

Kiss Me 1531

Chapter 1531: was a call from Zhang Sheng

She clearly remembered that the three women had humiliated her and left. Not long after, Xiao ran arrived.

At that time, it had taken her such a long time to park the car. As soon as they left, she came as if she had calculated the time.

Was It really a coincidence?

She did not believe it.

Xiao ran turned her head, trying to detect something from the side of her calm face, but in the end, she found nothing.

After lunch, Xiao ran didn't have much to do in the afternoon, so she didn't go back to the company. As her assistant, Jing xinlei, naturally didn't have to go back.

"Xinlei, come with me to a place!"

"Where?"

"I want to develop in the entertainment industry. I'm going to see a director today. If I get the chance to audition, I might be selected as the female lead of a Drama!"

"That's a good thing. Can't you just go by yourself?"

She had a vague feeling that if she had instructed Bai Mengying and the others to come to the restaurant that time, how could she bear to bring her along for this opportunity today.

Xiao ran was momentarily at a loss for words when she was asked this question. However, she immediately smiled again, as if she was afraid that Xiao ran would notice something.

"Xinlei, are you stupid? You're my assistant. As long as it's within the scope of work, you'll definitely follow me wherever I Go!"

"Oh, then why did you specially ask me to 'accompany' You When you just asked me to follow you?"

Xiao ran vaguely felt a hint of unknown hostility from her calm eyes, but she did not know if this was her misperception.

After a long while, she finally smiled, "Aiya, although you are my assistant in name, we are good sisters in private. Of course, I don't treat you as my assistant, but as my best friend! That's why I said that I would let you 'accompany' me!"

"Oh, if you didn't explain, I would have thought that you had an ulterior motive for insisting that I go." Jing xinlei had a calm smile on the corner of her mouth the whole time. She looked at Xiao ran with a faint smile, but it was not a smile.

Xiao ran was stunned. Did she sense something?

No, it shouldn't be.

She smiled brightly.

"Xinlei, you're making fun of me again!"

Jing xinlei smiled but didn't say anything else.

"Let's Go!"

She pulled her and got into the car.

Ten minutes later, the two of them arrived at an entertainment venue.

"Are you here for an audition?"

Jing xinlei turned her head and looked at Xiao ran beside her.

Xiao ran looked away from the building in front of her and turned her head to look at her. "Of course not. I'm just going to see the director today. If I get the chance, I can audition directly tomorrow and become the female lead!"

"Let's Go!"

She pulled her and walked straight into the entertainment venue!

In the private room on the second floor, there were lights, wine, and extravagance.

Jing Xinlei was not used to coming to such a place after four years.

Before she could walk in, she heard her phone ring.

She picked up the phone and saw the familiar name on it.

Xiao ran, who was standing next to her, naturally saw the word 'sheng hao' and could not help but bite her lower lip.

Coincidentally, when she bit her lower lip, Jing Xinlei's eyes happened to look up at her. Xiao ran hurriedly let go of her lips and returned to a smiling face.

"It's Sheng Hao."

"Yes, I need to take a call first."

As she spoke, Jing Xinlei turned around and walked to a corner of the corridor to pick up the phone.

As they were very far away, Xiao ran could not hear what she was saying. She turned around and walked straight into the private room.

Chapter 1532: I think so too

But on second thought, she wouldn't leave just like that, right?

Thinking of this, she couldn't help but walk out of the private room again. Standing at the door, she looked at Jing Xinlei who was not far away.

After a long while, Jing xinlei hung up the phone and walked over.

"Sheng Hao, what did I say to you?" Looking at her walking over, Xiao ran asked carefully with a touch of probing.

"Nothing, just... asking if I was eating properly."

It sounded very normal, but it still aroused Xiao ran's jealousy.

Was he eating properly? This was clearly the tone of a boyfriend who cared about his girlfriend.

"Xinlei, you... are you really not dating Hao Sheng?"

Jing xinlei looked at her and hesitated for two seconds before saying, "No."

She was indeed not dating Hao Sheng right now.

"What's Wrong?"

"Nothing! I just feel that you two are too close."

"Is that so?"

"Yes."

"I think so too." She smiled as if it was a matter of course.

Xiao ran, however, was stunned.

A pair of phoenix-like eyes tugged at her. "Xinlei, don't tell me you really like Hao Sheng?"

Seeing the worried expression on her face, Jing xinlei smiled calmly and did not answer the question. Instead, she asked, "Aren't you going in?"

She gestured to the private room with her eyes.

Only then did Xiao ran come back to her senses. She did not seem to be in a hurry to meet the director. Her mind was still on whether she liked Zhong Shenghao or not.

She used to like Shi Yuting so much. Could it be that she had changed her mind and liked Zhong Shenghao after getting along with him for a few years?

If that was really the case, then she had to get her to move out of Chenghao's villa as soon as possible!

"Let's go in!" She smiled without changing her expression.

The two of them walked into the private room together. Under the dim light, there were a few men and women sitting on the sofa with their arms around each other's shoulders. The entire private room seemed to be filled with the strong smell of trading and crime.

“Director Guo!”

Seeing the man with a slight stubble sitting in the middle, Xiao ran walked over with a smile.

The man glanced at her. Although he was wearing name tags all over his body, his face was unremarkable.

“Miss Xiao.”

Xiao ran smiled very sweetly. “Yes.”

“Take a seat.”

“Thank you, director Guo!”

Xiao ran smiled and walked to the seat next to him and sat down.

“This is?” Director Guo’s gaze fell on Jing Xinlei’s face behind her.

“Oh, she’s my good sister, Jing Xinlei!”

As she said this, Xiao ran stood up again and intimately bent Jing Xinlei’s arm. From the way she looked, she really didn’t treat her as her assistant.

“Is that so?”

Director Guo shook the whiskey in his glass and looked at Jing Xinlei with interest.

“Let’s sit down together.”

“Thank you, director Guo!” Xiao ran thanked him and pulled Jing Xinlei to sit down.

“Director Guo, can you give me the thing you mentioned last time –”

Before Xiao ran could finish her sentence, director Guo suddenly raised his hand and signaled for everyone in the private room to leave, leaving only the two of them behind.

“Go ahead.”

After everyone had left, director Guo put down the wine glass in his hand and lit a cigar.

“Director Guo, you are really forgetful. The last time, the female lead you mentioned, could you...” Xiao ran didn’t continue, but glanced at Jing Xinlei from the corner of her eye.

“About that, I am still considering it.” Director Guo took a puff of the cigar and gently blew out smoke rings. After glancing at Xiao ran, his eyes fell on Jing Xinlei’s face again.

Chapter 1533: Let My Sister Drink for me

It wasn’t that Jing Xinlei didn’t notice that he was looking at her with ill intentions, but she had remained silent from the beginning to the end. In any case, she was only here with Xiao ran, so there was no need for her to speak.

On the other hand, Xiao ran seemed to have suddenly noticed director Guo's gaze on her face.

"Director Guo, she's only here with me, and she doesn't want to enter the entertainment industry."

Her words sounded like she was afraid that Jing Xinlei would steal her limelight, but in reality, it was a show that she and director Guo had put together.

"Is that so?"

Director Guo smiled and took another puff of his cigar. His eyes were still looking at Jing xinlei across from him.

"So... have you thought about it?"

Director Guo raised his eyebrows and smiled meaningfully. "Drink this glass of wine first. When you're full, the business will naturally be good, right?"

Hearing this, Xiao ran immediately smiled and understood. However, when she saw the full glass of red wine, she looked troubled.

"But director Guo, I . . . Don't know how to drink."

"Ha, Miss Xiao really knows how to joke. You are an international famous model. It's inevitable that you have a lot of social events. How can you not know how to drink?"

"Although that's the case, I really don't know how to drink." Xiao ran looked troubled. Then, she turned to look at Jing xinlei. "If you don't believe me, you can ask my good sister!"

Director Guo really glanced at her when he heard that. Then, he put out his cigar. "If that's the case, then I'll do it reluctantly. Three glasses."

Three glasses?

"Director Guo, I..."

"You want me to give you a chance, but you won't even toast me with three glasses of wine. Miss Xiao, do you think anyone can be the female lead of this drama?"

As soon as he said this, Xiao ran pretended to understand. "Yes, director Guo is right. I don't know the rules."

Then, she picked up the glass of wine in front of her and drank it in one gulp.

After drinking one glass of wine, her face was very red.

Jing xinlei glanced at her. Four years ago, she indeed didn't know how to drink. However, after four years, she didn't know.

"Look, aren't you drinking well?"

Then, director Guo poured another glass for her and signaled her to continue.

"Director Guo, I'm famous for pouring three cups. After the Second Cup, I'll definitely be drunk. I still have an appointment tonight..."

“Since that’s the case, then forget it.”

As he spoke, director Guo’s expression immediately darkened. He stood up and acted as if he was about to leave.

Seeing this, Xiao ran hurriedly pulled him back. “Hey, director Guo, don’t Be Like This! How about I, I get my sister to help me drink?”

As she said this, director Guo indeed stopped in his tracks.

Jing xinlei, who was at the side, also raised her eyes in surprise and looked at Xiao ran. Coincidentally, she also turned her gaze to look at Xiao ran.

“Your sister will help you drink?”

“Yes!” Xiao ran nodded desperately and then returned to Jing Xinlei’s side. She said in a low voice, “Xinlei, can you help me? Whether or not I can enter the entertainment industry depends on this opportunity!”

Jing xinlei looked at her calmly. Xiao ran looked as if she was really asking for her help.

“There are only two glasses left. Can you help me drink it? You can hold your liquor so well. You will help me with two glasses of wine, right?”

“What if I don’t Help?”

Xiao ran was stunned and her expression instantly froze. For a moment, she seemed to be a little embarrassed because she didn’t expect her to refuse so straightforwardly.

Just as Xiao ran looked embarrassed, Jing xinlei smiled. “I’m just joking with you. You’re So Nice to me. It’s just two glasses of wine. As a good sister, how can I not help you?”

Chapter 1534: Let’s play a game

Xiao ran was stunned for a few seconds before she finally came back to her senses. She smiled and said, “I thought...”

“Look at how scared you are. You looked as if you had done something wrong just now,” she said casually again, which made Xiao ran’s expression freeze again.

However, Jing Xinlei pretended not to see it. Instead, she picked up the glass of whiskey and downed it in one gulp.

“Miss Jing is indeed a good drinker.” Director Guo couldn’t help but clap his hands.

Xiao ran, who was at the side, watched as she downed her glass of whiskey. An unknown light flashed in her eyes.

In the quiet private room, a cell phone rang.

“I’m going out to take a call.”

Taking a look at Jing xinlei, Xiao ran winked at director Guo, then stood up and left the private room.

Jing xinlei drank the second glass and was not surprised by Xiao Ran's departure.

If she left, she would probably come back at a 'coincidental' time, just like the last time she was in the restaurant, right?

"Clap! Clap! Clap!" Director Guo held the corners of his mouth and smiled deeply. "Miss Jing is forthright!"

"This wine is quite good." Jing xinlei also smiled, but no one could see the hypocrisy in her smile.

"Really? Would you like two more glasses, Miss Jing?"

"Sure."

Director Guo poured her another glass.

After five glasses of whiskey, Jing Xinlei was a little drunk, but her smile was charming, making her look even more sexy.

"Miss Jing, you're drunk."

Seeing her drunk, director Guo suddenly moved closer to her.

"Pfft — I'm drunk? I'm not drunk..."

She looked drunk and flirtatious.

Director Guo lowered his eyes and looked at her blushing face. He unconsciously reached out his hand, wanting to hug her..

When his hand touched her shoulder, Jing Xinlei suddenly stood up tipsy. Her half-drunk and half-smiling face was so flirtatious that any man could not help but feel the urge to commit a crime!

"Miss Jing?"

"Director Guo... I've already drunk this wine. Are you going to give me the opportunity to be the female lead?" Her tone sounded like she was trying to curry favor with him.

Director Guo enjoyed it very much.

"Of course I'm going to give you the opportunity, but... It depends on what you do."

"What do I Do?" Slightly drunk, she narrowed her eyes and smiled charmingly. She pointed at her nose and asked.

"Yes, if you satisfy me, I will agree to let your sister be the female lead of this drama."

As she said this, director Guo stood up and looked at her, who was on the verge of collapse. He reached out and wanted to pull her into his arms.

However, Jing Xinlei raised her hand to stop him. She poked his chest with her index finger and smiled charmingly. "Director Guo, in that case, shall we play a game?"

“Game? What Game?” Director Guo liked her more and more as he watched her intoxicating look.

“That’s right...” she pushed him and sat down on the sofa. Then, she leaned into his arms as if she was teasing him. “Close your eyes first...”

“What are you going to do?” Director Guo seemed to be very interested in the ‘game’ she was talking about.

“Damn it, what else can I do with my eyes closed? How can I start with you like this...”

Looking at the woman who looked like a vixen in front of him, director Guo’s smile deepened, and he really closed his eyes in the next second.

“You can’t open them...”

“Okay.”

Seeing that the man’s eyes were closed, the drunkenness and smile on Jing Xinlei’s face instantly disappeared, and it was replaced by coldness and danger!

Chapter 1535: my good sister, where are you?

She glanced at the man in front of her and noticed the wine bottle at the side from the corner of her eyes.

Looking at the man in front of her, Jing xinlei reached out her hand and slowly picked up the wine bottle. Then, she smashed it hard on director Guo’s Head!

“Bang!”

Director Guo originally thought that it was some flirtatious game, but he didn’t expect that he would receive a heavy blow on his head when he closed his eyes!

“Ah!”

A shrill cry rang out in the private room. In the next moment, he saw the fresh blood on the top of director Guo’s head lying down along his forehead, dyeing his originally unattractive face red.

Jing xinlei took advantage of the situation and stepped back a few steps, looking at the man in front of her coldly.

Xiao ran sure was good. She had brought her here for another purpose!

Not only did she want her help to take the opportunity to be the female lead, she even wanted director Guo to get her drunk and then humiliate her?

She coldly glanced at the man who was wailing on the sofa, and her lips suddenly curved into a smile. “Sorry Director Guo, Xiao ran said that she doesn’t want the female lead, but she can’t Stand the Way You Act pretentious!”

After saying that, she threw down the remaining wine bottle in her hand, then turned around and strode out of the private room.

Walking out of the private room, she looked around, and sure enough, Xiao ran was nowhere to be seen.

She walked towards the stairs. Just as she walked out of the clubhouse, her phone rang. It was Xiao ran.

Looking at the familiar caller ID, she hesitated for a long time before picking up the phone.

“Hello...”

Initially, Xiao ran thought that she would not pick up the phone. The reason why she called was to confirm it. Now that it was picked up, she was stunned.

“Uh, xinlei...”

“Xiao Ran, my good sister, where are you now?”

Hearing her slightly drunk tone, Xiao ran was relieved. “I, I have something to do, so I need to leave for a while, you...”

“I’m still drinking with director Guo, but...”Jing xinlei paused for a few seconds. “I feel a little dizzy... maybe I’m drunk, can you come and take me with you?”

She pretended to be drunk.

On the phone, Xiao ran hesitated for a few seconds before she said unnaturally, “Okay, okay. Wait for me. I’ll pick you up in a while. Ah.”

“Okay... I’ll wait for you.”

After hanging up the phone, Xiao ran curled her lips in satisfaction and drove away from the underground parking lot of the clubhouse.

When she came out again, it was already a little dark, probably because it was going to rain.

Jing xinlei called for a car. It was already past four in the afternoon when she returned to the villa.

“Miss, you’re back.”

Just as she entered the house, the housekeeper walked over and greeted her with a smile.

She also smiled slightly. “Yes.”

Then, she turned around and went upstairs.

When she reached the bedroom, as usual, she took the book and went to the balcony.

Not long after, Raindrops started to fall from the sky as expected.

At five o’clock, the entire sky was shrouded in darkness and her vision was no longer clear. She had no choice but to close her book and turn around to go back to her room.

As soon as she entered the room, her phone rang.

She did not need to look at the caller ID to know who was calling.

Looking at the lit up screen, it was indeed Xiao ran calling.

She wanted to confirm if she was currently having an intimate relationship with director Guo?

Then, she could enjoy dinner with Hao Cheng and show him the evidence of her entanglement with director Guo?

She used to use these tricks!

She looked at the phone but didn't pick it up. Instead, she leaned against the headboard and continued reading.

Chapter 1536: she had something to do. Come later

At the entrance of the hospital, Xiao ran saw that she was not picking up her phone. She seemed to have confirmed that she was definitely sleeping with director Guo right now. She only needed to wait for director Guo to send her a photo in a while, and then she could show it to Hao Sheng!

She suddenly felt that she was too smart. Not only could she destroy her position in Hao Sheng's heart because of this, but she could also borrow the 'body' that she contributed to get the female lead of that drama. She could kill two birds with one stone!

She put away her phone and went to Zhong Shenghao's office.

"Shenghao." She knocked on the door frame and looked at the man who was working with his head down.

Zhong Shenghao looked up when he heard Wen Sheng and saw her standing at the door.

She smiled. "Are you done with your work?"

"Why are you here?"

"Did you forget? We agreed to have dinner together. It's 5:30!"

He glanced at the time and really wanted to get off work.

He raised his head, but he didn't see Jing xinlei behind her.

"Where's xinlei? Isn't she with you?"

"She has something to do. She'll be here soon. Let's go over first."

Zhong shenghao frowned. What could she have to do?

"Let's go, let's go. Let's go over first!"

With that, she walked over and started to help him pack his things.

Zhong Shenghao took off his coat and looked at Xiao ran with some confusion. "What did you tell her?"

“What?”

“Didn’t you say that she couldn’t come because of something?”

“Oh, right! I, I asked her to get something for me. We’ll go straight to the restaurant later.”

The two of them left the hospital together and went to the restaurant that Xiao ran had booked.

They waited for almost ten minutes, but Jing Xinlei still didn’t show up.

The more Zhong Shenghao thought about it, the more worried he became. He took out his phone and dialed her number.

Staring at the way he was making the call, Xiao ran had a complicated look in her eyes.

The phone rang for a long time, but no one picked up.

He frowned slightly and felt a little uneasy.

“How is it?” Staring at him, Xiao ran asked carefully.

“No one picked up.” He lowered his eyebrows and looked a little solemn.

“Why don’t we wait while we eat?” Xiao ran said and quickly asked the waiter to serve the dishes!

After a while, a large table of dishes was served. Zhong Shenghao just stared at his phone and called again after a while.

There was still no answer on the other end.

“Come, Try This!”

Xiao ran picked up her chopsticks and put the dishes into his bowl.

Zhong Shenghao raised his eyebrows. He felt that Xiao ran was too calm and composed.

“Xiao ran.”

“Huh?” She looked up and was still eating.

His dark eyes looked at her. “You don’t seem to be worried about lei at all?”

Xiao ran was stunned. The smile on her face immediately froze and she slowly put down the chopsticks in her hand.

After a long while, she forced herself to explain, “No, I just thought that if I asked her to help me get something, nothing would happen. Or perhaps, she was stuck on the road and that’s why she didn’t arrive? After all, it’s rush hour now, so the road must be very congested.”

“Then she wouldn’t have stopped answering her phone, would she?”

She paused again and was momentarily at a loss for words, but she still pretended to be calm.

The more Zhong Shenghao thought about it, the more worried he became. He picked up his phone again and wanted to call her..

At the same time, in the villa.

At 6:10 pm, the Butler, who had prepared dinner, went upstairs. He was about to call her for dinner when he knocked on the door.

“Miss, are you in there?”

After waiting for a long time, there was no response from inside. The housekeeper frowned and knocked again. “Miss Jing?”

Chapter 1537: I’m going back immediately!

”...”it was still quiet inside.

The housekeeper thought that she was not in her room, so she went to the balcony on the second floor as usual.

There was no sign of her on the swing chair.

Strange, where was she?

The whole second floor was searched, but there was no sign of Jing xinlei. Uncle Zhou had no choice but to come to the door of Jing Xinlei’s room again.

“Miss, are you inside?”

After hesitating for a moment, the old Butler pushed the door open and entered. He saw the quilt on the bed.

“Miss, What’s wrong? Are you not feeling well?”

Hearing Wen Sheng, Jing Xinlei turned slightly and looked at the old butler. “I’m fine.”

Although she said that, Uncle Zhou could still hear that there was something wrong with her voice. He couldn’t help but be worried.

“Are you really alright? Why don’t I call young master to come back?”

“No need. It’s just that my stomach hurts a little. Don’t call him. I’ll lie down for a while. Maybe he’ll recover.”

“Miss, being sick isn’t a small matter. I’ll call young master quickly.” His duty was to take care of Miss Jing when young master wasn’t around. He couldn’t be careless in this matter!

After saying that, Uncle Zhou had already turned around and left. He went downstairs to call Zhong Shenghao.

Zhong Shenghao was about to pick up his phone to call her number again, but his phone rang at this time.

Hearing the sudden ringtone, Xiao ran, who was opposite him, instantly became nervous. She slightly leaned her head over, wanting to see whose number was displayed on his phone.

“Who is it?”

Since he had already picked up his phone, she didn't have time to see clearly.

“It's the house's landline.”

She was startled. How could his house call at this time?

“Hello?”

“Young master, are you still in the hospital?”

“What's Wrong?”

“That's Miss Jing. She doesn't seem to be feeling well,” weekend said worriedly. He couldn't help but glance at the second floor.

Zhong Shenghao's eyes darkened. “What's wrong with her?”

“She said she had a stomachache. I saw that Miss Jing didn't look too well, so I called you.”

“Stomachache?”

“Yes. She laid down in her room as soon as she came back. I went upstairs to call Miss Jing for dinner, but I realized that something was wrong with her. Miss Jing is like that. She doesn't want to tell you what's wrong, because she's afraid that you'll worry. “Just now, when I came to talk to you, she kept telling me not to trouble you and not to tell you.”

“Keep an eye on her. I'll go back right away!”

After saying that, Zhong Shenghao picked up his coat and was about to leave without caring about Xiao ran who was still standing there in a Daze!

“Shenghao! Did Something Happen?”

“Xinlei isn't feeling well. She's at home. I have to go back and take a look.”

As soon as he finished speaking, he couldn't wait to turn around and leave the private room!

Xiao ran, on the other hand, was completely stunned.

Xinlei wasn't feeling well? At Home?

How was this possible? Shouldn't she be with director Guo at this time? ?

The more she thought about it, the more she felt that something was wrong. She hurriedly dialed director Guo's number.

“Xiao Ran, you still have the cheek to call me! ?”

As soon as the call connected, director Guo's furious voice immediately came through, giving her a fright!

Hearing the furious voice coming from the phone, Xiao ran hesitated for a long time before she said embarrassedly, “Director Guo, director Guo, What's Going On? Did I do something wrong?”

“Xiao ran, do you want to join the entertainment industry? In this lifetime, there’s no way!”

After saying that, director Guo had already hung up the phone angrily!

Xiao ran was dumbfounded. What on Earth was going on? ? What on Earth was going on! ?

With doubt, she picked up her bag and quickly left the restaurant!

Only by going to Zhong Shenghao’s villa would she know what was going on!

Chapter 1538: aren’t you suffering from a stomachache?

Zhong Shenghao returned to the villa. As soon as he entered the house, he rushed straight to the second floor. A hint of anxiety flashed across his cold face.

When he arrived at Jing Xinlei’s room, he, who usually knocked on the door first, pushed the door open and entered directly today!

However, there was no sign of her on the huge double bed.

He frowned and couldn’t help but become even more anxious.

At this moment, the voice of the butler, Uncle Zhou, came from behind. “Young master, you’re back.”

Zhong Shenghao turned around when he heard the voice. He saw the Butler speaking to him with a smile, without the anxiety and worry he had on the phone earlier.

“Where’s Xinlei?”

“Miss Jing is eating downstairs.”

He frowned. “Eating? Isn’t she not feeling well?”

“Yes, she was uncomfortable at first, but just a few minutes before you came back, Miss Jing suddenly felt better. Then she said she was hungry and went downstairs to eat.” Although the old Butler was also puzzled about this, he still felt relieved, but when he thought that Miss Jing was fine, he was more relieved.

Zhong Shenghao was stunned for a few seconds.

Suddenly felt better?

Still a little worried, he turned around and went downstairs. When he entered the dining room, he saw her sitting at the dining table.

“You’re back.”

Jing xinlei reached out her hand and was about to pick up some food, but when she saw him walk into the dining room, she couldn’t help but turn her head and look at him.

He walked over, and there was still a hint of worry hidden between his slightly furrowed brows.

“Are you okay?”

She smiled. It was much sweeter than usual, which surprised him a little.

"I'm fine."

After she said that, she turned around to eat again.

"Uncle Zhou said on the phone that you have a stomachache. What's going on?"

Seeing the change in her expression, fortunately, the worry in his heart slowly disappeared.

"Maybe she's hungry." She turned around to look at him. "I'm sorry, did I disturb your dinner with Xiao Ran?"

He raised his eyebrows slightly. "No."

He had originally promised Xiao ran because she was going too. Since she couldn't go, he naturally had no interest in this dinner.

"Young master, have you eaten?"

The Old Butler at the side spoke. Hearing this, he thought that he had eaten dinner outside.

Zhong Shenghao turned his head and glanced at Uncle Zhou. "No, bring a pair of bowls and chopsticks over."

"Hey! Okay!"

The old Butler turned around and hurried to the kitchen to bring the bowls and chopsticks.

She glanced at him and unconsciously smiled.

Seeing the smile on her face, Zhong Shenghao was a little surprised.

She was really different these days. She couldn't help but talk more than before. Even her smile was a little more than usual.

"Why are you smiling?"

Jing xinlei realized that she had smiled at him at some point and the expression on her face suddenly froze.

"It's, it's nothing."

She lowered her head and continued to eat her dinner.

"Xinlei," he called her name softly as he looked at her.

She raised her head to look at him, but she did not speak.

"Have you been in a good mood these past few days?"

She paused.

Was she in a good mood?

To be precise, she should have been in a bad mood ever since Xiao ran appeared, but..

She also felt that the atmosphere between him and her had changed ever since Xiao ran returned to the country. It had become... different from usual.

"It's alright."

"Because of Xiao Ran?"

Otherwise, he could not think of any other reason.

Because indeed, her entire person had changed since Xiao ran appeared.

Hearing his words, she paused in her eating.

Because of Xiao ran?

Well, if there was a reason, it was indeed because of her.

Ding Dong —

While the two of them were talking, the doorbell outside the door suddenly rang.

They both turned their heads.

Chapter 1539: was very surprising, wasn't it?

After all, it was dinnertime. Normally, no one would come at this time.

On the other hand, Jing Xinlei seemed to have guessed who the 'visitor' standing outside the door was.

"I'll go open the door."

As Uncle Zhou spoke, he turned around and left.

After a short while, he saw him walking in with Xiao ran.

"Xiao Ran? Why are you here?" Zhong Shenghao was slightly surprised when he saw Xiao ran walk in.

However, Jing Xinlei didn't even look at her. Instead, she calmly picked up her chopsticks and continued eating.

As soon as she entered the dining room, she saw the two of them eating. There was no reason for Jing Xinlei to be uncomfortable.

Xiao ran was stunned. Her gaze fell on Jing Xinlei's face, who was safe and sound.

She wasn't drunk or uncomfortable. Instead, she was sitting here and eating? What was going on?

"Xinlei, you —"

"You're surprised, aren't you?"

Before she could speak, Jing Xinlei turned around and struck first.

Xiao ran straightened up and frowned at her. "What?"

"You're surprised that I'm sitting here safe and sound, aren't you?"

"What, what do you mean..." she lowered her head and looked away guiltily, as if she didn't dare to look Jing Xinlei in the eye.

Zhong Shenghao, who was standing at the side, was also stunned. There was confusion between his brows.

The tone of their conversation had obviously changed.

"What do I mean? Then what do you mean by coming here?"

"I..." She was speechless. After thinking for a long time, she thought of a reasonable reason. "I, I heard that you weren't feeling well, so... I came to see you."

"Really?"

"Yes."

Jing xinlei smiled and didn't look at her anymore. Instead, she continued to eat and ignored her.

However, Xiao ran had a lot of questions that she had to ask.

Director Guo finally gave her this chance because she promised to get him a beautiful woman. However, in half an hour, director Guo suddenly got so angry at her, and then he couldn't understand her phone calls anymore!

In the afternoon, she had to ask what had happened during the time she had been away!

"Xinlei, you, weren't you with director Guo in the afternoon? Why did you..."

She asked this question as a matter of course, and perhaps it could also create Zhong Shenghao's misunderstanding of Jing Xinlei.

Jing xinlei stopped eating. As expected, she couldn't help but ask.

She turned around, her lips still smiling calmly. "Yes, thanks to you, I was almost drunk and defiled by director Guo."

As soon as she said this, Zhong Shenghao's expression changed and he frowned. "What happened?"

"Let her talk."

She didn't want to talk about this and continued eating.

Glancing at her, Zhong Shenghao turned his head and his gaze fell on Xiao Ran's face.

Xiao ran was shocked when she met his gaze.

If he knew that she was going to frame xinlei, would he still like her?

No, absolutely not! She had to find a reason to hide it!

“Xinlei, you’ve misunderstood me. I didn’t know that director Guo would –”

“You didn’t know?” Before she could finish her sentence, Jing Xinlei cut her off and asked in return, “You brought me there. You tried to get me to drink with director Guo, then you gave me an excuse to leave and never come back. I told you that I was drunk, but you left the club directly. May I ask what your intentions are?”

“I . . .”

Xiao ran was speechless as she didn’t expect her to see through everything.

However, she still wanted to force an explanation. “No, xinlei, it’s not like that. You really misunderstood me. I, I went after that. It’s just... It’s just that you left, and then I left.”

Chapter 1540: she was a woman who had been in prison!

“If that’s the case, then why did you lie to me earlier and say that Xinlei went to get your things for you and will be back in a while?”

Another voice suddenly sounded.

Jing xinlei turned her gaze and met Zhong Shenghao’s cold gaze. She was instantly speechless.

So, this was a lie.

She had lied too much, and in the end, she couldn’t justify herself at all.

She bit her lip and clenched her bag tightly. She was really unwilling to give up just like that.

“Shenghao, I did it all for you.”

Zhong shenghao frowned slightly, but his eyes were cold. “For me?”

“Shenghao, she is a woman who has been to prison. She is not worthy of you!” Xiao ran pointed at Jing xinlei who was sitting at the side and shouted desperately!

The sentence ‘she is a woman who has been to Prison’ tore at the scar that Jing Xinlei had buried for so many years.

She lowered her face. No matter how she pretended to be calm and collected, she could no longer act as if nothing had happened in the face of these words. The hand that was holding the chopsticks could not help but tighten a little.

“It is not up to you to decide who is worthy of me. It is up to me.”

Staring at Xiao ran, Zhong Shenghao’s tone was cold, and his cold eyes were cold and ruthless.

Xiao ran, on the other hand, was extremely unwilling!

“Shenghao, you have no idea. That year, when she was in prison –”

“Enough!”

Before she could say anything, Zhong Shenghao roared angrily.

Even Jing Xinlei was very surprised.

After all, she had never seen him lose his temper like this to anyone. Of course, when he misunderstood her twice, he had also yelled like this.

But at this moment, the reason he threw a tantrum was because of her?

Was it because Xiao ran had said something about her that he was so angry?

Thinking of this, the pain in her heart suddenly eased a lot.

Xiao ran was so scared that she did not dare to say anything. However, if she were to leave just like that, she was really unwilling and unwilling to accept it!

Why was Jing Xinlei, who had nothing and was now disgraced, able to live with him in his villa?

“Sheng Hao, do you know? I like you. I’ve liked you since university. Why did you –”

“I don’t like you.”

This short and simple sentence broke Xiao ran’s series of confessions.

“Get out.”

Before she could come back to her senses, he had already coldly ordered her to leave.

Xiao ran was completely stunned. “Sheng Hao...”

“Uncle Zhou, send the guest out!”

His face was cold and emotionless. He did not even look at her.

Uncle Zhou approached her from the side. Ever since she first came here, he had not liked this miss xiao very much.

“Miss Xiao, let’s Go!”

Looking at that cold face, Xiao ran secretly clenched her fists. “Shenghao, you will definitely regret this!”

With that, she angrily turned around and strode out of the dining room!

In front of the dining table, Zhong Shenghao raised his eyes and looked at her diagonally across from him. Just as he was about to say something, he saw her calm down and pick up her chopsticks again to continue eating dinner.

If she didn’t say anything, he naturally wouldn’t say anything.

After dinner, Jing Xinlei walked up to the second floor and never came out again.

He walked past her room and wanted to knock on the door. He raised his hand several times, but in the end, it fell.

Just as he was about to turn around and leave, the door opened.

He stopped turning around and turned around to see her standing there. She seemed to be surprised to see him.

“What’s the matter?”

She was a little thirsty and wanted to go downstairs to drink some water.

He was silent for a few seconds before he said, “I just wanted to ask you... If you’re okay.”
