

King of Hell 911

Chapter 911: Blind Worship

“What Fairy Zhixi? Wait, is it... Is it Lu Zhixi who is known as the Miluo’s Twin Beauties with Ice Lotus Fairy? That Doctors Association’s president Lu Xuyang’s only daughter?!”

“Who else can be called Fairy Zhixi besides her?!”

“Also, don’t compare that shameless Feng Lianying with Fairy Zhixi. Regardless of medical skills, character or cultivation level, Fairy Zhixi is much better than Ice Lotus Fairy!”

“Yeah! In the Doctors Association, who didn’t know that Fairy Zhixi didn’t rely on her father to get her current status. It is all achieved by her own talent!”

“Hmph! Feng Lianying can be called Miluo’s Twin Beauties because of the power and influence of the Cang Ming Kingdom and Feng Family. Fairy Zhixi has never boasted about herself outside, so Fairy Zhixi’s name isn’t much more famous than Feng Lianying in the Cang Ming Kingdom and Jing Ling Kingdom. However, who doesn’t know which one of them is better?”

“I heard that Fairy Zhixi also gives free medicine to low-level martial artists every year and also gives free medical treatment to the poor. She really has a kind heart.”

But some people were puzzled and asked the people around him in a low voice, “Since Fairy Zhixi is so kind, why is her fellow junior sister apprentice so arrogant?”

The person being asked was stunned. He immediately lowered his voice excitedly, “It is because Fairy Zhixi’s junior sister apprentice is so arrogant, that it seems that Fairy Zhixi’s brilliance is more precious, isn’t it? She obviously is more noble and has higher medical skills and cultivation than Ren Xueling, but she relied on her identity and power to do evil indiscriminately. Instead, she helps countless martial artists. Fairy Zhixi is simply the goddess of my dreams. If my future wife can have 1/10 of Fairy Zhixi, I’m satisfied!”

After the woman in green clothes appeared, such comments sounded in every corner of the street.

Everyone looked at the woman in green clothes with reverence, admiration, and enthusiasm. Even when Hexi met Feng Lianying in King of Hell Mansion or Hundred Herb Mist, those martial artists were not so enthusiastic about Feng Lianying.

Just now, Fairy Zhixi’s junior sister apprentice Ren Xueling had just hurt the people on the strike and cast ice seal on the innocent. But when Fairy Zhixi appeared, the people in Yongan City quickly forgot Ren Xueling’s evil deeds. There was only blind worship.

But the woman in green clothes named Lu Zhixi seemed to have been accustomed to such scenes.

There was neither arrogance nor reverence on her face; there was only a calm expression.

At this time, Lu Zhixi stood in front of Ren Xueling with a cold expression and a glamorous face. It was in stark contrast with Ren Xueling, whose face was bruised and swollen. It also made her skin looked more snow white and her facial features looked bright and beautiful.

As Lu Zhixi heard the cry of junior sister apprentice, she nodded slightly toward the pinky girl, "This girl, my junior sister apprentice is a little arrogant and unruly, but not to the extend of killing her. Please forgive her."

The pinky girl stared at Lu Zhixi's face for a while, and she suddenly said heartlessly, "Big sister, you are so beautiful, even more beautiful than my third senior sister. But why are you stopping me from hitting this ugly monster? She is a bad guy. She also wanted to kill me just now!"

Lu Zhixi was startled. Before she could react, a maid wearing a green dress beside Zhixi yelled at the pinky girl, "How dare you calling her big sister? Which village do you come from? You actually dare to be rude to my miss!"

TL: Who can guarantee that Lu Zhixi isn't like Feng Lianying? Maybe she just hasn't been exposed yet...

Chapter 912: Accept Your Apology

The pinky girl was enraged hearing that. She put her hands on her waist and said angrily, "I'm rude? You're the rude one! Master said that Little Rabbit is the best behaved! You still call me a village girl! You are the village girl! Your whole family is village girls!"

The pinky girl pointed directly at the maid in green clothes and Ren Xueling, accusing them righteously.

Hexi, who listened by the side, was amused by the cute little girl. Just now she thought she was funny, but she didn't expect that she could even master the popular language on the Internet in her previous life.

The maid in green clothes, who followed Lu Zhixi, was always respected by others. When did she face such an accusation? Her facial expression changed drastically hearing that.

Before she could do anything, Lu Zhixi said with a solemn face, "Lu Yin, you are really getting more and more presumptuous! Quickly apologize to this girl!"

"Miss-!"

Under Lu Zhixi's icy gaze, the maid named Lu Yin had to apologize reluctantly, "Sorry, Lu Yin was rude just now."

Lu Zhixi also showed a kind expression toward the pinky girl, and she said softly, "Girl, if my junior sister apprentice has offended you, I apologize to you on her behalf. I hope you can forgive her."

Hearing what Lu Zhixi said so, Ren Xueling was immediately unwilling. She suddenly grabbed Lu Zhixi's hand and screamed, "Senior Sister, why? Why don't you avenge me? You even want me to apologize to her, this bitch..."

"Shut up!" Lu Zhixi's face turned gloomy suddenly, and she said coldly, "You went down the mountain without permission, I haven't settled this account with you yet! What's more, daddy has ordered that we can't bully others when we are outside, but you are always domineering in this Yongan City. You even almost kill someone! Such a behavior, aren't you afraid that daddy will punish you heavily?"

When Ren Xueling heard Lu Zhixi's words, she knew she was really angry. She didn't dare to say more.

But she was still looking at the pinky girl with eyes full of resentment. She was even thinking of various ways to kill her.

After Lu Zhixi warned Ren Xueling, she didn't bother her anymore. Instead, she looked at the pinky girl, "Girl, are you willing to forgive my junior sister apprentice?"

The pinky girl's chubby fist held her chin. After thinking for a while, she said, "Since you want to apologize for her, you can't just apologize to me. There are also those people who are onlookers who were hurt by your junior sister apprentice just now. You too should apologize to these people for her!"

Lu Zhixi was taken aback for a moment; her face turned a little unsightly for a while.

Does this girl really know nothing or does she deliberately humiliate me and make me apologize to the common citizen?

Most of the onlookers were full of admiration for Fairy Zhixi. How could they dare to accept any apology? They all waved their hands and said it was okay.

When the pinky girl saw that everyone was not bothered by it anymore, she waved her hand and said, "Okay, then I accept your apology."

Then she stopped looking at Lu Zhixi and ran in Hexi's direction.

"Mister, thank you for saving my life just now!" The pinky girl blushed and looked at Hexi with misty eyes. Her eyes were sparkling.

Hexi's senses toward the girl were really good. She only discovered later that the girl lacked the resistance to cute things.

Seeing this girl's sincere eyes, she smiled and said, "It's just a simple task, don't worry about it."

Chapter 913: Ugly Monster

The pinky girl who was the closest was even more charmed. She mumbled, "Mister, you really look pretty, even more pretty than the beautiful fairy sister just now!"

As soon as the girl said this, Qing Luan, Bai Hu and others couldn't help but laughed unceremoniously.

What a funny clown! Although she is telling the truth, haven't you seen that fairy sister is still there? Is it really good to just tell the truth in front of others?

The onlookers heard the girl's voice and couldn't help but cast their gazes on Hexi's face, and many people took a deep breath.

It was chaotic and thrilling just now, so no one noticed it.

At this moment, the men and women in this party were so gorgeous and charming!

Especially the boy who looked only 16 years old, his face was pretty and elegant; his snowy skin was even more transparent when exposed to the sun. It was a bit more beautiful than the best suet jade.

Although the young girl's words devalued Fairy Zhixi just now, at this moment, the young man really beat Fairy Zhixi in terms of being pretty.

What was even more surprising is that this boy was already outstanding enough, but the man in black standing next to him was not inferior to him.

Especially many women, just looking at the man in black, their hearts couldn't help beating fast as if they were about to jump out of their chests.

The handsomeness of the man in black was completely different from that of the young man. It was a kind of manliness and arrogance that exuded a majestic vibe from the inside out. It made people want to kneel under his feet just by just taking 1 look.

Because of the pinky girl's words and the exclamation of everyone, Lu Zhixi and Ren Xueling also looked over.

When they saw Hexi's face, Ren Xueling was taken aback. She almost blurted out instantaneously, "Senior Sister, that kid really looks better than you!"

Lu Zhixi frowned slightly. Before she could speak, she listened to Lu Yin said with affirmation, "What's so proud of a man having such a look!? Hmph, looking at his red lips and white teeth, and the appearance of a coquettish girly look, he isn't a good thing at first sight. Even dare to compare with our miss!"

Ren Xueling also remembered that this kid had just blocked her throwing knife, so she immediately nodded, "Hmph, don't let me run into that bitch and this damn kid again, otherwise I will teach them a good lesson!"

Lu Zhixi's gaze swept across Hexi, and she frowned a little; when she looked at Nangong Yu, she was taken aback.

After a while, she looked away with a hint of trance in her eyes.

"Miss, I think that woman is too arrogant. Why don't we teach her a lesson to stop talking nonsense."

Lu Zhixi did not nod or shook her head, but she slowly walked toward Hexi and her party.

When the pinky girl looked back and saw a few people, she immediately looked at Lu Zhixi strangely and said, "Didn't I already forgive you? Why aren't you leaving yet? What are you still doing here? I don't like talking to that ugly monster, you all can go now!"

Even Lu Zhixi was calm, she also couldn't help but be stunned hearing those words.

Ren Xueling behind her looked even more distorted with anger. She said sharply, "Bitch, if you dare to say 'ugly monster' one more time, I'll take your skin off!"

Chapter 914: Really Interesting

"I'll just say it! I'll just say it!" The pinky girl snorted coldly. She took out a big mirror and held it in front of Ren Xueling, "You're an ugly monster! Ugly monster! Ugly monster! I'm telling the truth. Come and take my skin off if you dare!"

Ren Xueling saw her face in the mirror, and her entire body froze.

In the mirror, the facial features of the person in the mirror were distorted. The face is full of bruises and swelling. The original facial features were somewhat uglier than the original bastard.

“Wa—!” Ren Xueling covered his face and ran away while crying.

“Junior sister apprentice!” Lu Zhixi shouted at her. Seeing Ren Xueling had run far away, she sighed

She looked back at the pinky girl and said, “Girl, as the saying goes, be easy on people. My junior sister apprentice has already been punished. Why should you be overbearing and humiliate her again?”

When the audience heard Lu Zhixi’s words, they also showed a reproach expression to the pinky girl.

The pinky girl had always been a cute little girl who was loved by everyone. At this time, everyone was looking at her with reproach, and she said with a flattened mouth and red eyes, “I’m not overbearing. Master said Little Rabbit is the most behaved... Little Rabbit never does bad things... Wuuu...”

Seeing her red eyes, Lu Zhixi said softly, “Girl, I don’t want to blame you. It’s just that you are still young, so you are still unclear of some reasons. I just don’t want you to go astray...”

“Fairy Zhixi is really interesting. Your junior sister apprentice went astray in the street, hurting the innocent, and sneak attacked. Isn’t this not going astray? Your own junior sister apprentice has gone astray, but you don’t care about it. Instead, you come to teach this little girl who has nothing to do with you?”

The speaker’s voice was clear and moving; the tone was calm, but every word made Fairy Zhixi’s face look a little ugly.

Lu Zhixi looked in the direction of the person who spoke, and Hexi’s beautiful face was reflected in her eyes, making her eyes flicker with a dark light.

The pinky girl was overjoyed when she heard the words. She looked at Hexi with teary eyes; she almost fell into her arms and cried.

Lu Zhixi looked at Hexi for a long while, but she couldn’t help but move her eyes half an inch toward Nangong Yu.

She saw Nangong Yu’s gaze did not leave Hexi for a moment and he had different expressions occasionally. He was also frowning while looking at the pinky girl with caution. It was like nothing could gain his attention.

Lu Zhixi frowned slightly. She thought in her mind: Is this... the rumored Royal Highness King of Hell?

The man who was loved by Feng Lianying, the so-called first peerless genius of the Miluo Continent. Now it seems that he is just an ordinary man.

However, as she thought so, her gaze still couldn’t help but drift to Nangong Yu’s face.

This man has a face that can make any woman fall in love. But it is not enough for a man to be handsome, I’m not as ignorant and stupid as Feng Lianying.

But why does this man not even look at me since the beginning?

A thousand thoughts in Lu Zhixi’s mind happened, but her face was always cold and calm. When she raised her head to meet Hexi’s half-smile cold gaze, she said faintly with a slight smile, “Mister, I didn’t

intend to reprimand her by saying that. It was just a kind reminder. Why should mister misunderstand me?

Chapter 915: Life-Saving Grace

Before Hexi had spoken yet, the pinky girl had put her hands on her waist and said, "Then you have finished reminding now, what are you doing here? You can also go now!"

Lu Zhixi's mouth twitched. It took a while to suppress the change in her facial expression. She bowed slightly toward Nangong Yu, "No matter what identity you all are, but after all, we were the first to be rude. I'm here to say sorry on behalf of my junior sister apprentice."

As she said, she looked at the pinky girl and smiled lightly, "Girl, no matter what happened, my junior sister apprentice is wrong. To apologize, if you have anything, within half a month, you can look for me at the city lord's mansion. That's where I live temporarily. As long as Zhixi can do it, I will definitely do it for you."

After speaking, without waiting for the pinky girl to speak, she left with her maid.

Only the people of Yongan City on the street were left, looking at her back with admiration and eagerness.

"Fairy Zhixi is as magnanimous as rumored; she is kind and benevolent!"

"Look how the young man and the girl in pink clothes offended Fairy Zhixi, she was not at all angry."

"I didn't expect Fairy Zhixi to live in our Yongan City for half a month. Doesn't it mean that we can see fairy every day?"

Everyone on the street was talking loudly, but the pinky girl pouted and said unhappily, "I don't like this fairy sister anymore. She doesn't know have manner all. Master said when talking to people, you must look at them to show respect. But when she just talked to me, she always looked aside. She must be looking down on me, hmph!"

Hexi was taken aback by the pinky girl's words, and then she looked at the man next to her thoughtfully. The half-smile in her gaze had a deep meaning.

Nangong Yu was taken aback for a moment and said in a low voice, "Xi'er, why do you look at me like this?"

Like I did something sorry to her?

Hexi pursed and snorted softly, "A man, who attracts bees and butterflies, can simply fascinate a butterfly for a stroll. His Royal Highness King of Hell's charm is really unparalleled!"

Nangong Yu was even more inexplicable. But looking at Hexi's proud and sly look, he felt itchy. He wished he could hold her in his arms now and be intimate.

The pinky girl finished talking about Lu Zhixi, but looked at Hexi with bright eyes: "Mister, my name is Mo Xiaotu (it meant little rabbit), you can call me Tu Tu (rabbit rabbit). Thank you for helping me today."

Hexi laughed: Mo Xiaotu, this name really suits this little girl.

“You have already thanked for the 3rd time. As I said, don’t worry about it.”

After that, she didn’t bother about the little girl anymore. Now that the show was finished and their shopping was almost done, they decided to rest in a teahouse.

As they just chose a teahouse and sat down in the private room, they saw Mo Xiaotu probed her head from the door, looking at Hexi eagerly and reluctantly.

Hexi had to ask her in helplessly, then she asked, “Why do you keep following us? Didn’t I tell you? It’s just a simple task for helping you. You don’t need to thank us anymore.”

“How can it be! You have a life-saving grace to me!” Mo Xiaotu said while clenching her chubby fist, “I remember senior fellow apprentice told me that life-saving grace should be repaid by marrying me to the life-saving person. Mister, I have decided to your life-saving grace. From now on, Mo Xiaotu will belong to you!”

Chapter 916: Princess’ Father?

What... what’s this all about!

Bai Hu immediately laughed out loud without holding back.

Luckily, Shen Qingchuo and Gu Liufeng sneaked out to go shopping before the carriage incident. Otherwise, if the 2 girls meet together, wouldn’t the scene be amusing?

Bai Hu had heard that Shen Qingchuo, the beloved daughter of Qingxia Sect, also regarded Hexi as a man at the beginning. She loved Hexi so much to the extent that she followed her to Jin Ling Kingdom Yanjing City for her.

Now that 1 Shen Qingchuo is not enough, another Mo Xiaotu appears unexpectedly; all of whom are fascinated by my princess.

Hahaha, the charm of princess is so great!

Nangong Yu’s face was gloomy. He looked at Mo Xiaotu with cold eyes, and he said coldly, “That sentence, say it again if you dare!”

Mo Xiaotu was taken aback by his gaze. Even her face turned pale. But she immediately recollected herself and said with righteous indignation with clenching her little fist, “I... I just want to marry this mister; I like him. You, who are you? Why are you so fierce to me? Are you the elder brother of mister? Could it be that... you are his father? You... You want to prevent me from being together with mister? Are you, as people said, the bad elder who breaks up the lovers?”

The more Mo Xiaotu said, the more somber and scary Nangong Yu’s face became.

Bai Hu had already covered his mouth and hid behind Qing Long, shaking his shoulders frantically. He took a lot of effort to stop himself from laughing out.

The little girl actually said that master is the father of princess, hahahaha...

Obviously, master seems to be somewhere between youth and juvenile. How is he that old? Hmm, although most people in the cultivation world can’t judge age by looking at their appearance.

But... she actually said that master is the father of princess. Hahaha, it's so funny!

I must tell this joke to Wu Yu! We can laugh for a year about it!

A cold aura radiated in the room, making Mo Xiaotu tremble.

The man in front of her suddenly released a terrifying aura, giving her the illusion that she would be torn apart in the next moment.

Mo Xiaotu felt that she had only felt such a terrifying aura from her master.

But the next moment, a pair of slender, white hands lightly patted the man's shoulder.

Hexi smiled lightly, "Nangong Yu, it's just a young girl talking nonsense. Why do you need to be serious with her?"

Nangong Yu's eyes sank, and he suddenly he stretched out his hand to hug Hexi into his arms.

Then, without waiting for her to say anything, a hot kiss had completely engulfed her soft lips and her breath.

Hexi was taken aback.

Mo Xiaotu was also stunned. Her big black eyes barely popped out.

Even Bai Hu who was holding back his smile, Qing Long who was smiling slightly, and Qing Luan couldn't help but widen their eyes.

Even the few little guys, who had just been busy lying on the window watching the excitement, couldn't help covering their mouth and making noise when they turned around and saw this scene.

The kiss ended after a long time.

The atmosphere in the room was still strangely silent.

Hexi's face was flushed, and her breath was slightly hurried. After a while, she managed to stabilize her breathing and voice.

When she got back to her senses, she found that everyone was looking at her. She couldn't help bursting anger as she hammered the man's chest hard, "Nangong Yu, you are crazy!"

Hahaha, great job Little Rabbit ??

Chapter 917: You Perver

Nangong Yu held her slender waist with one hand, and he gently grasped her hands with the other and pressed her hands against her chest. However, he looked provocatively at Mo Xiaotu and smiled, "Even you dare to come and steal my Xi'er?!"

Mo Xiaotu widened her mouth in horror. She pointed his finger at Nangong Yu and said stutteringly, "You... you you you, you pervert! How can you do this!"

Nangong Yu sneered, "Hexi belongs to me, why can't I do this?"

Mo Xiaotu jumped anxiously, "How can men be together? You pervert must have forced mister!"

Suddenly, her whole body was ejected like a cannonball. Nangong Yu, who was surprised, pulled Hexi over and took a step back in a hurry.

"Xi... Mr. Xi, I can call you Mr. Xi, right? Mister, you can't be with this man. He... he is a pervert! Don't be afraid, if he forces you, I will protect you."

At this time, the blush on Hexi's face hadn't faded yet. After hearing this girl's words, she couldn't help but laugh, "Little girl, you and I have no relationship, what do you protect me for?"

"Because you are my life-saving person! And, and..." Mo Xiaotu blushed as she stared straight at Hexi. "And I really like you, I think I fell in love with you at first sight. I'm in love! I must marry you!"

As soon as Mo Xiaotu said this, there was a strange silence in the room. There seemed to be several crows croaking and flying by.

Bai Hu put a clenched fist on his lips, desperately stopping himself from laughing.

He looked at his master's expression that was filled with killing intent. If he really laughed out loud, he wouldn't be able to see the sun tomorrow.

Even Bai Hu, who was insensitive, was scared, let alone other people.

When Qing Luan first saw Mo Xiaotu, she thought she was in love with her master and approached the master using the detour tactics like those women before.

Not 1 or 2 women did this to Nangong Yu in the entire Miluo Continent.

But Qing Luan didn't expect that Mo Xiaotu was not after His Royal Highness King of Hell, but her own princess.

This plot is too strange right!

Although she admitted that her princess looked handsome in a man costume, she never thought her princess would even steal the limelight from her master. She tried her best to not laugh out loud.

The only one who didn't know how to look at the atmosphere was Little Egg.

Little Egg looked at Nangong Yu and Mo Xiaotu at the same time. His pinky paw held his chin as he said with an embarrassed face, "Daddy is handsome, cool, and very powerful; but Sister Tu Tu is also very cute and strong. I like both of them so much. Mother, why don't you choose both of them!"

Mo Xiaotu shook her head anxiously, "No way, no way, my master said, you have to be loyal to 1. Mister, you choose me. I'm much better than this pervert!"

Hexi was dumbfounded, but when she turned her head to see Nangong Yu's expression, she was slightly startled.

Nangong Yu staring at his empty arms with a gloomy gaze. A cold smile could be seen at his mouth as if he was bloodthirsty and crazy.

When he raised his head to look at Mo Xiaotu, the bloodthirsty smile even had a cold killing intent.

Oh no no, can Hexi still calm Nangong Yu down?

Chapter 918: Misunderstanding

Anyone who covets Xi'er should die!

Hexi's eyes sank. She suddenly shrugged away Mo Xiaotu's hand, and said resolutely with a faint smile, "Sorry, I can't because I already have someone I like."

After speaking, she walked quickly to Nangong Yu.

Before Nangong Yu could react, she suddenly stretched out her hand to hook his neck, bent him slightly, then kissed him without hesitation.

The man whom I love can only belong to me alone. No one is allowed to covet; no one is allowed to hurt!

Since he is my man, so what if I show my dominance!

When touching Hexi's soft lips and tongue, Nangong Yu was stunned for a moment, but it was only a short pause. He immediately hugged the girl tightly in his arms and kissed deeply.

Mo Xiaotu was astounded looking at the scene.

She immediately shouted, "No! No! Mister, don't be with this pervert..."

Seeing that Mo Xiaotu was about to rush to pull the two away, Qing Luan quickly moved forward and stopped in front of her.

This little girl is really tired of living. Didn't you see that my master was on the verge of exploding just now?

If she rushes to disturb master now, she will be dismembered by master.

Seeing that this little girl is so funny and Miss likes her very much, it's better to save her life.

Qing Luan pulled Mo Xiaotu aside and whispered, "Miss Mo, you misunderstood. My miss is not a man. She is just wearing a man costume so that it is convenient for her to be in public. My Miss and that mister love each other."

"You... what did you say?!" Mo Xiaotu was so startled that she almost jumped up. She pointed at Hexi who had just finished kissing and yelled, "You said that he is a woman, this... how is this possible? He looks clearly so... so handsome, so manly, how can it be a woman? How can a woman have this kind of demeanor? You must be lying to me!"

Qing Luan covered her mouth and smiled, "Miss Mo, what should I lie to you? My Miss has always been in a man costume in front of people, but she is indeed a genuine woman."

Mo Xiaotu still looked in disbelief, and she muttered, "Impossible, impossible, how come I like a person for the first time and it turns out to be a woman. How can I be so unlucky?"

Hexi had already sat down with everyone at this time. The window of the private room opened, and everyone was drinking tea and eating snacks while looking out the window and chatting.

Little Egg, who was lying on the table eating the chicken leg specially prepared for him by Hexi, saw Mo Xiaotu standing aside with a crying expression, and he immediately handed out a chicken drumstick and said, "Sister Tu Tu, don't be sad. My mom is that popular. I've met several older brothers and sisters who confessed mom, and there is 1 pervert among them. All of them were driven away by me, Little Golden Dragon and Little Cow! Don't be sad, I'll treat you to chicken drumstick, okay?"

Mo Xiaotu sniffed, took the chicken drumstick from Little Egg and took a bite. She widened her eyes as she said in shock, "It's delicious! How can it be so delicious? I have never eaten it at home before! Little pink pig, Who made you this drumstick?"

"Don't call me a little pink pig, my name is Little Egg!" Little Egg protested angrily, then he raised his drumstick proudly, "Of course, it is my super invincible and great mom! My mom is amazing; she can cook anything, and anything she cooks is delicious!"

Chapter 919: What Baby?

Mo Xiaotu nibbled on the delicious drumstick, then she burst into tears when she looked at Hexi's handsome face.

Why a handsome person who can cook great food isn't a man?

I really want to marry this Mr. Xi!

Little Egg saw that she was still depressed. He couldn't help but patted her hand and said sincerely, "I suggest you not think about my mom. If you say you want to marry my mom again, my daddy might kill you!"

"Hmph, I'm not afraid of him!"

But having said that, Mo Xiaotu couldn't help shivering when she remembered Nangong Yu's sinister cold gaze.

Little Egg suddenly seemed to think of something, and he clapped his hands and smiled, "Sister Tu Tu, since you can't like my mother, you might as well like my mom's younger brother. They are even twins, so they look alike."

Mo Xiaotu looked at Little Egg while chewing on chicken legs, saying stupidly, "Why should I like your mom's brother..."

Before she could finish her words, Little Egg had grabbed Xiao Chi's hand and asked her to look back.

The young handsome boy was holding a cup of tea in his hand and sipping it gently with a satisfied smile on his face.

His eyes were shining with purple light like the most beautiful crystals and the dyed stars in the sky, representing the purest beauty in the world.

Mo Xiaotu was stunned looking at the young boy's eyes, forgetting what she had just said.

Hexi and Nangong Yu sat on the side drank tea slowly while listening to the other customers talking casually.

It was easiest to collect news and inquire about the situation in this kind of place.

Sure enough, after a while, Hexi heard useful conversation messages among the martial artists at the next table.

“Little Junior Brother, your foot was frostbitten just now by the Thousands Miles Ice Seal. Are you feeling better now? Eh, that Miss Ren is too domineering.”

The man named Little Junior Brother immediately smiled nonchalantly, “I’m fine. For such a minor injury, I’m already satisfied to be able to see Fairy Zhixi’s true face!”

“That’s right, Fairy Zhixi is as noble, beautiful, generous and kind-hearted as rumored!”

“You said, why would Fairy Zhixi come to a small place like our Yongan City? Fairy Zhixi is the only daughter of the president of the Doctors Association, and it is said that she will even carry on the title of the president!”

“You don’t know this?” Another person couldn’t help but shook his head. “Have you not seen the summoning order issued by the city lord a few days ago? It is said that the city lord’s son is about to die, so the city lord has no way but to take out the treasure that has been passed down by his ancestors. He will give the treasure to anyone who saves his son. Fairy Zhixi came to treat his son at the invitation of the city lord. When the city lord’s son is cured, the treasure naturally belongs to Fairy Zhixi.”

“What treasure? It can even invite Fairy Zhixi?”

“I don’t know this. It is said that it is a piece of jade that can be used for cultivating soul. Zhixi’s current level in doctor and pill refiner is already high. The strength of the soul is extremely important in the process of refining medicine and healing. She must be used that jade to improve her own cultivation!”

Hearing this, Hexi’s hand holding the teacup slowly tightened. There was a nervous look on her face.

A jade that can cultivate soul?

I’m afraid even if it is not Divine Soul Jade, it must have the same effect as Divine Soul Jade. The news from Wu Gou is really true. There is indeed news of Divine Soul Jade in the Yongan City.

Little Egg isn’t so dumb after all; he knows how terrifying his daddy could be. Will Fairy Zhixi cure the city’s lord son? If she did, can Hexi still get the jade? Maybe through Little Rabbit’s help?

Chapter 920: Notice

Listening to their words, have the city lord already given the jade to Fairy Zhixi?

If so, it will be troublesome.

Seeing Hexi frowned, Nangong Yu couldn’t help but reach out and press on the back of her hand, saying softly to comfort, “Don’t worry, there will always be a way. It’s better than getting no news. Maybe the jade is still available. What’s more, even if it is taken away, as long as Xi’er wants it, I will grab it for you even if I have to rob!”

Hexi couldn’t help but smile at him, and she said in a low voice, “You’re King of Hell, how come you are unruly like a bandit now?”

Nangong Yu also smiled along. As he was about to speak, Gu Liufeng and Shen Qingchuo came in suddenly.

It turned out that not long after Shen Qingchuo entered Yongan City, she wanted to go to a remote alley to buy some girl's accessories, but Hexi and others had to go to a crowded place to inquire about the news.

So Shen Qingchuo dragged Gu Liufeng to accompany her shopping. Although Gu Liufeng looked helpless, he was worried to let Shen Qingchuo go to the remote alley alone. So, he went with her in the end.

The 2 only came back holding hands until now.

As soon as the 2 entered the restaurant, everyone's ambiguous eyes couldn't help but fall on them.

Bai Hu smacked his tongue and sighed, "I remember this Yongan City is not too big. It takes only a few hours to go around twice. Brother Gu and Ms. Shen just went to buy an accessory, and you guys can they come back until now. Hehe, are you afraid that we would disturb your intimate moment?"

"You... what nonsense are you talking about?" Shen Qingchuo blushed, and she quickly retreated a few meters away from Gu Liufeng.

Gu Liufeng coughed, and his face under the mask was slightly hot. He forcibly calmed himself and said, "Brother Bai, don't talk nonsense. We came late because we found some news about Divine Soul Jade, so we went to inquire about it. "

"Yeah yeah!" Shen Qingchuo immediately echoed, then she ran to Hexi happily and handed her a piece of paper, "Sister Xi Yue, look, this is what we saw on the west market bulletin board."

Hexi took the paper and took a look; it was actually a notice.

The content of the notice was similar to the content discussed by the few people just downstairs. The general meaning was that the city lord's son was sick, so he was recruiting people to treat his son. If his son was cured, the city lord would give his family treasure, Divine Soul Jade, as a reward.

Hexi raised her eyebrow and said, "Is this notice still posted now?"

Shen Qingchuo nodded repeatedly and said, "I went to inquire about it with Brother Liufeng. This notice is still posted, but almost no one bothers about it now. It seems that a very powerful person has come. Sister Xi Yue, let's go. While the notice is still posted and there are still people at the registration office, we should hurry up to apply. Maybe it's not too late yet!"

A smile appeared on Hexi's face, and she gently patted Shen Qingchuo's hand and said, "Okay, let's go now. Qingchuo, thank you and Liufeng for bringing such a good news."

Shen Qingchuo was so happy that her face blushed after receiving a rare compliment from Hexi; she happily jumped to Gu Liufeng's side like a butterfly.

However, she immediately thought of something. She bared her teeth at Bai Hu, "See!? Brother Liufeng and I are not strolling around for fun! We are helping out!"

It's really Divine Soul Jade! What is the disease that even Divine Soul Jade is used as a reward?
