

Kiss Me 1341

Chapter 1341: the young master was taken away by someone

“You’re good!”The woman glared at her and was about to take the 500 yuan from her hand. However, at this moment, Shi Nuannuan warmed her hands and a few hundred yuan bills immediately flew to the ground.

The woman was stunned. With so many people, she was naturally too embarrassed to pick up the money again. She could only stomp her feet and leave!

Just like that, a problem was solved. In an instant, Shi Nuannuan was once again worshipped by the employees.

“Wow, Boss, you’re really amazing!”

“Well, even if you flatter me, I don’t have any red packets for you guys. Let’s Get to work!”

“Yes!”

With the problem solved, the few employees naturally began to work seriously.

In the morning, after the busy period, the business in the coffee shop gradually became less busy. Only occasionally, one or two people would come in to drink coffee.

“Welcome.”

Seeing a young lady walk in, Xiao Wen bent down and followed the figure with a smile on her face.

“What would you like to order?”

“Give me a cup of Blue Mountain.”

Shi Nuannuan, who was helping to wipe the coffee cup, couldn’t help but raise her head and stop what she was doing when she heard this familiar voice.

Then, she turned around and looked at the seat by the window. It was indeed Helian Manli.

Helian Manli seemed to have noticed her, and her expression was also stunned.

She looked at the coffee cup in her hand, but she didn’t wear a uniform. Could it be that this coffee shop was opened by her?

Just as the two of them looked at each other, Shi Nuannuan’s phone suddenly rang.

She put down the coffee cup in her hand, and her gaze returned from Helian Manli’s face to her phone. She saw that the call was from her apartment.

After frowning slightly, she picked up the phone. “Hello?”

“Miss, a gentleman came over just now.”

Sister Chen's voice sounded on the phone, but when Shi Nuannuan heard it, she immediately felt a trace of unease.

"Then..." sister Chen also seemed to be in a difficult position. "He picked up the young master."

"Didn't I tell you not to open the door for strange men!?" Shi Nuannuan felt warm!

Sister Chen felt a little wronged. "I, I didn't open the door, but I was preparing the young master's lunch at that time. As soon as I came out, the young master opened the door by himself, and..."

"What?"

"He kept calling that man 'daddy'." When the young master's Daddy suddenly appeared, she was stunned.

"Even so, you can't give Han Han to him!" Damn it, was he really trying to take away her son! ?

"I. . ." Sister Chen didn't know what to say on the phone. That man had a strong aura, but the young master insisted on following him. She couldn't stop him even if she wanted to. Moreover, that man said that as long as she told her.., that young master was taken away by him, she didn't need to worry anymore.

As soon as the two of them left, she immediately called her.

However, at that moment, Shi Nuannuan could not wait to hang up the phone and ran out of the coffee shop!

As she ran back to the apartment, she only saw sister Chen, who was panicking in the living room.

Seeing that she had returned, sister Chen handed her a note.

"That gentleman left it behind."

After taking the note, Shi Nuannuan lowered her eyebrows. When she saw it, she was stunned.

There was an address written on the note, and that address was very familiar to Shi Nuannuan.

"That gentleman said that if you want to find the young master, you should go to this place," sister Chen said softly. She did not know where the young master was taken to and if anything would happen to him?

Chapter 1342: we will be together

Looking at the address in her hand, Shi Nuannuan felt warm for a long time.

Sister Chen was still a little worried. "Miss, is the young master alright? Who is that gentleman?"

Ever since she came to work here, she had never met the young master's father. Although she got along well with Shi Nuannuan, as a servant, she did not dare to ask about these things.

It had been three years. Ever since she was pregnant and moved into this apartment, she had never met Hanhan's father.

Shi Nuannuan came back to her senses and glanced at sister Chen. Her expression was a little gloomy.

“It’s okay, don’t worry.”

After saying that, she grabbed the note and left the house.

At the same time, on the other side.

On the sofa in the living room, the little guy was sitting in an imitation Porsche toy car. He was having a lot of fun in the living room!

Everything here was the same as three years ago, untouched.

In front of the window, Xiang Yi walked to the sofa after taking a phone call. He stood there quietly, looking at his son who was playing in a daze.

It had been three years, and a magical little life had appeared in his life just like that. It caught him off guard, but it was also full of wonder and surprise.

Xiang Jinghan was tired from playing, and he finally stopped playing. He looked up at Xiang Yi who was standing there and waved at him. “Daddy!”

He walked over, and the corners of his lips could not help but curve up. He picked up his son in the car, and his voice was full of love and affection for him. “Tired?”

“Yes, and hungry!”

It was already noon, and he was indeed hungry.

“Then let’s wait for Mommy to come over and have dinner together.” He carried his son and walked towards the sofa.

When the little guy heard this, he could not help but immediately turn his handsome face to look at Xiang Yi. “Mommy Will Come Too?”

“Of course.” He smiled warmly.

The little guy was very happy. Suddenly, he seemed to have remembered something and looked up at him sullenly. “Daddy.”

“What’s Wrong?” Xiang Yi frowned in surprise when he saw Xiang Jinghan’s unhappy look.

“I want to be with Daddy and Mommy...”

Xiang Yi raised his eyebrows slightly. “We will be together.”

“But...” Xiang Jinghan raised his head and pursed his lips. “But Mommy said that if you have Daddy, you can’t have Mommy... If you have Mommy, you can’t Have Daddy.”

As he said this, the little guy lowered his head unhappily. He didn’t understand why the two couldn’t coexist.

Xiang Yi was slightly startled when he heard this, and there was a pensive look between his brows.

After a long while, he curled his lips and smiled lightly. He carried his son to his lap. "Believe in Daddy. He will definitely let the two coexist."

Xiang Jinghan raised his head abruptly. "Really?"

"Of course." He smiled lightly. He suddenly thought of something and stared at his son's little face. "But I need your cooperation."

Suddenly, there seemed to be a layer of secrets between father and son, and the little guy was very excited.

"As long as I can be with Daddy and Mommy, I promise to complete the mission!"

"Great, that's Great!"

"Then what should I do?" Xiang Jinghan asked.

"That is, when your mommy says 'No', you must say 'Yes'," he urged his son.

The little guy tilted his head and thought for a while before saying, "Okay! What else?"

"Also, think of a way... to let the three of us stay together often."

"Then what should I do?" Because he lived at home, his daddy was not around, and he slept with his mommy at night. How could he let his Daddy and Mommy Stay Together?

Got It!

Chapter 1343: His name followed his father's surname

"Daddy, can you move in with Mommy and Me?"

Xiang Yi glanced at his son and smiled. "I will, but... I can't right now."

"Why?"

"Because Mommy is still angry with me."

"Why would mommy be angry with Daddy?" The little guy tilted his head and asked seriously.

"Because..." looking at the innocent face in front of him, Xiang Yi was silent for a while before he said, "Daddy didn't take good care of you and Mommy, so she got angry."

"Oh! So that's how it is!"

"Then are you willing to help me?" He held his son in his arms, and for the first time, the father and son established their little secret!

"I'm willing! As long as I'm not separated from Daddy and Mommy, I will definitely help daddy!" The little guy patted his chest and promised confidently!

"That's good. This is an agreement between US men, so we can't tell your Mommy."

“OK!”Xiang Jinghan smiled brightly and couldn’t help but make an OK gesture. He really liked this agreement between men.

The father and son got along well and chatted happily.

At this time, the doorbell rang.

“Is mommy coming? !”

“I think so.”

“I’ll go open the door!”The Little Guy was about to slide down the sofa to open the door, but Xiang Yi pulled him back.

After pulling his son back, Xiang Yi made a shushing gesture to him. “We won’t open the door. Let’s see if she can come in.”

Xiang Jinghan’s eyes lit up as he listened, as if he was playing a game. He said excitedly, “Okay!”

Outside the door, Shi Nuannuan rang the doorbell several times, but no one came to open the door.

She frowned slightly, and then looked down at the address in her hand.

It had been three years, and she had never come to this apartment again.

When no one came to open the door, Shi Nuannuan couldn’t help but raise her hand and press it again.

Ding Dong!

After waiting for half a minute, there was still no movement.

Strange, she was clearly talking about this place.

“Xiang Jinghan!”She simply raised her hand and knocked on the wooden door, shouting her son’s name inside.

In the living room, her voice could be vaguely heard, but it was very small.

“It’s really Mommy!”Hearing her voice, the little guy was very excited!

“Let’s not make a sound.”

“Yes!”

“Xiang Jinghan, are you inside! ?”Shi Nuannuan couldn’t help but shout again, because she wasn’t sure if there was anyone inside.

Because it had already been three years.

As if he suddenly remembered something, Xiang Jinghan raised his head and looked at his daddy in front of him. “Daddy, is Xiang Jinghan my name?”

“Yes.”The corners of his lips curved up slightly. He liked the name of his son very much.

Three years ago, she mistakenly thought that he was going to marry Helian Manli. How did she spend that period of time?

He was very glad that she let Xiang Jinghan come to this world safely. He was very glad that the mother and son were safe for the past three years.

Even though she was angry, hateful, and sorrowful, she still gave birth to his son. She didn't even change his surname.

"Then my surname is Xiang, right?" Xiang Jinghan raised his head and recalled the last time he asked what his surname was.

At that time, he didn't know that he had another name, Xiang Jinghan, and 'Xiang' was his surname.

It turned out that he also had a surname and a daddy, just like other children.

"Of course, because Daddy also has a surname, Xiang."

"I like this surname!"

His lips curled up, and his eyes were filled with the doting and love for his son.

Outside, Shi Nuannuan was still puzzled and wanted to leave, but she could not rest assured about her son!

Chapter 1344: password has been changed

Damn it, what is the meaning of this! ?

Using her son to threaten her to come here, but not opening the door for her! ?

The more she thought about it, the angrier Shi Nuannuan became. She could not help but raise her foot and kick the door fiercely in a fit of pique!

"AH..."

The door did not move, but her foot hurt from the kick. She could not help but bend down and lift her foot to rub it.

Out of the corner of her eye, she suddenly caught a glimpse of the password lock on the wall and stopped in her tracks.

Three years had passed. Could the password of this lock have been changed?

As she thought about it, she had already walked over and slowly raised her hand to enter the password: 6073.

The password was wrong.

Seeing the notification on the wall, Shi Nuannuan's heart also skipped a beat, feeling a little disappointed.

Everything had really changed.

In the living room, Xiang Yi could not wait for her to enter. He could not help but look down at his son. "Looks like mommy won't be able to enter."

"Then I'll help Mommy Open the door!"

The little guy could not wait to get off the sofa and rush to the door. He tiptoed to reach the doorknob.

Just as Shi Nuannuan was about to leave, she heard the sound of the door opening behind her, so she turned around.

Perhaps subconsciously, she thought that he would be the one to open the door, but when she turned around, she did not see anyone.

"Mommy!"

It was not until her son's voice rang out that she lowered her gaze and saw Xiang Jinghan standing in front of her.

"Hanhan."

"Mommy, come in!"

Before Shi Nuannuan could regain her senses, she was pulled into the house by her son.

When she regained her senses and wanted to leave, she was already standing in the living room.

When she looked up, she saw a figure not far away standing on the sofa, quietly watching her.

When she saw him, the image of him and Helian Manli strolling under the night sky suddenly flashed in Shi Nuannuan's mind. There was also the image of the two of them hugging each other, and they even entered the hotel together!

Was she afraid that others would not know how much they loved each other? They carried her into the hotel on the street just like that!

The more she thought about it, the more upset she felt. She pulled her son up. "Hanhan, let's go home!"

"But Mommy, I'm hungry. I want to Eat!" Xiang Jinghan turned his head and pointed at the delicious food that had been placed on the dining table. His saliva was almost dripping out.

Shi Nuannuan looked in the direction he pointed to and then looked at her son. "Let's go home and eat. We won't Eat Here!"

After saying that, she pulled her son and turned to walk towards the door.

Xiang Jinghan suddenly recalled what his father had said.

When Mommy said 'No', he had to say 'yes'!

"Mommy, I want to eat... I'm hungry now, so hungry, so hungry, so hungry!"

Shi Nuannuan turned her head and saw that her son was extremely reluctant to leave this place.

“Hanhan, Mommy will take you to eat your favorite chicken steak rice, okay?” She coaxed him gently, hoping that she and her son could leave this place as soon as possible.

However, Xiang Jinghan shook his head. “En... I want to eat with Daddy and Mommy.”

“How many times have I told you that he’s not your daddy!”

“Then why is my surname ‘Xiang’?” The little guy asked seriously.

Shi Nuannuan: “...”

“I’ll explain this to you in the future.”

“Mommy... just stay and eat with me. I’m really hungry, I’m starving to death! I’m so hungry that my stomach hurts...” as he said that, the little guy deliberately raised his hand to cover his stomach, and his entire body bent down, as if he was really hungry to the point of his stomach hurting.

Shi Nuannuan and Nuannuan were a little frightened by his tight-fitting clothes.

Chapter 1345: was written in black and white?

“Han Han, you –”

Just as she was about to bend down to ask, her son was suddenly carried away. When she looked up again, she saw the back of the man who was carrying her son to the dining table.

After carrying her son over, Xiang Yi asked him to sit on his lap. Then, he looked at the pile of food in front of him and asked, “What do you want to Eat?”

“This!” He asked the guy to pick up a fork and pointed at a plate of cola chicken wings not far away.

He smiled, picked up a pair of chopsticks and picked up a piece for him to put in the bowl in front of him.

The living room was connected to the dining room. At this moment, Shi Nuannuan was just standing there in a daze, looking at the scene not far away in a daze.

The expression on his face was so gentle and doting.

“Mommy, come here quickly!”

Xiang Jinghan looked up and saw that she was still standing there. He couldn’t help but wave at her.

Delicacies had always been Shi Nuannuan’s favorite, but at this moment, she had no interest in the table full of mouthwatering delicacies.

Looking at her son from afar, she only said softly, “I’m not hungry.”

“Mommy...”

Looking at her son’s pleading expression, Shi Nuannuan’s heart instantly melted.

However, she was unable to convince herself to eat lunch here.

On what basis?

“For the past three years, this is how you’ve taken care of my son?”

“What?” Looking at the man who suddenly spoke, Shi Nuannuan furrowed her brows in confusion.

“He’s been hungry since just now, but he’s only willing to eat after you’ve come. Now that you’re not eating, he’s not eating either. So, are you planning to let him Starve Forever?”

“...”she was stunned.

Why was her son, whom she had worked so hard to raise, now sitting in his arms?

“Firstly, he’s not your son. Secondly, how I want to take care of my son is my business!”

“It’s so clear in black and white. You Can’t deny it even if you want to.”

“What’s in black and white? Your stuff can only prove the date of my son’s birth. How can it prove that he’s your son? Maybe...”she seemed to have thought of something, but she hesitated.

“Maybe what?”He pressed on.

She raised her eyes and looked straight at him. After a while, she gathered her courage and turned her head away. “He is indeed two and a half years old, but this doesn’t prove that you are his father. You are a man. You should understand this principle, right?”

Yes, even if Xiang Jinghan was two years old and seven months old, what did this mean?

Hearing her provocative words, Xiang Yi, who was at the dining table, narrowed his eyes slightly.

The meaning of her words could not be more obvious.

“Eat here obediently. Daddy and Mommy will accompany you in a while.”He picked up his son on his lap and stood on the chair. He then stood up and left the dining table, walking in the direction where Shi Nuannuan was standing.

Looking at the man who suddenly walked towards her, Shi Nuannuan’s heart suddenly became chaotic. The scene of him treating her in the office flashed in her mind.

It had been three years since they last met, and he had really changed a lot. He would just..

Could it be that there were some cameras installed here too?

Thinking of this, she could not help but look around, wanting to see if there were also pinhole cameras installed in this house.

In this split second, the man had already arrived in front of her.

She was stunned and took a step back consciously.

“Baby, I need to do something with your mommy now. You have a good meal and don’t leave that seat. This is the agreement between US men.”

Looking at his father who suddenly turned around, Xiang Jinghan raised his hand and made an OK gesture.

Chapter 1346: didn't just have sex with you..

Shi Nuannuan was still in a daze.

An agreement between men? When did they get along so well?

"Come here!"

She was still deep in thought when he suddenly pulled her hand and walked towards the bedroom!

"What are you doing! ? Let... Let Go of me!"The moment he approached her, she began to feel uneasy and tried hard to pull her hand away from his grip.

However, the man did not seem to hear what she said. He just kept walking towards the bedroom!

Perhaps Shi Nuannuan was a little angry, she suddenly raised her hand behind him and threw a punch!

Meanwhile, Xiang Yi's ears were sensitive. Before his fist could get close, he easily dodged it. He took advantage of the opportunity to catch her fist. Then, with a gorgeous turn, he pushed her against the bedroom door frame!

Her hands were tightly bound by him, and she could not pull them away at all!

"Xiang Yi! ! !"

She was so angry that she glared at him, and her clear eyes were burning with anger!

His clear eyes were locked on her. How long had it been since he had seen her go crazy from anger?

"What do you mean by what you said just now?"

His face was very close to her, and a balanced breath blew into her face, filling her with a scent that belonged solely to him.

Shi Nuannuan was still struggling, but her weak kung fu could only be considered a small trick in front of him.

"Let go -"

"You still haven't answered my question."

She raised her eyes and met his dark eyes that were as deep as ink.

"What do you mean? You're a man, how can you not understand?"

"I don't understand."

He just wanted to see if she would really be able to say those words.

Shi Nuannuan was a straightforward person. When she was anxious and angry, she could really say anything!

“Xiang Jinghan is indeed two and a half years old! But how do you know that three years ago, I only had sex with you? Let me tell you, at that time, I was actually still with other men — HMM —”

The last few words were swallowed by his kiss. Shi Nuannuan widened her eyes, and that familiar softness came from her lips again.

He asked crazily and impudently, and with a sense of punishment, he pushed her against the door frame tyrannically. The sharp tip of his tongue gently pried open her pearly teeth, reached into her mouth, and sucked hard.

“Ugh...”she struggled desperately, but her hands were controlled by him, and she couldn’t struggle at all!

For some reason, feeling his familiar kiss, everything seemed to return to three years ago.

Her struggling movements gradually became quiet.

She hated this man in front of her for more than three years, and at the same time, she loved him for more than three years..

But now, he no longer belonged to her. No matter how much she loved him, everything would not return to three years ago.

She closed her eyes, and her heart felt as if it had been stabbed by a knife. A clear tear flowed down and seeped into his mouth, filled with a salty and bitter taste.

He stopped moving, and he also felt that she had suddenly become quiet in his arms.

He let go of her, but he saw the tears that were welling up in her eyes.

His heart had been stabbed ruthlessly, causing him to throb in pain.

His hand gradually let go of her, but she did not struggle anymore, nor did she seem to think of escaping. She just quietly leaned against the door frame, and her eyelids drooped slightly, allowing the tears to continue flowing down, it made his heart ache.

After looking at her for a while, he finally could not help but pull her into his arms. He closed his eyes and felt her heartache. His low and hoarse voice rang in her ear, “I’m sorry.”

Chapter 1347: Xiang Jinghan’s injury (1)

She was stunned. Finally, there was a trace of fluctuation on her calm face.

“The marriage is fake. I never thought of marrying Helian Manli, not from the beginning.”

Her slightly lowered eyelids suddenly lifted, and a bean-sized tear rolled down.

The marriage was fake?

“I’m sorry. Three years ago, it was me who didn’t investigate the matter clearly and misunderstood you.”

She pushed him away and looked at his face with tears in her eyes. “What do you mean?”

This matter was really a long story.

But if she didn’t explain, this knot would always exist between the two of them.

“I’ve never thought of marrying Helian Manli. Those are just rumors.”

She was stunned.

Everything was just rumors? How could it be? He was clearly hugging her and making out with her last night. He even carried her into the hotel. Did he think that she didn’t know?

This man, why did he become so full of lies now?

She glanced at him without any emotions and also stopped crying that she didn’t think was worth it!

“Does your fiancée know that you said that?” Her tone was a little sarcastic.

He knew that she still didn’t want to believe him.

“I’ve said it before, she’s not a fiancée.”

“Hehe! Last Night, we were hugging and hugging, but today, she’s a stranger? Is it possible that when we get to her place, she’s going to change her story again?”

Hearing this, Xiang Yi furrowed his brows slightly.

“What hugging and hugging?”

He did not remember the scene in front of the hotel last night for a moment because her words were too sudden, making him a little confused.

“Ha!” She sneered. She felt that the man was lying without any preparation.

What was the saying? If a man’s words were credible, a sow could climb up a tree!

She did not bother to explain his confusion. After all, he wanted to pretend to be innocent. No matter what she said, he would just refuse to admit it.

Moreover, who he was with now had nothing to do with her!

She turned around and was about to leave.

However, her footsteps froze.

He previously said that he had misunderstood her three years ago because she had not investigated it clearly?

What exactly did he mean by this?

What did he mean by misunderstanding her?

Three years ago, he was clearly the one who had abandoned her like a shoo-in and chose to stand with Helian Manli.

She turned around and suddenly looked at him again, because she wanted to know if something had really happened three years ago that she did not know about.

“What misunderstanding did you say just now? What do you mean exactly?”

As soon as she finished speaking, a rumbling sound suddenly sounded. She paused and suddenly felt extremely embarrassed.

Speaking of which, she had actually been hungry a long time ago, but she just could not bring herself to eat here.

Hearing the sudden sound of hunger, his long and narrow eyes lowered slightly. He glanced at her stomach and said softly, “Let’s eat first.”

“I don’t want to eat.” If she wanted to eat, she had to eat outside!

“You really don’t want to eat?”

He remembered that in the past, she had no resistance to food at all.

“I don’t want to Eat!” One should have principles!

“Bang –”

“Plop!”

While the two were talking, a loud sound came from the dining room, as if the plates were broken and something fell to the ground.

Hearing the sound, the two of them turned their eyes away. Before they could recover, they heard Xiang Jinghan’s heart-wrenching cry in the next moment! Wen Sheng’s voice came from the dining room!

“Wah... Mommy...”

Hearing the cry coming from the dining room, Shi Nuannuan felt her heart skip a beat. She rushed into the dining room.

As soon as she entered, she saw Xiang Jinghan on the ground!

Chapter 1348: Xiang Jinghan was injured (2)

“Hanhan!” Seeing her son fall to the ground, the tears that she had just collected came out of her eyes again and rushed to her son’s side.

“Mommy, it hurts...”

Because he wanted to eat the drumstick, but he was too far away, he tried hard to reach it, but he missed it and fell straight down from the chair.

“Hanhan... Where does it hurt? Quick, tell Mommy where it hurts...”perhaps because she was anxious, Shi Nuannuan was at a loss, and she even forgot to pick up her son on the ground.

She didn’t know how to lower her hands.

Xiang Yi walked over, picked up his son on the ground, and walked to the sofa in the living room.

His heart was anxious and uneasy. “Tell me, where does it hurt?”

Xiang Jinghan couldn’t stop crying. He raised his arm and then pulled the sleeve on his arm. “It hurts...”

Shi Nuannuan lowered her eyes and only then did she notice that her son’s arm had been cut. Her heart was hurt badly.

“Hanhan...”

“Go get the first aid kit. It’s on the shelf over there!”Xiang Yi raised his head and said to Shi Nuannuan, who was in a daze.

Shi Nuannuan immediately looked in the direction that Xiang Yi’s gaze was pointing at. She then quickly ran over and took the first aid kit from the shelf!

“It must have been cut by a piece of glass. Grab him.”He raised his eyes and stared at her because he wanted to treat his wound.

He was very experienced with small cuts like this.

When he was with Shi Yuting, he often suffered minor injuries. It was impossible for him to go to the hospital every time he was injured. Therefore, he learned some experience from Zhong Shenghao so that it would be convenient for him to treat his small wound.

“It hurts... Mommy, it hurts...”

Looking at her son who was still sobbing, Shi Nuannuan’s heart was broken.

She reached out and grabbed his arm. Just as Xiang Yi took out the disinfectant tool, she suddenly spoke.

“Wait!”

Xiang Yi raised his head, not knowing what she was going to do.

Shi Nuannuan released her hand and looked around, looking for her bag.

Her gaze swept across the fashionable handbag that had fallen to the ground. It should have fallen to the ground when she fought with him earlier.

She rushed over and picked up the bag. Then, she hurriedly took something out from the bag before putting it down.

“Hanhan, eat this and it won’t hurt!”She said as she peeled the candy in her hand.

Looking at the candy in her hand, it was nothing more than an ordinary candy. How could it stop the pain?

“What can this do?”

Hearing his words, Shi Nuannuan was about to stuff the candy into her son’s mouth when she suddenly stopped.

The words that Mo Mo said to her last time immediately appeared in her mind.

This candy didn’t stop the pain at all. Every time, Han Han had to endure it by himself.

She glanced at her son and didn’t pass the candy to him for a long time.

“Han Han, you’ve been in pain all this time, right?”

Xiang Jinghan glanced at her and sobbed without saying a word.

“How long do you want to stay in a daze like this?”Xiang Yi couldn’t help but ask, reminding her that if she didn’t treat her son’s wound, it would only make him feel pain for a long time.

Only then did Shi Nuannuan return to her senses and look at him.

“Grab him.”

Shi Nuannuan threw away the candy and turned to grab her son’s arm so that he could treat Xiang Jinghan’s wound.

It might hurt even more when he had to treat Xiang Jinghan’s wound. Xiang Yi looked at Xiang Jinghan with his deep black eyes and said softly, “We are men. We have to endure this bit of pain. In the future, there might be more pain waiting for you than this. If you can’t endure it, you can’t become a real man, understand?”

Chapter 1349: Xiang Jinghan’s injury (3)

The little guy glanced at him. For some reason, he felt that what his father said was very handsome, and he had to become a man!

“Yes!”After nodding, Xiang Jinghan’s sobbing gradually calmed down, and his big eyes stared at his own wound.

Shi Nuannuan, who was holding her arm, looked at her son’s expression and then looked up at the man in front of her. She saw that he was treating her son’s wound with a serious look, and every movement was so gentle.

From time to time, he would gently blow at the wound as if he was afraid that he would feel pain.

After more than ten minutes, the wound was completely treated.

Xiang Yi looked up and glanced at his son. “Does it still hurt?”

Xiang Jinghan was silent for two seconds before he said, “No.”

Actually, it still hurt a little, but it seemed that if he said it hurt, he wouldn’t be a man anymore!

Therefore, he endured it and said the word 'no'.

Xiang Yi curled his lips slightly, but he didn't say anything else. Instead, he raised his hand and touched the top of his son's head. His eyes were filled with endless love.

The little guy suddenly turned his head and looked at Shi Nuannuan. "Mommy."

"HMM?"

"I want to eat chicken legs!"

Shi Nuannuan was startled. "Then let's go buy them now."

Xiang Jinghan shook his head. "HMM... you don't have to buy them. Daddy has them at home!"

As he said that, he stretched out his leg and slid down from the sofa. Then, he jogged to the dining room.

Worried that he would fall again, Shi Nuannuan quickly followed, and Xiang Yi naturally followed closely behind.

When he came to the dining table, the little guy pointed at a plate of fried chicken drumsticks on the table. "It's Here! I wanted to eat this before, but I couldn't reach it, so I fell off the chair."

When he fell, the bowl rolled with him and cut his little arm.

Looking at her son's little hand, Shi Nuannuan walked over.

"Mommy, I want to eat this..."

She squatted down, picked up her son, and sat down at the dining table.

In fact, all this time, as long as it was what her son wanted, she would satisfy him one by one, because she only wanted to give him the best to make up for what he lacked.

She picked up her chopsticks, picked up a drumstick, and placed it in another bowl.

"Wait a moment, mommy will wash her hands first."

As she said this, she placed her son on the chair. Afraid that he would fall again, she did not forget to remind him, "Sit tight, mommy will come in a moment."

After saying this, she stood up and left the dining table, walking into the kitchen with familiarity.

Xiang Yi took a glance at her back, then turned around, his gaze landing on the broken bowl pieces.

When Shi Nuannuan came out again, she saw that he was holding a cleaning tool to deal with the glass pieces when he suddenly stopped in his tracks.

This scene seemed to be a little out of place with the current him.

Who would have thought that as the CEO, he would be at home with a cleaning tool to clean up the glass pieces?

Looking at his actions, the image of him cooking for her three years ago suddenly appeared in Shi Nuannuan's mind.

As she thought about it, the corner of her mouth unconsciously curved up slightly.

Xiang Jinghan looked at her and then looked at his father who was cleaning up the broken glass. Suddenly, he said, "Mommy, what are you laughing at?"

It was not until her son's voice sounded that Shi Nuannuan suddenly came back to her senses. The smile on the corner of her mouth quickly disappeared and was replaced by a little surprise.

Did she just smile?

When he heard his son's voice, Xiang Yi also lifted his head and glanced at Wen Sheng and his mother.

Chapter 1350: if you don't eat, Daddy won't eat

She met his eyes and turned her face away, thinking about the dining table. Then, she sat down.

"Eat!"

She picked off the meat on the drumstick bit by bit and put it into his bowl, so that it would be convenient for him to eat.

Because of the injury on his arm, if it was usual, he would just take a drumstick and eat it.

After cleaning up the pieces, Xiang Yi sat down opposite the mother and son.

"Mommy, aren't you and Daddy going to eat?"

Seeing that the two adults were not eating, the little guy blinked his big eyes and could not help but ask.

His son's voice made both of them pause.

In order to give herself an excuse, Shi Nuannuan casually said, "The dishes are cold. Mommy doesn't want to eat."

Unexpectedly, as soon as she finished speaking, the man opposite her suddenly stood up. "I'll go heat them up."

With that, he picked up the two plates of dishes on the table and walked to the kitchen.

Looking at his back as he walked into the kitchen, Shi Nuannuan was a little stunned.

She only said that to find an excuse..

Listening to the sounds of hot dishes coming from the kitchen, Shi Nuannuan's thoughts flew back to three years ago.

"Mommy, you're smiling again..."

Noticing the smile on the corner of her mouth, Xiang Jinghan couldn't help but open his mouth again.

Shi Nuannuan looked down at her son, then stuffed a piece of chicken leg into his mouth. "Eat, you talk so much!"

The little guy pouted and happily chewed the meat in his mouth.

After a while, the dishes were ready. Xiang Yi even scooped a bowl of rice for her and placed it in front of her.

Looking at the bowl of white rice, she did not speak for a long time.

She looked up at the man opposite her. He was clearly the one who had done something wrong, but she was the one who avoided his gaze every time. It was as if she was the one who was wrong. Why?

She secretly bit her lower lip and looked at the food in front of her. She was indeed hungry.

"Mommy, eat..."the little guy urged.

"I'm not hungry."He was stubborn.

"But if you don't eat, Daddy won't eat either!"The little guy pouted.

Shi Nuannuan turned her head and glanced at the man opposite her. He really didn't eat.

This little guy had been with her for three years. Now, he only knew his father for a few days, and he was so concerned about his food?

"I didn't ask him not to eat!"She glanced at him from the corner of her eyes.

"But if you don't eat, Daddy doesn't dare to eat..."Xiang Jinghan couldn't help but speak again. He remembered what his Daddy said. When Mommy said 'No', he had to say 'yes'!

Hearing this, Shi Nuannuan looked at the man in front of her again.

What did he want?

"Mommy, hurry up and eat. Don't delay my meal!"

She frowned. who was this little thing helping?

But..

Was it really because she didn't eat that he didn't move his chopsticks?

Thinking of this, she suddenly picked up the bowl and chopsticks.

Just as she picked it up, the man opposite her also picked it up.

She paused, looked up at him, and then went to pick up the food. He followed suit.

She wanted to speak, but she seemed to disdain talking to him.

The food in her mouth tasted the same as it did three years ago.

On closer inspection, it seemed that there was no ginger in every dish, because she didn't like it.

The lunch didn't end until two o'clock.

Shi Nuannuan didn't know how the meal ended. It wasn't until Xiang Jinghan fell asleep that she carried him to the living room and put him on the sofa.

"Put him on the bed."
