

## Kiss Me 1511

### Chapter 1511: help me pursue Sheng Hao

Jing xinlei hesitated for a few seconds before nodding her head when she met her observant gaze.

“Yes.”

“Then, are you dating Sheng Hao?”Xiao ran asked again.

Jing Xinlei was stunned.

Dating?

She wasn't even sure what kind of relationship she had with Sheng Hao.

“Not really.”

As soon as she said that, Xiao ran immediately smiled and even grabbed Jing Xinlei's hand excitedly.

“That's Good!”

Seeing that she suddenly grabbed her hand, Jing Xinlei was a little lost. She looked up at Xiao ran and asked calmly, “That's good?”

Xiao ran pursed her lips and smiled. “Xinlei, although I went abroad for a few years, you should know that I've liked Sheng Hao since university. You've always known that, right?”

Hearing her words, Jing Xinlei felt inexplicably uncomfortable.

She gently removed her hand that was being held tightly by her and said calmly, “I didn't know when I was in college. It's just that you told me about it one year after graduation.”

Xiao ran's expression froze for a moment, but it was really only for a moment. Then, she smiled like a flower again.

“No matter what time it is, you know that I like Sheng Hao, right?”

Hearing the hidden meaning in her words, Jing xinlei raised her eyes and said calmly, “What exactly do you want to say?”

Xiao ran hesitated for a few seconds, “Xinlei, I'm sorry. I haven't had time to contact you since I went abroad to study these few years, and I don't know how you are doing. However, my friendship with you hasn't changed because of this. So, can we go back to the past?”

Hearing her words, Jing Xinlei was stunned for a few seconds.

Go back to the past?

She was no longer the radiant young miss of the Jing family. was she still willing to go back to the past with her?

However, she found it hard to believe.

“What’s wrong? Are you angry with me? Angry that I didn’t show up when you were down and out these past few years?” Seeing that she hadn’t spoken for a long time, Xiao ran couldn’t help but ask again.

Jing xinlei glanced at her and then calmly said, “I’m not.”

She had been reduced to this state. What right did she have to be angry with others?

She had brought this upon herself.

“Are you really not angry?”

Jing xinlei shook her head.

Xiao ran was overjoyed. She grabbed her hand again. “Then let’s get back together, okay? You’re still talking about you, and I’m still your best sister!”

Her sudden enthusiasm made it difficult for Jing xinlei to get used to it.

Would Xiao ran really treat her as her best sister like she did a few years ago?

“Xinlei, is that okay?” Xiao ran pulled her and even acted like a naughty sister to her.

Finally, Jing xinlei nodded. “Okay.”

Xiao ran smiled!

“Then xinlei, can you... help me chase after Sheng Hao? You’ve been living here all this time, so you must know him very well, right?”

Jing Xinlei was stunned. So she wanted her help in pursuing Sheng Hao.

However, when she heard this request, the pain in her heart deepened and lingered.

“Xinlei?”

Seeing that she was silent, Xiao ran looked at her thick eyebrows and called out to her again.

Jing xinlei looked up and her gaze fell on her face.

“I...”

“Xinlei, you’re my best sister. Can you help me? !” Xiao ran grabbed her hand and began to beg.

In the next moment, Jing xinlei calmly pulled her hand away.

“Xiao ran, I’m sorry. This matter... you still have to rely on yourself. I Can’t Help You.”

Xiao ran was a little surprised by her refusal and was stunned for a few seconds.

**Chapter 1512: was my fault. Don’t blame her**

But then, she smiled again.

"I know I still have to rely on myself, but... sometimes, can you help me?"

"Sometimes?"

"Yes!" Xiao ran nodded. "For example, when he's at home on weekends, or when you want to go out and play together, can you take me with you? Because sometimes he's quite busy at work. I don't want to disturb his work and make him hate me."

Jing Xinlei remained silent and didn't respond.

"Is that okay? Xinlei, we're the best. I don't need your help with anything else. It's just this small matter. You... aren't really unwilling to help me with this small matter, right?"

Meeting her expectant gaze, Jing xinlei finally said, "I'll give it a try."

Hearing this, Xiao ran excitedly grabbed her hand again. "Xinlei, I knew you were the best!"

Jing xinlei pulled her hand away again and gave her a light smile.

On the second floor, Zhong Shenghao had just walked down the stairs when he saw the smile on her face.

She had lived here for four years, and this was the first time he had seen her smile.

It seemed that it was right to let Xiao ran come.

"Sheng Hao, you're Down!"

Xiao ran was sitting at the corner of the stairs. When she saw Zhong Shenghao walking down the stairs, she stood up and walked over.

Jing xinlei turned around and saw the two of them talking and laughing.

She felt so uncomfortable.

Dinner was ready, and the Butler walked out.

"Young master, dinner is ready."

Hearing this, Zhong Shenghao smiled at the two of them. "Let's eat."

The three of them walked to the dining room, and Zhong Shenghao sat down on the main seat.

Jing Xinlei and Xiao ran sat opposite each other.

"HMM... this prawn is so delicious!"

Xiao ran picked up a base shrimp and tasted it. Then, she reached out her chopsticks and picked up a prawn for Zhong Shenghao. "Shenghao, try it!"

Although they were old friends, it was the first time they picked up food for each other. Looking at the prawn in the bowl, Zhong Shenghao couldn't help but be startled and a little surprised.

Looking at Xiao ran, he saw her smiling brightly at him.

He pursed his lips and nodded. He ate the prawn and didn't say anything.

On the other side, Jing Xinlei looked a little sad after seeing the intimate interaction between the two of them.

However, from Zhong Shenghao's point of view, ever since she moved into this villa, she always looked sad every time she ate.

This was also the reason why today was the first time he saw her smile in four years.

Noticing her gaze, Xiao ran seemed to suddenly remember something and said, "AH, xinlei, you should eat more. Try This!"

With that, she picked up a dish for her, but it was not shrimp, but a piece of red braised meat.

She looked at the red braised meat in the bowl. Jing xinlei hesitated for a few seconds, but she picked up the red braised meat and threw it directly on the table.

Her action surprised Zhong Shenghao and Xiao ran.

For a moment, the atmosphere at the dining table was a little quiet, and even a little awkward.

"Xinlei, you..."

Zhong Shenghao seemed to want to say something.

But before he could speak, Xiao ran took the initiative to smile and said to him, "It's okay! I forgot that Xinlei doesn't like braised pork, so... it's my fault. Don't talk about her."

Her preconceived words made Jing xinlei feel a little uncomfortable.

It made sense. In four years, everything would fade away, let alone a dish that she didn't like to eat.

But..

She looked up and glanced at Zhong Shenghao who was also looking at her.

### **Chapter 1513: lived here under what identity?**

Was he planning to reprimand her just because of that?

Thinking of this, the unpleasant feeling in her chest could not help but deepen.

"Xinlei, don't be angry. I really forgot." Xiao ran looked at her with a fawning look.

"I'm not angry. You're thinking too much. I just don't like braised pork. When I saw it in my bowl, I instinctively reacted that way."

For some reason, she inexplicably explained something that she didn't need to explain.

It was as if if she didn't explain, it would really be like what Xiao ran said. She was petty and angry because of a piece of braised pork.

Hearing her words, Xiao ran instantly felt a little awkward.

However, she was very good at warming up the atmosphere.

“It’s good that you’re not angry. I’m really afraid that you’ll be angry with me,” Xiao ran said, still trying to curry favor with her, afraid that she would get angry.

In the past, Jing Xinlei was indeed like this. Whenever she got a little angry, Xiao ran would try to curry favor with her.

After all, at that time, the Jing family was stronger than the Xiao family.

Jing xinlei glanced at her and didn’t say anything else. She continued to eat.

Looking at her eating, Zhong Shenghao didn’t say anything. Instead, he reached out and picked up a piece of her favorite boiled fish.

Usually, when he was at home, Zhong Shenghao had picked up a few dishes for her, but every time, her answer was, “I know how to do it myself.”

Knowing that she wasn’t too happy, he picked up fewer dishes.

But today, she didn’t say anything. Instead, she quietly ate the dishes he picked up.

He was in a good mood. The corners of his lips curled up. He liked to watch her eat.

In fact, he did not intend to reprimand her just now. Instead, he wanted to ask her if it was because she did not like to eat braised pork.

Although they had lived together for so long, he was not very clear about the dishes that she liked. This was because she only ate silently every time. He could not tell what she liked and what she did not like.

As for the dish of boiled fish, it was also because he saw that this was the dish that she ate the most, so he included it in her liking.

Xiao ran, who saw him picking up dishes for Jing xinlei, felt very upset when she saw this scene!

But in the end, she didn’t say anything. She lowered her head and continued to eat. From time to time, she would tell Zhong Shenghao some interesting stories about herself abroad.

After dinner, it was already 7:50 pm.

After breakfast, Xiao ran didn’t seem to have any intention of leaving. She sat on the sofa and chatted with Jing Xinlei for a while.

“I’m a little tired. I want to go upstairs and take a shower.”

She couldn’t leave Zhong Shenghao behind for every word she said. Jing Xinlei didn’t seem to have any intention of continuing the conversation, so she found an excuse to go upstairs.

Actually, she had already gone upstairs after dinner.

“Xinlei!”

Just as she was about to go upstairs, Xiao ran suddenly called out to her.

Jing xinlei stopped and turned around to look at Wen Sheng.

Xiao ran stood up from the sofa and took a few steps towards her.

“What identity are you living here under now?” She asked calmly, and there was no malice in her tone.

However, Jing Xinlei felt very uncomfortable listening to her.

However, her words hit the nail on the head, and she said what she hated the most.

“Since you are not dating Sheng Hao, is it inconvenient for you to live here?”

From her words, Jing xinlei seemed to sense that Xiao ran cared about her.

She liked Sheng Hao, so naturally, she didn't want to see another woman in his villa.

#### **Chapter 1514: you work with me**

But..

She already had nothing. She didn't even have the most basic job, let alone money and a place to live.

She suddenly felt that she was very laughable. The place that she didn't want to stay in in the past, but now she couldn't leave this place.

Once she left this place, she really had nowhere else to go.

“I... have nowhere else to go.”

She looked at Xiao ran and spoke frankly.

Xiao ran looked at her with an indescribable look in her eyes. It was neither hostility nor kindness.

“Xinlei, why don't you work with me?”

Her words surprised Jing xinlei.

“Work?”

“Yes!” Xiao ran nodded. “We'll work together and return to the modeling world!”

After a long while, Jing Xinlei finally recovered from her daze.

“I might not be used to it anymore.”

“It's okay. You're a model. As long as you have the capital, it's fine. Besides, you won't be unfamiliar with the catwalk. Even if you really don't know how to walk, you'll definitely be familiar with it after taking a walk!”

“But...”

“Aiya, stop with the butts! Besides, you can’t just sit here and do nothing and let Hao Sheng raise you, right?” Xiao ran’s words were like a thorn that stabbed into her heart.

Even if she said it without any malice and sounded like she was trying to help her regain her self-esteem, her words were still concerned about her living in Sheng Hao’s villa.

“Xinlei, I don’t mind you living here. I just hope that you can regain your former glory. If one day I really get together with Sheng Hao and you still have nothing, I definitely won’t mind you living here. “Think about it. As long as you have a job and earn money, your place will naturally not be a problem. “We are women. We can’t just live in a man’s house without a name or status, right? “If word gets out, you will definitely be gossiped about!”

Xiao ran’s series of words sounded as if she was thinking about her.

However, her words were just and righteous, making her unable to refute.

Without a job, she naturally had no money. Without money, she could only live here as if she was being kept by someone.

Xiao ran observed her expression and knew that she was starting to waver. Thus, she seized the opportunity and continued, “Coincidentally, I have a runway show tomorrow. I’ll come and pick you up!”

Before Jing Xinlei could say anything, Xiao ran had already picked up her bag and was about to leave.

“I’m going back first. Help me inform Hao Sheng!”

With that, she disappeared from the door.

After a while, Jing xinlei lowered her eyes and turned around to go upstairs.

Just as she reached the staircase on the second floor, she saw Zhong Shenghao seemingly planning to go downstairs.

Seeing her come up, Zhong Shenghao’s gaze naturally looked behind her. “Xiao ran left?”

She nodded. “Yes.”

Then, she walked past him to her room.

Looking at her back, Zhong Shenghao didn’t say anything, but Jing Xinlei suddenly stopped.

Then, she turned around and looked at the man who was still standing there.

“I...”She wanted to say something, but she hesitated. Maybe it was really time to go out and find a job.

“Huh?”

“I plan to go out with Xiao ran tomorrow.”She didn’t mention the job. After thinking for a while, she decided to wait until she found him before telling him.

Zhong Shenghao was a little surprised by her words.

He remembered that when she took the initiative to go out, it was four years ago. At that time, she refused to stay at his place and always wanted to go out.

After that, she rarely took the initiative to go out.

Sure enough, her mood improved when Xiao ran came.

### **Chapter 1515: wanted to take his car even more**

“Okay.”

He smiled gently and agreed.

However, the smile on his lips made her misunderstand.

He seemed to be at ease when he went out with Xiao ran.

He remembered that when she wanted to go out in the past, he would always forbid her from doing so.

She glanced at him and didn't say anything else. Instead, she turned around and returned to her room.

He stared at her back for a long time. It wasn't until she entered the room that Zhong Shenghao retracted his gaze and turned around to return to his own room.

After taking a shower, Jing xinlei lay on the bed and closed her eyes. However, she was unable to fall asleep for a long time. Her mind was filled with the words that Xiao ran had said to her today.

She didn't understand why her heart felt so stifled when she heard Xiao ran say that she liked him.

Also, did she really want to help Xiao ran pursue Hao Hao?

Thinking about these things, she tossed and turned all night, unable to fall asleep until early in the morning.

The next day.

Having just eaten breakfast, zhong shenghao knew that she was going out. He was about to go to the hospital, so he planned to bring her along.

“What are you doing?”

Seeing her standing at the door, waiting for her, Jing Xinlei couldn't help but ask.

“Aren't you going out? I'll send you out.” Zhong Shenghao kept a smile on his face as he looked at her.

Jing Xinlei was stunned for half a second before she suddenly wavered.

Compared to Xiao ran coming here to pick her up, she seemed to... want to ride in his car more?

“Then I'll make a call and ask Xiao ran not to pick me up.”

With that, she turned around and picked up her phone from the coffee table and called Xiao ran.

“Hello?”

“Xiao ran, don't come pick me up.”

On the phone, Xiao ran thought that she had gone back on her word. She couldn't help but ask, "What's Wrong?"

"Sheng Hao sent me to your place, so you don't have to come over to pick me up."

"It's okay. I've already left."

Hearing this, Jing Xinlei suddenly raised her eyes and glanced at Zhong Shenghao who was standing at the entrance. Then, she turned around with her back facing him. Then, she whispered to Xiao ran on the phone, "I've already left. Why Don't you go back?"

She didn't understand why she lied..

After a long while, Xiao ran on the phone said hesitantly, "Okay, I'll send you the address. Call me when you arrive."

"Okay!"

After hanging up, Jing Xinlei turned around and glanced at Zhong Shenghao. "Wait for me. I'll go and change my clothes!"

"Okay."

She turned around and went upstairs. The wardrobe was full of new clothes that Zhong Shenghao had bought for her. In the past four years, she rarely changed. Some of them were new.

After changing into a set of fashionable clothes, she went downstairs without even taking her bag.

In the past four years, she seemed to have lost the habit of taking her bag.

The two of them went out together. Soon, Jing Xinlei received a message from Xiao ran.

"Just drop me off at this address."

She showed the address on the message to Zhong Shenghao.

"Okay."

Not long after, the Red Bentley stopped at the entrance of an art center.

Zhong Shenghao knew that Xiao ran was an international famous model, so he was not surprised to see her here.

He opened the car door and just as he got out of the car, Xiao Ran's car arrived.

"Shenghao!"

As soon as he got out of the car, Xiao ran first called out to Zhong Shenghao, then turned to Jing xinlei.

"Xinlei, you're here."

Jing xinlei glanced at her but did not say anything.

"You guys have fun. I'm leaving first."

After glancing at Jing xinlei, Zhong Shenghao said goodbye and left.

Watching his car disappear, Xiao ran looked away and turned to Jing xinlei. "Let's go in!"

### **Chapter 1516: was also young madam Shi's best friend!**

After saying that, she took her bag back from the passenger seat and walked into the art center with Jing Xinlei.

"Director Zhang, this is the friend I told you about. How is she? She's quite talented, isn't she?"

In the exhibition hall, some staff were preparing for the upcoming fashion show. Xiao ran brought Jing Xinlei to director Zhang and introduced her to him with a smile.

President Zhang's gaze fell on Jing Xinlei. Her figure was definitely top-notch, but her face seemed a little familiar?

"This young lady, have you seen her somewhere before?"

Jing xinlei raised her eyes and glanced at President Zhang. She should not have seen this man before.

However, she used to be in the modeling industry, so it was not surprising that this face would be known by others.

"Director Zhang, it's normal for you to have met her. After all..." Xiao ran turned her head and stared at Jing Xinlei with a smile in her eyes, "She used to be very successful in the modeling industry!"

Director Zhang raised his eyebrows. "Really? This young lady used to be a Model?"

"That's right. She was once not only an honor in the modeling world, but also the daughter of the Jing Corporation. But later, due to some reasons, her family fell into disarray."

"Jing Xinlei? You're the Jing Xinlei who was once a hot topic in the modeling world?"

Upon hearing this news, president Zhang was very surprised.

But he was very clear about the reason behind it.

Back then, Jing Xinlei seemed to have offended Shi Yuting, which was why she was banned. If he used her now, wouldn't he be making things difficult for Shi Yuting?

Thinking of this, director Zhang couldn't help but look hesitant.

"If I remember correctly, Miss Jing once seemed to have offended Shi yuting, which was why..."

One sentence reminded Jing Xinlei of how unbearable she had been in the past.

She had really gone crazy to come here and humiliate herself!

"Xiao Ran, I thank you for your kindness, but I don't want to return to this circle."

After saying that, she turned around and was about to leave.

However, Xiao ran pulled her back. "Xinlei, don't be anxious!"

After saying that, she turned to director Zhang, "Director Zhang, if you're thinking about Shi Yuting, there's no need for that at all. That kick was over. Don't you know that just a few months ago, my friend went to attend Shi Yuting's sister's wedding! "Moreover, as far as I know, she and young madam Shi are good friends!"

Hearing Xiao Ran's words, not only director Zhang, but Jing Xinlei herself was very surprised.

Was she talking about Zuo Weiyi? When did they become good friends?

"Xiao ran."

She wanted to speak, but Xiao ran only talked to director Zhang! It looked like she was trying her best to help her.

"So, CEO Zhang, if you're worried about Shi Yuting, there's really no need for that!"

CEO Zhang looked at Xiao ran. "Is that really the case?"

"Of course. If you don't believe me, you can go and check it out. Miss Shi's wedding is well-known throughout the country. You can even find it out with a single investigation."

"Since that's the case, I'll make some arrangements. Later, you can bring your friend up for a walk. I'll see how it goes."

"Alright, then thank you, director Zhang!"

After saying that, director Zhang left.

However, Jing Xinlei had no intention of staying here.

"Xiao Ran, I really thank you, but I don't want to come back here again. I'll be leaving first."

**Chapter 1517: was decided just like that!**

After saying that, she ignored Xiao ran and walked straight to the door!

"Hey, Xinlei!"

Xiao ran caught up with her and pulled her back.

"Xinlei, don't be like this. The past is the past. Besides, I've already made an agreement with CEO Zhang. Now That You've changed your mind, I... I'm not on the same side anymore, am I?"

Jing xinlei couldn't help but hesitate when she heard what she said.

She seemed to be doing her best to find a job for herself just now. If she left when everything was settled, Xiao ran would really have a hard time in front of CEO Zhang.

"Besides, he's the Big Boss. You Can't let me offend him because of that, right?"

Her words sounded as if Xiao ran had offended CEO Zhang because of her departure.

"Xiao ran, thank you so much, but I really don't want to go on stage anymore."

She had never promised Xiao ran in the first place. The only reason she came here today was because she had left after saying her piece yesterday.

"If that's the case..." Xiao ran seemed to have thought of something in an instant. She suddenly looked up, and an unknown light flashed in her eyes. "Why don't you be my assistant!?"

"Assistant?" Jing xinlei frowned.

Xiao ran nodded. "Yes, that's right. Since you don't want to go on stage, you can be my assistant. That way, you'll have a job, but you won't have to go on stage. Meanwhile, the two of us sisters can still get along day and night, killing three birds with one stone, right?"

Jing Xinlei was a little hesitant. She did indeed need a job.

However, she used to study modeling, and she didn't have any experience in finding other jobs. It seemed that this was the only job that was suitable for her.

"It's decided. I'll talk to President Zhang!"

After saying that, Xiao ran turned around and ran away.

At 10 am, the show officially began.

Jing xinlei stood below the stage and looked at the dazzling Xiao ran on the stage. She used to be the center of attention on this stage, but now, things had changed.

After the show ended, Xiao ran walked backstage.

"Xinlei, you can officially become my assistant tomorrow!"

"Thank you." Looking at her good sister from the past, Jing Xinlei thanked her calmly.

"Aiya, we are good sisters, why are you so polite to me!"

Xiao ran held her hand and sat down in front of the dressing table, taking off her previous style.

After changing into her own clothes, it was almost noon.

"Let's go, let's Eat!"

Xiao ran took the initiative to hold Jing Xinlei's hand. Since there was nothing to do in the afternoon, Xiao ran brought her to a restaurant in the city center.

"In a while, let's go to the hospital to see Sheng Hao, okay?"

In the car, Xiao ran spoke.

Jing xinlei glanced at her but didn't say anything.

The car stopped in front of a restaurant. "Go in and find a seat. I'll come after I Park the car."

"Okay."

She opened the door and got out of the car. Xiao ran couldn't help but say to her, "Hurry up and find a seat. Business here is very good. Usually, there is no seat when I Come!"

Jing Xinlei was stunned for a moment. Finally, she walked into the restaurant helplessly. It was indeed full of customers.

“Miss, how many people are there?”

“Two.”

“Okay, this way please.”

The waiter took her to a seat and handed the menu to her.

“Wait for my friend to order.”

“Okay.”

The waiter smiled and turned to leave.

Jing xinlei turned her head and looked out of the window.

After waiting for five minutes, Xiao ran still hadn't arrived.

Not long after, a few uninvited guests arrived.

#### **Chapter 1518: Being kept as a mistress**

“Hey, isn't this Jing Xinlei?”

Before she could see the person in front of her clearly, Jing xinlei heard a few unfamiliar voices.

She raised her head and saw three gorgeous-looking women.

Jing Xinlei was not familiar with these women, but she felt that they looked familiar. She did not know what they were trying to do.

“Who are you?”

“Oh, you disappeared for a few years and suddenly reappeared...” one of the women said as she sized her up. “Isn't your family down and out? Looking at your clothes, they seem quite bright.”

“TSK, what's so strange about that? I heard that she was kept by a man and became someone else's mistress. It's not surprising that she has branded clothes to wear.”

The other woman agreed.

“I see. Her life is so good. She just killed her parents, and now she's being kept by a man. Not only does she not have to worry about food and water...” One of the women suddenly leaned over to Jing xinlei. “She can even have sex with a man every day.”

“Are you stupid? What's so bad about that? It's nothing more than standing naked in front of a man and pleasing him. You can do that too. It's just that we're not as shameless as her.”

“That's right. If you take off your clothes and sleep with someone, you'll have everything. What's there to be envious about? !” Another woman scoffed, her eyes filled with contempt.

Hearing the provocative words of the Sanming woman in front of her, Jing Xinlei finally remembered. Weren't these women Xiao Ran's colleagues? Why were they here? They even knew her appearance. "Who are you? Have you said enough?" She had a cold face and turned a deaf ear to the unpleasant words they had just said.

The three women looked at each other in surprise at her calmness.

"Why? You Don't recognize us so soon?"

Jing Xinlei didn't say anything. She just looked at the three people in front of her coldly.

Weren't they Xiao Ran's colleagues?

"Jing xinlei, you used to be so successful, but you were always suppressing rookies like us. How could you forget?"

A woman approached her. Her eyes reflected her hostility and hatred toward Jing Xinlei!

Looking at the face in front of her, Jing Xinlei's brows furrowed slightly. She had a slight influence in her mind.

Back then, she had been successful in this circle and had indeed suppressed many rookies.

And this person in front of her had also been suppressed by her before?

"I'm sorry, I don't remember."

Not remembering a single word really infuriated that woman!

"Bai Mengying! You haven't forgotten this name, have you? !"

Hearing the somewhat familiar name, Jing xinlei seemed to recall that she had indeed suppressed a rookie called Bai Mengying back then. So it was her.

After four years, she really didn't have any impression of her appearance.

She raised her eyes and coldly glanced at Bai Mengying.

"It's you."

Looking at her calm and composed appearance, Bai Mengying was very angry!

"Jing Xinlei, you have nothing now. You're just someone else's mistress. What right do you have to be here -"

Before Bai Mengying could finish her words, she was suddenly splashed with boiling water. In an instant, she looked extremely embarrassed!

Her eyes widened. For a moment, she seemed to be in disbelief when Jing Xinlei suddenly splashed water all over her face!

"What are you doing! ?"

Bai Mengying was so angry that she screamed. When had she ever been so embarrassed in public?

### **Chapter 1519: your mouth is too smelly**

“Your mouth is too smelly. I’ll help you clean it.”

“You!”

Bai Mengying was so angry that she was speechless. She glanced at the glass of water on the table and picked it up without thinking and threw it at Jing xinlei!

Jing xinlei seemed to have been prepared for this. With a flash, the glass of water splashed directly on the head of the person behind her!

“Ah!”

The woman at the next table jumped up in shock after being suddenly splashed with water. Then, she turned around and glared angrily at Jing xinlei, Bai Mengying, and the others.

They were all holding cups in their hands. For a moment, that person couldn’t figure out who had splashed her!

“Who splashed me! ?”

Bai Mengying took the initiative to strike first. “Of course it’s her.”

After saying that, she gave instructions to her two good friends beside her.

The two of them pointed at Jing Xinlei at the same time.

Madam Fu couldn’t help but get angry. She walked around her table angrily and walked over.

“Why did you splash me! ?”

“Madam, please look at the position. How do you think I’m going to Splash Water on your head with my back facing you?” Looking at the furious Madam Fu, Jing Xinlei wasn’t afraid at all. On the contrary, she was very calm.

She used to use such petty tricks to deal with others. Now that it had happened to her, she knew how to deal with it.

Listening to her analysis, the Mrs. Fu took a look. Judging from the position they were standing in, the one who was most suitable to splash water on her was definitely that woman.

“You splashed me?”

Bai Mengying was a little stunned when she was suddenly pointed at.

“You dare to Splash Me! ?”

As she said that, the rich lady stepped forward and gave Bai Mengying a tight slap!

Bai Mengying was stunned for a moment. “You, you dare to hit me!”

As soon as she said that, she was about to counter-attack!

However, at this moment, two bodyguards suddenly appeared beside the rich lady. Then, the rich lady raised her chin arrogantly and demonstrated her power to Bai Mengying!

Bai Mengying's raised hand froze, and she didn't dare to move forward.

"Mengying, let's, Let's Go!" Seeing the two tall and burly bodyguards, Bai Mengying's two good friends started to become timid.

Bai Mengying looked at Mrs. Fu unwillingly, then turned her head and glared at Jing Xinlei. Then, she stomped her feet unwillingly and left!

After they left, Mrs. Fu went to the bathroom to tidy up, and Jing Xinlei returned to her seat.

"What's going on?"

At a corner not far from the restaurant, Xiao ran asked with a frown when she saw Bai Mengying coming over in a sorry state.

"It's still that Jing xinlei. She's not as weak as we thought."

"It's useless!"

Looking at the three people in front of her, Xiao ran glared at them angrily.

"Sister Xiao, we did what you said to humiliate her, but she seemed to turn a deaf ear to our words as if nothing had happened!"

"Forget it, let's go back and tidy up!"

Glancing at Bai Mengying, Xiao ran left the corner and walked towards the restaurant.

As soon as she entered, she saw Jing xinlei sitting there calmly.

"Xinlei!"

She walked over with a smile.

Jing xinlei looked up at her. "What took you so long?"

She paused for a moment, then explained with a smile, "I accidentally bumped into someone's car door when I was parking just now. I was pestered for a long time."

"Oh," she said calmly and didn't continue the topic.

"Are you hungry? Let's Order!"

"You order, I'll do whatever I want."

"Okay!"

As she said this, Xiao ran picked up the menu and secretly observed Jing Xinlei before she began to order.

## Chapter 1520: she went back first

After lunch, Jing Xinlei went to the bathroom.

Xiao ran was waiting for her in her seat when she saw a figure passing by the window of the restaurant.

Seeing the familiar figure, Xiao ran picked up her bag and chased after him.

“Shenghao!”!

Zhong Shenghao was about to enter the restaurant next door when he heard her voice. He suddenly stopped and turned around to see Xiao ran standing there.

“Shenghao, why are you here?”

Zhong Shenghao glanced at her and then at the position behind her. He didn’t see Xinlei.

“Why are you alone? Where’s Xinlei?”

Xiao Ran’s eyes flickered. She turned around for a while before answering him, “She went back first.”

“Went back? By herself?”

“Yes, I wanted to send her off, but she didn’t seem to want me to.”

Hearing her words, Zhong Shenghao thought for a while and then took out his phone.

Judging from his actions, he was definitely going to call Jing xinlei.

“By the way, you haven’t told me why you’re here yet.”

“I’m here to eat.”

This place was very close to his hospital.

“That’s good. I haven’t eaten either. Can We Eat Together? !”

Zhong Shenghao’s hand that was holding the phone paused. He looked up at her. “You didn’t eat either?”

“Yes!”

“What about Xinlei?”

“She... said she wants to go back and eat!”

“Let’s go. Let’s eat First!” Afraid that he would call Jing xinlei, Xiao ran pulled his hand that was holding the phone and walked into the restaurant.

With her pulling him, he was stopped from calling Jing xinlei.

Zhong Shenghao was not that particular. He found a seat in the hall and sat down. He did not choose a private room.

The waiter brought the menu. Zhong Shenghao was a gentleman and let Xiao ran order.

Xiao ran glanced at him and smiled elegantly. "Help me order the same one as you. I'm going to the washroom."

With that, she picked up her phone and left.

Watching her leave, Zhong Shenghao did not say anything. He took the menu and began to order.

Jing xinlei, who came out of the bathroom, didn't see Xiao ran. She couldn't help but be stunned.

At this moment, her phone rang.

She looked down and saw that it was Xiao ran calling.

"Hello?"

"Xinlei, I'm sorry. You can go back by yourself. I may not be able to send you off."

"Where did you go?"

"I... Shenghao asked me to eat. You know I like him, so I lied and said I haven't eaten yet. You can go back first!"

The words made Jing Xinlei's heart sink.

Hao Cheng asked her out for dinner?

He knew they were together today.

"He didn't ask about me?"

On the phone, Xiao ran was stunned for a moment, then she smiled and said, "No, he just asked me where I was and said he wanted to have dinner with me."

"I got it."

"I'm sorry, Xinlei. You're not angry with me, are you?"

Holding the phone, Jing Xinlei said nothing.

At the same time, Zhong Shenghao took out his phone after ordering his meal and dialed her number. However, he found that she was still on the phone.

He hung up and dialed her number again. She was still on the phone.

He couldn't help but frown.

Who was she on the phone with? It was taking so long.

He placed his phone on the dining table and soon, the waiter served two sets of steak.

Xiao ran happened to come back from the bathroom.

Looking at the two sets of steak that were exactly the same, she smiled and sat down across from him.

However, halfway through the steak, Zhong Shenghao realized that Xiao ran had only eaten one or two mouthfuls.

“What’s wrong? Doesn’t suit your appetite?”

Xiao ran raised her head and glanced at him, then looked at the steak on the plate.
