She is sleeping on small writing table keeping head on papers which she might be working all the while.

Manik walked to her found food plate untouched, then he slowly walked other side to see her face she is sleeping peacefully, a small strand of hair is dancing on her face, her fluy lips pouted a little may be she is upset about something. Legs folded back leaning on her right hand keeping her cheek on palm other hand is twanged with right hand firmly.

Manik slightly pecked her lips she smiled "yuv....." she again slept. He smiled as she recognised his touch. Manik kept the hair back stared at her keenly.
