

Kiss Me 1151

Chapter 1151 feeling wronged, her heart ached

Nuannuan, what's wrong with her?

Looking at her disappearing figure, Shi Le stood rooted to the ground. It took him quite a while to come back to his senses.

She drove all the way to Xiang Yi's apartment.

When she reached the door, she rang the doorbell non-stop. Because of Feng Shunqing's arrival, she knew that it would not be good for her to barge in just like that.

In the past, it would have been fine if only Xiang Yi was there. Now that he had an uncle, both of whom were men, it would not be good for her to barge in just like that.

In the dining room, Xiang Yi and Feng Shunqing were having breakfast when they suddenly heard the doorbell ring.

Both of them looked in the direction of the door at the same time.

Xiang Yi got up, walked out of the dining room, and opened the door.

The moment he opened the door, he saw Nuannuan standing outside.

In the past, she would always come over with a smile on her face, but today..

Looking at the man who came to open the door, Shi Nuannuan suddenly felt very wronged. The tears that she had just collected on the road burst out of her eyes once again.

The sudden appearance of her crying startled Xiang Yi. His heart felt as if it had been pricked by something and he was a little flustered.

However, before he could speak, the person in front of him rushed over and hugged him.

Then, he felt her body trembling slightly due to the sobbing.

He raised his hand and hugged her back, feeling flustered.

"What's wrong with you?"

She closed her eyes and buried her face in his chest. Her tears fell desperately and wetted his white shirt.

"I... I don't want to leave you..."she sobbed so hard that she could not speak.

One sentence made his heart clench and he was stunned.

At the door of the dining room, Feng Shunqing put down her bowl and chopsticks and walked out. She quietly looked at the couple who were hugging each other at the door.

"Who said you want to leave me?"He let go of her and looked at her tear-stained face. His heart ached.

She raised her head. She was at a loss for words.

"I, I..." She noticed Feng Shunqing standing there. Should she tell Xiang Yi about the phone call?

Feng Shunqing glanced at them and walked into the living room. She sat down on the sofa. She could not eat breakfast anymore.

Xiang Yi was confused for a moment. He quickly realized something.

It was only eight o'clock. She should have come directly from Shi Mansion. Why would she say something like that?

His eyes darkened. He suddenly turned his head and looked at his uncle on the sofa.

"Don't cry." He raised his hand and wiped away her tears. Then, he took her hand and walked to the sofa together with her.

"What did you say to her?" Looking at Feng Shunqing on the sofa, his voice was cold for the first time.

He had always respected this uncle in front of him.

However, he did not want him to interfere in his affairs and even hurt her. This made Xiang Yi, who had always respected him, feel a chill down his spine.

What exactly was it? What was hidden in his uncle's heart that he did not know.

On the sofa, Feng Shunqing lowered her head. She was angry, helpless, and heartbroken.

"Ah Yi, you know uncle. Uncle has never interfered in your affairs, but you have to listen to me on this matter. She can not be your wife!"

Xiang Yi stared at his angry uncle for three seconds. In the end, without saying a word, he pulled nuannuan into the bedroom. After taking out a suit jacket from the wardrobe, he walked out again, he walked straight to the door.

Feng Shunqing stood up from the sofa as she watched the two of them leave. Just as she was about to speak, the two of them had already disappeared at the door.

Chapter 1152: What are we going to the hotel for?

He pulled her out of the apartment, got in the car, and drove away from the neighborhood.

Looking at the man in the driver's seat, Shi Nuannuan stopped crying. She didn't know where he was going.

"Where are we going?"

He turned his head and glanced at her. "The hotel."

"..." she was stunned.

What are we going to the hotel for?

A few minutes later, the Maserati stopped in front of a four-star hotel. After putting the car in order, the two of them got out of the car and walked into the hotel.

“You want to stay here?”

When they reached the front desk and saw him take out his ID and money, Shi Nuannuan finally understood.

Was he going to move out of the apartment?

“Yes.”

He took the room card and replied softly. Then, he turned his head and pulled her in the direction of the hotel.

Just as the two of them walked towards the elevator, a gaze followed closely behind them until it disappeared the moment the elevator door closed.

“What’s Wrong?”

Seeing that the person beside him did not move, Guo Zihao could not help but ask.

An Zhihan heard Wen Sheng’s voice and retracted her gaze. She looked at him and smiled. “It’s nothing. I think... I saw someone I know.”

“Who?” They also took the room card and walked towards the elevator.

“Shi Nuannuan.”

An Zhihan said as they walked into the elevator.

Guo Zihao could not help but be stunned. He turned to look at her in surprise. “Are you sure?”

She looked up. “Of course.”

“By the way, were you really good sisters?” Guo Zihao asked. He brought her here this time because he wanted to use her relationship with Shi Nuannuan to work with supreme.

“Of course.”

“Then why didn’t she help you when your Phoenix Group went bankrupt due to a mysterious hacker attack?”

“Didn’t I say that before this, we happened to have a little conflict and broke up.”

“Then why are you so confident that we can make up this time?”

“I naturally have my ways. You just have to wait.”

Yes, she had nothing now. Even if she wanted to settle the score with Shi Nuannuan, she had to borrow Guo Zihao’s snobbery. Otherwise, she might not even have the chance to see Shi Nuannuan!

The elevator reached the tenth floor. Xiang Yi and Shi Nuannuan entered 1022, while Guo Zihao and an Zhihan entered 1023.

“If you live here, what Will Uncle Do?”

Walking in and looking at Xiang Yi sitting on the bed, Shi Nuannuan couldn't help but ask.

It seemed that because of her, he and his uncle didn't get along well.

Thinking of this, Shi Nuannuan still felt a little guilty.

“He's fine. If he can't stay, he'll go back.” Sitting on the bed, Xiang Yi seemed to be deep in thought. He was afraid that his uncle wouldn't go back in a short time.

He raised his eyes and looked at the person standing in front of him. Then, he reached out and pulled her over to sit in his arms. “What did uncle say to you today?”

His voice was very soft. No matter what happened or what happened, the only person he did not want to hurt was Shi Weiyi.

Shi Nuannuan glanced at him and then lowered her face. “He just said that we can't be together. I asked him for the reason, and he said...”

“What did he say?” Seeing that she had stopped, he continued to ask, because he also wanted to know why his uncle suddenly changed.

Suddenly, Xiang Yi looked up and seemed to have thought of something.

His uncle's sudden change started from that afternoon, the day he saw Nuannuan and the old man fishing.

What did he see that day, and what happened in the park?

“He said, because I'm the daughter of a rich family, you can't reach me.”

Chapter 1153, the first day of work

She looked at him innocently. It was not easy for her to overcome the obstacle in his heart and make him accept her. At this time, his uncle gave her such a reason, which made her feel very helpless.

However, she believed that Xiang Yi, who had overcome the obstacle, would definitely not become a hindrance between them again. She must have confidence in this!

“However, I don't think this is the reason that uncle wanted to say. I have a feeling that he has something on his mind.” She lowered her head, not knowing if it was because of her guess.

Looking at her face, her thoughts were the same as hers.

“That day, did anything strange happen in the park?” He really could not understand because everything happened too suddenly.

Listening to his words, Shi Nuannuan could not help but recall that afternoon. Nothing had happened.

“No, it was very quiet the whole time. Nothing happened.”

Xiang Yi could not help but fall into deep thought.

“Forget it, I don’t want to. Have you eaten?”

She nodded. “Yes.”

Actually, she had not eaten, but she simply could not eat.

...

They stayed in the hotel until noon, when the two of them left the room.

They had to go to the Di Zun Group because they suddenly received a call from Shi Yuting.

“You go back. Be careful on the road.”

At the entrance of the hotel, he kissed her forehead and reminded her.

Shi Nuannuan nodded. “Yes, I know.”

After getting into the car, he didn’t turn around and walk towards the Di Zun Group until her car had completely disappeared. It was very close to the hotel he was staying at now.

— —

The next day, Xiang Yi still did not return to his apartment.

When he arrived at Di Zun Group early in the morning, he noticed that Nuannuan was suddenly sitting on Ferlin’s seat. He could not help but be startled and stop in his tracks.

Seeing her early in the morning, he was in a very good mood and revealed a faint smile. “Why are you back here?”

When she saw him, Shi Nuannuan also smiled very sweetly. “I... came to work!”

He was stunned.

Work?

“What work?”

Shi Nuannuan knocked on the desk in front of her. “The work of a Secretary!”

When she thought about how she could see Xiang Yi every day and meet him face to face, her mood was extremely good.

He was stunned for a moment before looking at Ferlin’s position.

She had indeed taken a vacation a few days ago, so he had been handling half of the secretary’s work these few days.

“Do you know how to?”

His obvious questioning gaze made Shi Nuannuan very happy!

“Why, are you looking down on me?”

He smiled and was about to say something when the intercom on the table rang.

He walked over and picked up the microphone. “Yes.”

Then, Shi Nuannuan saw him enter the CEO’s office with a document in his hand.

Xiang Yi had been waiting for a long time, but he did not come out. Instead, he heard the elevator door open. He looked up and saw a familiar figure walking out from it!

Seeing that figure walking slowly towards her, the expression on Shi Nuannuan’s face froze.

Seeing Shi Nuannuan sitting in the secretary’s seat, Helian Manli also felt somewhat surprised.

“What are you doing here?” Upon seeing her, Shi Nuannuan asked unpleasantly.

Helian manli smiled elegantly, “Naturally, I’m here to discuss business.”

“The world is so big, why do you have to do business with my brother’s Group?” She felt that she was here for Xiang Yi!

She still smiled sweetly, “Naturally, it’s because I believe in the Overlord’s ability and strength.”

“Tch!” Shi Nuannuan pouted and glanced at her in a low voice.

: Chapter 1154: an awkward scene

“Miss Shi, can I go in now?” Helian Manli asked with a smile as she looked at Shi Nuannuan, who was sitting on the secretary’s seat.

“What are you going in for?” Shi Nuannuan asked despite knowing the answer.

“Naturally, I’m going to discuss business with your brother.”

“He’s not here!”

Helian Manli’s eyes darted around. How could he not be here? It was clearly the appointed time. She knew that Shi Yuting was someone who never stood up for appointments.

“Is that so?”

“Of course!”

“Then I’ll go in and wait for him!”

As she spoke, Helian Manli walked straight to the door of the President’s office.

“Hey, Helian Manli!” Seeing the woman walking straight over, Shi Nuannuan walked straight out from the office desk. She wanted to stop Helian Manli from entering, but was stopped by the two bodyguards behind her!

It was the first time in her life that someone dared to treat her like this!

Shi Nuannuan couldn't help but feel warm!

"F * ck! You actually dare to make a move on me! ?" She used her own self-defense technique, trying to break free from the two bodyguards!

Helian Manli turned her head and saw her struggling appearance. She couldn't help but smile, "If Miss Shi is obedient, they naturally won't make a move on you."

Looking at the woman who was still smiling brightly in front of her, Shi Nuannuan suddenly curled the corners of her mouth. "Helian Manli, do you think I'm too simple?"

As soon as she finished speaking, she raised her leg and ruthlessly stepped on the foot of one of the bodyguards who was holding her up!

As if noticing her movements, the bodyguard was on guard and easily dodged her attack.

However, just as he thought he had dodged this disaster, the next second, a sharp pain came from his crotch..

"Oh —"

Before the other bodyguard and Helian Manli had time to react, Shi Nuannuan seized the opportunity to continue her attack. With a flip, she easily broke free from the bodyguard, and then her slender legs suddenly swung upwards, she directly kicked the forehead of the other bodyguard, causing him to take a step back in pain.

She clapped her hands, her beautiful eyes staring at Helian Manli.

"You should know that these two bodyguards of yours are not even one-tenth of my grandfather's men, good-for-nothing!"

Helian Manli glanced at the defeated bodyguard, then smiled and said calmly, "Miss Shi is indeed powerful."

After saying that, she suddenly turned around, because at this moment, she was standing in front of the door of the CEO's office.

"Hey, Helian Manli! Don't you understand human language or what —"

"Ah!"

Shi Nuannuan suddenly pulled her back, mainly because she didn't want her to enter her brother's office, because Xiang Yi was still inside!

Who knew that this pull directly tore the collar of her bare shoulders, and only a tearing sound could be heard..

And at this time, the office door was just pushed open, and the moment Xiang Yi came out, he saw Helian Manli's disheveled appearance.

Shi Nuannuan was also stunned, because... she really didn't expect the quality of her clothes to be so watery, or did she use too much strength just now?

Looking at her torn clothes, Shi Nuannuan only came back to her senses and slowly loosened her hand that was still holding on to the collar that had been torn off.

Wasn't she a noble of the Royal Family? Why was her clothes so watery?

On the day of May, Helian Manli was only wearing a thin shirt. Now that she was being pulled by nuannuan, her collar was completely open, and the black lace bra was obvious at a glance..

Xiang Yi, who saw this scene as soon as he opened the door, seemed to be stunned for a moment. When he came back to his senses, he could not help but hurriedly look away and turn to the side.

Hearing the commotion, Shi Yuting also walked over from his desk and saw this scene.

Chapter 1155 I'm very sorry

He furrowed his brows, a trace of displeasure clearly flashing across his face.

Helian Manli was his guest. As a host, he could not help but turn around and take a coat from the sofa. He draped it over Helian Manli's body, shielding her from the touch of lust on her chest.

She was a member of the royal family of country A, so naturally, she could not lose her manners.

After bringing the completely frightened Helian Manli into the office, Shi Yuting's displeased gaze swept across Shi Nuannuan.

Shi Nuannuan bit her lip. She really wanted to say, "The baby didn't do it on purpose."

She raised her eyes and looked at Xiang Yi innocently.

Xiang Yi patted her. "It's okay."

The look in his brother's eyes just now would not dismiss her just because of that, right? This was her first day at work.

Sigh, why did that Helian Manli want to hit her? Otherwise, she wouldn't have pulled her clothes in such a hurry. Most importantly, her clothes were too watery!

"I'm very sorry."

In the office, Xiang Yi looked calmly at Helian Manli in front of him and spoke slowly.

Helian Manli raised her head and glanced at him. She smiled and said, "It's fine. It's not Miss Shi's fault. To be honest, I was the one who attacked first."

Shi Yuting did not say anything else. "I'll get someone to give you a new set of clothes."

He stood up and walked to the door. He glanced at nuannuan, who was sitting in the secretary's seat. "Buy a brand new set of clothes for Miss Manli."

Shi Nuannuan could not help but raise her eyes when she heard Wen Sheng. She was slightly stunned. "Where do I go to give it to her?"

“Downstairs, a large shopping mall!” Shi Yuting turned around and returned to the office after he finished speaking.

Shi Nuannuan and Nuannuan frowned. Did brother want her to run errands for Helian Manli? ?

Although she was very reluctant, when she thought that this matter was indeed her fault, Shi Nuannuan also reluctantly went downstairs.

She randomly picked a piece of clothing for Helian Manli and then came back.

“Here!” When she walked to the office, she pushed the clothes and handed them to Helian Manli.

“There’s a washroom inside.”

In this place, the only places that could be changed were Shi Yuting’s private resting room and washroom. He naturally wouldn’t let any woman other than Zuo Weiyi enter there, so he could only let her commit herself to the washroom!

After taking the clothes, Helian Manli walked to the washroom.

The storm had finally subsided. Originally, Shi Yuting was still a little worried that Helian Manli would make some unreasonable requests because of this matter, but she didn’t.

A Day passed. Shi Nuannuan’s first working day was still relatively free, except for the small incident that happened in the morning.

However, in the next few days, Shi Nuannuan discovered that Helian Manli came almost every day, and the moment she went out, she was with Xiang Yi..

At this moment, seeing the two of them coming out of the office at the same time, Shi Nuannuan was about to speak, because it was already noon, and there were five minutes left before they could go downstairs to eat.

“Xiang...”

“There are some details that I’m not very clear about. Moreover, after we finish eating, I’m going to fly to country A. Why don’t we talk while we eat?”

Shi Nuannuan had yet to say the word ‘yi’ when she saw Helian Manli suddenly turn around and say to Xiang Yi.

Hearing her sudden request, Xiang Yi was slightly startled. Immediately, his gaze fell on Shi Nuannuan, who was sitting on the secretary’s seat.

She looked at him and really wanted to have lunch with him!

But in the end, after taking a look at Nuannuan, Xiang Yi still agreed to Helian Manli’s request. “Okay.”

Helian Manli smiled. “Then let’s go.”

As she spoke, she took the lead and walked towards the elevator.

: Chapter 1156 he was nothing

Xiang Yi turned his head and looked at the aggrieved person. He walked over and patted her head. "Eat well."

After saying that, he was about to leave.

The next second, his hand was grabbed by someone.

Feeling the hand that was holding his finger, Xiang Yi stopped and turned around.

"I, I don't want to eat alone." She looked at him with a pitiful look that made his heart ache.

But even so, as the person in charge of this cooperation, he had no other choice.

"Dinner, let's eat together."

After softly saying that, he glanced at her, turned around and left, walking towards Helian Manli who was still waiting at the elevator.

Looking at the two figures entering the elevator, Shi Nuannuan... felt very stifled.

"Let's go, Big Brother will eat with you."

At this time, the door of the CEO's office was opened, and Shi Yuting was seen leaning against the door frame with a calm expression.

Shi Nuannuan heard his voice, and when she saw her brother, her heart felt a little... uh, wronged.

She stood up and walked over, holding his arm, her small face somewhat lonely.

"Big Brother, why does Xiang Yi always have to be with Helian Manli..."

"Because he's the person-in-charge of the project this time."

"Then why did you let Xiang Yi be the person-in-charge?" She raised her head and stared at Shi Yuting's handsome face in confusion.

The elevator door opened and Shi Yuting turned his head slightly after entering the elevator. He looked at his sister who could not keep her cool.

"You have to know that there's still a big obstacle between Xiang Yi and you. Do you think Grandpa will accept him with his current status?"

"What about sister-in-law? Didn't Grandpa still accept her in the end..." Although that might be because sister-in-law was Grandpa Zuo's granddaughter, it was not entirely because she was the granddaughter of the previous president that Grandpa treated her well in the end, right?

"First, the only one is Grandpa Zuo's granddaughter. Second," he turned to look at her, "It's also because she is Shen Ruoxi's granddaughter."

Shi nuannuan frowned and suddenly understood.

It was said that Shen Ruoxi and Grandpa had a history. Although Grandpa and Grandma got married later, it couldn't erase the fact that Shen Ruoxi was the woman that Grandpa loved, right?

"What about Xiang Yi? He's nothing, so he can only rely on himself to walk step by step to the position where Grandpa is willing to accept him."

He knew very well how stubborn grandpa was. If he wanted to be together with Nuannuan, this was the only way.

"But Grandpa's requirements are so high. How can Xiang Yi meet his requirements?" Shi Nuannuan was a little anxious. Was there really no other way?

Or else, she could elope with him?

Uh, but if that was the case, she wouldn't be able to see her brother, sister-in-law, and Mommy. Moreover, she didn't want to be separated from Grandpa.

She couldn't bear to part with any of her family members. They were the people who were closest to her and loved her the most.

But what if she couldn't fulfill her grandfather's request? Were they destined to be separated?

Oh, no!

"So, he can only rely on himself to work hard."

The elevator door opened, and Shi Yuting took the lead to step out.

Shi Nuannuan, who had come back to her senses, also ran over quickly.

She still did not understand.

"Even if that's the case, why must you arrange for Helian Manli's cooperation case? Can't it be something else?" She looked at her brother with some resentment and pursed her lips.

"Do you believe in Xiang Yi?"

"What?"

"Apart from having a working relationship with Helian Manli, is there anything else?"

"Of course not."

chapter 1157, there was an accident at the hospital

"Then what are you worried about?" The collaboration with the A family was the first step of Xiang Yi's success.

"I—" Shi Nuannuan was speechless. Although she trusted Xiang Yi, she would be sad if she saw them having dinner together these few days.

After all, she felt that Helian Manli was interested in Xiang Yi.

Which girlfriend would like to see a woman who was interested in her boyfriend surround him all day long?

"I just don't like to see it." She lowered her head. Did she become willful again like this?

"You have to like it even if you don't like it, unless you give up on Xiang Yi."

"I don't want it!"

"Then bear with it first. Don't be impulsive."

After hearing her brother's words, Shi Nuannuan did not say anything else. The two of them walked into the restaurant opposite the Overlord's building.

The moment they entered, they saw Xiang Yi and Helian Manli sitting by the window.

When she saw the two of them, Shi Nuannuan was stunned for a moment. Then, she turned her head and snickered. "Brother, can we eat together?"

"No." After saying that, he brought her to the private room on the second floor.

"Why?" Shi Nuannuan was still a little reluctant.

However, Shi Yuting did not say anything else.

If he, the Big CEO, went over, how would the two of them discuss the details?

* * * * *

At three in the afternoon, Shi Nuannuan sat in her seat in all sorts of ways. She used the ballpoint pen to write Xiang Yi's name non-stop. From time to time, she would even look up at the empty seat opposite her.

Seriously, why did she not come back after eating for an entire afternoon?

It was not easy for her to stay up until she got off work, but Xiang Yi still did not come back.

Didn't they agree to have dinner together?

After walking out of the Overlord building, Shi Nuannuan stood at the door and dialed Xiang Yi's number. However, the phone rang for a long time, but no one picked up.

Just as she was puzzled, a figure rushed over from behind. Before she could regain her senses, Shi Yuting held her hand and walked towards the Maybach parked at the door. "Let's Go!"

After getting into the car, Shi Nuannuan was a little puzzled when she saw her brother's slightly solemn side profile.

"Brother, What's wrong? Where are we going now?" Even if we were to go home, there was no need to be in such a hurry, right?

"Xiang Yi had an accident and is now in the hospital."

“...”when she said this, Shi Nuannuan was completely stunned. It was as if a steel knife had suddenly stabbed her heart.

“Don’t worry too much. It’s already fine.”

Hearing this, Shi Nuannuan’s heart, which had been tightly gripped, finally relaxed a little. However, a layer of dense fog had appeared in that pair of beautiful large eyes.

After more than ten minutes of anxiety, the Black Maybach finally arrived at the hospital.

Rushing into the ward, she saw Xiang Yi who had just woken up, and Helian Manli who was standing by the bedside.

“Xiang Yi!”

When she rushed to the bedside and saw that his head was wrapped in gauze, Shi Nuannuan could not help but shed tears!

Looking at her teary eyes, Xiang Yi smiled gently. “I’m fine.”

“How did this happen? where, where did you hurt? And where were you injured?”

“I’m sorry. He was hit by the construction materials on the construction site because he saved me.” Seeing Shi Yuting walk in, Helian Manli suddenly opened her mouth and her gaze fell on Shi Nuannuan.

Hearing this, Shi Nuannuan was stunned for a moment, then turned around to look at her.

What did she mean? Did she mean that Xiang Yi got hurt because he wanted to protect her?

She glared at her unhappily, then turned around and looked at Xiang Yi, “Is it really like this?”

Looking at her, he nodded, “Yes.”

Chapter 1158: As Long as she was fine

She was the most important client of the Supreme Emperor. He stood by her side as danger approached. There was no reason for him to stand by and watch. Of course, he did not know that he would be injured because of this. He thought that both of them would be able to avoid it.

However, he did not know if it was his imagination.

When he saw the building material fall down, the building material on the other side was clearly in good condition. How did it suddenly fall apart and fall down?

Seeing that he had confessed, Shi Nuannuan had a righteous look on her face!

She knew that Helian Manli had said that on purpose. If she had really filled up her heart, then she would have fallen into her trap. She was not that stupid!

“It’s good that you’re fine.”

Seeing that Xiang Yi was fine on the hospital bed, Shi Yuting then left with relief.

That night, Shi Nuannuan did not go back. Instead, she stayed behind to serve him tea and water. It was very thoughtful.

“You’re not going back?” Because the injury was to his head, he had to stay and observe for two days before he could be discharged.

Looking at her sitting by the hospital bed and not intending to leave, he could not help but ask.

“I’m not going back!” She wanted to stay and accompany him!

Looking at her exquisite and sweet face, Xiang Yi could not help but have some misgivings. If she did not go back for the whole night, the old man would definitely know.

But it seemed that these things were no longer important. If he knew earlier, he would know later. Anyway, he had to know.

Moreover, he didn’t want to secretly date her anymore. That way, he always felt... well, a little cowardly.

He smiled and didn’t force her anymore. It seemed that he didn’t want her to go back either.

Gulp..

Suddenly, he heard the sound of hunger. He paused and his gaze fell on her stomach that was crying out.

It was already eight o’clock. When he arrived, it was already past five. He should have rushed over right after work, so he didn’t even have dinner?

“You didn’t eat?”

Shi Nuannuan shook her head, indicating that she didn’t.

“I’ll go buy it for you.” As he spoke, he was about to get out of bed.

Seeing this, Shi Nuannuan hurriedly stopped him.

“There’s no need! I’ll Go By Myself!”

He smiled. “It’s fine. I can walk.”

Perhaps he did not even need to be discharged from the hospital. Other than the injury on his head, he was actually perfectly fine.

“That won’t do either. Brother Sheng Hao said that although you only injured your head, the injury on your head is the most dangerous one. You mustn’t let your guard down!” She pushed him back to the bed and stood up on her own, “Just wait patiently. I’ll go buy dinner!”

He smiled. “You really don’t need me to go?”

“Of course. Can you not treat me like a child? I’m just buying dinner. What’s the problem?”

“Then be careful.”

“I got it. I’m leaving!”

With that, she left the ward.

Looking at her departing back, Xiang Yi, who was lying on the hospital bed, smiled. He couldn’t help but think about the scene that happened at the construction site today.

Just as he was thinking, his phone rang with a notification.

He turned his head and saw a message from Helian Manli on the bedside table.

“Thank you very much for today. I have something to do and have to return to the country. I wish you a speedy recovery.”

After reading the message, Xiang Yi did not reply. Instead, he caught a glimpse of the missed call.

After checking, he realized that it was from Nuannuan.

Looking at the time, it was probably from when he was unconscious, so he did not pick up.

Just as he was about to put down his phone, the screen lit up again, accompanied by a series of ringtones.

The Caller ID was: uncle.

Looking at Feng Shunqing’s caller ID, Xiang Yi hesitated for a few seconds before picking up.

Chapter 1159 was a subconscious action

“Hey, Ah Yi, what’s wrong? ! I heard that you were injured and hospitalized?”As soon as the call was connected, Feng Shunqing’s anxious voice came through, which surprised Xiang Yi.

Because he didn’t tell his uncle about his injury. How did he know?

“How did you know?”

“A young lady called Manli told me.”

Xiang Yi frowned.

Helian Manli?

How did she know about his uncle’s existence?

“Quickly tell me the hospital’s address!”Feng Shunqing was concerned about Xiang Yi. Honestly speaking, he treated this nephew as well as his own son.

Xiang Yi hesitated for two seconds. “No need, I’m fine.”

“Why would you be hospitalized if you’re fine? Your mother asked me to take good care of you when she left. You mustn’t let anything happen to you!”

Under his repeated requests, Xiang Yi finally told him the hospital’s address.

Shi Nuannuan came back after buying food. The moment she entered the ward, she saw Feng Shunqing sitting by the bed. She could not help but pause.

When she saw Shi Nuannuan suddenly come in, Feng Shunqing glanced at her and his face immediately darkened. He turned around and did not even greet her.

“You’re back.” Xiang Yi smiled dotingly when he saw her.

It was as if all the unhappiness in Shi Nuannuan’s heart would disappear as soon as she saw his smile. Soon, she revealed a sweet smile, like a blooming peony.

“Yes, I bought a lot of delicious food!”

She walked over and placed the dinner she bought on the Round Table at the side. Then, she opened it.

“I also bought beef stir-fried with Chili! It’s your favorite!” She turned around and said happily to the man on the bed.

Perhaps it was because of Feng Shunqing’s indifferent attitude. Although she wanted to act more naturally, looking at her made her feel more like a clown.

“You’re buying it for me?” He looked at her. He did not change the slightest bit because of his uncle’s indifferent attitude. He still doted on this woman.

Shi Nuannuan nodded. “That’s right. I heard from brother Hao Sheng that you’ve been in a coma for a long time and haven’t eaten dinner.”

Xiang Yi was indeed a little hungry now that she mentioned it.

Previously, he was in a coma and had been on an IV drip, so he did not feel hungry.

He suddenly landed on Feng Shunqing’s face, who was sitting there with her head lowered. “Uncle, have you eaten?”

Feng Shunqing raised her head and met his black eyes. She immediately nodded. “I’ve already eaten. You guys can eat.”

As he spoke, he stood up and gave the single sofa chair to Shi Nuannuan, perhaps subconsciously.

After standing up, Feng Shunqing could not help but be stunned.

He really could not hate this child, Nuannuan.

Shi Nuannuan was stunned when she saw Feng Shunqing suddenly give up his seat to her.

This was because he had been very cold to her these past few days. However, this action just now had surprised her.

Was he giving up his seat for her and Xiang Yi to eat together?

Feng Shunqing realized that this action of hers made it impossible for her to sit back down. She simply found an excuse for herself. “I’ll go and ask the Doctor about your specific situation.”

With that said, perhaps it could be seen that she did not deliberately give up her seat.

Watching his back as he left, the two of them did not look away until the door to the ward was closed.

“Let’s eat,” he said to the person standing by the bed with a faint smile.

Shi Nuannuan turned around and smiled at him. She then brought the food over and started eating happily. From time to time, she would even put a piece of food next to his mouth.

Chapter 1160: There was nothing inconvenient

After dinner, Feng Shunqing returned to the ward.

At 9:30 pm, Zhong Shenghao went over to check on his injuries. His current condition was very good.

When he left, he saw that it was already very late, but Nuannuan was still here. He couldn’t help but ask, “Aren’t you going back?”

Looking at Zhong Shenghao, Shi Nuannuan shook her head. “I’ll stay here tonight.”

Zhong Shenghao couldn’t help but frown. “Aren’t you afraid that your grandfather will find out?”

Shi Nuannuan was silent. Her gaze involuntarily shifted to Xiang Yi’s face and met his deep eyes.

“It doesn’t matter. I just want to stay!”

Zhong Shenghao smiled and didn’t say anything more. Instead, he glanced at her and turned to leave. “I’m off work. If you have a fever tonight, remember to call the nurse.”

“Fever?” Hearing his words, Shi Nuannuan couldn’t help but worry. She looked at Zhong Shenghao anxiously. “Will you still have a fever?”

“After all, there are wounds. Even if you have a fever, it’s normal. Besides, I’m just saying, if!” He emphasized. He glanced at the crowd and then turned to leave.

It was ten o’clock in the night. Feng Shunqing was still in the ward. Xiang Yi couldn’t help but look at him.

“Uncle, it’s good to have Nuannuan here. You should go back and rest.”

Feng Shunqing looked up at Xiang Yi and said, “No need. I’ll take care of you personally. It’s not convenient for a girl like her.”

This sentence was obviously asking Shi Nuannuan to go back. How could he not hear it.

“It’s not inconvenient. This is the hospital.” At that moment, Xiang Yi’s expression could not help but turn cold, indicating that he was unhappy with his uncle’s words.

Feng Shunqing raised her head and naturally noticed the displeasure on his face. She could not help but frown.

“I mean, when it comes to taking care of you.”

“I only have a head injury. I can walk and move. It’s not inconvenient at all.”

Feng Shunqing naturally could not speak after he said that.

“I’m worried that you haven’t recovered for a day. I’ll leave with You When you recover.”

“I’m sorry, Uncle. If you always treat Nuannuan this way, you’ll only disturb my rest if you stay here.” He was expressionless and did not look at his uncle, whom he had always respected.

Feng Shunqing was speechless, but he did not compromise. Instead, he walked to the sofa and sat down. He seemed determined not to leave tonight.

Looking at Feng Shunqing sitting there, Shi Nuannuan knew very well that he just did not want her to be alone with Xiang Yi.

“Forget it, it’s already so late. Let Uncle Stay –”

“Who do you call uncle? I have nothing to do with you.” Before Shi Nuannuan finished her sentence, Feng Shunqing suddenly spoke with an expressionless face. He did not even look at her.

Shi Nuannuan could not help but pause. This was the first time someone had called her uncle in front of her, and it made her feel awkward.

She did not call him Uncle because she thought that she and Xiang Yi were already married, so she called him by his nickname. Instead, she felt that since he was Xiang Yi’s uncle, it was reasonable for her to call him Uncle politely.

However, the moment he said that, it seemed like his character had completely changed. It was as if she could not wait to call him uncle.

If it was her previous personality, she would have refuted him long ago. However, because he was Xiang Yi’s uncle, she chose to remain silent in the end.

However, Xiang Yi was a little angry. He lifted the blanket and got out of bed!

Feng Shunqing and Nuannuan were both surprised by his actions.
