

## **Kiss Me 1431**

### **Chapter 1431: urgency, the edge of life and death (2)**

The blond man was a little shocked. He immediately understood what was wrong with him!

“Get down quickly!”

The man spoke fluent English. He helped him out of the car and placed him on the passenger seat.

“Bear with it, I’ll send you back to the hotel first!”

The car door closed and the sports car sped away from the entrance of the castle like a gust of wind!

The blond man seemed to be very anxious as well. He stepped on the accelerator and sped all the way to the hotel where Xiang Yi was.

“What’s wrong with you? Do you know what kind of medicine it is?”

After putting him on the bed, the blond man asked.

Xiang Yi’s expression was in pain. The feeling of being gnawed by tens of thousands of ants attacked every cell in his body. He wished that someone could punch him and knock him out!

He said with difficulty, “I don’t know... but she said that without a woman, I might... die...”

Hearing this, the blond man’s pupils constricted.

Could it be that he was... poisoned by a love gu?

If that was really the case, then only a woman could cure him!

Looking at the man on the bed who was trying his best to restrain himself, the blond man was stunned for a few seconds before he suddenly said, “I’ll find you a Woman!”

As he said that, the blond man was about to get up and leave!

The next moment, he reached out and grabbed his sleeve!

The man turned around and looked at him with some confusion. “What?”

“Don’t go!”

“Do you want to die! ?”

He naturally did not want to die, but if a woman really appeared in front of him, it would only make him feel even more pain and eternal damnation!

“If it’s just a woman, why did I find you?”

“Then who are you?”

“Think of a way to control it.”

The blond man was stunned.

Control? How could he control such a thing? The only antidote to it was Weiyi!

Even if he could control it, it would only slow it down a little. In the end, it would be useless.

On the other hand, if he continued to endure it, he might really burn himself to death!

“Do you think this will work?”The man frowned and looked at him worriedly.

“Control it first.”Xiang Yi, who was lying on the bed, did not have the strength to speak anymore.

“Then what? What are you going to do? Even if I can control it for you, it will only take two hours at most. These two hours will only make your body feel better, but it will not remove the effects of the drug. You will still suffer a fate worse than death, understand?”

If he could really endure these two hours, then he really admired him!

“You’re so long-winded!”

”...”he was long-winded?

He was about to die! And he still thought that he was long-winded! ?

“What on earth do you want to do! ? Any random woman here can dissolve the fire in your body. I really don’t understand why you’re hesitating! ?”

“Do you have a way or not? If you don’t have a way, then get lost.”He was already powerless to talk to him about this nonsense!

The blond man was stunned. In the end, seeing that he was living a life worse than death, he could only temporarily relieve the effects of the medicine for him.

However, he had come in a hurry and did not bring anything with him. He had to leave to get his things first.

Fortunately, the hotel was not far from his research room. It should only take ten minutes to return.

“I have to go to the research room to get my things first. You have to bear with it for ten minutes.”As he said this, the blond man was about to leave, but he was a little worried about him. “Why don’t I Get Your Secretary to come over?”

On the bed, Xiang Yi, who was tossing and turning in pain, could not help but open his eyes. His scarlet eyes looked at him. “You want me to see the King of Hell as soon as possible?”

”...”the blond man was stunned. He almost forgot that seeing a woman now would only aggravate the medicinal properties in his body.

### **Chapter 1432: urgency, the edge of life and death (3)**

However, he really did not understand why he did not directly find a woman to cure the drug. Not only did he not have to suffer, but he could also have a good time!

“If you don’t want to see me die, can you move faster?”

Looking at the blond man who was still in a daze, Xiang Yi could not help but speak out.

He was about to die, yet he still had the mood to be in a daze.

The Blond Man’s name was Leo (Leo-RRBA . a few years aXiangiYig yi met him by chance during a mission.

After Leo left, Xiang Yi was alone on the big bed in the hotel, enduring the burning pain of lust.

He took out his phone. He did not intend to hand his life over to God just like that.

It was still too early to die now.

Taking out his phone, with his last bit of strength and rationality, he dialed the phone number of Shi Nuannuan who was far away in Z country!

Country Z.

Early in the morning, Shi Nuannuan finished washing up and went downstairs. She had breakfast with the Feng family and planned to go to the hospital to visit her grandfather.

Just as she walked into the courtyard and carried her son into the car, her phone rang.

She took out her phone and saw the familiar number. She smiled and swiped the answer button.

“Hello?”

Just hearing her voice, Xiang Yi instantly felt the fire in his body burning rapidly, causing him so much pain that he could not make a sound!

A few seconds passed, but he could not hear any sound coming from inside. Shi Nuannuan was a little surprised and could not help but shout again, “Hello? ?”

Her clear and sweet voice was like a fatal fuse, filling every cell in his body, like a fire burning!

“Nuannuan...”

He made a sound with difficulty, so hoarse that it was as if he had become a completely different person.

Shi Nuannuan was stunned, and the smile on her face froze at the corner of her lips.

“Xiang Yi?”

He clenched his fists tightly, and the veins on his forehead bulged. Cold sweat poured out, and it was a long while before he spoke again.

“I... Am going to die.”

”...”after confirming that it was indeed his voice on the phone, Shi Nuannuan’s clear eyes instantly widened, and her face instantly turned as pale as snow!

He was going to die? What was going on?

“Xiang Yi... you, what’s wrong with you?”

She heard that there was something wrong with his voice, something very wrong!

“If you still want to see me, come to country A as soon as possible, Manton hotel room 3002...”

...”Shi Nuannuan was at a loss, and her heart was twisted into a ball. “What’s wrong with you! ?”

Anxious tears filled her eyes, because his voice was really wrong. What was wrong with him..

“I’m dying...”

“Xiang Yi! Don’t die... What’s going on? Weren’t you fine this morning... how did this happen! ?”Shi Nuannuan was so anxious that tears fell like rain.

Hearing her sudden cry, Feng Shunqing, who was still helping with the housework in the living room, couldn’t help but rush out and look at her worriedly.

“Nuannuan, what... What happened to you?”

At this moment, Shi Nuannuan was not in the mood to pay attention to Feng Shunqing. She was just holding the phone and crying non-stop.

“Tell me, what happened to you! ?”

“Nuannuan, I’m sorry, I... May not be able to return to your side.”

“No... No, you can’t die... If you die, what will han Han and I do! ?”She was so anxious that she cried and roared. Her chaotic heart was uneasy.

“I miss you so much...”

These simple words made Shi Nuannuan’s heart feel as if it was pierced by a sharp knife. Her tears flowed even more fiercely!

“Xiang Yi...”

“Come alone, at the fastest speed...”

#### **Chapter 1433: the edge of life and death (4)**

Before Shi Nuannuan could speak, the call was hung up.

“Hello?”Hearing that his voice was gone, Shi Nuannuan felt warm. “Hello! ? Xiang Yi, Xiang Yi! ?”

“Nuannuan, what on Earth happened! ?”By the side, Feng Shunqing had heard something and knew that something must have happened to Xiang Yi.

However, Shi Nuannuan’s heart was completely flustered. She didn’t know what to do!

What should she do?

Country A? Manton Hotel? Room 3002..

In a moment of panic and helplessness, she walked to the car door and carried her son down. She handed him to Feng Shunqing hurriedly. "Uncle, help me take care of Hanhan!"

After saying that, she quickly got into the car, started the engine, and drove out of the Jinghai villa at high speed!

On the way, today was the fastest time she had ever driven!

"Hello, brother..."

Through the central control monitor, she dialed Shi Yuting's number.

Shi Yuting, who was in his office at the moment, couldn't help but be stunned when he heard her crying as soon as he picked up the call.

Did something happen to his grandfather?

But it didn't seem right. He had just come from the hospital this morning, and his grandfather's condition was very optimistic.

"What happened to you?"

Shi Nuannuan was already sobbing uncontrollably, and her tears were streaming down like a fountain.

"Brother... Now, can you get your private jet to send me to country A, and then arrange a car at the airport entrance..."

Shi Yuting furrowed his brows. "What happened?"

"Help me arrange it first!" Her tone was very anxious. Was it true that she couldn't see Xiang Yi Anymore?

No..

She did not want it!

He had just proposed to her on the phone yesterday and even said that he would come back to make up for the ceremony. How could he die... What should she and Han Han do..

The more she thought about it, the more anxious Shi Nuannuan became.

At the intersection, the green light flashed. She held the steering wheel tightly and could not care less about running the red light!

At the last second when the yellow light flashed, she rushed over and headed straight for her brother, Shi Yuting's private airport!

Hearing her anxious tone on the phone, Shi Yuting was stunned for a few seconds before hanging up the phone. Then, he quickly dialed his assistant's number.

Normally, it would take half an hour to travel, but today, Shi Nuannuan only took 18 minutes.

As soon as she arrived at the airport, her phone rang.

“Hello?”

It was Shi Yuting!

“It’s already been arranged. Go straight to the airport now. When you reach country A, someone will give you a car. However, the fastest way is to arrive four hours later.”

“Thank you, brother...”

Shi Nuannuan wiped away her tears. Her emotions were calmer than before, but she still sobbed a little.

“What exactly happened? Can you tell me now?” Compared to her, Shi Yuting’s tone was calmer.

“Xiang Yi, something seems to have happened to him.”

Hearing this, Shi Yuting’s eyes turned cold on the phone.

“I won’t tell you first. I’m getting on the plane!”

Without waiting for his reply, Shi Nuannuan had already hung up the phone and walked towards the boarding gate!

On the other side, in country A.

In the hotel room.

Leo had injected him with a soothing agent, but it did not have any effect.

If it was just an ordinary aphrodisiac, this amount could be completely eliminated, but he had been drugged with a rarely seen aphrodisiac.

This drug seemed to be very rare already. who was the one who drugged him?

Leo sat by the bed and looked at Xiang Yi who was trying his best to endure it. His face was full of worry and worry for him.

“Xiang Yi, let me explain to you first. Although you think you can endure it now, if the effect of the injection wears off, the efficacy of the Love Gu in your body will double. In other words, two hours later, you will be even more unbearable than before. Are you sure... you don’t want me to find a woman?”

#### **Chapter 1434: urgency, the edge of life and death (5)**

Leo looked at him and asked doubtfully.

He just couldn’t understand what he was restraining.

“No need.”

After being injected with a soothing agent, Xiang Yi was indeed better than before, but the fire in his body was still very obvious.

“No, can you tell me what exactly are you enduring?” Leo was very worried and couldn’t understand him.

“Nothing.”

He only said two words softly, then got up and walked to the bathroom. He wanted to wash his body with cold water to lower the fire in his body.

“Xiang Yi, what’s the use of washing your body with water? Don’t catch a cold.”

Xiang Yi ignored him and walked straight to the bathroom.

After washing for more than ten minutes, he felt that the heat in his body had decreased a little, and then he returned to the bed.

Looking at him in such pain, Leo suddenly narrowed his eyes and suspiciously narrowed his eyes at the man on the bed. “You... could it be that you have a problem with your sexual orientation?”

You Don’t want a woman, so you want to find a man?

With that thought, Leo’s eyes changed and he suddenly became vigilant.

Xiang Yi glanced at him and ignored him.

“How about... I find a man for You?”

“Don’t worry, I’m normal.”

“How about I help you with the Fire?” Leo said.

Xiang Yi threw a pillow at him. “Get out if you have nothing to do!”

“That won’t do. If you die of lust, I’ll have to stay and collect your body.”

“Then shut up.”

Leo cleared his throat and didn’t say anything else.

Time passed by slowly. He was quietly waiting for the arrival of warmth.

However...

If the drug in his body doubled after two hours, would he really die and never see her again?

Thinking of this, it would be a lie to say that he was not upset.

He still had a lot of things that he had not told her. How could he be willing to die just like that.

“Can you inject that injection of yours again in two hours?” After a long while, he suddenly asked Leo with his eyes closed.

Leo glanced at him and said casually, “Sure. If you don’t want to see God Sooner, I’ll inject it into you.”

He looked up at him.

Does that mean that you can’t inject it again?

It would take at least five hours for the warmth to come back. could he really bear the remaining three hours?

“You, are you just going to wait like this? What are you going to do in two hours?” Leo became serious. It was rare for him to have a true friend. He did not want to be summoned by God just like that.

“No, to be precise, it’s one hour and fifty minutes.”

Xiang Yi closed his eyes again. It seemed that only by calming down would his body feel better.

After a long while, he said, “My fiancée, if nothing unexpected happens, she should be here by three o’clock in the afternoon.”

Hearing this, Leo was stunned for half a second. Then, he widened his eyes and looked at the man on the bed!

“Fiancée! ?”

When did he have a fiancée?

Previously, he had always thought that Helian Manli was his fiancée. Later, he found out from his mouth that she was not.

Then who was the fiancée he was talking about now? Helian Manli?

No, he was at the entrance of Helian Castle at that time. Logically speaking..

”...”could it be that the drug in his body was administered by Manli?

“Yes.”

While Leo was deep in thought, Xiang Yi hummed softly.

He came back to his senses and raised his eyes to look at him. “When did you have a fiancée? Who? Why did you only get here before three o’clock in the afternoon?”

“Because she’s in country Z now.”

### **Chapter 1435: the edge of life and death (6)**

”...”Leo was stunned.

“So now you’re asking your fiancée to rush here from country Z? !” Leo’s tone was very shocked, and he directly jumped up from the single-seater sofa.

Xiang Yi glanced at him, ignoring his surprised look.

“I say, Big Brother, you’re under the spell of Love Now, can’t you just find a random woman? Why do you need your fiancée to specially rush here? Anyway, they’re all women –”

Halfway through his sentence, he suddenly stopped.

The woman that had been buried in his heart for the past three years, could it be the fiancée that he was talking about now?

So he did not want to betray his fiancée?

Damn, did he have to be so infatuated?

“You can be infatuated, but are you sure that your body can endure until then?”

“Let’s leave it to fate.” He himself was not confident.

Leo looked at him and didn’t say anything else.

If that was really the case, he couldn’t just watch him die.

How about finding a woman to prepare for him now? At least when he really couldn’t wait, he could have sex first!

“I’m going out for a while.”

“If you’re going out to find a woman for me, then forget it.” Xiang Yi seemed to see through his thoughts.

”...” Leo’s footsteps froze. Was this man a worm in his stomach?

Xiang Yi was very clear that with Leo’s personality, he would not just watch him die. Therefore, he would definitely be thinking about whether or not to find him a woman to prepare for his death.

Turning his head to look at him, Leo gave up that idea.

Leave it to fate.

As time passed by, the two hours gradually approached. Xiang Yi, who was on the bed, also clearly felt that the heat in his body began to stir again, spreading to every corner of his body.

As Leo had said, two hours had just passed, and the drug in his body was obviously increasing rapidly, attacking him like a flash flood!

It had finally begun..

Looking at the tortured Xiang Yi on the bed, the thing that Leo was worried about finally came.

He raised his hand and looked at the watch on his wrist. It was only 12:10 in the afternoon, and there were still nearly three hours before his fiancée arrived. Was he joking with his own life!

How could he hold on? If this continued, he would really die!

“I’ll find you a Woman!”

He couldn’t care less and got up to rush out of the room.

Xiang Yi, who was on the bed, seemed to be unable to make a sound. He tossed and turned on the bed, feeling as if his heart was burning!

“Plop!”

He was so uncomfortable that he directly rolled off the bed. At this moment, Leo had already left the hotel!

Step by step, he walked to the door with difficulty, closed the door, and locked it!

If Leo really found a woman for him, with his current condition, he did not know if he still had the ability to restrain himself.

After closing the door and locking it, he walked to the bathroom again and let himself sit on the cold floor, letting the shower above his head wash over his body continuously. The cold, piercing water.., it could not replace the heat in his body at all!

After about half an hour, the hotel door was opened. Leo brought a woman in and was about to enter the room when he realized that the door was locked from the inside!

“Bang Bang Bang!”

“Xiang Yi, open the door!”

Leo seemed to have sensed that he did not want to have sex with other women. That was why he locked the door from the inside. He was afraid that he would not be able to control himself when he saw women!

Damn it!

What the hell was he doing!

Was his life more important than his fiancée’s trust?

### **Chapter 1436: the edge of life and death (7)**

To Xiang Yi, nothing in this world could replace Shi Nuannuan.

“Open the door!”

Leo knocked on the door rapidly, wishing he could kick it open!

If he could, he really wanted to kick the door open, but there was still a misgivings in his heart.

He couldn’t stop himself from helping him find a woman, so he locked the door. was that fiancée so important to him! ?

“Are you really not afraid of Death?”

No matter how Leo knocked on the door, Xiang Yi did not hear anything inside. He sat under the shower in the bathroom, his whole body drenched from head to toe.

Time passed by, and Leo outside the door was not sure if he was still alive.

“Are you dead or not? Say Something!”

He knocked on the door again.

The bathroom door was open, so Xiang Yi could hear his voice clearly.

He was already unable to stand up. His gaze swept across a bottle of shower gel in the bathroom.

He raised his hand and picked up the shower gel, then smashed it in the direction of the door!

“Bang!”

A loud sound was heard. Only then did Leo outside the door confirm that he was still alive.

But even so, he was still worried about him.

Ordinary aphrodisiacs were unbearable. How could he tolerate this kind of love voodoo?

\* Bang Bang Bang! \*

“Xiang Yi, can you open the door! ? If worst comes to worst, I won’t tell your fiancée about you sleeping with this woman! ? Can you let yourself live first?” He was a little anxious. It really looked like he had kicked the door open!

“If you don’t open the door, will I really kick it?”

Worried that he would really kick the door, Xiang Yi stood up with difficulty on the floor of the bathroom.

His eyes were bloodshot and looked a little scary.

“If you dare to kick it, I won’t let you off even if I become a ghost.”

”...”Leo was helpless.

F \* ck! Why did time go so slowly today! ?

He raised his hand and looked at the time on his watch again. It was 1:50!

There was still more than an hour left. The key was whether his fiancée would come or not?

At the same time.

Shi Nuannuan had just gotten off the plane at the airport of country A. there was someone waiting for her at the entrance of the airport!

Sitting in the co-pilot’s seat, she felt anxious and uneasy as if she was sitting on pins and needles!

“Bang! Bang!”

Suddenly, two strange sounds came from inside the room.

Outside the door, Leo was so shocked that he turned around, not knowing where the sound came from.

“Xiang Yi! ?”

At this moment, Xiang Yi looked a little scary. His whole body was burning red. He felt that he was really going to die. Two punches hit the wall, but the sharp pain could not replace his body as if it was being gnawed by thousands of ants!

Leo was really anxious. He did not care anymore!

He raised his foot and was about to kick the door!

At this moment, the doorbell suddenly rang!

He stopped kicking the door and turned his head to look in the direction of the hotel door.

The doorbell rang very urgently. Leo was stunned for a moment before he reacted!

Could it be Xiang Yi's fiancée! ?

He took three steps and two steps at the same time. He rushed to the door and opened it!

The moment he opened the door, he saw an extremely stunning woman standing at the door. For a moment, Leo himself was a little stunned.

When the door opened, what entered his eyes was not Xiang Yi. Shi Nuannuan was also stunned for a few seconds, thinking that she had knocked on the wrong door.

She was a little flustered. "I'm Sorry!"

As she said that, she was about to rush out. She really thought that she had knocked on the wrong door!

However, just as she turned around, her arm was suddenly grabbed by someone!

She turned around and saw the blond man in front of her.

"Xiang Yi's fiancée?"

### **Chapter 1437: anxious, on the brink of life and death (8)**

Shi Nuannuan widened her eyes. Her clear eyes were still wet with tears.

"Yes!" She nodded desperately.

"Follow me!"

Leo dragged her and walked towards the bedroom door.

Bang Bang Bang!

There was another series of urgent knocking sounds!

"Your fiancée is here!"

After waiting for a few seconds, there was no response from inside.

Leo could not help but panic.

Did she die?

"Xiang Yi! ?"

Damn it, did she really die! ?

“Bang, Bang, Bang!”

“Is she still alive! ?”

“Xiang Yi? You Said Xiang Yi is inside?”

Shi Nuannuan turned her head. Her eyes were red and swollen. It was obvious that she had been crying for a long time.

Leo turned his gaze and glanced at her. He nodded. “Yeah, I just don’t know if she’s still alive.”

When Shi Nuannuan heard that, she felt as if she had been struck by lightning. Her mind went blank.

After a long while, she turned around and knocked on the door with all her might. Her voice sounded so pale and powerless. “Xiang Yi... I’m here. Open the door... Open the door!”

She was going crazy. She knocked on the door with all her might. She did not understand why he had locked her inside!

Only when he heard her voice from outside the door did Xiang Yi, who was in the bathroom, open his eyes like a beast that had been awakened. Then, he stood up and rushed towards the door at lightning speed!

“Xiang Yi, open the door... Open the door!”

Shi Nuannuan, who was outside the door, could not hear his voice at all. Her heart was warm as she thought that he was really dead.

In the next moment, the tightly shut door was suddenly opened!

Before she could regain her senses, she saw a hand reach out and pull her in before Shi Nuannuan could touch her.

Shi Nuannuan was still a little shocked because she had no idea what had happened.

In just an instant, the door was closed again!

Shi Nuannuan had just entered when she was pushed against the door by a force.

When she came back to her senses, Xiang Yi, who was in a sorry state, was standing in front of her. At this moment, he looked very strange, and the way he looked at her was like a hungry wolf.

“Xiang Yi...”

When she met his scarlet eyes, she was not afraid at all. Instead, she reached out and caressed his face.

“Why are you... ugh...”

The kiss was quick, and it came without any warning. It was wild and domineering, and she kept asking for more.

“HMM...”

Shi Nuannuan wanted to push him away, but her entire body was locked down by him. She did not even have the chance to speak.

In the next moment, her clothes were torn off with a 'hiss'. She was so shocked that her eyes widened. She had never seen Xiang Yi in such a hurry before.

What was going on?

The kiss impatiently moved away from her lips and moved to her sexy collarbone. It sucked and chewed crazily, leaving hickeys of different depths on every inch of her body.

"Xiang Yi..." she finally had the chance to speak.

However, the moment she opened her mouth, the last line of defense on her upper body was torn apart by him!

She seemed to be a little scared because she had never seen him like this before.

Feeling her resistance, Xiang Yi used his last bit of rationality to look up at her. "I want you..."

Meeting his anxious eyes, Shi Nuannuan seemed to sense that something was wrong with him.

"You... how did you..."

Before she could finish her sentence, her lips were sealed again.

However, this time, she was not as afraid as before because she felt his anxiety.

"HMM..."

An uncontrollable mutter completely ignited the fire in his body. He lifted her leg and impatiently found a spot to enter!

### **Chapter 1438: you can leave now**

His craziness caused Shi Nuannuan to be unable to control herself in an instant. She took deep breaths..

"Xiang Yi..."

The moment she spoke, it made it even harder for him to extricate himself. From the door to the bed, he fiercely wanted her.

Because she knew that there was someone else outside the door, Shi Nuannuan bit her lips. She did not dare to make too much noise, but she could not help it. The more she tried to suppress it, the more uncomfortable her body felt.

The fire in her body had finally subsided a little. He raised his head and looked at her delicate and moving appearance. His face was so red that it was as if water could drip out of it.

"Can you bear it?" His voice was hoarse. He asked carefully, afraid that his urgency would hurt her.

She nodded. Her furrowed brows could not tell if it was uncomfortable or comfortable.

“Yes.”

After making sure that she could still bear it, Xiang Yi did not restrain himself anymore.

..

Outside the door, when he heard the sounds of men and women letting loose, Leo’s heart finally calmed down.

He turned around and glanced at the woman who was still waiting there. He said softly, “You can leave now.”

Being called over urgently and then leaving like this, the woman was obviously a little disappointed. She pursed her lips.

It was said that the man inside was the CEO of the X · s group. Initially, he thought that he could take this opportunity to get his hands on his body and heart. He did not expect that a woman would replace her halfway!

The woman kicked her feet, but in the end, she could only turn around and leave in a bad mood!

Leo turned his head and looked in the direction of the door. It seemed that he did not need him anymore.

In order not to disturb the two’s enjoyment, Leo smiled, then he took his things and left the hotel room.

On the bed, after a series of intimate and intimate acts, the lust in his body finally eased, but he still could not bear to let go of her.

He knew that she had been holding back from just now, trying her best not to make too much noise. He pressed his face against her ear and said in a low and hoarse voice, “There’s no one outside, you don’t have to hold back so much...”

Hearing his low muttering, Shi Nuannuan’s face instantly turned red.

No One? But there was clearly a man and a woman standing outside just now, wasn’t there?

“They...”

“They left.”

(the following plot can not be described... cough cough, everyone can freely imagine!)

..

The sky gradually darkened, and after a series of lingering weariness, Shi Nuannuan was already exhausted. She lay on the bed and gradually fell asleep as the night approached.

She was really tired, and did not even have the strength to speak.

Compared to her, Xiang Yi was currently in high spirits. He sat on the bed and gently gazed at the person beside him.

She was really his timely rain. If it had been a little later, he did not know what he would have become.

At that moment, he only felt that all the blood in his body was swelling, as if it was going to burst through his blood vessels and splash out from his body!

After leaving a kiss on her lips, he got off the bed and walked to the bathroom to take a shower. Then, he went to the outer hall to give Leo a call.

“It seems that even God doesn’t dare to have you. Even this won’t kill you.”

The moment the call was connected, Leo’s teasing voice came from the other end. The corners of his mouth curled up slightly, but he felt relieved because of Shi Nuannuan’s arrival.

Xiang Yi pursed his thin lips lightly. “Anyway, I still have to thank you.”

Leo was silent for a moment. “Then, why don’t you treat me to a meal before you return to China? It’s best to bring your fiancée along and let me get to know her properly!”

“No problem.”

On the phone, Leo smiled in satisfaction.

But then he remembered, “The one who drugged you, was it really Helian Manli?”

#### **Chapter 1439: what are you doing?**

Although he had already guessed 80-90% of it, he still couldn’t help but want to confirm it.

Because Helian Manli would do such a thing, it was really somewhat inconceivable.

She was a noble of the royal family, that high and mighty heir, to actually do such a despicable thing. If this matter didn’t happen to Xiang Yi, it would really be hard for him to imagine.

Hearing the words ‘Helian Manli’, Xiang Yi’s gaze darkened slightly.

“From now on, I will not mention this name again.”

Hearing his words, although he did not directly answer, Leo was already very clear about it, so he stopped the topic.

But at the same time, he was a little worried about him.

Although as a good friend, he was also very clear that these three years, he did not have the slightest bit of feelings for Helian Manli, but Helian Tian did not think so.

If he knew that Xiang Yi didn’t have any interest in his daughter at all, and that it was impossible for him to marry her, would he let Xiang Yi off just like that?

“Then, how do you decide to deal with He Liantian?”

Although he had a certain amount of power now, he definitely wouldn’t be able to contend against the Helian family.

Xiang Yi wasn’t worried about this problem at all. He just had to take things as they came.

“Let’s wait for him to make a move first.”

After saying that, he furrowed his brows as if he was deep in thought.

“I’m hanging up.”

“Alright.”

After hanging up, he stood by the bed and looked down at the night view of the entire a city. A cloud of suspicion formed between his brows.

At 7:40 pm, the person on the bed slowly woke up.

Shi Nuannuan opened her eyes and tried to move her numb legs in an attempt to regain some of her senses.

The moment she moved, the soreness spread throughout her entire body and seeped into her bones, causing her to frown in pain.

“Hiss...”

Shi Nuannuan frowned and narrowed her eyes. It took her quite a while to alleviate the soreness. When she opened her eyes again, she saw a luxurious suite.

The lingering thoughts from before surfaced in her mind again. She held the corners of her mouth and revealed a bashful smile. Then, she turned around and got off the bed.

In the living room outside the room, Xiang Yi was sitting on the sofa. His dark eyes were staring at the laptop screen. In the next moment, he heard a ‘plop’ sound coming from the bedroom.

He was so shocked that he raised his eyes and quickly got up to walk over!

When he pushed the door open, he saw the person who had fallen on the side of the bed. His eyes darkened. In the next moment, he had already rushed to the side of the bed and picked her up from the ground.

“What are you doing?” There was a trace of concern in his gentle tone as he placed her back on the bed.

Shi Nuannuan furrowed her brows tightly and reached out to touch her butt that had hurt from the fall!

She had gotten off the bed in a hurry just now, and as soon as her feet landed on the ground, she had fallen down the moment she stood up.

“I, I wanted to look for you.” She frowned. Her butt had hurt too much from the fall.

“How is it? Does it still hurt?” Seeing her rubbing her butt, it must have hurt.

Shi Nuannuan narrowed her eyes. “Yes... my butt is fine, but my body hurts.”

“Lie down. Tell me what you want.”

He leaned over and took two pillows to cushion her back. He let her lean against the headboard. His eyes were as warm as jade as he stared at her fair face.

Shi Nuannuan, who was leaning against the headboard, felt much more comfortable without moving. She raised her eyes and looked at the man in front of her.

He was alive and clear-headed, and he did not look like he was about to die at all.

What did he mean by what he said on the phone earlier?

“You... Don’t have anything to say to me?”

He glanced at her, his eyes moving slightly. Naturally, he understood what she was asking.

The corners of his lips curved up a touch of light, he could not help but on her lips printed a deep kiss.

**Chapter 1440: wants me to find another woman?**

“Did I scare you?”

Shi Nuannuan pursed her lips. This was natural. Not only was she scared, she was almost scared to death!

“What’s going on?” She looked at him, wanting to know what had happened.

He raised his hand and brushed a strand of hair by her cheek. His expression was gentle.

“My misstep allowed others to take advantage of it. I drugged him with a aphrodisiac, and only women can cure him.”

After saying this, Shi Nuannuan’s eyes widened in shock!

He had been drugged! ?

Uh, who was it?

“Who is it?”

He looked at her, but did not answer this question.

“It’s fine now.”

Shi Nuannuan’s thoughts also shifted very quickly. She did not think about who drugged him anymore.

“So you were really going to die before?” was that why she was so eager for her to come over so that she could cure him of the poison?

“Yes,” he replied.

Shi Nuannuan pursed her lips and averted her gaze. Her heart was filled with sweetness.

She remembered that when she came, there was another woman here, but he did not use her to quench his thirst. Did he wait until she came?

Although her heart was very beautiful, she could not help but want to ask, "You were already like that back then, why... didn't you find a woman to help you?"

He was stunned, and his deep eyes stared at her.

"You Mean, you want me to find another woman to help me?"

She paused. It was not like that, she was just curious!

Shi Nuannuan smiled, and suddenly leaned over to hug his neck. "I like you so much, what should I do..."

Her tone was a little coquettish as she pressed her face against his neck.

Three years might be able to change many things, but what could not be changed was her initial heart.

From the very beginning, she was deeply attracted to him. She fell in love with him, was loyal to him, infatuated with him, and wanted to pounce on him at all times!

Even though three years had passed, she still loved him to the point of being unable to extricate herself. She liked his kisses, his pampering, his love, everything about him.

Feeling her warm body and her soft body, the corners of his lips curled up slightly, and his dark eyes were as gentle as water.

"Then stay by my side for the rest of your life, and you will die."

"Okay," she replied softly as she lay on his shoulder and sniffed his scent.

He smiled gently and let go of her. Looking into her eyes, he asked, "Are you hungry?"

She nodded. "Yes."

"Wait here, I'll go and order dinner."

After putting her down, he turned around and walked out of the room. He made a call and asked the hotel staff to send over dinner.

Shi Nuannuan's legs were still weak. The soreness made it impossible for her to walk. He simply carried her to the dining table and fed her with his own hands.

"By the way, who was that man before?"

When he woke up, he did not seem to see the blond man again.

Xiang Yi took a bite of his food and his dark eyes glanced at her face. "You Mean Leo?"

She did not know that person's name. "Yes, I think so. The blond one."

"He's Leo. We met him by chance."

"Is he your good friend?"

"Yes."

"OH." Shi Nuannuan realized that Xiang Yi, who was three years later, really had a life of his own.

In the past, when he was by her brother's side, he did not seem to have a single friend.

"Tomorrow morning, we'll treat him to a meal."

She looked up at him and nodded. "Okay."

After dinner, he carried her to the bathroom and bathed her. When he came out, it was already 9:45 pm.

Just as he carried her to bed, Xiang Yi's phone rang. The caller ID was Feng Shunqing.
