

Kiss Me 1021

Chapter 1021: Can I scrub your back?

Everything seemed to be centered around her. She smiled, he smiled, she was in pain, and his heart would tighten as well. His heart was constantly being pulled by her.

“Does it still hurt?”

After repeated warm compressions, Shi Nuannuan’s face had clearly regained its color.

He raised his head and looked at her.

Shi Nuannuan looked up at him, then raised her hand and extended an index finger. “A little.”

It should be very late now, right? If she said that it was still a little painful, Xiang Yi would definitely not leave!

She enjoyed his pampering of her and wished that she could stick with him all the time!

Xiang Yi did not doubt her little lie at all. Instead, he got up and walked to the bathroom to warm up the towel. Finally, he returned to the bedside to warm it up for her.

The night in the county town gradually calmed down. The sound of insects could not even be heard outside the window.

“I want to take a shower,” she suddenly said.

He raised his eyes and looked at her deeply. Finally, he got up and carried her, walking towards the bathroom.

“You won’t leave, right?”

After carrying her into the bathroom, he was about to leave, but Shi Nuannuan was worried that he would leave while she was showering.

When he heard the sound, he turned around and raised his hand to pinch her delicate chin. The corners of his lips curled up slightly. “I won’t. I’ll be right outside the door. If you need me, just call me.”

Hearing this, Shi Nuannuan finally felt at ease.

A thought suddenly flashed through her mind.

If she needed anything, she could call him?

Then..

She slowly raised her crystal clear eyes and blurted out, “Can I scrub your back?”

He was stunned and the smile on his face faded.

He had no choice but to love the person in front of him.

He took a step forward and moved closer to her face. "Are you sure?"

She nodded her head as if she was pounding garlic. "Yes, yes!"

Looking at her impatient look, Xiang Yi did not know whether to laugh or cry.

If he really went to the bathroom to scrub her back, then he would probably bleed to death, right?

He raised his hand and stroked her soft hair. His expression was gentle and his eyes were filled with a touch of tenderness.

"Do you know that this request is a dangerous approach to you? Never make such a request to a man."

"Why?"

He glanced at her and then whispered into her ear, "Because I won't be able to control myself."

She was stunned and suddenly felt her face turn red.

So he was enduring it every time? In other words, it was not that he was abnormal or that she did not have any charm. It was just that he had been trying his best to restrain himself all this while?

In other words, when he could no longer control himself, she would be able to sleep with him?

When she thought of this, Shi Nuannuan could not help but giggle foolishly. Moreover, her smile was exceptionally sinister and cunning!

Xiang Yi narrowed his eyes. He did not quite understand her sudden smile.

But in the end, he did not think too much about it. He patted her head and said, "Take a shower. I'll go outside."

With that, he turned around and left the bathroom, closing the door behind him.

He took off his clothes and stood under the shower. The warm water poured down from his head, washing away the tiredness of the day. It made her feel very comfortable.

She had to think about how to Sleep Xiang Yi!

Twenty minutes later, she wiped her body and hair and was about to put on her pajamas.

But when her hand touched the pajamas, she stopped. She looked up and her big, Bright Eyes rolled around, as if she was thinking about something.

After thinking for half a minute, she withdrew her hand that was going to get the pajamas. Instead, she picked up the white towel, wrapped herself up, and walked out of the bathroom.

Chapter 1022 thoughts of falling on him (1)

After thinking for half a minute, she withdrew her hand from her pajamas, picked up the white towel, wrapped herself up, and walked out of the bathroom.

In the living room, Xiang Yi, who had nothing to do, was sitting on the sofa, reading a magazine to pass the time, waiting for her to come out.

The sound of the door opening was heard. He looked up from the magazine and saw the exquisite figure not far away in front of him. Her skin was as smooth as jade, her shoulders were bare, and her slender legs were slim and graceful, any man would have a nosebleed if they saw her like this.

His throat became dry in an instant, and his Adam's apple moved.

If he continued to be seduced by her like this, even if he didn't die from blood poisoning, he would die from lust!

He glanced at her who was standing not far away. He stood up and put down the magazine in his hand. He went to the bedroom and took a jacket from her to put on for her. Then, he pulled her to sit on the sofa and took out a hairdryer to blow her hair up carefully.

Shi Nuannuan still had a stunned expression on her face even when there was a slight warm breeze coming from the top of her head.

He couldn't even seduce her like that?

Why, why was Xiang Yi's self-control so good? Was it because she wasn't charming enough and her figure wasn't hot enough that she couldn't attract him?

But why could Xiang Yi just endure it?

He remembered that his sister-in-law had said that his brother was like a hungry wolf every time he met his sister-in-law. He couldn't wait to tear off her clothes, but Xiang Yi didn't seem to be interested in her body at all.

Xiang Yi, who was standing behind her and blowing her hair, did not notice her actions just now. He only carefully blew her wet hair.

Shi Nuannuan's mind flashed again.

She cleared her throat. "Cough, cough! I'm... a little... hot from blowing..."

As she said that, she raised her hand and pushed the coat on her shoulder away. It slid down to the sofa, revealing her sexy and seductive shoulders.

At this moment, Xiang Yi had just dried her hair.

Seeing her action, his body stiffened, and his throat slid slightly.

Although it was hot when he was drying his hair, it was winter after all. Even if the heater was turned on, there was no heat, right?

Therefore, Xiang Yi saw through her little intentions with a glance.

He curved his lips into a smile, pretended to turn around inadvertently, and took the hairdryer to the washroom.

Looking at his back as he went to the washroom, Shi Nuannuan knew that her plan had failed again!

However, this did not mean that she would give up. She continued to sit on the sofa and wait for him to come out, as if she had other plans.

Just as she was quietly waiting for him to come out, who knew that Xiang Yi, who had walked out of the washroom, would walk straight to the door. She was shocked and quickly stood up, thinking that he was going to leave.

It was already 11 o'clock in the night. Couldn't he stay? Must he leave?

Just as she was about to speak, Xiang Yi squatted down and took out a set of home clothes from his suitcase. He then closed the suitcase, stood up, and glanced at her before saying, "I'm going to take a shower."

When she heard that it was a shower, Shi Nuannuan was stunned for a few seconds before she came back to her senses. He had already walked into the bathroom.

She was elated. She looked at the bathroom door and felt that this was a good opportunity!

After waiting for a while, she heard the sound of running water coming from the bathroom.

Shi Nuannuan got up from the sofa. She shuffled her slippers and walked softly to the door. She raised her hand and turned the doorknob.

"Kacha."

Eh?

She stared at the doorknob with a stunned expression.

She could not turn it?

Chapter 1023 thoughts of pouncing on him (2)

She frowned slightly and tried again, but she still couldn't turn it..

Was it locked from the inside?

In the bathroom, Xiang Yi couldn't help but chuckle under the shower as he looked at the doorknob that kept turning, as if he had already seen through everything.

Outside the door, Shi Nuannuan had a bitter expression on her face. Her plan to pounce on him had failed once again!

After waiting for nearly twenty minutes, Xiang Yi came out wearing a casual home outfit.

On the sofa, Shi Nuannuan raised her head. She was a little disappointed by the way he dressed!

He did not have any chest muscles to look at, and she could not appreciate his strong body. Bad Review!

She sat on the sofa with her legs crossed, swinging back and forth. She looked very cute and playful, and in her mind, she was thinking about her next plan, never giving up!

“Aren’t you going to sleep?”

Standing not far away, he glanced at her and asked. He did not approach her.

She raised her eyes and looked at her, pursing her pink lips.

“You’re not going to leave tonight, right?”

“Yes.”

Hearing his answer, Shi Nuannuan beamed with joy.

“Then... We’ll sleep together?”

He pursed his lips and did not speak. The corners of his lips curled up, and then he reached out his hand.

“Come here.”

Looking at the hand that was extended towards her, Shi Nuannuan felt warm and radiant. She suddenly stood up and walked over

After placing her on the big bed, Xiang Yi did not lie down. “Go to sleep. It’s very late.”

Seeing that he was indifferent and did not have any intention of going to bed, she could not help but ask, “What about you?”

“I’ll sleep on the sofa.”

“...”

After all this, he was going to sleep on the sofa?

“The bed is so big, why are you sleeping on the sofa?”

He lowered his face and stared at her with a burning gaze. “If you don’t play those petty tricks, perhaps I’ll still sleep on this bed.”

“...”she was stunned.

By ‘Petty tricks’, did he mean that she was planning to pounce on him?

Uh, he actually saw through it.

It didn’t matter, she still had other tricks up her sleeve!

“Then I won’t play any tricks now. I’ll just ‘Innocently’invite you to sleep on the same bed as me. is Mr. Xiang Willing?”She looked at her pair of beautiful and clear Phoenix eyes and asked him.

When he met her pitch-black pupils, Xiang Yi was slightly stunned for a moment. He looked at her for a long time without saying anything.

Would she really put away those little tricks and just invite him to sleep on this bed?

Her long and narrow eyes seemed to be able to see her clearly. However, at this moment, under Shi Nuannuan’s starry eyes, she really did not have any thoughts. It was as if she really just wanted to sleep on this bed with him.

If that was really the case, it was not impossible. After all, they had slept together yesterday.

However, he was worried that his self-control would crumble under her repeated teasing.

His phone rang, breaking the ambiguous atmosphere.

Xiang Yi turned his head and glanced at the phone that was placed on the bedside table.

Shi Nuannuan also turned her head and saw that the caller ID was an ZHIHAN.

It was already so late, why was she calling?

Shi Nuannuan's eyes suddenly widened, as if she wanted to kill an Zhihan with her eyes through the phone!

Did she often call Xiang Yi in the middle of the night like this?

Thinking about the possibility of the two of them lying in bed every night and chatting on the phone, Shi Nuannuan's decision became even more resolute!

She must let Xiang Yi sleep here and keep an eye on him to prevent him from chatting with any other women!

Picking up the phone, he hesitated for a second before he got up and walked to the window to answer it.

A low, melodic voice said, "Hello?"

Chapter 1024 thoughts of falling on him (3)

"Are you asleep? Did I Wake You Up?" An Zhihan's gentle voice came from the phone. To be honest, this kind of sweet and quiet voice would indeed move many men and move their hearts.

However, compared to her soft and sweet voice, Xiang Yi was only interested in Shi Nuannuan's voice.

It seemed that in this world, the only person who could move his heart was Shi Nuannuan.

"No, what's the matter?" His low voice sounded gentle in Shi Nuannuan's ears.

Why did he have to be so gentle to an Zhihan?

She lifted the blanket and shuffled her slippers as she walked behind Xiang Yi by the window. She stood on Tiptoe and placed her ear above his shoulder, as if she wanted to hear what an Zhihan was saying to him on the phone.

However, Xiang Yi noticed her as she approached him. He could not help but turn his head and saw that she had gotten off the bed and was standing behind him.

Shi Nuannuan was caught red-handed. She paused for half a second, but she did not feel uncomfortable at all. Instead, she straightened her back and stood in front of him.

“What are you doing?” He said this to Nuannuan, which naturally made an Zhihan feel that something was wrong on the phone.

Then, she heard a woman’s voice coming from the other side of the phone. It was Shi Nuannuan!

“No, I’m taking a walk!” After saying that, she turned around and really started to take a walk in the room..

Looking at her playful and cute appearance, Xiang Yi’s face was full of affection.

On the other hand, an Zhihan, who was on the phone, couldn’t help but be startled when she heard Shi Nuannuan’s voice. She turned her head to look at the wall. It was 11:13 pm.

It was already so late, and they were actually together.

“You, where are you now?” An Zhihan asked hesitantly.

It was not until her voice came that Xiang Yi withdrew his gaze from Shi Nuannuan’s back. He turned his head and continued to look out of the window. “The hotel.”

An Zhihan was slightly startled. “With your girlfriend?”

“Yes.”

“You two, are you staying together?”

Faced with her continuous questions, Xiang Yi did not answer her directly. Instead, he changed the topic and said in a low voice, “Is there something you want to talk to me about?”

An Zhihan was a smart person, so she could naturally hear his evasive tone, so she did not continue to ask further. Instead, she got down to business.

“Yes, it’s about what I told you last time. The hotel is preparing to develop a new project. The meeting is scheduled for tomorrow at Nine o’clock in the morning. It’s in the company’s meeting room. Do you have time?”

“Yes.”

Although she knew that his “Yes” was to answer that she had time, such a short word made an Zhihan feel very disappointed.

The reason why she chose to call at such a late hour was to avoid Shi Nuannuan’s absence. She wanted to chat with him and listen to his voice.

And his short word made her not know what to say at all.

“Is there anything else?” He asked, meaning that if there was nothing else, he was going to hang up.

“No, there’s nothing else. See You Tomorrow.”

“Okay.”

Putting away his phone, he turned around and saw the person in front of him staring at him.

“What did she say to you?”

“Nothing.”

“She just called, how could it be nothing!” She pouted, obviously not believing him.

“It’s about the hotel’s new project. I have to attend the meeting tomorrow.”

“OH.” She nodded. So it was business.

However, she was quite satisfied with his cold behavior toward an Zhihan just now!

“Aren’t you going to sleep?” He stared at her. It was getting late.

Chapter 1025 Sweet Dreams, drooling..

She rolled her big black eyes. “Sleep, then what about you?”

“You sleep first, I have something to take care of.” As he said that, he walked over, picked her up, and walked to the side of the big bed.

This action almost made Shi Nuannuan think that he was going to do something to her!

“Good night.”

After putting her down, he planted a kiss on her pink lips and said.

“It’s already so late, you still need to deal with things?” Although she was still savoring this kiss, she seemed to have realized that Xiang Yi had purposely said that he needed to go out to deal with things because he did not want to sleep with her.

After all, it was already so late, how could he still have things to deal with! Moreover, it just so happened that he wanted to avoid her at this time!

“Mm,” he replied.

“What is it?”

“An email from Mr. Shi.”

“...” an email from his brother?

Then did he really have something to do?

Alright!

“Then you go ahead.” It seemed that his hopes of defeating him tonight had been dashed. He could only recuperate and prepare for tomorrow’s battle!

After settling her down, Xiang Yi left the room and went to the living room.

Shi Yuting had indeed sent him an email, but he did not need to deal with it now.

After reading the email, he placed a pillow on the other end of the sofa and lay down. He planned to spend the night on the sofa tonight.

The night was getting darker.

In the room, Shi Nuannuan was tossing and turning, unable to fall asleep.

Lying on the comfortable bed, she stared blankly at the ceiling, not knowing what Xiang Yi was doing right now?

The more she thought about it, the more her heart itched. She simply lifted the blanket and walked out of the bed, gently opening the door to the room.

However, the living room was pitch black, so she couldn't see anything.

Uh, if she turned on the lights, it would wake Xiang Yi up, right?

Forget it.

With a hint of disappointment in her heart, Shi Nuannuan sighed and finally returned to her bed dejectedly.

With the dead of night, she finally felt a little sleepy. She slowly closed her eyes and fell asleep..

..

The next day.

Early in the morning, Xiang Yi walked to the bedside and saw that she was sleeping soundly.

"HMM... Xiang Yi..." in the morning, she suddenly muttered and hugged the pillow even tighter.

Xiang Yi stood by the bed and clearly heard her muttering his name. The corners of his mouth unconsciously curled up.

He took a step forward and sat down by the edge of the bed. He reached out to tease the messy strands of hair on her face, but when he touched them, he found a strange scene.

She hugged the pillow tightly and pressed her face against it. The corners of her mouth suddenly drooled..

He paused for a moment. When he saw her drooling, he was speechless and amused.

Was she having a food dream? She was drooling.

In the dream, Shi Nuannuan kept turning the bathroom door knob and finally opened it!

As soon as she rushed into the bathroom, she saw Xiang Yi's perfect and tall figure. His chest muscles and ivory-colored skin made her drool..

"Xiang Yi..." in her sleep, she drooled and giggled as she muttered his name.

Xiang Yi frowned slightly. He did not understand what kind of dream she had that caused her to shout his name while drooling.

“Hehe...”on the bed, Shi Nuannuan was still giggling foolishly.

Suddenly, a thick layer of mist appeared in the bathroom, covering the entire bathroom so much that one could not see their fingers.

Shi Nuannuan was shocked to see that Xiang Yi, who was in front of her, had suddenly disappeared. She could not help but be shocked!

Chapter 1026 did you sleep well last night?

“Xiang Yi!”

As she screamed, she sat up and opened her eyes. What greeted her eyes was a clear and bright hotel room. There was no Xiang Yi’s perfect naked body, nor was there a thick fog..

Uh.

“You’re Awake?”Xiang Yi, who was sitting by the bed, was a little stunned by her shocked expression.

Shi Nuannuan turned her head when she heard the sound and realized that Xiang Yi was sitting there.

Then, he took out two pieces of tissue from the tissue box on the bedside table and wiped the corner of her mouth. He asked curiously, “What Dream did you have? Is It So Delicious?”

Shi Nuannuan was still in a daze. When she heard his words, she could not help but wake up suddenly.

Delicious! ?

Feeling the spot that he was wiping for her, Shi Nuannuan quickly raised her hand and touched the corner of her mouth.

She was drooling! ?

Uh, underground cave, Underground Cave, where was the underground cave? Hurry up and get in there for her..

“I, I’ll do it myself.”He took the tissue in his hand and kept wiping the corner of his mouth.

He could not help but smile. “I’ve already wiped it clean.”

She paused for a moment and put the tissue down.

“Did you sleep well last night?”He asked softly as he stroked the hair that had fallen from her forehead.

Shi Nuannuan nodded. “Sure.”

Why Not? She had had sex dreams all night!

“Get up. Let’s go down and have breakfast.”

“Okay.”

She nodded and got up from the bed.

After washing up, the two of them left the room together and went to the restaurant on the first floor of the hotel.

“I’m going to Phoenix Group to attend a meeting later. Do you want to go with me or stay in the hotel?” He looked at her as they ate.

Shi Nuannuan took a bite of her sandwich. When she heard Wen Sheng’s voice, she could not help but look up at her.

She was slightly stunned. “Phoenix Group?”

“Yes.”

“Where is it?”

“The head office is in G City.”

Shi Nuannuan was a little surprised. She did not expect the an family to have a head office in G City.

However, G City seemed to be only a third-tier city.

“Where is G City?”

“It’s about an hour’s drive away.”

“Then I have to go too!” An hour was equivalent to two hours. In addition to his meeting time, he might not see him for an entire day. He did not want to be away from him for so long.

He smiled. In fact, he did not want to be separated from her for long.

Since it was a new development project, it would take a long time. He also hoped that she could go with him.

After breakfast, the two of them did not return to their rooms. Instead, they went straight to the entrance of the hotel.

As soon as they came out, they saw a black Mercedes parked in front of them. It was particularly eye-catching in this county town.

They pulled her to stand in front of the black car. The rear window slowly rolled down, and soon, an Zhihan’s pure face was revealed.

When she saw Xiang Yi, the corners of her mouth curled up. However, when she saw that Shi Nuannuan was still standing beside him, the smile on her lips suddenly froze.

Shi Nuannuan? Why did she follow them?

When she saw an Zhihan sitting in the car in front of her, Shi Nuannuan was also a little surprised.

Could it be that Xiang Yi wanted to take her car to G City?

Just as she was thinking, she saw the man next to her suddenly take a step forward and walk to the car window. “Do you mind if I bring an extra person?”

It was only when his voice rang out that an Zhihan finally regained her focus. She looked at him, then at Shi Nuannuan behind him, and finally forced out a forced smile.

“Of course I don’t mind.”

He pursed his thin lips. After getting her permission, he turned to look at Nuannuan. “Get in the car.”

As expected, he was going to take an Zhihan’s car.

Chapter 1027, you can sit in the front seat!

“I’m sorry, Miss Shi, I might have to let you sit in the passenger seat.” In the car, an Zhihan stuck her head out slightly and said warmly to Shi Nuannuan who was standing in front of the car window.

Shi Nuannuan glanced at her and then at the passenger seat. How could she not know what an Zhihan was thinking.

Looking at an Zhihan, her lips curled into a smile like a blooming lily. “Not Necessarily.” After saying that, she turned to look at Xiang Yi. “I want to sit with miss an. You can sit in the front seat!”

Looking at her exquisite and refined face, Xiang Yi’s eyes were filled with endless love.

“Okay.”

How could he not know of her little thoughts.

An Zhihan, who was sitting in the car, naturally felt indignant after hearing this decision.

She could not help but say, “Xiang Yi, you can sit in the back! Because, I still have some matters that I need to pay attention to before the meeting to discuss with you.”

Before Xiang Yi could say anything, Shi Nuannuan had already opened the car door and sat inside.

Then, she turned her head and looked at an Zhihan with a smile. “What’s The Big Deal? We’re both in the same car anyway. We can discuss it even if we sit in the front seat!”

Her righteous words made an Zhihan unable to find any reason to refute.

However, she was unwilling to accept it.

After opening the door of the front passenger seat, Xiang Yi also sat inside. The black Mercedes gradually drove away from the entrance of Phoenix Hotel.

On the way, Shi Nuannuan enjoyed the snowy scenery along the way while chatting and laughing with Xiang Yi in the passenger seat. An Zhihan wanted to interrupt, but she couldn’t find the opportunity.

Seeing that she was chatting and laughing, an Zhihan couldn’t help but bite her lower lip.

But it didn’t matter. Although she was Xiang Yi’s girlfriend, she knew very well that he was also a very focused person when it came to work.

“Xiang Yi!”

Even though Shi Nuannuan's voice was very loud, an Zhihan also raised her voice and called out Xiang Yi. Xiang Yi turned his head when he heard Wen Sheng and glanced at her who was sitting in the back seat. She smiled and immediately took out a document from the file bag at the side.

"This is the business proposal and some of the cooperation requirements proposed by the other party. If you think it's feasible, we will directly sign the contract with Yifa this afternoon."

Hearing this, Xiang Yi glanced at the document in her hand, then reached out and took the document, flipping through it.

In the years that he had been with Shi Yuting, he had heard a lot about him. Xiang Yi had also learned a lot about business, so in the past few years, whether it was trading stocks or investing, he had basically only made a profit.

"I don't have any objections." He was only an investor, and then he had put his name in Phoenix Group. However, he rarely interfered with matters on the other side, and he did not want to be a government official. Therefore, he did not care about the process, as long as he could make a profit.

After all, compared to the large investments he had seen by Mr. Shi's side, the assets involved were over a hundred million. He didn't care about these small investments in knowledge.

Moreover, if he really didn't come back here, perhaps the investment in Phoenix Hotel would be revoked.

"Okay." An Zhihan smiled as she received the document.

An hour's journey was neither long nor short.

Shi Nuannuan was in an exceptionally good mood along the way.

"Xiang Yi, look over there. There's a bird's nest on that tree!" She had grown up in a big city since she was young. Bird's nests were something that she would only see on television.

Shi Nuannuan, who had seen this thing for the first time, could not help but be filled with curiosity.

She subconsciously blurted out, "Hey, stop the car!"

When she said this, not only an zhihan, but even the driver could not help but be a little surprised!

Chapter 1028 she was the 'Miscellaneous Person'

However, as an Zhihan's chauffeur, he naturally only listened to an zhihan. If she did not speak, the chauffeur would naturally not stop.

Seeing that the bird's nest was gradually moving away from her, Shi Nuannuan's face was filled with disappointment.

An Zhihan glanced at her and said unhappily, "Miss Shi, we're going to G City to discuss work, not to accompany you on a sightseeing trip."

Really, what was so strange about a bird's Nest? She really didn't understand what kind of person she was. She was actually inexplicably excited when she saw a bird's nest.

Hearing the sarcasm in her tone, Shi Nuannuan turned her gaze and glanced at an Zhihan. She smiled and said, "That's true. How about..." she turned her head and looked at Xiang Yi with a smile. "Bring Me on a tour sometime?"

From just now until now, Xiang Yi's gaze had never left her face.

Now that he saw her bright little face, his eyes were filled with tenderness and doting. He said, "Okay."

She smiled, enjoying his care and doting on her.

This scene was especially eye-piercing to an Zhihan at this moment. She gritted her teeth, wishing that she could throw Shi Nuannuan out of the car!

...

The car slowly arrived at G City and stopped in front of a tall building.

This tall building might be beyond the reach of the people here, but to Shi Nuannuan, it couldn't be any more ordinary. In other words, it simply didn't enter her sight.

The three of them slowly entered the reception hall. Shi Nuannuan discovered that the beautiful woman at the reception was quite beautiful.

"Miss an." Seeing an Zhihan, the beauty at the front desk immediately nodded at her and saluted.

An Zhihan ignored her and walked straight in the direction of the elevator.

There were no exclusive elevators here. There were only three in total. An Zhihan brought Xiang Yi and Shi Nuannuan into one of them.

They walked all the way to the 21st floor and the three of them walked out of the elevator.

An Zhihan suddenly stood still. She turned to look at Xiang Yi and then at Shi Nuannuan.

Then, she said to Xiang Yi, "The meeting room is not allowed for outsiders."

The meaning of this sentence could not be clearer. Shi Nuannuan was that 'outsider'!

TSK, it was just an ordinary small group. Who would want to go in!

Shi Nuannuan secretly pursed her lips and turned to look at Xiang Yi with a smile. "Then you guys can go in. I'll wait for you here."

She looked indifferent, but Xiang Yi was still a little worried.

Although her family background was prominent, and she had been to many places around the world since she was young, as her boyfriend, he was still a little worried about leaving her here alone.

"I'll bring you to my lounge."

Seeing his gentle and doting attitude towards Shi Nuannuan, an Zhihan, who was at the side, felt all sorts of discomfort in her heart. She glared at Shi Nuannuan with hostility once again.

Hearing his words, Shi Nuannuan was a little stunned. She asked, "Your Lounge?"

There was a private lounge that was exclusive?

"En."The corners of his lips curled up slightly, revealing a faint smile. He pulled her in a random direction.

This independent lounge was indeed Xiang Yi's.

To Phoenix Corporation, he was the third largest investor. Logically speaking, he should also have a position as a director or vice-president. However, because he was out of town all year round and rarely came back, he only invested and did not want any positions in the company, at the beginning, an Zhihan still felt that it was a pity. It was only when he came to attend the meeting later that he did not have a place to stay. An Zhihan specially set up a lounge for him.

When he walked into the lounge, the overall appearance was similar to an office, except that there was a desk and chair missing.

Chapter 1029 I am... Xiang Yi's person

"Wait for me here. If there's a need, you can ask the assistant secretary over there,"he instructed.

Shi Nuannuan looked in the direction he pointed and saw that there was indeed a well-dressed woman sitting not too far away.

However, she was just an 'unimportant person'. If there really was a need, would she help her?

She felt that the people here had the same personality as an Zhihan. Perhaps, they were all people who relied on others!

"Can I ASK?"She looked at her phoenix-like eyes and asked the man in front of her.

He curved his lips into a smile. "Of course you can. Tell them that they're my people."

Upon hearing his words, Shi Nuannuan could not help but feel warm. "Sure!"

The more an Zhihan heard him say 'my people', the more upset she became. However, she had no reason to interrupt them, so she urged Xiang Yi, "Xiang Yi, let's go in quickly. My father and all the directors are waiting for us."

Xiang Yi turned his head and glanced at her. Then, his gaze fell on Wen Sheng's face. "I'm going in. If you're bored, you can walk around and visit this place."

"Okay."She smiled and nodded. She also thought of the boring words she would say later, so she went to visit this place.

After watching the two of them leave, Shi Nuannuan walked around the lounge.

Although the lounge was small, it could be considered complete.

Of course, such a small place was nothing compared to her brother's Supreme Emperor.

However, there wasn't even a television in this lounge. Speaking of which, it was indeed a little boring.

She sat on a leather sofa and took out her phone, ready to browse Weibo and wechat moments to see if anything big had happened recently.

She took out her phone and suddenly found a wifi signal.

With her condition, she might not need to go to a wifi network, but if she wanted to watch a video, the wifi network would be smoother.

She opened the wifi network and the signal was full. It should be here, but she did not know the password.

She raised her head and looked around. Through the glass window, she saw the assistant secretary sitting not far away. She remembered what Xiang Yi had said. If she needed anything, she could look for that lady.

Thinking of this, she stood up and walked over.

The assistant secretary was busy with her work when she heard a clear and sweet voice coming from above.

"Hello, Can you tell me the wifi password here?"

She looked up and saw Shi Nuannuan suddenly walking over. The assistant secretary looked at her suspiciously.

Looking at her beautiful clothes and a bit of beauty, the assistant secretary guessed that she might be the mistress of another director or manager, so she said unhappily, "Who are you?"

Her unfriendly tone made Shi Nuannuan realize that the assistant secretary in front of her was indeed on the same side as an Zhihan.

However, in order to not be willful and to not lose Xiang Yi's reputation, she still smiled and said, "I'm... Xiang Yi's person."

Actually, based on her identity, based on her past personality, she would have long refuted it!

Hearing her words, the assistant was a little surprised and once again looked at Shi Nuannuan.

She said that she was Mr. Xiang's person? What a joke, how was this possible! ?

Everyone knew that their Mr. Xiang was rich, handsome, and low-key. Although he did not have any status in the group, he actually had the power to control the Phoenix Group. He was already famous as a bachelor here and did not get close to women., how could a woman exist.

Chapter 1030 who allowed you to enter this place?

The assistant seemed to have heard a joke as she looked at Shi Nuannuan and said with a cold smile, "Miss, you said that you're Mr. Xiang's Person?"

Shi Nuannuan was still a little confused by her cold smile.

Why, was it strange that she was Xiang Yi's person?

Xiang Yi was indeed very handsome, but her looks were not bad either. At the very least, she had to have good looks and a hot figure. She should be worthy of Xiang Yi, right? Was there a need to look at her like that?

She was not a village girl who came from the mountains!

When she met the assistant's disdainful gaze, although Shi Nuannuan felt a little uncomfortable in her heart, she still endured it in order to not embarrass Xiang Yi.

She smiled and said, "Yes, I just left with your miss an and Mr. Xiang. Didn't you see?"

She was handling some matters just now. Because there was a document that was very important before the meeting, she had to print it out, so she didn't notice the three people who had come.

"I didn't see them."

Shi Nuannuan looked helplessly at the assistant's respectful address to Xiang Yi. It should have also indicated that Xiang Yi had a certain status in this group. At least, the assistant secretary in front of her respected him.

"Then can you give me the password?"

"Why should I give you the password?"

Shi Nuannuan was furious. If her brother's organization had such an impolite and arrogant person, she would definitely ask her brother to kick her out!

Shi Nuannuan fixed the assistant for a few seconds and kept repeating in her heart, "I must endure, I must not cause trouble for Xiang Yi. Endure, I must endure!" Only then did she suppress the anger in her heart. After glancing at the assistant, she turned around and left.

If she wasn't going to give it to him, then so be it. She had the data network!

She glanced at the assistant in annoyance and turned around to return to the lounge to open the data network.

Just as she opened wechat, she saw a message from her biological sister-in-law.

Zuo Weiyi: How was it over there? Did you have fun?

She looked at the time of the message. It was from yesterday.

She quickly typed on the keyboard and replied.

Shi Nuannuan: I'm having a great time. How are the two babies? She quickly sent two photos over for me to take a look.

Very soon, two cute little faces were sent over. Just looking at them made Shi Nuannuan want to pinch them.

However, after not seeing Mo mo and Lian Lian for a few days, they seemed to have become cute again!

“Hey, who let you in here?”

Looking at the photo on her phone, Shi Nuannuan was about to reply when she suddenly heard an unhappy voice from the side.

Wen Sheng looked up and realized that it was the assistant secretary from earlier.

Holding her phone, she looked up and stared at the assistant. She was stunned for half a second.

“What?”

“I asked who let you into this lounge! ?”

Everyone here knew that this lounge was exclusive to Mr. Xiang. Without permission, no one was allowed to enter. Unless it was to receive a big client, only with the CEO’s permission would it be used to receive people.

However, today, they heard that Mr. Xiang had also come to participate in the meeting. This meant that this place would become his place of residence. Naturally, no one was allowed to enter.

And when did this woman come in?

“Who else could it be? Of course it’s Xiang Yi.”

Faced with the assistant’s unfriendly tone, Shi Nuannuan wanted to fly into a rage several times.

How did such a rude and unruly person get recruited into the company? If the staff here had such an attitude, then she finally understood why this Phoenix Hotel was not a star-rated hotel. How could a person with such qualities be qualified to work in a star-rated company?
