

Kiss Me 1351

Chapter 1351: fell asleep unknowingly

Although the sofa was soft, it was not a place to sleep. He walked over and could not help but open his mouth.

However, she did not even raise her head and rejected him. There was a hint of indifference in her voice. "There's no need. We'll go back when he wakes up."

"I have something to tell you. We'll disturb him if he sleeps here."

Hearing this, Shi Nuannuan could not help but raise her head and look at him.

He had already bent down, picked up his son from the sofa, and walked towards the bedroom.

She did not follow him. Instead, she sat on the sofa and quietly watched his back as he walked over.

After placing his son on the bed and covering himself with a thin blanket, Xiang Yi walked out again.

Without his son's presence, the atmosphere in the living room seemed to have become even more oppressive, making her feel a little uncomfortable.

He walked towards the sofa, but for some reason, she felt a little nervous.

In order to break the tension, she took the initiative to speak.

"What misunderstanding did you say earlier?"

He walked over and stood in front of her. Just as he was about to speak, his phone rang.

His words were stuck in his throat. He took out his phone and realized that it was the secretary calling.

"Hello?"

The other party did not know what to say, but he could see that his flat brows were knitted tighter and tighter. "What's going on?"

"..."

"I'll be there right away."

After hanging up the phone, he glanced at the person on the sofa, and his furrowed brows gradually relaxed. "I have something that I have to take care of. You... stay here for now."

She glanced at him and suddenly said, "If I don't stay here obediently, are you going to use that video as a threat again?"

He was stunned. He knew that she was very angry about this matter.

"I won't."

She raised her head in surprise and looked at him.

He seemed to really have something urgent waiting for him to deal with. "If you really don't want to stay here, wait for your son to wake up before you leave."

After saying that, he had already turned around and left.

However, after taking a few steps, he suddenly turned around. "The password is 0618."

As soon as she finished speaking, he had already disappeared at the door.

Shi Nuannuan was still in a daze.

0618?

What a familiar number.

That's not right. Isn't this her birthday?

Password? What password?

Looking at the direction of the door, she did not have the heart to twist it lightly.

After he left, the entire house seemed a little too empty and quiet. She stood up and walked over to the bedroom while thinking about it.

The furnishings inside were still the same as three years ago.

Looking at the big bed, other than the change in the color of the sheets and quilt, nothing else had changed.

She walked to the bedside and looked at her son's sleeping face. Perhaps she was tired, but leaning against the head of the bed, she also fell asleep unconsciously.

At 5:10 pm, the Sun was setting outside the window, and the sky was gradually turning dark.

After dealing with the emergency at the company, Xiang Yi returned to the apartment. As soon as he entered, he saw that the living room was empty.

His heart suddenly felt empty, thinking that she had left.

The next second, his line of sight noticed the fashionable purse on the coffee table, and his sexy thin lips could not help but curve up slightly.

When he arrived at the bedroom door, he gently turned the doorknob and pushed the door open. From afar, he saw the mother and son sleeping on the bed.

Even though his footsteps were very light, he still woke her up from her deep sleep.

Shi Nuannuan's eyes widened slightly when she heard the movement. When she saw him standing there quietly, she could not help but be startled. She was clearly a little surprised.

Strange, when did she fall asleep?

When she woke up, she seemed to be a little confused. She looked left and right.

Then she looked down and saw the quilt that was covered. She actually unconsciously lay down on the bed?

Chapter 1352: Otherwise, I won't go back!

"Did I Wake You Up?" He asked softly as he glanced at her on the bed.

Wen Sheng lifted her head and glanced at him before getting off the bed.

"No."

When she got off the bed, she saw that her son was still sleeping soundly. Usually, he would only sleep for two hours before waking up. Why was it taking him so long today?

She raised her hand and looked at the time on her wrist. It was already past five in the afternoon, and it was gradually getting dark outside the window.

Just as he was thinking, the little guy on the bed woke up and rubbed his eyes.

Seeing that her son had woken up, Shi Nuannuan couldn't help but smile. "Hanhan?"

"Mommy..." Xiang Jinghan was still a little hazy. He raised his head to look at the two people standing by the bed. "Daddy."

He called them 'Daddy' one after another, and it seemed to be very smooth.

"Hanhan, let's go home, okay?" Shi Nuannuan sat down and picked up her son. She checked his wounds and put on his shoes for him.

Xiang Jinghan didn't say anything. He sat in her arms and looked up at Xiang Yi. "Will Daddy come to our house too?"

Shi Nuannuan paused as she put on her shoes. The light in her eyes squirmed, but she didn't look up in the end. Instead, she continued to put on another shoe for her son.

"Daddy doesn't have time. He has something to do!"

After putting on her shoes, Shi Nuannuan was about to put her son down on the ground, but she suddenly realized something and was stunned.

Unknowingly, she had tacitly admitted that he was her son's daddy..

"Daddy, Really?" The little guy raised his head and asked Xiang Yi.

Xiang Yi curved his lips slightly. "Yes, but I can send you back!"

"Yes!" Xiang Jinghan was so happy that he raised his hands and cheered!

However, the next second, Shi Nuannuan's words were like a basin of ice-cold water. "No need, I have my own car."

The smiles on the father and son's faces froze.

After Shi Nuannuan finished speaking, she had already pulled her son out of the bedroom and went to the living room to pick up her bag.

Xiang Jinghan was a little unhappy. He looked up at her. "Mommy, I Want Daddy to send US HOME!"

She lowered her head and looked at her son's pretty face. Her face suddenly darkened.

"Why? Don't you want to be with Mommy?"

The Little Guy was silent for two seconds. He looked a little wronged. "No, I just —"

"Then let's Go!"

She pulled her son and walked towards the door.

She really couldn't understand it. However, they had only been together for a short period of time, and her son had already begun to stick to him. Could this be the nature of a father and son?

She opened the door and stepped out, only to see the little figure behind her suddenly stop moving. She couldn't even pull him away.

She turned around and narrowed her eyes. She saw her son's other hand leaning on the door frame, unwilling to step out.

"What are you doing?"

"I Want Daddy to send me off, or else I won't go back!"

He wanted to create more opportunities for his daddy and Mommy to spend time together, and of course, himself!

In this way, they could live together very soon!

"Xiang Jinghan!"

"..."the little guy didn't say anything, his pair of big clear eyes flickering.

Actually, he was still a little scared when his mommy lost her temper!

In the next moment, his vigorous little body was picked up by someone, and he walked straight to the elevator in the corridor!

Shi Nuannuan was still in a daze when she heard his warm and deep voice. "Remember to close the door."

After watching the father and son leave for a while, Shi Nuannuan came back to her senses. She glanced at the apartment door that was still open and had no choice but to close and lock it.

Chapter 1353: I don't want Daddy to send me off!

Carrying his son, Xiang Yi walked into the elevator and could not help but ask, "Are you afraid of Mommy?"

The little guy nodded his head honestly and whispered in his ear, "Mommy sometimes gets really angry!"

"Then next time, when Mommy gets angry again, come and look for Daddy."

The little guy paused and tilted his head. "But, how do I find Daddy?"

He was still too young. He couldn't remember the road at all, and he couldn't drive a car!

Oh, right! He had a sports car!

"Oh, right, my car!" Xiang Jinghan looked at the direction Shi Nuannuan was coming from as if he suddenly remembered something.

Xiang yi chuckled softly, "It's okay. Leave this here. You can play it next time you come. As for you wanting it, Daddy will buy you another one tomorrow morning."

"Really?"

"I won't lie to you."

"Pop!" The little guy was so happy that he smacked his face!

At this time, Shi Nuannuan also came to the elevator door. She took a look at the father and son inside and had no choice but to step into the elevator.

"Just carry him downstairs." In the elevator, Shi Nuannuan said coldly.

She had driven here herself, so naturally, she didn't need him to send her home.

"I don't want it. I want Daddy to send me!"

Shi Nuannuan raised her head and glanced at her son in his arms. Suddenly, she said a little angrily,

"Then why don't you follow Your Daddy from now on? Forget about Mommy! Mommy will go back on her own!"

At this time, the elevator had already reached the first floor. Shi Nuannuan took the lead and walked out.

She had worked hard to raise her son for more than two years. How could he run away with someone so easily? He was too heartless!

She walked out of the apartment in a fit of pique. Xiang Jinghan looked at her leaving figure and was at a loss for a moment.

"Mommy is angry..."

"It's Okay!" Xiang Yi smiled and carried her out.

When they came to the parking spot, Shi Nuannuan opened the door of the driver's seat and sat inside.

She wanted to see if her son really didn't want her and wanted to live with his father from now on? If that was really the case, then she really had nothing..

However, just as she was lost in her thoughts, the door of the passenger seat was suddenly opened. When she turned her head, she saw him carrying her son and sitting inside.

She was stunned and her gaze fell on the side of his face.

Was he planning to take her car and send her and her son back?

“Let’s Drive,”he said casually.

Xiang Jinghan sat on his lap. “Let’s Drive, Mommy!”

The two of them had the same tone. Xiang Yi might not know that the side of him and Xiang Jinghan were so similar.

Looking at the father and son who had the same actions, Shi Nuannuan finally had no choice but to start the car and drive away from the neighborhood.

At this time, the sky had completely darkened. The lights in the bustling metropolis were dim.

Xiang Jinghan, who was sitting in the passenger seat, looked at the scenery outside the window. The red light was on, and while he was waiting, Xiang Jinghan’s gaze suddenly caught sight of a sign not far away.

The next moment, he turned his head and looked at Shi Nuannuan in the driver’s seat. “Mommy, I’m hungry. Let’s Go Eat, okay?”

Shi Nuannuan turned her head and frowned at her son. “Let’s go home and eat, okay?”

“But I want to eat that!”He raised his hand and pointed at the signboard not far away. It was a local restaurant that he often visited. There was his favorite, shiitake mushroom and chicken stewed rice.

Shi Nuannuan did not need to turn her head to know where her son was pointing at.

Chapter 1354: Mr. and Mrs. Zhang

“Mommy...”seeing that she didn’t say anything for a long time, the green light had already lit up.

Shi Nuannuan gently stepped on the gas pedal. It was really difficult for her not to comply with her son’s request.

She didn’t say anything, but drove the car directly to the entrance of the restaurant.

“Mommy, you’re So Nice!”

After getting out of the car, Xiang Jinghan leaned over happily and hugged her face and kissed it hard!

The three of them entered the restaurant at the same time. It was the peak time of the meal, and the restaurant was already full.

“Sir, Madam, May I ask if you are here?”A waiter walked over and asked the two of them with a smile.

Shi Nuannuan had just opened her mouth when Xiang Jinghan interrupted, “Yes!”

"This way, please." The waiter smiled and led the three of them to a seat inside, then handed them the menu.

Shi Nuannuan and Nuannuan reached out to take the menu at the same time. When their hands touched the menu at the same time, their expressions froze.

Then, they let go at the same time.

The waiter smiled at the two of them. In the end, it was Xiang Yi who took the menu and placed it in front of Xiang Jinghan. He asked lovingly, "What do you want to eat?"

Xiang Jinghan looked at the menu and picked his favorite chicken steak rice at a glance. He pointed at it. "This!"

"I want this one too." Xiang Yi looked at the waiter and ordered two servings of chicken-fried rice. Then, he looked up at Shi Nuannuan and asked softly, "What About You?"

She didn't have much appetite, so she answered casually, "Whatever."

He glanced at her and then looked at the menu. He remembered that she liked chicken very much. "Then I'll have three servings of the same, plus a children's snack."

"No Cream!" Xiang Jinghan raised his hand.

"Okay." The waiter took back the menu, bowed with a smile, and was about to turn around and leave.

"Beautiful sister waiter!"

Xiang Jinghan suddenly spoke, and the waiter stopped in his tracks.

Even Xiang Yi and Shi Nuannuan, who were at the side, turned their eyes to look at his fair and beautiful face in surprise.

The waiter turned his head. It was not until she met his beautiful eyes that she was sure that the little boy was calling for her.

"Excuse me, do you need anything else?"

Xiang Jinghan looked at her and suddenly smiled. He pointed at Xiang Yi who was beside him. "This is my daddy!"

The moment he said that, the three of them could not help but be stunned.

After the waiter was slightly stunned, he smiled slightly. "Yes, your father is very handsome."

She did not know what the little boy meant by introducing his father in such a dignified manner. The waiter did not know what to say, so he blurted out this sentence.

However, just as she finished speaking, Shi Nuannuan raised her eyes and saw the sweet smile on the waiter's face. For some reason, a sour feeling suddenly rose in her heart.

However, she didn't say anything in the end. She only glanced at the waiter and then looked away.

Not long after, three servings of chicken steak rice were served. Xiang Jinghan couldn't wait to pick up the spoon and start eating!

Shi Nuannuan didn't move for a long time. She just watched her son eat very contentedly.

As she watched, her gaze couldn't help but glance at the man beside her son because she sensed that he didn't seem to be eating, but..

She looked over and saw that he was using a spoon to pick up something in the food. He was very careful.

About two minutes later, Xiang Yi picked out all the ginger in the food and placed the chicken steak rice in front of her. His expression was very calm, and there were no visible changes.

Chapter 1355: look at Daddy, how pitiful he is

"Eat."

Shi Nuannuan was slightly stunned. Her gaze met his deep black eyes and then looked at the pile of ginger that had been picked out,

they were cut so small, yet he had actually picked out all of them one by one?

In her mind, she could not help but recall the scene from three years ago when he picked out the ginger in his dishes for her. A warm feeling flashed through her heart, but what followed was a faint tingling sensation.

She didn't understand. A man who was about to marry someone else suddenly came back, and he was so attentive to her. What did he want?

While she thought so, Shi Nuannuan unconsciously picked up a spoon, scooped up a spoonful of chicken steak rice, and put it into her mouth. She looked thoughtful as she ate.

"Daddy, how do you know that Mommy doesn't eat Ginger?" Xiang Jinghan had always known that mommy didn't like to eat Ginger.

Xiang Yi looked at his son and smiled, but he didn't answer him directly. Instead, he said softly, "Let's eat."

The warm scene of the three of them was witnessed by the two people not far away.

In the evening, because her father wanted to taste the local dishes of country Z, Helian Manli brought her father, he Liantian, here. She didn't expect to see such a warm scene as soon as she entered.

Seeing his daughter suddenly stop in her tracks, he Liantian's gaze naturally followed her direction. When he looked, he couldn't help but frown.

That was Shi Nuannuan?

Helian Manli also seemed to be very shocked. That Little Boy's appearance was not too similar to Xiang Yi's.

What exactly was going on? Didn't she say that she had aborted the child three years ago?

Looking at his daughter's dazed expression, Helian Tian was about to walk towards Xiang Yi's position, but he was stopped by Helian Manli.

"Father, let's go up."

"Don't you want to ask clearly?"

"I will ask, but not now."

Looking at his daughter, he liantian sighed. After glancing at the three figures not far away, he finally turned to the second floor helplessly.

After dinner, the three of them walked out of the dining room and directly came to the door of Shi Nuannuan's apartment.

"We're here. You can go back."

After getting out of the car, Shi Nuannuan directly took her son from his hands. After saying a brief word, she directly turned around and walked towards the building where she lived.

"Mommy, how is Daddy going to go back?"

"You don't have to worry about it. He naturally has a way to go back." "With his current status, did he still need to worry about these problems?"

"Why don't we send Daddy Back Again?"

"Xiang Jinghan!"

After being treated like this by her, Xiang Jinghan could only shut up obediently.

But when he turned around and looked at his daddy who was standing under the night sky, he felt a little reluctant.

"Mommy, look at Daddy. How pitiful he is. Why Don't you let him go up and have a cup of tea?"

Shi Nuannuan stopped in her tracks and turned to look at her son.

This little fellow was so mischievous. Didn't he want her to invite him upstairs? But she refused!

"There's no tea leaves at home!"

"Then have a cup of water!"

"There's no water either!"

"Then --"

"If you say one more word, I'll leave you outside with me!"

"Good girl..." he really liked spending time with his daddy. Perhaps it was the nature of a man, or perhaps it was the first time in more than two years that he had a daddy. He knew that having a daddy was such a blissful thing.

Shi Nuannuan was a little heartbroken. "You really would rather have a father than a Mother?"

However, Xiang Jinghan shook his head. "No, I want both!"

She still didn't understand why a father who had never fulfilled his responsibilities would win over his son's heart the moment he returned? This was too unfair!

Chapter 1356: what does it mean to marry another woman?

"I've told you before, if you have a daddy, you won't have a Mommy, and if you have a Mommy, you won't have a daddy. You can only choose one of these two!"

Xiang Jinghan turned his head and was about to disappear at the corner when he waved at Xiang Yi not far away and mouthed, "Daddy, Goodbye!"!

Xiang Yi smiled slightly and also raised his hand to wave at his son.

Entering the elevator, Xiang Jinghan looked at Shi Nuannuan, and his small mouth opened and closed. "Then tell me, is he my daddy?"

Shi Nuannuan could not help but ask her son a question. She looked at him and did not speak for a long time.

"Is it important?"

"Yes!"

"Yes..." for some reason, when faced with her son's pure and flawless gaze, she could not lie against her conscience.

"Then since he is my daddy, why can't we live together like uncle and aunt?"

Shi Nuannuan was stunned again, but her heart was slightly aching.

After a long while, she said sadly, "Because... he wants to marry another woman, and in the future, he will only live with that woman."

"What does it mean to marry another woman?"

"It means... he will live with another woman and have a child that belongs to them, so... He won't live with us!"

"But Daddy said --" Xiang Jinghan almost blurted out, but he remembered the promise between him and his daddy.

But he said he would live with him and his mommy.

He pouted and looked at her in confusion. "Why did Daddy marry another woman?"

Facing her son's words, Shi Nuannuan felt her heart ache.

"Because he likes her, that's why he married her." The elevator door opened and she carried her son out.

Xiang Jinghan continued to ask, "Then he doesn't like me and Mommy –"

"Xiang Jinghan." Shi Nuannuan put him down and squatted in front of her son. "If you don't want mommy to be sad, then don't ask about this anymore, okay? In the end, don't ever mention Daddy's name in front of me again."

Xiang Jinghan's small face was slightly startled as he looked at his mommy in front of him quietly.

Although he didn't know what the reason was, he did see his mommy's unhappy look.

Hence, he did not speak anymore.

Shi Nuannuan also stood up and reached out to press the password lock at the side to open the apartment door.

After entering the house, Shi Nuannuan told sister Chen to go home from work on the way back because she had already eaten.

After the mother and son took a shower, they laid down on the bed.

Just as they laid down, their phone rang.

Shi Nuannuan picked up the phone and looked at it. When her gaze fell on the familiar name on the screen, she could not help but be stunned.

How long had it been since this name had appeared in her phone?

She clicked on the message for some reason and saw a very short word written on it: good night.

Holding her phone, Shi Nuannuan could not help but feel warm. This man was so eager to please her. What was he trying to do?

Did he hope that she would give Han Han to him just like that?

No Way!

Putting down her phone, Shi Nuannuan lifted her blanket and went to sleep!

...

The next day, in the morning.

After breakfast, Shi Nuannuan left the house, but there was one thing that she did not understand.

Why hadn't she replied to the house that she had asked her brother to find yesterday?

When she reached the coffee shop, she could not help but call her brother, Shi Yuting.

"Brother, where is the house that I asked you to find?"

On the phone, Shi Yuting was silent for two seconds before he said, "I asked Weiyi to look for it. You can ask her."

"..." Shi Nuannuan frowned.

Chapter 1357: was about the house?

When did brother ask sister-in-law to do these things?

Moreover, if he wanted to find a house, wasn't it something that could be done with a phone call? DID he need to ask sister-in-law to do it?

Although she was a little puzzled, Shi Nuannuan did not continue to ask. Instead, she hung up the phone and called Zuo Weiyi.

The phone rang for a long time, but no one picked up.

She sighed dejectedly. Perhaps she was sending her two little babies to school now.

Thinking of this, Shi Nuannuan temporarily put this matter aside and started to get busy.

Actually, after some calculations, the business of her coffee shop was getting better and better. She could hire two more waiters so that she would have enough time to accompany her son.

The busy morning was over. Shi Nuannuan, who came in her free time, took the profits of the coffee shop for nearly half a year and walked to a table to do some calculations.

If it was still possible, she planned to hire two more waiters.

As she was calculating, she suddenly heard Xiao Wen's voice, "Mrs. Shi, you're here."

Hearing the voice, Shi Nuannuan suddenly raised her head and saw Zuo Weiyi walking into the coffee shop.

"Sister-in-law, why are you here?"

"Of course I'm here to look for you."

"Take a seat, I have something to look for you too!"

Shi Nuannuan put the accounts aside and asked someone to pour two cups of coffee.

Zuo Weiyi looked at her with a smile. "Is it because of the house?"

Shi Nuannuan was stunned. Did her brother call you

Zuo Weiyi did not answer her directly. Instead, he smiled at her. "Just because Xiang Yi is back, you want to change houses?"

Shi Nuannuan did not deny this point. She nodded and said, "Yes."

"Then, do you think that with his current abilities, even if you change houses, he won't be able to find you and Hanhan?"

Shi Nuannuan looked up at her but did not speak immediately.

She was also very clear that with Xiang Yi's current conditions, it might be easy for him to find her. However, she could not just watch him snatch her son away.

“Nuannuan.” Looking at her pensive face, Zuo Weiyi suddenly spoke.

Shi Nuannuan raised her eyes to meet hers.

“Are you really not going to give him a chance?”

Hearing her sister-in-law’s words, Shi Nuannuan was a little puzzled. “What Chance?”

“He’s already back. If it was really a misunderstanding three years ago, are you really not going to forgive him? Aren’t you afraid that you’ll regret it for the rest of your life?”

Shi Nuannuan could not help but feel confused.

“From just now, what misunderstanding are you talking about?”

Zuo Weiyi was also stunned. He looked at her and only spoke after a long while, “You, don’t you know what exactly happened three years ago?”

“What?”

At this moment, Shi Nuannuan finally remembered that Xiang Yi had also said yesterday that his marriage with Helian Manli was fake. Moreover, he even said that it was a misunderstanding. Later, he was called away by a phone call, so she had forgotten to ask him, anyway, it was not important to her.

Seeing her confused look, Zuo Weiyi concluded that Xiang Yi might not have told her what happened three years ago.

“Three years ago, there was a piece of news that reached country A.”

Hearing her sister-in-law’s words, Shi Nuannuan still furrowed her brows in confusion. “What News?”

“You are pregnant with Cheng Huan’s child. At that time, the engagement was also because of a sudden pregnancy.”

Hearing this, Shi Nuannuan was stunned at first, then she suddenly laughed out loud.

“Sister-in-law, even you want to be his lobbyist? Others may misunderstand this kind of thing, but how can he believe it? Doesn’t he know what kind of person I am?”

Chapter 1358: what if he was talking about you?

The bitter smile on Shi Nuannuan’s face gradually turned into heartache.

How could a man who claimed to love himself so easily determine what kind of person she was from others’ mouths?

“He doesn’t believe it, but what if... He can’t talk to you on the phone when he’s faced with all of this? and at this time, someone else appeared in front of him with a photo of you and Cheng Huan having a prenatal checkup together. If it were you, what would you think?”

“What does Shi Nuannuan Mean?”

“If you saw Xiang Yi and Helian Manli having a prenatal checkup together now, what would you think?”

“Sister-in-law, what, what do you mean?”

“I heard it from your brother. That year, when Xiang Yi heard this news, he wanted to call you, but he was threatened by his grandfather. At that time, someone sent him a photo of you and Cheng Huan having a prenatal checkup together at the hospital. and at that time, he even received a call from Cheng Huan.”

Sometimes, a man’s sensitivity was no less than a woman’s.

If it had been Shi Yuting at that time, he might have been crazy enough to kill someone long ago!

However, Xiang Yi had nothing at that time. Even if he wanted to do something, he couldn’t do it even if he wanted to.

Right now, he was clearly successful and could have tied Nuannuan up by his side with brute force, but he didn’t. Perhaps he was regretting that he didn’t investigate thoroughly back then.

He knew very well that Nuannuan had always been angry, and had always thought that he was about to marry Helian Manli.

Hearing this, Shi Nuannuan’s brows warmed up. “Cheng Huan?”

“Yes.” Regarding this matter, Zuo Weiyi had also clearly heard about it from Shi Yuting.

But what made her very surprised was that at that time, Cheng Huan and Nuannuan should have been about to call off the engagement, right? Why did he call Xiang Yi to say that?

He should know that Nuannuan had never had any feelings for him. Even if he did that, the engagement between him and Nuannuan could not be salvaged.

“Why did he call him? What did he say?”

“He told Xiang Yi to never disturb you and his life again.”

Shi Nuannuan’s expression was calm when she heard that. “Did he tell his brother all this himself?”

“You’re asking this because you don’t believe him?” Zuo Weiyi seemed to be able to read her mind.

She looked away. “I just don’t understand why a person who is about to marry someone else would come back and say all this.”

“His marriage with Helian Manli is fake.”

“What fake? He clearly said himself that as long as Helian Manli is willing, he will marry her.”

Zuo Weiyi could not help but frown in surprise, recalling the previous interview report about Xiang Yi.

“You are talking about the previous report?”

Shi Nuannuan raised her eyes and glanced at her, then nodded, “Yes.”

Zuo Weiyi also lowered her eyes, as if she was thinking about something, then raised her head and looked at her, "What if the person he was talking about at that time was you?"

Shi Nuannuan was stunned.

It was her?

How was that possible.

Three years ago, Helian Manli had personally said that when he became successful and famous, it would be the time for her and him to hold their wedding. and three years later, he did it. It also confirmed what Helian Manli had said three years ago in the program, didn't it?

"How is that possible..."

"How is that not possible? He was in the report at that time, but he didn't mention anyone by name. Moreover..." Zuo Weiyi raised her eyes, she looked at her, "What Helian Manli said to the reporters three years ago was just her own wishful thinking. That's why Xiang Yi said that the marriage was fake."

Chapter 1359: why did you do that?

After listening to Zuo Weiyi's words, Shi Nuannuan fell into a daze.

What exactly happened three years ago?

"Then, then since he didn't mention my name, how did you know that he was definitely talking about me?"

"Didn't you have an agreement three years ago?" Nuannuan had mentioned this to her before.

The day before Xiang Yi left, he had told her to wait for him to return.

The words he had said on the screen three years later should have been said to nuannuan.

Shi Nuannuan suddenly recalled the last words he had said to her the night before he left, "Wait for me to return."

She did not speak again, but stood there quietly.

"I won't help you find a house for now. When you really need it, come and look for me." Zuo Weiyi smiled, picked up his bag and stood up.

Shi Nuannuan still did not come back to her senses.

Zuo Weiyi smiled and glanced at her, then turned around and left the coffee shop.

In the afternoon.

After lunch, Shi Nuannuan poured herself a glass of Blue Mountain and sat by the window, staring out the window.

Her marriage with Helian Manli was fake. Three years ago, she had misunderstood her because of a phone call from Cheng Huan.

After a long while, Shi Nuannuan turned her head and took out her phone to call Cheng Huan.

“Let’s meet.”

Cheng Huan was obviously surprised by her call.

Ever since the incident last time, Shi Nuannuan no longer liked him. No matter what he did, she didn’t even want to look at him.

Now that he said he wanted to meet, he naturally printed it out.

The two of them arranged to meet at another coffee shop. As it involved her personal matters, it was not convenient for her to choose her own coffee shop.

Shi Nuannuan only ordered a cup of fruit juice. Then, she looked at the man in front of her with an expressionless face. The moment she opened her mouth, she went straight to the point. “Why did you do that?”

Cheng Huan did not seem to understand her sudden question. “What are you referring to?”

“Why did you call him three years ago?”

Hearing this, Cheng Huan was stunned.

So the reason she came to look for him was only for three years ago. In other words, it was for Xiang Yi.

“Three years have passed. If I can break up the two of you with just a phone call, it can only be said that he doesn’t trust you enough.”

“I just want to know why you did it. At that time, we were clearly going to break off the engagement. Why did you still do it?”

He looked at her, but there was a flash of pain in his eyes.

“Why? Don’t you know why I Did It?”

“How would I know?”

Cheng Huan looked at her, but didn’t say anything else.

Why?

Three years ago, she was the one who said she wanted to marry him. When he was about to give up on her, she gave him hope again. However, not long after, she told him that it was just a white lie.

To him, her actions were like playing with his feelings for her.

He did not understand why, with his status and identity, he lost to Xiang Yi who had nothing?

Unwilling to accept this, he deliberately called Xiang Yi when the engagement was about to be annulled. He wanted to see how strong the relationship between them was.

The result was obvious.

“If you asked me to come just for this matter, I’m sorry. I still have a lot of things to do!”

After saying that, Cheng Huan stood up and turned to walk towards the entrance of the coffee shop.

Shi Nuannuan did not stop him, but just looked at his back indifferently.

Chapter 1360: I’m at Daddy’s Place Now!

When she returned to the coffee shop, Shi Nuannuan appeared to be a little absent-minded.

Just as she sat down to sort out her emotions, her phone rang again.

She took out her phone, lowered her eyebrows, and saw the word ‘Xiang Yi’ flashing on the screen.

The expression on her face was slightly startled. She did not pick up the phone for a long time, but just watched quietly.

The coffee shop was already too quiet. At this moment, the ringtone of her phone that she did not pick up for a long time sounded a little harsh, causing the other customers in the shop to look at her in surprise.

After a long while, the voice of a shop assistant rang, “Boss, aren’t you going to pick up the phone?”

Because the ringtone kept ringing, and she looked at the boss who was staring at the phone in a daze, the shop assistant could not help but speak when she passed by her.

Only then did Shi Nuannuan come back to her senses. In the end, she picked up the phone and put it to her ear.

Before she could speak, a tender voice sounded from inside, “Mommy, I’m at Daddy’s Place Now!”

Hearing Xiang Jinghan’s voice from the receiver, Shi Nuannuan asked, “Han Han?”

“Mommy, I’m in Daddy’s house. This place is so big, so big. It’s much bigger than our house!” At this moment, Xiang Jinghan was staying in a luxurious villa, so excited that he forgot his form.

Shi Nuannuan’s brows were warm. A big house?

That was true. The current him naturally lived in a luxurious villa.

But why was he in the same apartment as yesterday?

“What are you doing there?” She asked casually. She didn’t seem to realize that she no longer rejected her son and Xiang Yi being together.

“Daddy said that he would prepare a big house for Mommy and me, so he came to visit me! Mommy, this place is really beautiful. You can see the sea in the distance, and you can see the entire city in front of you!”

Shi Nuannuan did not hear her son’s words clearly because her mind was on his first sentence.

“Prepare a big house for you and Mommy?”

“Yes!”The little guy nodded heavily. He held his phone and stood in front of a French window, looking at the mountains and the sea in the distance. Then, he rushed to the second-floor balcony in front of them, looking at the magnificent city scenery of z city not far away.

“Why do you want to prepare a big house for us?”She frowned and asked her son on the other end.

Xiang Jinghan turned his head and looked at the tall figure walking over. “Daddy, Mommy asked you why you want to prepare a big house for us?”

On the phone, Shi Nuannuan could not help but blush when she heard her son’s conversation.

Her son asked as if he was asking for her.

Looking at his son in front of him, Xiang Yi squatted down. “Because you are the most important people in Daddy’s life.”

“Oh!”Xiang Jinghan nodded at him and then said into the phone, “Daddy said that because we are the most important people in his life, we have to come and live in the Big House together!”

Shi Nuannuan was stunned for a long time and didn’t speak again.

Not long after, Xiang Jinghan’s voice sounded again from the phone, “Mommy, can you come over now?”

Shi Nuannuan, who was in a daze, came back to her senses, but she softly rejected him. Her tone was very calm. “Mommy’s coffee shop is very busy, so I don’t have time to go.”

On the phone, Xiang Jinghan was silent for a few seconds. He didn’t know what he was doing, but soon his voice sounded again. “Mommy, don’t Open the shop anymore. Can you stay at home with me?”

Hearing her son’s request, Shi Nuannuan’s brows warmed up. She asked in return, “If we don’t open the shop, what will we eat and drink? Mommy won’t have the money to buy those toys for you.”
