

Kiss Me 1501

Chapter 1501: Sorry, I misunderstood you

Hearing this, Zuo Weiyi's heart almost jumped out of her chest!

"What happened after that? You escaped!?"

She didn't dare to think further. If Lian Lian was really kidnapped, what would she do? ?

Shi Lian shook her head. "HMM... that bad uncle is too strong. I Can't break free!" As she said this, she suddenly turned her head and her gaze fell on Jing Xinlei's face. She even reached out and held onto the corner of her clothes, "Then, this sister appeared! As soon as she walked over, she asked that bad uncle, 'what do you want to do to my goddaughter?' after hearing that, that bad uncle released me and ran away with his tail between his legs!"

When Shi Lian finished speaking, Zuo Weiyi and Zhong Shenghao could not help but be stunned.

So that was why Lian Lian said that she was not a bad person?

And in the end, it was actually Jing xinlei who saved Lian Lian from the hands of the human traffickers?

Thinking of this, Zuo Weiyi's gaze couldn't help but fall on Jing Xinlei's face.

And from the beginning to the end, Jing xinlei only lowered her eyes and didn't look at them.

Zhong Shenghao also turned his head and his gaze fell on her face again.

"Mommy, this sister is a good person. She saved me and even bought me a hot milk tea!" Shi Lian glanced at the milk tea that mommy had knocked onto the ground and couldn't help but feel a little regretful.

She loved drinking milk tea the most!

Because she had been taken for a long distance by a human trafficker, she, who was only four years old, did not know the location of the wedding dress shop. Hence, she sat on the square with Jing Xinlei. It was so cold that she blurted out, "I want to drink milk tea." Jing xinlei went to buy her a cup.

Hearing her daughter's words, Zuo Weiyi could not help but glance at the milk tea on the ground.

The moment she handed it to her daughter, she thought it was something bad and instinctively rushed over to knock it over.

It seemed that she had misunderstood her.

Jing Xinlei did not look at them. She only looked up at Shi Lian before turning around and leaving.

"Wait!"

Zuo Weiyi opened her mouth and called out to her!

Jing xinlei stopped and turned around, her gaze calmly landing on her face.

Zuo Weiyi also looked at her and said softly, "I'm sorry. I misunderstood you."

"It's okay. I'm already used to it."

Her words of 'used' made Zhong Shenghao feel as if he had been hit in the head.

These words were obviously meant for him.

Thinking about how he had also misunderstood her and even yelled at her, Zhong Shenghao couldn't help but feel a little guilty.

"Thank you for saving my daughter," Zuo Weiyi said again.

Jing Xinlei looked at her again but didn't say anything. Instead, she turned around and left.

Today, she had followed Zhong Shenghao here. However, she had lost him when she arrived here. She was about to go back when she saw that her and Shi Yuting's child had been kidnapped.

Watching her leave, Zhong Shenghao turned around and glanced at Shi Yuting and Zuo Weiyi. "I'm leaving First!"

After saying those words in a hurry, he turned around and chased after Jing Xinlei's figure.

Looking at the two people who gradually disappeared into the crowd, Zuo Weiyi retracted her gaze and stared at her daughter in her arms.

"Lian Lian, don't do this next time, do you know? You almost scared me out of My Wits!"

Seeing her mother's reproachful look, Shi Lian lowered her eyes and nodded silently. "I'm sorry, I'll know next time!"

"Let's go home."

A false alarm passed just like that. Before she left, Zuo Weiyi could not help but glance in the direction where Jing Xinlei and Zhong Shenghao had disappeared.

Perhaps Nuannuan's wedding could be added to a new list.

Chapter 1502: the Grand Wedding (1)

On February 14th, the grand wedding was held at the Century Hotel, 'Shuiyunjian'.

'Shuiyunjian' was located on a huge ship, moored at the center of the sea. Those who could stay and board here were either high-ranking officials or nobles!

At ten o'clock in the morning, the blue sea water was crystal clear and suffused with waves, as if adding a hint of rich color to this grand wedding.

In the magnificent hall, guests from all over the world had already gathered.

"I'm So Nervous!"

In the lounge, Shi Nuannuan warmed up in her luxurious wedding dress. She was extremely nervous!

“Auntie, you’re so beautiful!” Shi Lian was also wearing a white princess dress. She was a perfect beauty!

Today, she and Shi Mo had been invited to be flower girls. They looked very presentable.

Shi Nuannuan smiled at her. Her face was filled with happiness and nervousness.

Shen Lanzhi watched from the side. Indeed, she was secretly wiping the corners of her eyes.

When she met her mother’s tearful eyes, the smile on Shi Nuannuan’s face could not help but stop.

“Mommy.”

Shen Lanzhi walked over and tidied up her veil. “My Daughter is the most beautiful today.”

The door to the lounge opened and Xiang Yi walked in wearing a white handmade suit. When he saw the person in the wedding dress sitting there, he was stunned. He stood there in a daze and looked at her.

After a long while, he walked over.

“Xiang Yi.”

Looking at the man walking over, Shen Lanzhi suddenly spoke.

When Xiang Yi heard Wen Sheng’s voice, he turned around and looked at her.

Shen Lanzhi looked at him, her eyes filled with reluctance to part with her daughter.

“Nuannuan has been pampered since she was young. Sometimes, she can be willful, but I hope that you will remember that the reason why she is willful in front of you is because of you. “Sometimes, she can make you feel that she is being unreasonable, but I also hope that you will remember that she is being unreasonable because she cares about you too much. “Sometimes, she can also be sad and cry alone. I hope you can remember why she’s crying. “I hope that when she cries, you can tolerate her, understand her, pamper her in your arms, and tell her, ‘stop crying.’ after all, her heart is filled with you and Hanhan. If you don’t even care about her, she’ll be alone. If that’s the case, I’ll regret marrying my daughter to you.”

As soon as she finished speaking, Shi Nuannuan cried until her makeup was ruined. Even Zuo Weiyi, who was standing at the side, could not help but tear up.

“Mommy...” Shi Nuannuan stood up and sobbed. She pounced on her mother.

She never knew that when she got married, it was her mother who was drunk and reluctant to part with her.

She thought that this was a festive day, but she had never thought about her mother. In her heart, she was full of reluctance to part with her daughter.

After all, after today, she would become another man’s wife. She would no longer be able to surround her mother as usual.

“Please rest assured. I will use my entire life to extend the love you both have for her.” Looking at the mother and daughter who were crying together, Xiang Yi, as a man, could not help but feel his eyes ache.

Shen Lanzhi nodded and looked at her daughter who suddenly squeezed out a forced smile. "Bride, you have to be beautiful and go out. Look at you, your makeup is all ruined."

When Shen Lanzhi said that, the others also noticed that her makeup was ruined. The makeup artist beside her immediately walked over and asked Shi Nuannuan to sit down and touch up her makeup.

At 13:14, the wedding officially began!

Chapter 1503: Shengshi Wedding (2)

Under the warm applause, Shi Nuannuan held Shi Le's hand and walked towards Xiang Yi step by step. Xiang Jinghan walked in front of her with a flower basket in his hand. Shi Mo and Shi Lian also followed behind Xiang Jinghan with the flower basket in their hands, the scene was so harmonious and beautiful.

The pure white wedding dress was like the twinkling stars, gathering the focus of all the guests present. The six-meter-long veil was like a peacock spreading its tail. It was beautifully scattered behind her and lazily dragged on the ground, showing its unique beauty.

However, the two little fellows were smiling very happily. Only Shi Mo, however, had a solemn expression after picking up the flower basket.

Not far away, seeing his son's expressionless expression, Zuo Weiyi was puzzled.

Aunt is getting married. Why does he always have such a straight face?

Until Shi Nuannuan stood in front of Xiang Yi, Shi Le handed her hand to him, then stared at him, and said in a deep voice, "In a person's life, it is rare to have a partner. From today onwards, her future will be taken care of by you."

Meeting Shi Le's reluctant gaze, Xiang Yi took over Shi Nuannuan's hand and nodded slightly. "Don't worry."

Holding her hand, the two of them stood in the middle of the stage.

The emcee smiled at the two of them and the ceremony began.

"Ladies and gentlemen, as the saying goes, 'holding the hand of the son and growing old together', let us first give a warm applause to give the most sincere blessing to this couple!"

Soon, the hall was filled with warm applause.

"Mr. Xiang Yi, the person beside you is about to become your bride. May I ask if you are willing to protect her for the rest of your life, to ensure her safety, to be loyal to her and to respect her for the rest of your life. Regardless of whether you are rich or poor, whether you are healthy or not, are you willing to accompany and guard her?"

After hearing the host's words, Xiang Yi turned his head slightly and looked at the person beside him. "Yes."

“Miss Shi Nuannuan, the person by your side is about to become your groom. In the years to come, will you be willing to keep him safe and sound for the rest of your life? Will you be loyal to him and respect him for the rest of your life? Will you be willing to follow him and never abandon him, regardless of whether he is rich or poor?”

Shi Nuannuan’s gaze had never left his face since the beginning, but she heard what the emcee said clearly.

“I’m very willing!”

“Then now, please exchange your rings.”

The Little Fellow, Xiang Jinghan, walked over and presented the exquisite ring.

Under everyone’s gaze, the two of them put on each other’s ring rings.

Perhaps it was because the scene was too beautiful, the emcee was stunned and forgot about the upcoming ceremony.

Xiang Yi seemed to be impatient and turned to look at the emcee.

“May I ask, can I Kiss My Bride Now?”

Hearing him say this, the emcee came back to her senses. “AH, yes, yes! Now let’s witness the two newlyweds’ Kiss of Love!”

As soon as the emcee finished speaking, Xiang Yi couldn’t wait to kiss her.

“Mommy, I want it too, I want it too, I want a kiss too!”

Xiang Jinghan stood in front of them, looking up at his father and mommy who were kissing him. He wanted a kiss too.

Under the warm applause, the deep kiss finally came to an end.

Xiang Yi turned his gaze to the petite figure in front of him. “No.”

“Why?” Xiang Jinghan didn’t understand. His mommy used to kiss him all the time.

“There are differences between men and women.”

”...”

Xiang Jinghan was still confused. The next moment, his petite figure was picked up by Shi Nuannuan. Then, he pouted and kissed his son’s lips.

Chapter 1504: Glory World Wedding (3)

And this scene just so happened to make Zuo Weiyi click her tongue and shoot it with the camera!

Glory world wedding continued until evening. Shi Nuannuan had already changed out of her pure white wedding dress and wore an evening gown. She walked out in a dazzling manner and toasted the guests with Xiang Yi.

At night, it was naturally the wedding banquet that she had been looking forward to for a long time!

Music sounded. Pairs of beautiful couples walked onto the dance floor, swaying their steps as they quietly enjoyed the waltz.

Not far away, she had never seen such a luxurious and magnificent wedding. Su Xiuying was even more shocked. She even took a bag and was packing desserts and fine wine!

“What are you doing! ?”

Feng Shunqing walked over when he saw his wife’s actions.

Being yelled at like that, Su Xiuying became a little timid.

“I, I want to take some home to eat...”

“Can you change your personality! ?” As she said that, Feng Shunqing snatched the bag from her hand, took out a few bottles of high-end red wine, and placed them back on the dining table.

Looking at the high-end red wine that was placed back, although Su Xiuying was a little reluctant, she didn’t dare to do anything under her husband’s glare.

“Doctor Zhong, would you like to dance with me?”

Zhong Shenghao was searching for his life when a familiar voice suddenly sounded.

He turned his head when he heard the voice and realized it was Xiao ran. Wen Sheng was his junior in college, and he used to be good friends with Xinlei.

“Xiao Ran, you’re here too.”

Xiao ran smiled. “Yes, I’m here with my father.”

“Why? Do you want to agree to my request?”

After saying that, Xiao ran had already reached out her hand.

Zhong Shenghao smiled. The few of them, including Shi Yuting, had a good relationship back then. However, he didn’t refuse a dance.

The two of them stepped onto the dance floor together and chatted about some topics.

“When did you return to China?” It was said that she went abroad to further her studies two years ago.

“Recently,” Xiao ran replied.

Then, as if recalling something, she looked at the man in front of her. “By the way, have you heard from Xinlei in the past few years?”

Zhong Shenghao was startled by her question.

Xiao ran was once Xinlei's best sister. Later, after Xinlei's family company went bankrupt, she also went abroad. After that, she never contacted xinlei, so she didn't know that Xinlei had been with him for the past three years.

He nodded. "Yes."

Xiao ran was stunned for a moment, and a strange emotion flashed across her eyes.

Then, she smiled. "I heard that you haven't had a girlfriend all this time?"

Zhong Shenghao looked up and hesitated for a moment before nodding.

"Why? You Don't still like Xinlei, do you?"

Zhong Shenghao was stunned again. This time, he didn't react and just remained silent.

On the other side, Jing xinlei, who had just gone to the bathroom, saw the two people swaying on the dance floor when she returned to the hall. Her heart suddenly sank, as if something was blocking her from going up and down.

She stared blankly at the two figures on the dance floor, unable to shift her gaze for a long time.

Zuo Weiyi, who was also dancing with Shi Yuting on the dance floor, turned around and saw Jing xinlei standing there. Seeing that her gaze was fixed in one direction, she couldn't help but follow her gaze, she saw Zhong Shenghao dancing with a woman.

As for that woman, she seemed to have seen her somewhere before.

Oh right, she remembered now.

That time when she went riding with Shi Yuting, that woman seemed to be there too. Her name was Xiao Something, right? She was also Jing Xinlei's good sister.

Chapter 1505: Shengshi Wedding (4)

Seeing that she was staring at a short distance away, Shi Yuting also looked over, wanting to see if any man had attracted her gaze.

He looked up, it was really him!

Sensing that she was looking at Zhong Shenghao, Shi Yuting quickly hugged her waist and switched places with her.

"What, I'm not good enough for You?"

Zuo Weiyi was stunned and didn't understand. "What?"

"In your eyes, you can only see me. Don't look at other men!"

"... I'm not looking at other men."

"Isn't Zhong Shenghao a man?"

”...”

Zuo Weiyi couldn't help but glance at him.

“I'm not looking at him, I'm looking at her.”

She tilted her chin and motioned for Shi Yuting to look over there.

He turned his head and saw Jing Xinlei's gaze fixed on Zhong Shenghao, who was dancing with Xiao Ran.

“Say, they've been under the same roof for four years. Why... aren't they together yet?”

“How do you know they're not together?” Shi Yuting didn't seem to think so.

Zuo Weiyi raised her eyes and looked at him, frowning slightly. “What do you mean?”

“Whether they're together or not, only the two of them know.”

“I don't think so. You and Hao Cheng are good friends. If they're really together, why wouldn't he tell you?”

“It's hard to say. After all, I'm not his father.”

Zuo Weiyi:”...”

After the dance, the dancers on the dance floor began to disperse. Looking at Zhong Shenghao and Xiao Ran, who had also walked to the side to pick up their wine glasses, Jing Xinlei hesitantly looked away and turned around..

Just as she turned around, she bumped into Zuo Weiyi.

Seeing her, Jing Xinlei was stunned for two seconds.

“Just now, Shenghao has been looking for you.”

Looking up at Zuo Weiyi in front of her, Jing Xinlei calmly lowered her eyes. “Is that so?”

Her calm tone clearly showed that she didn't believe it.

Before the music started, Zhong Shenghao was indeed looking for her.

“Well, he asked me if I saw you. Why? Don't you want to go over?” Zuo Weiyi used her eyes to point to where Zhong Shenghao and Xiao Ran were standing and asked her.

Jing Xinlei only glanced at them from the corner of her eyes, but she didn't look at them directly.

Then, she raised her eyes and stared at Zuo Weiyi.

She used to be her enemy, but now, she talked to her as if she was an old friend.

“Why are you willing to talk to me?”

She should hate her to the bone.

Zuo Weiyi looked at her and pursed her lips into a smile. "If it was before, I might not have bothered to talk to you."

Jing Xinlei was slightly startled, but her face was as calm as ever.

"But I thank you for saving my daughter. I also hope..."Zuo Weiyi said as she glanced at Zhong Shenghao, who was not far away. "Don't miss the man in front of you again."

Not far away, Zhong Shenghao seemed to have seen her too. He walked over with a glass of wine in his hand.

Xiao ran's gaze followed him. Naturally, she also saw Jing xinlei, who was not far away.

A few years had passed, and Jing Xinlei's glory was no longer there. Instead, she was like an angel who had lost her wings. She had fallen into the mortal world and lost her glory.

She followed Zhong Shenghao's footsteps and walked towards Jing Xinlei.

"Xinlei, where have you been? I've been looking for you everywhere!"

Walking over, he stood by her side.

Hearing his familiar voice, Jing Xinlei turned her head hesitantly. Just as she met Zhong Shenghao's eyes, she noticed that Xiao ran was following behind him. She used to be her good sister.

After her family was down and out, Xiao ran seemed to have disappeared from her world.

Chapter 1506: Shengshi Wedding (5)

She remembered that the last time they met was when she rode a horse with Shi Yuting and Zuo Weiyi.

She glanced at Xiao ran, and Xiao ran took a step forward.

"Long time no see, xinlei."

Xiao ran's lips curled into a smile. From her expression alone, there was indeed no hostility.

However, Jing Xinlei knew very well that she, who had lost everything a long time ago, would not be able to return to the sisterly relationship she had with Xiao ran.

"I heard about what happened to you. I'm very sorry. I happened to be abroad at that time and was unable to help you,"Xiao ran added.

Jing xinlei glanced at her and said calmly, "It's alright. It's already over."

Xiao ran smiled and did not say anything else.

"Where did you go just now?"

He had only said a few words to Shi yuting before, and as soon as he turned around, she had disappeared.

Jing xinlei looked up at the man in front of her, her eyes slightly cold. "Bathroom."

“Come and eat something.”

From the afternoon till now, he knew that she had not eaten anything, so he pulled her to a dining table.

Seeing the two of them walking past, Zuo Weiyi smiled, then turned around and walked toward Xiang Yi and Shi Nuannuan not far away.

“Eat some of this.” Zhong Shenghao took some snacks to her, then poured her a glass of juice.

“I’m not hungry.” Her voice and expression were very calm.

“How can I not be hungry? You haven’t eaten anything all day.”

With that, he forced the electric snack to her mouth. “Open your mouth.”

She glanced at him, but for some reason, she opened her mouth and took a bite of the snack.

“Drink some more of this.” He handed the juice to her again.

Jing xinlei glanced at the juice, but she didn’t take it. Instead, she turned around, picked up a bottle of cocktail on the table, and poured it.

In the past few years, the thing she had drunk the most was alcohol, more than water.

But in the past year, she rarely drank. He thought she had quit drinking, but he didn’t expect her to pick up the glass again.

Seeing that she wanted to drink, Zhong Shenghao wanted to reach out to stop her.

However, Jing Xinlei avoided him. “It’s just a cocktail. It doesn’t matter.”

“Why do you suddenly want to drink?” He frowned and asked, somewhat puzzled.

She took a big sip. After hearing his question, she was suddenly startled.

Why did she drink?

She didn’t know the specific reason. She just felt that... the stuffy feeling in her chest might dissipate after drinking.

But it didn’t seem to have any effect.

“Xinlei.”

Xiao ran’s voice came from behind them again.

“Let’s have a drink to celebrate our reunion?” Xiao ran smiled and raised the wine in her glass.

Jing xinlei paused.

At this moment, she was standing in front of her like she was four years ago.

When she was facing Zuo Weiyi, there was a smile at the corner of her mouth, but her dark eyes couldn’t hide her scheming.

She raised her wine glass and clinked it with her. She did not speak, but instead, she emptied the wine in her glass.

..

“Mo Mo, can you tell mommy why you were so tense during the wedding?”

It was rare for Zuo Weiyi to have free time, so she pulled her son over. She remembered how unhappy he looked during the wedding.

“No.”

Shi Mo’s tone was gentle and calm.

Zuo Weiyi could not help but glance at her son suspiciously. “How is that not true? Look at how happy your younger sister and younger brother are. Why aren’t you smiling?”

Shi Mo was silent for two seconds before he finally spat out a few words in a handsome manner, “Because holding a flower basket is very childish!”

After saying that, he walked towards Shi Yuting’s position not far away.

Chapter 1507: Glory World Wedding (6)

“Hey, Handsome!”

He had just walked to the center of the crowd when a small figure that was not much different from him suddenly rushed over.

Shi Mo was stunned for a few seconds before his handsome brows furrowed slightly. “Who are you?”

The little girl had bright eyes and white teeth, and her smile was as bright as a flower. “My name is Yin bei!”

“And?”

“I want to make friends with you!”

“Not interested!”

After saying this, Shi Mo left coolly.

The little girl stood where she was, smiling like a pure lily as she stared at Shi Mo’s back as he left!

The wedding banquet continued grandly. At 8 pm, the door of the wedding banquet hall was suddenly pushed open, and a powerful aura approached.

A portion of the guests in the wedding banquet hall were attracted by this aura. They turned their heads and saw a few figures walking in from the door.

The most outstanding one was the man who walked in the front and the middle.

Xiang Yi and Shi Nuannuan also turned their gazes when they heard the voice. When they saw the person who came, both of their faces revealed a surprised expression.

“Leo?”

Shi Nuannuan was still in disbelief because..

The Leo who walked in was obviously different from before, especially that blonde hair. At this moment, it had become a natural color. What was going on? He was clearly blond, wasn't he?

“Leo?” Xiang Yi walked over and stood in front of Leo. “Didn't you say that you didn't have time to come?”

He had initially felt very regretful when he heard that he didn't have time to attend the warm wedding, but he didn't expect that he would come at this time.

“What, you don't Welcome Me?” Leo glanced at him, his face still wearing that frivolous smile.

“Of course not, but I'm very surprised and pleasantly surprised,” Xiang Yi looked at him and said sincerely.

Leo smiled and turned his eyes to Shi Nuannuan. In the next moment, he made an expression that said, “Your eyes lit up.”

“Sister-in-law, you're... too beautiful today.”

Shi Nuannuan was a little embarrassed to be praised by him.

“Your hair... is dyed?”

Hearing this, Leo raised his hand and touched his clean short hair. “It's still natural color, isn't it?”

“Natural color?”

“Yes.”

Shi Nuannuan was a little curious. She suddenly leaned on his shoulder and pulled down his head, wanting to see whether it was dyed black or natural color.

“Hey, Sister-in-law! What are you doing! ?” Although Leo was tall and straight, he was caught off guard. Just like that, his head was pulled down by her.

Shi Nuannuan checked carefully. From the roots of his hair, it was a natural color, and there was no smell of dye.

He was actually the same natural color as them?

“It really is a natural color.”

Leo looked at her and suddenly smiled embarrassedly. “Sister-in-law, if you do this... It will give me an illusion.”

“What illusion?”

Leo pursed his lips and smiled gently. He even winked at her as if to say, you know!

Shi Nuannuan narrowed her eyes and stared at him expressionlessly.

“Leo?”

At this moment, Shi Yuting suddenly walked over and his gaze landed on Leo’s face.

When he saw Shi yuting walking over, the expression on Leo’s face froze.

“Big Brother Shi, you... Why are you here too?”

Big Brother Shi?

Shi Nuannuan could not help but be a little surprised when Leo called her big brother ‘Big Brother Shi’.

Why did Leo call her brother ‘Big Brother Shi’?

“Aren’t you supposed to be holding a succession ceremony today? Why are you here?”

When Shi Yuting said this, the corner of Leo’s mouth immediately twitched a few times.

“Succession ceremony? What succession ceremony?” Looking at Shi Yuting, Shi Nuannuan was stunned.

Chapter 1508: Shengshi Wedding (7)

Even Xiang Yi, who was standing at the side, was a little surprised.

The Leo he knew was only a genius graduate student in the medical field. What kind of ceremony did he need to take over?

Noticing the surprised expressions of the two people, who obviously did not know Leo’s real identity, Shi Yuting could not help but look at Leo again.

Leo smiled awkwardly and looked at Xiang Yi and Shi Nuannuan respectively.

Shi yuting only smiled and left with Zuo Weiyi.

“Hey!” Shi Nuannuan narrowed her sharp eyes at him, making Leo feel a little uncomfortable. “You... are you hiding something from us?”

“Uh, this... this...”

“Speak!”

“Aiya! Isn’t this the next heir to the throne of country a? Why are you here?”

Among the guests, someone quickly recognized Leo’s true identity!

With his identity exposed, Leo threw a glance at that person, scaring him so much that the person who was about to walk over suddenly stopped in his tracks!

“The... heir to the throne?” In an instant, Shi Nuannuan was flabbergasted, thinking that she had heard wrongly!

Leo glanced at her, then raised his hand and scratched his head.

“You... You’re from the royal family of country A! ?” Her voice was too loud, and as soon as she spoke, it immediately attracted the attention of the other guests!

“Shh!” Leo immediately made a gesture of silence towards her, then pulled the two of them up to the lounge on the second floor!

Today was indeed his succession ceremony. To be more precise, he was no longer the heir to the throne, but the next monarch of country A! (note: The Monarch and the President’s wishes)

“Can you guys not make such a big deal out of it? I secretly came here today!”

The moment he entered the lounge, Leo opened his mouth nervously.

Shi Nuannuan and Nuannuan were stunned for a moment before looking at him.

Xiang yi frowned and said, “Secretly?”

Leo nodded. “That’s right. Isn’t today my succession ceremony? That damned father of mine actually didn’t allow me to leave –”

“Pa!”

Before he could finish his sentence, Shi Nuannuan fiercely knocked him on the head!

The knock caused him to feel pain. He furrowed his brows and looked at Shi Nuannuan in confusion.

“Aren’t you talking nonsense? Why did you come here for the succession ceremony! ?”

Leo was stunned for a moment. Then, with a bored expression, he said, “That crappy ceremony was really too boring! Moreover, I also wanted to attend your wedding, but fortunately, your wedding banquet hasn’t ended yet. I made it in time!”

Hearing his relaxed and natural tone, Xiang Yi recalled something.

“So last time, you were able to retrieve our things so easily from the Liantian’s people?”

Being asked about this, Leo nodded, “Yes.”

“Oh, right, they didn’t come to pester you guys after that, right?”

“Yes, a while ago, they were still –”

Shi Nuannuan wanted to speak, but Xiang Yi shook her hand. She stopped what she wanted to say and turned to look at him in confusion.

Xiang Yi’s gaze fell on Leo’s face. He calmly said, “It’s all in the past, let’s not talk about it.”

Since Leo was the next king of country A, then naturally, he would not ask for his help with Nuannuan as usual.

“Yes, I think so too. Last month, Helian Manli got engaged to third young master Bourne. It seems that she has completely given up on you.”

Leo looked at Xiang Yi and spoke. Then, he could not help but joke and asked, “How is it? Do you feel a little disappointed?”

Xiang Yi smiled but did not say anything. The Leo in front of him did not look like the king of a country at all. Instead, he looked like a playboy who was frivolous and pompous.

Perhaps there was a side of him that no one knew about, but they did not see that side.

Chapter 1509: the end of X · s

The wedding banquet was slowly approaching its end. It officially ended at 9:30 in the evening. Some of the guests had already left one after another. Only a few related people remained in the ‘Water Cloud’ and planned to leave early the next morning.

After all, the night on the surface of the sea was also a pretty spectacular scene!

However, poor Xiang Yi. He had to hug his lovely wife and fall asleep alone after a good night’s sleep.

Already pregnant with three months of warmth, he naturally dare not touch her, can only hold her like this to sleep..

___ * * * ___

Six months later.

With the end of the wedding, a blink of an eye, the past six months.

In the operating room of the hospital, Xiang Yi paced back and forth anxiously, and his heart was tightly broken together!

It’s been an hour. Why haven’t you come out?

Xiang Yi’s heart was even more uneasy when he thought of how she had suffered a massive hemorrhage when she was still alive. She was on the verge of death.

Zuo Weiyi, Shen Lanzhi, and the others were also staring at the door of the operating room anxiously, hoping that the same thing would not happen.

Not long after, the door of the operating room was pushed open!

“Congratulations, it’s a little princess.”

The medical staff carried a small baby and walked out. The entire head was not even as big as Xiang Yi’s palm.

It was his first time seeing a newborn baby, and he could not help but be stunned.

“I want to see my sister!”

Xiang Jinghan, who was more than three years old, wanted to see his sister. However, due to his small size, he could not reach her no matter how he jumped!

“Try holding her.”

The medical staff handed the baby in his arms to him. Xiang Yi reached out his hand, but it was trembling nervously.

Such a small child was like a water ball. It felt like it would break if he exerted a little strength..

“Daddy, I want to see, I want to see my sister!”

Xiang Jinghan couldn't wait. He pulled the corner of his clothes and kept calling out.

Seeing that he didn't respond for a long time, another figure walked over, picked up Xiang Jinghan, and then moved into Xiang Yi's arms.

“Wow, she's so cute!”The first thing Xiang Jinghan said to his sister was praise!

“Call me godfather!”Seeing a newborn baby for the first time, Leo couldn't help but be extremely curious. He leaned over and shouted!

Perhaps he was too excited, but his voice couldn't help but be a little loud. With a roar, the baby in Xiang Yi's arms actually cried out!

Xiang Yi was stunned for a moment, then he looked up and glared at Leo with his sharp eyes.

“Hehe... I didn't mean to...”

The baby continued to cry. Xiang Yi did not have the time to pay attention to him. He was so anxious that he did not know what to do!

What should a child do when he cried?

“Let me do it.”

Seeing Xiang Yi who was at a loss, Shen Lanzhi took the baby over.

At this moment, the door of the operating theater was pushed open again. Shi Nuannuan came out from inside and went to the VIP ward.

“I want to see the child...”although she could not move, Shi Nuannuan still could not help but want to see her daughter.

Shen Lanzhi quickly carried the baby to the bedside and showed her. “She's a very beautiful little girl. She looks like you.”

Shen Lanzhi spoke from the bottom of her heart.

Looking at her daughter's small face, Shi Nuannuan was filled with happiness.

“Daddy, What's Your Sister's name?”Xiang Jinghan was very curious about this!

Xiang Yi walked over and looked at his daughter's small face. “Xiang Jinmo.”

Shi Nuannuan looked up at Xiang Yi. She liked this name very much.

“Xiang Jinmo... Then I’ll call my sister Mo Mo from now on, Okay?” Xiang Jinghan said excitedly!

“Of course.” Xiang Yi carried him up, and the family of three looked at the new little life.

Leo stood at the side, feeling that this scene was really torturing the bachelors to death!

This scene indeed made others envious.

Looking at the happy family of three, Shi Le and Shen Lanzhi were so moved that their eyes turned red.

Nuannuan and Xiang Yi were finally happy together.

This was the best ending..

Chapter 1510: Zhong Jing

It was September, and autumn was slightly cold.

In the villa halfway up the mountain, Jing Xinlei often sat on the swing chair on the balcony on the second floor, flipping through the book “Sophie’s world.”.

Only in this way could she calm her heart.

It was evening, and the setting sun stretched the shadow of the entire balcony.

Jing xinlei looked up and saw the most beautiful sunset in the sky. The corners of her mouth unconsciously curved up slightly.

Her favorite scenery every day was the setting sun and the rising sun.

The sound of a car engine approached from afar. She lowered her eyes and saw the Red Bentley that Zhong Shenghao often drove slowly approaching.

She closed the book and stood up. A sense of urgency rose in her heart.

In the past, she always watched his car drive into the courtyard calmly. But recently, she found that when she saw his car coming back, she couldn’t wait to rush downstairs!

After putting “Sophie’s world” on the swing chair, she turned around and rushed down the stairs.

Just as she reached the living room, she heard footsteps coming from the entrance.

However, just as she turned her gaze to the entrance, the faint smile on her lips suddenly froze. She stared blankly at the two figures walking in from the entrance.

“When did you buy a villa here? This is my first time here!”

Xiao ran, who entered with Zhong Shenghao, was smiling beautifully. As soon as she entered the living room, she saw Jing xinlei standing in the middle of the living room.

She was stunned, as if she was a little surprised by Jing Xinlei’s sudden appearance.

"I bought it a few years ago."

Zhong Shenghao replied to her. Then, he looked up and saw the person standing there.

He smiled faintly and walked over.

"Xinlei."

Usually, at this time, she should still be sitting on the balcony on the second floor. Today, she actually went downstairs.

Jing xinlei glanced at him indifferently and then glanced at Xiao ran.

"Xinlei, why are you... Here?"

Xiao ran walked forward, and a complicated look flashed in her clear eyes.

Jing Xinlei didn't say anything. She just pursed her pink lips slightly. "Why are you here?"

"I... went to the hospital today and happened to run into Sheng Hao, so I came here for dinner." Xiao ran said it very casually, but in reality, she was the one who wanted to come here for dinner, as a good friend, Zhong Shenghao naturally had no reason to refuse.

Moreover, they hadn't seen each other for three years, and she was Xinlei's friend. Perhaps it would be good for her to come here more often and accompany Xinlei. Thus, he agreed.

"Have a seat first."

Zhong Shenghao spoke, then strode forward and put his arm around Jing Xinlei's back, walking toward the sofa.

Xiao ran raised her eyes and noticed his movements. Although they weren't that intimate, it was obvious that he cared about Jing xinlei.

Could it be that after Xinlei's family was down and out, she had been with Sheng Hao all this time?

So this villa was also bought for her?

The three of them sat down on the sofa, and soon, a maid served them tea.

"You guys talk first. I have something to take care of upstairs."

Zhong Shenghao spoke, glanced at the two of them, then got up and went upstairs.

Xiao ran's gaze followed his back until his figure completely disappeared at the corner of the stairs. Only then did she withdraw her gaze.

But this scene was witnessed by Jing Xinlei.

In fact, she had known since four years ago that her good sister liked Sheng Hao, but she had never expressed her feelings.

However, as she went abroad, her feelings for Zhong Shenghao seemed to have been put on hold.

Xiao ran withdrew her gaze and looked at her face. "Xinlei, you... have always lived here?"
