

Kiss Me 1071

Chapter 1071 Shi Nuannuan's identity (4)

Upon hearing that familiar voice, Shi Nuannuan hopped out of the room step by step on her seahorse.

Upon seeing Zuo Weiyi and Shi Yuting, she was so excited that she immediately rushed over. "Sister-in-law!"

However, just as she took a step forward, she heard a 'plop' sound. Everyone looked over when they heard the sound and saw that she had fallen to the ground.

"Oh!" She frowned in pain, but Zuo Weiyi, who was beside her, was frightened. His heart ached for Xiang Yi!

"Nuannuan!" Zuo Weiyi and Xiang Yi rushed over at the same time and helped her up from the ground.

"Nuannuan, how are you?" Zuo Weiyi's face was filled with heartache when he saw that Wen Sheng's leg was in a cast.

Xiang Yi, who was beside her, felt sorry for her. However, when Yu Ting and Zuo Weiyi were around, he did not do anything on the surface other than feeling anxious in his heart.

On the contrary, Shi Yuting, who was sitting on the sofa, happened to be facing Shi Nuannuan, who had fallen down.

"It's already the end of the New Year, and you only know to give me such a big gift?"

Shi Nuannuan stood up with a bitter face. In the face of her brother's teasing, she only frowned and said, "I'm not. It hurts so much. You Don't even know how to feel sorry for my little sister!"

"Who told you to sneak here?" Although he doted on his little sister very much, Shi Yuting's face did not show a hint of a smile when it was time to be serious.

Shi Nuannuan paused and instantly felt a little guilty.

She had sneaked here. Any harm she suffered was also caused by her willfulness. She could not blame anyone else.

"She's already injured. Why are you still so fierce to Nuannuan?" In the face of his indifference, Zuo Weiyi could not bear to look at her. He gave him a sidelong glance, then helped nuannuan to the sofa and sat down.

Shi Yuting's gaze fell on Xiang Yi. "You're injured to this extent, which means that you still don't have the ability to protect nuannuan. Looks like I can't hand Nuannuan over to you."

Xiang Yi was stunned by what he said.

If even Mr. Shi and young madam objected, then his chances of being together with Nuannuan could be set at zero.

His heart suddenly tightened. This matter of Nuannuan being injured was indeed caused by him.

Thinking of this, the words that he wanted to say were stuck in his throat.

But Shi Nuannuan was not happy!

She retorted in high spirits, "Brother, this can't be blamed on Xiang Yi. How could he not have the ability to protect me! ? It was that an Zhihan who directly drove her car to hit me! Under such circumstances, how could he protect me?"

Not to mention Xiang Yi, even she herself did not expect an Zhihan to suddenly drive a car to hit her.

Shi yuting ignored her and his gaze remained fixed on Xiang Yi's face. "What do you think?"

Xiang Yi raised his eyes and glanced at him. Finally, he lowered his eyes and said in a low voice, "I am indeed incompetent."

"Then, you don't have any objections to me taking Nuannuan away, do you?"

Hearing Shi Yuting's words, Xiang Yi was stunned and did not give an answer for a long time.

If it was before, he might have been able to give up nuannuan, but now, how could he bear to give up.

"Brother! What are you talking about! ?" Hearing the words coming out of her brother's mouth, Shi Nuannuan bounced up from the sofa, but in the next second, she was about to fall down.

Fortunately, Zuo Weiyi caught her in time and said with concern, "Nuannuan, be careful!"

Seeing her limp, she looked worried. How could her injuries be so serious?

Shi Nuannuan, who had been helped up, still glared at Shi Yuting, who looked calm on the sofa.

Chapter 1072 clinging to a thigh!

"Brother, how can you say that Xiang Yi doesn't have the ability to protect me because of this? Besides, I don't need anyone to protect me!"

When she was in the restaurant, she hadn't dealt with an Zhihan and her sisters alone. This time, it was just that she didn't expect an Zhihan to suddenly want to kill her.

If she had thought of it earlier, she would definitely have been on guard. Not to mention her, even Xiang Yi, who had known her for more than ten years, had not expected an Zhihan to suddenly become like this, because this was indeed somewhat unexpected.

"Why did you send those photos to your sister-in-law when you don't need anyone to protect you?" Shi Yuting asked with a cold face.

Shi Nuannuan paused and suddenly felt somewhat speechless.

However, she could not help but pout and mutter, "Tsk, you're so powerful. Didn't you also injure sister-in-law previously..."

“...”

“...”

In that case, probably only Nuannuan would dare to say such words.

Shi Yuting's face instantly darkened.

“Alright then, you can settle this matter yourself.”

As he said this, Shi Yuting stood up and pulled Zuo Weiyi up, looking as if he was about to leave.

Seeing this, Shi Nuannuan hurriedly hugged his thigh with both hands. “Don't! I was wrong, I won't say it anymore...”

If she just wanted to make an Zhihan look good, perhaps she would be enough, but after all, this wouldn't solve the fundamental problem.

Moreover, once her brother left, if he really didn't agree to her and Xiang Yi being together, then there was no need to say anything about her grandfather's trial. So now, she could only hug her brother's thigh, at least until she passed her grandfather's trial, he would stand on her side.

Xiang Yi lowered his eyes, his calm face making it impossible to tell what he was thinking.

Ever since he met Nuannuan, Zuo Weiyi had always been on good terms with this sister-in-law, so naturally, he was helping her now.

“What are you angry about? Nuannuan was telling the truth to begin with...”

Shi Yuting turned his head and looked at her, then at his sister. were the two of them venting their anger on the same nostril now?

Zuo Weiyi did not look at him. After saying that, she did not dare to look directly into his dark eyes. Instead, she lowered her head and turned her head to the side, pretending that she had accidentally said it. There was still some innocence on her fair face.

“That's right, that's right. I'm talking about Daishi...”

Seeing that her sister-in-law was speaking up for her, Shi Nuannuan still intended to comply. However, halfway through her words, she realized that something was not right, so she quickly shut her mouth.

“Uh, what I mean is...”how could she be so stupid! ?

“Aiya, brother, you're my only sister. You Can't bear to see me being bullied, can you?”

She also knew that her cold and aloof brother would definitely find a way out after being rebuked in front of her.

Xiang Yi stood quietly at the side the whole time. He did not speak, but he seemed to be deep in thought.

Was it because he really did not have the ability to protect Nuannuan and was not qualified to be with her.

“Brother...” Shi Nuannuan began to act coquettishly.

Shi Yuting’s face was still cold. He had no intention of sitting down.

Shi Nuannuan came up with a plan. “If Brother is willing to stay, I will tell you a secret about sister-in-law.”

These words indeed shook Shi Yuting. He lowered his head slightly and looked at his sister who was hugging his thigh.

He frowned slightly. “What secret?”

“Then you have to promise me that you’ll help me deal with this matter.”

Zuo Weiyi, who was at the side, could not help but frown in surprise. What secret was she hiding from Shi Yuting that Nuannuan knew about?

She looked at her and was also a little curious about the secret that she was talking about. Even she herself could not think of any secret that was hidden from Shi Yuting.

Chapter 1073 Phoenix Group goes bankrupt

Shi Yuting thought for a moment, then his gaze fell on her hand that was hugging his thigh. “Let go.”

Seeing that he seemed to be planning to sit down, Shi Nuannuan carefully let go of that thigh!

Shi Yuting sat down.

“What is it?”

Shi Nuannuan also sat down. “It’s about... Shi Bao!”

Hearing this, Shi Yuting frowned slightly.

He was not unfamiliar with these two words, because he had seen it in Weiyi’s contact list before. His name was Shi Bao!

At that time, he had also asked what Shi Bao meant, but Weiyi had not said it that time.

“You know what it means?” He looked at Nuannuan and asked.

Nuannuan immediately nodded as if she was pounding garlic. “Yes! I know!”

“What is it?” Shi Yuting was indeed very curious about this.

Zuo Weiyi, who was standing at the side, only came to a sudden realization after hearing this.

She had indeed not told Shi Yuting about the name ‘Shi Bao’ back then. However, was this considered a secret?

In her opinion, it was actually nothing important. It was just a remark.

“Let me tell you...” Shi Nuannuan whispered something into his ear.

After listening to her, Shi Yuting's lips curled into a smile as if he was very satisfied with her answer.

However, Zuo Weiyi was a little puzzled.

Shi Bao meant that she would only name the most important person in her life 'Bao'. was that why Shi Yuting was smiling so happily?

Seeing that her brother was in a good mood, Shi Nuannuan finally calmed down.

"Brother, you won't take me away from here this time, right?" She asked carefully.

Shi Yuting's dark eyes glanced at her. "So you want to stay here forever?"

"..." Shi Nuannuan was stunned.

Half a second later, she came to a realization.

That's right. After settling an Zhihan's matter, she was going back to Country Z. Why was she still staying here?

So, when Brother said he was going to take her away just now, he was just scaring her?

Uh, why did she feel like she had been tricked! ?

"Brother!" She was scared to death. She could not help but pout and look at him resentfully!

Shi yuting chuckled and then said to Xiang Yi, "Go pack up. We'll be back in a while."

He had come specially to pick her up. She was his only biological sister. How could he bear to ignore her.

"Now?" Shi Nuannuan was a little surprised.

He had just arrived and hadn't even dealt with an Zhihan yet. How could he just leave like that?

"Mm." Shi Yuting acknowledged. He casually took the TV remote control on the coffee table, turned on the LCD TV, and switched it to the news channel.

"But—" Shi Nuannuan wanted to say something, but when she saw the scene on the TV, she kept quiet.

"C nation's G City, the Phoenix Group was attacked by hackers. Overnight, the group fell into crisis, and everyone was in a panic... they announced to the public that they were bankrupt this morning..."

Looking at the television screen, the front of the group building was filled with reporters, and the scene was chaotic.

Shi Nuannuan could not help but be stunned. What was going on at this time?

Shi Yuting's cold eyes glanced at the television screen. He was quite satisfied with everything that was reported inside, and his thin lips curled up slightly.

When she saw the frightening smile on her brother's lips, Shi Nuannuan immediately understood.

"Brother, so you've already made your move?"

Shi yuting glanced at her and didn't say anything else.

At the same time, on the other side.

The Phoenix Corporation building's main doors were tightly shut, and an Guoxiang and some of the directors inside had almost completely collapsed!

Chapter 1075, get lost! !

Hearing this, an Guoxiang also fell into shock. He lowered his head and looked at the photo in the file again. It was indeed the girl from that day in the company.

She was the precious pearl of the Shi family, yet Zhihan drove her car to hit her?

When did this happen! ?

An Guoxiang also raised his gaze and landed on an Zhihan's face.

For more than ten years, he had treated her as his own. However, what he did not expect was that his daughter, whom he had doted on so much, had actually destroyed all the hard work that he had put in his entire life!

Faced with her father's gaze that was filled with regret and reproof, an Zhihan also fell into a mental breakdown.

"Father..."

"Slap! !"

A fierce slap landed on her right cheek without any warning, causing her to feel a burning pain.

An Guoxiang had never hit her once in the more than ten years she had been brought back to the An family.

"I didn't do it on purpose, I. . ."Tears streamed down her face as she sobbed, "I didn't know that Shi Nuannuan and Nuannuan were real people, I really didn't know... Dad, I'm sorry... I really..."

"Get lost! ! !"An Guoxiang roared in anger. He raised his hand and pointed in the direction of the door, his black eyes turning extremely scarlet!

Get lost? This was her home. Where else would she go?

"Father, I was wrong..."

"Get lost! My An family doesn't have a daughter like you! !"

An Zhihan looked at him and then at her brother who had turned cold. Could it be that she was going to become an orphan again?

"Father..."

"Go away, I don't want to see you again..."

Before he could finish his sentence, an Guoxiang fell to the ground, clutching his chest.

“Dad!”

“Dad!”

She rushed over to help an Guoxiang up, but an Chen pushed her away. “Get lost!”

An Zhihan lost her balance and fell backward.

“Someone, come here quickly!” An Chen said, carrying his father on his back and rushing toward the door!

An Zhihan cried bitterly as she watched the two of them leave. However, she still got up and rushed out of the door.

..

It was ten in the morning. Shi Nuannuan was sitting on a private plane. It felt good to be home.

Looking at the clouds outside the cabin, she was in a very good mood. She hummed a song and ate snacks at the same time.

“Did Grandpa and Grandpa Zuo come back from their vacation?” She retracted her gaze and looked at her beloved sister-in-law opposite her.

Zuo Weiyi looked at her leg and then looked up at her face. She smiled and said, “They went to travel around the world. How could they come back so soon?”

It would take at least a few months or half a year!

“Yes, it’s still February. Why do I feel like I’ve been away from home for a long time?” As she said that, Shi Nuannuan put another piece of vanilla cake into her mouth.

“Are you homesick?” Zuo Weiyi looked at her and asked with a smile.

Shi Nuannuan ate her sweet sweetheart and smiled with her eyes curved. “En, Hehe...”

“We’ll be home soon!”

“En!”

As the two of them chatted and laughed, the private plane landed at Z International Airport at 3:25 pm.

Half an hour later, it arrived at Shi Mansion.

Shen Lanzhi was initially extremely excited when she saw her daughter who had returned. However, when she saw her daughter’s injured leg, her entire expression changed.

Zuo Weiyi and Shi Yuting had not told her about Nuannuan’s injury because they were afraid that she would be worried and panic at home.

Knowing it now meant something different. After all, Nuannuan was back, so she would not be anxious because she knew that she was injured but could not see her.

Chapter 1076: missing the two cute little babies

“Nuannuan, what... What happened to your leg?” She frowned and looked at her daughter’s leg that was covered in plaster.

Then, she helped Zuo Weiyi to sit down on the sofa.

“Mommy, I miss you so much!”

Ignoring her mother’s words, Shi Nuannuan kissed her mother’s neck affectionately.

“You Child, you love to run around. What’s wrong with your leg?” Shen Lanzhi looked anxious and worried.

However, the more anxious she was, the more Shi Nuannuan did not have the heart to answer her question. All she could think about was how she missed her.

“Mom, you don’t have to worry. It’s just a small accident. It’ll be fine after a while,” Zuo Weiyi could not help but answer this question for her.

It was not until she spoke that Shi Nuannuan saw the worry on her mother’s face and nodded in agreement. “Yes, Mommy doesn’t have to worry.”

However, Shen Lanzhi was still very distressed. She touched her leg that was in cast. “Does it still hurt?”

Shi Nuannuan shook her head. “It doesn’t hurt anymore.”

Shen Lanzhi’s heart finally settled down.

“You Child, you’re always so reckless.”

“Hehe...” Shi Nuannuan stuck out her tongue at her mother.

At this moment, the nanny carried the two babies down.

When she saw Mo Mo and Lian Lian, Shi Nuannuan was so excited that she wanted to stand up again.

“Quick, quick, quick, give me the babies!” She stretched out her hand and opened it to the two nannies.

After not seeing them for half a month, she really missed the two cute babies.

“Wow, they seem to have grown up again.”

“Yeah, they have changed a lot!” Zuo Weiyi said with a smile and held the other baby in her arms.

However, she missed the two babies so much after not seeing them for a day.

As time went by, the two babies grew up day by day, and they slept less and less. Therefore, they were awake most of the time during the day. Did they still make a few sounds as if they were about to speak.

Sometimes, it was unknown if it was Zuo Weiyi’s illusion, but she would hear them make a few ‘Ma... Ma...’ sounds.

Shi Nuannuan was playing with Mo Mo when she saw the little guy suddenly reach out and grab her pink lips.

She remembered that when she left, the baby's hand would not even lift up to grab something.

As expected, the baby's growth process was very magical.

Leaning against his chubby little hand, Shi Nuannuan laughed happily.

But soon, the two little guys seemed to be tired from playing, and soon fell asleep.

...

At night.

After dinner, Shi Nuannuan returned to the bedroom with Shen Lanzhi's help.

Because her legs were inconvenient, Shen Lanzhi even helped her take a bath.

So she thought of a problem.

"Nuannuan, did you hurt your foot when it was slow?"

In the bathroom, Shen Lanzhi looked at her daughter and asked.

Shi Nuannuan did not think too much and said, "It's been ten days."

Shen Lanzhi could not help but be stunned.

Ten Days?

Then, how did she do it when she took a bath in G City?

"Then, who helped you take a bath before?"

Shi Nuannuan could not help but be stunned. She looked at her mother, and the image of Nuannuan taking a bath for her instantly appeared in her mind.

She pursed her lips and stammered for a long time, "En... I, I can take a bath myself."

Shen Lanzhi cast a suspicious gaze, "Is that so?"

"Of course it is. I'm staying in a hotel. Otherwise, who else can help me take a Bath?"

"OH." At this moment, Shen Lanzhi seemed to be convinced, but in the end, she muttered, "I thought Xiang Yi helped you take a Bath!"

Chapter 1077: The Contract of Life and death

"..." Shi Nuannuan broke out in a cold sweat!

After taking a shower and helping her to lie down safely on the bed, Shen Lanzhi finally left in peace.

As soon as her mother left, Shi Nuannuan could not wait to give Xiang Yi a call.

When she got home, she definitely would not see Xiang Yi every night like she did over there.

The phone rang twice before it was picked up.

“Hello?”

“What are you doing?”

“I just took a shower.”

“Hehe, Me Too!”

After returning to Z country, he would have a lot of things to do the next day.

It was likely that he would not see her much either.

“Before your leg recovers, try not to wander around.” His tone was filled with concern for her. It was very gentle.

Shi Nuannuan enjoyed his concern. “Yes, I know!”

The night gradually deepened.

She did not speak too much, and he did not feel the slightest bit bored listening to her.

It was as if listening to her voice was a form of enjoyment.

“Nuannuan?”

At 0:10 am, Xiang Yi frowned slightly when he heard that there was no more of her voice coming from the phone. Finally, he gave a helpless smile and hung up the phone.

Meanwhile, Shi Nuannuan was hugging her phone and falling asleep.

Even though her eyelids were already fighting, she could not bear to hang up until she could not take it anymore and slowly closed her eyes and fell asleep..

—

After returning to Z country, Xiang Yi, thanks to Zuo Weiyi, now also had a weekend.

The current Shi Yuting had completely abandoned all work and socializing on weekends and was comfortably at home with his wife and children.

It was Friday. After the meeting, Shi Yuting returned to his office and pressed the intercom. “Come in.”

60 seconds later, Xiang Yi knocked on the door and entered.

“Mr. Shi.”

The moment he entered and saw Shi yuting sitting on the leather sofa, Xiang Yi’s face was always calm and composed. He looked at Shi Yuting and called out respectfully.

Shi Yuting raised his eyes and unexpectedly said to him, “Sit.”

Xiang Yi was slightly stunned. He followed the direction of his gaze and did not understand what he meant.

For the first time, he asked him to sit down in the office.

It was 5:20 at the moment, and there were still ten minutes left before work ended.

Logically speaking, no one would come here at this time. Could it be that Mr. Shi had something to tell him?

But it was not to the extent of asking him to sit down for the first time.

“Your subordinate will stand.”

“If I ask you to sit, then sit.” Shi Yuting glanced at him expressionlessly.

Xiang Yi was startled, but he immediately sat down.

After he sat down, Shi Yuting took out something similar to the agreement and placed it on the coffee table. Then, he pushed it in front of him.

“This is your life and death contract.”

Hearing this, Xiang Yi was stunned. His gaze shifted from Shi Yuting’s face to the agreement.

That was indeed the life and death contract he had signed with the Shi family back then.

What did Mister Shi Mean?

He raised his eyes, and a hint of surprise flashed across his calm face.

“What do you mean?”

“From today onwards, this contract is void.”

His words caused Xiang Yi to be extremely shocked.

As long as one was a bodyguard of the Shi family, they were clear that those who had signed the life and death contract would have an unbreakable bond with the Shi family in their lifetime. Their mission in life was to protect the Shi family until the day their lives disappeared.

In other words, unless they died, they would not be able to escape from this life-and-death contract.

What did Mr. Shi Mean?

For a moment, Xiang Yi wondered if Mr. Shi wanted to break this life-and-death contract and drive him out of the city, never to see warmth again?

For the first time, Xiang Yi was a little nervous when he faced Shi Yuting.

Chapter 1078, in what capacity?

“If you want to be together with Nuan Nuan, the first thing you need to do is to remove this,” Shi Yuting said again.

Xiang Yi was slightly startled.

“Of course, even if the contract is removed, you can still stay by my side and help me deal with things. When you want to leave, you can do so at any time. You Don’t need to be controlled by this piece of paper anymore.”

This was the reason why Shi Yuting came into contact with the contract.

With this piece of paper, Xiang Yi could forever be just a subordinate of his.

And he could lose his life at any time.

He didn’t want his only sister to be widowed at such a young age!

He was silent, but Shi Yuting didn’t say anything. Instead, he took the contract, got up, and walked to the Shredder at the side. He put the contract in and shattered it.

“Let’s go. I have to work overtime tonight. I have a social engagement.”

As he spoke, Shi Yuting picked up his coat and walked towards the office door.

He only had Nuannuan as a younger sister. If he did not help, who would?

Xiang Yi took a look at the shattered contract, pursed his thin lips, and finally got up to leave the office.

He really needed a new identity. Only on that day would he have the right to say love to Nuannuan.

...

At night, due to her convenient footsteps, Shi Nuannuan could not go to Xiang Yi’s apartment.

However, when her brother wanted to accompany his sister-in-law, Xiang Yi did not need to come to Shi mansion anymore. It had been a long time since she had seen Xiang Yi!

Lying on the bed, she sent a wechat message to Xiang Yi. She waited for a long time, but he did not reply.

So she called him again, but found that his phone was switched off.

Lying on the bed, she looked at her leg, which had been removed from its cast. Right now, she could only limp and barely walk. If she were to calculate according to the time, she would need at least two months to fully recover. In other words., if Xiang Yi did not come, she would have to wait until the day she recovered before she could see him!

Damn Xiang Yi, he knew that her leg was injured, but he did not come to see her even once!

Thinking about it, Shi Nuannuan felt very wronged.

Did he not miss her and care about her?

Although he could send wechat messages and talk on the phone, she would miss him and want to see him. Did he not want to?

Looking at the time, they had not seen each other for two weeks!

No, she had to find her brother and ask him what he was busy with and why he did not come to see her!

As she spoke, she stood up and limped towards Shi Yuting and Zuo Weiyi's room.

She knocked on the door and Zuo Weiyi opened it.

"Nuannuan, why are you here? Aren't you resting on the bed?"

Shi Nuannuan stuck her head out and looked into the bedroom. She realized that her beloved brother was not there.

"Where's brother? He hasn't come back yet?"

"Yes, he said he would be late today."

Because tomorrow was Saturday, he was usually busier on Fridays.

"Oh," Shi Nuannuan said. With Zuo Weiyi's help, she walked in, but her heart felt a little sour.

Brother also knew to tell his sister-in-law, but Xiang Yi didn't tell her anything.

"What's wrong? You're unhappy." Sister-in-law sat cross-legged on the bed. Zuo Weiyi couldn't help but ask when he saw her unhappy little face.

Shi Nuannuan sighed dejectedly. "Sister-in-law, why didn't Xiang Yi come to see me? He knew that I had no way to find him."

So it was because of Xiang Yi.

Zuo Weiyi smiled and comforted her. "Maybe it's not that he didn't come, but that he came in an unknown identity."

Hearing this, Shi Nuannuan looked up at her sister-in-law in front of her. "I wonder what identity he came in?"

Chapter 1079. A business trip to country A. she will be back in a week

"Yes." Zuo Weiyi nodded. "Although grandfather is not here, there are still many servants and bodyguards at home, especially the bodyguards. They are all grandfather's men. What reason do you want Xiang Yi to come?"

Hearing her words, Shi Nuannuan suddenly understood.

It turned out that it was not because Xiang Yi did not come, but because his brother no longer brought business to the house. Naturally, Xiang Yi had no reason to come to Shi mansion.

She only cared about herself and did not think about this.

Did that mean that Xiang Yi was actually thinking about her at this moment?

Thinking of this, Shi Nuannuan's bad mood from before disappeared in an instant.

She returned to her room and slept peacefully!

After working until ten in the evening, Xiang Yi finally returned to his apartment.

After showering, he lay on the bed and took out his phone to call her. However, he was afraid that she was already fast asleep and did not have the heart to disturb her.

Therefore, he opened wechat and sent her a wechat message. This was something he had been doing frequently recently.

As soon as he logged into wechat, he saw more than ten messages from her.

Looking at the content of the message, although it was not important, the corners of his mouth did indeed curl up.

“Good night. I’m going to country A for a business trip tomorrow. I’ll be back in a week.”

After sending the message and waiting for a while, he confirmed that Nuannuan was asleep when he did not receive a reply. Therefore, he put down his phone, covered himself with a thin blanket, and closed his eyes to sleep.

...

The next morning.

The first thing Shi Nuannuan did when she woke up was to check her phone. Since Xiang Yi did not say good night to her, she would definitely receive his wechat message or text message the next morning.

As expected, when she opened wechat, she saw Xiang Yi’s profile picture showing a new message.

She opened it excitedly. When she saw the last sentence, her smiling face instantly collapsed.

A business trip! ? And she had to go for a week! ?

She anxiously dialed Xiang Yi’s number, but the sound of the phone being turned off came again.

She looked at the time, and it was already 8:10 in the morning!

Could it be that Xiang Yi had already boarded the plane?

In one go, she quickly got out of bed and limped downstairs. She saw that Shi Yuting, who was on the sofa, was about to get up and go to the dining room for breakfast.

Since it was the weekend, breakfast was a little later than usual.

It was mainly because the three of them got up late that Shen Lanzhi had specially asked the kitchen to prepare breakfast at eight in the morning.

“Brother, is Xiang Yi going to country A for business?”

“Yes.” Shi yuting stood up and walked towards the dining room.

“What time is the plane?”

“7:20.”

Shi Nuannuan could not help but freeze on the spot.

At 7:20, Xiang Yi was already on the plane.

She stared at Shi Yuting's back with some annoyance. "Brother! It's the weekend today. You even know to rest at home. Why did you let Xiang Yi go on a business trip?"

Shi Yuting stopped when he heard Wen Sheng. He turned around and looked at her. "Because, I'm the boss."

"..."damn it!

Shi Nuannuan had a bland breakfast. In the end, she decided not to eat anymore. She walked to the sofa in the living room and took out her phone. Every minute and second felt like a long time to her.

At this moment, the doorbell rang.

The maid walked over and opened the door. Not long after, she saw Old Master Cheng and Cheng Huan Walk in.

"Mr. Shi, Young Madam, a guest has arrived."

On the sofa, Shi Yuting stood up when he saw Old Master Cheng's arrival.

"Old Master Cheng." Compared to Zuo Weiyi and Shi Nuannuan, Shi Yuting did not address Cheng Weiyi as Grandpa Cheng. Instead, he used his usual polite address.

Chapter 1080 why are you here?

When he saw the Shi family, Old Master Cheng smiled and immediately saw Shi Nuannuan on the sofa.

"Aiya, I heard that Nuannuan's leg is injured. She has been abroad for the past few days and hasn't been able to visit you. How is it? Are you feeling better?"

In the face of old master Cheng's warmth towards her, Shi Nuannuan smiled a little awkwardly. "Hehe, much better."

She looked up and glanced at Cheng Huan, who was still standing there.

What was going on? She had clearly made things clear with him. It was fine if they were friends, but not if they were lovers.

Why did he come back this time?

When he met her eyes, Cheng Huan seemed to see the confusion in her eyes. He could not help but raise his eyebrows and shrug his shoulders. His gaze fell on his grandfather, as if saying, "I can't help it. My grandfather dragged me here."

Shi Nuannuan couldn't help but look at Old Master Cheng. On the surface, he smiled at her, but in his heart, he was thinking, "This old master Cheng is really bad. If he's really in a hurry to find a granddaughter-in-law, he'll go elsewhere to look for one..." Why did he waste his time on her!

"Old Master Cheng, why are you here?" At this moment, Shen Lanzhi also came downstairs and greeted the grandfather and grandson.

"I'm just here to see Nuannuan, Hehe!" Grandpa Cheng Really Loved Nuannuan. He rushed to Shi mansion with gifts as soon as he got off the plane.

He was even more anxious when he heard that she was injured. He was supposed to come back the day after tomorrow, but he came back early.

Shen Lanzhi ordered the servants to serve tea, and the two families started chatting on the sofa.

Halfway through, Shi Yuting and Zuo Weiyi went upstairs because the two babies had fallen asleep.

It wasn't until noon that old master Cheng kept chatting with nuannuan. He didn't know if he wasn't planning to leave or if he had lost track of time.

Cheng Huan, who was at the side, said, "Grandpa, aren't you going back? Are you planning to stay for dinner?"

Old Master Cheng came back to his senses when his grandson asked this question. He looked at the time and realized that it was already 11:35.

At this moment, Shen Lanzhi walked out of the kitchen. "It's okay. Dinner will be ready soon."

"In that case, I Won't decline." Cheng Huan chuckled and started chatting with nuannuan again.

Nuannuan was a junior and didn't have much to talk about with her elders. Furthermore, it was impossible for her to become the Cheng family's granddaughter-in-law. She felt that if they continued to talk like this, they would be deceiving his feelings, she found a shield and said, "Cheng Huan, let's go take a walk in the courtyard?"

Her brother and sister-in-law were not around, so she could only look for Cheng Huan.

Her sudden request caused Cheng Huan to be stunned for a moment. He was stunned for half a second before he understood what she meant.

He smiled and said, "Sure."

When he heard that the two of them were going out, Old Master Cheng smiled and quickly agreed and urged, "Okay, okay, okay. You two go take a walk. Ah."

Although Cheng Huan's heart felt warm for a moment, when he thought about how she was only his friend, he could not seem to be happy.

Shi Nuannuan stood up and took a step forward, but she was very anxious.

"Cheng Huan, hurry up and hold on!" Seeing that his grandson did not know how to take the initiative, Cheng Huan's grandfather had a headache.

However, it was not that Cheng Huan did not take the initiative, but after she spoke so clearly, he did not know how to get along with her.

When they arrived at the front yard, Cheng Huan helped her sit down on a wooden chair.

"You didn't explain our matter clearly to your grandfather?" Sitting on the wooden chair, Shi Nuannuan completely treated Cheng Huan as an ordinary friend of the opposite sex.
