

Kiss Me 1461

Chapter 1461: I see that you are covered in blood

I don't understand what he means by saying this out of the blue.

"What do you mean?" Shi Nuannuan asked, her voice a little indifferent.

Cheng Huan glanced at her but did not answer. Instead, he turned his gaze to the television news that was playing.

Shi Nuannuan frowned and followed his line of sight. She saw that a traffic accident was playing on the television.

Looking at the familiar scene, it seemed to be on Chengnan Road in the city.

Then, a familiar figure crashed into her line of sight.

"Xiang Yi..."

"Half an hour ago, a major traffic accident occurred on Chengnan Road heading north. Currently, the police are investigating..."

"Xiang Yi!"

Shi Nuannuan rushed to the television because she saw on the screen that Xiang Yi was covered in blood.

"What... What's going on?"

Old Mister Cheng was also shocked.

"Xiang Yi... Xiang Yi..."

Looking at the man covered in blood, Shi Nuannuan's heart felt like it had been pierced by a sharp knife, and it hurt fiercely!

She took out her phone, but her trembling hands couldn't unlock the phone password no matter what. She was so anxious that she didn't know what to do!

She finally unlocked it with great difficulty and dialed Xiang Yi's phone number.

The phone only rang once before it was picked up quickly!

"Hello! ?"

"Nuannuan."

Hearing that familiar voice, she was so anxious that she cried. Bean-sized tears immediately burst out of her eyes. "Xiang Yi... how are you? I... I saw that you were covered in blood..."

Hearing the sobbing sounds coming from the phone, Xiang Yi was stunned for a few seconds before he said, "I'm fine."

How could Shi Nuannuan be stunned... there was so much blood on your body..

“That’s someone else’s blood.”When the car accident happened, the female driver was stuck in the driver’s seat and the situation was urgent. He had no choice but to get out of the car to save her.

Shi Nuannuan was stunned. Although she was a little lost, her anxious heart calmed down slightly when she heard that it was someone else’s blood.

“Someone else’s blood?”

“Yes.”

“Then you...”

“Jing Han and I are fine, but...”Xiang Yi was still at the scene of the car accident. Because it was a major traffic accident, his car was stuck there for a while, and he couldn’t get out at all.

“I might have to pick you up later. You wait over there.”

When she heard that he was fine, Shi Nuannuan was already thankful to the heavens.

“I’m fine. You can take care of things over there first.”

“Okay.”

After hanging up the phone, she looked at the car stuck in the middle of the road. It was definitely not going to come out anytime soon.

Fortunately, it was not far from the company. Xiang Yi could only bring his son back to the office first. He planned to take a shower and change into a new set of clothes before setting off.

In the living room of the Cheng residence, Shi Nuannuan hung up the phone and heaved a sigh of relief.

“How is it? Are You Alright?”

Old Cheng could not help but worry about her.

Shi Nuannuan looked up at him. “I’m fine.”

After waiting for a while, the sky outside the window gradually darkened.

She insisted on not eating dinner here, so the Cheng family could not eat by themselves, so they followed her to wait for Xiang Yi.

At six o’clock, the sound of a car engine could be heard from outside the door.

Shi Nuannuan and Nuannuan were the first to rush out!

Just as they reached the door, they saw the man who got out of the car.

The moment she saw that he was safe and sound, Shi Nuannuan’s eyes actually turned a little sour.

She rushed over and hung her hands tightly around his neck, burying her face in his chest. “Xiang Yi...”

The moment she opened her mouth, her voice became a little choked up.

Xiang Yi was stunned. His gaze drifted to Cheng Huan who was standing at the door, thinking that Nuannuan was being bullied here.

“What’s wrong with you?”

Chapter 1462: touched his heart with fear

“What’s Wrong?”

The next moment, he felt a wet feeling coming from his chest.

Was she crying?

“Nuannuan...”he tried to push her away, wanting to know what was wrong with her.

However, Shi Nuannuan hugged him tightly and refused to let go. Her body was clearly sobbing.

“What’s Wrong?”

Finally, Shi Nuannuan buried herself in his chest and shook her head. “Nothing, it’s just... I thought that I would suddenly not be able to see you again...”

Her sobbing voice rang out in his arms, causing his heart to tighten as though it had been pricked by a needle.

He raised his hand and hugged her gently, rubbing his face against her hair. “I won’t disappear again.”

However, Shi Nuannuan was still sobbing and trembling.

At that moment, her heart seemed to have been sucked out of her. That helpless fear was just like how he had suddenly disappeared three years ago. No matter how hard she tried to find him, she could not find him.

At the entrance, Cheng Huan stood there and quietly watched the scene in front of him. His hand, which was stuck in his pocket, secretly clenched a few times.

Suddenly, he walked over.

Xiang Yi looked up and saw Cheng Huan slowly walking over from afar.

He frowned, not knowing what he was going to do.

When he came to the two of them, Cheng Huan stood still and looked straight at Xiang Yi.

“Since you’re here, let’s talk.”

Xiang Yi frowned slightly.

He wanted to talk to him?

Hearing Cheng Huan’s voice, Shi Nuannuan, who was still buried in his chest, finally stood up and turned to look at Cheng Huan who suddenly walked over.

She thought that he had said those words to her, but she realized that the person whose gaze was locked on was Xiang Yi.

What did he want to talk to him about?

She looked at the two people in front of her in a daze.

...

In the backyard, on the Redwood Bridge of the pond, Cheng Huan stood there and looked calmly at the orange-red school of fish in the water.

“What do you want to talk to me about?”

Xiang Yi’s slightly deep voice sounded from behind. He walked over and looked at him leisurely sprinkling food on the school of fish with an indifferent expression.

Cheng Huan finished sprinkling a small bag of fish food. Then, he turned around and met Xiang Yi’s dark eyes.

After a long while, he spoke.

“It’s nothing. I just have a few things I want to confess to You.”

”...”confess?

Xiang Yi’s thick eyebrows furrowed slightly. What did he have to confess to him? The conspiracy from three years ago?

He was already clear about that.

“I think you should know about what happened three years ago.”As he said that, Cheng Huan turned around and looked at the distant sky, “It’s the first time in twenty-eight years that I’ve fallen in love with a woman. When I knew that she loved you, I also thought of giving up, but... I became more and more infatuated with her. I was infatuated to the point that in order to get her, I didn’t hesitate to resort to underhanded means.”

Looking at his back view, Xiang Yi had no interest in his love for Nuannuan.

“You mean talking about these things?”

Cheng Huan turned around and looked at him directly. “Don’t you want to know what underhanded means I used?”

Xiang Yi was stunned, not knowing what he wanted to say.

“You’re very lucky,”Cheng Huan said again.

Xiang Yi was stunned, and his brows furrowed slightly.

What did he mean by that?

Suddenly, a few fragmented images appeared in his mind. Could it be..

He always felt that the two accidents three years ago were too strange, but nothing happened after that. He thought that he might have thought too much.

After all, if a person really wanted to kill him, he would want to kill him no matter when and where!

"It seems that you seem to remember." Cheng Huan stared at him. From his expression, he seemed to remember something.

Chapter 1463: she treated you the same

"The construction site and the car accident were all done by you?" Xiang Yi's malicious eyes emitted a threatening coldness as he looked at Cheng Huan tightly.

Cheng Huan did not deny it, but he did not admit it directly either.

He would leave this city tomorrow. He did not want to let his guard down and let others have some leverage over him.

"You're really lucky. But I'm also glad that you avoided those two disasters. Otherwise, the current me might be in prison."

Xiang Yi stared at him but did not speak.

"But from now on, you can rest easy. Tomorrow, I'll leave this place."

So what he meant was that he would not interfere between him and Nuannuan in the future?

"Do you know? Sometimes, I'm really a little jealous of you. Why can you, who has nothing, Win Her Heart? Even though three years have passed, she still treats you the same."

On the sofa in the living room, Shi Nuannuan was a little restless. From time to time, she would look in the direction of the backyard. Under the night sky, she could not see the two men.

Half an hour later, Xiang Yi's figure finally walked over slowly.

She stood up and went up to him. "What did he say to you?"

Looking at the person in front of him, Xiang Yi smiled gently. "It's nothing. Let's go home."

As he said that, he held her in his arms and walked towards the Cheng family's main door.

After that, Cheng Huan entered the living room and watched the two of them leave.

If it wasn't his, it wouldn't belong to him in the end.

Only by giving up could he continue his life.

...

It was already seven o'clock at night when they left the Cheng family's residence.

Shi Nuannuan, who didn't see her son, couldn't help but ask, "Where's Han Han?"

“He was a little sleepy when he came over, so I sent him back first.”

Shi Nuannuan heard that.

But then she thought about it.

“What exactly did he and you talk about?”

After the incident three years ago, the current Shi Nuannuan was really worried that Cheng Huan would cause trouble and make him disappear in front of her for three years again?

The red light lit up. Xiang Yi turned his head and looked at her slightly nervous face. He suddenly chuckled. “What are you nervous about?”

Shi Nuannuan paused.

“I’m Not Nervous!”

As she spoke, she pretended to be calm as she brushed her hair.

He turned his head and continued to start the car.

“He said that he won’t interfere in our affairs anymore.”

Hearing this, Shi Nuannuan turned her face and looked at the side of his face with disdain.

Would Cheng Huan really say that?

It was already a little late when they arrived at Jinghai Villa.

In the room on the second floor, Xiang Jinghan had already eaten dinner and was sleeping soundly.

And up until now, the two of them had not eaten yet.

Sister Chen prepared some food for them and then left.

After eating dinner, she took a shower. As there were still some emails that needed to be processed, Xiang Yi went to the study room, and Shi Nuannuan went straight to sleep.

She slept until she was in a daze and felt that there was a place that was very warm. She could not help but burrow into that place and find a comfortable place to continue sleeping..

The next day.

Early in the morning, Feng Lulu’s cold was almost gone. Feng Shunqing decided to move into the house that Xiang Yi had bought for them.

He was a person who knew his own limits. No matter how Righteous Nuan Nuan was, he did not want to stay here and disturb the three of them.

“I’ll send you there.”

After breakfast, Xiang Yi looked at Feng Shunqing and said.

“No need. You can ask someone to call a car. We can go there ourselves.” Feng Shunqing declined. Because she knew that he was very busy, she didn’t want to trouble him anymore.

“It’s okay. After I send you there, I’ll go straight to the company.”

Chapter 1464: What’s the condition?

“This... Alright then.” Hearing his words, Feng Shunqing did not try to shirk anymore.

“I’ll go too.”

Shi Nuannuan also spoke up. If she did not go, it seemed a little unreasonable.

“There’s no need. You stay at home and take care of Hanhan. Just ask Xiang Yi to send us over.”

“It’s fine if you stay at home. Hanhan isn’t awake yet.” Xiang Yi also spoke to her.

Thinking of her son who was still sleeping soundly, Shi Nuannuan didn’t insist any further.

After the group left the house, they arrived at an apartment in the city center.

As soon as they entered the apartment, Su Xiuying was shocked to see the exquisite decorations inside.

Although this place couldn’t compare to the villa, compared to their previous house, it was like the difference between heaven and earth!

“Xiang Yi, this house... is it really for us? Is It Free?”

Looking at Xiang Yi, Su Xiuying was still in disbelief.

Xiang Yi glanced at her indifferently. “Yes, but there is a condition.”

Hearing his words, Su Xiuying was stunned, and even Feng Shunqing was a little surprised.

“What condition?”

Staring at Su Xiuying, Xiang Yi was silent for a few seconds before he said, “If I find out that you are involved in gambling again, I will take back this house. At that time, even if your family sleeps on the streets, it has nothing to do with me.”

“No, no! I’ll never play cards again!” Su Xiuying quickly waved her hand and promised.

She would never gamble again in the future. She didn’t want to experience the days of being homeless and sleeping on the streets again.

“It’d better be so.”

Listening to what he said to his wife, Feng Shunqing was very grateful.

The condition he mentioned was to control his wife’s gambling addiction. If she really quit gambling, perhaps this house would really be like a home.

“Mom! Come and take a look. My Room is so beautiful! I’ve never used such a beautiful room before!”

Feng Lulu suddenly rushed into the living room and held Su Xiuying's hand excitedly.

However, when she met Xiang Yi's cold gaze, her expression wilted. She lowered her head and did not dare to speak anymore.

"Oh right, uncle." Xiang Yi's gaze turned towards Feng Shunqing again.

Feng Shunqing looked up as well. She could tell that he had something to say.

"It might be a little unfair to you, but if you think it's suitable for you, go to my company and become a guard. I will pay you a reasonable salary every month according to the company's regulations."

Although his position might be a little humble to his biological uncle, he was a disabled person. This job was actually the most suitable for him.

Moreover, in such a big city, working as a doorman in a big corporation would earn him much more than when he was in the countryside.

Feng Shunqing was overjoyed when she heard that!

"Really? I... I can do it?" He was a little discouraged, worried that he was not qualified for this job.

Xiang Yi smiled slightly. "It's not a difficult thing. Someone will explain the relevant rules and work content to you."

"Good, good!" Feng Shunqing was extremely excited. He did not want to rely on Xiang Yi anymore and wanted to rely on himself.

Then, Xiang Yi's gaze fell on Su Xiuying's face.

Su Xiuying was still a little timid after being stared at by him like that.

"You don't need to do anything. You just need to cook a warm and full meal for uncle when he returns home."

Hearing his words, Su Xiuying suddenly felt a little guilty.

All these years, apart from staying by Feng Shunqing's side, she had not done her duty as a good wife.

"I, I understand." She lowered her head, her expression gloomy.

Chapter 1465: had arrived

"Cousin, what job did you arrange for me?" Feng Boyu walked over and looked at him with a fawning expression.

He hoped that he had arranged a very good job for him. It would be best if he did not need to be exposed to the elements.

Xiang Yi turned to Wen Sheng and said casually, "Logistics Department."

"..."logistics department?

“Then, logistics department, what position do I want to take?”

“Canteen, serving dishes.”

”...”

Feng Boyu was stunned.

“Nothing much, I’m going to the company.”

Xiang Yi waved at Feng Shunqing and turned to leave.

Feng Boyu came back to his senses. “No, cousin, you’re the Big Boss, why did you arrange such a job for me? Cousin... Cousin!”

In front of the door, Xiang Yi stopped and turned to look at Feng Boyu who had caught up with him.

“Why, do you think it’s not suitable for you?”

Meeting his cold eyes, Feng Boyu pursed his lips. “I, I just think... I can do better.”

“Then work hard.”

With that, Xiang Yi was about to leave again.

Feng Boyu seemed to have thought of something and called out to him again, “Hey, Cousin!”

Xiang Yi turned his head and stared at him.

Feng boyu chuckled, “UM, isn’t this place quite far from your company? Why Don’t You Get Me a car? “I see that you have quite a lot of luxury cars in your villa. That Porsche is pretty good. Can You... lend me some time so that I can go to work?”

Hearing this, Xiang Yi lowered his eyes slightly and then looked up again, his gaze landing on his face.

“You want a car?”

Feng Boyu’s eyes lit up and he nodded vigorously. “Yes!”

“My Company, the management department is on the 48th floor. When you get to this floor, I’ll give you a limited edition Porsche.”

Feng Boyu was completely dumbfounded.

“Limited, limited edition?”

“Yes.”

“Cousin, are you kidding me?” He couldn’t believe it.

“This is my reward for you, but whether you can get it or not depends on you.”

After saying that, Xiang Yi did not speak again, but turned around and left the apartment.

Feng Boyu was still in a daze and did not come back to his senses for a long time.

Porsche, limited edition, limited edition, Porsche..

48th floor, 48th floor, he must climb to the 48th floor!

...

After leaving the villa, Xiang Yi drove to the X · s group.

Just as he reached the top floor, his phone rang.

‘Ding!’

The elevator door opened and he walked out. Then, he took out his phone and saw a familiar number.

“Hello?”

He picked up the phone and walked towards the office.

“Mr. Xiang, the things you ordered have arrived. Are you going to pick them up personally, or should we send them over for you?”

“Send them over!”

“Okay.”

After hanging up the phone, Xiang Yi walked to his desk.

As soon as he sat down, the secretary knocked on the door and entered. He placed some documents that required his signature to read in front of him.

Half an hour later, the internal line rang.

“President, a lady is looking for you.”

“Let her in.”

After ending the call, the office door was quickly knocked on. Then, the secretary walked in with a tall woman.

She was holding an exquisite box in her hand. As soon as she walked in, she flashed it at Xiang Yi. “The thing you want, it’s done.”

Xiang Yi raised his head and glanced at the person, then got up and walked around the office desk.

“Sit.”

He made a ‘please sit’ gesture to the woman, then said to the secretary, “Double the coffee.”

Then, he sat down on the sofa.

Chapter 1466: Aren’t you afraid that your fiancée will be jealous?

“Xiang, I’m a little curious. Why Did You Engrave Your Company’s name on it?”The woman looked at him, her beautiful face bewitching and full of curiosity.

Xiang Yi only glanced at her a little, but did not answer.

“Thank you, thank you for your trouble.”

The woman smiled. “Thank you so much. Please treat me to a meal. It’s rare for me to come all the way here personally.”

“Sure.”

“So it’s settled then?”

Xiang Yi lowered his eyebrows. After two seconds of silence, he said, “Yes, I will thank you together with my fiancée.”

Hearing his words, the woman paused for a moment, then gave a sexy and charming smile, “I thought you were the one who invited me. After all this time, I was with your fiancée. Why? Are you afraid that your fiancée will misunderstand something?”

“Miss demille is thinking too much. You are the famous chief designer of international jewelry. I’m afraid that the men who want to treat you to a meal will have to queue from home to abroad. There’s no place for me.”

Demille raised her eyes and the corner of her sexy lips slowly rose. She smiled charmingly. “I like to hear that. However, if Xiang invited me alone, I’m willing to reject all of them just for you.”

Xiang Yi also smiled. “You’re still so fond of joking.”

As he finished speaking, he lowered his head and took out the things in the exquisite box.

“How is it? You’re still satisfied with this big CEO, right?”

“Since it’s from you, I’m naturally satisfied.”

The door was pushed open, and the secretary walked in with two cups of coffee, placing them in front of the two of them.

Demi-er smiled at him and didn’t say anything else. Instead, she picked up the coffee and took a sip.

After looking at the things in the box for a while, Xiang Yi put them away. Then, he looked up at demi-er. “When are you going back?”

Demi-er put down the coffee cup. “It’s rare for you to come over. Let’s play for a while before you leave. It’ll be a good time to relax.”

“Okay.”

“TSK, I thought you were going to invite me to your house to play. I’m a little disappointed.”

“If you want to go, I’ll naturally welcome you.”

“Aren’t you afraid that your fiancée will be jealous?”

Xiang Yi looked at her and was silent for a few seconds. The image of Shi Nuannuan being angry and jealous appeared in his mind, and the corners of his mouth could not help but curl up slightly.

“Maybe.”

Dai Mi'er saw happiness on his face.

“I really envy your fiancée. She found a good man like you. He's gentle, warm, and more importantly, he's so rich!”

Xiang Yi chuckled. “She probably won't even take a fancy to my little money.”

“Really? That's still enviable... sigh, when will I be able to find him?”

“As long as you want to, it won't be a matter of time.”

“PFFT, forget it. In this world, either a good man hasn't been born yet, or he's already married. As for the rest... maybe, there are still a few of them.”

Xiang Yi smiled but didn't say anything.

“Oh right, I've been holding my pee for so long. Where's the bathroom?”

Before Xiang Yi could speak, daimei said again, “Eh, I don't want a public one. It's best if it's independent!”

She was a germaphobe and didn't like public bathrooms.

Xiang Yi pointed to the opposite side with his eyes.

Demi-er turned her head to look, then turned back and smiled charmingly. “Thank you, Oppa!”

As she finished speaking, she had already turned around and walked to the bathroom.

Xiang Yi's gaze finally landed on the exquisite small box. Then, he got up and walked to the office desk, placing the box in the drawer.

Knock Knock!

Chapter 1467: is this explanation enough?

The office door was suddenly knocked again. Wen Sheng raised his head when he heard the knock. Before he could open his mouth, the door was pushed open.

“Daddy!”

He heard the voice before he saw the person.

The next moment, he saw Xiang Jinghan's petite figure walk in, followed by Shi Nuannuan.

“Jinghan.”

Seeing his son, Xiang Yi stood up and walked over.

“Daddy, I miss you so much!”

He walked over and took a look at his son. Then, he turned his gaze to Shi Nuannuan who was walking over and asked softly, “Why are you guys here?”

Shi Nuannuan glanced at her son. “When he woke up, he insisted on coming to see you. Furthermore, I didn’t bring him here. He actually wanted to drive his electric toy car here by himself. I had no choice but to bring him here.”

Shi Nuannuan sometimes had a headache when it came to her son.

However, whenever he did anything in the past, as long as she patiently explained it to him, he would still listen to her.

It seemed that ever since Xiang Yi came back, as long as it involved him, her son would definitely do it before he would stop!

After saying that, Shi Nuannuan could not help but look at the man in front of her and asked softly, “Will it disturb your work?”

He curled his lips and smiled gently. “If even my wife and children are disturbed, doesn’t that mean that I don’t have any freedom in my life?”

She was amused by his words. Perhaps even if they were disturbed, he would not say it out loud.

“Oppa, your office design is not bad —”

The bathroom door was suddenly pushed open and Dai Mi’er walked out. When she saw Shi Nuannuan and the little boy who had suddenly appeared, she suddenly stopped what she was about to say.

When she saw the sudden appearance of the woman, Shi Nuannuan’s expression instantly froze.

Oppa?

If she did not remember wrongly, this was Korean, right? It was an intimate term used by young women to address men!

Looking at the slightly familiar face at the bathroom door, for a moment, Shi Nuannuan could not remember where she had seen her before, but the strong jealousy in her heart instantly spread to her chest.

She turned her gaze away and stared at the man in front of her. Her tone was frivolous as she said, “Oppa, looks like I came at a bad time.”

Xiang Yi could see jealousy on her face, but he did not seem to dislike her at all. Instead, he liked the way she looked when she was jealous. He could not help but chuckle.

”...”he was actually laughing?

Shi Nuannuan became even angrier!

“About that, don’t misunderstand. I was joking just now.”

Feeling that the atmosphere was not right, dai mi'er quickly stepped forward to explain.

The person in front of her was obviously the real madam, but she looked a little familiar. It seemed like she had seen her somewhere before?

Shi Nuannuan gave her an annoyed look, and then her gaze fell on Xiang Yi's face. "You were joking?"

Xiang Yi was silent for two seconds, and his sexy thin lips still had a slight curve. He nodded and said, "Yes."

"Just when I came? What a coincidence."

"Mm, it is a coincidence."

"Xiang Yi! !!" Shi Nuannuan was completely enraged! He was actually flirting with another woman! ? ?

Daimi'er, who was standing at the side, looked at the scene in front of her and raised her eyebrows. She walked to the sofa and continued to drink the cup of coffee.

Looking at the woman who walked over and drank the coffee leisurely, Shi Nuannuan felt a surge of jealousy. She turned her head and continued to look at the man in front of her. "Don't you have anything to say to me — HMM —"

Before she could finish her sentence, the man in front of her suddenly approached her. The next moment, he lowered his face and sealed her pink lips

Shi Nuannuan's eyes widened when she was suddenly kissed!

What was going on! ! ? He actually... kissed her in front of an outsider! ? ?

Chapter 1468: inappropriate for children

After a deep kiss, he let go of her, and his black eyes met hers. "Is this explanation enough?"

Shi Nuannuan was still in shock when she met his deep, ink-like eyes, because the kiss had come too suddenly.

Daimi'er, who had just taken a sip of coffee, almost choked on it.

This couple really didn't care about the occasion at all!

She suddenly stood up and walked in front of Xiang Jinghan, blocking his eyes with her hand. "It's not suitable for young children."

Xiang Jinghan was stunned, and then he lifted his hand to take Dai Mi'er's hand away. "Mommy, I want a kiss too!"

Dai Mi'er sweated, and the corner of her mouth twitched twice.

They were really the same father and son.

It was only when her son's voice rang out that Shi Nuannuan suddenly snapped back to her senses. She pushed the man in front of her, and her face turned red to the root of her neck!

"What, what are you doing..."

Looking at the redness on her face, he smiled without saying a word.

Then, he turned around and looked at Dai Mi'er. "My fiancée, Shi Nuannuan."

Dai Mi'er stood up. When she heard the name in his mouth, she was suddenly stunned.

Shi Nuannuan?

Her gaze suddenly turned to Shi Nuannuan, and she sized her up from head to toe.

Shi nuannuan naturally noticed the gaze that was sizing her up, and she could not help but squint her eyes as well.

This woman was really getting more and more familiar the more she looked at her. Just where had she seen her before?

"She's Dai Mi'er."

Xiang Yi did not directly reveal her identity as a jewelry designer, and he held back a little.

Dai Mi'er? who was that?

Shi Nuannuan furrowed her brows. She was a little familiar with this name, but... it did not seem to have appeared in her life.

Dai Mi'er had been staring at her the entire time. For a young miss like her, perhaps she rarely paid attention to some magazine reports. It was no wonder she could not remember herself.

"Then why did she come?" Shi Nuannuan glanced over. After that kiss just now, the jealousy in her heart had clearly subsided quite a bit.

However, she was still a little jealous.

It didn't matter if she was selfish or willful, she just didn't like the fact that Xiang Yi was surrounded by other women. Perhaps, he was selfish and possessive.

If it was Xiang Yi, he also didn't want her to surround other men.

"I have something to do."

"What is it?" She glanced at him and asked.

"En..." he hesitated for a few seconds, as if he wanted to find an excuse.

However, his hesitation made Shi Nuannuan nervous instantly. She stared at him unblinkingly!

"She came here to do something, and she came to visit me."

Shi Nuannuan frowned and looked at him with disdain.

She came to visit him? were they on good terms?

Daimi'er saw that he was hiding her identity and didn't tell her why she came here.

So, even now, Shi Nuannuan still did not know that he had custom-made a pair of wedding rings?

"It's time to eat. Let's go together."

Xiang Yi looked at his watch. The hour hand was pointing at 12 o'clock sharp.

He picked up his coat and picked up his son who was on the ground. He glanced at Nuannuan and Dai Mi'er and held her waist. "Let's go."

The restaurant was located at a local restaurant in the city center. As it was quite a distance from the company, they had to drive there.

Dai Mi'er had a car, but she suddenly wanted to take their car.

"Baby, Come!"

After carrying her son, Shi Nuannuan turned around and was about to sit in the passenger seat. However, when she turned around, she realized that Dai Mi'er was sitting in the passenger seat.

She paused and could not help but be stunned.

Chapter 1469: fighting over the menu

This woman actually dared to snatch her special seat?

"Hey, woman, what are you doing?"

Standing in front of the car window, Shi Nuannuan glanced at the woman on the driver's seat and asked with a look of contempt.

Dai Mi'er was still a little stunned and pretended not to understand. "What?"

Shi Nuannuan used her gaze to point at the seat that she had occupied. "Sorry, that's Mine!"

Dai Mi'er smiled, but she had no intention of getting out of the car. "Is that so? I thought you were going to take care of the child, so you're going to sit in the back."

"Then, are you going to get out or not?" Shi Nuannuan asked directly.

No one was going to occupy her special seat!

Dai Mi'er raised her eyebrows. "Alright!"

She opened the door of the passenger seat and turned to the back seat.

Shi Nuannuan carried her son and sat in the passenger seat. The car moved forward slowly as she thought about the restaurant's departure!

When they arrived at the restaurant, they arrived at the reserved private room. There was only one menu. Shi Nuannuan and Nuannuan reached out their hands at the same time.

Dai Mi'er's gaze turned to Xiang Yi. "Since you're treating me to a meal, shouldn't I be the one ordering?"

When Xiang Yi heard that, he looked at her and then at Nuannuan before nodding. "Mmm..."

"I want to order too!" Shi Nuannuan grabbed the menu and refused to let go!

Xiang Yi was helpless and raised his hand to call the waiter over. "Please bring another menu over."

Logically speaking, this meal was meant for Dai Mi'er, so it was natural for her to order. However, since his wife also wanted to order, he naturally had to satisfy her.

Another menu was brought over, but Shi Nuannuan and Nuannuan still let go. Dai Mi'er did not argue with her and instead picked up another one.

"Fish with pickled cabbage."

"Fish with pickled cabbage."

The two women ordered dishes separately, but they said the same dish at the same time.

Shi Nuannuan was stunned. She looked up at the woman in front of her and felt a sense of déjà vu.

Dai Mi'er also looked at her, but she smiled and did not say anything. She lowered her head and continued to order.

"Sweet and sour pork ribs."

"Braised lion's head."

Shi Nuannuan raised her eyes and squinted at the woman in front of her. "Chen Jiaqi!?"

Upon hearing the familiar name, Dai Mi'er raised her head. "Don't worry, Shi Nuannuan, you're still as willful and unreasonable as ever!"

"It's really you! Why are you here!?"

"Why, only you can come, so I can't come?"

"My whole family emigrated here, What About You!?"

"Me?" Dai Mi'er's eyes flashed with a sense of humor. "Of course, I'm here because your fiancé invited me."

This time, Shi Nuannuan did not fall for it!

Because she knew Chen Jiaqi too well!

"You two know each other?" Xiang Yi could not help but frown as he looked at the two of them.

Shi Nuannuan glanced at her and threw a disgusted look at them!

No, her name was Chen Jiaqi. What was going on with Daimi'er?

Ah, she remembered now. Dai Mi'er..

Wasn't she that international jewelry designer? It was actually Chen Jiaqi! ?

"You... You're that designer?"

Chen Jiaqi brushed her long wavy hair. "That's right!"

"Tch!" Shi Nuannuan still gave her a disdainful look!

Chen Jiaqi, one of her deskmates in high school. Because they didn't like each other, Shi Nuannuan transferred to another school!

She really did not expect to meet her in such a small world after eight years!

After ordering, a table of delicacies was quickly served.

Cheng Jiaqi's eyes suddenly turned. She picked up a spare rib and placed it into Xiang Yi's bowl. "Your favorite."

Chapter 1470: aren't you afraid that I will steal your man?

Looking at the dishes in the bowl, Xiang Yi was still a little stunned.

In the next moment, that piece of ribs was picked up by another pair of chopsticks and thrown onto the table.

"I'm sorry, my husband doesn't eat sweet and sour ribs. You remembered wrongly!"

After picking up the piece of ribs in Xiang Yi's bowl and throwing it onto the table, Shi Nuannuan raised her eyes again and smilingly said to Chen Jiaqi opposite her!

Looking at the piece of ribs that was 'abandoned', Xiang Yi's lips unconsciously curled up into a smile. Then, he looked up and looked at Shi Nuannuan's delicate little face lovingly.

Facing her fake smile, Chen Jiaqi raised her eyebrows and looked at her meaninglessly.

"You're still so bossy and domineering."

Shi Nuannuan smiled again. "That's inevitable. If not, how can I drive away those annoying 'flies'?"

"Are you talking about me?"

Shi Nuannuan picked up her chopsticks and picked up a dish for Xiang Yi. Then, she fed her son another mouthful of food. "No! Of course, if you want to put yourself in my shoes, there's nothing I can do."

Chen Jiaqi glanced at her. Her character was still the same as back then. It was easy to change a country, but hard to change one's nature.

However, she really envied her. She could actually find a man who spoiled her so much. Sigh!

Chen Jiaqi sighed. This made Shi Nuannuan a little uncomfortable. She raised her eyes and looked at her. According to her character in high school, shouldn't she be picking a fight with her now? What, did she change her character?

The lunch ended. The process was not very pleasant, but it had a different flavor.

After leaving the hotel, Cheng Jiaqi also planned to return to the hotel.

"Thank you for your hospitality, I'm leaving."

After calling a taxi, before boarding the car, Chen Jiaqi looked at Xiang Yi and glanced at Shi Nuannuan.

"Then I won't send you off."

"Don't send me off, in case your fiancée is unhappy." She glanced at Shi Nuannuan lightly, but there was no hostility in her eyes.

Shi Nuannuan looked at her and couldn't help but ask, "Hey, what's your real name now?"

"My real name is naturally Chen Jiaqi. Daimi'er is just my name as a designer."

"Are you still developing in C Nation?"

"Yes."

"Do you have time... to come to my house to play?"

Hearing this, Chen Jiaqi could not help but squint her eyes. "Why? Aren't you afraid that I will steal your man?"

"I'm not afraid," Shi Nuannuan said confidently.

"Why?"

"Because..." she leaned over. "You're too ugly."

"Shi Nuannuan!" Chen Jiaqi, who had always been very elegant, couldn't help but be furious at this moment!

However, in the blink of an eye, she returned to her elegant posture. "Forget it. I want to be an elegant woman. I Won't argue with you."

"Tch!" Shi Nuannuan gave her an annoyed look!

After Chen Jiaqi left, Shi Nuannuan followed Xiang Yi back to the X · s group. She waited until his lunch break was over and he was back to work. Only then did Shi Nuannuan leave with Xiang Jinghan.

Thinking of the fact that she had not been to Shi mansion for a long time, she took her son there in the afternoon.

"Nuannuan? Why are you here?"

Upon seeing her daughter, Shen Lanzhi, who was on the sofa, could not help but stand up. She was a little surprised.

“Why? You Don’t Welcome Me?”

“Look at you, child. How can there be a mother in this world who doesn’t welcome her daughter?” Shen Lanzhi scolded her in a bad mood.

Shi Nuannuan smiled and looked around the living room. “Where’s sister-in-law?”

“Today is Friday. The kindergarten ended early. She went to pick up Mo Mo and Lian Lian. She should be back soon.”

“Where’s Grandpa?”
