

Kiss Me 1061

Chapter 1061 came to a Shangye city

“Why? Don’t you think that we look like a couple?”She raised her hand and cupped her beautiful face as she looked at Xiao Lin and asked.

Xiao Lin could not help but feel that this beauty in front of him was a little different from the others when she did not look shy at all.

An ordinary girl would not say such unrestrained words, right?

He chuckled. “Heh, there is!”

His answer couldn’t help but make Shi Nuannuan laugh. She snickered happily. “(* ^ *) hehehe... I think there is!”

..

On the other side.

In a villa not far from the county district, an Zhihan had just finished showering when she walked out of the bathroom. She saw the phone screen on the bed light up, followed by a series of ringtones.

Looking at the lit up screen, she was slightly startled. Then, she tied the belt of her bathrobe, walked to the bedside, and picked up the cell phone.

When she saw the caller ID, she was stunned again.

However, the dazed look on her face was not for one thing.

Guo Zihao?

Why was she calling?

When she saw that name, the craziness from last night could not help but flash in her mind, and the hand holding the cell phone became even tighter.

However, she had to pick up his call because this collaboration concerned the future of Phoenix Enterprises, and she was the person in charge of this project.

After a while of silence, an Zhihan finally had the courage to pick up Guo Zihao’s call.

“President Guo.”

Guo Zihao did not seem surprised by her calm tone.

What surprised him was her reaction after last night’s incident.

Although he was not the richest man in the country, there was no woman in G City who did not want to marry him. There were also many women who wanted to climb into his bed.

However, an Zhihan quietly left after what happened last night.

Could it be that she did not want to marry into a wealthy family like him? After all, this was the position that many women dreamed of!

“Miss an.”

“What’s the matter?” Her tone was very cold.

Indeed, she already had a man in her heart, so even though Guo Zihao was the richest man in the city, he still couldn’t shake her heart.

“Miss an is so cold. I don’t know how to say this.”

His tone was obviously intimidating, which made an zhihan realize that if she continued to treat him with such a cold attitude, it might affect Phoenix Corporation’s cooperation with him.

Thinking of this, her tone became a little gentler.

“President Guo, you’re thinking too much. I, I have always been like this. If you’re not used to it, I’ll apologize to you.”

Guo Zihao was very satisfied with her change.

“Since you want to apologize, then come to ‘a Shangye city’ later.”

There was no room for negotiation in his tone, which made an Zhihan helpless and could only agree to his request.

After hanging up the phone, she changed into a set of clothes and left the house.

A Red Porsche 718 slowly drove out of the An family’s gate. Not long after it drove, it was blocked by a Shanghai Volkswagen!

An Zhihan had no choice but to stop the car.

Under the blinding light, she saw a figure get out of the car.

Looking at the familiar figure, an Zhihan determined Xiang Yi’s figure.

She paused for a moment, then opened the car door and got out of the Red Porsche.

Under the night sky, the tall figure changed from the glaring lights to come out, standing in front of her.

An Zhihan did not seem surprised by his arrival.

Since Shi Nuannuan was not dead, it meant that Xiang Yi would find her.

Chapter 1062: Why Did you do this?

So what if you found her?

Just because they were penniless, could they beat her to settle down?

If it was in the past, she might not have wanted to turn against the man in front of her. However, when everything was set in stone and no matter what you did, you would not be able to get a man's heart. There were many things that you did not want to do in the past, in the end, they were no longer important.

If it were not for Shi Nuannuan, she and the man in front of her would not have ended up in this situation today. And last night, he would not have said such ruthless words to her. If he had not heard those words, she would not have been heartbroken, she would not have used alcohol to drown her sorrows. She would not have drunk and had sex. She would not have lost her innocent body.

All of this was because of Shi Nuannuan's appearance, which broke the peace between her and the man she loved over the past ten years. It was all because of her.

And yesterday, she had only taught her a small lesson!

In the future, she still had a long way to go, so she would slowly torture her!

An Zhihan's eyes flashed with a sinister light.

Looking at the man in front of her, she suddenly curved her lips into a smile. "You actually came looking for me? This road seems to be your second time stepping on it, right?"

Yes, they had known each other for more than ten years, but this was her second time stepping on this road in front of her house.

The first time was because of the company's investment. She was bedridden, and he had no choice but to come to her house to discuss it with her.

This time, it was for Shi Nuannuan.

Xiang Yi's malicious gaze fixed on an Zhihan in front of him. She had indeed changed. That ice-cold gaze made him feel very unfamiliar. She was no longer the kind and innocent an Zhihan.

"Why are you doing this?" He did not beat around the bush and went straight to the point.

An Zhihan glanced at him and walked to the side. She looked into the distance and said, "I don't understand what you're saying."

She had indeed changed. She had become vigilant.

Even though the man standing in front of her was the man she used to like the most, she could not get him. Why should she continue to humiliate herself?

She had to be wary of what she should be wary of.

It was not that she did not know how important Shi Nuannuan was to him. Perhaps at this moment, there was a recording pen hidden somewhere in his body to extract information from her and hand it over to the police. She was not that stupid.

However, all of this was just an Zhihan overthinking things.

Xiang Yi had come here because he wanted to know why she had done this.

Of course, if it was only because of her jealousy and hatred, then he would not hesitate to make her bear criminal responsibility for everything she did!

“Do you think I believe you or Nuannuan?” He asked.

An Zhihan was stunned, and a flash of pain flashed across her eyes.

The meaning in his words could not be more obvious.

No matter how she tried to deny it, as long as Shi Nuannuan saw her driving that white BMW, as long as she said it herself, no matter how much she denied it at this moment, he would always believe in Shi Nuannuan.

The moment she thought about how he pampered Shi Nuannuan to the bone, the jealousy and hatred in an Zhihan’s heart rose once again, and her hands that were hanging by her sides unconsciously tightened.

She suddenly turned her head, and under the reflection of the light, he saw a hint of hatred in her pained eyes!

“Alright, you want to know? Then I’ll tell you! I was indeed the one who did that!” Perhaps it was because she was jealous of his care and heartache for Shi Nuannuan.., an Zhihan’s calmness and vigilance were shattered in an instant!

“Why?” His gaze was even colder than hers, and the friendship of the past no longer existed on his cold face.

Chapter 1063 had nothing to do with her anymore

As she looked at it, her heart ached a little.

But then, she revealed a bitter smile. Her eyes were filled with pain and hatred.

“Why? You actually asked me why?”

He looked at her calmly, wanting to hear her reason.

“I liked you for more than ten years. I helped you deal with all the matters in the company. In the end, what did I get in return? Your ruthlessness, your indifference! “In fact, you even sold your shares in Phoenix Group for her sake and to sever all ties with me. Because you clearly know that as long as you sever all ties with Phoenix Group, I won’t Pester You Anymore! “What compensation for her? Don’t you just want to sever that last connection with me for her sake! ! ? ?”

Looking at an Zhihan who had completely lost her mind, Xiang Yi’s calm face did not waver or change in the slightest. However, a layer of frost suddenly appeared in his dark eyes.

His slightly deep voice was as cold as ice. “Is this the reason why you hurt her?”

“That’s right!” She admitted confidently!

“An Zhihan, from now on, you and I have nothing to do with each other.”

As soon as he finished speaking, his emotionless eyes shot her a cold glance before he turned around and left.

Hearing his cold and emotionless words, an Zhihan was instantly stunned. By the time she came back to her senses, he had already planned to open the car door and get into the car.

“Xiang Yi! Why, why not me! ?”

Xiang Yi’s action of opening the car door stopped and he raised his head to look at her. “Because you disgust me, and she won’t.”

Seeing him open the door and get into the car, an Zhihan couldn’t help but shout, “Xiang Yi, you will definitely regret it! I will definitely make sure that she will never be able to recover!”

Xiang Yi started the car, but when he passed by her, he suddenly stepped on the brakes.

His malicious gaze stared straight ahead, but he didn’t look at her. Instead, he coldly said, “You better do it.”

An Zhihan, who did not know Nuannuan’s identity, did not know who was going to be doomed beyond redemption.

An Zhihan’s eyes welled up with tears of hatred as she looked at the car that disappeared into the dust. She clenched her fists tightly, but she did not feel any pain.

Forty minutes later, she drove to a Shangye city in G City and arrived at a luxurious private room according to the address that Guo Zihao had sent her.

She pushed open the door and saw a few men and women sitting inside. The moment she entered, they all looked at her.

She was indeed a beauty. She had a tall figure, a sexy cleavage, and delicate facial features. Without Shi Nuannuan, she was radiant.

On the sofa, Guo Zihao held a glass of red wine and shook it gently. There was a smile on the corner of his mouth. He was very satisfied with an Zhihan’s arrival.

“Director Guo, is this your guest?” A middle-aged man saw an Zhihan and his eyes couldn’t help but light up.

After all, compared to the women with heavy makeup here, this an Zhihan could be considered a rare pure and beautiful woman.

An Zhihan caught a glimpse of Guo Zihao at a glance, but there was a woman with heavy makeup sitting next to him.

Guo Zihao gently smiled. He was talking to the middle-aged man, but his eyes were always on an Zhihan who came in.

“Yes.”

“She is indeed a pure and beautiful woman,” the middle-aged man praised.

Pure?

Guo Zihao secretly raised his eyebrows.

Whether she was pure or not didn't depend on her appearance.

The crazy scene in the bed yesterday didn't mean that she was a pure woman, but... he liked her!

Chapter 1064, Anything Is Fine?

An Zhihan was already angry, so her patience was naturally not that good.

"Since President Guo has guests, I'll go back First!"

As she said this, she was about to turn around, but was blocked by two bodyguards at the door.

She raised her eyes and stared at the two bodyguards with some displeasure.

She heard Guo Zihao's voice coming from behind.

"Since miss an is here, why do you have to leave? Come over and have a drink with me." This was not a question, but an order.

An Zhihan took a deep breath and clenched her fists. She turned around and looked at Guo Zihao on the sofa. Especially when she saw the red wine in his hand, she suddenly walked over.

Every time she felt angry, she would use the wine to vent her anger.

She walked over, took the wine in Guo Zihao's hand, and emptied it without saying a word!

Guo Zihao looked up at her heroic spirit and could not help but smile.

"Miss an is indeed straightforward."

"Is it enough?"

He smiled. "What if I say it's Not Enough?"

She glanced at him and glanced at the few bottles of wine on the coffee table beside him. Then, she picked up another glass and downed it in one go!

"Another glass!" Someone shouted!

Thus, an Zhihan poured another glass and drank it all.

Naturally, it was not because of the heckling, but because she was in a bad mood at the moment.

She was disgusting? There were countless people chasing after her, but he found her disgusting?

Wasn't this Guo Zihao asking her to come here because he liked her?

After three glasses, her face was still clearly a little drunk, which reminded Guo Zihao of last night.

An Zhihan's gaze suddenly landed on the woman sitting next to Guo Zihao. She said coldly, "Get lost."

The woman could not help but be startled. Her expression immediately turned extremely ugly. Just as she was about to say something, Guo Zihao opened his mouth.

“Be good. Go to President Wang’s side.”

Although she wanted to get close to a rich man like Guo Zihao, since he had already spoken, the woman naturally had to leave.

She glared at an Zhihan unhappily before she stood up and left.

An Zhihan took the opportunity to sit down and vent out all the humiliation she had suffered tonight.

She curled her lips and leaned over to the man beside her. She smiled charmingly and seductively.

“Didn’t president Guo Want Me to drink with you? How do you want to drink?”

Guo Zihao looked at her. He naturally did not reject her enthusiasm, but he did not move. He only looked at her. “Anything?”

“Of course.”

“Then use your mouth.”

An Zhihan was stunned, but she calmed down after a while. She smiled and said, “Yes, but what benefits does Guo want to give me?”

She raised her hand and drew circles on his chest with her index finger, as if she was teasing him.

“What do you want?”The man couldn’t help but tease her like this.

“I haven’t thought of it yet. I’ll tell you when I think of it.”

“Okay.”

She smiled. “President Guo is so nice...”

Then, she took a sip of the wine and moved closer to Guo Zihao’s lips. After kissing him, she really put the wine in his mouth.

“Is it good?”She smiled charmingly.

Guo Zihao couldn’t stand her naked teasing. He put his big palm on the back of her head and said, “Yes, it’s good, but I don’t think it’s enough.”

“Then, do you want another sip?”

The people in the private room were stunned by their flirting, but they were also enjoying it.

Miss an looked innocent, but she was so... flirty!

Chapter 1065, can you teach her a lesson for me?

Following that, Guo Zihao’s voice was heard. “All of you, get out.”

Hearing that, everyone looked at each other, then tactfully stood up and left the private room.

Even the two bodyguards turned from inside the door to outside and stood guard on both sides.

Although an Zhihan was a little drunk after drinking, her consciousness was still very clear.

When he asked everyone to leave, she realized something, but before she could recover, the man in front of her turned around and pressed her down on the sofa!

“I don’t think it’s enough, but how boring would it be just to drink?”

An Zhihan clenched her fists when she met his lustful gaze. She knew that the man in front of her was powerful, and it would only benefit her if she got close to him. She might even be able to ask him to destroy Shi Nuannuan!

She resisted her rejection of him and suddenly smiled. She hooked her arms around his neck. “Then what does CEO Guo Want to Do?”

Call me disgusting? Look at this Guo Zihao. Isn’t he still infatuated with me and my body?

Whether it was her appearance or her figure, which part of her was inferior to Shi Nuannuan and which part of her was disgusting?

“What do you think?” As he spoke, Guo Zihao’s hand had already reached into the hem of her clothes and was slowly moving upwards..

His lips could not wait to seal hers!

Very soon, she was also gradually indulging in the pleasure of pushing her up into the clouds. She even felt that it was not enough and wanted more!

In this aspect, Guo Zihao was an expert. He could always send her up into the clouds again and again. He had tasted all kinds of postures. What he liked the most was to lie down and admire her licentious expression.

After a round of sex, an Zhihan was also satisfied. She lay on Guo Zihao’s body and asked with a smile, “Does CEO Guo Like Beautiful Women?”

Although Guo Zihao was a little surprised by her sudden appearance of flowers, he still answered her question truthfully.

“What man doesn’t like beautiful women?”

“Then I’ll introduce CEO Guo to a woman who is even more beautiful and moving than me. Do you want her?”

Hearing that, Guo Zihao narrowed his eyes and grabbed her chin. “More beautiful than you?”

“Yes.”

“Then do you know that you’re the most ‘moving’ person I’ve ever seen?”

An Zhihan couldn’t help but be stunned. She thought he was saying sweet words to her.

“She’s really beautiful. You’ll know when you see her, especially her figure. I guarantee you’ll be satisfied...”

Guo Zihao looked at her again. “Are you in such a hurry to introduce me to a woman?”

In the past, it was always the women who fawned over him and tried to drive away the other women around him.

An Zhihan was stunned for a moment when she met his gaze before she said, “She’s a close friend of mine who betrayed me, so... CEO Guo, can you teach her a lesson for me?”

As she spoke, an Zhihan deliberately reached her hand toward the area below him..

Guo Zihao did not move. “That depends on how you perform.”

She understood what he meant. As long as she could destroy Shi Nuannuan, what was wrong with that?

The next second, she sat on Guo Zihao’s body..

Xiang Yi returned to the hospital at 8:29 p.m.

At this moment, Shi Nuannuan and Nuannuan in the ward had sent out a set of photos.

When she heard the door open, she looked up and saw that he had returned. She then looked at the time on her phone and could not help but smile brightly.

“So punctual?”

He smiled and saw the phone in her hand ring.

“What are you doing?”

“Nothing, just chatting with my dear sister-in-law.”

At the same time, Shi Mansion.

Chapter 1066 something happened to Nuannuan!

In the bedroom on the second floor, Zuo Weiyi was about to lie down on the bed after taking a shower. However, just as she sat on the bed, she heard her phone ring.

She took the phone and realized that it was a message from Nuannuan.

When she opened the message and saw the photos of her injured foot, her eyes widened in shock!

However, when Nuannuan took the photos, she was still smiling brightly and even waved her scissor hands!

Just as she was about to say something, a force pulled her directly into the blanket!

By the time she came back to her senses, she was already under Shi Yuting’s body!

Then, her lips were sealed by him.

“UHH...”she wanted to speak, but he had the opportunity to take advantage of her. The tip of his tongue went into her mouth. “Ting... uhh...”

Fortunately, he did not kiss her for a long time. Because he had something important to do, he left her lips and slowly lowered them, giving her a chance to speak.

“Ting, don’t... I, I have something to say... hmm...”

Feeling that he was biting her, Zuo Weiyi could not help but feel something.

However, when she thought of Nuannuan’s injury in the photo, she was suddenly jolted awake!

Now was not the time to do such a thing!

“Ting, don’t... I have something to say to you!”

“It’s not too late to say ‘while we’re doing it’...”his hoarse voice sounded. He had no intention of leaving.

Zuo Weiyi, on the other hand, was so anxious that she could not help but shout out, “Nuannuan is in trouble!”

It was not until her voice rang out that Shi Yuting suppressed his ‘need’and stopped what he was doing. He raised his head to look at her. “What’s Wrong?”

She picked up her phone and pointed the screen at him.

Staring at the screen for a long while, Zuo Weiyi thought that he would be anxious, but who knew that he would suddenly blurt out, “Aren’t you smiling quite happily?”

After saying that, he wanted to continue his ‘need’, but was stopped by her. “Look at this again!”

After all, she was his only sister, and he had spoiled her since she was young. How could shi yuting really not care.

Looking up, he saw that there was a sentence written at the end of the photo: the Doctor said that my leg was broken just like that, so I could only face the rest of my life with a smile..

When he saw that sentence, Shi Yuting finally stood up and sat down beside her. He took her phone and dialed her number.

In the ward, Shi Nuannuan looked at the caller ID as if she had expected all of this.

“Hello?”

“What’s going on?”Shi Yuting’s deep and dangerous voice sounded on the phone.

Perhaps it was because she had been away from home for too long, or perhaps she felt that she had really been wronged. When she heard her brother’s voice, Shi Nuannuan suddenly felt a lump in her throat. However, after she calmed down.., she told Shi yuting about what had happened.

“I understand.”

Following Shi Yuting's low voice, the call was hung up in the next second.

Then, she turned around and continued what she had not done just now!

..

On the tenth day, Shi Nuannuan's leg was still in a cast. The doctor told her that she could be discharged from the hospital, but it would still be more than a month before she could walk on the ground.

After she was discharged, she could only stay in a hotel temporarily. After dealing with an Zhihan's matter, she decided to return to Z country.

On the day she was discharged, the An family and Phoenix Enterprise fell into chaos.

In a short three days, Phoenix Enterprise was suddenly attacked by hackers who stole the core code. This led to the leak of the entire group's business secrets. As a result, the stock market plummeted and instantly fell into a crisis.

In the face of this unprecedented crisis, chairman an and the other shareholders were at a loss, not knowing where this crisis came from.

Chapter 1067 Phoenix Group is in crisis

Within the group, the more an Guoxiang thought about it, the more confused he became. He had never made enemies with others, and his behavior was even more open and aboveboard. Even if he would inevitably offend others in business, he had also investigated over the past two days, the crisis of the company had nothing to do with the businessmen who had interacted with him in the past.

Moreover, this kind of crisis was definitely not something that an ordinary person could do!

Seeing that his life's work was about to be destroyed today, an Guoxiang felt a headache coming on. He held his forehead and seemed to be unable to bear it.

"Dad, what exactly is going on? Have you not found out yet?" Looking at her father who was sitting in a chair, an Zhihan walked over.

Although Phoenix Group was not considered a top-tier group, it had experienced many storms over the past few decades. Why would it encounter such a crisis this time?

Who Was It? Why did they suddenly attack his father's company?

An Guoxiang shook his head from the single-seater sofa. "No, we can't find out at all."

"Everyone, think about it carefully. Did you accidentally offend some big shot recently? Otherwise, how could such a thing happen out of the Blue? If we can't find out, our Phoenix Group can only wait for bankruptcy and bankruptcy!"

In the meeting room, another shareholder couldn't help but speak up.

Thinking about how his decades of hard work had been ruined just like that, his face was full of helplessness and melancholy.

Hearing this director's words, the other shareholders also began to frown and think, not knowing when they had offended someone.

An Guoxiang also raised his eyes, carefully thinking about who he had been in business with during this period of time.

However, he still felt that the person behind all this was definitely a big shot. and the person they had come into contact with recently was Guo Zihao from the Guo Corporation, right?

Could it be him? An Guoxiang furrowed his brows, feeling that the possibility was very small.

After all, the Phoenix Corporation had just signed a contract with him, and he was about to invest 50 million yuan. If he did such a thing, wouldn't it be harming others and not benefiting himself?

An Zhihan couldn't help but be startled when she heard the shareholder's words.

With her father's character, he would definitely not make enemies with others. Even if he had some conflicts with others in business, it would definitely not end up like this. Who Was It? Who wanted to destroy the Phoenix Corporation?

Suddenly, Shi Nuannuan's warm face flashed across her face when she went into the sea.

The person she had offended recently, aside from Shi Nuannuan, was Xiang Yi.

However, Xiang Yi definitely did not have the ability to do so. Furthermore, his father had always treated him well. Even if he had a grudge against him for hurting Shi Nuannuan, with his character, he should not have been so resolute. Could It Be Shi Nuannuan?

No, how could a person with no status and background do such a thing?

No..

An Zhihan suddenly looked up and seemed to have realized something!

As for Shi Nuannuan's identity... she seemed to have never really understood it. Other than her name, she didn't know where she came from or what her background was.

Thinking of this, she couldn't help but leave the heavy conference room. She went to the corridor, took out her phone, and dialed Guo Zihao's number.

The call was picked up very quickly.

She gave a sexy and charming smile. "President Guo."

"Miss an, you have so much free time?"

"You, do you still remember the Shi Nuannuan I mentioned to you?"

"I remember."The name Shi Nuannuan sounded familiar to Guo Zihao, but he could not remember where he had heard this name before.

Chapter 1068 Shi Nuannuan's identity (1)

This was not surprising. After all, in the Shi family, Shi Nuannuan and Shen Lanzhi rarely appeared in the media and reports. This was also Shi Le's Way of protecting the mother and daughter.

However, it was still difficult to be airtight. Shen Lanzhi could barely do it, but Shi Nuannuan often went out. In addition, she would occasionally follow him and his grandson to some public places. It was inevitable that the media would take photos of her and announce it to the public.

The reason why Guo Zihao was familiar with this name was because he had seen it in a report before.

However, it had been a few years. If he did not mention it, he would have long forgotten this name.

Now that it was mentioned, he could not remember where he had heard this name before.

"You, can you help me investigate this person?"

Hearing this, Guo Zihao narrowed his eyes. "Isn't she your best friend? You actually don't know this person?"

An Zhihan was stunned for a moment, then she smiled and said, "It's because I don't know this person that I feel that she has betrayed me. President Guo, don't you want to help Zhihan?"

Guo Zihao was very pleased with her sudden change of tone.

"How is that possible? However, what benefits do I get from helping you investigate?"

It was not that an Zhihan did not understand what he meant. At the moment, the only person who could help her and her father's company was this Guo Zihao.

It was nothing more than sacrificing her own body, so what was wrong with that.

She smiled and said, "If it's convenient for president Guo, Zhihan will accompany you to dinner tonight?"

"Just dinner?" He was pushing his luck and missed her flirtatious look.

"If it's convenient, Zhihan can stay too."

"Okay." He agreed, but he still had something to tell her. "Has your Phoenix Group encountered something recently?"

He was a businessman, and he did not do business at a loss.

Although the Phoenix Group had been closely guarded these days, an Guoxiang suddenly wanted him to inject capital in advance. In addition, he had heard some rumors that the Phoenix Group was in a crisis and needed a large amount of capital.

If that was really the case, then there was no need for him to continue working with Phoenix Corporation.

Hearing his words, an Zhihan could not help but pause.

Her father had repeatedly instructed her not to tell anyone that Phoenix Corporation was in a crisis, especially to Guo Zihao.

She was stunned for a moment and tried her best to pretend to be calm. "N-no, there's nothing wrong."

Guo Zihao frowned and thought for a few seconds before saying, "That's good. See You Tonight."

After hanging up the phone, an Zhihan returned to the meeting room.

In the CEO's office on the other side, Guo Zihao instructed his assistant to investigate Shi Nuannuan.

...

At 6:10 pm, an Zhihan was wearing a sexy winter outfit with a low v-neck. Her collarbone was exposed, but she could not feel the cold in this slightly cold winter.

She pressed the doorbell, and after a while, the lock was unlocked. She pushed the door open and entered.

Entering the living room, she saw Guo Zihao sitting on a single sofa in front of the French window, holding a wine glass in his hand, admiring the first starry night sky of the year.

Wen Sheng turned his head and looked at her. "You're here."

An Zhihan stood where she was. When she saw him, she smiled slightly, put the bag in her hand on the sofa, and walked over. She sat directly on his lap, took the glass of wine in his hand, and took a sip.

"I didn't prepare dinner. I came here with an empty stomach. I'm a little hungry."

Looking at the flirtatious woman in his arms, the corners of Guo Zihao's mouth curled up. "Hungry?"

Chapter 1069 Shi Nuannuan's identity (2)

She looked at him and nodded. "Yes."

"Then I'll satisfy you?"

An Zhihan was slightly startled, but she quickly recovered her smile. "Then, have you helped me investigate the matter that I asked director Guo to do?"

"I'll tell you naturally after I'm done." He smiled. In the next second, he had already buried himself in her exposed chest and was biting hard.

Sitting on his lap, she hugged him. Although she was not very willing, she enjoyed it every time she did it.

"Today, let's play a new game."

Halfway through the process, Guo Zihao suddenly stopped. An Zhihan was a little puzzled.

She turned her head and saw that he was holding something in his hand. Although she had not seen it with her own eyes, an Zhihan could still tell what it was.

It was some love items. She didn't expect Guo Zihao to love this.

Immediately after, an Zhihan's hand was tied to the headboard of the bed. As she felt those things enter her, she furrowed her brows in slight discomfort, but she seemed to enjoy it very much.

Perhaps it was because she was shouting too enthusiastically, but in the end, Guo Zihao couldn't hold it in anymore. He threw away the love items and went into battle personally!

Very quickly, both of them were satisfied. They lay on the bed and panted non-stop.

After a long while, Guo Zihao got up and walked to the bathroom. After taking a shower, he wrapped himself in a bathrobe and walked out. He took out a document from the drawer and threw it on the bed.

"You're actually Shi Nuannuan's best friend."

An Zhihan glanced at him when she heard this. She did not understand what he meant by 'actually'.

However, she did not ask. Instead, she flipped through the information he had thrown her on the bed.

The more she read, the more her eyes widened. In the end, she simply could not believe it!

Shi Nuannuan, the pearl of the Shi family, Shi Le's favorite granddaughter, and the only biological sister of the business world's emperor, Shi Yuting!

If she had not seen the photo of Shi Nuannuan on it, if she had not seen it with her own eyes, she would not have believed that the seemingly penniless Shi Nuannuan was actually the sister of the business world's emperor, Shi Yuting? The granddaughter of the richest man in C Nation, and the biological sister of the former president! ?

How, how was this possible!

An Zhihan's face was filled with disbelief as she looked at each and every word in the information.

Shi Nuannuan actually had such a powerful background. How was this possible! !

She suddenly thought of why Xiang Yi had said to her that night, 'Do your best'.

Could it be that the Phoenix Corporation was only in danger because of Shi Nuannuan's attack?

If Shi Nuannuan really had such a powerful background, then there was no doubt about it.

Why, why did this happen? Why was the Shi Nuannuan that she wanted to destroy so prominent?

What should she do? What should she do?

Seeing that there was something wrong with her expression, Guo Zihao sat down beside her and frowned. "What's wrong? Are you scared by her identity?"

Guo Zihao still had some interest in the fact that she was Shi Nuannuan's bestie.

After all, both the Shi family and Shi Yuting were people that the entire world wanted to get close to, and Guo Zihao was no exception.

It would be great if he could get to know Shi Nuannuan through an Zhihan and get a partnership with Supreme Emperor Shi Yuting!

An Zhihan raised her head and glanced at him. "Are these things real?"

“Of course. Actually, you don’t need me to investigate on purpose. As long as you search the internet for the name Shi Nuannuan, her information will come out naturally.”

Until now, an Zhihan still found it hard to believe that Shi Nuannuan had such a powerful identity!

Chapter 1070 Shi Nuannuan’s identity (3)

She took out her phone and immediately typed the words ‘Shi Nuannuan’ on her browser.

Very quickly, all the news regarding Shi Nuannuan popped up.

However, the top few posts only showed that the others were just people with the same name as her.

It was true, she was really the precious pearl of the Shi family!

But why? Why could she conceal her identity to fool her? Could it be that she wanted to see her as a joke?

An Zhihan clenched the phone in her hand tightly and bit her lower lip. Her hatred for Shi Nuannuan rose to the top again!

Her father’s company must have been done by her to take revenge on her. What should she do?

The An family could not collapse. If the Phoenix Corporation collapsed, it meant that she had nothing left.

If she wanted to compete with Shi Nuannuan, she definitely could not lose her identity as the daughter of the An family!

“Do you really know Shi Nuannuan?” Guo Zihao asked again.

After all, what was attracted to her was her body. And now, there was an added value of mutual benefit between them.

That was Shi Nuannuan.

An Zhihan looked up and her heart was in a panic.

She had to calm herself down. Only when she calmed down would she be able to think of how to protect the an family and how to resolve the situation today.

She glanced at Guo Zihao, her face calm after the panic. “Yes.”

“Are they on good terms?”

She was stunned for a few seconds. Now was not the time to fall out with Guo Zihao. She needed his help to topple Shi Nuannuan. It would be best if she could become Guo Zihao’s wife!

The current an Zhihan could only be said to have overestimated herself. Even if she became Mrs. Guo, she could not touch a hair on Shi Nuannuan’s head.

“It was good before, but now, because of some misunderstanding, we fell out.”

Hearing this, Guo Zihao was a little disappointed.

However, since they were once friends, it meant that there was still a chance.

...

In the middle of the night, after Guo Zihao fell asleep, an Zhihan got up, walked to the door, and dialed Xiang Yi's cell phone number.

At this moment, Xiang Yi and Shi Nuannuan had already fallen asleep.

At two o'clock in the morning, his cell phone rang.

He slept on the sofa by the bed. After looking up at the sleeping person on the bed, he got up with his cell phone and went to the living room. He just didn't want to wake her up.

When he saw the caller ID, his calm face didn't show any expression. After hesitating for a few seconds, he silently hung up the phone.

In the end, he deleted an Zhihan's number from his contact list.

He was decisive and did not like to drag things out. Since he had said that they were no longer related, there was no need to keep her phone number.

Back in his room, he looked at the person who was still sleeping soundly on the bed. He returned to the sofa and lay down again, guarding her until dawn.

The next day.

Early in the morning, Shi Nuannuan was still not awake when she was woken up by the urgent sound of the doorbell.

Xiang Yi also walked out of the bathroom. After glancing in the direction of the door, he walked over again.

As soon as the door opened, he saw Shi Yuting and Zuo Weiyi standing at the door respectively.

Xiang Yi did not seem surprised by their arrival.

Since Mr. Shi had interfered in this matter, it was only a matter of time before he came here.

"Mr. Shi, Young Madam."

Seeing the two of them, he nodded and greeted them respectfully.

Shi Yuting did not speak. He only glanced at him and walked into the hotel room with his usual cold expression.

Only Zuo Weiyi smiled at him. "Xiang Yi, long time no see. Happy New Year."

Even though it had been a few days since the new year!

Xiang Yi pursed his lips and did not say anything else.
