753: Unbelievable

Zhu Zhongba laughed, humiliating her indifferently. He pinched her plump chest, then he said condescendingly, "However, now that I married Nalan Feixue, I'll forget it. However, since Feixue has married my family, she is a member of my Zhu Family. In the future, I think she should go back to the Nalan Family lesser."

“Ahhh!! No, I don’t want!!” Nalan Feixue shouted as she pushed away Zhu Zhongba, rushing toward Nalan Zhengze and Nalan Yurong.

“Father, save me! I don’t want to go back to the Zhu Family. That is not a place for people to stay. They beat me up, and even sealed my cultivation. I also heard Zhu Yiqun said that he wanted to treat me like a furnace to let Zhu Zhongba absorb my vitality (this can be referred to the arts of chamber)!”

“Father, I’m Feixue. I’m your most beloved daughter, not the bitch Nalan Hexi. Please save me...”

“Elder sister, please save me. Please master, let the Zhu Family issue the divorce. Elder Sister, I’m beggin you, wuuuuu...”

Nalan Yurong looked at the desperate and embarrassed sister who was kneeling in front of him and crying. Her face also looked terribly gloomy, and she almost bit her teeth until bleeding.

“Nalan Hexi, Nalan Hexi, I actually underestimated you!”

Nalan Feixue hugged Nalan Yurong’s feet and cried loudly, “Elder sister, please, please help me!”

Nalan Yurong took a deep breath, and she pushed her sister’s hand lightly. She said lightly, “Feixue, stop making trouble, for whatever reason, you are now married to Zhu Family’s young master, and you have become his woman. In that case, you better go back with Master Zhu obediently. Don’t make a big fuss outside, lest you lose the face of our Nalan Family!”

“You... what did you say?!!!” Nalan Feixue’s eyes widened suddenly, and she stepped back in disbelief.

She murmured over and over again in her mouth, “Elder sister, are you lying to me? You are lying to me, right? I’m your sister of the same father and mother. You used to love me the most. You... how could you say that?”

Nalan Yurong sneered and looked at her condescendingly. There was a hint of contempt in her eyes, “Feixue, you can only blame yourself for being stupid. You have been framed by Nalan Hexi again and again. Even my perfect plan has a flaw now. Since that’s the case, you should just accept your fate. After all, you are already Young Master Zhu’s woman!”

Zhu Zhongba was both delighted and proud when he heard this. He laughed and said, “The elder sister is really righteous. No wonder everyone praises you as the most dazzling jewel of the Nalan Family. Feixue and I have long had intimate contact. She is my Zhu Family’s legitimate wife. My father has instructed me to bring her back so that I can love her move, hahaha...”

Nalan Feixue shook her head desperately, looking at her magnificent elder sister, but her heart was full of strangeness.

The contemptuous and cold eyes made her fearful and injured heart riddled with holes.

Nalan Feixue rushed in front of Nalan Zhengze, crying loudly, “Father, father, save me! I’m your daughter!”

Nalan Zhengze frowned and said sternly, “What are you crying for? It should be a festive day for your return. Look at your crying face, how ugly is that? Do you want our Nalan Family to be a laughing stock again?”

From the far gate, someone was already looking into the main hall.

Chapter 754: Abandon

In the past, she thought that she was being loved the most, but now in the moment of interest, these relatives, who loved her previously, pushed her back to hell without hesitation.

Nalan Zhengze coughed and said, "Zhongba, Feixue is my daughter after all; the Second Miss of my Nalan Family. You must treat her well, otherwise our Nalan Family will never forgive you."

Although this was a threat, it showed no confidence at all.

Zhu Zhongba chuckled and said, "My father-in-law, don't worry, as long as Feixue doesn't make trouble, I can't wait to love her. How could I abuse her! Feixue, don't you think so?"

Nalan Feixue raised her head and met Zhu Zhongba's lewd smile, and her body trembled violently.

She still clearly remembered the disgusting fat man who stripped her clothes last night, dripped hot candle oil on her body, and whipped her with a whip.

Ahhh! Such a living hell, I don't want to continue it even if I die!

"Mother! Mother..." Nalan Feixue could only look back for the mother who loved her most. "Mother, you must save me!"

Since Mrs. Nalan just discovered the identity of Nalan Feixue, she sat there obediently as if her soul was lost.

Hearing Nalan Feixue's call at this time, her body trembled suddenly.

After that, her eyes turned white, and the corners of her mouth began to salivate. Her body trembled like she was having a seizure.

Without waiting for Nalan Feixue to speak, she suddenly violently rushed toward Nalan Feixue, "Bitch, Nalan Hexi, you bitch, you dare to frame my daughter. I will kill you! I will kill you—!!"

"Mother, mother, it's me... ah ah... mother..."

Nalan Feixue kept yelling, but Mrs. Nalan couldn't hear her at all. She was completely crazy, unleashing her craziness at someone.

Nalan Yurong had to knock Mrs. Nalan out helplessly and let the servant tie up Mrs. Nalan with a rope.

Nalan Yurong looked at Nalan Feixue, whose face was scratched at one side, "Feixue, you are so ignorant. You know that your mother has an old illness. I asked the master to use medicine to suppress it, but you stimulated mother because of that little things, triggering her disease again. If mother never gets better, can you take the responsibility?"

Nalan Zhengze also frowned; his face was gloomy.

He cupped his fist at Zhu Zhongba and said, "Something has happened in my mansion, sorry for letting Zhongba seeing such a joke. Why don't we cancel the banquet today? You bring Feixue home first. A few days later, I will invite you and Feixue again."

Zhu Zhongba couldn't wait to say goodbye to the people of Nalan Mansion. Seeing that they didn't care about Nalan Feixue's life or death, he was overjoyed. He dragged Nalan Feixue and said, "Then we will leave first!"

"Father, mother, elder sister, save me...save me..."

When being dragged away by Zhu Zhongba and the guards of the Zhu Mansion, Nalan Feixue was still crying for help. However, at this time her voice was already full of despair and resentment.

Nalan Mansion, Nalan Zhengze, Nalan Yurong, they all abandoned her!

After being thrown into the carriage by Zhu Zhongba, Nalan Feixue's head hit the carriage wall heavily. Zhu Zhongba immediately rushed to tear her clothes and shouted, "Little bitch, have you given up now? No one from the Nalan Family will step up for you. From now on, I can do whatever I want with you, hahaha..."

Chapter 755: Made in Heaven

The pedestrians on both sides of the road couldn't help pointing at the carriage and gossiping.

"I heard that it is the young master of the Zhu Family and the Second Miss of the Nalan Mansion. Today is the day they return home after newly married."

"Oh, but even newly married can't be so shameless. This is on the street..."

"Tze tze, I really don't know what Nalan Family is thinking. Sticking a flower into the cow dung."

In the carriage, Nalan Feixue closed her eyes, and tears streaming down her eyes.

Her hands were clenched into fists, and her nails were deeply embedded in her flesh. Her hands were bleeding out, but she didn't notice anything.

At this moment, she hated Nalan Yurong and Nalan Zhengze even more than Nalan Hexi.

Nalan Hexi is my enemy. I wanted to harm Nalan Hexi, and Nalan Hexi wanted to harm me; this is understandable.

But, Nalan Yurong, she is my elder sister! Nalan Zhengze is my biological father!

How could they be so cruel!? How can they abandon me just like that!

Nalan Feixue gritted her teeth, revealing a hideous twisted smile at the corner of her mouth.

===

At this time, Hexi had already returned to Xin Yue House and decided to complete her finishing work at Nalan Mansion.

Qing Luan set up the tea set, cooked the tea skillfully, poured the tea, and finally handed the teacup to Hexi's hand.

Hexi took a sip and couldn't help but praise, "Qing Luan, your tea art is really getting better and better. I'm used to the tea you make, and I can't drink ordinary tea anymore."

Qing Luan was immediately delighted, "Compared to Miss' cooking skills, I'm far behind. If Miss doesn't dislike it, I will stay with Miss forever and make tea for you."

Hexi pursed her mouth and said, "You're the confidant guard carefully trained by King of Hell Mansion. If you just follow me to be a tea master, isn't that too wasteful?"

Qing Luan immediately shook her head again and again, "No at all, not a waste at all! I'm willing to follow you! As long as you don't..."

Hexi laughed and said, "You sound like you are my maid. Nangong Yu is your master right?"

"Sooner or later, Miss will marry into the King of Hell Mansion and become the princess!" Qing Luan took it for granted. "I'm master's maid, and of course I'm also Miss' maid."

Hexi blushed and said proudly, "Bah, who said I will marry Nangong Yu that rascal."

She remembered someone's hot breath in her ears last night. The hoarse voice, that seemed to be able to catch fire, whispered in her ear, "Xi'er, if you don't marry me soon, I'm afraid I can't restrain myself from 'eating' you up before getting married."

The ending was of course someone being kicked out of bed by her. But now thinking of someone's fiery embrace and the look in his eyes as if to swallow her into his stomach, she couldn't help but feel palpitations.

Qing Luan didn't say anything. In her opinion, the only one who could be worthy of her master in this world was Miss, and the only one who could be worthy of Miss was naturally her master!

The two are a match made in heaven, how can they not be together?

Hexi took out a few exquisite refreshments from the void and greeted Qing Luan and Mai Xiang to eat together. She suddenly said as if she thought of something, "Qing Luan, Mai Xiang, why not I teach you two how to cook spiritual food when I'm free a few days later?"

"Mi, Miss, I... I can learn?" Mai Xiang was trembling with excitement, and her voice stuttered.

Qing Luan was also overjoyed. She had eaten Hexi's foods several times. The foods were so delicious that even the top spirit chefs couldn't cook.

Chapter 756: Came to Settle Score

But, with such top-notch cooking skills, Miss is willing to teach us so simply?

Hexi said disapprovingly, "What can't you learn? If you two learn it, then in the future, my master, Wu Yu, Bai Hu and the other guys come to ask for food, you can help me deal with them.

When she first came to Miluo Continent, her cooking skills were also taught by Mammy Chen and Xiao Li.

It was just that things had changed. Mammy Chen was dead. Although Xiao Li was still alive, her cultivation was lost. She was now busy cultivating, so her cooking skills were also lost.

Mai Xiang and Qing Luan, one was clever and the other was calm and wise, and they were clever in handling daily tasks, so it was just nice to let them learn the cooking skills.

Hexi smiled and looked at the two, "Are you two willing to learn?"

"Yes! Yes! Of course I do!" Mai Xiang and Qing Luan nodded desperately, and Mai Xiang's tears dropped with excitement, "Miss, I... it's really great for me to meet you, oooh~"

Hexi was so dumbfounded by these two little girls. As she wanted to order Mai Xiang to not bother her, her expression looked stern, "Someone is coming."

Mai Xiang stopped crying immediately. She stood up and walked to the room. Her cultivation was low, staying here would only cause trouble for Hexi.

Qing Luan stood beside Hexi and whispered, "Miss, is it the people from the Nalan Family?"

Hexi took a sip of tea and smiled slowly, "En, someone is here to settle the score."

Not long after she spoke, the door of Xin Yue House was smashed open.

Nalan Yurong appeared at the entrance of Xin Yue House, followed by several martial artists from Meridians Stage. Mrs. Nalan with messy hair and bloodshot eyes was there too.

Seeing Hexi, Nalan Yurong's pupils shrank suddenly. Her eyes were filled with jealousy, "Nalan Hexi, you are still here?"

Hexi put down the teacup and smiled delightedly, "Elder sister is really weird. If I'm not here, where should I be?"

Nalan Yurong gritted her teeth and stared at her fiercely, "Nalan Hexi, you are just an illegitimate child of unknown origin. You have no outstanding appearance and talent. You should have been trampled in the mud. How dare you show off in front of us? Have you forgotten how you knelt in front of the servants of the Nalan Family and begged them to give you a bowl of rice?"

"A person like you, do you think you are worthy of His Royal Highness King of Hell? I asked you to marry the Zhu Family to replace Feixue. It was originally a way for you to survive. Who knew that you would seek the hard way!"

Hexi sneered and said, "What kind of talent does Elder Sister think is worthy of King of Hell? Are you, Elder Sister mentioning yourself? What a pity, I remember that King of Hell beat up Elder Sister in front of everyone, and he even said that you are ugly. It has only been a few days, did Elder Sister forget about it?"

"Bitch, you shut up!!" Speaking of this, Nalan Yurong could no longer maintain her noble appearance, and she raised the volume and shouted in anger, "You bitch, you caused Feixue to marry that fat pig, Zhu Zhongba, and you seduced King of Hell, causing him to misunderstand me. I will never let you go!"

Standing aside, Mrs. Nalan, whose eyes were still somewhat distracted, heard Nalan Yurong's sentence "You caused Feixue to marry that fat pig, Zhu Zhongba" and immediately recovered.

Chapter 757: You Can Try

However, before she rushed to Hexi, Mrs. Nalan was kicked flying by Qing Luan.

Although Qing Luan didn't add spiritual power to her feet, the strength was extremely high, and Mrs. Nalan had a very low level of cultivation. In addition, her body was weak due to repeated troublesome incidents.

She flew to the wall, spouting a lot of blood.

Nalan Yurong's eyes widened. She couldn't believe that Nalan Hexi actually allowed her maid to beat Mrs. Nalan.

Mrs. Nalan was now unconscious. She didn't want to bring her over here initially.

But thinking of Mrs. Nalan's identity as Hexi's stepmother, she still asked Mrs. Nalan to take the pill to suppress the madness and bring her over.

However, she didn't expect Nalan Hexi to be so bold.

She raised her eyebrows, pointed at Hexi, and shouted sharply, "Nalan Hexi, are you crazy? She is your stepmother. You allow your maid to beat your stepmother! Are you not afraid of being condemned by God for offending and disobeying the elder?"

Hexi looked at her disdainfully, "You, Nalan Yurong, are not afraid of being condemned by God for doing all the bad things, why should I be afraid of?"

Nalan Yurong felt a little thump in her heart.

What did Nalan Hexi know? Did she know that when I was young, I caught a lot of innocent people to test medicine in order to learn how to refine the xue jie pill taught by master? Or did she know I committed the incident that Mammy Chen's cultivation was ruined for being wronged harming her master?

Nalan Yurong was shocked. When she saw Hexi's half-smiling face, she burst into anger.

"Nalan Hexi, what nonsense are you talking about? Don't think that you can sit back and relax with King of Hell supporting you." A strong murderous intent flashed in her eyes, and she coldly looked at the shameless girl in front of her.

"Nalan Hexi, if you die in this Xin Yue House, I will strip off your clothes and put you together with the corpse of the servants. By the time, I will tell the people of King of Hell Mansion that you, slutty bitch, commit adultery with the servants, and you commit suicide due to shame for being caught on the spot. Do you really think King of Hell Mansion will retrieve a dirty corpse by then?"

Hexi said "Oh", looked at Nalan Yurong with a half-smile, raised her eyebrows, and said, "Does Elder Sister want to kill me? You can try it!"

Nalan Yurong's eyes shrank and she waved her hand.

The Meridians Stage martial artists behind her immediately rushed up and charged toward Hexi fiercely.

But how would Qing Luan let them succeed, the long sword in her hand was launched, and her figure flew up.

“Clang”, she alone blocked the attacks of several Meridians Stage martial artists.

Nalan Yurong looked at Qing Luan’s terrifying skills and frowned fiercely.

When she looked at Nalan Hexi again, she was already full of jealousy, “This maid is also given to you by King of Hell right? The people of King of Hell Mansion are really powerful. However, one person can’t fight with numerous people. Nalan Hexi, now no one can save you. Die now!”

As soon as Nalan Yurong spoke, her spiritual power spiked; the power of the Meridians Stage burst out.

In an instant, a huge water snake rose into the sky and rushed toward Hexi.

Hexi watched as the oncoming turbulent water snake, and she was about to make a move, but there was a small black figure appeared in front of her suddenly.

Chapter 758: Real Spiritual Pe

Little Golden Dragon’s cocky voice could be heard, “Boss, it’s not your turn to deal with this kind of character, let me deal with her!”

As it said, it suddenly shot out a fire dragon. Although the fire dragon was not big, it completely evaporated the water snake when it wrapped around the water snake.

Nalan Yurong’s face was full of shock.

Didn’t they say that Nalan Hexi has no cultivation? Then how can she subdue spiritual pet?

To subdue a high-level spiritual, when signing a contract, it is easy to be backfired by the contract, making the martial artist seriously hurt.

Nalan Hexi doesn’t have any cultivation, how can she subdue the spiritual pet? Could it be that His Royal Highness King of Hell helped her?

When he thought of this, Nalan Yurong’s beautiful face was distorted. Everything in her heart and mind was replaced by hatred.

How can Nalan Hexi, a bitch, be favored by the King of Hell? Why is it not me, Nalan Yurong? How am I incomparable to Nalan Hexi?

After the water snake was put out, Little Golden Dragon triumphantly waved its tail at Hexi, “Boss, am I good?”

As soon as it spoke, the other two also popped out of the void.

The first one who came out was Little Dumb Cow. It had always been dumb and silly. When it came out of the void, it didn’t maintain its balance well, and it directly fell with its head touching the ground first.

With short hooves swaying in mid-air, he took a long time to roll over and get up.

However, before he could stand firm, he saw a pink piglet falling from the sky and banging on it again, directly using him as a cushion.

Little Egg raised his head, met Hexi's gaze, and immediately said with a cute smile, "Mom, we're here to help you!"

As he said, he stood up quickly and grinned at Nalan Yurong in front of him, "Really annoying, there are so many old women in this place. You all are obviously old and ugly, but you still covet my daddy. Such a character like you, how can you be comparable to my mom? You aren't even worthy of holding my mom's shoes. Hmph!"

Little Dumb Cow crawled up in a stagger, trying to learn from Little Egg and staring at Nalan Yurong.

But it was born with a pair of small green bean eyes, no matter how it glared, it didn't have any deterrence. It made it look more silly instead, making people couldn't help but want to laugh.

Little Golden Dragon wagged his tail in the air and said, "What are you two guys doing? Didn't you see how handsome I just appeared? You two stupid look has just ruined my just handsome image. Go back, quickly go back!"

Hexi touched her forehead: Little Dragon, do you think your dumb and cute Tyrannosaurus look is much better than them?

"I don't want to!" Little Egg held his little paw and said angrily, "I also want to help my mother beat the bad guys, you are not allowed to drive us back, Little Dragon, or I won't play with you in the future!"

Only then the Little Golden Dragon shut up dejectedly, but he still couldn't help mumbling, "Then you guys don't hold me back, I finally got a chance to perform in front of the boss."

Nalan Yurong looked at Hexi's three little pets, who were dumb and young. She couldn't see the slightest spiritual power fluctuations all over her body. Suddenly, she changed from shock to ridicule, "You see, what kind of owner will have what kind of pets; a bunch of waste."

"Today, I will let you see, what is a real spiritual pet!"

After speaking, Nalan Yurong made a seal on her left hand, and a majestic black panther appeared beside her instantly.

Hexi recognized at a glance, this was a rank four magical beast, and it was also the black mountain panther that was rather powerful among the rank four magical beasts. Its specialty was fast speed and mastered wind and thunder element spells.

Chapter 759: Battle Between Spiritual Pets

As soon as the black panther appeared, it immediately roared in Hexi's direction with murderous intent in its eyes.

Little Egg covered his nose and complained, "It smells so smelly! Really what kind of owner will have what kind of spiritual pet. Nevermind the master is so old and ugly, even her spiritual pet is so stinky. Carrying such a stinky pet, aren't you afraid of being stunk to death!"

Little Golden Dragon also sneezed. He said disgustingly, "It's so stinky, let's get rid of it quickly, so as not to make our nose suffer!"

Little Dumb Cow was silly. Seeing that Little Egg and Little Golden Dragon were covering their noses, it slowly stretched out its paws to cover its nose too. A word came out of its mouth, "Stinky!"

Little Dumb Cow opened its mind later than Little Egg and Little Golden Dragon. It was only after being Hexi's spiritual pet and drinking the Ninth Secluded Spirit Spring, it gradually gained a little wisdom. It could speak a few words now.

Of course, compared to the talkative Little Egg and Little Golden Dragon, it was totally incomparable.

Nalan Yurong was trembling all over by their disgusting words. She waved her hand at the black panther and said angrily, "Tear all these wastes to pieces for me!"

After the black panther got the order, its figure instantly turned into lightning, rushing toward the three little ones.

There was a gust of wind in the room, and there was also the crackling sound of thunder and lightning.

The black panther was already agile, and with the acceleration of wind and thunder and lightning, it was as fast as lightning.

Seeing that the three little ones were too late to react and were about to be torn to pieces by the black panther, Nalan Yurong smiled triumphantly.

However, the next moment, her smile froze at the corner of her mouth.

There was only a loud bang in her ear. The black panther's figure in the air was suddenly bounced away.

The huge black panther slammed into the shelf, and the things on the shelf fell to pieces.

The black panther also convulsed on the ground. It got up in a stagger after a while, but its sobbing sound was full of pain.

On the side of the three little ones, Little Dumb Cow used the protective shield to knock the panther away. Only now it reacted with hindsight.

In fact, it activated its protective shield with its instinct. It didn't intend to use such a rough method to punish the black panther.

Little Dumb Cow was depressed, but Little Egg ran over and touched its head. He praised him like an adult, "Little Cow, good job!"

Little Dumb Cow suddenly turned from sad to joy; it had a happy face, which made Little Golden Dragon feel depressed.

Nalan Yurong was stunned.

They are obviously just three palm-size pets without spiritual power fluctuations. Why can they knock back my spiritual pet? My black mountain panther is the spiritual pet of the peak of the rank four magical beasts! Ordinary Meridians Stage martial artists are definitely not its opponent?

Nalan Yurong stared at the black mountain panther on the side and screamed, "Get up now! If you don't punish them, I won't let you go after we go back!"

The black mountain panther whimpered. Its body trembled, then it had to cast the gale again and rushed toward the three little ones.

This time, Little Golden Dragon stopped in front of Little Egg and Little Dumb Cow.

When the black mountain panther rushed to his front, he released his powerful dragon demeanor.

The dragon and the phoenix were the kings of the beasts; the golden flying dragon was even the high rank noble among the dragons. Wherever the dragon goes, all beasts will prostrate and worship the dragon.

The black mountain panther's body suddenly stopped in the air and began to tremble violently.

Afterward, it seemed to be possessed. It slowly bent its knees, crawling in front of the Little Golden Dragon and making a murmur of surrendering sound.

Chapter 760: Problematic Children

He flew a little forward and landed beside the black panther. He then said while looking up proudly, "You're a magical beast in the mountains, why follow this vicious and shameless woman and let her use you? You even help her to do evil things?"

The black mountain panther made a whining sound as if telling something wronged and unwilling.

Little Golden Dragon nodded twice as if showing kindness, "Well, since you are not willing, I will help you to get out of the possession of this woman."

After speaking, he stretched out his paw, secretly bit one of his scales, then stuffed it into the black mountain panther's mouth.

As the scale entered the black mountain panther's body, the black mountain panther suddenly let out a long and stern cry. The black hairs all over its body erected.

The next moment, the black mountain panther jumped up into the sky, turned around, and stared at Nalan Yurong with a fierce look.

At this moment, the majestic black panther in front of her was no longer her obedient pet, but a fierce beast that wanted take her life.

Nalan Yurong's eyes widened in horror, watching the scene before her in disbelief.

She hadn't seen the action of Little Golden Dragon just now, so she couldn't understand why the little dragon just said a few words, and her pet panther rebelled against her. It even looked like wanting to eat her up.

However, the black mountain panther did not rush toward Nalan Yurong, but it turned around and whimpered twice to the Little Golden Dragon. It then broke through the roof, rose into the air, and disappeared in the sky.

"Come back!!" Nalan Yurong screamed, "You're my spiritual pet. Master helped me to subdue you with difficulty, how can you run away! You beast, come back now."

What responded to her was the falling tiles from the roof and the whistling wind as if mocking her for her stupidity and ignorance.

Little Egg looked at Little Golden Dragon admiringly. His big eyes were gleaming, "Little Dragon, what did that stinky big panther say to you? You can actually understand the animal language? You are as good as Sister Xiaoli."

Little Golden Dragon grabbed his dragon horn suddenly and laughed, "I don't understand. I just fooled the big black guy, but I didn't expect him to fall for it so easily. Hmm, it must be that old woman is too annoying. That big black guy wanted to leave a long time ago. It just so happened that today I was kind and gave him a chance."

The scales of the Golden Flying Dragon had a powerful dragon demeanor. If the low rank magical beasts consume it, it could strengthen the beast's aura in a short time and restrain the constraints of various arrays.

Although the black mountain panther had signed a master-servant contract with Nalan Yurong, Nalan Yurong's cultivation was too low. In addition, she subdued the black mountain panther with the help of the other, so it was unwilling. After it got the dragon scale, the black mountain panther immediately got rid of the restraint of the master-servant contract and escaped.

As soon as Little Egg heard that Little Golden Dragon could not understand animal language, he rolled his eyes and turned around with detest to show his little butt.

Little Dumb Cow also learned from him. It slowly turned around to show his butt to the Little Golden Dragon.

It made Little Golden Dragon scream frantically, "Boss, look at them, it's too much! Boss, you quickly teach them a lesson!"

Hexi face-palmed. She really had the illusion that she had opened a kindergarten to raise a group of problematic children.

Nalan Yurong saw that her black mountain panther spiritual pet wasn't coming back, and her face was pale.

She glared at Hexi, gritted her teeth, and slowly said, "Nalan Hexi, I think I have overestimated you again and again, but I didn't expect to underestimate you in the end."
