

Unfortunate

Words:1905

Nandini is not feeling good from morning her heart is beating fast. She tried her best to make things normal but she is unable to, all things are slipping from hand she even slipped twice.

Manik came to her and held her tight "what happened? Why are you so clumsy?"

"I don't know hukum I feeling weird like something very bad is going to happen I am scared"

"Nothing happens I am there right here so relax"

She hugged him and stayed for some time.

As Manik had some work he le Nandini, without any particular reason he too felt weird to leave Nandini but as work was important he le ,

Nandini came to kitchen, now a days all ladies are cooking happily the kitchen is the place they started having gossips and fun making on each other. Even daughters joined them. Nandini is silent today she is half minded in all works when she felt sudden urge of seeing Manik, she le every thing and started to run to him. Unknowingly where to go and how to go, just running where her heart us taking, all the Dasis are running behind her to stop her make her slow down but she is not in mood to listen she us having strong feeling of something worst going to take place to Manik.

Manik is in ground he is checking the new training group in personal and oppointed them as new worriers. Nandini came shouting hukum Manik turned to her, it's restricted area mostly royal ladies never walk to this place all guards are running back of her and some are trying to stop her by coming front but she is not in mood to stop

Manik came to her, she is hu ing badly, all sweaty shattered scared and teary, he hugged her she turned him to her side and when she hugged him back a an arrow hit her back she screamed "hukum" one more hit her back she fainted instantly.

Manik didn't recognize what happened when he was about to make her Sat straight his hand hit arrows he shouted "Nandu!!!!!"

All guards alerted, guards circled both Manik and Nandini took them to their room. Manik li ed her in arms and made ran towards room shouting for healer. One of the guard ran towards the vydhy he made her sleep on bed in one side as her baby bump is not allowing her to sleep on stomach, Manik with lot di iculty removed arrows she screamed deadly

Room filled with ladies, Manik is besides her, royal vydhy is checking her Nandini is unconscious.

"Yuvaraj!!! The arrow is been poisoned I added her herbs to wound so that poison won't travel to all parts but.... I can't give any strong medicines to her to stop the poison for long time as she is pregnant"

"what do you mean by that?" Manik shouted

"either way we loose bahurani sa"

Manik looked as if he is watching a ghost "no no I will kill you if anything happens to her did you hear I want her in my arms healthy did you hear me?" Manik shouted

Manik is scared hell he is screaming shouting throwing things begging Nandini to wake up.

All the healers, vydhy, and everyone who knows medicine are called for, but no one gave hope the poison is started to grow fast towards body, the color of her milky white skin turned to green color then purple color Manik crying like a baby.

Manik tried to composing Nandini trying to make her awake he is trying his level best be calm and make things worked out but nothing is happening. All the healers are giving her medicines, one of them suggested to burn the skin their so that poison won't spread out more. Which made Manik panic he love her body so skin and she is very very fragile she can't be burnt, but to heal her he need to be strong let them do their work.

A hot red burn rod was brought, when the healer was about to keep on Nandini skin Manik kept his hand it burnt like hell he screamed with lungs out, all his mothers came to him and hugged him like a small baby

"Manik what are doing why are hurting yourself"

"I can't see her hurt more MA I can't see" he cried with both pains emotional and physical

Manik was taken out of room with great di iculty by his father, he us been given proper medication he heard scream of Nandini he was about to go to her but his father stopped him by holding him hard he flinched in pain

His mothers daughters and all ladies are trying to console him but he is no where to listen. It's almost dark outside still Nandini is same calm hopeless. Frankly speaking all are waiting for her death to happen as their us no hope. Manik us sitting holding her hand in his hand touching her cheeks so ly. His arm started burning so he started to remove the black thread tied on his arm which is the cause of burning all of sudden his mind flashed he got wrapped body in shawl, shouted for his horse

"Manik where are you taking her?" His father shouted

"father!!!! I am going to save her, you don't worry we will be back once she is OK, and prepare for war, once I reach home we will go on war"

"with whom?"

"Father, this poison is from pithori deadly snake poison, how dare they plan to kill me? When I return I will teach them what they want to learn. First let me heal her" Manik walked with Nandini in his arms. His horse is at door step of his room, he asked goring to sit, he pat down he got Nandini on his shoulder so ly not giving her any pain and climbed horse when he sat horse stood up Manik made Nandini sleep on his arms and asked horse to run fast into jungle.

When Manik reached tribes, almost all people gathered, Manik placed Nandini on couch safely

"please help me!!! Health my nandu I beg you tribal king" Manik held his hand tight

The trip AL king was moved by Manik's words he hugged Manik to comfort him "we will make her live tell me what happened?"

"Poison red snake poison has been added to her body by arrows"

All gasped "it's deadly poison" all said

Manik got more scared "I beg you please help me please"

King made Manik sit and a old lady came checked Nandini wound and pulse.

"Everyone get out tie curtains Yuvaraj be with me" the lady said all did what she said

Manik stood their "Yuvaraj!!!! Strip her naked" Manik did. She checked her belly, found kids safe she relaxed a bit, and other served the wound, which is growing purple and burnt skin is been black, she asked Manik to hold he did. She cut the skin of Nandini which is having poison, Manik roared in pain even Nandini screamed, she let the blood along with poison go out if body, she even squeezed out so that poison residues won't be in her nerve. When Manik witnesses all this his heart is broken into multiple pieces

When the lady found that all poison is thrown out of her body, she

"Yuvaraj, kiss her till I say to not don't even let her move an inch it will make her skin have more bruises he nodded

Manik looked at Nandini pale face took her in hands and stared at her plump lip and with tears took them in his mouth and then started to kiss her, the lady started to stick the skin with and a red hotburnt needle, Nandini is moving in pain but Manik held her tight lady stitched the skin for ten minutes neatly. She first tied the nerves with a small stick then she closed the skin which she tore with stitches then she applied some herbs and then tied her wound with a neat cloth. Then she came to Manik asked to move away and made Nandini sni a herb so that she will go to sleep. Forgetting pain.

Manik looked at lady "Yuvaraj!!!! She us safe now! Don't worry but to heal she needs a weak time then I will remove those stitches and to complete heal she needs more than a month. Now show me your wound" Manik did lady gave him some herbs and even asked him to drink some herbal juice he did.

Lady asked Manik to li Nandini and make her sleep in their room he did. She added some smoke in room which made Manik and Nandini calm their souls both slept tired it's already morning but for them it's day o .

Manik slept full one day. As lady who added smoke to room want him to relax totally, and she also knew Nandini will take time to wake up, she was giving them liquid diet like milk juices honey and some herbs to keep them healthy specially Nandini as she has cope up with her kids.

Next day Manik woke up, he stretch his arms found Nandini in his arms, he instantly looked at her wound it's tied with cloth neatly. He checked her shoulder and back to make sure that skin is normal, poison traces are not in her skin, when he found it white shinning skin he smiled kissed her wound slightly not making her hiss in pain. He checked her body totally, found in good condition, she felt happy he touched her every body part to ensure himself that she is safe. Manik keep on kissing her so ly not disturbing her sleep.

When he heard some door sound he covered Nandini neatly. The lady who di healing came in. "Yuvaraj!!!! How are you?"

"Good I am feeling fresh, how is she?"

"She is doing good, even kids are healthy. She is strong lady she didn't give up she fought for her kids for you Yuvaraj. You are lucky"

Manik smiled. "How much time did I sleep?"

"Whole one day"

"what?" Manik shocked

"the smoke I added in your room makes you to sleep for a day, our king was safeguarding you all time personally. He is keeping on rounds around your house to keep you safe. He is scared"

Manik made Nandini sleep and he got up from bed stretched his body and wrapped his shawl around his body and came out.

He found tribe king standing he walked to him hugged him "I will never in my life forget this I will be always gratitude towards you for this thank you for everything"

"Yuvaraj!!!! When we were strangers to each other you helped us and made sure to be helpful for us all time you helped us multiple times what we did now is not even compared to what you did to us, we know us we are friend then we helped you not like you did for strangers I am thankful that you found us as useful you came here, in hope you believed us with her life that is incredible Yuvaraj so there is no point in gratitude. It's our duty." Both hugged again

Manik asked tribal king to take rest. He got fresh up and sat besides Nandini waiting her to wake up
