

## Kiss Me 1521

### Chapter 1521: eating together with Xiao Ran?

She had just had lunch, how could she still eat.

But she didn't want him to see any flaws.

So she said, "Ha... you know, in our line of work, the most important thing is the body. We don't dare to eat too much."

After listening, Zhong Shenghao seemed to understand. He smiled and didn't say anything else.

After lunch, it was time for him to return to the hospital. There was a surgery in the afternoon that he had to perform personally.

"I'm going back."

"I'm going too!" Xiao ran said.

Zhong Shenghao turned to look at her. "Aren't you going back to work?"

"The show in the morning is over. If there's nothing else, my time is free."

He looked at her and didn't say anything.

"It just so happens that I haven't been to your hospital for a long time. I want to go and observe, okay?" There was a hint of anticipation in her eyes.

Zhong Shenghao pondered for a few seconds. "Okay."

As he spoke, he walked to his car and opened the door. Xiao ran naturally opened the passenger door.

After fastening his seatbelt, Zhong Shenghao was still a little worried about Jing xinlei. He took out his phone and called her.

It was finally connected!

Looking at the familiar name on the phone, Jing Xinlei hesitated for a long time before picking it up.

She swiped the answer button and brought the phone to her ear, but she didn't say anything. Instead, she waited for Zhong Shenghao to speak.

"Xinlei?"

"Yes."

"You went back?"

"Yes."

In the front passenger seat, Xiao Ran, who was on the phone with her, couldn't help but feel nervous. She stared at him, afraid that she would give herself away.

“Are You Home?”

“Not yet.”

He pursed his lips slightly. “Call me when you’re home.”

Jing Xinlei didn’t answer him. Instead, she fell into silence.

After a while, she couldn’t help but ask, “Were you having dinner with Xiao ran just now?”

He raised his eyebrows. “Yes. How did you know?”

“Nothing.” After she said that, she suddenly hung up the phone.

Looking at the phone that was suddenly hung up, Zhong Shenghao was a little puzzled.

“What’s Wrong?” Seeing his slightly stunned expression, Xiao ran couldn’t help but ask.

Zhong Shenghao turned his head and calmly glanced at her.

“Nothing.”

Putting away the phone, he started the car and left.

Jing xinlei, who had returned home, walked to the entrance to change her shoes and then walked into the living room.

The empty living room was as usual, but today, she felt a little quiet as if something was missing.

“Miss, you’re back.”

The Butler walked out and smiled at her respectfully.

“Okay.” She nodded and walked past the butler to the second floor.

“Miss, lunch is ready. Aren’t you going to eat first before going up?”

Hearing the housekeeper’s voice, Jing Xinlei stopped walking upstairs and turned to look at the housekeeper. “I’ve already eaten.”

The housekeeper was stunned.

“You’ve Eaten?”

She nodded. “Yes.”

“That’s strange. Young master also said to prepare lunch before you get home so that you can directly eat when you come back.” The housekeeper lowered her eyebrows, somewhat puzzled.

The young master had just called half an hour ago. Judging from his tone, it was probably because Miss Jing had not eaten lunch that she was in a hurry to let them prepare it.

“Did he tell you to do that?”

“Yes!” The housekeeper looked up at her, unable to understand the reason behind it.

Jing xinlei lowered her gaze and pondered for a few seconds before looking up at the housekeeper. "I've already eaten. Clean those up."

The housekeeper nodded at her. "Okay."

After saying that, the housekeeper turned around and left, walking towards the kitchen. She turned around and walked up to the second floor as well, returning to her room.

### **Chapter 1522: do you like Xiao Ran?**

In the afternoon, Jing Xinlei returned to her room with her book as usual. She went to the balcony on the second floor, sat on the swing chair, and flipped to the page she had read the last time. She continued reading.

However, she could not read calmly today.

She raised her wrist and looked at the timetable. It was only two o'clock.

Why did the time today seem to be much slower than usual?

Unable to read, she simply got up and prepared to lie down on the bed to take a nap.

However, she was still tossing and turning on the bed, unable to fall asleep.

In her mind, she suddenly recalled what Zhong Shenghao had said to her four years ago. "Why can't You Open Your Eyes and look at me?"

What did he mean by that?

It sounded like he liked her, but in the past four years, he had never said anything Like'i like you'. Not only that, but now he was even walking together with Xiao ran... he.., what did he mean?

These troubles had been puzzling her, causing her to be unable to fall asleep for a very, very long time.

In the end, she didn't know how she fell asleep. When she woke up, it was already dark outside the window.

Zhong Shenghao returned home, but he didn't see her on the balcony.

"Where is she?"

He turned his head and looked at the housekeeper. He couldn't help but frown and ask.

The housekeeper smiled amiably. "When Miss came back, she stayed in her room and didn't come out for the whole afternoon."

Hearing the housekeeper's words, he was startled and then walked to the door of Jing Xinlei's room.

After hesitating for a few seconds, he raised his hand and knocked on the door. "Knock, Knock, Knock!"

In the room, Jing Xinlei just woke up. Hearing the knock on the door, she instinctively thought it was the housekeeper.

“Come in.”

The door was pushed open. She lifted the quilt and got off the bed. Just as she stood still, she raised her head and saw that it was Zhong Shenghao who walked in. She couldn't help but be startled.

Looking at the sky outside the window, he had indeed returned home a long time ago.

But when she saw him, she couldn't help but think of the lunch he had with Xiao ran.

She glanced at him but didn't say anything. Instead, she turned around and walked to the bathroom to wash her face.

When she came out again, Zhong Shenghao was still standing there.

“Why did you come back early in the afternoon? Didn't you have fun?”

She stopped in her tracks.

Happy?

Thinking about what happened in the restaurant, she lowered her eyes. How could she be happy after being talked about like that?

“Naturally, I'm not as happy as you guys!”

As soon as she finished her sentence, even she herself could feel that there was a strong sourness in her expectations.

Zhong Shenghao was stunned, as if he didn't hear her clearly.

“What?”

“Nothing.” Her gaze was uncertain, as if she was avoiding him.

Then, she walked to the side, tidied up the quilt, and walked past him to go downstairs.

Zhong Shenghao stood still and frowned, looking pensive.

Then, he turned around and went downstairs.

At dinner, Jing Xinlei took the initiative to speak to him for the first time.

“Do you like Xiao Ran?”

Zhong Shenghao was surprised by this sudden question. He stopped eating and raised his eyes to look at her.

Like Xiao Ran?

“Why would you ask this?”

He liked her. Even if he didn't say this directly over the years, his behavior was enough to prove his feelings. Why would she ask such a ridiculous question?

His rhetorical question made Jing xinlei think that he did not want to answer, and her heart sank.

“It’s nothing. If it’s not convenient to answer, don’t answer.”

”...”

### **Chapter 1523: Don’t you know who I like??**

Zhong Shenghao looked at her and suddenly felt helpless.

“Xinlei!”

She stopped eating and looked up at him.

He stared at her with his long and deep eyes full of affection.

“Don’t you know who I like?”

She paused.

Why was he always like this? Did he want her to guess?

She had also guessed that he liked her.

However, she had once thought that Shi Yuting liked her, but in the end, it was just her wishful thinking. In the end, she had even defeated herself because of it.

So now, she didn’t dare to be like this anymore.

She didn’t reply. Instead, she lowered her head and continued eating.

In the end, Zhong Shenghao made her extremely depressed!

The phone in the living room rang, but it didn’t affect the two of them eating, nor did it break the silent atmosphere.

The Butler walked over and picked up the phone. Soon, he came to the dining room.

“Young master, a miss surnamed Xiao is looking for you.”

Zhong Shenghao turned to look at the butler, then lowered his eyes.

Miss Xiao? Xiao ran?

He put down the bowl and chopsticks, got up, and left the dining table.

It was a normal action, but in Jing Xinlei’s eyes, he seemed to be in a hurry. Could it be that he couldn’t wait to pick up Xiao Ran’s call?

Or was she thinking too much?

After picking up the call, he returned to the dining room.

Jing xinlei looked up and found that the gloomy expression on his face had disappeared.

He was just picking up Xiao ran’s call, and he was this happy?

“Pa!”

She suddenly placed the bowl and chopsticks on the dining table heavily, giving Zhong Shenghao, who was about to open his mouth to eat, a fright.

He looked up at her. “What’s Wrong?”

“I’m full!”

She didn’t look at him. Instead, she stood up straight and turned around to leave the dining table.

Looking at the rice in her bowl that she had only eaten a few mouthfuls of, Zhong Shenghao was stunned.

She was full just like that?

What was going on? She seemed to be different from before today.

After dinner, Zhong Shenghao left the dining room. She was no longer in the living room.

He turned his head, glanced at the direction of the second floor, and then walked up.

Usually, she would watch TV after dinner.

When he arrived at the building, through the gap under the door, he saw that the lights were still on.

“Ah!”

Suddenly, a scream came from inside!

His pupils constricted and his expression changed abruptly. He broke into the door without thinking!

However, he didn’t see her figure after he entered the door.

In the next moment, he caught a glimpse of her rushing out of the bathroom from the corner of his eye!

Jing xinlei, who had rushed out, was soaked through. She looked a little embarrassed.

He looked at her in shock.

“What’s going on?”

As soon as he finished speaking, he heard the sound of running water coming from the bathroom, and the sound was a little strange.

He strode over and saw a flood in the bathroom as soon as he arrived in front of her!

In a blink of an eye, everyone was out of the bathroom!

It was the first time he had encountered such a situation. He rushed into the bathroom and looked for the valve, trying to turn it off.

However, as soon as he walked in, he was instantly drenched by the spray of water. In an instant, he was drenched as well.

Jing xinlei, who was standing at the door, watched this scene in shock. She broke out in cold sweat on his behalf.

She was just about to take a shower when she realized that the water pipe had suddenly burst!

After struggling for a long time, Zhong Shenghao finally found the main switch and stopped the water!

When he came back to his senses, the bathroom was a mess and half of the room was also affected. It looked a little terrible!

### **Chapter 1524: sleep here tonight**

The two of them looked at each other, their bodies drenched.

This was the first time Jing Xinlei had seen him in such a sorry state, and she couldn't help but burst out laughing!

"PFFT –"

Her sudden laughter surprised him.

She actually... smiled?

Noticing that there wasn't the slightest hint of a smile on his cold face, Jing Xinlei's smile instantly died down.

She walked to the wardrobe and took a clean towel for him, but forgot to give one to herself.

Zhong Shenghao took the towel and hesitated for a few seconds, then walked over to her with the towel in his hand.

Looking at the man who suddenly approached her, Jing Xinlei looked at him in confusion.

The next second, he picked up the towel in his hand and wiped her wet hair.

She was only as tall as his chest, and they looked so compatible when they stood together.

He wiped her wet hair until there were no more drops of water. Then, he let go of her.

"Go take a shower, or you'll catch a cold." His voice was very soft and husky, very magnetic.

It was autumn now, and it was easy to catch a cold when you were drenched.

Jing xinlei was still completely immersed in his actions. She didn't come back to her senses until he spoke. She looked up at him and then said in a panic, "... Oh!"

She turned around and instantly felt her heartbeat quicken and her breathing quicken.

She said that she was going to take a shower, so she instinctively went back to the bathroom. Just as she was about to step into the bathroom, Zhong Shenghao, who was behind her, pulled her back.

"What are you doing?"

She turned her head and looked at him in confusion. "Taking a shower."

"Not here. The water pipe is broken. It definitely won't work today. You... go to the bathroom in my room."

As soon as he said that, Jing Xinlei couldn't help but quickly look up with a flash of surprise in her eyes.

"The bathroom downstairs hasn't been used for a long time, and many things aren't available. Or do you want to use Uncle Zhou's room?"

"..."

She was stunned for a moment, then she lowered her head and turned around. She took a new set of clothes and walked out of the room.

After she left, Zhong Shenghao went downstairs and made a call to the property company.

"Young master, What's Wrong With You?"

As soon as the Butler walked out, he saw that he was drenched and couldn't help but be surprised.

"Nothing," he replied and turned around to go upstairs.

After staying here for three years, this was the first time Jing Xinlei entered his room. It was very simple in style, mainly gray and white.

She walked into the bathroom and washed herself.

When she came out ten minutes later, she saw Zhong Shenghao standing in the room changing his clothes.

She was shocked and her eyes widened!

The clothes in her hands fell to the ground in an instant!

Zhong Shenghao turned his head. He was also a little surprised that she came out.

How did she finish showering so quickly?

Usually, Jing xinlei would need half an hour to bathe. However, when she thought that he was still wet, she quickened her pace and came out after a quick shower.

Looking at his ivory-colored skin and firm chest muscles, they were all full of temptation.

In an instant, both of them seemed to be a little embarrassed.

In the end, she was the first to speak, and her gaze also left his naked upper body.

"I, I'm done washing."

With that, she bent down, picked up the clothes on the ground, and was about to leave in her arms.

"Xinlei!"

Zhong Shenghao suddenly called out to her.

Wen Sheng turned around and looked at him.

After a long while, he opened his thin lips. "Tonight, sleep here."

Jing xinlei suddenly raised her head and stared at the man standing not far away with wide eyes.

Tonight... sleep here?

Is it because the water in the bathroom ran into the bedroom?

### **Chapter 1525: Why Don't you sleep here too**

"The people from the property company can only come tomorrow, so tonight..."

"It doesn't matter. It's just that the bathroom can't be used, so you can still sleep."

She couldn't look straight at his alluring chest. After saying that, she turned around and walked to the door of the room again!

Zhong Shenghao took a big step forward and reached out to grab her wrist!

Jing Xinlei was caught off guard. Her body jolted, and she was pulled into his arms. Her face bumped into his muscular chest, and she quickly blushed!

The atmosphere instantly became quiet, so quiet that only the sound of each other's heartbeats could be heard!

Plop, Plop, plop..

He lowered his eyebrows, and his gaze happened to fall on the top of her hair.

"The water has already reached your bedside. Sleep here tonight. I'll sleep in the guest room."

His deep and hoarse voice sounded above her head. In the next moment, he had already let go of her.

She raised her head and met his eyes that were as black as the stars.

"No need. I'll sleep in the guest room."

"Be good. I'll take a shower first. Bring me the things you need for tonight."

After saying that, he glanced at her, then turned around and entered the bathroom with his clothes.

Jing xinlei, who was still in a daze, only came back to her senses when the bathroom door closed with a 'Kacha'sound. She looked at the tightly shut bathroom door.

After a long while, she carried her clothes and left his room.

When she returned to her room, the water in the bathroom had indeed spread to the bedside, but it did not seem to affect her sleep?

After tidying up her clothes, Jing Xinlei did not go out for a long time. Instead, she laid on the bed and went straight to sleep.

She felt... uncomfortable asking her to go to his room and sleep on his bed.

Just now, she felt as if the entire bathroom was filled with his scent.

Just as she was thinking about it, the door was pushed open, scaring her so much that she sat up from the bed!

This was because usually, whether it was the butler, the servant, or him, they would knock on the door before coming in.

“What... What are you doing?”

Looking at the man standing at the door, she felt inexplicably nervous.

He glanced at her on the bed, then walked straight over and picked her up.

“What are you doing! ?”

Her eyes widened in shock. In the next moment, she was carried out of the room by him, and in the blink of an eye, she was in his bedroom.

After walking in, he put her on his bed and looked at her. “Sleep here tonight.”

Jing xinlei, who was placed on the bed, was still in a daze. She turned to look at the huge double bed.

“Then you...”

“I’ll sleep in the guest room on the third floor.”

She lowered her eyes and did not say anything else.

He turned around, took his phone and notebook, and was about to leave the room.

“Sheng Hao.”

This was the first time in four years that she had taken the initiative to call his name without using her surname.

She seemed to have really changed over the past few days.

“HMM?” He turned around and looked at her.

Looking at the man standing at the door, she hesitated for a long time before she spoke uncomfortably, and her voice was very soft.

“Why don’t you, you sleep here too...”

”...”

For a moment, he thought that he had misheard her.

“Are you sure?”

Looking at her, he asked.

Jing xinlei kept her head down, as if it was not appropriate for her to say such words.

But this room was his. Was it unreasonable to chase him out?

And she did not allow her to sleep in the guest room or his original room.

Moreover, this bed was very big. It should be fine to sleep with two people?

She did not speak again. Instead, she laid down and covered herself with a thin blanket.

Looking at the Bulge on the bed, Zhong Shenghao was stunned.

### **Chapter 1526: "Sharing a bed"!**

After a long time, the quiet room was so quiet that only the sound of the branches outside the window could be heard.

Then, Jing Xinlei, who was lying on her side, heard the sound of the door closing.

"Kacha!"

Following the sound of the door closing, Jing Xinlei, who was lying on the bed, suddenly felt her heart thump.

He left?

The entire master bedroom was covered with Persian carpets, so she couldn't hear his footsteps.

She, who had completely covered herself in the blanket, wanted to poke her head out to see the situation outside.

Did he really leave?

Just as she carefully poked her head out, the man had unknowingly arrived at the bedside. In the next moment, he flipped onto the bed and lay down beside her. His pitch-black eyes just happened to meet hers.

His sudden action caught her off guard. Her Bright Eyes stared at him in a daze.

He looked down at her and his voice was like the sound of nature. "Why? Weren't you the one who told me to lie down?"

She was stunned for a moment before coming back to her senses. She quickly lowered her eyes, turned her head, and turned her back to him again.

The rapidly beating heart in her heart seemed like it was about to rush out and escape from her body!

She took a deep breath as if to calm the beating heart, but no matter how hard she tried, she couldn't calm it down.

The room fell into silence again.

Looking at her back, Zhong Shenghao finally laid down completely and stared at her back.

Jing xinlei knew very well that if this continued, she wouldn't be able to sleep for the whole night.

She took a deep breath and tried to calm herself down.

Should she find something to talk about to break this eerily quiet atmosphere?

Thinking of this, she slowly said, "Sheng Hao."

"Yes."

"I'm going out to work tomorrow." Her back was facing him, but she never turned around.

He was slightly startled.

"Work?"

"Yes, Xiao ran helped me find a job."

"What Job?" He was worried.

If she wanted a job, he could arrange it for her.

"Xiao Ran's assistant."

Xiao Ran's assistant?

He furrowed his brows and stared at the back of her head.

Xiao ran was once her best friend. Ever since they met, she was in a much better mood and talked more.

"You Like That Job?"

Hearing this, Jing Xinlei fell silent.

Like It?

"Not really."

He frowned. "Since you don't like it, why do you want to do it?"

"I just feel that I can't always stay at your place like this."

If it was possible, she planned to move out.

Zhong Shenghao seemed to have heard something from her words, and he quickly stood up.

She didn't know what he was doing, so she subconsciously turned around and happened to meet his deep, ink-like eyes.

"What do you mean?"

He stared at her with a hint of anxiety between his brows.

She was stunned for half a second. Then, she sat up and turned her head to look at his handsome figure.

"I might move out."

“Why?”

She lowered her eyes. “I don’t have any relatives or relatives with you. It’s not good for me to stay here all the time.”

“What’s not good about it?”

She lowered her head and did not speak.

She was not deaf. It was not that she did not hear what those people said in the restaurant at noon.

“If you are going to work to move out of here, then it’s better for you not to go!” His face suddenly darkened.

She looked up and saw his slightly unhappy face.

She moved out, so he was angry?

But why did he provoke Xiao ran again? If he liked him, why did he have to eat with Xiao ran and let the maid prepare lunch for her at home? Wasn’t he afraid that she would disturb him and Xiao ran eating together?

#### **Chapter 1527: Her sleeping position**

What exactly was a man’s mind like.

“I’m not sure yet. Actually, I just don’t want to be idle at home.”

“Don’t go.” He pulled his face down.

” ... ”

Looking at him, she felt a little helpless against his unhappiness.

“But I don’t want to be idle like this.”

“Then go to the hospital and be my assistant!”

” ... ”

Be his assistant? He was a doctor, and she knew nothing about medicine. How could she be his assistant?

“I won’t Be Your Assistant.”

“You don’t need to do anything. Just stay by my side.”

” ... ”staring at him, her clear eyes rolled. “Then, you’ll pay me my salary as usual?”

He glanced at her. As expected, it was to earn money so that he could move out of here?

“Yes.”

He still answered her.

If he didn't do anything but took the money, wouldn't he become a bona fide 'Sugar Daddy'?

"But I've already promised Xiao ran."

Staring at her, Zhong Shenghao only spoke after a long while. "Do you really want to run away from me that badly?"

His sudden words startled her.

Run Away?

She didn't think of running away from him. She just wanted to move out and stop those leisurely mouths.

Besides, how could moving out of this place be called running away from him? It was just that they didn't live under the same roof.

"What if I say I don't want to?"

He was stunned and stared at her with his dark eyes.

She lowered her eyes and continued, "I just don't want to be idle at home. I don't want to move out of this place to run away from you."

"If that's the case, you can work, but you're not allowed to move out of this place!" His domineering tone was not to be rejected!

Jing xinlei raised her head and glanced at him.

"Go to sleep!"

As he spoke, his eyes never left her. Jing xinlei felt a little uncomfortable under his stare, so she lifted the blanket and lay down again.

The night was very long. The two people on the bed did not seem to be sleepy, but neither of them made a sound, as if they were afraid that if they moved, they would wake up the person lying next to them.

It wasn't until early in the morning that Zhong Shenghao felt sleepy.

Just as he closed his eyes and was about to sleep, a long and beautiful leg came over from his waist!

He opened his eyes and slightly turned his head. He saw the leg that was straddling his waist.

Before he could react, the person who was lying quietly next to him suddenly turned around and moved closer to him. One of her arms was on his chest like a child!

He was stunned and did not dare to move, as if he would wake her up if he moved.

He turned his face slightly and saw her sleeping face. Her eyes were closed, as if she was very deep asleep.

Suddenly, he smiled.

From university until now, he only knew that she was a woman with a strong personality, but he had never known that she also had a child-like side.

Seeing her sleeping soundly and her breathing fluctuating, he hoped that he would be able to see her sleeping like this every night for the rest of his life.

With a turn of her body, Zhong Shenghao's entire arm was pressed under her body. By the next morning, he was completely numb.

At 7:10 am, Jing Xinlei woke up in a daze on the bed.

When she opened her eyes, what entered her sight was a naked body!

Subconsciously, she thought it was her arm, but it didn't seem right?

Her hands were clearly not in this position..

The next moment, she seemed to have realized something. She widened her eyes and sat up. She saw his thick eyebrows knit together, and then he loosened his arm.

#### **Chapter 1528: come to my room**

What, what happened? Did she sleep like this all night?

But before she slept, her back was clearly facing him.

Uh, it seemed that her sleeping posture was not good. She liked to roll around and sleep on a big bed.

She raised her hand and fiddled with the hair that hung on the left side of her face. Her expression was slightly awkward.

"UM, did I, did I disturb your sleep?"

"No," he said without thinking as he stretched his numb muscles.

She glanced at his arm. "Then..."

"I did it myself."

"..."

She did not say anything. Instead, she glanced at the small clock on the bedside table.

It was already past seven! ?

She remembered that Xiao ran had told her to arrive at the office before eight o'clock today!

Thinking that it was already too late, Jing Xinlei hurriedly got up from the bed and scuttled out of the room!

When she arrived at her room, she was about to wash up and change her clothes when she found that the maintenance staff was fixing the broken water pipe in the bathroom last night.

“Come to my room.”

His voice sounded from behind her.

She turned her head around and a hint of surprise flashed across her clear eyes.

Go to his room again?

Uh, it seemed that she had no other choice?

She took her clothes, brought her toiletries, and went to his room again.

She stood in front of the sink and looked at herself in the mirror. Suddenly, she felt disgusted, and the corners of her mouth curled up inadvertently.

Ugh, is she in such a good mood today?

I Don't care!

There was no time. She quickly washed up and changed her clothes. The whole movement was completed in fifteen minutes!

It was half past seven. It would take at least half an hour to reach Xiao Ran's company!

“I'm leaving First!”

She went downstairs and walked straight to the entrance.

In the next moment, her arm was grabbed.

She turned around and saw that it was Zhong Shenghao who grabbed her.

“Why are you in such a hurry?”

“Xiao ran said she would arrive at the company before eight o'clock. It's too late.”

“We'll go after dinner.”

With that, he pulled her to the dining room.

“It's really too late!”

“I'll send you off later. I promise I'll arrive before eight o'clock!”

He forced her to the dining table.

Jing xinlei glanced at him and saw him leisurely sitting down at the dining table. Then, he picked up a sandwich.

Without further consideration, she also sat down, reached out for a sandwich, and ate it.

Five minutes to finish breakfast. This was a breakfast that they had offended in a hurry!

“Sit tight.”

After getting into the car, he turned his head. His face was filled with a warm smile, and he seemed to be in a particularly good mood.

As soon as he finished speaking, the Red Bentley quickly drove away. It sped along the winding mountain road like a gust of wind, heading west.

At 7:55, the Red Bentley stopped in front of the company building where Xiao ran was. Looking at the time, it really was before 8:00!

However..

Jing xinlei, who was sitting in the passenger seat, grabbed the handrail of the car tightly. It was her first time sitting in such a fast car!

“We’re here.”

He turned his head and looked at her with a faint smile.

Jing xinlei calmed down for a long time before her emotions calmed down.

At this time, Zhong Shenghao had already circled to the front passenger seat and opened the door for her. He was very gentlemanly.

Looking at the man who stood there and opened the door for her, Jing Xinlei hesitated for a few seconds before getting out of the car.

Just as she got out of the car, a blue Maserati drove over and stopped beside them.

The next second, Xiao ran got out of the car in a gorgeous dress.

Zhong Shenghao’s hand was still on the car door. Seeing this scene, Xiao ran, who got out of the car, was slightly stunned, but it disappeared in an instant.

### **Chapter 1529: didn’t want to trouble you**

Looking at the two people in front of her, she smiled and walked toward them.

“Hao Cheng! Xiao ran, you’re here.”

Jing xinlei glanced at her with a calm expression and didn’t answer her question.

This sentence ‘you’re here’ seemed to be asking her, but in reality, it seemed to be just a way for her to open her mouth to Zhong Shenghao.

After asking the question, Xiao ran’s gaze did not linger on her face at all. Instead, she looked at Zhong Shenghao.

Xiao ran turned her gaze and suddenly looked at Jing xinlei.

“Xinlei!”

She raised her eyes. "Huh?"

"In the future, why don't I pick you up to work? It's not that much of a detour anyway."

Jing xinlei could not help but be startled.

Sheng Hao's villa was halfway up the mountain. Why wouldn't she take a detour?

It was obvious that he didn't want Sheng Hao to send her off.

She smiled. "There's no need. If you pick me up, it'll take more than an hour to go back and forth. Forget it."

"What's The Big Deal? We're sisters, aren't we?"

She looked at her, pursed her lips slightly, but smiled without saying a word.

"It's alright. I'll send her off," Zhong Shenghao said. He didn't want to miss this chance to be alone with her every morning.

"Aiya, it doesn't matter. Your Hospital is so far away from here. It's so inconvenient! I'll be the one to pick up xinlei from now on. Don't Worry!" Xiao ran insisted, then, she turned to look at Jing xinlei.

"Xinlei, you want me to send her off too, right?"

There was a smile at the corner of her mouth, but her eyes seemed to indicate that she nodded. Jing xinlei could naturally see it.

She smiled. "Actually, I don't want to trouble you."

Xiao ran was stunned, and her smile was a little stiff.

Did she do it on purpose, or did she really not see the hint she gave her?

"Aren't you leaving? It's already eight o'clock." Jing xinlei raised her hand and looked at the timetable on her wrist.

"Then I'll leave first."

Zhong Shenghao smiled at the two of them, then turned around and opened the car door.

After getting into the passenger seat, he couldn't help but look at Jing xinlei.

She happened to be looking at him as well. When their eyes met, Jing Xinlei quickly turned away. The scene of the two of them 'sharing a bed' the night before suddenly flashed in her mind!

Xiao Ran's eyes darted between the two of them. She seemed to have sensed that the atmosphere was not right.

"Hao Sheng!"

Just as he was about to start the car, Xiao ran suddenly called out to him.

Wen Sheng turned around when he heard her. "Huh?"

"Tomorrow is the weekend. Let's have dinner together tonight!"

Zhong Shenghao's gaze naturally fell on Jing xinlei. "The three of us?"

Xiao ran's smile froze. From the corner of her eye, she also glanced at Jing xinlei. After pausing for a few seconds, she said with a smile, "Yes!"

"Okay," he agreed with a smile.

Xiao ran also smiled in satisfaction, and a strategy flashed in her eyes.

Jing xinlei just stood quietly by the side and did not say anything.

"Then it's a deal. If it's a restaurant, I'll decide!"

"Sure, we'll do whatever we want."

"We'll do whatever we want" seemed to be a very ordinary sentence, but it made Xiao ran feel uncomfortable.

It was as if she was treating them to a meal, so she would decide the location, and they would do whatever they wanted.

But in front of him, she could only pretend to smile. "Okay."

"Let's go."

After taking one last look at the two of them, Zhong Shenghao drove away.

"Let's go, we're going in too!"

She turned around and smiled as she held Jing Xinlei's hand. To outsiders, they were like a pair of inseparable sisters!

"Xinlei, can you... help me with something?"

In the morning, in the private lounge, Xiao ran suddenly held Jing Xinlei's hand.

### **Chapter 1530: can you not go to dinner?**

Jing xinlei was still not used to her intimate behavior.

Their relationship did not seem to be the same as four years ago or when they were in university.

She withdrew her hand uncomfortably and looked at her calmly. "What favor?"

Xiao ran hesitated for a few seconds and looked a little embarrassed.

"Can You Promise Me First?"

Hearing her words, Jing Xinlei suddenly guessed that this favor was probably related to Hao Sheng again.

"You go first."

“That’s right...”Xiao ran looked at her and pursed her lips. “Can you find an excuse not to go to dinner tonight?”

”...”as expected.

Jing xinlei fell silent and didn’t answer her for a long time.

Xiao ran was a little anxious.

“Xinlei, you said you would help me pursue Hao Sheng! Please help me just this once, okay? Give me a chance to be alone with him.”

“If you want to be alone with him, why don’t you ask him out directly?”

“I, I’m just afraid that he won’t agree! Xinlei, you’re my best friend. You know, I’ve liked him for so many years. This time, I really don’t plan to let him go. Can you help me this time? !”

There was a hint of pleading in her tone as she looked at Jing Xinlei.

Jing xinlei remained expressionless as she looked at her calmly.

“Please!”

Find an excuse to not go to dinner and allow her to spend some time alone with Sheng Hao?

Why did she have to do that?

She clearly wanted to have dinner with Sheng Hao, didn’t she?

“I’ll give it a try!”

In the end, she still agreed.

“Thank you, Xinlei!”

She smiled and did not reply.

“Let’s go, I’ll bring you to a feast!”

As she said that, she held her hand intimately once again and left the company together.

Just as the two of them walked out of the company building, a few figures walked towards them.

“Hi, Sister Xiao!”

“Sister Xiao, are you going out to eat? Can We –”

Seeing Xiao ran walking out, the three girls immediately stopped and greeted her. Bai Mengying’s voice stopped abruptly when she saw Jing xinlei walking out from behind Xiao ran.

At this moment, Xiao ran’s expression was a little ugly. She wanted to pretend that she didn’t know the people in front of her, but it was too late.

Seeing the three girls in front of her, Jing Xinlei wasn’t surprised.

After all, they and Xiao ran both belonged to the same company.

But then, she sensed something from their expressions.

Receiving Xiao Ran's gaze, Bai Mengying immediately understood! She quickly took her two good sisters and pretended to not know Xiao ran very well before leaving.

However, the more they acted like this, the more guilty they seemed.

Xiao ran did not make a sound from beginning to end. Instead, she walked straight to her car.

"Do you know those people just now?"

In the car, Jing Xinlei asked.

Xiao ran turned around and pretended not to understand. She asked, "Just now? Who were they?"

"The three people I met at the door."

"Them? I don't know them!"

"But, I heard them call you 'Sister Xiao'?"

Xiao ran's hand that was holding the steering wheel suddenly tightened, but she quickly pretended to be calm.

"This is very normal. With my current fame, it's inevitable that someone would want to curry favor with me. Many unremarkable young models in the company call me that. You didn't see it, so I don't want to pay attention to them."

Jing xinlei glanced at her and didn't ask further. "OH."

However, the calmer she was, the more uneasy Xiao ran became.

"What's wrong? Why are you asking this?"

"Nothing, I'm just curious!" Jing xinlei suddenly smiled. The scene of her being insulted in the restaurant flashed in her mind.
