

Kiss Me 1591

Chapter 1591: Zhong Jingfan's end (1)

So she was still a little concerned.

But before she could finish her sentence, he had already started to explain.

"I just finished the phone call. When I passed by the washroom, I heard someone shouting, and then there was a sign that was being repaired at the door."

She couldn't help but frown.

"So you thought it was weird, so you walked in?"

"Yes, and then you saw her soaking wet and locked in the cubicle."

"Who did this? It was obviously a Malicious Act!" Zuo Weiyi couldn't figure it out. Today was Sheng Hao and Xinlei's engagement ceremony. Who could have such ulterior motives?

Shi Yuting couldn't help but fall silent for half a second.

Then, his thin lips parted slightly. "Xiao ran, I think."

When she heard that, she turned to look at him in surprise. "Xiao Ran?"

"Yes, because just now, she and another woman were walking from the direction of the washroom. Moreover, they didn't take the elevator, they took the stairs." This action was obviously to avoid the camera.

Zuo Weiyi lowered her eyes. This Xiao ran had indeed become bad!

In the hotel room.

Zhong Shenghao carried her to the bed, covered her with the blanket, and turned on the heater.

He had to take off his clothes because he was drenched.

"Take off your clothes."

As he spoke, he had already reached out and unzipped the back of her evening gown.

Jing Xinlei did not reject him. Instead, she was worried that he might be too concerned about the scene he had just witnessed.

When she entered, her posture with Shi Yuting was indeed a little ambiguous. Not only him, even the expression on Weiyi's face seemed a little off. She did not know if she had misunderstood Shi Yuting at that moment.

"Stay inside for now. I'll go and get the hot water," he said softly as he looked at her. After wrapping her tightly in the blanket, he turned around and walked towards the bathroom to get the hot water.

Jing Xinlei looked pensive as she watched his back view as he walked into the bathroom.

After a while, he walked out of the bathroom after getting the bath water ready. He picked her up along with the blanket on the bed and walked towards the bathroom.

After putting her in the warm bathtub, Jing xinlei felt much warmer. After a while, her face gradually regained its color.

“Are you feeling unwell or injured?”

Staring at her in the hot bath, he lowered his eyebrows and asked softly.

She shook her head. “No.”

She couldn’t help but think of the test results again.

Just as she was about to speak, she suddenly heard her phone ring.

Zhong Shenghao took out his phone and realized that it was his mother, Shu Yan.

He walked to the side. “Hello?”

“Son, where are you and Xinlei? Why are they gone?” Shu Yan’s voice came from the phone. They searched the entire banquet hall but couldn’t find the two of them.

“Something happened to xinlei. We are now in the hotel room on the top floor.”

When Shu Yan heard this, her heart clenched. “What happened to Xinlei? !”

“Nothing much. Don’t worry. I’ll check her later. If there’s nothing wrong, I’ll take her down.”

If it were any other day, he might have told her not to go down and to stay in the room to rest.

But today was their engagement ceremony. If she didn’t go out, it seemed a little inappropriate.

“I’ll go up and take a look!” Shu Yan was worried.

“Hey, Mom!” Just as Shu Yan was about to hang up the phone, Zhong Shenghao hurriedly spoke again.

“What’s Wrong?”

“Go and help me find a set of clothes for Xinlei to wear. She’s all wet. I Can’t wear the evening gown.”

Shu Yan couldn’t help but be stunned when she heard that. Then, she came back to her senses. “Okay, I got it!”

After hanging up the phone, she hurriedly left the banquet hall.

Chapter 1592: the end of Zhong Jingfan (2)

After taking a bath, Zhong Shenghao carried her back to the bed. Since she could no longer wear the evening gown, he had no choice but to let her stay in bed with a towel wrapped around her.

“Shenghao.”

“Huh?”

“Did you mind what happened just now?” She thought of the scene she saw in the bathroom and finally couldn’t help but ask.

She didn’t want to miss it anymore, so she didn’t want to have any misunderstandings between them.

“You mean the incident in the bathroom?”

“Yes, I saw you calling Ting –”

She suddenly wanted to say something, but she stopped herself. She was used to calling him ‘ting’ from the very beginning, and she forgot to change her way of addressing him. Would he mind?

She raised her eyes to look at the man in front of her. After making sure that the expression on his face didn’t change, she continued to speak.

“I saw you take off his clothes.”

Her worry was the same as Zuo Weiyi’s. would it affect their friendship?

“I was a little concerned when we bumped into each other, but I don’t care anymore,” he said softly as he looked at the person in front of him.

Jing xinlei was a little surprised.

Perhaps love needed to be understood.

“Are you really not feeling well anywhere?” He asked as he stared at her.

Although he had examined her body while she was showering just now, there were some injuries that could not be seen.

She smiled and shook her head gently.

She was not injured, but there was one thing that she was not too sure about.

“Sheng Hao.”

“Huh?”

“I...”

“What’s Wrong?”

She lowered her eyes and lowered her head. After a long while, she said softly, “I... Didn’t get my period last month.”

He was stunned for a few seconds because he didn’t react when he suddenly said that.

Then, his calm face showed a hint of emotion.

Could it be..

He suddenly took her hand and checked her pulse.

The pulse was..

In an instant, a hint of joy flashed across his face, but he tried his best to restrain himself and stared at the person in front of him. "Are you pregnant?"

She raised her head and looked a little innocent. "You're the Doctor, why are you asking me instead?"

He paused.

Yes, he was the doctor, so was she really pregnant?

"When did this happen? Why didn't you tell me?"

"I'm not very sure, so I didn't dare to say it out loud. I went to the bathroom to test it."

"Test results?" He was a doctor, but the excitement came too suddenly. It was as if he couldn't confirm this sudden surprise without another method.

"Two red ones!" She carefully raised her index and middle fingers.

"I'm really pregnant!"

He muttered to himself, and in the next moment, he couldn't wait to carry her out of the bed!

"I finally have a child!"

In his excitement, he hugged her and spun around the bed in joy.

"Oh my God..."

Just then, the door was pushed open.

Seeing the loving scene between the two, Shu Yan, who had just pushed the door open, wanted to leave again, but in the next moment, she froze.

What did he say just now? A child?

"Son, what child are you talking about?"

"Mom." Seeing her parents walking in, Zhong Shenghao put her down and covered her with the quilt.

"Tell me quickly, what child were you talking about just now?"

Shu Yan seemed to have guessed a thing or two in her heart, because ever since the two of them shared a room, she had been observing Jing Xinlei's 'movements', but she couldn't figure out why.

However, some people who were pregnant did not seem to have any other symptoms in the early stages except for their periods.

Chapter 1593:: Zhong Jingfan's end (3)

"Your wish is about to be fulfilled."

Hearing this, Shu Yan was extremely excited. After the surprise, she walked to the bedside. "Xinlei, you... are pregnant?"

Seeing Shu Yan's excited look, Jing Xinlei was a little embarrassed. "If he didn't see wrongly, it should be..."

"Oh my God! I finally got my wish! Xinlei, you are simply a great contributor to our family!"

Shu Yan was only one step away from thanking the heavens and bowing to the earth!

Jing Xinlei was not used to it.

Even if Hao Hao married another woman, it was only a matter of time before he had a child, right?

But then again, being able to meet Zhong Shenghao and his parents was the happiest thing in her life after her family was destroyed, right?

"Hubby, did you hear that? I'm going to have a grandson soon!"

Shu Yan was so excited that she held Zhong Zhengnan's arm tightly. The excitement in her heart was indescribable!

"Sigh, I didn't expect to be promoted one level in the blink of an eye. I'm going to be a grandfather!"

"Exactly! Next year, our family will have another little guy!" Just thinking about it made Shu Yan look forward to it.

Knock, Knock, Knock.

While the family was immersed in the happy atmosphere, the door was knocked again.

The few of them were stunned for half a second before Zhong Zhengnan finally walked over and opened the door.

The next second, Shi Nuannuan and Weiyi walked over.

When she saw Zuo Weiyi, Jing Xinlei was subconsciously stunned.

When she noticed the smile on her face, it seemed that she did not care about what happened in the bathroom. When she thought of this, she could not help but laugh.

"Why are you guys here?"

"How are you? Are you better?"

The one who spoke was Zuo Weiyi. She knew that she had been worried after the accident, so she came over to take a look.

"I'm fine."

"Nuannuan Weiyi, let me tell you, our family is going to have a new life soon! I'm also going to upgrade to the identity of 'Grandma' Soon!" Shu Yan was too happy. She simply spoke to everyone!

When Zuo Weiyi and Shi Nuannuan heard this, they were stunned for half a second before they reacted. They looked at Jing Xinlei who was on the bed at the same time.

“You’re pregnant! ?”

“You’re pregnant! ?”

Looking at the two of them who spoke in unison, Jing xinlei smiled and nodded.

Zuo Weiyi and Shi Nuannuan naturally felt happy!

“Congratulations! Isn’t this a double wedding! ?”

“That’s right. When did you get pregnant? Why haven’t I heard about it from you?” Shi Nuannuan could not help but ask.

“I only confirmed it today.”

“No matter what, I really have to congratulate you and brother Sheng Hao!”

“Thank you.”

The room was filled with laughter and joy.

Zhong Zhengnan suddenly thought of something. “Oh right, xinlei, how did you end up like this?”

As soon as he said this, the room immediately fell silent.

She was so happy that she didn’t even ask the reason why she was in such a sorry state.

Everyone couldn’t help but look at Jing xinlei. She should know who did this, right?

Jing xinlei lowered her eyes.

Her guess was Xiao ran, but she didn’t see it with her own eyes. How could she say that it was Xiao ran who did this?

And her only enemy seemed to be Xiao ran. It could not be shi yuting and Zuo Weiyi, could it?

“It’s Xiao ran, right?”

Just as everyone was waiting for her answer, Shi Nuannuan suddenly opened her mouth.

Everyone’s eyes could not help but turn to her.

“Why do you say that?”

Looking at Shi Nuannuan, Zhong Shenghao frowned and asked.

Shi Nuannuan also turned to her. “Because my brother had just finished his phone call and was about to return to the hall when he saw Xiao ran in the bathroom corridor. Then, he heard that Xinlei was trapped in the bathroom.”

Chapter 1594: the end of Zhong Jingfan (4)

“Xiao ran...” Shu Yan frowned. “This woman actually dares to Touch Xinlei!”

Another cell phone rang, but this time it was Zhong Zhengnan’s cell phone.

“Okay, I got it.”

After hanging up the phone, Zhong Zhengnan looked at the people in the room. “We’ll go down first. You tell Xinlei to rest well and don’t go down.”

Since he was pregnant, he could naturally announce it to everyone. Because he suddenly found out that his daughter-in-law was pregnant and was not feeling well, today’s engagement ceremony ended here.

However, it was almost the end. It didn’t matter if it ended a little earlier.

“Yanyan, let’s go down First!”

Holding his wife’s hand, the two were about to leave.

Shu Yan turned her head and smiled at Jing Xinlei before she left. “Xinlei, mommy will go down first. You have to rest well!”

In the face of Shu Yan’s care and concern, Jing xinlei smiled. Her heart was warm.

“It’s good that you’re fine. Then we’ll leave first.”

Looking at Jing Xinlei who was only wrapped in a towel, Zuo Weiyi also smiled and said.

She came here because she was worried about her. Now that she saw that she was fine, she naturally felt relieved.

“Okay.”

With a smile, Zuo Weiyi and Shi Nuannuan also came to get a room on the top floor.

After everyone left, Zhong Shenghao took out the clothes Shu Yan brought and put them on for her.

It was not an evening gown, but a winter suit and a down jacket.

...

After a little interlude, due to the good news of pregnancy, the engagement ceremony was considered to have ended successfully.

When they returned to the villa, the sky had already darkened.

Zhong Shenghao had already returned with Jing xinlei. Only Shu Yan and Zhong Zhengnan were busy until very late because they had to send their guests off.

“Hubby.”

The car arrived at the courtyard. Shu Yan, who got out of the car, seemed to have suddenly thought of something. She closed the car door and stopped there.

“What’s Wrong?”

“Your daughter-in-law has been bullied. Shouldn’t you do something?”

“What do you want to Do?”

“I heard that Xiao ran is in the modeling industry.”

“So?”

Shu Yan only glanced at her husband and didn’t say anything.

..

The next day.

After sending off his aunt and aunt, Zhong Shenghao brought Jing Xinlei to the hospital. The whole family came to accompany her for a comprehensive check-up.

After waiting for more than two hours, the results of the check-up were finally out.

There was nothing wrong with the baby!

Hearing the news, Shu Yan became even more excited. She immediately decided that she would live here from now on and wouldn’t go back!

In any case, she couldn’t be bothered to live in the same city as Zhao Yafang. In the past, it was because of Hao Sheng’s grandparents. Now that the two of them had passed away many years ago, there was no need for them to stay there anymore.

Jing Xinlei was considered lucky after being pregnant. Unlike other pregnant women, she would always have a hard time.

She could eat, drink, and sleep. Her mental state was especially good. It was just that she felt like lazing in bed in the morning, but this feeling was also beautiful!

..

Because they decided to settle down here, Zhong Zhengnan and Shu Yan had to go back to deal with some things.

That morning, Jing Xinlei had nothing to do after breakfast, so she picked up a newspaper and started reading on the sofa.

As soon as she opened the newspaper, a familiar photo came into view.

Then, she saw the eye-catching title on the photo.

Xiao ran was kicked out of the modeling industry? What was going on?

She heard footsteps coming from the stairs. When she looked up, she saw Zhong Shenghao coming down neatly dressed.

Seeing her surprised expression, he couldn't help but walk over and sit down beside her. "What's Wrong?"

Chapter 1595: Zhong Jing's closing

"This... was done by you?"

Xiao ran was now considered to be very popular in the modeling world. How could a normal company be willing to kick her out? What was going on?

Following the newspaper that she handed over, Zhong Shenghao looked down and then frowned slightly.

Looking at his expression, he was obviously quite surprised. Could it be that he didn't do it? Then who else could it be?

Could it be that she had offended some big shot and was then banned?

Zhong Shenghao looked up and suddenly seemed to know something. The corners of his mouth curled into a faint smile.

"Don't think about it. Come and take a look at this."

He suddenly took out a notebook that looked like a picture book.

"What's This?"

"The top ten honeymoon destinations in the world. Where do you want to go?"

Jing xinlei could not help but be stunned. She raised her eyes and looked at the man in front of her.

Honeymoon?

But they were not married. They were only engaged. Did they want to go on a honeymoon?

"Aren't we not married yet? Why are we doing this?"

He looked at her, and the corners of his mouth curled into a beautiful smile. "When we get married, I'm afraid it will be inconvenient for you."

He glanced at her flat stomach.

With her pregnancy, the wedding date was soon set. It would be next march, when the flowers would bloom in spring.

However, she was already pregnant at that time. It was definitely not convenient for her honeymoon trip, so she naturally had to bring it forward.

Moreover, he had originally planned to take a trip to the two of them after the engagement.

After all, after his parents moved here, their two-person world would be gone. Of course, they had to take the opportunity to earn enough money now!

Jing xinlei also followed his line of sight and looked at her lower abdomen. Although it was convenient now, was it suitable for a trip?

“Is it okay?”

“With me as a doctor, why not?” Looking at her, his eyes were full of tenderness and honey.

She smiled and moved her gaze away from his face, starting to choose the location of the honeymoon trip.

“Maldives.”

Looking at the location she chose, Zhong Shenghao smiled in satisfaction. Then, he took out the notebook in her hand and kissed her red lips!

“It’s just as I thought!”

She smiled, and her mind was full of thoughts.

So, she could also be so happy.

“Let’s go upstairs and pack up!”

“Now?”

“Yes, the ten o’clock flight ticket.”

He pulled her upstairs.

Jing xinlei, who was being pulled by him, suddenly realized, “The flight tickets are already booked, yet you still let me choose. So it’s just for Show!”

“Who said that?” He turned around and looked at her. “This is called telepathy.”

“PFFT, do you think we’re Twins? I heard that only twins in this world have the possibility of telepathy.”

“Is that so? Then maybe we’re the exception!”

He smiled and carried her upstairs!

“AH, be careful!”

As they were on the stairs, she could not help but feel a little scared as she was being carried like this. If she fell down, she would hurt the baby in her stomach.

And he seemed to have seen through her worry.

“Don’t worry. My mission for the rest of my life is to protect you and the child.”

“You said it.”

“Of course!”

“I think I need to find a recording pen to record it so that you won’t use it as evidence when you can’t do it in the future!”

“Then I’ll say it again later. Prepare the recording pen.”

“Okay!”

Their flirtatious voices disappeared at the corner of the second floor.

They set off for Maldives at 10 o’clock in the morning.

As a result, Shu Yan and Zhong Zhengnan, who returned here a few days later, faced the empty house empty.

It seemed that after the absence of the daughter-in-law in this villa, it seemed a little lifeless.

“Did you ask her?”

“She said it’s in Hawaii.”

“Come, let’s go to Hawaii Too!”

Unable to wait, Shu Yan stood up from the sofa and planned to follow her son and daughter-in-law to Hawaii!

However, when they arrived in Hawaii, there was no sign of her son and daughter-in-law at all!

“Hubby, did you ask clearly? !”

Zhong zhengnan said innocently, “Sheng Hao did say that they were in Hawaii.”

“Where is that person? !” Staring at her husband, Shu Yan suddenly thought of something.

Could it be that her son had already predicted that they would follow them, so he deliberately said the wrong place, but in reality, they weren’t in Hawaii at all! ?

What a ‘scam’! Oh, no, it should be ‘scam mom’!

Chapter 1596: Shi Mo, Yin bei

Yin Bei: Hello, My Name Is Yin bei. Hobbies: liking Shi Mo.. Hobbies: observing Shi Mo! Shi Mo: Since You’re so interested in me, why don’t you be my girlfriend?

February 14th, Valentine’s Day.

Z University.

On Valentine’s Day, Youth was everywhere. Young boys and girls who were in their prime were giving out chocolates and love letters to the person they liked.

It was true that this was the age when love letters flew everywhere.

“Hurry, senior Shi Mo is here! Xiao Meng, hurry up and Go!” Under a maple tree, three girls were hiding, but their eyes were lingering on the tall figure not far away.

A pure white shirt and handsome jeans were like a cool breeze on this summer day. Just looking at them made people feel relaxed and happy.

“I, I’m nervous...”

“Aiya, there’s no time to be nervous. Hurry up and Go!”

The girl named Xiaomeng was pushed out by her classmates just like that, and she was pushed straight into the middle of the road!

The girl stood still and looked at her roommates behind her, then looked at the fancy man who was walking over not far away. Her heart was thumping wildly!

Shi Mo, the only heir of the Di Zun Group, had a net worth of over 100 million at the age of 18 years old. He was the only one in Weiyi.

However, such an influential figure could have gone to a better international university. Yet, he only came to a key university in Country Z. This made many people unable to figure out the reason behind this.

However, no matter what reason he came here for, to be able to come here and admire such a handsome man with an extraordinary net worth every day was simply a wonderful thing in life!

Looking at the man approaching her from afar, the girl’s emotions surged. She took a deep breath and finally mustered up her courage to block the man’s path when he passed by!

“Senior!”

The girl was rather pretty and had a delicate appearance. However, she didn’t seem to be able to catch Shi Mo’s eye.

He stood still and his long and narrow eyes fell slightly on the girl’s face. However, his seemingly calm face was filled with an impatient coldness.

“Senior, My Name Is Ye Xiaomeng! This... Please take a look at this!”The girl lowered her head and handed over the pink envelope in her hands.

Shi Mo’s eyelids drooped slightly, and his gaze fell on the envelope, but he didn’t seem to have any intention of taking it.

Time seemed to have stopped, and the other two girls hiding behind the maple tree also watched this scene excitedly.

It was said that in the past two years, countless people had sent him love letters, but senior Shi Mo had never received a single one.

But it could also be imagined that those who sent love letters could not be compared to ye Xiaomeng. They were just weeds, forever just a foil.

But Ye Xiaomeng was different. She was the school belle of this school!

Maybe she could become senior Shi Mo’s first girlfriend!

Ye Xiaomeng's two roommates were also holding their breaths as they waited. They did not know if senior Shi Mo would accept Xiao Meng's love letter!

Just when everyone was holding their breaths, a clear figure suddenly flashed over like a breeze and disappeared in the blink of an eye.

Feeling the love letter in her hand being 'taken away', Ye Xiaomeng, who was still lowering her head, was delighted in her heart. The corners of her mouth quickly rose up.

Did senior Shi Mo really receive her love letter?

She raised her head in joy, but she noticed that Shi Mo's head had turned elsewhere. He was staring at a beautiful figure, and his dark eyes narrowed slightly.

"Xiaomeng, your love letter! It was snatched away by Yin bei!"

Ye Xiaomeng's two roommates dashed out from behind the big tree, pointed at the figure not far away, and anxiously said to Ye Xiaomeng.

Chapter 1597: Yin bei, stop right there!

Ye Xiaomeng raised her head and saw that her love letter had indeed landed in Yin bei's hands!

Damn it!

Her expression changed abruptly as she took a huge stride forward and chased after Yin bei's figure!

"Yin bei, return my love letter to me!"

Yin bei turned around to take a look when she heard Wen Sheng's voice. Realizing that they had already caught up, she hurriedly pulled her legs and ran!

Shi Mo stood rooted to the ground, calmly staring at the figure not far away.

A few seconds later, he turned around. At this moment, the originally calm corner of his mouth suddenly lifted slightly, and an imperceptible arc was faintly discernible.

"Yin bei, stop right there!"

After circling around half of the school, ye Xiaomeng was still chasing after Yin bei's figure. She was running out of breath!

In the end, she couldn't help but stop. She supported her thighs with both hands, wanting to rest for a moment.

This Damn Yin bei, why did she want to snatch my love letter?

Feeling the figures behind her stop, Yin bei stopped and turned around to look at ye Xiaomeng and the others.

"You, why did you snatch my love letter! ?"

Ye Xiaomeng was furious, but she couldn't say anything. She was panting non-stop.

Yin bei ignored her. He raised his hand and looked at his watch. It had been 12 minutes. He should have left, right?

"I'll return it to you!"

She folded the love letter into a paper plane and flew toward ye Xiaomeng and the others. Then, she turned around and left.

Ye Xiaomeng and the others wanted to chase after her and punish her, but they couldn't bear it anymore. They could only pick up the love letter that flew toward them and settle the score with her later!

Holding the love letter, they looked in the direction not far behind them. At this time, senior Shi Mo must have already left the school. It was said that he rarely stayed in the school and had almost never stayed there.

Damn that Yin bei, she actually dared to ruin her good deed!

It was not easy for her to muster up the courage to hand out this love letter!

After all, she was a school Belle and sometimes she also had that pride.

And the only one who could make her lower her head was this Shi Mo!

...

At 5:30 pm, the sky had already darkened.

Yin bei walked out of the campus, bought a beef noodle from a nearby snack street, and started eating.

When she returned to Z University, the sky had already completely darkened. In the bustling metropolis, the lanterns lit up.

Walking to the dormitory door, she seemed to have noticed something and raised her head to look at the top of the door.

She lived in the same bedroom as ye Xiaomeng. She had snatched her love letter during the day, so she would definitely not let her off so easily.

After thinking for a while, she suddenly took a step back and lifted her leg..

"Bang!"

The door was kicked open, but she was not in a hurry to enter.

Just as she thought, the moment the door was kicked open, a bucket of white powder was seen spilling down from the top.

If she had pushed the door open and entered just now, this bucket of white powder would have splashed all over her body!

"Yin bei, you're finally back!"

Before she could enter, three girls had gathered in the dormitory and lined up in a row, blocking her way in.

In the middle stood ye Xiaomeng, who was holding her arms across her chest as she looked disdainfully at Yin bei.

Yin bei was not afraid at all. Instead, she smiled and said, "Beauty Ye, what are you talking about? I'm staying at school, so of course I have to come back!"

"Yin bei, don't F * cking play dumb with me! Tell me, why did you snatch the love letter that I gave senior Shi Mo!?"

Ye Xiaomeng stared at Yin bei angrily and asked.

Yin bei's pitch-black pupils rolled. "You mean the incident in the afternoon?"

Chapter 1598: is doing this for your own good!

"Aren't you talking nonsense?"

"Xiaomeng, I'm doing this for your own good. Haven't you noticed?"

Ye Xiaomeng couldn't help but be a little stunned by her smile.

"For my own good?"

"That's right!" Yin bei nodded with a righteous look on her face. "Think about it. You're our school Belle. How can you take the initiative to hand over love letters to other boys? This is too detrimental to your noble status as the school Belle!"

Yin Bei's righteous words stunned ye Xiaomeng and the others.

But Ye Xiaomeng really fell for it!

What she said seemed quite right. She was the school Belle. Taking the initiative to write a love letter to a boy seemed to lower her status a little.

"So... you helped me get the love letter back?"

"That's right!" Yin bei nodded, looking like a great hero!

"But, then I like Shi Mo. if I don't give him a love letter, what should I do?"

"En... about that..." Yin bei lowered her head, resting her chin on her hand as she began to ponder, "Of course I'm sending a message!"

"A message? But I don't even have his cell phone number!"

"Then wechat!"

"I don't have his wechat either!"

"Then there's no other way!" Yin bei looked like she was also helpless.

Then, a funny light flashed across her round eyes. "Um, can I go in now?"

She looked at the three girls with a calm face and a smile.

Ye Xiaomeng glanced at her. If she was thinking of herself, then she had no reason to stop her, so she made way for her.

Yin bei smiled and walked in happily. She returned to her bed and threw her bag on it. Then, she took out her toiletries and took a shower in the bathroom.

By the time everything was done, it was already 8:20 pm.

She flipped over and lay on the bed, hiding under the warm blanket.

"Hey, Xiaomeng, did you see Shi Mo up close today? Isn't he handsome?"

She had just laid down when she took out her phone and heard ye Xiaomeng and the others discussing Shi Mo on the bed next door.

Yin bei immediately pricked up her ears and listened carefully.

"Of course, it's simply incomparable!"

"Xiaomeng, you're so lucky..."

"Yeah, tell me, if Yin bei didn't snatch your love letter, Shi Mo might have accepted it!"

After being mentioned by her roommate, Ye Xiaomeng thought about what happened in the afternoon and still felt a little stifled.

Even though Yin bei was right, if she didn't snatch the love letter, perhaps Shi Mo would have accepted her?

Thinking of this, Ye Xiaomeng pulled the curtain and stared straight at Yin bei's bed.

"Hey, Yin bei!"

At this moment, sleeping was the best strategy!

Yin bei closed her eyes and began to pretend to be asleep.

Unable to hear a reply, ye Xiaomeng could only helplessly pull the curtain up again!

How about sending it again tomorrow? However, in order to prevent the awkward scene from being seen by the other students, she had to find a hidden place to send the love letter out.

However, how could she make an appointment with Shi Mo?

Suddenly, ye Xiaomeng's gaze turned towards Yin bei's bed.

Since she was the one who messed up her good deed, she would let her make an appointment with Shi Mo tomorrow.

Thinking of this, Ye Xiaomeng could not help but smile. Just as she was worried that she did not have any helpers, Yin bei came up to her!

...

The next day.

Early in the morning, after Yin bei got up and washed up, she went to the canteen to buy a bowl of porridge and two meat buns. Then, she found a corner and sat down.

She had just taken a big bite of the buns when the soup flowed to the corner of her mouth. Before she could wipe it off, she saw that the opposite seat was occupied.

Chapter 1599: You Help Me make an appointment with Shi Mo.

She raised her head and saw ye Xiaomeng and her other two roommates.

“Yin bei.”

“What?”

“Yesterday, you messed up my good deed. Today, why don’t you make up for it and help me with something?”

Her tone sounded like they were discussing, but it didn’t give her any room for discussion.

“What favor?”

Ye Xiaomeng raised her head and looked at her surroundings. After making sure that no one was approaching, she stared at Yin bei and said, “After class in the afternoon, help me make an appointment with Shi Mo!”

Hearing this, Yin bei was stunned.

“Make an appointment with Shi Mo?”

“That’s right!”

Yin bei smiled. She felt that ye Xiaomeng was simply joking!

“Xiaomeng, are you joking?”

“I’m not joking. Yesterday, you messed up my matter. This is your chance to make up for it!”

“But you should know that no one can make an appointment with Shi Mo..”

“That’s your business. I Don’t care! Anyway, you have to go, or else...”ye Xiaomeng suddenly moved closer to her and lowered her voice. “Don’t even think about continuing to study at Z University!”

Faced with ye Xiaomeng’s threat, Yin bei stared at her and pondered for a long time.

However, ye Xiaomeng only left a few words, and then she took the tray and left.

“Make an appointment with Shi Mo...”

Yin bei lowered her head and continued to eat the steamed buns in large mouthfuls, then she took another mouthful of porridge. She only got up and left the canteen after finishing all the nutritious breakfast.

During class, she held her chin with one hand and turned her head to look out of the window. Her right hand was placed on the desk, and she kept rotating the ballpoint pen.

What method should she think of to make an appointment with Shi Mo?

The bell rang for the end of class. Yin bei laid on the desk, thinking about how she could make an appointment with Shi Mo..

“Yin bei!”

Just as she laid down, she heard ye Xiaomeng’s annoying voice.

“What?”

She suddenly raised her head and stared at ye Xiaomeng. Her pretty face was expressionless.

“Don’t forget what I told you.”

She didn’t say anything. If she didn’t want to stay in z university until graduation, she wouldn’t have agreed to her request.

But..

Why would she help a woman she hated to meet the man she liked?

Ye Xiaomeng glanced at her and then walked out of the classroom.

Yin bei was weak and fell down again, lying on the desk.

Her phone rang, waking her up again.

“Hello...”

“Bei!”

Hearing that familiar voice from the phone, Yin bei sat up straight again. “Dan Dan?”

“Bei, Guess What I Saw?”

“What?”

“The Shi Mo you like!”

“TSK, what’s so strange about that!”They were already in the same school!

“No, someone is challenging Shi Mo!”

Hearing that, Yin bei immediately focused her attention. “Challenging?”

“It’s Lu Chenfeng who suddenly challenged Shi Mo!”

“What did he do?”

“I don’t know either. They’re on the basketball court right now. Hurry up and come over!”

Hearing her good friend’s words, Yin bei was stunned for a few seconds at first. Then, she abruptly hung up the phone and rushed out of the classroom!

When she arrived at the basketball court, the scene was already crowded with many onlookers. Yin bei squeezed for quite a while before she squeezed into her good friend Mu Dan’s seat.

“Shi Mo, I heard that your athletic ability is very strong. Why, Don’t you dare to compete with me?”

In the center of the basketball court, Lu Chenfeng looked at Shi Mo, his black eyes filled with provocation.

“If you lose?”

Shi Mo’s slightly deep voice sounded, revealing a cold and noble aura that came from his home.

“You’re very confident, so you must think that you’ll win?”

“I’m more than enough to beat you.”

Chapter 1600: first kiss, spoils of war

“TSK! Aren’t you overestimating yourself too much?”

Shi Mo did not speak. It was as if all he wanted to hear was his own answer. Everything else was undoubtedly nonsense to him.

Lu Chenfeng turned his head and swept his gaze across the crowd. Perhaps it was because of the coincidental location, or perhaps... he had ulterior motives. Lu Chenfeng caught a glimpse of the more outstanding Yin bei in the crowd.

“The winner will kiss that girl in front of everyone.”

”...”

The moment Lu Chenfeng’s words left his mouth, the entire stadium fell into complete silence. Everyone looked at Yin bei in the crowd at the same time.

Yin bei herself seemed to be dumbfounded.

The winner Will Kiss... Her?

After a long while, Yin bei finally reacted. She was so angry that she wanted to rush to the stadium. She pointed at Lu Chenfeng’s nose and cursed, but her good friend Mu Dan pulled her back!

“Lu Chenfeng! What are you talking about! ?”

Lu Chenfeng only glanced at her slightly, but he ignored her. Instead, he turned his head and stared at Shi Mo again.

Two seconds later, Shi Mo turned his head. A pair of dark eyes fell on Yin Bei's face.

When she met his dark eyes, Yin bei was stunned.

"And the loser... will clean the men's toilet for a month! In addition, he will run 20 laps on the field naked!" Staring at Shi Mo, Lu Chenfeng said again.

"Okay." Shi Mo suddenly curved his lips.

A soft "Okay" made everyone's jaws drop!

Why did Shi Mo accept this challenge? Was it because of the dignity of a man?

His promise made Lu Chenfeng slightly nervous.

"Lu Chenfeng! Are you crazy! ?"

Not far away, Yin bei was still shouting. Why did their competition involve her?

And the prize was her... First Kiss!

Why, why, why! ?

"But, are you sure you want to use her as a bet?" Shi Mo's lips curled into a smile.

Lu Chenfeng hesitated for a few seconds.

He and Yin bei were childhood sweethearts, but the one she liked was Shi Mo..

Meeting his black eyes, Lu Chenfeng hesitated for a few seconds before saying, "I'm sure."

If he lost, he would be convinced and give up on Yin bei from then on.

If he won, it meant that he would not lose to Shi Mo. Would Yin bei notice him and give up on Shi Mo?

Yes, this was the gamble of his life. Victory and defeat depended on this one move!

"Lu Chenfeng! I want to break up with you!"

Yin bei struggled. Mu Dan, who was at the side, held her tightly so that she would not go crazy and rush to the field to beat him up!

"Bei, are you stupid? !" Mu Dan suddenly spoke and whispered in Yin Bei's ear.

Yin bei turned her head. The anger between her delicate brows could be clearly seen. "I'm Not Stupid, I'm going crazy!"

"What's crazy about? Don't you like Shi Mo?"

"So What?"

Mu Dan looked at her with narrowed eyes. "What if Shi Mo wins?"

"..." Yin bei paused.

If Shi Mo won, he would have to kiss her?

Uh..

“This is a rare opportunity that many girls would die for, yet you’re still shouting here? What’s there to shout about!” Mu Dan could not help but pinch her. She really did not know how lucky she was!

“Student Mu Dan, can you not be such an idiot! ?”

“How am I an idiot?”

“Are you willing to give your first kiss to someone else as a bet?”

“That depends on whether it’s the person I like.”

“Two people? How do you know that the one who wins is the one you like?” If Lu Chenfeng won, would she give her first kiss that she had kept for nineteen years to him?
