

## Kiss Me 1441

### Chapter 1441: Help Me take care of Hanhan

“Hello?”

“Xiang Yi, are you alright! ?” On the phone, Feng Shunqing’s tone was full of anxiety and worry, but after hearing his voice, her anxious heart finally eased a little.

Hearing his uncle’s concerned voice from the receiver, Xiang Yi pursed his lips slightly. “I’m fine.”

Hearing that he was fine, Feng Shunqing heaved a sigh of relief. “That’s good. Where’s nuannuan? Is she at your place?”

“Yes, she’s here.”

“That’s good.”

“Is she my daddy and Mommy? I’ll pick her up!”

At this moment, Xiang Jinghan, who was standing by Feng Shunqing’s feet, raised his hand and tugged at his clothes, wanting to talk to his daddy and Mommy on the phone.

Feng Shunqing squatted down and handed the phone to him.

Xiang Jinghan took the phone and pressed it to his ear. “Hello, Daddy and Mommy!”

Hearing his son’s voice coming from a foreign country, the corners of Xiang Yi’s mouth unconsciously curved up. He had never felt so warm before.

“Hanhan.”

“Daddy!”

“How are you?”

“Not good, I missed you guys!”

“Tomorrow, Mommy and I will go back.”

“Really?”

“Of course.”

“I want to talk to Mommy!”

He smiled and his gaze fell on Shi Nuannuan’s face. Then, he handed her his phone.

She could not wait to receive it. “Hanhan!”

“Mommy, I miss you so much!”

“Be good, son. We’ll go back tomorrow!”

“Remember to bring me a present, even though I don’t know what I want.”

Hearing her son’s tender voice, Shi Nuannuan really missed him. She could not wait to fly back to her son’s side right now.

“Okay, but you have to be good at home.”

“Okay!”

Shi Nuannuan was glad that sister Chen was in the villa. Otherwise, Xiang Jinghan might not be used to being taken care of by others.

Although her uncle was a good person, Xiang Jinghan was not familiar with him after all, and it was not convenient for him to take care of others in his situation. Coupled with the presence of SU Xiuying and Feng Lulu, Shi Nuannuan was still a little worried at the moment.

“Baby, can you give the phone to Grandma Chen?”

“Yes!”

Xiang Jinghan responded and then ran to the door of sister Chen’s room.

“Grandma Chen, it’s My Mommy’s phone.”

When Sister Chen heard this, she quickly walked over and picked up the phone.

“Madam?”

“Sister Chen, I’ll go back tomorrow. Help me take care of Hanhan.”

“Okay, don’t worry.”

“Okay.” Shi Nuannuan pursed her lips. Because of Feng Lulu’s existence, she could not rest assured about her son who was far away in Z country.

After hanging up the phone, it was already late at night.

“Go to sleep.”

Knowing that she was very tired, he was also very quiet. He hugged her and fell asleep quietly.

Perhaps it was because she was tired, Shi Nuannuan slept very peacefully the whole night.

The next morning, when she woke up again, it was already 8:10 in the morning.

After a night of rest, the pain in her body had also eased a lot. Although it had not completely subsided, she could at least get out of bed and walk around.

“Can I really leave now?”

When he came to the bedside, he was still a little worried about her. He had even planned to book a plane ticket for the next day.

Shi Nuannuan glanced at him. “Of course, I’m not that fragile. It’s just that...”

As her words reached her lips, she suddenly wanted to say something but stopped. Her face was flushed red.

Then, she bit her lower lip. "How can I not be able to get out of bed?"

Seeing the shyness on her face, he suddenly walked up to her and wrapped his arms around her. He lowered his eyebrows and stared at her face. His deep voice was slightly hoarse. "You mean, I'm not enough to satisfy you?"

She looked up. "I don't mean that!"

#### **Chapter 1442: Should I return**

"No? From what I said just now, it's obvious that you're blaming me for not working hard enough to get you out of bed so quickly."

"I didn't!" She pushed him away, utterly embarrassed!

Perhaps she had used too much force, but as soon as she pushed him away, she lost her balance and was about to fall down in the next moment.

He reacted quickly and pulled her into his arms before she fell, his black eyes staring at her face.

Suddenly meeting his affectionate eyes, Shi Nuannuan averted her gaze shyly.

But in the next second, her lips were affectionately kissed by him. It went from shallow to deep, becoming more and more intense.

"HMM..."

She felt that he did not seem to want to let go of her.

"Xiang —"

Just as she was about to open her mouth, the tip of his tongue took the opportunity to poke in. His hand started to move around her body and into her clothes.

She widened her eyes. Could it be that he was going to..

"Don't!"

She grabbed his hand and stopped him from continuing.

But his eyes started to become thirsty.

"If you come again, then do we still have to go back today?"

"We'll come back tomorrow."

As soon as he finished speaking, he couldn't wait to kiss her again. This time, he was even more anxious!

Very soon, the last line of defense on Shi Nuannuan's body disappeared, revealing her proud figure in front of his eyes without any reservations.

(omitting 1,000 words here, all kinds of postures for the honey babies to fantasize on their own...)

After this ordeal, it was close to noon again. The pain that was finally alleviated was once again made worse.

On the bed, Shi Nuannuan glared at him angrily!

“What are you doing?” Looking at her exasperated expression, he asked with a chuckle.

If not for the lingering scene just now, they would have boarded the flight to country Z by now. It was all his fault!

She did not say a word and just stared at him, using her expression to show that she was angry at the moment!

However, he deliberately misunderstood. “If you do this, will it make me feel... that you’re still not satisfied?”

”...”

Shi Nuannuan was stunned.

Not satisfied?

She was very satisfied!

Uh, it was said that women would like men very much if they were strong in that aspect, but if they were too strong, it did not seem good either?

Because..

She did not want to be unable to get out of bed like this all the time!

“I’m going to take a shower!”

She could not be bothered with him and directly lifted the blanket, intending to take a shower.

However, the moment she moved, an intense pain was felt, causing her to frown!

He knew that she was tired, so in the next moment, he carried her and walked towards the bathroom.

Shi Nuannuan was still a little worried when he carried her into the bathroom!

“You... You Want to help me take a shower?”

He placed her into the bathroom and adjusted the temperature of the water. He looked at her and said, “No.”

Hearing him say that, Shi Nuannuan finally heaved a sigh of relief.

However, before she could even let out a sigh of relief, his voice sounded once again. “It just so happens that I want to take a shower too. Let’s go together.”

”...”

Shi Nuannuan was still in a daze when she saw him step into the bath and sit in the pool with her.

“I, I’ll do it myself!”

Seeing that he was about to apply the shower gel on her, Shi Nuannuan quickly did it herself!

She was now naked. If he touched her again, it was inevitable that he would not act like a beast in the next moment!

Looking at her panicked reaction, he laughed softly.

Although sharing a bath with her was a happy and painful thing, he knew that she was completely tired, so he did not do anything else.

He quietly finished his bath.

After a warm bath and soaking, the soreness in Shi Nuannuan’s body was much better.

When she came out again, she could also walk around.

After lunch, Shi Nuannuan did not want to wait until the next day to return to Z country.

**Chapter 1443: if it were me, I wouldn’t be willing either**

“I want to go back today.” She looked at the man in front of her and really couldn’t let go of her son who was alone at home.

“But there’s only a 7 pm flight today.”

“Then we’ll go back at 7 pm!”

Xiang Yi was a little hesitant.

Because before he left, he promised to treat Leo to dinner.

It was already past 2 pm in the afternoon. It was definitely impossible to have lunch, so he could only treat him to dinner.

“I’ll go back tomorrow.”

“Why?” She did not understand.

“I have an appointment with Leo,” he said the reason.

Shi Nuannuan was a little stunned as she looked at him in a daze.

Xiang Yi was worried that she would misunderstand him.

It was not that he did not want to rush back, but he had to keep his promise to his friend.

After returning to his country this time, he had shifted all his focus to country Z. He did not know when he would come here again, so he naturally wanted to say goodbye to his only friend.

"I promised to say goodbye to him before I left, so I can't miss my appointment. Also, he really wants to see you."

Hearing this, Shi Nuannuan was stunned. "See me?"

"Yes."

Suddenly, she felt a little shy and said embarrassedly, "Why do you want to see me?"

He was naturally relieved that she was not angry and misunderstood because of this.

"Because I want to see what my wife looks like."

"Who's your wife..."she started to squirm.

He smiled and hugged her. "It's still early. I'm meeting him at seven. Do you want to go out and buy something for our son?"

Although he had already bought two gifts, she believed that she also wanted to personally prepare a gift for her son to bring back.

"Sure, I'll also buy one for Mo Mo and Lian Lian."

"Let's go then."

The two of them left the hotel together. In the elevator, Shi Nuannuan thought again, "Ah, I might as well buy it for the whole family!"

He only chuckled and turned to look at her dotingly. "As long as you like it."

After leaving the hotel, Xiang Yi brought her to the largest international mall in city a!

After choosing for an entire afternoon, Shi Nuannuan returned with a full load!

The sky was already dusk, and it was already 5:30 pm in the evening.

"Send the things back first, then come out and meet Leo."

"Okay."

The two of them left the mall and sent the things back to the hotel. When they came out, it was already 6:00.

The sky was completely dark, and the bustling city a was brightly lit, showing its existence and prosperity.

A luxurious white Bentley sedan was running in the center of the bustling city a, arriving at a local specialty restaurant at 6:50.

Leo arrived five minutes earlier than them. He had already booked a private room and was leisurely reading a magazine on the sofa inside.

The door of the private room was pushed open at this moment. Leo looked up and saw two people walking in.

He quickly got up and walked over.

"This is Leo." Seeing him, Xiang Yi turned his head to look at Nuannuan beside him.

Shi Nuannuan's smile was very moving. "Hello, Shi Nuannuan."

"She is indeed a great beauty. No Wonder Xiang Yi would rather die than touch another woman. If it were me, I wouldn't be willing either."

Looking at Shi Nuannuan in front of him, Leo immediately started to tease her. The hand that was holding her tightly did not seem to let go on purpose.

Xiang Yi glanced at the hand that he and Nuannuan were holding tightly. Then, he pulled out Nuannuan's hand and held it tightly in his palm, walking towards the dining table.

"Let's Eat!"

Looking at his back view, Leo could not help but curl his lips behind him. He shrugged his shoulders and followed him.

Shi Nuannuan was stunned by his words. Was he talking about when Xiang Yi was drugged yesterday?

#### **Chapter 1444: your surname is Shi?**

Thinking of this, Shi Nuannuan's heart was also filled with sweetness.

"You, are you the woman that he buried deep in his heart for three years?"

During the meal, Leo was filled with curiosity towards Shi Nuannuan. He was curious about what kind of strange woman the woman in Xiang Yi's heart was.

In terms of appearance, she could indeed be considered as a country-toppling beauty. However, in this world with advanced technology, beauty did not mean that one person could be retained.

Of course, this Shi Nuannuan was completely natural!

Hearing his words, Shi Nuannuan also raised her head and looked at Leo.

Buried deep for three years?

So this Leo seemed to be very clear about the matter between her and Xiang Yi?

She glanced at him, but did not answer her directly. Instead, she tilted her head and looked at Xiang Yi.

"I don't know. I'll have to ask him about this. I don't know how many women he has in his heart."

After saying that, she narrowed her eyes and smiled. She lowered her head and continued eating.

"Damn, you have another woman?" Leo immediately turned his gaze to Xiang Yi.

Xiang Yi glanced at him and was too lazy to talk to him.

"That's not right..." as if he suddenly thought of something, Leo raised his head and looked at Shi Nuannuan. "Your surname is Shi?"

Shi Nuannuan looked at him in a daze. "Yes, What's Wrong?"

Leo's gaze then landed on Xiang Yi.

"So your company's name is X · s?"

Hearing his sudden words, Shi Nuannuan was stunned for a moment before she could react.

Xiang Yi glanced at him but still did not answer. Instead, he placed a braised lion's head in his bowl with some disdain. "It's your favorite, Eat It!"

Looking at the braised lion's head in his bowl, Leo's eyes widened. This was the first time he had ever put food in his bowl!

Leo looked at him and then at Shi Nuannuan. Suddenly, he smiled cunningly. "Xiang Yi, this is not good. Your fiancée is still here!"

As he said that, he even deliberately winked at Xiang Yi, as if he was deliberately doing it for someone to see.

Shi Nuannuan was indeed stunned by his strange behavior, and she was dumbstruck.

Were these two people... Flirting with each other?

Phew..

Why did she feel goosebumps all over the floor.

"That Lion's head is used to block your mouth. Don't you think it's just right?"

"..."the smile on Leo's lips froze. He glanced at him with great disdain and picked up his chopsticks uninterestedly. "Sigh! Boring. You Don't know how to cooperate at all!"

PFFT..

Looking at Leo's appearance, Shi Nuannuan felt that he was a very interesting person. However, how could he become friends with Xiang Yi, who was a man of few words.

The dinner went on happily. Under Leo's laughter, Shi Nuannuan was also amused by him. The dinner lasted for two hours before it ended.

"You're Leaving Tomorrow?" After leaving the restaurant, Leo was still a little reluctant to part with the two of them.

After all, Xiang Yi would have very few opportunities to come to country A.

"Okay."

"Shall I send you guys off at the airport?"

"No need. We'll be leaving early tomorrow morning. You Don't have to come specially to send us off."

"Then I really won't send you off."

"Okay."

“Let’s go.”

“Okay.”

A cool sports car sped past the two of them and disappeared from Xiang Yi and Shi Nuannuan’s sight in an instant.

“Let’s go back too.”

“Okay.”

After getting into the car, the white Bentley slowly drove towards the direction of the Manton Hotel.

When they arrived at the underground parking lot of the hotel, Xiang Yi had just gotten out of the car when he felt that the atmosphere was not right.

His dark eyes turned cold and he felt a powerful dark force approaching him.

### **Chapter 1445: danger approaching**

He glanced at Shi Nuannuan, who had just come down, and came to her side as fast as he could.

“What’s Wrong?” Shi Nuannuan raised her head. She could sense that the atmosphere was not quite right from his solemn face.

Xiang Yi ignored her and subconsciously shielded her behind him.

Vaguely, Shi Nuannuan seemed to have sensed something as well. When she raised her head, she saw a few figures suddenly approaching them from the darkness not far away.

They came with ill intentions!

This was the first feeling in Shi Nuannuan’s heart!

The few black figures got closer and closer until they could clearly see their faces. Only then did Xiang Yi’s dark eyes narrow slightly.

It was he liantian’s men.

He was not familiar with the appearance of the others, but the one leading them was the assistant beside he liantian.

“Nuannuan, get in the car.”

His low voice sounded. Shi Nuannuan raised her head and saw a trace of worry flash across the side of his face.

She knew that he was worried about her. If she forced herself to stay outside, it would only distract him and cause him to lose focus.

“Then be careful.” Although she knew his skills, Shi Nuannuan was still a little worried.

“Okay.”

She glanced at him, then opened the car door and sat inside. She watched everything outside through the car window.

“Mr. Xiang, our Mr. Helian wants to see you.” The one who spoke was he Liantian’s assistant. It was not a discussion tone, but a threat.

Xiang Yi did not seem to be afraid of the nameless black-clothed man in front of him. His expression was calm.

“From now on, the two words ‘Helian’ have nothing to do with me.”

Hearing this, the leader was stunned.

“Mr. Xiang, I am not discussing with you. In other words, it is not up to you whether you want to see him or not.”

Xiang Yi smirked. “That will depend on whether you have the ability.”

He knew that he wouldn’t comply with them and go see Mr. Helian. The leader knew that he could only use force!

“Then we can only offend him!”

As he spoke, his eyes turned cold. He made a hand gesture to the few men in black behind him. Then, he saw a few men swarming up together!

Looking at the scene of the fight outside the car window in an instant, Shi Nuannuan was so frightened that her heart clenched tightly. She wanted to get out of the car, but she was afraid that she would cause trouble for Xiang Yi. She could only sit in the car and be anxious!

The leader stared at the scene in front of him quietly. He only brought a few people because he did not want to attract too much attention, and secondly, because these people’s skills were extraordinary, it was naturally difficult for Mr. Xiang to block them with his strength alone!

However, the situation in front of him was beyond his expectations.

Although he had a few encounters with Mr. Xiang, he had never fought with him before. At this moment, he could not help but feel that he had underestimated him.

In three minutes, he had already released two of his subordinates.

“Be careful!”

When she saw that a man in black took advantage of Xiang Yi’s inattention to attack her from behind, Shi Nuannuan, who was in the car, widened her eyes in shock. She rolled down the car window and let out a scream behind him!

Following her scream, Xiang Yi nimbly turned his head and dodged the attack.

However, Shi Nuannuan’s scream caught the leader’s attention.

His eyes narrowed. Could that be Xiang Yi’s fiancée?

Thinking of this, the leader walked towards Shi Nuannuan's position!

Shi Nuannuan's gaze was focused on Xiang Yi, who was in the middle of a confrontation. She did not notice that danger was approaching her.

Only when a shadow completely covered the car window did she look up in horror. She saw an expressionless man walking towards her, his entire body exuding a cold aura.

[ happy new year, belated blessings to the Honey Babies ]

#### **Chapter 1446: gives you five seconds**

Shi Nuannuan's heart subconsciously thumped.

It's over!

Looking at the woman sitting in the car window, the man reached out his hand and wanted to open the car door.

Shi Nuannuan was one step ahead and quickly reached out to lock the car door!

The car door could not be opened. The man furrowed his brows and his dark eyes shot out a cold gaze.

In the next moment, Shi Nuannuan saw him raise his hand and suddenly take out a pistol from his waist and point it at her!

Her eyes widened, and her face turned pale.

F \* ck!

Was she being aimed at by a gun now! ?

It was not her first time seeing a gun, but now that a gun was aimed at her glabella, saying that she was not scared was simply showing off!

Xiang Yi, who was not far away, naturally caught sight of the man walking towards Shi Nuannuan from the corner of his eye. While he was fighting against the two men in black, he could not help but turn his head and saw a gun aimed at Shi Nuannuan!

His heart suddenly tightened and his expression changed!

And just as he was in a daze, one of the men took the opportunity to punch him!

Being punched, Xiang Yi could only feel a salty taste coming from the corner of his mouth.

He moved quickly and raised his leg to kick the man in front of him away!

Then, in a flash, he rushed towards Shi Nuannuan's direction!

Sensing his approaching figure, the leader suddenly turned around and aimed the cold pistol at Xiang Yi who was sprinting towards him.

Xiang Yi stopped in his tracks. Facing the cold muzzle of the gun, he was not afraid at all.

“Mr. Xiang, you’d better come with US obediently.”The leader stared at him and said coldly.

Xiang Yi’s gaze passed him and saw the person sitting in the car. He suddenly became restless.

He frowned, not knowing what she was going to do.

“Go to hell!”Shi Nuannuan suddenly opened the car door and kicked the man’s Butt!

The man was caught off guard. Just as he was about to turn his head and aim the pistol at Shi Nuannuan, Xiang Yi could not help but agilely extend his hand and grabbed his arm to make his movements freeze!

In the next moment, he tightened his strength and snatched the gun from the man’s hand. He turned the situation around and aimed the muzzle at the man’s glabella instead.

Facing the muzzle of the gun, the man was stunned and did not dare to act rashly. Instead, he looked at him warily.

He had underestimated this Xiang Yi!

“I’ll give you five seconds. If you don’t want to die, then take your men and leave this place as quickly as possible!”With the gun in hand, Xiang Yi’s stern face shot out a chill. Every word was filled with killing intent.

The leader of the men was slightly stunned and was still hesitating.

However, Xiang Yi’s lips were already counting down.

“Kill.”

“Kill.”

“Kill.”

The hand holding the pistol tightened slightly.

The leader of the men stared at the gun in his hand. From his bloodthirsty cold eyes, he could feel the killing intent.

“Kill.”

“Go!”

The man turned around and made a hand gesture. He brought the other men in black and quickly left the underground parking lot!

Xiang Yi only took a few steps back when their figures completely disappeared into the darkness. Then, he turned around and got into the car. He quickly started the car and drove toward the Manton Hotel!

The two-door sports car sped through the traffic like a gust of wind. It did not stop for a moment.

About half an hour later, it stopped in front of a luxurious house in the suburbs.

“Where is this?”

Sitting in the passenger seat, Shi Nuannuan looked at the luxurious mansion in front of her with a surprised expression.

“Leo’s home.”

Xiang Yi opened the car door. He definitely could not stay in the hotel anymore. He was afraid that in a few minutes, he and Nuannuan would be in trouble again.

Shi Nuannuan also opened the car door and got out of the car. However, she was a little confused.

#### **Chapter 1447: why did he want to touch Xiang Yi?**

“What are we doing here?”

Xiang Yi pulled her and walked straight towards the main door.

“We can’t go back to the hotel. Tonight, we can only stay here.” If it was possible, he also hoped to fly back to country Z at night.

No matter how strong HE LIANTIAN’s power was, it was limited to country A. when he arrived at country Z, he naturally had the power to contend with him.

After shifting all his focus to country Z, he could only fight alone here. He was unable to contend with HE LIANTIAN’s forces!

The large black iron door was slowly opened. Xiang Yi pulled the person beside him. His footsteps were swift as he walked towards the front door of the mansion!

Leo walked out of the house. When he saw that he was holding a gun in his hand, he was so scared that he suddenly stopped moving forward and shrank back. “F \* ck, what are you trying to do?”

Looking at the pretentious Leo, Xiang Yi’s expression was very serious. “I’m being targeted.”

”...”

Leo put away his playful mood and became serious. “What happened?”

“Let’s talk inside.” He pulled Nuan Nuan and walked into the house!

Leo followed closely behind.

When they reached the house, Xiang Yi’s heart finally felt a little more at ease.

He turned around and looked at Leo. “I might have to bother you tonight.”

Whether or not he would bother them was nothing to Leo, but he was a little worried about the two of them.

“He liantian has made a move?”

“Yes.”

He nodded, then turned around and glanced at Nuan Nuan beside him. He was so focused on escaping just now that he didn't even notice if she was injured.

"I told you, he won't let you off so easily." Leo didn't seem to be afraid of He Liantian. He pouted and walked to the sofa to sit down.

He snapped his fingers and signaled the butler, "Take my best wine!"

After a while, the butler walked over and took a bottle of good wine and three glasses.

Leo took the glasses and wine and poured them straight away.

"Drink first to calm your nerves. You Don't have to worry about me at all!" He Liantian smiled casually as if he wasn't afraid that he Liantian's people would find him here.

However, Xiang Yi didn't have the mood to drink.

On the other hand, Shi Nuannuan could hear some clues from Leo's words.

"Helian Tian? Helian Manli's father? Why did he touch Xiang Yi?"

Leo raised his eyes, and his gaze fell on her face.

Looking at her suspicious face, it seemed that she still didn't know about Xiang Yi and Helian Manli?

"Sister-in-law... could it be that you still don't know?"

"What?"

"The matter between Xiang Yi and Helian Manli."

"..."the matter between them?

Shi Nuannuan turned her face and her gaze fell on Xiang Yi's face, just in time to meet his black eyes.

"Isn't there nothing between them?" Her gaze turned to Leo again and asked in puzzlement.

Leo took a sip of wine and immediately placed the wine cup on the coffee table.

"It's precisely because there's nothing, that's why he Liantian wanted to touch him."

Shi Nuannuan was even more confused.

"Why?"

"Because, he Liantian wants Xiang Yi to marry his daughter, that is, Helian Manli!"

Hearing this, Shi Nuannuan turned her head to look at Xiang Yi in a daze.

He had never told her these things. Although she also knew that in these three years, because of his career, he had to cooperate with the Helian royal family, but regarding the things that he had to bear and carry..., she had always thought that it was only the Outsiders' opinion of him and Helian Man, but she did not know that even Helian Tian was putting pressure on him.

"You..."

Looking into her clear eyes, Xiang Yi raised the corner of his lips and held her hand, "It's nothing."

How could it be nothing? Helian Tian was a noble of the royal family. Other than the monarch of country A, he liantian was the King!

### **Chapter 1448: was actually still in the mood to joke**

Even if he had his own power in the past three years, how could he possibly be able to resist Helian Tian!

"Are you clear about Helian Tian's identity and status?" She raised her eyes and looked worriedly at the man in front of her who had a calm expression. He liantian had a calm expression on his face.

However, he smiled and asked her in return, "Then, you want me to comply with Helian Tian's request and marry Helian Manli?"

"..."

Shi Nuannuan was stunned. Of course, she did not wish for it to be like this.

She was only worried about him.

With his power, how could he possibly go against the Imperial Family!

She glanced at him and was a little anxious. "I'm worried about you. You actually have the mood to joke around."

He smiled and pulled her into his embrace.

"Don't worry, there will always be a solution."

She raised her head and looked at his exquisite face. "But what if the only solution is to marry Helian Manli?"

He lowered his eyebrows and also stared at her. "How can it be the only solution? Isn't there another one?"

"What?"

He looked at her clear black eyes, full of affection, but in the end, he didn't say anything. He just smiled faintly.

"I say, can the two of you take care of a bachelor like me?" Leo clutched his chest, feeling that he had suffered 10,000 points of harm!

The moment he opened his mouth, Xiang Yi also raised his eyes and glanced at him.

"There's one more thing, I might have to trouble you."

"Speak." Leo glanced at the two people opposite him who had been showing off their affection since the beginning.

“Our things are still in the hotel, please make a trip there.” As he spoke, Xiang Yi handed his room card to him.

“It’s a small matter!” Leo was quite straightforward. He took the room card and stood up.

Then, he glanced at Xiang Yi and Shi Nuannuan. “There’s a guest room on the second floor. Feel Free.”

As he said that, he took the car keys and prepared to leave.

Xiang Yi frowned and stood up in the next moment.

“You’re going alone?”

He thought that he only needed to send two people.

Leo turned his head. “Of course.”

Xiang Yi hesitated.

Even though he liantian might not know about Leo’s relationship with him, if he went to the hotel room he stayed in, he might be targeted by Helian Tian’s people. He might even be in deep trouble.

However, Leo seemed to see through his worry.

“Don’t worry! I’ll be fine!” He smiled confidently, as if victory was within his grasp.

Then, he turned around and left the room.

Soon, the sound of an engine could be heard in the courtyard.

Shi Nuannuan also walked over and looked in the direction of the door.

“Are you okay? He’ll go alone.”

Xiang Yi stared at the disappearing car shadow not far away, and his brows furrowed slightly. “Maybe.”

He knew that Leo had a certain level of strength in city a, but just like what Nuan Nuan was worried about, the things that he wanted to take back would have to be taken away from under the eyes of He liantian.

Was It really alright?

...

It was just as Xiang Yi had guessed.

Leo had just arrived at the entrance of the hotel room and walked in. He had just grabbed a suitcase and a bag when the exit at the door was blocked by two men in black!

However, facing the people who had suddenly appeared, he smiled gently with a calm expression.

Immediately after, the two people in front of him opened up a path and a leader walked out from behind them.

“Who are you to Xiang Yi?”

Leo smiled. "Lover!"

"..."

"Where is he?"

"At my house, on the bed!"

"..."

The leader seemed to have noticed that the blond man in front of him had a glib tongue. He was deliberately saying puzzling words to wait for an opportunity to escape?

"Get out of the way," Leo said, not wanting to continue talking nonsense with them here.

### **Chapter 1449: who was he exactly**

"What if I don't?"

"Dong!"

Leo suddenly released the luggage and bag in his hands. He simply walked leisurely to the sofa and sat down. "Then let your leader come."

The leader narrowed his eyes. "You want to see our leader? I'm afraid you don't have the qualifications."

"Whether he has the right or not, it's not up to him. It's up to me." Leo turned his head and smiled at the man.

The man was stunned for a moment, and his dark eyes narrowed even more.

...

In the villa, more than an hour had passed. Xiang Yi and Shi Nuannuan could not help but be worried when Leo did not return.

According to the time calculation, he should have returned by now.

Looking at the man standing by the window, Shi Nuannuan could see his worry.

"Will he be okay?"

"Probably not." Even though Xiang Yi thought so, his heart was still uneasy.

Leo was very smart, and he was a little cunning. He was not someone who could be easily caught, but why was he still not back by now.

As he was thinking, two lights came from not far away from the courtyard, accompanied by the sound of engines approaching from afar.

"You're back."

As soon as he finished speaking, he held her hand and walked towards the main door.

When he saw the two people walking out of the house, the worry on his face had yet to fade away.

Leo smiled. "You're worried about me?"

Xiang Yi narrowed his eyes. "Why have you been gone for so long?"

"Your guess is right. He Liantian's men are indeed guarding there."

"Then... Are You Alright?" Shi Nuannuan also asked with some worry.

"If I'm not okay, can I come back safely?" Leo smiled at her and walked into the house.

Seeing that he was safe and sound, Xiang Yi and Shi Nuannuan naturally felt at ease.

"It's very late. I'm going up to wash up and sleep. You two should rest early too."

As he spoke, Leo smiled at the two of them and walked towards the second floor.

The Butler had already prepared a guest room for the two of them. It was already late at night. Looking at his back view as he went upstairs, Xiang Yi also turned to look at the person beside him. "Go up."

When they returned to the room, Shi Nuannuan could not help but look around.

"What kind of person is this Leo? It seems like he lives alone in this villa."

Xiang Yi could not help but frown when he heard her question.

After knowing Leo for more than five years, he only knew that he was a genius who loved to study medicine. However, he knew nothing about his background and identity. He had also never met his parents or other family members.

"I'm not sure. Ever since I met him, he has always lived alone."

Hearing this, Shi Nuannuan could not help but frown.

Leo did not look old, and his name did not sound familiar to her. A man with no achievements could actually afford to live in such a luxurious house.

"Go to sleep. We'll go back early tomorrow morning."

He raised his hand and patted her head lovingly.

Shi Nuannuan nodded as well and walked towards the big bed.

...

Early in the morning, Xiang Yi woke up when the sky was slightly bright.

Shi Nuannuan was a little tired, so she fell into a deep sleep.

He had no choice but to wake her up because he had booked a flight at seven o'clock.

Hearing his deep and gentle voice beside her ear, Shi Nuannuan woke up lazily.

“Don’t you want to see your son earlier?”

Upon hearing the word ‘Son’, Shi Nuannuan instantly lost all her drowsiness. She sat up abruptly and asked, “What Time is it?”

“6:10.”

She lifted the blanket, got out of bed, and walked to the washroom.

Looking at her hurried back, Xiang Yi’s lips curled up slightly. Then, he turned around and walked out of the room.

Before he left, he had to say goodbye to Leo.

After washing up, it was already 6:30 in the morning.

### **Chapter 1450: Who Are You Calling Ugly! ?**

Leo personally sent the two of them to the international airport.

“Take care.”

“I like that word!”

“If there’s a chance, come to Country Z.”

“Don’t worry, I’ll definitely go.”

Looking at this one and only best friend, Xiang Weiyi patted him on the shoulder, then pulled Nuannuan and turned around to enter the boarding gate.

After five hours of flight time, when they arrived at country Z, Shi Nuannuan naturally didn’t have to worry anymore.

Even though Helian Tian was a noble of the royal family, her Shi family wasn’t ordinary either. At the very least, the He liantian family couldn’t be arrogant in front of her brother!

It was already noon when they arrived at Country Z.

Shi Nuannuan couldn’t wait to see her son.

However, as soon as she arrived at the Jinghai Villa, she heard a clamor coming from inside the house.

She got off the car and walked towards the main door.

“You’re just an outsider. What right do you have to strut around in my house! ?”

“Ha! I strut around? I’m an outsider? Little Thing, do you even understand the situation? You and your mommy can live in such a good house because your daddy understands? In the end, it’s all because your mommy seduces people. She just lives here. She really thinks she’s a member of the Xiang family!”

In the living room, Feng Lulu crossed her arms and stared at the little figure in front of her arrogantly.

She had observed the house for the past two days. There was not even a single wedding photo in the house. Her mother and Xiang Yi were not married at all!

“Your mother is the one who seduces people!” Staring at Feng Lulu in front of him, Xiang Jinghan did not want to be outdone. He hated this woman called Feng Lulu to death!

“What are you guys arguing about?”

Hearing the argument, Feng Shunqing, who was building a potted plant in the backyard, walked in.

Because he had been living for free for the past few days, he always felt uneasy, so he wanted to find something to do as much as possible.

Seeing her father walk in, Feng Lulu sat down on the sofa. She knew that every time her father would only help Xiang Yi’s family, he would only give her a hard time.

But the little guy’s eyes were red with anger!

“Lulu, are you bullying Hanhan again! ?”

Feng Shunqing had just walked in and questioned her daughter. Hearing his questioning tone, Feng Lulu naturally felt unbalanced.

“When did I bully him! ? He has already learned to scold people at such a young age, who can bully him?”

“You are an old witch! A bad person, an ugly freak!” Looking at Feng Lulu who was sitting on the sofa, Xiang Jinghan’s small face was filled with anger!

When Feng Lulu heard that, her face turned extremely ugly!

“Who are you calling an ugly freak! ?”

“It’s You, you are an ugly freak that no one wants!”

“You, say it again!”

“Bad Person, Ugly Freak!”

“You!”

Feng Lulu stood up in a flash, her face turning green. She raised her hand and slapped her!

“What are you doing! ? How dare you! ?”

The moment she slapped her, Feng Shunqing immediately stopped her. At the same time, he rushed over, afraid that she would really slap him!

Sister Chen, who heard the argument, also ran out of the kitchen. She looked at Feng Lulu’s actions in shock, and her face changed in fright!

However, Feng Lulu was so angry that she didn’t care about her father’s order. She didn’t even consider the consequences and had no intention of stopping!

“Slap!”

A loud slap landed on Xiang Jinghan’s face. In an instant, a few red fingers were reflected on his fair and tender face.

Shi Nuannuan had just entered the living room when she saw her son being slapped. She was furious! ! !
