

## Kiss Me 1561

### Chapter 1561: Shu Yan's thoughts (5)

"Don't think too much. It's true that she likes you, so there are no other possibilities. As for you –"

She looked up. "Me What?"

He glanced at her. "Have you thought about marrying me?"

She was stunned. Her face was flushed. She turned around and said shyly, "You didn't propose to me. Why should I answer your question?"

"Think of an answer first. You can answer when I ask you, right?" He followed her and walked over.

The next moment, he crossed her body. "I miss you."

She was stunned and didn't react to the meaning of his words.

In the next moment, his face came over and directly covered her lips.

He hugged her and stood by the bed and kissed her deeply. The two of them were kissing passionately when they suddenly heard a 'Kacha'sound. The door was pushed open, scaring the two people in front of the bed so much that they quickly separated their lips and tongues that were intertwined together.

However, Shu Yan, who had just entered, witnessed the final passion.

When she saw this scene as soon as she entered, Shu Yan's eyes widened at first, but her reaction was very quick. In a second, she turned around calmly and even closed the door as if nothing had happened, letting them continue.

However, after being disturbed by her, Jing Xinlei was extremely shy. She threw herself onto the bed and completely covered herself in the blanket, only revealing her lower body and a pair of feet.

She was so shy!

Zhong Shenghao sighed helplessly.

Although he hadn't kissed enough, the arrival of his mother had restrained the fire that suddenly rose in his body in time. If this continued, he was afraid that he would be unable to control himself!

"Hubby... I'll do something I regret too late!"

At this moment, Shu Yan, who was returning to the room, put on a dejected expression when she saw her husband.

Zhong Zhengnan put down the laptop in his hand and looked up at his beloved wife. "What's Wrong?"

"I. . . I lost my grandson..."

The more Zhong Zhengnan listened, the more confused he became.

"Where did you get your grandson?"

“Just now. I planned to look for xinlei, and then I went in without knocking on the door. Who Knew...”

“Huh?”

“She and Sheng Hao are kissing...”looking at him, Shu Yan’s face was full of regret and grievance.

Zhong Zhengnan, on the other hand, was full of black lines.

“That’s why, Yanyan, at night, you’d better stay in your room obediently and not disturb them. That way, you can carry your grandson earlier.”

“Tell me, if I didn’t go in, would they do something next?”

Zhong Zhengnan thought for a while. They were already kissing. If he didn’t fall down, he could only say that his son was too useless.

“Well, a normal man would definitely start eating at this time.”

“That’s why! I lost my grandson. After being disturbed by me, they definitely won’t continue!”The more she thought about it, the more regretful Shu Yan felt.

“There’s no rush. There will definitely be a next time!”Zhong Zhengnan looked like he had experienced it before.

Men, in front of their loved ones, there would always be times when they couldn’t hold it in!

“Really?”

“En!”

After hearing what he said, Shu Yan could only wait.

However.

More than a week had passed. Every night, Shu Yan secretly observed, but she discovered that every time her son went to Xinlei’s room, he would only come out very quickly.

Moreover, she had also secretly pasted in front of the door to listen. There was no ‘movement’ at all. As expected, they were embarrassed when they were bumped into last time?

No, she had to think of a way!

This afternoon, after waking up, Jing Xinlei went downstairs and saw Shu Yan sitting on the sofa watching TV.

### **Chapter 1562: Shu Yan’s thoughts (6)**

“Xinlei, you’re Awake? Did you sleep well?”

Jing xinlei smiled. “Very well.”

Then, she sat down beside her.

The longer they spent together, the closer and more comfortable her relationship with Shu Yan became.

As soon as she sat down, her phone rang.

She saw the caller ID and realized it was Zhong Shenghao calling.

She naturally glanced at Shu Yan.

“Who is it?” Shu Yan glanced at her phone and saw her son’s name on it.

“Pick up!”

Shu Yan smiled. It was as if her son was calling Xinlei. She was even happier!

After taking a look at Shu Yan, Jing Xinlei picked up the phone. “Hello?”

Half a second later, his low and charming voice came from the other end of the receiver. “I have a surgery to do tonight, so I can’t go back for dinner.”

“Okay.”

“Eat more with my parents.”

“Okay.”

Maybe because Shu Yan was there, Jing Xinlei didn’t seem to have anything else to say besides “Okay.”.

Especially since Shu Yan was still looking at her, she felt even more uncomfortable, so she asked, “Is there anything else?”

On the other end of the phone, Zhong Shenghao was stunned. He felt that her words were a little strange.

Could it be that his mother was right beside her right now, so she wasn’t very comfortable?

Thinking of this, he suddenly curved his lips.

“Yes.”

“What?”

“I miss you.”

”...”his face flushed red!

She glanced at Shu Yan and then urgently said into the phone, “If there’s nothing else, I’m Hanging Up!”

As soon as she finished speaking, she quickly hung up.

Shu Yan smiled at her blushing face and asked cautiously, “Sheng Hao, what did you say?”

Uh.

“He said that there’s a surgery tonight and he won’t be coming for dinner.”

“There’s more?” If it was just this, there was no reason for her to blush.

Jing xinlei paused, and her face couldn't help but Redden even more.

"No, there's more."

Shu Yan smiled and didn't force her.

"I, I'll go read some books!"

It was too awkward. She had no choice but to stand up and go to the second floor.

Looking at her back as she went upstairs, Shu Yan secretly smiled, thinking that if her son didn't come back for dinner tonight, then there would be no chance tonight.

Sigh!

Sitting alone and bored, Shu Yan also got up and walked to the garden.

In autumn, the entire garden was covered in gold. Fallen leaves fell with the wind, and the scenery was beautiful beyond imagination.

On the stone chair in the garden, Zhong Zhengnan was drinking afternoon tea and reading a newspaper.

"Husband..."

"Yes?"

Zhong Zhengnan took a sip of tea and looked up at his beloved wife.

"My Son has an Operation Tonight, and he will definitely come back very late. Do you think there is no hope today?" Shu Yan said, and her exquisite face was full of disappointment.

"Don't be anxious. What should come will come." Zhong Zhengnan was calm and composed. He was really not anxious about this matter.

However, Shu Yan shot him a resentful glance. "You've said this sentence countless times. Can you change the word?"

"Ahem, then... There's no hope today. Let's wait for tomorrow." He really changed the word!

Shu Yan was even more dissatisfied!

"Can't you think of a way! ?"

Zhong Zhengnan was helpless. "In this matter, besides our son taking the initiative, what can we think of?"

"Think of a chance to let them be alone!"

"Alone? Is it useful to be alone? Xinlei has been here for four years. If they were together, they would have been together a long time ago." He glanced at his wife and continued to read the newspaper.

Shu Yan was angry and quickly took the newspaper from his hand. "So I told you to think of a way. Weren't you very active when you slept with me back then? !"

**Chapter 1563: Shu Yan's thoughts (7)**

Zhong Zhengnan: "..."

How could this be compared?

His son wasn't him anymore.

"I don't care. You have to think of a way for me today!" Shu Yan was like a willful child. He had to think of a way today!

Zhong Zhengnan was very helpless. This son didn't have that 'Impulse'. What could he think of?

"Ah!" Shu Yan suddenly thought of something and raised her eyes.

"What?"

"I've thought of a way!"

"What?"

Shu Yan smiled sneakily and whispered into his ear.

Zhong Zhengnan frowned after hearing that. "It's not good, is it?"

"What's not good about it? They were in love to begin with. It's just that they didn't start because they were too reserved. So, we have to create that 'opportunity' for them!"

"What if Xinlei doesn't want to have sex with Sheng Hao? Won't she hate you when she finds out?"

"It can't be. I think Xinlei quite likes our son. Besides, they've already kissed. If she doesn't like him, how could she possibly Kiss Sheng Hao?"

Zhong Zhengnan cleared his throat and took back the newspaper that his wife had taken away. He read it and said, "It means that I don't want to get involved in this matter."

"No!"

Shu Yan glared at him. "How can I do it alone if you don't Help Me?"

"Yanyan, don't you think this matter is a bit..."

"What?"

"Despicable."

"Really? What is the definition of despicable? You did something behind the client's own heart. That's what is despicable!" Shu Yan said in a clear voice, she pressed her hand against her chest. "And now, I'm just trying to build a bridge between them so that this marriage can be completed as soon as possible, okay?"

"How do you know that they have this intention?"

"I can tell. It's just that our son is too dull and hasn't taken any 'action' for a long time! So, as a mother, I'm a little impatient. Of course, I have to help them!"

Zhong Zhengnan listened, but he still felt that this matter was a little inappropriate.

“Besides, I’m just going with the flow. I’m not forcing them. Whether they succeed or not, it still depends on themselves.”

Glancing at his wife, Zhong Zhengnan didn’t say anything else.

“Let’s go. Hurry up and accompany me to prepare!”

After saying that, Shu Yan took his hand and returned to the house!

...

After dinner, Jing Xinlei went upstairs to take a shower.

Seeing Shu Yan watching TV in the living room, she walked down. “Auntie, aren’t you going to sleep?”

“It’s still early. I’ll watch TV for a while.”

Shu Yan smiled and said to her.

“Oh right, xinlei, did you wear the clothes I bought for you?”

Fortunately, there was no one else in the living room, but Jing Xinlei’s face still turned red.

She smiled a little awkwardly. “UH, no. Why?”

“Why don’t You Wear it today?”

She was stunned. Why did she have to wear it today?

Didn’t they say that the clothes were for..

Uh, of course, she didn’t need it at all, but Hao Cheng would be back very late tonight. When he came back, she would have already fallen asleep. Why would she still wear the clothes?

“Why?”

“Uh...”Shu Yan thought for a moment. “I think it’s a pity not to wear it since I’ve already bought it.”

”...”that’s why she said not to buy it from the start, because she wouldn’t wear it even if she bought it.

“Why don’t you take it?”

“Ah?”

“It’s a pity to leave it with me. Why Don’t you take it back and wear it?”

Shu Yan paused.

She had carefully prepared this. How could she take it back herself? Cough, although she could wear it too.

**Chapter 1564: Shu Yan’s thoughts (8)**

“Xinlei.” Shu Yan suddenly took her hand with a serious expression. “Your teacher told Auntie, do you like our Cheng Hao or not?”

Jing Xinlei couldn't help but blush when she was asked this question. She lowered her head.

“Auntie is an experienced person. You Don't have to be shy in front of me. I've already said that I've already decided on you as my daughter-in-law. It's just that there are some things... I need to clarify. Now, you just need to tell me, do you like our Cheng Hao?”

She raised her eyes and looked at Shu Yan. If she knew about her past, would she still like and decide on her?

“I like him.”

“Then it's fine!” Shu Yan suddenly laughed.

Jing xinlei, on the other hand, was at a loss.

What's fine?

At this time, Shu Yan had already stood up and walked to the kitchen.

After a while, when she came out again, there was a cup of hot milk in her hand.

“Xinlei, give me a cup of hot milk before you go to bed. Your Sleep and skin are very good!”

Looking at the cup of milk that she handed over, Jing Xinlei was slightly stunned. Then, she looked up at Zhong Shenghao's mother. Her heart felt warm, just like this cup of warm milk.

“Thank you.”

Shu Yan smiled gently. “Drink it.”

She didn't think too much, but the milk was finished in one gulp.

Shu Yan glanced at the bottom of the glass and smiled with satisfaction. However, she felt a little guilty in her heart. Xinlei, don't blame Auntie. Auntie is just worried for you.

“Rest early. Good Night!”

Looking at Jing Xinlei who had finished drinking the milk, Shu Yan smiled very sweetly.

“Good night, you rest early too.”

After saying good night, Jing Xinlei turned around and went upstairs.

Back in the room, she got on the bed. She planned to lean against the headboard and read for a while, but suddenly she felt tired. Her eyelids couldn't bear it anymore and she was fighting.

She had to put down the book and lay down on the bed to sleep quietly.

After an unknown amount of time, the door of the room was suddenly pushed open quietly.

Shu Yan entered quietly and came to the bedside to call her name. “Xinlei?”

"...the sound of her breathing was balanced.

Yes, she was indeed asleep.

Just in case, she pushed her again and called softly again, "Xinlei?"

Half an hour later..

"Yanyan, are you sure?"

"Of course! Hurry up, or else Sheng Hao will be late coming back!" Shu Yan pulled Zhong Zhengnan to the bedside. Looking at the person sleeping soundly on the bed, Zhong Zhengnan simply could not bear to do it.

"Yanyan, aren't you worried that Sheng Hao will chop me up?"

Shu Yan paused. "Why would he chop you up?"

Zhong Zhengnan was helpless.

Which man would tolerate a man other than himself touching the body of the person he loved? Although it was only arm-to-arm contact, his son would definitely not be willing!

"The woman you are asking me to hug is his woman!"

After a pause for half a second, Shu Yan came to a realization.

True!

"In that case!" As she spoke, Shu Yan wrapped the sleeping jing Xinlei with the blanket. "Sheng Hao won't blame you this way!"

Zhong Zhengnan:"..."

Why did he accompany his wife to do such a thing?

However, his wife's life was in danger, so he could only brace himself and do it!

..

Late at night, at 22:05, Zhong Shenghao finally returned home from the hospital.

When he entered the living room, he found that the lights were bright. He couldn't help but frown.

Usually, they should have fallen asleep by this time.

Just as he was about to go upstairs, he saw Shu Yan walking out of the kitchen with a glass of water.

"Son, you're back?"

Hearing his mother's voice, Zhong Shenghao turned around. "Why aren't you asleep?" Wen Sheng asked

"Hehe, I'm already asleep. I'm just a little thirsty, so I came to get a glass of water."

**Chapter 1565: Shu Yan's thoughts (9)**

He glanced at his mother. "Okay, then I'll go take a shower first."

"Okay, Go!" When he turned around, Shu Yan smiled maliciously!

The next moment, he walked to the 'unless', put the cup back, and hurried upstairs.

Zhong Shenghao returned to his room. Since it was late at night, he only turned on a small light, and then went straight to the bathroom.

After the surgery, he was really too tired. A bath might be able to wash away his exhaustion.

After taking a shower, he put on a nightgown and went to the study again. After he had prepared some documents and stored them in the mailbox, he returned to his room.

When he passed by Jing Xinlei's room, he stopped in his tracks. He turned his head to look at the door, and her clear face suddenly flashed through his mind.

Then, he lowered his gaze. There was no light coming from the gap in the floor. He must have fallen asleep.

Thinking of this, he walked towards his room.

He walked to the bedside and was about to get on the bed. Just as he lifted the blanket, he touched a warm body.

His body stiffened. He quickly turned his head and saw that the middle part of the bed was slightly bulging.

He was stunned. He turned his head and turned on the headlights. In an instant, the entire master bedroom was brightly lit.

When he turned his head again, what came into his sight was that sleeping face.

Xinlei?

Why was she here?

At this moment, outside the room.

Shu Yan quietly came to the door of her son's room. She didn't make a sound. Her face was pressed against the door and she listened to the sounds coming from inside.

"Xinlei?"

Looking at the person sleeping soundly on the bed, Zhong Shenghao tried to call out to her.

However, Jing Xinlei seemed to be in a deep sleep and didn't hear him.

"Xinlei?" He called out again.

At this moment, Jing xinlei frowned slightly and felt very sleepy.

However, Zhong Shenghao's familiar voice rang in her ears again.

Her eyelids struggled for a while before she woke up with a heavy tiredness. "Shenghao?"

She sat up and looked out the window. It was dark outside. It should be late at night now, right? Why was he in his room?

However, the moment she sat up, Zhong Shenghao was stunned. His eyes fell on her sexy collarbone and her... proud career line.

But soon, he turned his eyes away.

Jing xinlei turned her head. There was still a hint of sleepiness in her eyes. "Shenghao, why are you in My Room?"

He was startled, but he didn't answer. Instead, he got up and put a coat on her.

Following his movements, Jing xinlei instinctively lowered her head. When she saw him, she was completely stunned. Her eyes widened as she stared at her fair and bare chest!

When did she get dressed like this! ?

What happened? What exactly happened? She was clearly wearing a set of pajamas, the kind with pants. Why did she get dressed like this?

Something quickly flashed through his mind.

He looked up again and saw that it was indeed not her room, but Zhong Shenghao's!

"Don't you remember how you came here?" Zhong Shenghao seemed to have sensed something fishy about this matter.

Then, his mother's appearance flashed through his mind.

Could it be his mother's doing again?

Jing xinlei clutched the coat on her body. Although he had seen her embarrassed appearance countless times, it was the first time she wore such a revealing outfit. Her face instantly turned red.

Could it be Auntie?

But how did she come to this room? Did she sleep so deeply? Did she not have any consciousness after being touched by someone? It shouldn't be that bad.

Suddenly, the thought of Shu Yan passing her a glass of milk before she went to sleep flashed through her mind. Could it be because of the milk?

### **Chapter 1566: Shu Yan's thoughts (10)**

Suddenly, before she went to bed, Shu Yan passed her a glass of milk. Could it be because of the milk?

She looked up and glanced at the man in front of her. "Maybe, I went to the wrong place."

Without any evidence, she couldn't just say that this matter might be his mother's doing, so she casually found a reason and then lifted the quilt and got off the bed.

It had to be said that her pajamas were really... seductive and sexy!

Watching her get out of bed, Zhong Shenghao suddenly felt his throat dry and his Adam's apple moved slightly.

"I'm going back."

She said to him, but he didn't say anything.

Seeing that he didn't say anything and only lowered his eyebrows slightly, she didn't understand, but she didn't ask any more questions. She turned around and planned to leave and return to her room.

However, she, who had just taken a step, stopped.

She lowered her head and looked at her own clothes.

The clothes that she thought she would never wear in her lifetime had actually been put on just like that.

Shu Yan's words suddenly flashed through her mind.

If he was really normal, why didn't he react when he saw her dressed like this?

Since she was wearing it, why not give it a try? Otherwise, leaving just like that, it would seem like... It would be a pity to wear it for nothing?

"Xinlei."

Just as she was deep in thought, his voice suddenly sounded from behind her. It sounded a little hoarse.

Wen Sheng turned around when she heard the voice. The man who had been sitting by the bedside had already stood up and walked towards her.

He stood in front of her and stared into her clear eyes. After a long while, he said in a hoarse voice, "Marry me."

"..."she was stunned. His words were too sudden.

"Wh-what?"She was not sure if he had said the wrong thing.

"Marry me,"he said again, looking as if he was enduring something.

She was still a little stunned. Why was he asking her to marry him all of a sudden?

"Sheng Hao, you..."have you been drinking?

However, before she could finish her sentence, the last few words were completely swallowed by his kiss.

"Oh -"

"I don't want to endure it anymore..."

His hoarse voice rang in her ears. In the next moment, she felt a hand lifting the hem of her pajamas and slowly reaching in..

Her eyes were already wide open, but she did not stop him because of this. Instead, she let go of the hand holding onto her coat and hugged him instead.

As she let go, the coat on her shoulder fell to the ground, perfectly showing her proud figure.

His kiss became deeper, and it could be said that he couldn't wait to go crazy.

“Well –”

After a night of love and affection, he spoiled her until midnight. The person under him was completely exhausted. Only then did Zhong Shenghao let go of her and hugged the sleeping person in his arms contentedly, they fell asleep together..

...

The next day, in the morning.

When she woke up, Jing Xinlei felt her back ache, especially her legs and waist. She felt as if they had fallen apart and were put back together again.

She turned her head slightly and wanted to look at the time, but it was already 10 o'clock in the morning!

She widened her eyes. Did she sleep so late?

Ever since she moved in here, she had woken up around 7 o'clock every day. At this moment, when she saw the clock pointing to 10, for a moment, she thought that the clock was broken. Otherwise, how could she have slept so late and only woke up! ?

She lifted the blanket and supported her body. Just as she was about to get out of bed, she felt a sharp pain in her body the moment her feet moved.

### **Chapter 1567: drank this bowl of bird's nest soup**

She frowned in pain. After a while, she barely stood up. Then, she walked toward the bathroom.

After washing up and changing her clothes, she went downstairs.

“Ah, xinlei, you're Up!”

As soon as she saw her, Shu Yan, who was on the sofa, immediately stood up. She walked toward Jing xinlei and said carefully, “Come, sit down!”

Jing Xinlei's heart was full of warmth toward Shu Yan's enthusiasm and concern, but she was still not used to it.

“Old Zhou!”

After she sat down, Shu Yan turned her head again and shouted at Uncle Zhou in the kitchen, "Bring out the soup that I made this morning!"

Hearing her voice, Uncle Zhou came out with a bowl of soup in a short while.

"He's Here!"

In one night, Jing Xinlei felt that the atmosphere in the villa seemed to have changed. Everyone's face was filled with a festive smile. What was going on?

It was still very early before Christmas, not to mention the New Year. Could it be a special day?

"Xinlei, are you hungry? Quickly drink this bowl of bird's nest soup."

Bird's Nest?

Jing xinlei was a little shocked. Why did he want her to drink bird's nest for no reason?

She looked at Shu Yan in a daze. "Auntie, why did you suddenly give me this?"

Her body was not bad, and she was not sick. Why did she drink such a tonic?

"Aiyu, weren't you exhausted last night? Of course, you have to drink some of this to nourish your body!" Shu Yan looked at her with a smile, full of joy.

After hearing her words, the scene of last night's passionate and lingering scenes couldn't help but quickly appear in her mind. It made her blush, and she was embarrassed beyond words.

Sensing the bashful look on her face, Shu Yan immediately understood, so she didn't say anything. Instead, she picked up the bird's nest and fed her personally.

"Come, Auntie will feed you!"

Since she was young, the only person who fed her, apart from her parents, was Zhong Shenghao. Moreover, when he fed her, it was when she was injured and inconvenient, so he fed her.

Now, she really hadn't done such a thing to ask others to feed her.

"No, no need. I can do it myself!"

She took the bowl and spoon from Shu Yan's hand and drank it absentmindedly.

Shu Yan didn't insist. Instead, she looked at her drinking swallow's nest soup with a satisfied smile.

After finishing the whole bowl of Swallow's nest soup, Jing Xinlei was about to get up and send the bowl and spoon back to the kitchen. It was mainly because she felt the atmosphere was a bit strange, so she wanted to take this opportunity to leave and be more comfortable.

However, before she could get up, Shu Yan seemed to have seen through her action and hurriedly stood up. "I'll do it!"

She took the bowl and spoon from her hand, got up, and walked to the kitchen.

Jing Xinlei was stunned on the spot and looked at Shu Yan's back view as she walked into the kitchen with some astonishment.

Although her heart was very warm, but... she was really a bit uncomfortable.

"Xinlei, are you still hungry?"

"I'm not hungry." In the face of Shu Yan's concern, Jing Xinlei's expression was still somewhat unnatural.

"Then let's wait until lunch before eating!"

"Okay."

It was already past ten in the morning. In another hour or so, they would have lunch. She was indeed not hungry.

"Well, I'll go up first and read for a while."

As she spoke, she got up and walked towards the stairs. She was really not used to this somewhat strange atmosphere.

"Okay, go. Reading books to cultivate your character is a good thing!"

Shu Yan's voice came from behind, making Jing xinlei pause again.

### **Chapter 1568: moved into my room**

She had a vague feeling that no matter what she did, Zhong Shenghao's mother would always like it..

The more it was like this, the more apprehensive she became.

This beautiful moment had come too suddenly, too quickly, and too seductively. If she really lost it one day, she would really be reluctant to part with it.

Walking Upstairs, she took the book "Sophie's World" and went to the balcony. She sat on the swing chair and gently swayed, but she was not in the mood to read. The scene from last night involuntarily flashed in her mind, and she could not help but blush again.

Her phone rang, breaking her train of thought.

She was startled awake. She looked away and saw the phone beside her. The caller ID was Sheng Hao.

She pursed her lips and hesitated for three seconds before she reached out to pick up the phone.

"Hello?"

"You're Awake?" His low and gentle voice came from the receiver. It was pleasant to the ear.

"Yes."

"If you're not feeling well, don't get up today. Have a good rest."

Hearing his words, her face turned even redder. Fortunately, he couldn't see her on the other end of the phone.

"No, I'm already up."

"Have you eaten?"

"Yes. Auntie brought me a bowl of soup just now."

"That's all you have?" He frowned.

"I'm not very hungry."

"Then, shall I go back for lunch with you?"

"No need. It's fine as long as uncle and Auntie are here." It would take an hour to go back and forth from the hospital. In addition to the meal time, he didn't have time for lunch break.

On the phone, Zhong Shenghao paused for a few seconds. "Alright then. I'll go back earlier this afternoon."

She hesitated for a few seconds. Why did it sound like she was thinking about him and couldn't wait for him to come back earlier?

Thinking of this, she couldn't help but purse her lips. "Whatever. Anyway... it has nothing to do with me."

"Really? Then I'll go back later."

"..." she wanted to say something, but held it back. It was obvious that he wanted her to fall into his trap. She wouldn't be so stupid!

"Whatever!"

She replied nonchalantly.

Zhong Shenghao, who was sitting in his office, couldn't help but laugh. As expected, he was still a weakling in front of her.

"Xinlei."

"Huh?"

"Move to my room."

"..." she was stunned.

Even though she was already asleep, she was still very shy when faced with his words.

Moreover, his parents were still around. Wouldn't it be too abrupt if she moved into his bedroom just like that?

"We'll see."

He was a little disappointed. "Why?"

"I . . . Will consider it."

"Are you worried about my parents again?"

"..."she did not say anything.

There was indeed such a reason. After all, they weren't engaged yet. Although society was very open now, she still felt embarrassed when she moved in with his parents in front of them, she couldn't do it.

She heard that his parents were only here for fun. Should she wait for them to leave?

It might not make much of a difference, but at least she could be more comfortable this way.

"Don't forget, what happened last night was my mother's doing. Do you think she doesn't know?"

Hearing this, Jing Xinlei couldn't help but be shocked.

She had almost forgotten about this.

Yesterday, she must have drunk that glass of milk to fall into a deep sleep. Then, for some unknown reason, she ended up in Sheng Hao's room.

In other words, even if she didn't move into his room now, his parents were well aware of what happened last night.

It was really... embarrassing!

Holding her cell phone, she buried her head completely and just wanted to find a hole to hide!

### **Chapter 1569: do I have to take this too?**

On the other end of the phone, seeing that she suddenly fell silent, zhong shenghao paused for a moment, thinking that she was thinking about last night and blaming her mother.

"Xinlei, are you... angry with my mother?"

Hearing this, Jing Xinlei raised her head and was stunned for a few seconds.

Angry?

"No, I'm not angry."

Although she felt like she had been betrayed by his mother, but... she really wasn't angry because of this. She just felt that she would be too shy to raise her head in front of her mother!

"Then move over."

"We'll see. I don't want to move yet."

"Then what if I Miss You?"

"What?"

“At night, I want to Hug You to sleep. I want to wake up every morning and see you sleeping soundly.”

”... Zhong Shenghao, I just realized that you’re very glib!”

“Really? That’s only for you.”

“Who knows? Maybe I’ve said it to other women too.”

“Jing Xinlei, I’ve liked you since university. I’ve never said such words to a man, let alone a woman.”

“PFFT –”

She was amused by his words, “I’ve never said it to a man.”.

“Xinlei, do you want to take this too?”

Just as the two of them were chatting on their phones, Shu Yan’s voice came from the balcony door.

She was holding her cell phone. When she heard the voice, she turned her head and saw Shu Yan standing there with a pink pig doll in Wen Sheng’s hand.

That pig doll was in her room.

She couldn’t help but be stunned. She looked at her with some confusion. “Take it over? Take it to where?”

“What’s Wrong?”

On the phone, Zhong Shenghao seemed to hear the abnormality and couldn’t help but ask.

Standing at the door, Shu Yan leaned against the door frame and looked at Jing Xinlei with a smile. “It’s this doll. Do you want to take it to Sheng Hao’s room?”

”...”take it to Sheng Hao’s room? For what?

She stood up. The more she listened, the more confused she became. “I’ll hang up first.”

She said to Zhong Shenghao on the phone, hung up, and then walked toward Shu Yan.

Looking at the pink pig doll in her hand, Jing Xinlei was confused. “Auntie, what are you doing?”

Shu Yan smiled with her eyes curved. Her tone was light, and her eyes were ambiguous. “I just moved all your things to Sheng Hao’s room. I want to ask if you want to take this doll too?”

”...”

Jing Xinlei was stunned.

“All... moved to his room?”

“Of course. Boyfriend and girlfriend, they definitely have to live together.” Shu Yan said very casually. The blissful look on her face was as if she was in love.

“But Auntie –”

Shu Yan reached out and pressed her hand against Jing Xinlei's lips. She threw a 'I understand' look and then said to her gently with an extremely ambiguous smile, "You just need to tell me now whether this doll should be taken over or not."

"No, I—"

"AH, take it over, right? I got it!" Shu Yan beamed with joy. Then, she took the pink pig doll and turned around to leave. She completely ignored what Jing Xinlei had not had the time to say, she only wanted to set up the two of them to live together!

At the thought that she would soon have a grandson, Shu Yan's Burning Heart was boiling!

Jing xinlei froze on the spot and just watched in a daze as Shu Yan went out.

After a long time, she came back to her senses. When she came to her room, she found that most of the daily necessities had been moved.

"..."

She turned around and came to Zhong Shenghao's room again. She saw that Shu Yan had personally made the bed sheets. The whole set was brand new!

#### **Chapter 1570: from today onwards, you have to change your words**

"You, go and change this bottle of fresh flowers into..." Shu Yan thought for a moment before speaking to the maid at the side, "Lilies!"

A hundred years of harmony!

"Yes, Madam!"

The maid nodded at Wen Sheng and then left. She saw Jing xinlei standing at the door. She nodded slightly at her and greeted, "Miss Jing."

"Hey, wait!"

Hearing the maid's voice, Shu Yan suddenly turned around and called out to her.

"From today on, you have to change your address and call me young Madam!" Shu Yan still spoke to the maid in a friendly tone.

It was as if a daughter-in-law was married. Everything and people were beautiful!

Hearing this, the maid couldn't help but look at Jing xinlei. Then, she smiled and said, "Okay."

"Go down and prepare."

"Yes."

Seeing the maid leave with a smile, Shu Yan withdrew her gaze and fell on Jing Xinlei's face. "Xinlei, come over quickly!"

She intimately held her hand and walked into the master bedroom.

“See what is still missing or how to decorate it. Tell me, Auntie will arrange it for you!”

In the face of her thoughtfulness, Jing Xinlei’s heart fluctuated. But the more it was like this, the more afraid she became.

This warmth was precious to her, but she was ashamed of it.

“Auntie, I have something to tell you.”

“What is it?” Shu Yan looked at her with a smile. That pair of clear eyes really couldn’t tell that she hated Jing Xinlei in the slightest.

After being stunned for a few seconds, Jing xinlei hesitantly said, “It’s –”

“Yanyan, the rose petals you want.”

At this time, Zhong Zhengnan’s voice suddenly came from the door, thus interrupting her words.

Seeing her husband, Shu Yan also ignored her words for a moment. Her mind was completely focused on the rose petals in Zhong Zhengnan’s hand.

“Ah, so many of them!”

She took them and walked straight to the bathroom.

“Xinlei.”

Just as she was in a daze, Zhong Zhengnan’s voice rang in her ears again.

She turned around and looked at Zhong Zhengnan. “Uncle.”

Zhong Zhengnan smiled at her. “Yanyan may be a little assertive, but don’t mind her. Her original heart only hopes that you can get along well with Hao Cheng. Besides, she really likes you.”

Listening to Zhong Zhengnan’s words, Jing Xinlei’s heart rippled even more.

She smiled and said, “I know. I Won’t mind. I . . . Also like Auntie very much.”

“That’s good.” Zhong Zhengnan smiled, glanced at her, and then turned to leave.

Looking at his departing back, Jing xinlei sighed heavily.

This Beautiful Day would come when the ice would melt. How could she say it out loud.

“Ah!”

Shu Yan’s voice suddenly came from the room.

Jing xinlei looked up and heard the voice coming from the bathroom.

She walked over and saw Shu Yan standing in the bathroom.

“What’s Wrong?”

“These things need to be replaced!”

Shu Yan turned her head and glanced at Jing xinlei, then her eyes fell on the toiletries in the bathroom.

As if she suddenly thought of something, she turned her head and looked at Jing Xinlei. “Xinlei, after dinner, let’s go out and buy some, okay?”

After all, it was her son and her toiletries. She could still buy some things that she thought were good for her son, but for Xinlei’s, she wanted her to choose for herself. After all, she didn’t want her future daughter-in-law to hate her.

Looking at her, Jing Xinlei was stunned for a few seconds.
