

Kiss Me 1541

Chapter 1541: The Kiss of confession

"It's nothing." Her tone was very calm, as if what happened during dinner had never happened.

"What about in the afternoon?"

When he heard the words 'get her drunk and dirty', his heart skipped a beat.

"It's nothing. If something happened, I wouldn't have come back safe and sound."

"You knew what Xiao ran was thinking?"

She glanced at him, then turned around with her eyebrows lowered and returned to her room.

The door was open. Zhong Shenghao naturally followed her in and sat down on the sofa.

"At first, it was just a guess. I wasn't sure."

If she knew what she was thinking from the beginning, how could she agree to be her assistant.

Four years later, they really couldn't go back to the past.

"Why didn't you tell me?" He was worried about her.

She looked up and smiled gently.

"Nothing happened anyway."

"Next time, no matter what your suspicions are, as long as you have a sense of danger, you must tell me, no matter what the situation is."

She was stunned and looked at him for a long time.

"You don't like Xiao Ran?"

He frowned.

"Why do you think I like Xiao Ran?" He clearly liked her. Didn't she know that?

She lowered her head. "Because... you often have dinner with her."

"..."that was because she was here.

Looking at the person in front of him, Zhong Shenghao suddenly fell silent and just stared at her.

Suddenly, there was silence. Jing xinlei looked up in surprise. Why did he suddenly stop talking?

"What's Wrong?"

"You really don't know who I like?"

She looked away when she met his serious eyes.

"I'm... not sure."

He was stunned. Not sure?

After four years, wasn't what he had done enough for her to confirm his feelings for her?

"Not sure?"

"You're Nice to me, but you're close to Xiao ran. You never refuse her intimate actions toward you." Because of this, she was not sure.

A man's thoughts might be deeper than a woman's, but it was also hard to guess and touch.

"I didn't reject her. I just felt that we had a too good relationship during university." He fixed his gaze on her and explained one by one, "That kind of action started from university, not now. If you don't like it, from now on, my body will only be touched by you."

She paused and suddenly looked up. Her heart suddenly beat, and her face turned red.

"You're a doctor, don't you often have to interact with the opposite sex..."

"The opposite sex? So you care about the opposite sex?"

"..."she was stunned. Why was she being tricked without realizing it?

"Anyway, I don't care who you interact with. I just... I just feel that since you and Xiao ran are so intimate, then you must like –"

She lowered her eyes and wanted to finish her sentence in one breath. Suddenly, she felt the man standing up and walking toward her. When she raised her head, the man's face was close to hers.

"What are you –"

The word 'Ma' was swallowed by his sudden kiss. Jing xinlei widened her eyes and froze in an instant!

After a deep kiss, he let go of her lips and his dark eyes met hers. "Are you sure now?"

After a long while, she recovered from her shock and looked at him in a daze.

"Wh-what?"

"Oh –"

Another kiss. Her eyes widened again and her mind went blank.

"Are you sure?"

She looked at him in shock and did not dare to speak carelessly, afraid that he would kiss her again in the next second.

Chapter 1542: He didn't?

Sure? What was he sure of?

Uh, was it someone he liked?

So now he was... a confession kiss?

After a long time, her gaze finally moved away from his face and hung down. The beating of her heart seemed like it was going to jump out of her body!

“You’re not answering, or are you still not sure? Then I’ll do it again –”

“No Need!”

She suddenly raised her hand to his chest and looked at him in shock.

Don’t be so aggressive and suddenly kiss me. This confession caught me off guard!

“You don’t Like It?” He asked in a low voice.

She paused.

She didn’t know which one he was asking. Did he not like him, or did he not like his kiss?

“Which one are you referring to?”

“Is there a difference?” He saw through her thoughts.

Uh.

People who liked him naturally liked his kisses and did not like his kisses. Naturally, it was because of people who did not like him. There was indeed no difference between the two.

Then, she..

When did she start to like this man? Why did she only realize it now?

The longing for each other and his meticulous care for her seemed to have become a habit of hers. Every day, they would have breakfast and dinner together, and they would live under the same roof. Everything seemed to be her habit.

And this habit only woke her up after Xiao ran appeared.

“I like it.”

The answer was only a simple word, but for Zhong Shenghao, it was the result of waiting for another four years of university.

“Say it again.” He raised his hand and lifted her chin, wanting to hear the word from her mouth again.

“I like it.”

His heart could not help but throb.

After staring at her eyes for a long time, he could not help but kiss her again. From shallow to deep, they became more and more intimate.

Feeling his kiss, Jing Xinlei began to respond.

When the kiss was full, he let go of her. He was afraid that he would not be able to control himself, and he was even more afraid that he would scare her because of it.

As long as he confirmed her feelings, he was naturally not in a hurry.

“You actually made me wait for so many years.”

He hugged her from behind and stood by the windowsill. He looked at the bright starry sky in the distance and asked with some complaints.

“I’m sorry. If Xiao ran had not appeared, I might have made you wait for countless four years.”

He hugged her a little harder and hugged her a little tighter. “It doesn’t matter. I’m willing to wait for as many four years.”

“Then you won’t marry and have children?” She raised her head and looked at him

“I won’t marry. Isn’t it popular now to not marry unless you marry or not marry?”?

Staring at him, she smiled gently.

He could not help but bow his head and kiss her on the lips.

The night gradually deepened.

And he had no choice but to leave her room.

Of course, he could also stay, but... he was afraid of scaring her.

“Good night.”

After she went to bed, he leaned against the wound and said good night before he was willing to leave.

“Good night.”

..

The next day.

Early in the morning, when they were having breakfast, uncle Zhou could see that the atmosphere between the two of them was not right.

What was not right? It was more harmonious than before. Moreover, both of their faces were full of smiles. They were even putting food on each other’s plates. It was a little embarrassing to call him a person who was over 50 years old, he quickly left the dining room to leave the space for the two of them.

After breakfast, although it was the weekend, he still had to go to the hospital in the morning to deal with some matters.

Just as he left, the phone in the living room rang.

“Hello?”

”...”

“Today?” The Old Butler who received the call looked a little surprised. He did not know what the person on the phone had said.

Chapter 1543: Zuo Weiyi’s only call.

After breakfast, Jing Xinlei went to the balcony on the second floor with the book “Sophie’s World” as usual.

As autumn came to an end, the weather became colder and colder.

She had just sat on the swing chair and was about to open the book when her phone rang.

She frowned and glanced over, only to find that it was an unfamiliar number.

“Hello?”

With a hint of confusion, she picked up the phone.

“Xinlei.”

The voice that came from the phone made her feel both unfamiliar and familiar.

It was Zuo Weiyi. Why was she calling her?

“Mrs. Shi.”

“You don’t have to be so polite to me. If you’ve already put aside your past grudges and don’t hate me as much, it’s better for us to call each other by our names. It’s convenient.”

Jing Xinlei was silent for a few seconds. She neither agreed nor objected. Instead, she asked, “Why did you call me?”

“I heard from Hao Cheng That You Were Home Alone?”

“Yes.”

“Nuannuan and I are going out for coffee. Do you want to come along?”

She was stunned. She felt guilty for accepting Zuo Weiyi’s invitation.

After all, the things she had done to her in the past were truly outrageous.

“You’re inviting me?”

“Yes, there’s no need to doubt it.”

If she refused, wouldn’t she appear too pretentious?

After all, as the victim, she had already taken the initiative to invite her.

“Okay.”

She agreed softly.

Zuo Weiyi smiled in satisfaction. "It's at Nuannuan's 'warm time' coffee shop. Do you know the address?"

"Yes." She had heard Sheng Hao mention it before.

"Alright, we'll wait for you."

After hanging up the phone, Jing Xinlei got up, changed into a set of clothes, and went downstairs.

Fortunately, Zhong Shenghao had given her a car previously, and even all the documents had been remade for her.

...

It was already 10 o'clock in the morning when she arrived at the coffee shop.

Since it was a weekend, the sounds in the shop were still passable.

Walking into the Quiet Cafe, she saw Zuo Weiyi and Shi Nuannuan sitting there from afar. She was stunned for a few seconds before walking towards them.

"You're here. Have a seat."

Shi Nuannuan had just given birth and was really suffocating at home.

She turned to look at Jing xinlei. The expression on her face was not warm, but it was not cold either.

She heard that she had saved Lian Lian from the human traffickers last time, so her impression of her had changed slightly.

"What do you want to drink? Order it yourself. Nuannuan will treat you."

"Just a cup of the original flavor will do," she said to the waiter and sat down across from them.

"How have you been recently?"

Zuo Weiyi looked at her and asked with a smile.

"I'm fine."

She looked at Zuo Weiyi and lowered her head. She still felt a little guilty facing her.

Meanwhile, Shi Nuannuan was playing with her phone from the beginning to the end. She neither raised her head nor spoke.

All of a sudden, she who had just drunk a glass of fruit juice almost spat it out.

"What's Wrong?"

Seeing how she choked, Zuo Weiyi, who was sitting next to her, could not help but ask.

Jing xinlei, who was sitting opposite her, could not help but raise her eyes and look at her in confusion.

Shi Nuannuan raised her head and took a tissue from the side to wipe the corner of her mouth. Then, she looked at the two of them in astonishment.

“What’s going on?”

Her expression was a little strange.

After a while, Shi Nuannuan’s gaze shifted from Zuo Weiyi’s face to Jing Xinlei’s.

Jing xinlei was stunned by her gaze.

Then, she pushed the phone in front of her to her. “I think it’s yours.”

Looking at Shi Nuannuan, she was stunned for a moment before she lowered her head and looked at Shi Nuannuan’s phone.

Chapter 1544: Scandalous Gossip

The moment she saw the content on her phone, Jing Xinlei’s expression changed.

“Did you offend someone?”

Shi Nuannuan washed her fruit juice and glanced at Jing xinlei.

Jing Xinlei did not raise her head. Instead, she focused on reading the news on her phone.

Zuo Weiyi’s gaze lingered on their faces for a few seconds. Then, she moved her head closer and looked at the content on her phone.

When she saw it, her eyes widened.

[the former daughter of the Zhong Group has now become a mistress kept by a man...]

“This is...”

A lot of news about Jing xinlei appeared on the phone. Some said that she had been in prison, and some said that she was now being kept by a man as a mistress!

“Sister-in-law, and you!”

Shi Nuannuan reached out her hand and pulled down the news.

[some people even said that ‘Miss Zhong’ even boasted shamelessly that she was young madam Shi’s best friend...]

Seeing this ridiculous news, Zuo Weiyi smiled.

People in this society were really endless. They could even say such things.

According to Jing Xinlei’s personality, even if they were really best friends, she wouldn’t announce it to the public, right?

She didn’t know about it in the past, but since she had saved Lian Lian previously, even if Sheng Hao misunderstood her, she didn’t want to explain. How could she say that she was her best friend?

“You didn’t really say that, did you?”

Shi Nuannuan continued to suck on the fruit juice as she glanced at Jing xinlei. She wasn't very clear about her current personality.

Jing Xinlei returned the phone to her and calmly raised her eyes to look at the two people opposite her.

"She offended Xiao ran before. She should be the one who exposed this, right?"

Hearing this, Zuo Weiyi frowned. "Xiao Ran?"

"Yes."

"Isn't she your sister?"

She raised her eyes and looked at Zuo Weiyi's surprised expression. Jing Xinlei was silent for a few seconds before she spoke.

"She used to be, but now... She's not anymore."

Her answer made Zuo Weiyi look at her in a new light.

The current Jing Xinlei was really different from the past.

If it was her personality in the past, she wouldn't be able to remain calm and not get angry after being wronged, right?

Or perhaps, she felt that she didn't have the right to look for someone else?

"TSK, that Xiao ran is really a scheming B * TCH. Seeing that you're down and out, she feels that you don't have the right to be her good sister anymore?"

Shi Nuannuan could not help but speak up as well. She hated scheming women the most in her life!

"It doesn't matter anymore. Anyway..." Jing xinlei lowered her head and took a sip of coffee. "I also know that many things can not go back to four years ago."

Looking at Jing xinlei, Zuo Weiyi, who was opposite her, did not speak again.

She had really changed a lot and had come to a realization.

The three of them finished their coffee and looked at the time. It was already noon, so they made an appointment to have lunch together.

Zhong Shenghao called to confirm that she wasn't going back to the villa at noon, so he didn't go back. Instead, he stayed in the hospital to continue with his business.

After lunch, it was already 1:30 in the afternoon.

"Let's meet again next time."

Before they went home, Zuo Weiyi smiled and said to Jing Xinlei.

Looking at Zuo Weiyi in front of her, Jing Xinlei's calm face did not show any expression, but her heart was filled with gratitude towards her.

"Zuo Weiyi, thank you."

Her sudden words made Zuo Weiyi a little stunned.

Today's purchases were all warm cards, so why was she thanking her?

"Thanking me?" She asked.

Chapter 1545: suddenly heard the doorbell ring

"Yes. Thank you for not killing me back then, allowing me... to experience the splendor of this world once again, as well as my life."

It turned out that without Shi Yuting, she was still living very happily, or even more comfortably.

She could not understand why she was so stubborn in the past. She could not help but harm her parents and almost ruined her life.

However, she couldn't save her parents now.

This became the deepest pain in her heart.

"Are you with Hao Sheng?"

Looking at her, Zuo Weiyi suddenly asked.

Jing xinlei hesitated for a few seconds before nodding. "Yes."

Hearing her words, Zuo Weiyi couldn't help but feel happy for Zhong Shenghao. The long wait finally won her heart.

"Sigh, it's really hard on brother Hao. He's obviously the most valuable bachelor, but he's only loyal to you. However, love is something that can't be forced. If you don't like it, you don't like it. Once you like it, you don't want to change it anymore!"

Shi Nuannuan couldn't help but say a few words at the side.

It seemed to be cold words, but Jing Xinlei could hear the reason behind it.

There was indeed nothing wrong with him. With his status, what kind of woman didn't he have? Yet, it had to be her..

"Don't make brother Hao Sheng sad anymore. He has waited for you for so many years, and he has guarded you for so many years." Shi Nuannuan glanced at her and could not help but say a few words. However, her prejudice against Jing xinlei seemed to disappear just like that.

"I will."

She took a look at the two of them. After saying goodbye, she turned around and walked to her car. The three women parted ways.

It was already past two o'clock when they returned to the villa.

Feeling a little sleepy, she went upstairs to sleep for a while. When she woke up, it was already four o'clock in the afternoon.

After washing her face, she had just walked out of her room when she heard the doorbell from downstairs.

There were almost no visitors since she had checked in. Of course, except for Xiao Ran, who had been here two days ago.

She was stunned for a few seconds, then turned around and walked towards the stairs.

"Sir, Madam, you've arrived!"

Seeing a man and a woman walking into the living room, the housekeeper, Uncle Zhou, greeted them with a smile!

A maid came over and took the suitcase.

As soon as she walked in, the middle-aged woman began to look around.

"This room is not bad."

"Madam, please sit."

The housekeeper beckoned the woman to sit down, and the middle-aged man also looked around for a while.

Then, he asked Uncle Zhou, "Where's Sheng Hao?"

"Young master is still busy at the hospital."

"He's the hospital director. Why is he still working on weekends?" The woman couldn't help but feel sorry for him when she heard that he was still working on weekends.

Uncle Zhou turned his head and smiled respectfully at the woman. "Yes, young master is very serious."

"But what's the use of being serious about work?" The woman glanced at him. He was clearly middle-aged, but his personality was still like that of a big child. Especially with her appearance, she didn't look like a woman in her forties at all.

"Madam, isn't it a good thing for a man to be serious about work when he's thirty years old? Why is it useless?" Uncle Zhou asked in confusion.

"Aiya, it's good to be serious about work, but..." the woman glanced over and looked at Uncle Zhou with some hidden bitterness. "Compared to his successful career, I want to hold a grandson more!"

"You're just too impatient!" The middle-aged man could not help but look at his wife. "A man? What's wrong with having a career before starting a family?"

"Old Zhong! Your son has already made a name for himself! What he lacks now is a wife, okay?"

The middle-aged man paused when his wife said that.

Chapter 1546: Butler Zhou, who is this?

Uh, that seems to be the case.

“You say, he has already achieved so much in the medical world, what is there to strive for? “The most important thing now is not to find a girl and get things done, so that I can have a grandson as soon as possible!”

“Do you think that finding a girlfriend is like picking vegetables in the market? As long as you like it, you can buy it?”The man glanced at his beloved wife, she was just too anxious about this matter.

“Of course. As long as our son is willing, he will definitely be able to get a grandson next year!”

“Why do you think so?”

“Because...”the middle-aged woman suddenly smiled mischievously. “I came here this time and told him about a girl. It’s Sunday tomorrow. I want them to meet!”

“Why are you doing this again?”The man frowned. It was obvious that he was not very satisfied with his wife’s behavior.

“What About Me?”The woman pulled a long face and glared at her husband.

“Didn’t Sheng Hao say that he has his own plans? Why do you have to set him up on a blind date? It’s all about free love now!”

“Free love. I’ve been waiting for so many years, but he still hasn’t brought back a daughter-in-law for me. If I don’t intervene in this matter personally, I’m afraid that even if my hair turns white, I won’t be able to wait until the day my grandson is born!”

As soon as the woman finished speaking, she heard the sound of footsteps coming from the stairs.

The two people on the sofa, including Uncle Zhou, who was standing at the side, couldn’t help but look at the stairs.

Halfway down the stairs, Jing Xinlei couldn’t help but stop and look at the two strangers who had suddenly arrived.

“Miss Jing, you’re awake.”

Uncle Zhou raised his head and greeted her.

She looked at Uncle Zhou and then at the strange man and woman.

“Housekeeper Zhou, who is this?”

Looking at the figure walking down the stairs, the man turned his head and looked at Uncle Zhou in a daze.

The woman at the side was also completely stunned.

However, in the next moment, the corner of her mouth suddenly curved up into a faint smile. Then, she started to size up jing xinlei.

This brat actually hid his mistress from the two of them?

No wonder he had been unwilling to go on a blind date. It turned out that he had a sweetheart.

“Sir, this is...”uncle Zhou’s words were about to reach his mouth, but he suddenly stopped. He wanted to introduce them, but he didn’t know how to open his mouth.

He had witnessed this young master’s concern for Miss Jing, but the relationship between the two of them didn’t seem to be considered a couple?

Then how would he introduce Mr. and Mrs. Jing?

“What is it?”Zhong Zhengnan looked at Uncle Zhou and asked.

Zhou Burton looked at Zhong Zhengnan and Jing Xinlei for a few seconds. After a while, he thought of an introduction, “Er, this is... young master’s friend!”

At this moment, there was probably no better description than this.

“What, just a friend?”

Hearing the old Butler’s introduction, the smile on Shu Yan’s lips suddenly eased.

Her son and this girl, just a friend?

The Old Butler turned his head and looked at Shu Yan. “UH, yes.”

Shu Yan was a little disappointed.

She thought that her son was hiding a mistress in a golden house, but she didn’t expect that they were just friends. She was very disappointed.

That’s not right!

Just now, she clearly heard the old butler ask the girl, “You’re awake.”This sentence was enough to prove that this girl lived here, or that she was only temporarily living here?

However, there was only one man and one woman. Moreover, she knew her son’s character. It was not an ordinary relationship. How could she let a friend of the opposite sex stay in his villa?

No, there was definitely a reason behind this!

Chapter 1547: love for her

Thinking of this, Shu Yan couldn’t help but stand up and walk toward Jing xinlei on the stairs with a big smile on her face.

At this time, Jing Xinlei just happened to come down.

“You, What’s Your Name?”

Shu Yan opened her mouth. Her eyes seemed to be looking at a little girl she liked very much. She asked very carefully and gently.

Looking at the middle-aged woman in front of her who suddenly showed goodwill to her, Jing Xinlei was still stunned and a little surprised.

However, the way she stared at the woman in front of her, that pair of clear eyes, seemed familiar, a little like Zhong Shenghao.

“You are?”

“I’m Sheng Hao’s mother!” Shu Yan raised her hand to her chest and introduced herself.

As expected, she was Sheng Hao’s mother.

For some reason, after hearing her identity, Jing Xinlei felt inexplicably nervous and subconsciously took a step back.

Shu Yan thought that her enthusiasm had frightened her, so she was embarrassed for a moment. However, she couldn’t hide the love and enthusiasm in her heart. She suddenly pulled her hand and said, “Come, let’s sit down First!”

Shu Yan pulled her and sat down on the sofa. Until she sat down, she seemed reluctant to let go of her hand.

Jing Xinlei was a little uncomfortable being pulled by her, so she gently pulled her hand back.

“Miss Jing, these two are young master’s parents. They just arrived today.”

Uncle Zhou made the introduction. Seeing his wife’s enthusiasm for her, he thought that she must like her very much. He looked very happy for her.

If young master could be together with Miss Jing, that would be the best.

Their sudden visit was naturally a little too abrupt. Jing xinlei glanced at the two of them and realized her identity. She had no choice but to stand up and slightly bow. “Hello, my... name is Jing Xinlei.”

She didn’t know how to introduce herself, so she just simply said her name.

“Xinlei, your name is xinlei?” Shu Yan smiled at her again. Her eyes couldn’t hide her love for her.

Jing xinlei, on the other hand, became more and more uncomfortable. She felt like a smelly wife meeting her in-laws.

She nodded slightly. “Yes.”

“Yanyan, don’t scare the girl.” Zhong Zhengnan was very clear about his wife’s character.

She could be very enthusiastic about something she liked, not to mention her future daughter-in-law.

His gaze fell on Jing Xinlei’s face. As a man, his way of speaking was naturally calmer than Shu Yan’s.

“You are a friend of Sheng Hao?”

“Yes.”

“Then, do you live here?”

She couldn't help but pause. It seemed a little unreasonable to say that they were friends, but they had always lived here?

But she had already said it, and she couldn't take it back. She could only brace herself and nod again.
"Yes."

"Live Here?" Shu Yan smiled, as if she suddenly understood something.

It must be because the girl was too shy to say it out loud, so she said they were friends.

When her son came back later, she had to ask him properly!

Jing xinlei blushed a little after being asked again.

It didn't seem good for a girl to live in a man's house like this.

"Madam, sir, since you're already here, I'll call young master now and ask him to come back earlier today."

With that, Uncle Zhou walked to the phone and picked up the phone to dial Zhong Shenghao's number.

"Don't!" Shu Yan suddenly stopped him.

Then, she looked at him and said, "Didn't I say I wanted a surprise? We'll talk about it when he comes back!"

"But madam, what if the young master comes back very late?"

Chapter 1548: why don't you have anything?

Shu Yan paused. If she came back late, wouldn't she have to wait until the next morning to see her son?

Thinking of the long time they hadn't seen each other, she turned to look at Uncle Zhou. "Then tell him to come back for dinner. He must come back!"

"Oh, okay!"

Uncle Zhou answered with a smile and dialed Zhong Shenghao's number.

Shu Yan, on the other hand, wanted to know something. She turned to jing xinlei and said, "Xinlei, you... will show me your room?"

Hearing this, Jing Xinlei couldn't help but be stunned.

Show me their room? Are You referring to me and Zhong Shenghao?

Although she was very uncomfortable with Shu Yan's enthusiasm, a long-lost warmth rose from the bottom of her heart.

Ever since her parents passed away unexpectedly, no one in the world had ever been so enthusiastic to her.

"Okay."

She nodded and stood up.

Naturally, Shu Yan was very happy. She personally held her arm and the two of them walked to the second floor like close sisters.

When they reached the second floor, because Zhong Shenghao's room was next to hers and at the front, she naturally brought Shu Yan into his room.

Walking in, Shu Yan looked around and looked around the entire room. "Not bad, it's quite big and very warm!"

Then, she noticed the soft european-style double bed not far away!

"Aiya, this bed... it must be very comfortable to sleep on, right?" As she spoke, she looked at Jing Xinlei as if she was hinting at something.

Jing xinlei paused, and her face quickly blushed.

Was it her imagination? Why did it feel like Zhong Shenghao's mother knew that she slept on this bed?

As for her blushing, Shu Yan thought that she was shy, so she didn't pursue the matter.

Young people were naturally thin-skinned!

After visiting all the rooms, Shu Yan finally found a problem.

There didn't seem to be any female products in this room. Even the bathroom was full of male products.

That's weird..

After thinking for a few seconds, Shu Yan turned her head and looked at Jing Xinlei. "Xinlei, why... Why aren't there any of your things here?"

Jing Xinlei was stunned.

Her things?

So his mother thought this was her room, so she asked if she slept well?

Thinking about it, she suddenly heaved a sigh of relief, as if she was relieved of a heavy burden.

"Auntie, this isn't my room. My Room is next door."

She said with a smile, but her words stunned Shu Yan.

Her pitch-black pupils blinked. "It's, it's next door?"

She nodded. "Yes, this is Sheng Hao's room."

Shu Yan was stunned again.

She turned her face away at random and secretly blamed her son!

This rascal, how could he be so stupid? They were already living together, so why was there still two rooms!

Seriously, he didn't have the style of his father in the past at all!

However, not living together meant that girls were reserved. This was also a good thing!

With this thought, Shu Yan's love for Jing Xinlei deepened.

She smiled and looked at Jing Xinlei. "Then, take me to see your room now, okay?"

"Okay."

The two of them came to Jing Xinlei's room and looked around.

It was obviously a very good room, but Shu Yan didn't seem to be satisfied after looking at it.

This was Jing Xinlei's feeling.

"Auntie, What's Wrong?"

"TSK, this room is fine, but it's not very comfortable..."

Jing Xinlei was stunned. "No, I think..."

"Xinlei, in this society now, there are actually many men and women who are in love..." when the words came to her mouth, Shu Yan paused again.

Chapter 1549: we'll hide first!

This thought of hers, doesn't it seem like she's trying to lead a child astray?

But..

She really wanted to hold a grandchild!

"What do you know?" Jing xinlei subconsciously followed her halfway through her sentence and asked.

"I know -"

"Yanyan! Can you not lead young people astray in their thoughts?"

At this moment, Zhong Zhengnan's figure walked in from the door.

He knew that his wife was impatient, but he couldn't teach her this openly in front of a girl.

After being told by her husband, Shu Yan also felt that she was too impatient.

If it was really her son's girlfriend, she planned to stay here for a while anyway. If it was possible, she might as well not leave. She would leave after her son and Xinlei confirmed their relationship.

"Hehe, it's nothing!"

She smiled and said to Jing Xinlei.

At five o'clock, the sound of a car came from outside the door.

There was no doorbell ringing, which meant that it was Zhong Shenghao who came back.

“Quick, quick, let’s hide first!”

On the sofa, Shu Yan pulled Zhong Zhengnan up and hid behind the screen in the side hall.

Looking at the husband and wife hiding, Jing Xinlei couldn’t help but smile.

Zhong Shenghao’s mother was really childish. She looked like a lively and cute young girl.

The door opened.

She turned around and saw Zhong Shenghao walking into the living room at the entrance. Wen Sheng walked into the living room.

As soon as he entered, he saw the person standing there. He smiled at her and walked over.

“When did you come back?”

Staring at the person in front of him, he asked.

“I came back very early and slept for a while.”

“Did you sleep well?”

“Yes.”

On the screen of the side hall, Shu Yan smiled the happiest when she saw such an intimate pair of people!

In the next moment, Zhong Shenghao suddenly lowered his face and completely leaned toward her.

Noticing his action, Jing xinlei subconsciously shrank back because she thought of his parents still hiding there.

However, her avoidance didn’t have any effect. Zhong Shenghao still raised his hand and grabbed the back of her head, then planted a deep kiss on it.

She widened her eyes and her mind went blank.

Shu Yan and Zhong Zhengnan, who were hiding behind the screen, were even more surprised to see this scene!

Shu Yan’s mouth was completely ‘o’shaped. Afraid that she would jump out in surprise, she hurriedly raised her hand to cover her small mouth. Then, she looked up at her husband and snickered.

“Who is it? !”

Noticing the strange sound coming from the living room, Zhong Shenghao’s expression turned cold and his gaze swept across the living room.

“Young master, What’s Wrong? !”

Uncle Zhou, who was busy working outside, originally planned to come out to greet them. When he walked to the dining room door, he saw the two people kissing and was so scared that he quickly retreated.

At this time, hearing his surprised shout, he couldn't help but run out again!

"Who's there? Come out!"

Looking at the screen, Zhong Shenghao's eyes turned slightly cold.

Why would there be a sneaky person in his villa? He was very confused.

And the husband and wife hiding there, after hearing their son's voice, knew that they had been exposed and couldn't hide anymore!

They could only show themselves!

"Surprise!"

Shu Yan walked out and smiled at her son, who she hadn't seen for a long time, and made a 'surprise' gesture!

Looking at his parents who suddenly appeared, Zhong Shenghao was also stunned for a moment.

"Mom? Dad, why are you here?"

"Son, come over quickly and let mom see if you've lost weight!"

Shu Yan walked over. It had been almost a year since she last saw him, and she really missed him.

Holding his arm, she looked him up and down, left, right, front and back. "Well, not bad. Still so handsome!"

Chapter 1550: Who were the people?

"When did you come? Why didn't you tell me?"

"Didn't mom say it just now? This is a surprise for you!"

"Sit down and tell me." Zhong Zhengnan walked over and sat down on the sofa before answering his son's question. "Your mother missed you so much that she wanted to come out and play for a while, so she chose this place."

"Let's not talk about this for now!" Shu Yan interrupted the father-son conversation and then pulled Zhong Shenghao's hand. "Son, when did you get a girlfriend? Why didn't you tell us? You made me go around looking for a partner for you!"

As she said this, she couldn't help but look at Jing xinlei. The more she looked at her, the more she liked her.

Zhong Shenghao paused when she asked this question.

He really didn't know how to answer this question. After all, he had just confirmed his relationship with Xinlei last night.

"Isn't it not too late for you to Know Now?" Looking at his mother, he smiled gently.

Hearing this, although Shu Yan still felt that it was too late to know, she was very happy in her heart!

"So, Xinlei is really your girlfriend?" Looking at her son, Shu Yan had to confirm this relationship before she could plan the next thing!

It would be best if she could have a grandson next year!

At the thought of this, she smiled again!

Glancing at his mother, Zhong Shenghao narrowed his eyes, thinking that her smile was too strange.

Jing xinlei, who was standing at the side, raised her eyes and stared at his handsome side profile. Although she already knew her relationship with him, in front of his mother, she also had some expectations of how he would answer this question.

"En."

Although it was only a very simple and plain word, to Shu Yan and Jing Xinlei, it was the most sincere answer.

Especially for Shu Yan. After confirming this answer, her heart was even more delighted!

"Xinlei, in the future, I!" Shu Yan held Jing Xinlei's hand and pressed her other hand against her chest, as if she had a daughter-in-law who didn't want a son, "She will be your future mother-in-law. If Sheng Hao bullies you, you can tell me!"

There was still a difference between a 'girlfriend' and a 'daughter-in-law'. Jing Xinlei's face suddenly turned red when she heard Shu Yan's words.

"He, is quite good to me."

"That's good. I mean if, if he treats you badly or makes you cry, you must come and tell me. From now on, I will be your biological mother!"

Shu Yan's sudden words made Jing Xinlei's eyes turn red.

She looked at Shu Yan in a daze. She never thought that in this world, besides her parents, there would be an outsider who cared about her so much.

At the side, Zhong Shenghao couldn't help but smile when he saw his mother like her.

"Oh, right." Shu Yan seemed to have suddenly thought of something. Her gaze fell on Jing Xinlei's face again. "Xinlei, what does your family do? Who are they?"

She had to know the bottom line so that she could quickly arrange a marriage!

Jing xinlei and Zhong Shenghao were both stunned by her question. The smile on their faces instantly disappeared and froze.

Meanwhile, Shu Yan only noticed the flickering tears in Jing Xinlei's eyes. She couldn't help but be stunned and more at a loss.

Why are you crying?

Could it be that she accidentally said something wrong and scared her?

For this future daughter-in-law, Shu Yan loved her from the bottom of her heart and couldn't bear to see her suffer.

The tears in Jing Xinlei's eyes turned red because of Shu Yan's words just now.
