

## Kiss Me 101

### Chapter 101: What's Your Number?

When did she get used to his existence? She could not sleep without him.

She could not believe it!

She put down her phone and then covered herself with a thin quilt.

She suddenly tossed the quilt aside five minutes later.

“Ah!”

She stuck her head out and kicked the futon irritably like a child!

She could not sleep no matter what!

She picked up the phone again. She planned to kill time by playing with her mobile phone.

She unconsciously opened her contact book on her mobile phone.

Speaking of that, she had not saved Shi Yuting's number yet. What name should she use?

There was only her good friend's name—Bei Xingchen in the contact book. She was saved as Baby Chen in it.

She raised her eyes and thought for a long time. She then looked down and started to enter Shi Yuting's number into the contact book. He was being saved in it as 'Baby Shi'!

Zuo Weiyi smiled unknowingly while looking at the two words on the screen.

\*\*\*

The next morning, Zuo Weiyi went downstairs after washing up.

This luxurious mansion looked a bit empty without Shi Yuting and Shi Nuannuan.

As Shi Yuting's assistant, she did not have to go to the company if he was not there. She had nothing to do after eating breakfast. Hence, she just lied on the sofa and watched television.

Both the brother and sister were not here. Did Shi Nuannuan go to Country C?

She did not have Shi Nuannuan's number. She just felt that she got along well with Shi Yuting's sister compared to him.

She changed channels several times and found nothing interesting to watch.

Zuo Weiyi put the remote control aside and picked up her phone. She was about to scroll through Weibo.

A message popped up as soon as she logged in.

[International Supermodel—Jing Xinlei Retired from the Fashion Industry and Entertainment with Unknown Reason]

Zuo Weiyi was a little stunned seeing the familiar name.

Did Jing Xinlei withdraw from the entertainment industry? Why?

Just as she was wondering, a private message suddenly popped out.

She was stunned for a moment before she tapped into that private message. "Is this Wei Yi?"

Seeing the other party saying her name directly, Zuo Weiyi was a little surprised and replied. "And you are?"

"Gu Yansheng."

Zuo Weiyi smiled after looking at the three familiar words. She then replied. "How do you know my Weibo account?"

"Your name."

So, that was how he found her.

Zuo Weiyi chuckled.

At first, she did not want to overthink it, so she had just entered her name as her Weibo username.

"Do you mind telling me your number?" Gu Yansheng asked.

Zuo Weiyi pursed her lips. She sent her mobile phone number after thinking for a few seconds.

After a while, the ringtone of her phone rang.

She knew that it was Gu Yansheng.

"Hello?"

Gu Yansheng smiled a little after listening to her sweet voice. He asked softly, "Are you working?"

"No. Shi Yuting has gone abroad. Thus, I don't have to go to work." She could not hide anything from Gu Yansheng.

"You're working at Di Zun?" Gu Yansheng was a little surprised.

She did not have to work when Shi Yuting was abroad.

What was her position?

"Well..." Zuo Weiyi nodded with a smile. "I'm his assistant."

"Are you used to it?"

"Not bad. It's quite relaxing." She had barely done anything else except for sending some documents and making some coffee for Shi Yuting at work every day.

Of course, when Shi Yuting was idle, he would also let her do other things such as chatting and he would also flirt with her.

Uh, flirting...

Zuo Weiyi was a little taken aback by the word that suddenly came to her mind.

## **Chapter 102: This Is Sir's Order**

It seemed that the term 'flirting' was only suitable for couples.

But, Shi Yuting and her were not a couple.

She kept thinking about Shi Yuting. So, she did not hear what Gu Yansheng had said at all.

Gu Yansheng frowned when there was no response from the phone. "Weiyi?"

Thinking about it, she did miss Shi Yuting a little although she had not seen him for just a day.

She missed his perfect figure, his carved-jade-like face, his sexy and charming voice.

"Weiyi? Are you still there?"

Zuo Weiyi snapped out of her thoughts when she heard Gu Yansheng's voice from the other end of the phone. "Ah, I'm here!"

"Uhm, since you don't have to go to work today, do you want to come out and have a meal with me?"

Zuo Weiyi pursed her lips and hesitated for a while. "Okay, when?"

"Lunchtime. If you don't mind, can you take me around after the meal if you have nothing to do?"

Zuo Weiyi was in deep thought again.

Shi Yuting and Nuannuan were not here. She was bored being alone at home.

What about inviting Xing Chen to come along too?

"Okay, can I bring my bestie along?"

Gu Yansheng pursed his thin lips tightly. He bluntly rejected her. "Uhm, as for your friend, can she join us next time?"

Zuo Weiyi could not help but feel stunned.

Gu Yansheng had always been like that since he was young. He had never gone against his own heart and had always spoken whatever he thought.

"This time, I want to talk to you alone. There are many things that I want to tell you."

Zuo Weiyi finally agreed after considering it for a long time. "Well, I'll see you at noon then."

"Do you want me to pick you up?"

“No, I’ll just go there on my own.” It was much more convenient for her to go out ever since Shi Yuting got her a car.

“That’s great. I’ll see you at noon. Drive carefully.” Gu Yansheng showed his concern for her through his words.

“Alright.” Zuo Weiyi nodded and hung up the phone.

She looking at the time. It was still early.

She had not seen her mother for a long time.

Zuo Weiyi involuntarily got up from the sofa and went to the bedroom on the second floor. She changed out of her casual clothes and went downstairs.

Seeing looking like she was going out, Aunt Yu could not help but ask, “Where is Miss Zuo going?”

Zuo Weiyi who had walked to the entrance could not help but stop. She looked back at Aunt Yu. “I’m going out for a while.”

“Where to?”

Zuo Weiyi was surprised by Aunt Yu’s serious look.

Aunt Yu sounded as if she was implying that Zuo Weiyi had to report to her wherever she went.

“What’s wrong?”

Aunt Yu looked at her sternly. There was no smile on her face. “From today onward, Miss Zuo has to tell me wherever you go.”

“Why?”

“This is Sir’s order.”

Zuo Weiyi bit her lower lip and lowered her head after looking at Aunt Yu. Why was her freedom being restricted after Shi Yuting was gone?

She did realize that Shi Yuting seemed to dislike her old friend after he had thrown away Gu Yansheng’s business card last time. If he knew that she was going to meet him, she could not imagine how angry would he get.

The less trouble the better.

Zuo Weiyi could not help but look at Aunt Yu while thinking about this. “I want to go to the cemetery to visit my mother.”

She was indeed going to the cemetery now. This was not counted as lying, right?

“Okay, you can go out now.”

**Chapter 103: It’s Fine as Long as You Like It**

“Okay.” Zuo Weiyi glanced at Aunty Yu. She turned and wore her shoes and then went out.

After buying a bunch of carnations from the flower shop, Zuo Weiyi came to the cemetery and stood in front of Zuo Qing’s tombstone. She was narrating the things that had happened in the past two months to Zuo Qing’s tombstone.

It was already 10.48 a.m. when she left the cemetery.

She was back in the city at 11 a.m.

Oh no.

Gu Yansheng did not tell her when and where to meet.

Just as she was thinking, the phone rang again.

She knew it was Gu Yansheng who had called looking at the screen.

“Hello?” She answered the phone.

“Have you left the house?”

“Well, I was just about to ask you for the time and place.”

“I’m at Zhanghong Street now. Do you prefer Western food or Country Z’s food?”

Zuo Weiyi thought for a while and said, “Country Z’s food!”

“Just recommend one and tell me the address.”

Everything here had changed drastically in the past ten years or so.

“Okay, I’ll send you the address later.”

“Okay.”

After hanging up the phone, Zuo Weiyi drove her Maserati and reached a restaurant. She then sent the address to Gu Yansheng.

Gu Yansheng also arrived ten minutes later.

“This is it. I don’t know if you will like it or not.” At the door of the restaurant, Zuo Weiyi looked at Gu Yansheng who was getting out of the car with a smile.

Gu Yansheng grinned when he saw her delicate face. “It’s fine as long as you like it. I’m fine with anything.”

The two entered the restaurant together.

Zuo Weiyi was not picky. She also did not want Gu Yansheng to spend his money.

She had known Gu Yansheng since he was a kid, so she was sure that he would pay for the meal. Hence, she just found a table near the window and sat down.

Halfway through the meal, the two of them saw a familiar figure outside the window. Jiang Huaiyuan walked into the restaurant.

“Weiyi.”

Zuo Weiyi heard a familiar voice while she was eating. She could not help but turn her head and saw Jiang Huaiyuan standing there.

“I have finally found you.” The company had been struggling these days. He had also signed a divorce agreement with Qiu Yun. He was anxious as he could not get in touch with Zuo Weiyi.

Seeing Jiang Huaiyuan’s sudden appearance, Zuo Weiyi turned to look at Gu Yansheng. “I’m sorry, I’ll leave just for a while.”

She then stood up and walked toward the restroom in the restaurant. “Come with me.”

Jiang Huaiyuan followed her and came to the restroom.

“Weiyi, I have already divorced Qiu Yun as you wished. This is the divorce agreement.” Jiang Huaiyuan took out an agreement and handed it to Zuo Weiyi.

Zuo Weiyi lowered her gaze and took the agreement. The contents of this agreement were as per her request.

“Wei Yi, can you ask Mr. Shi to help me now?”

To overcome this situation, he had to get huge loans from the bank. Who would have known that the manager of the finance department would abscond the thirty million dollars and run away? In desperation, he could only borrow a loan illegally to stabilize the company situation. Today was the deadline to return the money!

If he could not find Wei Yi, he might lose both his life and wealth!

Zuo Weiyi saw his anxious look as she raised her eyes.

Shi Yuting had told her once to let him settle everything.

However, she had agreed to help Jiang Huaiyuan if he did as she wished, which was to drive both Qiu Yun and her daughter out of the Jiang family. Then, she would surely ask Shi Yuting to help him overcome this hurdle.

Jiang Huaiyuan became more anxious seeing her being a little hesitant. He thought she was going back on her word.

#### **Chapter 104: Give Shi Yuting a Call**

He immediately said, “Wei Yi, you must save me. If I can’t get eighty million dollars today, not only would my company be gone, I might also lose my life!”

Zuo Weiyi frowned in surprise hearing his words. “What do you mean?”

“I.. I haven’t been able to find you these days. So, I have borrowed a huge sum of money. Today is the deadline for the repayment.”

“How much did you borrow?”

“It’s eighty million including the interests.”

Zuo Weiyi’s eyes widened.

Eighty million?! That was such a huge amount!

“Eighty million? How much does it cost to buy your company?” Zuo Weiyi asked in disbelief.

Eighty million was not a small amount. How did it turn out to be this much?!

Jiang Huaiyuan’s face sagged. “It’s this much including the interests.”

“Interests?” She still could not believe it.

Although the interests were added to the principal amount, still, how could it be this much?

Jiang Huaiyuan nodded. “I got the loan by illegal means, so the interest rate was a little higher.” After he finished, he lifted his eyes to her entreatingly. “Wei Yi, no matter what, I’m still your father. Even if you hate me, you can’t deny the fact. Can you really stand by and watch me hacked to death by those people?!”

He had said it out. Although Zuo Weiyi was shocked, she sneered after thinking about it. “Why can’t I bear it? Didn’t you also leave when you saw my mother lying in a pool of blood?”

Jiang Huaiyuan was stunned listening to that. He got angry. “Wei Yi, you promised me that you will surely ask Mr. Shi to help me as long as I did it according to your requirements.”

Zuo Weiyi did not pity him even though he was begging eagerly.

However, she could not go back on her words since she had promised him.

She turned around and took out the phone that Shi Yuting had bought for her after glancing at him.

She then dialed Shi Yuting’s number with little confidence.

She was not sure whether Shi Yuting would pay eighty million to help her abide by her promise.

After all, eighty million was not a small amount.

But the phone was turned off at the moment.

She paused and stared at the phone.

Shi Yuting did not seem to have a habit of turning off his phone. What was going on?

Jiang Huaiyuan could not help but feel more anxious seeing her pick up the phone and put it down again. “What’s wrong?”

Zuo Weiyi turned and looked at Jiang Huaiyuan. “He’s not in China now. His mobile phone can’t be reached too.”

Zuo Weiyi’s words completely irritated Jiang Huaiyuan. “Wei Yi, did you do it on purpose? You hated me for not saving your mother. So, you want me to die!”

Zuo Weiyi only felt tickled when faced with his irascible temper.

“Oh! You’re right. I hate you. If it weren’t for you, my mother wouldn’t have died!”

“I knew it. I knew you didn’t plan to help me since the beginning. You just wanted me to drive away Qiu Yun and Ting Mei. You want to see us live miserably!”

“Yes! I just want to see you live your lives miserably. Who asked you to bully my mother?!” Zuo Weiyi was completely agitated by him. Hence, she just answered him casually using his words.

“You!” Jiang Huaiyuan’s eyes were bloodshot from anger at this moment.

Those people had given him the last warning this morning. If he could not pay them by midnight tonight, his life would be gone!

Jiang Huaiyuan was very angry that she was such a capricious person. He suddenly raised his hand and grabbed her by the neck. “So you want me dead. Let’s die together then!”

### **Chapter 105: The Outraged Jiang Huaiyuan**

Jiang Huaiyuan did not even have time to squeeze Zuo Weiyi’s neck upon touching it when he felt a sudden pain in his wrist. He felt like his wrist was about to be crushed!

“Ahh!”

He frowned with pain and unconsciously loosened Zuo Weiyi’s neck.

He looked up at the culprit. Jiang Huaiyuan’s eyes were domineering. He looked angrily at the person. “Who are you?!”

“And who are you?” Gu Yansheng’s face was dark. He glared at Jiang Huaiyuan and his voice was as cold as ice.

“I am her father!” Jiang Huaiyuan yelled inevitably. “I am teaching my daughter. It’s none of your business!”

Gu Yansheng frowned. He then turned to look at the person beside him. “Is he your father?”

He remembered that Zuo Weiyi was bullied by her classmates when she was a child because she did not have a father. So where did this father come out from?

Zuo Weiyi was so angry with how Jiang Huaiyuan treated her just now that her eyes turned red. She stared at him angrily.

“No, my father has died long before I was born!”

At first, she still had some affection for her father, but now, it seemed that she was just indulging herself.

He had killed her mother. Now, he was even thinking of strangling her!

She truly had no other relatives in this world.

Zuo Weiyi glared at the man in front of her with her red eyes. She forced some words out her mouth. "Want to save the company? In your dreams!"

She turned and left after finishing her words.

Her tears could not stop flowing down her face when she passed by Jiang Huaiyuan.

It was said that 'blood is thicker than water', but he could not see the slightest affection Zuo Weiyi had for her father. Their relationship was even worse than normal friends.

"Wei Yi, don't go! You..." Jiang Huaiyuan started to become anxious looking at leaving so decisively.

He was stopped by Gu Yansheng just as he was going to go after her.

"If you harass her again, don't blame me for being rude."

Jiang Huaiyuan paused. He caught a glimpse of Gu Yansheng's gloomy and cold eyes when he looked up.

Gu Yansheng turned to catch up with Zuo Weiyi after warning him.

Zuo Weiyi was in no mood for eating any more after Jiang Huaiyuan had created such chaos.

"Are you alright?" Gu Yansheng's eyes were full of concern looking at the sadness in the face of the person across him.

Had she lived well in the past ten years?

Zuo Weiyi forced a small smile on her face when she looked up and was met with his eyes. "It's fine."

"That man is..."

"Let's talk on the way." She looked at him and smiled bitterly. She then stood up and walked toward the door of the restaurant after picking up her handbag.

Gu Yansheng got up and left the restaurant with her.

"When I was young, I was a child without a father others' eyes. I bet you should still remember that, right?"

Walking on the busy street, Zuo Weiyi was talking and recalling the past.

"Yes."

"I am his illegitimate daughter."

Gu Yansheng stopped in his tracks, surprised after listening to her words.

However, he did not look down on her. Instead, he felt even more sorry after seeing her smile.

"That was my irresponsible father. He and his wife killed my mother a few months ago."

Gu Yansheng was even more shocked when she said this.

"Then why did he look for you just now?"

“He wanted me to ask Shi Yuting to help him save his company. Unfortunately, Shi Yuting has gone abroad and turned off his phone. So, maybe he thought I was going back on my words and got angry.”

### **Chapter 106: Gu Yansheng’s Concern**

She lowered her head and smiled bitterly.

Although she had lived in poverty without a father when she was a child, she was still able to live happily with her mother.

However, since Jiang Huaiyuan had brought her and her mother to the apartment, they no longer had a good life. Qiu Yun and Ting Mei always ridiculed and bullied them.

Gu Yansheng was full of pity looking at her sad face. He looked at her hard. “Weiyi, why don’t you stay with me? I will give you everything you want. I won’t allow anyone to bully you.”

Zuo Weiyi could not help but raise her eyes after listening to his words. She lowered her eyes and smiled. “No. Actually... Shi Yuting treats me really well.”

Even though there was another woman in his heart.

But at least, he would not let anyone bully her. Shi Yuting treated her very well except the fact that his heart did not belong to her.

“Are you in love with him?”

Gu Yansheng suddenly spoke staring at her droopy face.

Zuo Weiyi was stunned. She looked up at the man in front of him. She was surprised by his question.

Had she fallen in love with Yuting?

She lowered her eyes and was silent for a while. She then laughed.

“No, I just...” She paused. How should she explain what she felt?

“Just what?” He asked.

She looked up after a while. She seemed to be avoiding the topic deliberately. “Let’s not talk about this. Where do you want to go next?”

Gu Yansheng gave her a hard look. He smiled a little. “What about the amusement park? I heard that there was a very large amusement park in City Z.”

Zuo Weiyi was surprised by his answer.

Only girls and children would want to go to such places.

She did not expect a big man like him would also want to go to that kind of place.

“Well, if you want to go, let’s go now!”

The two drove toward the amusement park.

They spent the whole afternoon playing at the amusement park.

The two people left the amusement park in the evening. They were exhausted after trying almost everything there.

It was also the first time Zuo Weiyi had enjoyed so much. When she was a child, her wish was to come to the amusement park to play to her heart's content. However, she had given up on this wish because of her poor financial status back then.

"Don't you want to have dinner together?"

"No, next time." She had been outside for a whole day. If she did not go back, Aunt Yu would be suspicious. She might have already started feeling suspicious at this moment.

She told Aunt Yu that she was going to visit her mother's cemetery. However, this reason was not strong enough.

Gu Yansheng did not persist after being rejected.

He also had a gathering to attend tonight.

\*\*\*

Zuo Weiyi drove her Maserati back to Shi Mansion after the sunset.

She drove into Jingyuan District then turned the steering wheel and headed toward the carved gate.

Suddenly, a figure rushed out from nowhere and stopped directly in front of her car!

Zuo Weiyi reacted immediately and stepped on the brakes hard. She was so shocked that her face had turned pale!

She looked up in shock when the car stopped. The figure that she saw just now had suddenly disappeared!

She hurriedly opened the car door and got out of the car to check what happened.

Oh my gosh! Did she kill someone with her car?

She got out of the car to look for that person, but still, that figure was nowhere to be seen.

Just as she was wondering what had just happened, someone suddenly grabbed hard at her supple hair!

### **Chapter 107: Let's Fight!**

"Zuo Weiyi, I'll fight it out with you!"

Zuo Weiyi felt the pain and frowned hard as her hair was being pulled.

She could not help but be more surprised when she heard this voice!

This was Jiang Tingmei's voice!

"It's all because of you, bitch. You have made me and my mother homeless!" Jiang Tingmei was angry as she dragged Zuo Weiyi to the ground. She then grasped onto her hair and hit at her desperately.

"Ahh!"

Of course, Zuo Weiyi would not let Jiang Tingmei hit her without hitting back. She then stretched out her hand and also grabbed Jiang Tingmei's wavy hair. Jiang Tingmei was also then, dragged to the ground!

"So what? If it weren't because of you and your mother, my mother would not have died!" Zuo Weiyi hated Qiu Yun and Jiang Tingmei very much. She was so irritated at this moment. She then sat on top of Jiang Tingmei and squeezed her neck with both hands.

Zuo Weiyi's resentment surged even higher when she thought of the humiliation they had done to her mother in front of Lin Enterprise that day. Her hands gradually tightened around Jiang Tingmei's throat!

Jiang Tingmei had difficulties breathing and her face gradually turned red after being choked by Zuo Weiyi.

"Let... go... of me..." She struggled hard. She felt like she was being strangled to death.

However, Zuo Weiyi did not seem to hear Jiang Tingmei's words. Her senses were engulfed by her anger.

"Let go... let go..." Jiang Tingmei said it difficultly as if she could feel the impending death.

She reached out and wanted to unlock Zuo Weiyi's grip on her neck. Being suffocated, her nails gradually penetrated the back of Zuo Weiyi's hand. Those fair and slender hands were scratched, instantly leaving bloody streaks.

Zuo Weiyi had only regained her senses after she felt the pain on the back of her hand.

She quickly released her hand looking at Jiang Tingmei's already dark face!

She did not want to be a murderer even if she hated Jiang Tingmei so much.

She would surely avenge her mother, but not by risking her life!

Jiang Tingmei could only feel the oxygen when Zuo Weiyi released her hands. She coughed violently while sitting on the ground. There was no more energy left in her body.

At that moment, she really thought she was going to die!

Zuo Weiyi stood up. She put away the indignation and hatred in her heart. She turned and got in the car after glancing at Jiang Tingmei. She then drove toward the gate not far away.

Jiang Tingmei gazed angrily in the direction where the car was headed to.

Swearing to herself in her heart. 'One day, I will make Zuo Weiyi pay for what she has done to me!'

Jiang Tingmei finally calmed down a little after taking a few breaths. She got up and wanted to leave after a minute of rest.

However, someone suddenly strangled her again before she could turn around.

Her eyes widened. She wanted to pull the hands away from her neck. However, it was getting more and more difficult for her to breathe.

Who was it? Who wanted to kill her?!

Jiang Tingmei struggled to turn her head. But the culprit did not give her this opportunity, instead, he increased the strength of his hands, wanting that woman in front of him to die!

“Who... let go of me...”

Her breathing became more and more difficult. Jiang Tingmei reached her hands out and tried to use her nails to force him to let go of her like what she had done to Zuo Weiyi just now.

However, she found out that that person was wearing gloves!

The hands of death reached out to her once again. Jiang Tingmei was not willing to die like this. However, her consciousness gradually faded and her hands fell to the floor. The person behind her only loosened his grip then.

### **Chapter 108: Shi Nuannuan's Incoming Call**

Zuo Weiyi was exhausted when she returned to Shi Mansion.

Aunty Yu frowned when she saw her return.

“Miss Zuo, where have you been all day? Why have you only come back at this time?”

Zuo Weiyi raised her eyes and glanced at Aunty Yu when she entered the living room.

At this moment, she did not even bother to answer Aunty Yu's questions. She just turned her face and walked toward the stairs.

It was not until Zuo Weiyi passed by Aunty Yu that she noticed that something was up with Zuo Weiyi's expression and that her hair was messy.

She noticed that there were scratches on the back of her fair hand at a glance.

The young master did tell her to take care of Zuo Weiyi and make sure to not let her get hurt. What was with this scar?

Looking at her back, Aunty Yu could not help but say, “Miss Zuo, please wait.”

Although her tone was strict, it was mixed with a sense of imperceptible respect.

Zuo Weiyi was irritated. She turned around and asked impatiently, “Can't you give me some personal space? Do I have to report to him even if I want to go to the toilet?”

Aunty Yu was stunned by her sudden anger.

She then spoke calmly but stiffly, “I just want to ask you, what's wrong with your hand?”

Zuo Weiyi lowered her eyes. It was only then when she noticed that there were so many bloody marks on the back of her hand.

She pursed her lips and felt slightly guilty about Aunt Yu's concern. "It's nothing. I just fought with someone just now. I'm fine."

She turned and went upstairs after that.

Aunt Yu's voice sounded spoke again behind her. "Do you want to call Dr. Zhong?"

"It's alright. I'll take care of it myself." Zuo Weiyi did not turn around. She just walked straight to the master bedroom on the second floor.

Aunt Yu was in a daze looking at her slender back.

This was the first time she had seen Zuo Weiyi with such a temper. What had happened?

After returning to the master bedroom, Zuo Weiyi found the first aid kit. She cleaned the wound herself and put a plaster on it.

The maid knocked on the door during dinner time.

"Miss Zuo, the dinner is ready."

"I don't have the appetite to eat."

"But...Mr. Shi said that you must eat on time."

"It's my own business whether I want to eat or not. Can you not use him to suppress me?!"

The maid immediately shut up and went downstairs after being yelled at.

"Aunt Yu, Miss Zuo said she is not hungry..."

Aunt Yu could not help but raise her head to look at the second floor.

She sighed after a while. "Just let her be. Warm the dinner and keep it in the kitchen."

Aunt Yu was worried that she might be hungry in the middle of the night.

"Yes."

The maid walked into the dining room and put the food on the table into the incubator.

The night wore on.

Zuo Weiyi was lying on the bed, but she could not sleep at all.

Her mobile phone rang at this time.

She turned and picked up her phone. It was an unknown number.

She did not intend to answer the call, so she just left the phone to keep ringing.

She thought the other party would just give up, unfortunately not.

Just as she thought the other person had given up, the phone rang again a few seconds later.

In the end, Zuo Weiyi answered the call. "Hello?"

“Weiyi, I’m Nuannuan! Why did you take so long to answer the phone?”

Zuo Weiyi was a little surprised hearing the familiar voice on the phone.

“Nuannuan? Where have you been?”

“Hehe, my brother and I have returned to C country. He is too busy these days. So, he let me tell you that he will go back in a few days.”

### **Chapter 109: Turned Murderer (1)**

Zuo Weiyi felt warm inside listening to Nuannuan’s words.

Did he specifically let Nuannuan convey his message to her?

But was he so busy that he did not have the time to tell her this at all?

What was he doing in Country C?

“Nuannuan, who are you calling?”

“Ah, it’s just my friend in Country Z...”

“We’re leaving soon, hurry up.”

“Okay, Mother. Go down first. I’ll be there in a moment!” She smiled sweetly at the woman standing at the door. Nuannuan turned her toward the phone. “Wei Yi, I’m going out. I’ll call you soon!”

She did not wait for a reply from Zuo Weiyi and immediately cut off the conversation there.

Zuo Weiyi was stunned staring at the black screen.

What were these two busy doing?

It was another sleepless night. Zuo Weiyi gradually fell asleep at around midnight.

\*\*\*

The next morning.

She was awakened by the knock on the door.

“Miss Zuo, are you awake?”

The maid’s voice sounded outside the door.

Zuo Weiyi frowned while trying to open her heavy eyelids.

She sat up and looked in the direction of the door. “What’s the matter?”

The maid opened the door after hearing her response.

“Miss Zuo, some guests are waiting for you downstairs.”

Zuo Weiyi could not help but frown after hearing that.

Guests?

Who would come here to find her? Was it Xingchen?

Only her bestie—Bei Xingchen knew that she lived here.

“Is it a woman?” She asked in surprise while looking at the maid at the door.

The maid hesitated for half a second. She then pursed her lips and finally spoke, “It’s the police.”

Zuo Weiyi was shocked.

Police? Looking for her?

Her mind was completely blank. Why did the police come here to look for her so early in the morning?

She said to the maid after a moment of contemplation, “You go down first. I will come downstairs in a moment.”

So, the maid left.

After washing up, she put on her clothes and went downstairs.

She then saw four or five policemen standing in the living room as she got downstairs.

She was startled. She frowned as she did not understand why the policemen were looking for her.

Aunty Yu who was initially on the phone nearby could not help but put down the phone in her hand. She walked to Zuo Weiyi. “Miss Zuo, you...”

“Are you Miss Zuo Weiyi?”

A policeman had already walked to Zuo Weiyi and asked with a serious look before Aunty Yu had time to speak.

Zuo Weiyi nodded looking at the policeman who had suddenly come over to her side. “I am, what’s wrong?”

“We are from the Public Security Bureau.” A policeman took out his ID and showed it to Zuo Weiyi. He then put it away and looked at her. “There was a criminal case. Please follow us back to assist in the investigation.”

A criminal case?

Zuo Weiyi was startled.

“Mr. Policeman, you can’t arrest her without any evidence,” Aunty Yu said worriedly.

The young master’s phone was still off. Aunty Yu could not help but worry as Zuo Weiyi was taken away.

The policeman glanced at Aunty Yu. He then turned to look at Zuo Weiyi and saw the scratches on the back of her hand.

“Miss Zuo, do you know a young lady named Jiang Tingmei?”

Zuo Weiyi stunned. “Yes, what’s wrong?”

“She died not far from this mansion yesterday evening. Her mother testified that you were the murderer who has killed her daughter. From now on, you have the right to remain silent. Everything you say will be admissible as evidence in court. Please follow us back for the investigation.”

### **Chapter 110: Turned Murderer (2)**

Zuo Weiyi was very shocked after hearing that.

Jiang Tingmei... dead?!

How could this be?!

She did see that Jiang Tingmei was still fine when she left yesterday. How could she have died?

“No, that’s impossible.” She frowned as the policeman shook his head. “She was fine when I left yesterday. How could she have died?!”

The policeman frowned. He seemed to sense something from her words. “When you left yesterday? Left from where?”

Zuo Weiyi was stunned and seemed to have perceived something.

Jiang Tingmei was dead. Now, the police had mistakenly thought she was the murderer!

“I didn’t kill her!” Zuo Weiyi could not help but feel a little emotional at this moment.

She did not want to be a murderer. That was why she had let go of Jiang Tingmei yesterday. Jiang Tingmei had even coughed several times when she left. Of course, her breathing was hindered, but how could she have died?!

“We still haven’t confirmed that you are the murderer. We are just asking you to come with us to assist us in the investigation. If you are not the murderer, you will eventually be released.”

Zuo Weiyi clenched her fists.

She did not kill anyone. Hence, she was not afraid of being investigated. Maybe it was a good thing to go for the investigation.

“Okay, I’ll go with you.”

“Miss Zuo...” Aunty Yu frowned and began to worry.

The young master had just left for two days and this happened.

It was an important period for the young master at this time. Furthermore, he could not be contacted at all!

Zuo Weiyi turned her head and looked at Aunt Yu with a smile. "Don't worry."

Zuo Weiyi was then handcuffed and brought back to the police station for investigation.

Aunt Yu suddenly felt very uneasy looking at her figure leaving the mansion.

Would she be okay?

She was injured on the back of her hand when she came back yesterday evening.

If Miss Zuo did not kill Jiang Tingmei, who would have framed her?

In the police station in City Z.

Qiu Yun immediately rushed over to Zuo Weiyi when she saw her being brought into the police station. She grabbed her hair and pulled at it roughly.

"It's you, you killed my daughter! You are the culprit. Give my daughter back to me!" Qiu Yun went completely crazy as she saw Zuo Weiyi.

She had not seen Qiu Yun for a while. She had lost a lot of weight. She looked like she was malnourished. Her face was thin and she had lost her domineering aura that she used to have.

"Ms. Qiu, please calm down!" The policeman pulled away the inconsolable Qiu Yun and told her to calm down.

Qiu Yun looked at the policeman and pointed at Zuo Weiyi. "Mr. Policeman, it's her. This woman killed my daughter! It's her, it must be her!"

She knew that her daughter hated Zuo Weiyi because they were driven out of the house because of her. Hence, her daughter had gone to wait for Zuo Weiyi not far away from the front of Shi Yuting's mansion yesterday afternoon.

Her daughter did not return home all night. She was very worried. Hence, she came out last night to find her, but instead, found her daughter's dead body not far away from Shi Yuting's mansion.

She was heartbroken and reported the case. Her daughter was said to have died from suffocation after the investigation.

"Arrest her. It is she who has killed my daughter!" Qiu Yun's tears were flowing. She wanted to hack Zuo Weiyi into pieces so badly.

Zuo Weiyi was calm while facing with Qiu Yun's madness.

She knew that she must be calm at this moment to not mess up her chance of leaving custody.

"I didn't kill anyone."

"How could you still say that?!" Qiu Yun yelled angrily when Zuo Weiyi denied her possible wrongdoing. "You just don't want me and my daughter to live well. You have forced Huai Yuan to drive us out of the Jiang family. And now you have even killed my Tingmei!"
