Chapter 1171 Love and Hate, how to choose (1)

Could it be that these two people deliberately approached Nuannuan?

“So, in order to take revenge for the past, you deliberately approached Nuannuan? Or, from the very beginning, you’ve been lurking in our Shi family, waiting for the opportunity to take revenge?” His cold eyes stared straight at Xiang Yi, ruthless and merciless!

Xiang Yi raised his eyes, his hands hanging by his sides gradually tightened!

The person in front of him was the person who killed his mother back then?

Why was it like this, why was it Nuannuan’s grandfather, why..

The sudden pain and blow made him, who had already suffered a head injury, feel even more unbearable at this moment. “Get Out...”

“All of you, Get Out!”

Looking at the furious Xiang Yi, Shi Le’s face did not have the slightest bit of guilt, but was still cold and heartless.

“Since that’s the case, it’s good that we can talk things out.”

After saying that, Shi Le turned around and left, thinking of walking towards the door of the ward.

After he left, Shi Yuting did not turn around. Instead, he looked at him in pain. “Xiang Yi.”

“Mr. Shi.” Before he could finish his sentence, Xiang Yi had already spoken resolutely. The first time he spoke, he did not look Shi Yuting in the eye. “The life-and-death contract has been broken. This means that I can leave your side at any time, right?”

Shi Yuting was stunned, but he still nodded. “That’s right.”

“Then now, please leave.” There was still a hint of respect for Shi Yuting in his tone.

That was because when he was at the end of his rope back then, he was the one who had taken him in and given him a bite to eat, which made Xiang Yi what he was today.

Shi Yuting glanced at him with a calm expression. After two seconds of silence, he finally turned around and walked towards the door of the ward!

But just as he reached the door, he stopped again.

“Don’t mess up before the matter is clarified.”

After saying that, Shi Yuting left without looking back.

The reason why he said that was because he felt that although his grandfather was very strict and harsh in many aspects, he was not a person who took bribes and abused the law. Therefore, he felt that what Feng Shunqing said just now.., was a little false.

After Shi Le and Shi Yuting left, the atmosphere in the ward was a little lifeless.

Seeing his pained expression, Feng Shunqing also felt sorry for him.

He did not have to, and he did not want to tell him this cruel truth.

“Where are you going?” Seeing him suddenly walk to the door of the ward, Feng Shunqing was a little anxious.

He wouldn’t do anything because he couldn’t bear the impact, right? Feng Shunqing couldn’t help but be a little worried.

Xiang Yi stopped at the door, but he didn’t turn around. Instead, he had his back facing him. His voice was so cold that there wasn’t a trace of warmth. “Let’s go out for a walk.”

As he finished speaking, he walked out of the ward.

Feng Shunqing wanted to follow him, but on second thought, her footsteps stopped again.

Perhaps it was better to leave him alone for now.

...

In the afternoon, Shi Nuannuan, who had just left the Cheng residence, could not wait to call Xiang Yi.

However, to her surprise, the phone rang for a long time, but no one picked up.

Could it be that his condition had worsened and he had fallen into a coma! ?

At the thought of this, her heart became even more anxious!

However, she heard that her grandfather had left first, and Cheng Huan was the one who was sending her home. Should she ask him to send her to the hospital? Or should she get out of the car and take a taxi?

Uh, it seemed that she wouldn’t be able to get a taxi at this place.

Thinking of this, she couldn’t help but turn her head and look at Cheng Huan in the driver’s seat.

“Well, I’m not going home.”

Hearing this, Cheng Huan couldn’t help but turn his head. After looking at her, he asked, “If you’re not going home, where are you going?”

Chapter 1172 Love and Hate, how to choose (2)

She smiled. “The hospital.”

Although she knew that her heart belonged to someone else, every time she heard him, she would still feel a little dejected.

But she also knew that this woman did not belong to her. Love was something that could not be forced.

He smiled. "Okay."

Half an hour later, the car arrived at the Central Hospital.

"Thank you!"

After getting out of the car, Shi Nuannuan was about to thank him and leave.

The next moment, Cheng Huan opened the car door as well.

"Nuannuan!"

She could not help but turn around and look at him in confusion.

"What?"

"I'm going too."

"..."she blinked. Why was he going?

"You... are going in with me?"

Cheng Huan smiled and said, "Yes."

She did not understand. He and Xiang Yi should not know each other, right? Why would he go?

"You, why would you go?"She really did not understand, so she could not help but ask.

"I want to know what kind of man I lost to."

"..."what did he mean?

He should know Xiang Yi, right? Know Him? Shi Nuannuan frowned. In her memory, she did not know if Cheng Huan had ever seen Xiang Yi.

"And didn't you say that he was injured? Since he's here, as your friend, it shouldn't be a problem for me to go and take a look."

"UH."Even though she said that, Xiang Yi should mind, right?

She could not help but scratch her head, as if she could not find a reason to reject him. In the end, she could only smile and agree.

"Alright."

After saying that, she turned around and took the lead to go forward.

However, when she reached the elevator, she still walked side by side.

When she arrived at the ward, she found that there was no one in the ward.

Shi Nuannuan could not help but feel warm and immediately looked around.

Not Here? Where did he go?

She watched as the sky outside the window gradually darkened. At this time, where could Xiang Yi Go?

“He’s not here,” Cheng Huan said as well.

“Mm, maybe he had something to do. He should be back in a while.”

She didn’t know if she was thinking too much. She held the phone and remembered that he didn’t pick up the phone just now and wasn’t in the ward at the moment. She hadn’t come over for the whole day. Could something have happened?

But on second thought, it seemed that nothing could have happened?

No, Grandpa!

He left early in the afternoon. could he have come to make things difficult for Xiang Yi?

Thinking of this, she could not help but unlock her phone again and dialed Xiang Yi’s number!

However, just as the phone rang, a familiar ringtone came from the quiet ward.

She was very familiar with this sound. It was Xiang Yi’s ringtone.

Following the source of the sound, she looked up and saw Xiang Yi’s phone on the bedside table.

She stood up and walked over. She picked up the phone and frowned slightly.

The phone was still in the ward. She should be able to come back after leaving for a short while, right?

“Did you go to the bathroom?” Cheng Huan’s voice sounded behind her.

Shi Nuannuan turned around with the phone in her hand. She glanced at him and smiled. “No, there’s a separate bathroom in this ward.”

Cheng Huan heard this and turned around. Indeed, he saw a separate bathroom in the ward.

“Ah, maybe she went for a walk!” Thinking of this, Shi Nuannuan suddenly turned around and walked out of the ward.

Looking at her back, Cheng Huan naturally followed her.

The elevator went straight to the first floor. The moment the door opened, Shi Nuannuan was about to step out, but when she looked up, she saw that familiar face standing at the elevator door.

Chapter 1173 Love and Hate, how to choose (3)

Standing in the elevator, she was stunned for a moment. Half a second later, she came back to her senses and rushed out of the elevator with a smile.

“Xiang Yi, where have you been?”

Perhaps it was because there were too many people, coupled with her dazed state just now, the moment she rushed out of the elevator, she was suddenly pushed aside by someone. However, the elevator door suddenly closed at that moment, and in an instant.., shi nuannuan only felt that her head had been knocked by the elevator door.

“AH.”

“Be careful!”

Seeing that she was knocked down by the crowd, Cheng Huan, who was standing behind her, had no choice but to reach out and pull her back in time!

Following her collision, the elevator door was pushed open again, and Xiang Yi, who was outside, just watched the scene in front of him.

Beside his ear, Shi Le’s words were like a needle, piercing into his heart.

‘Nuannuan is about to get engaged to Cheng Huan.’

Before the elevator door closed again, Cheng Huan brought her out of the elevator and asked, “Are You Alright?”

Shi Nuannuan furrowed her brows. As it was indeed painful, she could not help but rub it. “I’m Fine!”

She raised her head and rushed towards Xiang Yi, grabbing his arm intimately. “Xiang Yi, where are you going? I went up to look for you just now, but you weren’t there!”

She lowered her eyebrows and stared at the person in front of her. This innocent and beautiful face had once made him love her like crazy, but at this moment, his heart was suffering.

Shi Nuannuan smiled like a blooming flower, but in the next second, she seemed to have noticed the unprecedented coldness on his face, as well as the black pupils that were unfamiliar to her.

She was stunned, and the smile on her face also froze. She could not help but ask, “What’s wrong with you...”

After staring at her for a while, Xiang Yi moved his gaze away from her face and looked at Cheng Huan, who was walking towards them.

The two men’s eyes met, and a strong aura burst out from their eyes, as if they were announcing something.

“Xiang Yi.” Sensing that there was something wrong with his expression, Shi Nuannuan raised her face and could not help but call out to him again.

Hearing this, Xiang Yi’s gaze fell on Wen Sheng’s face again, but in the next second, he pulled away the arm that she was holding onto.

The coldness on his face made her heart wince.

She lowered her head and looked at the hand that had been pulled away. The hand that had once held her through the streets and alleys had now been pulled away just like that. She felt as if something had slipped through her fingers.

She raised her head again, wanting to ask him about it, but after he glanced at her, he walked into another elevator that was still open.

Shi Nuannuan was stunned. She stood there for a moment, still a little dazed.

When she regained her senses, the elevator had already gone up.

“He went up. Aren’t you going to follow him?”

Cheng Huan’s voice sounded beside her ear.

When she heard it, she turned her head and looked at Wen Sheng in a daze.

What was going on? Why did Xiang Yi look at her so coldly just now?

Moreover, he would never pull his hand away from her, much less leave her here without saying a word.

What was the reason? Because..

She turned around and looked at Cheng Huan. Was it because she and Cheng Huan came together?

But even so, he would not be so cold to her.

Vaguely, she felt that during the afternoon when she left, did her grandfather say something to him?

In her mind, she suddenly recalled what her brother and sister-in-law did when they were in love. Could it be that what her grandfather did was also used on Xiang Yi? ?

Thinking of this, she couldn’t help but rush to the elevator and press the button desperately, hoping that the elevator would come down quickly.

Chapter 1174 love and hate, how to choose (4)

Looking at the anxious expression on her face and thinking about Xiang Yi’s attitude towards her, Cheng Huan vaguely felt that something had happened and could not help but worry about her.

Ding!

The elevator door opened. Before the people inside came out, she had already rushed in impatiently. However, she was once again squeezed out by the people inside who were trying to get out of the elevator. She almost tripped and fell again.

“Be careful!”

Behind her, Cheng Huan held her up again.

She turned around and glanced at Cheng Huan.

Cheng Huan noticed that all the people in the elevator had come out. His gaze landed on her face. "Let me send you up."

It was the first time he had seen her so flustered. He could not help but be worried.

When she walked into the elevator, Shi Nuannuan pushed his hand away. "There's no need. I'll go up myself!"

After saying that, she pressed the button to close the door and blocked Cheng Huan outside.

In the ward, Xiang Yi picked up his coat. He wanted to find his phone and leave, but he realized that the phone that was originally on the bedside table was gone.

He thought for a few seconds and finally left the ward.

In the elevator, Shi Nuannuan and he walked in and out, brushing past each other.

When they arrived at the ward, it was empty. Even the suit jacket that was originally there had disappeared.

She knew that Xiang Yi had left, so she could not help but turn around and rush out of the ward again.

However, she chased him all the way downstairs, but she did not see Xiang Yi again.

In a moment of desperation, she could not help but pick up her phone to call him.

However, the moment the phone rang, she realized that Xiang Yi's phone was tightly held in his other hand.

She then remembered that when she was on the phone earlier, she had conveniently picked up his phone and forgot to put it back. She had been holding it in her hand the whole time.

She was extremely anxious. She thought for a moment and could not help but rush out of the hospital. After taking a taxi, she rushed to the hotel where he had stayed previously.

However, when she arrived at the hotel, no matter how hard she knocked on the door, no one seemed to answer.

No One?

Then did she return to the apartment?

Thinking of this, she could not help but leave the hospital and go to his apartment!

When she reached the apartment, she kept ringing the doorbell.

Finally, the door was opened. Just as she was about to speak, she realized that it was Feng Shunqing who opened the door.

When she saw her, Feng Shunqing's expression froze for a moment before turning cold. "What are you doing here?"

Shi Nuannuan was used to his cold attitude, and at that moment, she only wanted to find Xiang Yi.

“Where’s Xiang Yi?”

In the afternoon, Feng Shunqing naturally heard clearly what Shi Le said in the ward. Originally, he liked Nuannuan quite a lot, and he liked this child from the bottom of his heart, but when he thought of her playing around with Xiang Yi’s feelings and getting engaged to another man, his love for her instantly dissipated!

“Why are you looking for him?” His face darkened.

Shi Nuannuan, on the other hand, was a little anxious. “I’m looking for him for something. I have something to say to him!”

She wanted to go in, but the door was only half open. With Feng Shunqing standing in front of the door, she could not go in at all. She could not even see if Xiang Yi was inside.

“Looking for him? You still have the nerve to look for him! ?”

Shi Nuannuan could not help but ask, “Why do I have the nerve to look for him?”

“He dotes on you so much, and he only wants to treat you well. But what about you? You’re playing with his feelings and getting engaged to another man at the same time! He can’t stand your playing! Leave, now!”

Feng Shunqing was furious at the thought of her own sister being killed by the Shi family, and her nephew being played by the Shi family twenty years later!

Chapter 1175 Love and Hate, how to choose (5)

After roaring at Shi Nuannuan, Feng Shunqing was about to close the door!

“Wait a minute!” Hearing the strangeness in his words, the moment he closed the door, in a moment of desperation, she quickly reached out and pressed against the edge of the door. In the next second, she felt a sharp pain between her four fingers, “Ah!”

She furrowed her brows in pain and tears instantly filled her eyes!

She did not expect that she would use her hands to block the closed door, and she even reached into the gap of the door directly. Feng Shunqing could not help but feel a little surprised. She lowered her eyes., she saw that there was a clear bruise mark in the middle of her four fingers.

Looking at the mark, the worry on Feng Shunqing’s face disappeared for a moment. She subconsciously said, “What are you doing! ?”

Shi Nuannuan was in so much pain that her tears kept falling. For a moment, she felt like her bones were about to break.

Finally, she endured the pain and looked at Feng Shunqing with a frown. “What... What did you mean by what you said just now?”

Feng Shunqing's gaze moved away from her hand and turned to look at her face that was filled with pain, "What do you mean? Nuannuan, Xiang Yi is nameless. You should have known from the beginning that since you knew that he wasn't worthy of you, why did you provoke him? He can't be played with by rich young ladies like you!"

"What play? ! I didn't play with him!" She couldn't wait to like him, so how could she play with him!

She glared at Feng Shunqing in front of her. No one was allowed to taint the relationship between her and Xiang Yi!

"No? You're not engaged to another man! ? Nuannuan, why are you so heartless? Xiang Yi is injured and still in the hospital, but you're engaged to another man at this time. How can he accept this? !"

Hearing this, Shi Nuannuan was stunned. She stared at Feng Shunqing with her eyes wide open.

"Engaged? What Engagement?" who was she going to be engaged to?

Grandpa, it must be Grandpa!

Grandpa must have come to the hospital while she was talking to Grandpa Cheng Upstairs and said something to Xiang Yi. Yes, it must be grandpa!

Then she had to go in and make things clear!

She was about to push the door open and enter, but Feng Shunqing refused to let her in!

"Uncle — Uncle Feng, can you let me in first? I want to make things clear!"

"There's nothing to say!"

No matter how hard she tried, she couldn't get in. Shi Nuannuan couldn't help but get angry!

She said angrily, "What's wrong with you! ? This is Xiang Yi's home. So what if you let me in for a while! ?"

She didn't want to miss it. She didn't want to be like her sister-in-law and brother, who had been kicked out by her grandfather. She didn't want Xiang Yi to be like that!

"You're about to get engaged to another man. Don't provoke Xiang Yi Anymore!" Feng Shunqing refused to let her in!

"Are you going to let me in or not? !"

Feng Shunqing didn't say anything but looked at her with fear. What was this girl trying to do with her eyes?

He had lived for decades and had seen a lot of hot-tempered girls, but he had never seen someone as valiant as Nuannuan. She was clearly so obedient and docile in front of Xiang Yi, but now..

"Bang!"!

Shi Nuannuan kicked the door open!

Feng Shunqing only had one arm to begin with, so naturally, he could not withstand her kick. He was knocked out by the force of inertia and staggered a few times before he finally managed to stand up.

“You, Young Lady, how can you knock into someone’s door so directly! ?”

Chapter 1176 Love and Hate, How to choose (6)

It was indeed the first time Feng Shunqing had seen such a fierce person. She could not help but glare at Shi Nuannuan.

However, Shi Nuannuan did not pay attention to him. Instead, she began to look for Xiang Yi the moment she entered the door.

“Xiang Yi, Xiang Yi! Come out, I have something to say to you!” She wanted to tell him that she was not engaged to anyone. She was not!

He had been so cold to her in front of the elevator because he had heard the news, right?

It must have been her grandfather who told him that he was going to be engaged to Cheng Huan?

Thinking about how she had gone to the hospital with Cheng Huan at that time, she regretted it so much!

“Xiang Yi, come out!”

She searched the entire house, but Xiang Yi was nowhere to be seen. She could not help but return to the living room and look at Feng Shunqing. “Where is he?”

Feng Shunqing shot her an annoyed look. “He doesn’t want to see you!”

“But I want to see him! All you have to do is tell me where he is!”

Feng Shunqing looked at her, but she did not say anything.

Shi Nuannuan was so anxious that she was about to go crazy. However, she had his phone with her too!

“You’d better not look for him. You Can’t be together, and he can’t be with you anymore!”

“Why! ?” She didn’t believe it! She didn’t believe that the man who loved and doted on her would abandon her!

She believed that as long as she explained everything clearly, he would understand!

“It seems that you still don’t know?”

Shi Nuannuan furrowed her brows and felt that there was a hidden meaning in her words. “Know what?”

“Go back and ask your grandfather!” As she spoke, Feng Shunqing walked in front of her and pulled her out of the door. “Get out. From now on, the members of the Shi family are no longer welcome here!”

She was pushed out by Feng Shunqing just like that.

Seeing that he was about to close the door again, Shi Nuannuan was anxious and reached out her hand again. However, this time, she was very careful. She did not go through the crack in the door. Instead, she pressed her hand against the door. "Wait a minute — hiss..."

As soon as her hand touched the door, a sharp pain was immediately felt. The tears that she had just collected could not help but burst out of her eyes again!

Feng Shunqing also noticed her movements. She glanced at the door and realized that her hand, which had been hurt by the gap between the door and the door, had become red and swollen. The bruises of different depths were shocking to look at!

This child did not care about her own injury and still wanted to look for Xiang Yi here?

Although Feng Shunqing felt a trace of sympathy after seeing her injured hand, when he thought of her identity, his sympathy for her was only so much!

"Xiang Yi didn't come back!"

The door was shut with a 'bang' after he left the sentence!

Shi Nuannuan covered her right hand. She was in so much pain that she didn't know what to do. She could only endure it with all her might.

However, she heard Feng Shunqing's words clearly. If Xiang Yi didn't come back, where could he be?

Could he be in the hotel? Could it be that he didn't want to see her, so he locked himself in the room and didn't open the door?

Thinking of this, Shi Nuannuan could not be bothered with the things in her hands and returned to the hotel again!

At this moment, it was already 7:45 pm. When she arrived at the hotel, Shi Nuannuan knocked on the door again, but there was still no response from inside.

"Xiang Yi, are you inside? I have something to say to you!"

However, no matter how much she shouted, there was no response from inside.

A hotel staff member happened to pass by. Shi Nuannuan looked at the waiter and could not help but call out to her in the next second.

"Wait!"

The waiter turned his head when he heard Wen Sheng and looked around him. At this moment, there were only the two of them in the corridor.

Chapter 1177 love and hate, how to choose (7)

"You're calling for me?"

Shi Nuannuan nodded.

The waiter smiled and walked over. "May I ask how can I help you, Miss?"

Looking at the hotel waiter, Shi Nuannuan Thought for a moment before she said embarrassedly, "Um, can you, can you help me open this room?"

Following the direction that she was pointing at, the attendant looked at the door.

"Excuse me, is this your room?"

Shi Nuannuan could not help but say, "Uh, it's not mine, it's my boyfriend's."

The attendant could not help but smile. "Then I'm sorry, we can't open the guest's room as we please."

Hearing this, Shi Nuannuan could not help but feel a sense of loss.

But she didn't want to give up. "My boyfriend and I had a fight, and it was very fierce. If you don't open the door for me now, he might be inside..."

Seeing her anxious and funny way of speaking, the waiter couldn't help but follow her words and ask, "Inside what?"

"Inside..." her brain worked quickly. "Suicide inside!"

"... !!!" The waiter was successfully frightened.

"Then, then I'll open the door for You Now!" It would be bad if someone really died in the hotel. Not only would it be bad luck, but it would also affect the hotel's reputation and reputation in the future!

As she spoke, the waiter quickly took out the spare room card and swiped open the ward that Xiang Yi was staying in.

The moment the door opened, Shi Nuannuan rushed in impatiently.

The huge room was clear at a glance. There was no trace of Xiang Yi at all.

As expected, he wasn't here either?

The waiter seemed to be panicking as well. Images from movies flashed through his mind rapidly. Would he commit suicide in the bathroom bathtub?

As she thought about it, the waitress did not forget to swallow her saliva. Her gaze fell on the bathroom door.

Shi Nuannuan turned her head and noticed her gaze. She could not help but follow her gaze in the direction of the bathroom.

In the bathroom?

Thinking of this, she rushed over and opened the bathroom door.

The scene from the movie flashed through the waitress's mind. She was so scared that she covered her eyes with her hands. It was only after two or three seconds that she looked out from between her fingers.

Xiang Yi was still nowhere to be seen in the empty bathroom. Shi Nuannuan felt a sense of loss, and the waiter heaved a sigh of relief.

As long as no one died.

However.

“Miss, didn’t you say that your boyfriend was going to, was going to commit suicide in there?”

Shi Nuannuan came back to her senses. Faced with the waiter’s question, she could not help but feel a little unable to answer.

She stammered for a long time, “Uh, this... my boyfriend, he, he knew that I was coming here, and then, then he left. Ah! Maybe he’s on the rooftop, I’ll go quickly!”

As she spoke, she disappeared in front of the waiter like a gust of wind..

The waiter stood rooted to the ground and watched her stupidly walk towards the elevator!

After leaving the hotel, the street lights in City Z were gorgeous. Shi Nuannuan, who was standing in front of the building, was at a loss.

Where exactly was Xiang Yi?

A gentle breeze blew past, causing her, who was only wearing a thin shirt, to feel a chill. She could not help but raise her hands to protect her arms.

“AH.”

With this movement, the injured finger touched her again. The pain caused her to frown!

She lowered her head and looked at her injured hand. Under the night sky, it was still a shocking sight to behold!

She tried to move it twice. “Ah! It Hurts!”

She did not know if it was just her imagination, but could it be that her finger was broken?

Although it had been hurting since the beginning, she had only wanted to find Xiang Yi and explain everything to him. She did not care about it at all.

Chapter 1178 love and hate, how to choose (8)

At this moment, her slender jade-like fingers could not help but turn blue and swollen!

She tried again, but found that it was also difficult to move.

Did It really break?

UGH, it really hurts!

...

The night gradually deepened, but the bustling metropolis did not intend to end because of this.

At ten o'clock in the evening, Shi Nuannuan, who was squatting at the entrance of the hotel room, finally heard a wave of familiar footsteps.

When she heard the sound, she raised her head and saw the tall figure walking out from the corner. Wen Sheng turned the corner.

Just as he turned the corner, he saw the familiar figure squatting at the corner of the wall. Xiang Yi's footsteps also stopped and stopped there.

Finally seeing him, Shi Nuannuan slowly stood up.

"Xiang Yi."

His gaze was still cold, but his heart was aching.

Shi Nuannuan did not notice the pain in his eyes.

"Xiang Yi, I have something to tell you!" When she finally saw him, she wanted to say everything.

However, he just coldly walked past her, took out the room card, and walked straight to the door.

"There's no need to say it, I already know."

Shi Nuannuan could not help but feel warm. It took two seconds for her to regain her senses. "No, what I want to say is —"

* Ka-cha *

The door was opened, and Xiang Yi walked in. From the beginning to the end, other than the glance just now, he did not look at her at all.

Seeing that the door was about to close again, in a moment of desperation, she once again used her hand to push against the door. "Wu!"

She closed her eyes in pain, but she was unwilling to make a sound.

Xiang Yi, who was inside the door, naturally noticed her sudden change in expression. His heart suddenly sank.

"What's wrong with you?" This sentence was about to reach his mouth, but he forcefully swallowed it back down his throat.

"No, Xiang Yi..." at this moment, her face was obviously a little pale, and even her pink lips had become somewhat dry and cracked, "I, I'm not engaged to anyone, no... that was grandpa. He said it on purpose so that you would back off and leave me..."

The pain in her fingers became more and more obvious. She could no longer hold back the tears in her eyes and they rolled down like beans.

"Is that so?" He did not look at her, his expression was cold.

Shi Nuannuan looked up and felt that he was too unfamiliar with this.

She had already explained, why did he look like he did not believe her at all?

“Xiang Yi –”

“Are you done?” He glanced at her pale face and was stunned.

What’s wrong with her?

“What... What’s wrong with you? Don’t you believe me?” Her lips were becoming more and more chapped, and she didn’t even have the strength to speak.

“No,” he said calmly, but his malicious eyes were very cold.

She couldn’t help but be stunned.

No? If it wasn’t him, then why did he still look so angry?

The next second, his words made her completely stunned.

He looked at her with his unfathomable eyes, making it impossible to see through what he was thinking.

“Who you are going to get engaged to is no longer important to me.”

Hearing this, Shi Nuannuan’s originally pale face became even paler. “What, what do you mean?”

“It’s over between us.”

She noticed that his clear eyes were stained with a touch of pain, but more of it seemed to be hatred.

Was she mistaken? Moreover, what did it mean to end? ? Why did it have to end! ?

“You –”

She was about to speak, but Xiang Yi had already quickly closed the door to the room.

“Xiang Yi!”

She knew that once this door was closed, she would probably never see him again tonight!

Chapter 1179 Love and Hate, how to choose (9)

In a moment of desperation, she stretched out her hand again. “Speak clearly!”

At this moment, the pain in her fingers was not even one-thousandth of the pain in her heart.

Xiang Yi was exceptionally sensitive to any movement. The moment he sensed her hand that suddenly reached in, he stopped closing the door the moment the door was closed, for fear of hurting her hand.

However, just as his gaze settled, he saw that her slender fingers, which were originally as white as jade, had become shockingly red and swollen!

He furrowed his brows and his burning gaze landed on her injured hand.

What was going on? He was sure that he should not have hurt her just now.

“What do you mean it’s over? Tell me clearly, why do you want it to end! ?”

At this moment, Shi Nuannuan did not care about her hand anymore. The pain there was not as painful as her chest. It was bone-piercing and heart-wrenching!

“What’s wrong with Your Hand?”

“What did you say just now! ?”

“I asked what’s wrong with your hand! ?”

“Tell me first what you mean by ‘it’s over’!”

“Damn it!”

After cursing, he grabbed her uninjured hand and rushed out of the room.

Shi Nuannuan, who didn’t know what he was going to do, suddenly stopped him in the corridor. “You still haven’t told me what you mean by ‘It’s Over’? !”

He turned around, his dark eyes suddenly filled with anger. “Go to the hospital first!”

“I don’t want to!”

She had finally caught up to him, how could she end it just like that? She did not accept it, and she did not want to end it with him!

“Shi Nuannuan!”

He was burning with anxiety, and his hands were terrifying. It was as if he had been tortured!

“Take back what you said just now. I want you to take back what you said!”She did not want to end it. Didn’t he say that he would marry her? Why did he want to end it with her now?

He stared at her, and their eyes were full of anger.

In the next second, without saying anything, he directly lifted her up and rushed toward the elevator!

“Xiang Yi!”She struggled, trying to break free from his body.

However, when she raised her hand to hit him, she touched her injured finger again. The pain made her break out in cold sweat instantly, and her eyebrows were tightly knitted together!

“Oh!”

“Stop moving!”Standing in the elevator, he couldn’t help but Roar!

She stared at him, and her small face couldn’t be said to be either aggrieved or heartbroken.

“What’s wrong with you? Why didn’t you go to the hospital with your hand injured like this! ?”

“Because compared to the hospital, I want to explain more to you.”

She looked at him with tears in her eyes, but her black eyes were extremely serious, which made his heart tighten as if a knife had cut through it.

When they arrived at the hospital, Zhong Shenghao was also shocked and tongue-tied when he examined her fingers.

“What’s wrong with Your Hand?” Zhong Shenghao couldn’t help but break out in cold sweat for her. If it had been any later, his hand would have been completely crippled! Three of his four fingers were fractured!

Shi Nuannuan looked up at Zhong Shenghao. “It was caught by the door.”

“... Your Brain was also caught by the door?” He asked lightly.

She looked up and was puzzled. “What?”

“If your brain wasn’t caught by the door, why did you come to the hospital at this time? If you had come a little later, your hand would have been crippled, do you understand! ?” From the extent of the swelling on her finger..., it should have been injured for a few hours. In addition to the rapid swelling caused by her movements, if she had come a little later, even da Luo wouldn’t have been able to save her!

Shi Nuannuan felt a slight warmth.

She had already felt a severe pain in her fingers, and it turned out that she had almost been crippled!

“But what on earth did you do to get caught so badly by the door?” How much strength did it take to get caught so badly? And judging from the scars from the impact, it should have been caught twice, right? Was she a pig?

In his impression, Nuannuan should be a clever girl.

After applying the medicine and wrapping it with a thick layer of gauze, Zhong Shenghao spoke with a heavy heart, “Fortunately, it’s only a fracture and there’s no need for a cast. However, remember not to move this hand when you go home. Otherwise, Hua Tuo won’t be able to save you even if he’s alive.”

“Alright, you can go back now!”

She stood up and glanced at Zhong Shenghao. Shi Nuannuan turned around and her gaze fell on Xiang Yi’s face.

When his eyes met hers, Xiang Yi’s clear eyes were filled with complicated emotions. He turned around and left Zhong Shenghao’s office.

Seeing this, Shi Nuannuan hurriedly chased after him.

“Xiang Yi!”

In the quiet corridor, Xiang Yi walked very quickly. After knowing that her hand was safe and sound, his heart was finally settled. He had no intention of staying here any longer.

“Xiang Yi, stop right there!”

However, no matter how Shi Nuannuan shouted, the man in front of her had no intention of stopping!

“Xiang Yi!”

His footsteps were really fast, and she almost had to jog to catch up with him.

However, the moment the elevator closed, Xiang Yi walked in quickly. At that time, Shi Nuannuan reacted and wanted to chase after him, but it was already too late.

“Damn it!” She kept pressing the buttons, but it was futile.

She had no choice but to rush to the stairwell. However, when she went down to the first floor, Xiang Yi’s shadow was nowhere to be seen. Even the car that was parked at the door had disappeared.

She wanted to chase after him, but she found that she did not know which direction to go.

He did not want to see her so much. Did He return to the hotel or the apartment?

Why? She had already explained it to him. Why did he still say that it was over with her? Why?

Was there a reason? Or... Did Grandpa threaten him?

...

At ten o’clock in the night, Shi Nuannuan finally returned to Shi mansion exhausted.

“Nuannuan, you’re finally back.”

It was already late at night. Shi Nuannuan had just warmed up when she heard her sister-in-law Zuo Weiyi’s voice. She looked up and saw her worried expression.

Zuo Weiyi, who had heard the whole story from Shi Yuting, could not help but be a little worried about her, so she had been waiting for the door.

Looking up at her sister-in-law in front of her, Shi Nuannuan suddenly felt a wave of grievance in her heart. She laid on her shoulder and cried bitterly, “Sister-in-law, WAAA...”

Seeing that she was crying like a baby, Zuo Weiyi could only gently pat her blanket and give her some comfort.

“Don’t cry anymore. Have you gone to look for Xiang Yi?” Zuo Weiyi pulled her to sit down on the sofa and asked softly.

This matter was no small matter. If grandfather was really involved in Xiang Yi’s mother’s car accident 21 years ago, wouldn’t that mean... Nuannuan had become his enemy?

Shi nuannuan sobbed, “Yes, but... but he didn’t listen to my explanation.”

Zuo Weiyi was stunned for a moment before her gaze landed on her sobbing face.

It seemed that she did not know about Xiang Yi’s mother. She only knew that her grandfather had deliberately told Xiang Yi that she was going to get engaged to Cheng Huan.

Seeing how upset she was, Zuo Weiyi did not know if she should tell him about it. If Nuannuan knew that Xiang Yi and she were irreconcilable enemies, how would she accept it?

At this moment, the sound of footsteps came from the stairs.

Zuo Weiyi looked up and saw that Shi Yuting was also walking down the stairs.
