

Kiss Me 1281

Chapter 1281 still had a few more three years to go

“Oh right, I have something to tell you.” Shi Nuannuan thought about the matter of flying overseas to stock up tomorrow.

Zuo Weiyi also took a sip of coffee. Although Blue Mountain was very expensive, she was not used to the taste.

“What is it?”

“I’m flying to Hawaii tomorrow. Can you help me take care of Hanhan?”

Hearing this, Zuo Weiyi was stunned. She gently placed the coffee cup in her hand on the table.

“Sure, tomorrow is the weekend. Xiao Mo and Lian Lian are also at home. It’s a good time for the three of them to play together.”

“Then I’m relieved.” Shi Nuannuan smiled and took another sip of coffee.

“Why do you like Blue Mountain?” Seeing that she drank blue mountain every time, Zuo Weiyi felt a little strange, so she couldn’t help but ask.

Shi Nuannuan glanced at her, then lowered her head and looked at the thick black liquid in the cup.

Her face was a little bitter. “Because it’s the only one that isn’t bitter.”

Zuo Weiyi was startled, and her gaze fell on her slightly bitter face.

Three years of time might be able to change many things, but the only thing that couldn’t be changed or erased was the deep scar in her heart.

“Nuannuan,” Zuo Weiyi’s voice was very soft.

Shi Nuannuan raised her head and placed the coffee in her hand in the direction of the coffee. The bitterness on her face immediately faded away and replaced with an elegant smile. “HMM?”

Looking at her, Zuo Weiyi hesitated for a long while before saying, “You, have you seen the report?”

She was a little stunned. “What Report?”

“Xiang Yi is coming back.”

Zuo Weiyi knew that this name had become a taboo for her for the past three years. Every time it was mentioned, her heart, which she had painstakingly pieced together, would once again fall apart.

However, just as she finished speaking, Shi Nuannuan smiled. “I know.”

“Aren’t you going to look for him?”

“No.”

“Why?” Zuo Weiyi did not understand.

They had already missed him once three years ago. were they going to miss him again?

How many three years in a person’s life could be missed?

“Then tell me, why should I look for him?”

“Because three years ago, you were already –”

“Three years have passed. A lot of things have changed,” she interrupted what Zuo Weiyi wanted to say next.

“You didn’t say anything. How do you know that everything has changed?”

“Didn’t you read the report?” Shi Nuannuan lowered her head and took another sip of coffee.

Zuo Weiyi was stunned. She recalled the report yesterday about Xiang Yi’s return to Country Z.

He was indeed returning, but Helian Manli was also with him. Moreover, the report was about their marriage. Was this true?

Thinking of this, all the words that Zuo Weiyi wanted to say to Nuannuan seemed to be stuck in her throat for a moment.

After a while, she raised her eyes and looked at Nuannuan who was looking out of the window.

“Really, just like that, are you satisfied?”

“Of course I’m not satisfied, but I’m not satisfied with what grandfather did three years ago, what the Cheng family did.”

“But those things no longer exist, why did you –”

“It doesn’t exist anymore, everything no longer exists.” Including his heart that said he would pamper himself for the rest of his life, it also disappeared three years ago.

In these three years, Grandpa also let go, but he didn’t think about coming back.

Everything, everything, no longer existed.

Regarding this, Zuo Weiyi still could not understand why Xiang Yi and Helian Manli were together at that time.

Chapter 1282 eat it yourself.

Could it be that he had really forgotten Nuannuan?

But could the love of his life really be forgotten so easily?

Shi Nuannuan once again turned her gaze out the window. Unintentionally, her gaze stopped at a certain spot, not moving at all.

Zuo Weiyi took a sip of coffee, and when she raised her head again, she realized that there seemed to be something wrong with her.

Just as she was about to speak, she realized that she had suddenly stood up from her seat.

“What’s Wrong?”

Shi Nuannuan did not speak. Instead, she looked out of the window in a daze at the two figures that were slowly passing by her shop.

Zuo Weiyi was a little curious, so she followed her line of sight and looked over. At this moment, the two figures had already disappeared in front of the coffee shop.

“Nuannuan, what are you looking at?”

Shi Nuannuan suddenly came back to her senses and glanced at her sister-in-law. She smiled and said, “Nothing, nothing.”

Zuo Weiyi also smiled and stood up. “Then I’ll go back. You Do Your Thing.”

“Uh, okay.”

Picking up her bag, Zuo Weiyi turned around and left the cafe.

After sending her to the door and seeing her sister-in-law’s car off, Shi Nuannuan could not help but turn around and look in the direction where the two figures had left.

At that moment, the two familiar voices had long disappeared.

Was she seeing things.

She turned around and returned to the shop.

...

Not far from the [warm time] coffee shop, a majestic high-rise building had been purchased by a big BOSS a few months ago.

On the top floor, in a luxurious office, Helian Manli carried a cup of coffee and walked to the spacious and bright French window, looking at the city scenery of Country Z.

“In the future, do you really plan to stay here and not return to country a?”

“Yes.”

Looking at the man on the sofa, the corners of Helian Manli’s mouth curled up into a gentle smile.

Three years of companionship, even though she felt that in a certain sense, he was already hers.

But when he decided to return to this land again, she finally realized that perhaps this man in front of her had never belonged to her.

Returning here was not because he had once belonged here, but because of her, right?

But if it was like this, she did not dare to ask him personally, because she was afraid of hearing an answer that she did not want to hear.

“Then, I’ll stay too?”

Hearing this, the man on the sofa finally raised his deep gaze and looked at her face.

But in the end, he did not say anything. He only picked up the coffee in his hand and took a sip.

And his silence, in Helian Manli’s eyes, seemed to have tacitly agreed that she would stay here, so she smiled happily.

“It’s almost noon. Where are we going to eat lunch? I’ll book a table.”

“You eat by yourself.” He put down the coffee and stood up.

Helian Manli couldn’t help but be startled.

Eating with him seemed to have become a habit of hers, but at this moment, she heard a cold answer. For a moment, she was still unable to adapt.

“Do you have something on?”

“Yes.”

Helian Manli seemed to know that the first thing she would do after returning here should be to look for Shi Nuannuan, right?

“You still can’t forget her?”

As soon as she finished speaking, she saw the man’s sharp gaze suddenly sweep over. It carried a bone-chilling coldness, causing her to instantly feel as if she had fallen into a cold pond.

However, when she met his ice-cold gaze, Helian Manli was not afraid. She continued to speak with heartache, “I know that you don’t want me to mention her, but I still want to ask. She has already treated you like that, do you still want to miss her? If she really had you in her heart, she wouldn’t have _”

“Enough!” He suddenly shouted and interrupted her, “You don’t have the right to interfere in my matters.”

Chapter 1283 everything that was familiar to her changed

Helian Manli was stunned. Her eyes were filled with love and heartache for him.

After a while, Xiang Yi tried his best to calm himself down. His tone was calm, but there was a hint of coldness in it. “You go and eat. I’m leaving!”

After he finished speaking, he picked up his coat and left the office.

Helian Manli stood rooted to the ground. Her gaze was fixed on the closed door, and her hands that were hanging by her sides were somewhat unwillingly tightened.

She had long known that everything would change after she returned here.

And in reality, in these three years, she had never obtained this man. His heart had always been on another person. No matter what she did, although he could see it, he ultimately chose to ignore it.

However, she was really unwilling.

Why, in his eyes, he could only see Shi Nuannuan. Even if it was given to him in the entire world, it seemed unable to replace her.

After a long while, Helian Manli finally returned to her senses. She retracted her gaze and took a deep breath. It was as if this was the only way that her heart would feel better.

...

A Royal Blue Spyker sports car stopped at the entrance of a small district. The moment it stopped, it immediately attracted the eyes of many passersby.

The car door was immediately opened. Xiang Yi chose to ignore the whispers and whispers of the passersby. Instead, he raised his head and looked at the residential area that was filled with memories.

This place was once the most beautiful place in his life. No matter how many three years it took, it could not erase all of this.

Looking at the towering building, his gaze drifted far away.

Nuan Nuan, I'm back. Are you still there..

Closing the car door, he slowly walked into the residential area under the envious gazes of the few pedestrians.

The familiar cobblestone paved path, with flowers, grass, trees, and trees, was still the same as three years ago.

Taking the elevator, he arrived at the floor where he used to live three years ago.

Reaching Out, he was about to press the password lock on the wall when the familiar sweet voice rang in his ear, "That, Xiang Yi, can you tell me your password?"?

Thinking of this, the corner of his mouth inadvertently raised a faint smile, and he reached out his hand and pressed the password: 0618.

Three years ago, he changed the password to her birthday.

Kacha.

The door opened, and because no one had lived for a long time, the inside was already covered with a thick layer of dust.

He pressed the light switch on the wall, and the next moment, the room was brightly lit.

Everything was still the same as three years ago. On the sofa, there was the figure of them huddled together, reading magazines and watching TV. In front of the dining table, she was eating with gusto. It seemed that as long as it was food., she would be able to eat it very delicately.

And the bedroom... was the place where they had once been sweet.

Everything was still so beautiful. The only difference was that things had changed, but Weiyi had changed.

He took out his phone and made a call to the cleaning company.

It was noon when he left the apartment.

It was still a little hot in September.

The Sapphire Blue Spyker was dashing through the bustling streets. At the intersection and at the Red Light, a signboard name appeared in his line of sight: [warm time]

He looked at the cafe on the left side of the street. It seemed to be newly opened. It hadn't been there before.

He stared at the four words quietly, and a long-lost warmth rose in his heart.

The green light lit up. He crossed the intersection and turned his car around, stopping at the entrance of the cafe.

“Ding Ling...”

The doorbell rang. He pushed the door open and walked into the elegantly decorated cafe. It gave people a very peaceful and pleasant feeling.

Chapter 1284 should be about taste!

“Hello, Sir. May I help you?”

As soon as he walked in, a waiter came to receive him.

He glanced sideways at the waiter and found a seat by the window. Then, he said softly, “A glass of Blue Mountain.”

Hearing that, the waiter was stunned for a moment, then he smiled and bowed. “Okay, please wait a moment.”

When he left, the waiter could not help but look at him. At this time, Xiang Yi had already looked out of the glass window.

“Hey, that gentleman over there looks like the boss.” In the bar counter, the waiter was preparing coffee while whispering to another employee.

“Are you stupid? How can a gentleman look like the boss? Our boss is a Woman!”

“Aiya, I'm not talking about their appearance and looks.”

“What is that?”

“Um...”the waiter tilted his head and thought for a while. “It should be taste.”

“PFFT!”Another hungry waiter could not help but laugh and teased, “Aiya, Xiao Wen, how can you know taste with your looks?”

“Aiya, I’m not talking about myself!”The waiter named Xiao Wen could not help but cast a sidelong glance at her. Then, he used his eyes to indicate the seat near the window not far away, “See, that gentleman, not only is he sitting in our boss’s favorite seat, but the coffee he ordered is also our boss’s favorite, Blue Mountain Coffee!”

Hearing this, the waiter looked in Xiao Wen’s direction and indeed saw a handsome man sitting there elegantly. It was very quiet, as if nothing in the surroundings could enter his eyes, he just quietly looked at the street and the endless stream of pedestrians outside the glass window.

“Really...”looking at the handsome man not far away, the waiter could not help but feel a touch of admiration. He looked intoxicated.

“Let’s Get to work!”Xiao Wen pushed her and smiled, breaking her fantasy.

Then, she picked up the cup of Blue Mountain and walked towards Xiang Yi’s seat.

“Sir, Here’s your coffee. Please enjoy.”

After saying that, the waiter turned around and left.

‘Ding Ling...’

The doorbell rang again. Shi Nuannuan, who had just finished eating, pushed the door open and entered.

Seeing her, Xiao Wen nodded and greeted, “Boss.”

Shi Nuannuan did not respond. She only nodded slightly and then walked straight into the lounge at the back, as if she had something urgent to attend to.

It turned out that she had forgotten to bring her phone when she went to eat just now.

Ever since Han Han came along, her phone had always been with her. She was very afraid that Han Han would suddenly look for her.

The first thing she did when she picked up her phone was to check if there were any missed calls.

“Phew, no!”

In the cafe, Xiang Yi sipped on the cup of sweet and elegant Blue Mountain. Ten minutes later, he finished a cup of coffee and raised his hand to call the waiter over. “The bill, Please.”

The waiter smiled and said, “Hello, 328 yuan.”

After paying the bill, he stood up and left his seat, walking towards the entrance of the restaurant.

“Hello? Hello, Warm Time Cafe.”

“Hello, please send three cups of Connor to the 18th floor of XX Company.”

Hearing this, the waiter paused. “Three Cups of Connor?”

“Yes.”

“Uh, sorry, we only have two cups of Connor now.”

“How can that be? Your restaurant has never run out of stock. Has It been reserved? Why don’t I add a little more money and you sell it to us? Sigh, our company’s higher-ups only drink this, Please!”

Chapter 1285 was a familiar voice that had not been heard for a long time

At this moment, Shi Nuannuan walked out of the lounge with her phone in her hand.

When the staff saw her, it was as if they had seen their savior.

Holding the microphone, she whispered to Shi Nuannuan, who was walking out, “Boss, XX company needs three cups of Connor, but we only have two cups left. What should we do?”

Hearing this, Shi Nuannuan was stunned for a moment, then she walked to the bar counter, “Let me say it.”

Taking the phone, Shi Nuannuan’s sweet voice sounded, “Hello, May I ask if you want three cups of Connor?”

“...”

At the entrance of the restaurant, Xiang Yi’s hand had just reached the doorknob when a familiar voice came from behind him.

He was stunned, and his action of opening the door also stopped.

After a while, he thought that he had misheard. It was not until he turned around and saw the person at the bar counter who was answering the phone that he let go of the doorknob. His burning eyes stared at the figure that he had not seen for three years.

She seemed to have changed, becoming more mature and charming. Her every frown and smile was still the same as she was in the past.

He was lost in his thoughts, and his gaze did not shift away for a long time.

“It’s like this. Our Kang na is indeed out of stock today. Why don’t I recommend something else? I guarantee that your leader will like it as well.” Shi Nuannuan was still smiling as she communicated with the person on the phone.

Hearing this, the person on the phone was silent for a few seconds, but in the end, she still agreed. After all, their leader only drank the coffee from [warm time] !

“Okay, it will be delivered in half an hour.” Shi Nuannuan smiled and easily settled an order.

After hanging up the phone, she looked up at the waiter. "Two cups of Connor and one cup of mantenin. Send it to the 18th floor of XX Company."

"Okay!" The waiter smiled.

Every time they encountered such a difficult matter, the boss would always be able to solve it easily.

After giving her instructions, Shi Nuannuan walked out from the bar counter. As soon as she turned around, she saw that familiar figure standing at the entrance of the restaurant. Her footsteps suddenly stopped, and the smile on her face froze, she stood there for a long time, unable to move her feet.

She thought that she was hallucinating. Only when the doorbell rang again and Xiang Yi moved his feet to let a customer in did she confirm that she was not hallucinating.

Why was he here? was he looking for her?

No, how could this be possible.

Just as she was deep in thought, she saw a figure walking towards her and standing in front of her.

"I say, boss Shi, I've been drinking 100,000 yuan worth of coffee at your place for the past month. Just one sentence, are you going to eat with me or not?"

Hearing the man's voice, Shi Nuannuan retracted her gaze and looked at the man in front of her.

The Man in front of her was average-looking and average-height, but he only had a few pennies. Ever since he came to this coffee shop, he had been here day in and Day Out!

Three years ago, because of the news of her marriage to the Cheng family, half of city z knew about her. But three years later, she cut off her beautiful long hair and changed her style. Her previous appearance was gradually forgotten by people, a few people already knew that she was the Shi family's eldest miss and the Cheng family's future young madam!

In addition, after opening this coffee shop, she was even more low-key. She didn't want to have anything to do with her powerful background. If that happened, she would feel that her hard work had been rejected, people would think that this coffee shop of hers only had its current rise because of her illustrious family background.

Chapter 1286, let go of me!

She hoped that all of this was purely because of her hard work, and had nothing to do with her family.

So every time someone asked her, 'you look like the previous Miss Shi!' she just laughed it off.

Looking at the man in front of her who was a little disgusting, she said coldly, "Sir, I didn't force you to spend money in my coffee shop. Why do I have to have dinner with you because of this?"

Hearing this, the man could not help but adjust his hairstyle, "Hehe, boss Shi, 100,000 yuan is only enough to buy you the time for one meal. As a businessman, don't be so ignorant of the ways of the

world! Maybe one day..."the man suddenly turned his gaze away, looking around the coffee shop, he asked, "Your coffee shop is not here anymore, is it?"

Hearing the man's self-overestimating words, Shi Nuannuan smiled. She crossed her arms and looked at the man in front of her. "Hehe, sir, are you threatening me?"

The man raised his eyebrows, thinking that she was afraid. "Of course, if you agree to have a meal with me, I guarantee that your business in this coffee shop will only become more and more prosperous!"

"Is that so?"

"Of course!"

"Then I..."She could lengthen her voice, as if she was considering agreeing to him.

The Man's face was full of anticipation, thinking that she was going to agree to have a meal with him!

"I'm sorry! I don't have time!"She smiled. It was obvious that she was toying with the man in front of her.

Hearing her answer and realizing that he had been fooled, the man could not help but feel angry from the bottom of his heart. "I say, Boss Shi, are you going to refuse a toast and drink a forfeit?"

When Shi Nuannuan heard this, she became even more sarcastic. If she refused to have dinner with him, was she going to refuse a toast and drink a forfeit?

"I don't care. You have to accompany me to dinner today!"As he said this, the man started to make a move. He grabbed her arm and was about to walk towards the entrance of the coffee shop.

She did not expect him to make a move directly. Shi Nuannuan felt a fire burning in her heart.

"Let Go!"She swung her arm and wanted to pull her hand back, but she realized that the man was holding her so tightly that she could not shake him off at all!

Damn it!

"Bastard, let go of me!"

The man insisted on not letting go and continued to drag her to the door.

She couldn't drink 100,000 yuan of coffee for free this month. She just wanted to have a meal with this beautiful boss, so she naturally wouldn't let go.

"Bastard, I said let go!"He pulled her hand back, and Shi Nuannuan simply grabbed his arm with one hand. In the next moment, the man's feet suddenly left the ground, and she threw him onto the ground with a gorgeous shoulder throw!

"Ouch!"

This fall was not light. The man lay on the ground and wailed!

Looking down at the man lying on the ground, Shi Nuannuan clapped her hands and turned around.

Perhaps it was because of the wooden floor, the fall did not hurt that much. Soon, the man stood up again.

This time, he simply threw himself at Shi Nuannuan's back.

"Plop!"

Shi Nuannuan was caught off guard and felt a weight pressing down on her back. In the next moment, she could not bear it and fell to the ground! Her forehead hit the floor with a 'dong' sound.

Although it was a wooden floor, Shi Nuannuan still frowned from the pain!

Damn it!

Enduring the pain from her forehead, she wanted to turn around, but the man was pressing down on her body. In addition to being a little fat, she could not move at all!

At this moment, the customers who were enjoying the noon time in the restaurant widened their eyes in shock and stood up to watch the scene.

Chapter 1287 was a familiar scene

"Boss!" Seeing the boss being bullied for the first time, several waiters ran over one after another and looked at this scene in astonishment!

"Boss!" Xiao Wen was about to step forward to help, but was glared back by the man.

Young waiters like them really didn't dare to provoke these powerful people.

However, when she saw the boss being bullied by a man, she was extremely worried!

When the other waiter saw this, he could not help but swallow his saliva. Then, he turned around and walked to the bar counter, quietly calling the police!

Just when everyone was extremely anxious about this, the man on Shi Nuannuan's body was suddenly lifted up by a mysterious force. In the next moment, his entire body flew out!

"Bang!"

This time, the man directly crashed into a coffee table not far from the door. In an instant, the glass table was smashed into pieces. A few pieces even pierced into the man's body, and he let out a blood-curdling scream like a pig being slaughtered!

"Ah!"

The man did not seem to know how he had flown out. This fall caused him to fall into a daze. When he raised his head to see what was going on, he saw a man filled with aura standing not far away.

Was he lifted up by that man and thrown away?

Damn it!

At the thought of this, the man was furious. Although his body was in pain, he could not swallow it down. He struggled to get up from the third place.

Xiang Yi turned around and helped Shi Nuannuan up from the ground.

Just as he helped her up, he looked up and saw a huge bump on her forehead.

His breathing stopped, and his heart felt as if it had been cut by a knife.

Shi Nuannuan had no idea who had helped her up. When she raised her head, she saw that familiar face that she had not seen for a long time. She could not help but be stunned.

The two of them looked at each other. Three years seemed as long as a few centuries.

In the next second, Shi Nuannuan noticed that the man who was sprinting from behind him had picked up a chair and was about to smash Xiang Yi's back.

She was so frightened that her eyes widened and she gasped!

Xiang Yi knew very well that if he dodged that man's attack at this moment, it would be nuannuan who would suffer directly!

Therefore, when the chair fell, he stretched out his arm and hugged the person in front of him. With a gorgeous spin, he easily dodged the man's attack.

The familiar scene, the familiar feeling, it was as if it was yesterday. Shi Nuannuan could not help but recall the first time she fell in love with him.

At that time, she was in her brother's villa, and he did the same thing with her in his arms.

When he did not achieve his goal, the man came back to his senses and realized that he had hit nothing, so he raised the chair in his hand again!

This scene shocked everyone in the coffee shop, but in the next moment, Xiang Yi turned his sharp eyes, raised his leg, and kicked the man away again!

With a bang, the man fell to the ground again and let out a heart-wrenching wail.

This kick probably broke two ribs in the man's chest!

Soon, the police arrived and asked what happened!

Shi Nuannuan didn't have time to say anything. After all, the man looked more like a victim now.

However, the waiters were very smart. When the police asked, they raised their hands and pointed at the man who was still lying on the ground and wailing in pain. They said in unison, "He's here to mess up!"

"Not only that, he almost bullied our shop owner. Fortunately, this gentleman saved him!"

Chapter 1288 is The Gentleman Who Saved You in the afternoon!

Hearing the waiter's words, the policeman looked at the man on the ground and then at Shi Nuannuan. Both of them were victims, but... This man seemed to be more seriously injured?

"Get Up!"The policeman pulled the man up from the ground. He looked like he was in pain. "Are they telling the truth?"

The man looked innocent. "I, this..."

It was true that he was the one who made the first move, but at this moment, he was clearly the one who was injured the most!

Seeing that he had nothing to say, the policeman seemed to understand. "Let's Go!"

"What are you doing! ? Do you know who I am? Let Go of me! Let me tell you, my father is..."

If the man was not so arrogant, perhaps the policeman would have been more polite to him. At this moment, his arrogant and despotic look made even the policeman unhappy!

So what if he was rich?

"Who is the owner of the shop?"

After the man was taken out, another police officer looked at the crowd and asked.

"Me."Shi Nuannuan stood up and only then did she push away the man who was hugging her.

"Please come with US and cooperate with us to make a statement."

"Okay."

After instructing the waiter, Shi Nuannuan left the cafe with the police officers.

Xiang Yi did not follow her as he watched her leave.

Xiao Wen only regained her senses after the police officers and the Boss had left. She looked at Xiang Yi and said, "Sir, thank you for saving our boss!"

Xiang Yi glanced at Xiao Wen Sheng but did not say anything. Instead, he nodded slightly in acknowledgment.

...

As the man who caused the trouble was seriously injured, Shi Nuannuan and the rest first went to the hospital before going to the Public Security Bureau.

"Is your forehead alright?"

In the interrogation room, the police officer looked at Shi Nuannuan, who was sitting opposite her, with a bump on her forehead and asked worriedly.

Shi nuannuan smiled and said, "It's alright, go ahead."

It was almost two o'clock. She hoped that she could finish her questioning earlier and return home. She still had to pack up her things and prepare to fly to Hawaii the next day.

Moreover, there was also a coffee shop. It was a mess at the moment and was waiting for her to go back and deal with it.

However, no matter how fast it was, after all the questioning, it was still late into the evening.

It was all the fault of that troublemaker. He kept making false statements, causing her to confront him until now and leave!

When she came out again, the sky had already darkened, and the last ray of Sunset in the West had been swallowed.

When she returned to the coffee shop, night had completely fallen.

She was still worried that she would have to work until very late to clean up everything and buy new tables and chairs the next day.

When she pushed the door open and entered, the tables and chairs that had been thrown into a mess had already been cleaned up, and they had all been replaced with new ones.

Shi Nuannuan could not help but feel a little surprised.

“Boss, you’re back!”

Seeing that she had returned, the waiter, Xiao Wen, walked over with a smile on her face, as if she was happy about something!

Shi Nuannuan turned her gaze and pointed at the newly bought tables and chairs with a hint of surprise. She looked at Xiao Wen and asked, “Um, what’s going on?”

Although it was not difficult to change the table and chair, with Xiao Wen and the others’abilities, they probably would not be able to buy the exact same table and chair in such a short period of time. Moreover, it was already installed.

When she was asked about this, the smile on Xiao Wen’s face became even more brilliant!

“It’s the gentleman who saved you in the afternoon! After you left, he called and someone immediately sent over the exact same table and chair. Moreover, it was all installed, and it’s exactly the same as before!”

Hearing this, Shi Nuannuan could not help but feel warm.

“Boss, is that gentleman your friend?”Xiao Wen asked curiously.

Chapter 1289 labor fees

Shi Nuannuan came back to her senses and glanced at Xiao Wen. Then, she said with a cold face, “No, I don’t know him!”

After saying that, she pretended to walk towards the lounge.

“But, boss, that gentleman left a note for You!”

Shi Nuannuan stopped and turned around a second later. She saw Xiao Wen holding a note in her hand and handing it to her.

She glanced at her and took the piece of paper hesitantly.

“What’s it for?”

Xiao Wen paused for a few seconds before saying, “That’s right. That gentleman said that we can forget about the cost of the renovation and the dining chair, but...” Xiao Wen raised her eyes and carefully looked at the expression on Shi Nuannuan’s face.

“But what?”

“But he said that he wants you to give him a service fee...”

Shi Nuannuan was stunned.

Service fee?

“What service fee?”

“UH, it should be the fee for him to help take care of everything in the afternoon! This is the address he left for you. He wants you to give this fee to him if you have time one day...” Xiao Wen pointed at the note in her hand, she said it very carefully.

Following what Xiao Wen said, she opened the note. Sure enough, there was a line of address written on it.

Hur!

Service fee? What a joke! ? She didn’t ask for his help again. It was his own wishful thinking, Alright! ?

She angrily crumpled the note into a ball and threw it into the trash can!

“Boss, you...” Xiao Wen was still a little stunned.

“I didn’t ask for his help! Meddling in other people’s business, who would give him service fee!”

With that, she walked to the lounge angrily!

When she reached the lounge, she became quiet.

It had been three years, and he finally came back with another woman..

It was 8:40 pm, and the coffee shop was going to close in less than an hour.

“You can all go back.” She wanted to go back earlier today to prepare the things needed for tomorrow’s trip.

And at this moment, there were no more customers in the shop.

Looking at the boss who walked out of the lounge, a few waiters started to pack their things and prepare to leave work.

“Boss, let’s go then!” After Xiao Wen changed her clothes, she said goodbye to Shi Nuannuan and turned around to leave.

In fact, she was a little puzzled. Usually, the boss would leave quite early. Why was she the last one today?

After all the waiters left, Shi Nuannuan picked up her bag and prepared to leave as well.

Just as she passed by the trash can, her footsteps stopped, and her left hand could not help but tighten.

She clearly did not want to go, but why did there seem to be a voice in her heart urging her to pick up the address..

She turned her head and her gaze finally landed on the trash can before walking over.

When she looked down, her eyes suddenly widened in shock!

Strange, where’s the stuff in the trash can! ?

Looking at the empty trash can, Shi Nuannuan was completely confused.

She paused for a second before remembering that before work, the trash can would be cleaned and tidied up.

That, that address..

She looked up and thought for a while. Then, she got up and locked the door of the coffee shop before she turned around and left.

After leaving, she did not drive home directly. Instead, she ran to a sanitation bucket not far from the road and looked for the bag of trash that had been cleaned up earlier.

She, who had always loved cleanliness, did not seem to realize at this moment that she was actually looking for something that was not very important from such a dirty trash pile.

Chapter 1290 YOU HAVE TO BE GOOD!

When she was searching, she was a little anxious. Not far away, in a luxurious sports car, that pair of eyes was staring at her quietly.

What exactly was she looking for?

“Damn it, where did i throw it...” Shi Nuannuan was a little anxious as she rummaged through the rubbish.

Finally, in a pile of rubbish, she saw the familiar rubbish bag that belonged to her coffee shop!

After picking it up, she couldn’t wait to open it and flip through it again. Finally, she saw the note that she had thrown away!

After opening the note and seeing the address on it, she was stunned.

She had clearly said that she wouldn't go, but what was she doing now? Playing hard to get?

She gritted her teeth and suddenly hated herself for being like this.

The next moment, she threw the note in again, feeling a little angry!

But after a while, she picked it up!

She told herself: it's not that I want to see him, I just don't want to owe others a favor! Yes, that's right!

She put the note in her palm, then turned around and left the sanitation bucket, walking towards her car.

Until her car disappeared without a trace, the man in the luxury sports car also drove away.

...

The next day.

Han Han always woke up very early in the morning.

Because she was going to Hawaii, Shi Nuannuan also woke up very early.

After breakfast, she sent Han Han to Shi Mansion.

"Han Han, be good. Mommy is going abroad and will be back the day after tomorrow!"

"Okay, Mommy Will Remember to bring me a present!"

Looking at her son's cute smile, Shi Nuannuan smiled very happily and patted his head. "Okay!"

Looking at the schedule, it was almost too late.

"Mommy is leaving!" After kissing her son's face again, Shi Nuannuan stood up and said to her mother and sister-in-law, "Mom, sister-in-law, sorry to trouble you!"

"It's okay, you should go quickly. Don't delay the flight."

"Okay!"

After replying, she was indeed about to be late, so she turned around and left.

When Shi Le came out of the dining room, he saw that she had come to open the back of the figure, his face a bit sad, the mood is also very heavy look.

At 12:00 noon, at the top office of the X · s group, there was a knock at the door.

"Come in."

After finishing the last document, Xiang Yi was also prepared to get up and leave.

When he raised his head, he saw Helian Manli walking in.

“Are you done?” Seeing that the man seemed to have finished his work, Helian Manli asked with a smile.

“Yes.” He answered softly, without too much emotion.

“Have you eaten?”

“Not yet.”

“Then, shall we?”

Xiang Yi pondered for a few seconds before saying, “Alright, I happen to have something to look for you.”

As he spoke, he picked up his coat and walked towards her, taking the elevator with her and leaving.

The two of them came to a French restaurant. Xiang Yi did not choose to eat in a private room. Instead, he found a seat in a private room on the second floor and sat down.

Helian Manli did not seem to care whether it was a private room or not.

During the meal, she raised her head and said, “What did you say you wanted to talk to me about?”

“It’s about the proposal you proposed last time. It was rejected.”

“... Why?” She was a little surprised. “Whose decision was it?”

“Mine.”

She was stunned.

After a long silence, she looked at him and said, “Why? Because the other party is the Cheng Group?”

He stared at her and met her black eyes. There was no warmth in his eyes, and even his voice was a little cold. “What if I Say Yes?”
