

Kiss Me 1141

Chapter 1141, don't you have something else to do?

Feng Shunqing looked at Shi Nuannuan and did not speak again. However, her originally kind eyes suddenly became a little unfamiliar. It was so unfamiliar that even Shi Nuannuan thought it was an illusion.

Following that, Feng Shunqing's voice turned cold.

"You can go."

Shi Nuannuan had never met such a cold tone before. She could not help but be stunned.

She felt that Xiang Yi's uncle had become another person in an instant. Or was it just her imagination?

"Don't you have something to do?" Seeing that she was a little stunned, Feng Shunqing spoke again, as if wanting to show that her tone had suddenly become cold.

Shi Nuannuan was a little stunned, but she did have something to leave.

She took one last look at Feng Shunqing, stood up, and smiled politely. "Then I'll be leaving first."

Feng Shunqing did not say anything. Instead, her face was dark. She did not even look at Shi Nuannuan. The smile on her face had long disappeared.

This made Shi Nuannuan slightly confused.

Did she say something wrong just now? Why was Xiang Yi's uncle suddenly unhappy?

Although her heart was filled with confusion, Shi Nuannuan did not say anything in the end. She turned around and walked towards the door.

When he opened the door, Xiang Yi had just returned with breakfast.

When she saw him, her face bloomed with bright lilies again.

"You're back!?"

He smiled slightly, but when he saw that she seemed to be about to leave, he could not help but ask, "What's wrong? Are you leaving?"

She pursed her lips, and there was a little disappointment on her fair face. "Grandfather said that we're going to Cheng –" when she was about to say it, she suddenly stopped and looked up at the man standing in front of her.

Xiang Yi might be unhappy if she mentioned Cheng Huan, but if she didn't say it, wouldn't that be lying?

She didn't want to lie to him, and she didn't want to lie to him either.

He stared at her and frowned slightly, waiting for her to continue.

“It seems that Grandpa Cheng is sick, and our whole family is going to visit him in the Cheng family today. Grandpa and brother are waiting for me at home, so I. . .” She raised her eyes, she carefully observed the subtle changes on his face.

As expected, Xiang Yi’s face darkened when he heard that it was the Cheng family.

After a long while, he stared at her and said, “The whole family is going?”

Shi Nuannuan nodded desperately. “Yes, yes, yes!”

Since he was going with his family, he shouldn’t mind, right?

His dark eyes looked at her. Just as he was about to speak, Feng Shunqing, who was on the sofa, suddenly spoke.

“Ah Yi.”

Upon hearing Wen Sheng’s voice, both of them looked at Feng Shunqing, who was sitting on the sofa.

“Come over here. I have something to say to you.”

Xiang Yi was slightly startled when he sensed that something was wrong with his uncle. He looked at Nuannuan and finally walked over.

Shi Nuannuan was stunned at the door. She did not know if she should leave or wait for a while before leaving?

While she was struggling in her heart, Feng Shunqing seemed to have noticed her at the door and said, “Nuannuan, don’t you have something urgent to leave for?”

Hearing this, Shi Nuannuan could not help but be startled.

Although his tone was gentle, as if there was not a hint of hostility, his tone was obviously accompanied by an order to leave.

She was not a fool, how could she not hear it?

Even Xiang Yi seemed to have noticed this. He furrowed his brows slightly and looked at his uncle on the sofa.

Shi Nuannuan returned to her senses and glanced at Xiang Yi. Although her heart was filled with confusion, the corners of her lips still curled up slightly. She said, “Then I’ll be leaving first.”

Chapter 1142: you can not be together with Nuannuan

After saying that, she turned around and left.

She stood at the door for a few seconds. Shi Nuannuan could not figure out the reason behind Xiang Yi’s uncle’s sudden change in attitude?

She sighed. Unable to figure it out, she could only leave temporarily.

After the door was closed, Feng Shunqing, who was on the sofa, spoke in a deep voice.

“Ah Yi.”

Hearing this, Xiang Yi’s gaze turned from the direction of the door and landed on his uncle, Feng Shunqing’s face.

“Ever since you were young, your uncle has never objected to anything you want to do. But today, there is one thing that you must listen to me!”

His sudden words made Xiang Yi feel extremely puzzled. He furrowed his brows and stared at Feng Shunqing, who was on the sofa.

“What’s the matter?”

“You can’t be with Nuannuan!” Feng Shunqing’s hands were shaking as she said this. It was unknown whether she was angry or trying to endure it.

When he said this, Xiang Yi was completely shocked. His eyes darkened.

His uncle would never get involved in his matters. It was nuannuan. He had loved her from the start. Why did she suddenly say this?

Unable to figure out the reason behind it, he even wondered if Nuannuan had done something that made him angry or unhappy when he had gone out to buy breakfast?

However, with Nuannuan’s respect for her uncle, it seemed unlikely.

Although she was a little capricious and straightforward, he had seen her respect for her uncle. Why was that?

Why did her uncle suddenly say that?

“Why?”

“Don’t ask why. In any case, you can’t be together!” Feng Shunqing got a little excited at the end of her sentence!

There was no reason for him to give up on the person he loved for no reason. Was that possible?

Xiang Yi looked at his uncle with a burning gaze. “Give me a reason.”

“It’s better that you don’t know!”

Perhaps this was a little cruel to them, but if he told them the reason, it would probably make him suffer even more, so he would rather not say it!

“Then I’m sorry, there’s no reason. I won’t give up on Nuannuan.” Looking at his uncle, Xiang Yi said coldly.

Feng Shunqing looked up with a pained expression!

He looked at him, and every word seemed to squeeze out from between his teeth!

“Fine, if you want your poor mother to die in peace, then marry Nuannuan! !”

This sentence shocked Xiang Yi once again!

What did his uncle’s sudden words mean?

“What do you mean by this sentence?”

“You don’t need to know. In short, I won’t let you and Nuannuan be together!”

“Why? What’s the reason? What did she do wrong! ?”Xiang Yi couldn’t help but get angry at this moment!

“She didn’t do anything wrong. In short, you can’t be together!”

“If you don’t give me a clear reason, I won’t be able to listen to you.”

After saying that, Xiang Yi put down his breakfast, turned around, and slammed the door.

Looking at his back as he left, Feng Shunqing wanted to say something, but the wooden door was closed again in an instant. The words that came out of his mouth were stuck in his throat. He could only close his eyes, and his expression was very painful.

Xiang Yi, who had left the apartment, wanted to chase Nuannuan back and ask her about it.

He wanted to know if his uncle had said anything to her during the half an hour that he had been away, why, and why his uncle had suddenly said those abnormal things.

However, when he chased her downstairs, the Maserati that had been parked there had long disappeared.

Driving the luxury sports car, Shi Nuannuan galloped all the way to Shi Mansion.

Chapter 1143 you brought a car with you for your morning jog?

At the door, the whole family was indeed standing there waiting. Even the two cute little babies were held in the arms of their mother and sister-in-law.

“Where did you go so early in the morning?”

When he saw his granddaughter getting out of the car, Shi Le frowned and asked with both hands on crutches.

When she saw her family standing at the door waiting for her, Shi Nuannuan pursed her lips. She couldn’t quite put her finger on it.

“You’re driving for a morning jog?”Shi Le didn’t believe that she was really going for a morning jog.

“...”Shi Nuannuan decided to speak up.

Her grandfather had already seen through her, so it would be better if she didn’t say anything.

Shi Le glanced at his granddaughter and didn't say anything else. Instead, he took the lead and walked toward the extended Black Lincoln. Then, the group of people sat in it.

After a while, they arrived at the Cheng family home.

Although it was only a few days, old master Cheng's complexion was not as good as before.

"Nuannuan, come, sit here." When he saw Shi Nuannuan, Old Master Cheng's face always had that smile of doting on her.

He didn't know when this lovely person in front of him would become his granddaughter-in-law, and whether he could wait until that day.

Shi Nuannuan stood where she was and looked at the spot where Old Master Cheng clapped his hands. That spot was between him and Cheng Huan.

She could not help but sigh in her heart, and her gaze fell on Cheng Huan's face.

She suddenly smiled. "Well, Cheng Huan, shall we... Go to the garden and have a seat?"

Her sudden words surprised Cheng Huan and everyone, especially Shi Yuting and Zuo Weiyi.

It was obvious that they were alone together. What was Nuannuan Thinking?

Old Cheng saw her actions and undoubtedly felt that there was hope between the two of them. The smile on her face became even brighter.

"Cheng Huan?" Seeing that he did not respond, Shi Nuannuan could not help but call out again.

Cheng Huan, who had come back to his senses, said, "Uh, okay."

He stood up and walked to the back garden with Shi Nuannuan.

Shi Nuannuan suddenly stared at Cheng Huan in front of her. She was about to speak, but when she turned her head, she saw his slightly dejected face.

She could not help but be stunned.

Then, she looked at him and asked, "What's Wrong?"

Cheng Huan looked up and gave her a faint smile. However, Shi Nuannuan felt that his smile was a little forced.

"Nothing," he replied and walked past her towards the garden.

Shi Nuannuan was stunned and followed him.

"Is something on your mind?"

Cheng Huan looked at the sky in the distance. His heart was as heavy as the sea.

He turned his head and smiled. "No, tell me. Why did you call me out?"

Shi nuannuan only remembered the purpose of calling him out after he mentioned it.

“Uh, I wanted to say, can you tell your grandfather about what happened between us? I feel a little uncomfortable keeping it a secret.”

“You, the person you like is the assistant by your brother’s side?”

His sudden words stunned Shi Nuannuan.

In front of Cheng Huan, she did not seem to need to hide it.

“En, how do you know?”

He smiled and did not answer.

“I envy him.”

“Eh?”

“To be able to chase after such an attractive girl like you.”

“...”what did he mean by that?

“Am I really hopeless?” He looked at her and suddenly asked again.

She was stunned for a moment before coming back to her senses. “Didn’t I tell you that it’s impossible between us? I already have someone I like, and I’ve decided...”

At this point, she suddenly turned her gaze and looked at the distant clear sky. The corners of her mouth could not help but curl up into a sweet smile.

Chapter 1144 did he propose to you?

“What did you decide?” Cheng Huan could not help but ask.

“I’ve decided to be his bride. Besides, I won’t marry anyone else!” Looking at the distant sky, Shi Nuannuan said confidently.

Cheng Huan was slightly stunned, and his heart felt inexplicably sad.

Such a cute girl, but unfortunately, someone else had already beaten him to it.

If he had known her before the assistant, would she have been his?

“Has he proposed to you before?” He suddenly asked.

Shi Nuannuan turned her head and thought for a moment before her gaze fell on the ring on her ring finger.

Xiang Yi said that this did not mean that he had proposed, so it should be a no?

“No.”

“Then you said that he must marry you? What if he has no intention of marrying you from the beginning to the end?”

“Impossible!”

“Why are you so confident that he will marry you?”

“I believe him. He will definitely marry me. Besides, he will not marry anyone else but me!” In her heart, that was what she thought.

“You really believe him.”

“Of course. He is the man that I like!”

Looking at her beautiful side profile, Cheng Huan smiled with a bitter expression.

Shi Nuannuan’s warm eyes turned as she remembered, “You haven’t told me yet. Why didn’t you tell your grandfather about us?”

“He’s sick.”

“...”sick? She knew, but was this related to telling him about their relationship?

“Liver cancer, terminal stage.”

“...”Shi Nuannuan was stunned!

Terminal stage liver cancer? Would he die?

Looking at Cheng Huan’s calm side profile with a hint of sadness and grief, Shi Nuannuan could not help but feel heavy-hearted.

Although she had no intention of being Cheng Huan’s granddaughter-in-law, to be honest, Grandpa Cheng was really good to her.

“Will, will he die?” She asked carefully, as if she was afraid of touching his pain.

Cheng Huan turned his head, and his black eyes stared into her eyes. “The Doctor said that at most one year, but if his condition worsens, he might not even live for three months...”

“...”no way?

Shi Nuannuan was completely shocked.

He was clearly in high spirits a while ago, so how could he suddenly..

No wonder when she entered the house just now, she saw Grandpa Cheng wearing a hat and thought that he was going out.

“How, how could this be? Wasn’t he fine before?” At this moment, Shi Nuannuan’s face also had a hint of melancholy.

“Grandpa didn’t want us to worry, so he hid the illness.” It was only because the illness had started that they found out.

Shi Nuannuan was shocked and surprised.

Grandpa Cheng was a good person, and he was only in his seventies. It would be a pity if he left just like that.

“Is there no way to find a cure?”

“Yes.”

Looking at the Sad Cheng Huan, Shi Nuannuan didn't know what to say for a moment.

At this moment, Cheng Huan suddenly turned his head and looked at the side of her face. “That's why I didn't have the heart to tell him about us, because his only wish was to see me become a family.”

Shi Nuannuan looked up and suddenly thought of something. “Then why didn't you get a girlfriend to fulfill his wish?”

“I tried it too, but...”his gaze fell on her face again. She did not understand and looked at him.

“That time, I brought a girl back. Guess what happened?”

“What happened?”

“Grandpa was furious and got sick because of it. That's why he was sent overseas for treatment a few days ago.”

“... why was he furious? Didn't you say that his biggest wish was to see you get married?”

Chapter 1145 was a day in and a day out

“That is indeed the case, but the prerequisite is that...”he stared at her. “The person must be you.”

Shi Nuannuan was stunned.

“Ah?”

“He has always wanted you to become our family's granddaughter-in-law, so all this while, I couldn't bear to tell him that it's impossible between us.”

“Then it's impossible for you to keep it from him. It's impossible for me to marry you.”She lowered her head. Although it was a little cruel, it was still the truth.

Once a white lie was exposed, it might make the old man suffer even more.

“I really AM, but it's better to keep it a secret than to tell the cruel truth.”

“What about in the end?”

“I'll keep it a day at a time.”Cheng Huan turned his head and looked at the sky in the distance. Suddenly, it was covered by dark clouds. It was just like how he felt at that moment. He was at a loss, but there was nothing he could do.

Shi Nuannuan looked at him and did not say anything else in the end.

However, he suddenly turned his head. “Can you also do me a Favor?”

She looked up and looked at him with some confusion. "What?"

"Although I can't marry you, at least, in the time that he has left in his life, don't say things that are impossible between us. I promise, I won't really harass you."

She was stunned for a few seconds and didn't know how to answer his question.

"But in front of my grandfather, you also know that his body is gradually failing. After a while, he might even have difficulty getting out of bed."

Shi Nuannuan raised her head abruptly. Was It really that serious?

After thinking about it again, she couldn't help but agree to Cheng Huan's request.

After all, she did not spend much time in front of Grandpa Cheng.

"Alright."

"Thank you." Looking at her, he revealed a knowing smile.

During lunch, Shi Nuannuan indeed cooperated with Cheng Huan a little, but she still looked a little uncomfortable, especially in her heart. She felt a little guilty.

Shi Yuting and Zuo Weiyi also clearly saw her sudden change, but they did not know why.

Shi Le and Old Master Cheng beamed with joy when they saw the couple. Both of them had a low feeling in their hearts.

On the way home after having lunch at the Cheng Mansion, Zuo Weiyi didn't have the chance to ask Shi Le about it because Shi Le was there. She didn't go to Nuannuan's room until she reached the second floor of Shi Mansion and asked her about it.

Nuannuan told her the reason, and Zuo Weiyi, who knew the truth, could not help but feel shocked.

In this world, no matter how powerful you were, the only thing you could not do was to die of old age, illness, and death.

Grandpa Cheng was such a good person, but in the end, he could not withstand the pain of illness.

"Sister-in-law, I feel a little sorry for Xiang Yi."

"Why?" Zuo Weiyi looked at her unhappy face. "You didn't do anything. You just didn't tell Grandpa Cheng about it. Why would you feel sorry for Xiang Yi?"

Shi Nuannuan frowned. "I was just worried. Didn't you say that brother was very sensitive at that time? As long as you had a little relationship with that person, he would be jealous immediately!"

Hearing her words, Zuo Weiyi could not help but think that men were sometimes more sensitive than women. Would Xiang Yi be unhappy because of this?

"Anyway, don't think too much. If necessary, you can explain it to him."

"Okay!" She nodded.

“I’ll go take care of the baby.”

“I’ll go too!” She missed the two cute little guys!

After teasing the baby for a while, the sky quickly darkened.

Chapter 1146 is out. I want to see you.

In the evening, after dinner, Shi Nuannuan took a shower and lay on the bed.

Just as she was about to take out her phone to call Xiang Yi, she realized that her phone was ringing.

It was Xiang Yi!

Looking at the caller ID, Shi Nuannuan smiled happily!

“Hello?”

“I’m not far from the entrance of Shi Mansion.” His gentle and deep voice sounded on the phone with a hint of longing.

She was a little surprised and quickly walked to the window. She lifted the curtains and looked not far away. As expected, she saw the lights of the car flashing not far away.

As there were video probes installed near Shi Mansion, Xiang Yi could only tell the car to stop not far away.

Looking at the lights in the distance, Shi Nuannuan, who was standing by the window, could not help but ask, “Why are you...”

“Come out, I want to see you.”

She paused. Although she was surprised, she felt very sweet.

Looking at the time, it was 7:40 pm. At this time, her grandfather seemed to be in the study?

After hanging up the phone, she changed into a new set of clothes and went out with her phone.

In the living room, Shen Lanzhi was still watching TV. Seeing that her daughter was going out, she could not help but ask, “Nuannuan, are you going out this late?”

“Yes.” Looking at her mother, she nodded.

Her mother knew about her and Xiang Yi, so there was no need for her to hide it.

Looking at her daughter, Shen Lanzhi could not help but frown. “Nuannuan, you’re a girl. How can you keep going to Xiang Yi’s place?”

“I’m not. He’s outside!” As she said that, Shi Nuannuan raised her head and pointed at the location outside the window.

Shen Lanzhi could not help but look in the direction that she was pointing at. It must have been hard on these two children.

“Mommy, I’m Leaving!”

Before she could reply, Shi Nuannuan had already disappeared.

After leaving the house, Shi Nuannuan looked at the light not far away and walked over happily.

After getting into the car, she saw him sitting in the driver’s seat in a daze. There seemed to be something wrong with his expression.

“What’s wrong with you?”

Xiang Yi turned around and stared at her exquisite face with his dark eyes. Then, he opened his thin lips and asked softly, “Shall We Go for a walk?”

She nodded hesitantly. “Sure.”

After getting out of the car, the two of them strolled under the night sky. He held her hand and did not speak for a long time. He seemed to be deep in thought.

After a long while, he turned around and asked, “Did uncle say anything to you this morning?”

Hearing this, Shi Nuannuan could not help but be startled. “No, why?”

Xiang Yi turned around and looked straight at the dark night ahead. “I feel that there’s something wrong with him these past two days.”

Hearing what he said, Shi Nuannuan also felt that his uncle’s attitude towards her had changed in the morning. Initially, she thought that she had thought too much or said something wrong, but hearing what he said now.., it should be that kind of thing, right?

“If you say it like that, I also think...”

She wanted to say something but hesitated. She was a little worried that if she said that, Xiang Yi would think that she was talking bad about his uncle?

“Think what?” He looked at her sideways.

She looked up at him. “When you went out to buy breakfast this morning, uncle suddenly asked me what I do at home.”

Xiang Yi was stunned and his black eyes narrowed.

His uncle was not interested in Nuan Nuan’s family background before, but after he came back that afternoon, his attitude had changed.

What exactly happened?

“And then?”

“Then he said that he saw me fishing in the park yesterday.”

“Fishing?” He frowned and did not know about this.

Chapter 1147: only marry Shi Nuannuan in this life

Shi Nuannuan could not help but nod her head. "That's right. Yesterday, my grandfather pulled me to go fishing with him. Only then did I realize that the place he often goes fishing is in a park not far from the apartment you live in."

She was indeed very surprised at this point.

Xiang Yi was the same.

"Uncle saw you fishing?"

"Yes, he told me today, but he seemed to have a low self-esteem, so when he saw my grandfather, he didn't go up to greet me."

Hearing this, Xiang Yi couldn't help but be stunned.

He felt that something was wrong, as if he had missed some important clues, but when he closed his eyes, he couldn't think of anything.

"Xiang Yi."

"HMM?"

"I don't know if I said something wrong, but I have a feeling that uncle... doesn't really like me..."

Under the night sky, looking at her slightly disappointed expression, he held her hand even tighter.

Regarding his uncle's strange words today, he did not understand what was going on, but before he investigated it clearly, he did not want to be troubled by these things.

"He seemed to have encountered something unhappy today. Not just you, but me as well."

Shi Nuannuan could not help but raise her head when she heard his words. "Really? Why did he lose his temper at you?"

In Shi Nuannuan's impression, Feng Shunqing was not someone who would lose his temper. Could it be that he had really encountered something unhappy?

"Yes, I'm not sure. Don't think too much about it." He stopped in his tracks and cupped her face. Suddenly, his tone was very serious, "Nuannuan, no matter what others say, you only need to believe one thing. That is, in this life, I will not marry anyone other than Shi Nuannuan."

His sudden and affectionate confession made Shi Nuannuan's heart feel sweet in an instant.

"At this time, if I don't do something to express my feelings, it seems a little unreasonable?"

"..."he was still a little stunned.

However, in the next second, Shi Nuannuan suddenly put her arms around his shoulders and pressed her lips against his.

Xiang Yi, who had reacted, could not help but chuckle in his heart. Then, he raised his hand and grabbed the back of her head, changing this passive kiss into an active one. The tip of his tongue gently pried open her teeth and probed into it, savoring the taste and aftertaste.

The night was gradually getting darker.

He had no choice but to go back.

In the blink of an eye, the two of them were already very far away from Shi mansion. When he turned around, he could only see a faint dark light.

On the day that it had rained, a wisp of fog filled the air, clouding his vision.

“Go back,” he said as he held her face in his hands after a lingering kiss.

“Okay.” She nodded.

After sending her to Shi mansion’s door and watching her enter, Xiang Yi turned around and drove away.

...

The next day.

Since the morning, Shi Nuannuan had barged into her brother and sister-in-law’s room. Fortunately, Zuo Weiyi was the only one who had her period today, so Shi Yuting got up early.

“Brother!”

As soon as she walked in, Shi Nuannuan hugged her brother who loved her the most!

“Speak.” Shi Yuting’s expression was cold, but he did not pull his hand away because of that. It was enough to see how much he loved his sister.

“Well, can you arrange a position for me in your overlord?”

Hearing this, Shi Yuting could not help but stop in his tracks. He furrowed his brows and looked sideways at her.

“Position?”

She nodded like she was pounding garlic. “Yes!”

“Do what?”

“Hehe...” she giggled foolishly. “I’ve been playing for a long time, so I want to find something to do!”

Chapter 1148: Are there any vacancies in chapter 1148?

Looking at his sister in front of him, Shi Yuting’s eyes gradually narrowed.

Even Zuo Weiyi, who was still sitting on the bed, was a little surprised by her words.

Was Nuannuan planning to go out to work at this time?

Although the Shi family's business was enough to support her for several lifetimes, it seemed that..

Staring at Nuannuan's mischievous face, Zuo Weiyi suddenly seemed to have thought of something, and the corners of her mouth could not help but rise slightly.

"Then what position do you want?" Glancing at his sister who was holding his arm intimately, Shi Yuting could not help but ask.

Shi Nuannuan tilted her head and thought for a few seconds. Then, she looked up at Shi Yuting. "Hehe, is there an assistant or something?"

"Mine?" He frowned and asked.

Shi Nuannuan nodded. "Yes!"

Xiang Yi was by her brother's side. If she was also by her brother's side as a little assistant serving tea, it meant that she could get along with Xiang Yi Day and night, right?

"If you don't have one, you can also... Hehe, you can also be arranged to be by Xiang Yi's side!" He was the big assistant, and she was the little assistant!

Looking at the mischievous her, Shi Yuting finally saw through her.

After all this, she just wanted to use the name of work to stick to Xiang Yi every day?

Seeing that he did not speak for a long time, the smile on Shi Nuannuan's face could not help but freeze. "Brother, can you do it?"

Shi Yuting withdrew his hand and sat down on the sofa at the side. He picked up a magazine casually and flipped through it in boredom. "Let me take a look. There doesn't seem to be any seats left."

"..." Shi Nuannuan immediately frowned.

No? How could there be no seats!

Back then, his sister-in-law had even become his personal assistant. She remembered it clearly. How could there be no seats!

"Brother, is it really okay for you to talk like that?" She glared at him and pouted her lips.

He looked up. "What's Wrong?"

"At that time, sister-in-law was still sitting in your office as an assistant. Why is there no spot for her here?"

Shi yuting narrowed his eyes and suddenly looked at her. "You've already said that she's your sister-in-law."

"..." she paused. What did he mean?

"What do you mean?"

"The 'work' that your sister-in-law did back then, you can't do it."

Shi Nuannuan was stunned again.

What kind of work couldn't she do?

"What work?"

Shi yuting chuckled. "Are you sure you want to know?"

When she saw the wicked smile on his lips, Shi Nuannuan immediately understood and hurriedly raised her hand to stop him. "You don't have to say anymore! Brother, you're too dirty!"

Zuo Weiyi, who was sitting on the bed, was speechless when she heard the brother and sister's conversation..

"I don't care. If you really love me, arrange a position for me at the Supreme Emperor."She walked over and pulled his arm to act coquettishly. "Alright? You're the one who loves me the most..."

Shi yuting swayed gently as she pulled him. His mind was still thinking. "There is a position."

Shi Nuannuan was overjoyed when she heard that. Her eyes lit up as she looked at him. "What is it! ?"

He glanced over slightly. "A cleaner."

"..."Shi Nuannuan's face was filled with confusion.

When she reacted, her face scrunched up into a ball. "Brother!"

"Alright, there is a position, but I'm just afraid that you won't be able to do it."

"What is it?"Although she was a Missy who didn't know anything, the heavens were determined by man. As long as she was willing to learn, she would definitely be able to do it. After all, she wasn't stupid!

"Ferlin has a month's vacation recently. Can you replace her position?"

The moment she heard about this position, Shi Nuannuan's eyes started to see Stars!

Chapter 1149: Feng Shunqing's cold attitude

One had to know that the position of Ferlin and Xiang Yi was face to face! There was only the door of her brother's office in the middle. If she could really replace Ferlin's position, wouldn't she be able to admire Xiang Yi's mouth-watering face every day?

At the thought of this, Shi Nuannuan could not wait to nod her head as if she was pounding garlic. "Yes, yes, yes!"

Shi Yuting looked askance at her. Although the position in Ferlin seemed easy, there were many things that needed to be dealt with every day, and no mistakes were allowed. Otherwise, no one could predict what kind of losses the supreme emperor would suffer.

Looking at his only sister whom he doted on, he could also see that his grandfather seemed to be intentionally or unintentionally matchmaking her and Cheng Huan these days, and it was even more frequent than before, this made it difficult for her to leave the house now.

Moreover, after going to the Cheng family home yesterday, he realized something.

Old Master Cheng was sick. would his grandfather..

He did not continue thinking about it. Instead, he stood up and said, "Try it tomorrow."

Hearing her answer, Shi Nuannuan could not help but encourage herself: Yay!

"Can we go out now?" Looking at her, Shi Yuting opened the door.

Shi Nuannuan came back to her senses and looked at her brother, then at her sister-in-law, who was still sitting on the bed. "Hehe, sure, I'll go out now. I Won't disturb you guys anymore!"

Saying that, she turned around and left the room.

As soon as she went out and closed the door, Shi Nuannuan could not help but pause.

It seemed that every time she came to the room, her brother and sister-in-law were doing something shameful. Why did they stop doing it today?

Forget it, I'll go tell Xiang Yi the good news first!

So, she went back to the room in high spirits and took out her phone to call Xiang Yi's number.

At this moment, in the apartment.

Xiang Yi was cooking breakfast in the kitchen and did not hear the phone on the coffee table in the living room ring.

Looking at the bright screen, Feng Shunqing, who was on the sofa, looked over and saw the two words 'Nuannuan' on it.

He was stunned for a moment, then he turned to look at his nephew, who was making breakfast. He could not let the two of them be together, and he could not let Nuannuan become his sister-in-law!

Glancing at the door of the kitchen again, Feng Shunqing picked up the phone, got up, and went to the bathroom.

Shi Nuannuan was still in the middle of the phone call. Why did no one pick up the phone when the phone rang? Just as she was about to hang up, the phone was picked up again.

She smiled. "Hello? Xiang Yi!"

Hearing the voice on the phone, Feng Shunqing could not bear to hear it, but in the end, he said coldly, "In the future, don't Call Ah Yi Again!"

"..."she thought it would be Xiang Yi, but her uncle, Feng Shunqing's voice came out instead. Moreover, he was so cold-hearted. Shi Nuannuan could not help but be stunned. For a moment, she was confused.

After a moment of shock, she came back to her senses and called out to Feng Shunqing on the phone, "Uncle –"

"Don't call me uncle. From today onwards, our Ah Yi has nothing to do with you!"

Shi Nuannuan was stunned.

What was going on? Why did Xiang Yi's uncle say these things to her?

All her life, she had been pampered and protected by her family. She had never been wronged. She would never lower herself and lower her voice to others.

But today, because of Xiang Yi, because of the man she deeply loved, she had lowered her status as a rich young lady.

Or rather, in front of Feng Shunqing, she had always been respectful and polite. She had never put on airs, and she even despised Feng Shunqing in the slightest.

Chapter 1150. In short, the two of you can not be together

"Uncle, why did you suddenly say these things to me? Did I accidentally say something wrong yesterday that made you unhappy? If so, I apologize to you." She said these words very seriously, neither servile nor overbearing.

When Feng Shunqing heard this, he felt even more pained.

From the very beginning, he had liked this child, Nuannuan. But what he did not expect was that she was actually... was actually Shi Le's granddaughter!

"Apologize? Your apology is useless. If you really want to apologize, then leave Xiang Yi. From now on, Don't provoke him anymore!"

Listening to his words on the phone, Shi Nuannuan felt a little warm.

"Uncle, don't you think that your request is very difficult? Why should I leave Xiang Yi for no reason? Why Can't I provoke him anymore?"

"In short, you can't be together!" If it weren't for the fact that she was afraid that Xiang Yi would hear her in the kitchen, Feng Shunqing would have shouted out loud!

Nuannuan couldn't help but raise her voice as well, "Why can't we be together? You have to give me a reason, right? Don't say that there's no reason. Even if you give me a reason, it doesn't mean that I have to leave him because of this reason!"

It was not easy for her to get Xiang Yi. How could she give up just like that? In this life, she would only marry him!

"You want a Reason?"

"That's right!" Of course, whether she accepted it or not was up to her.

She just wanted to know why he suddenly changed his mind and why he was against her and Xiang Yi being together!

“Alright, I’ll Give You One!” Feng Shunqing also realized that if she wanted to stop the two of them, she had to give a reason.

“Because you’re the daughter of a rich family, our Xiang Yi is unworthy!”

Shi Nuannuan and Nuannuan were slightly startled.

Just because of this?

“Uncle, Xiang Yi knew my identity from the start. I can’t accept this reason!”

“Whether you accept it or not is your business. In short, I won’t let Xiang Yi marry you!”

After saying that, Feng Shunqing quickly cut off the call before Shi Nuannuan could say anything else.

Shi Nuannuan wanted to say something else, but the call had already been hung up.

What was going on? Why did uncle Xiang Yi’s attitude become so intense? It was as if... It was as if she was Xiang Yi’s enemy.

She gripped her phone tightly. How could an impatient person like her endure such a situation? She got up and rushed out of the room, running all the way downstairs.

She wanted to find Xiang Yi and ask him about it!

What exactly happened? Why? Why did she have to leave him!

When she ran downstairs, Shi Nuannuan’s eyes suddenly became a little sour.

“Girl, where are you going?”

Just as she was about to rush to the door, Shi Le, who had just come out from the side hall, saw her and could not help but call out to her.

Hearing her grandfather’s voice, Shi Nuannuan could only stop in her tracks. She turned around and glanced at her grandfather. “I, I have something to do. I have to go out for a while.”

“What is it?”

Shi Nuannuan could not help but feel angry. Of course, it was not because of her grandfather, Shi Le. It was either because she was frustrated or she was too anxious.., “Grandfather, can you not guard me as a prisoner? I’m already twenty-three years old. I need my personal space!”

With that, she rushed out of the door with tears in her eyes. She didn’t even have time to change into the slippers on her feet.

In the living room, Shi Le couldn’t help but be stunned. When he came back to his senses, his granddaughter had already disappeared.

Was he mistaken just now? Nuannuan... was she crying?

This was the first time he saw his granddaughter crying in front of him for no reason. Shi Le couldn't help but be stunned for a moment. He even felt a little helpless.
