

## **Kiss Me 1681**

Chapter 1681 is this the good daughter you've raised?

"Mother, don't make grandfather angry anymore. Shi Mo is a guest!" Nian jiaojiao began to persuade her mother.

Ke Meiyun treasured her daughter very much, so she naturally listened to her words.

Glancing at Shi Mo, Ke Meiyun noticed that this man seemed to have an innate noble aura. could he really be a guest?

"It's very delicious. Thank you, Auntie."

At this moment, Shi Mo had finished a bowl of chicken soup and looked at Nian Yuqing with satisfaction. He pursed his lips as if he had turned a deaf ear to their conversation. All he saw was the bowl of chicken soup that Nian Yuqing had served him.

His calmness surprised Nian Yuqing.

Most people would not even be in the mood to eat in such a situation? Yet, he was so calm and composed. The heir of the Di zun group was indeed extraordinary.

Yin bei also turned her gaze to his face and the empty bowl that he had finished drinking.

Then, Yin bei stood up and smiled brightly. "Drink more if it's good!"

She smiled and scooped another bowl for Shi Mo..

Didn't she say that she was going to take her family's things as a favor? She was going to take it!

Her mother had clearly bought this local chicken early in the morning. It would be best if she drank it all up and didn't leave any for Ke Meiyun!

Seeing that half of the bowl of fragrant chicken soup was about to be removed, Ke Meiyun, who liked to drink chicken soup, couldn't help but pick up the bowl and prepared to scoop it up.

"Aunt, my mother bought this chicken and brought it here!"

"What?"

Hearing this, Ke Meiyun's hand that was holding the spoon could not help but stop. She frowned and looked at Yin bei as if she had heard a joke. "You mean, I have to ask your mother's permission to drink soup in my own house today?"

"You don't have to ask for permission, if you are Shameless." Yin bei said as she casually scooped a spoonful of soup into her mouth and swallowed it.

Her words made ke Meiyun tremble with anger!

"Little sister, is this the good daughter you've raised?"

These words were obviously meant to say that Yin bei had no upbringing. Nian Yuqing knew very well that although Yin bei was sometimes willful, she had never lacked upbringing.

“Sister-in-law, what Bei bei said is right. This chicken was indeed bought by me.”

“You!” Ke Meiyun was so angry that her face turned red and her neck was thick. Her angry eyes stared at Nian Yuqing, wishing she could chase the mother and daughter away from the dining table!

However, with the old master around, she couldn’t make this decision!

In the end, she was so angry that she had nowhere to vent her anger. “I won’t eat this rice!”

After putting down the bowl and spoon heavily, Ke Meiyun was so angry that she turned around and left the dining room!

“Mom!” Seeing her leave in anger, Nian jiaojiao, who was still sitting at the dining table, couldn’t help but call out to her.

If it were any other day, she might have chased after her mother. However, today, when she remembered that Shi Mo was still eating, she didn’t get up.

She would prepare some food for her mother later.

“Jiaojiao, your mother is just like that. Let Her be!” Nian Chengde said after taking a look at his granddaughter.

Nian jiaojiao turned around and smiled at Nian Chengde. “Grandfather, I know. It was mother’s fault. She shouldn’t have said such things to Aunt and cousin.”

Although Ke Meiyun was annoying, Nian Yuqing did not dislike Nian Jiaojiao in any way, and Yin bei naturally did the same. Perhaps it was because they had little contact to begin with.

Compared to her mother, Nian Jiaojiao never did not welcome the mother and daughter to stay here. Instead, every time she saw Nian Yuqing, she would call her aunt.

Chapter 1682 I like him!

“Jiaojiao, in a while, make some rice for your mother. Bei bei was so angry just now that she said that,” looking at her niece, Nian Yuqing couldn’t help but say.

Nian jiaojiao smiled. “I know. After I finish eating, I’ll bring some rice to Mom!”

“Okay.”

“Alright, let’s eat. Don’t stand on ceremony!”

After Ke Meiyun left, Nian Chengde felt that the atmosphere was more harmonious.

The lunch was happily finished.

In the afternoon, Shi Mo went to Yin Bei’s father’s grave. Seeing that it was getting late, he also planned to leave.

“I’ll send you off!” Seeing that he was going to leave, Yin bei immediately stood up and looked at the man in front of her with her pink lips pursed.

They would not see each other for two days!

Shi Mo glanced at her but did not say anything. Instead, he turned his gaze and bowed slightly to Nian Chengde and Nian Yuqing. "Thank you for your hospitality today."

"Drive carefully on the road." Nian Yuqing looked at him and could not help but exhort him.

Shi Mo nodded, then turned around and walked towards the door.

Yin bei naturally followed after him!

"Bei bei, I'll go with you!" At the side, Nian Jiaojiao suddenly grabbed onto Yin bei's arm, wanting to send Shi Mo off with her.

Looking at the hand that was intimately holding onto her arm, Yin bei was slightly stunned.

This was the first time that Nian Jiaojiao had made such an intimate move towards her, right?

She wanted to send Shi Mo off too?

As expected, she was also interested in Shi Mo?

No Way! How could she leave a chance for her love rival when she was sending her boyfriend off!

Looking at Nian jiaojiao, Yin bei's lips curled into a smile. "Cousin, Shi Mo is my classmate. I'll just send him off. I Won't trouble you."

After saying that, she removed her arm that was being held by Nian Jiaojiao and was about to catch up with Shi Mo..

However, Nian Jiaojiao did not intend to stop there. Instead, she leaned into Yin bei's ear and raised her hand to whisper into her ear, "I like him, so I want to give him a present!"

"..." Yin bei was completely stunned.

She had only seen Shi Mo for less than three hours, right? She actually liked him?

The key was that he was her boyfriend!

Yin bei suddenly realized that it was a huge loss not to mention the fact that she was dating Shi Mo in front of her family! Looking at the situation now, he was obviously her boyfriend. She only needed to say this to Nian jiaojiao, and she should not be interested in Shi Mo anymore. However, she could not say anything now!

How Sullen!

"Let's Go!"

Nian jiaojiao once again held onto her arm and pulled the stunned Yin bei to catch up with Shi Mo!

The moment she came out, she could not even whisper to Shi Mo..

As soon as she came out, she saw a limited-edition sports car. Nian jiaojiao's impression of Shi Mo deepened.

She had to chase this man!

“Call me when you go back.”

She sat in the driver’s seat and the car window slowly rolled down, revealing Shi Mo’s jade-like face.

Yin bei paused for two seconds before he realized what he meant. He nodded slightly but didn’t say anything.

The conversation between the two of them made Nian jiaojiao, who was standing at the side, seem to have noticed something.

They were classmates, but why did they have to give him a call when they were going back?

Nian jiaojiao looked at Shi Mo and then at Yin bei. The two of them looked at each other and did not notice Nian Jiaojiao’s observation of them.

The luxury sports car drove off. After seeing them off, Yin bei turned around and went back into the house.

“Bei bei!”

Nian jiaojiao followed.

Yin bei, on the other hand, said nonchalantly, “Huh?”

Chapter 1683 is there anyone that he likes?

“What do you think of Shi Mo?”

Hearing Nian Jiaojiao’s words, Yin bei could not help but glance at her.

What about Shi Mo? Of course, he was an impeccable and peerless man!

At least in her eyes, he did not have any flaws. Even if he did have flaws in other people’s eyes, those flaws were all advantages to her!

Because she liked him!

However, Yin bei did not answer Nian Jiaojiao’s question.

Initially, she felt that she had little contact with him and that her feelings for her were alright. However, when she heard that she liked Shi Mo, she did not want to have any contact with her anymore.

However, every time she treated her and her mother, she was alright. If she really acted very cold, it did not seem right?

After all, the current her did not know that Shi Mo was her boyfriend. If she hated her just because she liked Shi Mo, would that make her seem too petty?

One had to know that in the campus, the girls who liked Shi Mo could line up into several streets.

Thinking of the dilemma, Yin bei could not help but collapse her shoulders in frustration!

“Bei bei, what’s wrong with you?”

Seeing her daughter dragging her hand into the living room, Nian Yuqing could not help but be stunned.

What was wrong with her listless look?

Hearing her mother's voice, Yin bei suddenly raised her head and suddenly became energetic again!

"I'm Fine!"

She walked to the sofa and sat down. She picked up an apple and nibbled on it!

Nian jiaojiao seemed to have a lot of questions to ask her, so she sat down beside her!

"Bei bei, you and Shi Mo are classmates. Does that mean that he's also at Z University?"

Yin bei had just nibbled on an apple. It seemed that Nian Jiaojiao did not intend to end the conversation about Shi Mo..

Her grandfather and mother were still sitting on the sofa. She was not like before, so she did not directly ignore her question. She nodded and said, "Yes."

"If that's the case... then, does he have someone he likes?" Nian jiaojiao asked this question carefully. At the same time, she observed the subtle changes on Yin Bei's face.

Upon hearing her question, Yin bei's action of taking a bite of the apple stopped.

Someone he likes?

She was obviously trying to pry into Shi Mo's privacy so that she could make a move on him?

"UH... I think so!"

If that was the case, would nian Jiaojiao back out?

"I think so? Then you're not sure yet, right?"

Damn, even this wouldn't do?

Yin bei swallowed the apple in her mouth and said again, "It's not that I'm not sure. After all, this is his private matter, so I can't reveal it casually."

"That's true. I'll ask him myself another day!"

Ask him in person another day?

His family lived in City Z. was she going to make a trip to City Z for this question?

"Jiaojiao, you're asking about Shi Mo so much. Could it be..." seeing that his granddaughter was talking about Shi Mo, Nian Chengde seemed to have noticed something from her expression.

Could it be that this girl had fallen in love with Shi Mo?

However, in terms of Shi Mo's astonishing looks and his illustrious family background, there wasn't a single girl who wouldn't like him?

If Jiaojiao could really woo Shi Mo, then it would truly be an honor for the Nian family!

However, since Bei bei and Shi Mo were classmates, could it be that she hadn't fallen in love with him?

If one were to look at Shi Mo's attitude towards Bei bei, it would seem that their relationship was a little better. Perhaps, the chances of them being together would be a little higher.

However, one of them was his granddaughter, while the other was his granddaughter. Whichever one of these two managed to woo them, he would be delighted! It would all depend on their own luck!

Chapter 1684 I'm at the door

"Grandpa, it's good that you know. Don't say it out loud!" Nian jiaojiao seemed to be a little embarrassed to be exposed by her grandpa's words.

She glanced at Nian Chengde and was so embarrassed that she couldn't control herself. She stood up and walked to the second floor. "I'll go up First!"

Looking at his granddaughter, Nian Chengde chuckled and said, "This girl has never been so shameless in so many years."

Read rain fine slightly smile, but the line of sight can not help but glance at the daughter.

What jiaojiao just said couldn't be more obvious.

She likes Shi Mo. What About Bei bei? How would she feel?

— — \* \* \* — —

Spent two days in the house, The Last Day of Qingming Holiday, afternoon, Nian Yuqing and Yin bei also plan to return to Z city.

Nian Chengde had already prepared a car for the two of them in the morning to send them to City Z. However, Ke Meiyun had driven the car away ten minutes ago!

Although the Nian family was wealthy, they only had one car each. There was no extra car.

"Why did you drive away all my cars?"

After calling ke Meiyun, Grandpa Nian couldn't help but ask. The car he prepared in the afternoon was his black rolls-royce.

"Dad, my car broke down. It was towed to be repaired yesterday."

"But I was going to send the mother and daughter home!" Nian Chengde knew very well that his daughter-in-law probably drove the car away on purpose.

"But I've driven it away. Why Don't you give them more money for a taxi and let them call a taxi?"

"You —"

"Dad, forget it. I left the taxi driver's number when I came here. I'll call him later."

"I don't know what to say to this Meiyun."

"It's okay. It's not like we can't go back." Looking at her father, Nian Yuqing said, "Dad, you're not feeling well. Don't worry about some things. They're not good for your health."

“That’s right, Grandpa. As long as you take good care of yourself, mom and I will be at ease!”

In the end, Nian Chengde lowered his head helplessly.

After a while, he raised his head again. “Wait a moment. I’ll call a car.”

“It’s really not necessary, Dad!”

“It’s fine. Wait!”

Although there were no cars at home, there were still a few cars in the company that were idle.

As he spoke, Nian Chengde picked up the phone again.

At this moment, Yin bei’s phone rang.

Looking at the caller ID, she paused for a moment before picking it up. “Hello?”

“I’m at the door.”

“...”Yin bei paused again, then walked to the window with her phone. As expected, she saw a red Bentley parked at the main entrance.

“How did you...”

“I’m here to pick you up.”

“Wait for us!”

Yin bei was extremely happy and hung up the phone!

“Mom! That... Shi Mo is here to pick us up!”

Nian Yuqing was also very surprised by her daughter’s words.

However, the more she was like this, the more certain she was that her daughter really liked Shi Mo. he even told her when they would leave.

At this thought, Nian Yuqing did not say anything. She might as well get into Shi Mo’s car and save her old father some trouble.

“In that case, let’s go.”

The mother and daughter picked up their things and were about to leave.

“Dad, in that case, we’ll leave first. You Don’t have to call anymore.”

Shi Mo was Shi Yuting’s son, the only heir of the Di Zun Group. Why would he personally drive over to pick up the mother and daughter? The relationship seemed to be better than he had imagined?

Chapter 1685 don’t think too much about it!

“Bei bei, you and Shi Mo...”

“Shi Mo and I are just classmates. Hehe, it’s just that our relationship is very good, so he came to pick us up. I didn’t know he was coming, so don’t think too much about it!”

Hearing Nian Chengde’s words, Yin bei interrupted him anxiously.

“Grandfather, we’ll leave first. Take good care of yourself!”

With that, she turned around and fled as fast as she could!

Nian Yuqing saw through her daughter’s thoughts. The more she acted like this, the more it proved that she was guilty.

“Father, we’ll be leaving first.”

Nian Yuqing looked up at her old father and was about to turn around and leave with her bag.

However, Nian Chengde could not help but call out to her, “Yuqing, Is This bei Bei and Shi Mo really just classmates?”

Hearing her father’s words, Nian Yuqing was slightly stunned for half a second before replying, “That’s what Bei bei said.”

Nian Chengde nodded, but he still had some doubts in his heart.

If bei bei could be taken in by the heir of the Di Zun Group, then the mother and daughter wouldn’t have to worry about their future lives.

It was just that the life in this wealthy family was all about being of equal status. The current Bei bei was no longer the daughter of the deputy director. Would the people of the Shi family accept Bei bei?

Uh, he seemed to have thought too far ahead. He still hadn’t figured out whether Bei bei and Shi Mo had that kind of relationship.

Thinking of this, Nian Chengde couldn’t help but smile. He looked up at Nian Yuqing and said, “Go. Be careful on the road. Remember to give me a call when you reach City Z.”

“Okay.”

Nian Yuqing smiled slightly and turned to walk towards the main door.

Sitting in the Red Bentley, Yin bei had already entered the passenger seat!

“Shi Mo, I’m sorry to have troubled you.”

Looking at Shi Mo in the driver’s seat, Nian Yuqing in the back seat could not help but speak to him.

“There’s no need.”

Looking at Nian Yuqing through the rearview mirror, Shi Mo responded softly and started the car to drive away from the Nian residence.

Along the way, Yin Bei and Shi Mo chatted happily and occasionally turned around to look at the beautiful scenery outside the car window.

It was the season of spring and the blooming of flowers. The scenery along the way was extremely beautiful.

After a two-hour drive, they arrived at their residential area at 6:10 pm.

“Let’s eat before we leave.”

When they reached home, Nian Yuqing saw that the sky was already dark, so she wanted to invite Shi Mo down for dinner.

“No, next time. I still have some matters to deal with today.”The 20-year-old him had already started to deal with some matters in the Overlord realm.

There was originally a meeting today, but it was delayed because he went to the north of the city.

“How about this, next time then.”

Nian Yuqing did not force him. She knew that the young people must have their own matters to take care of.

Shi Mo nodded. “Then I’ll take my leave first.”

Putting down the bag in his hand, Shi Mo turned around and left.

“I’ll send you off!”

Yin bei hurriedly caught up with his footsteps and the two of them went downstairs together.

Looking at the two of them leaving, Nian Yuqing did not know whether she should be happy or worried.

The good thing was that Shi Mo was really not a bad boy. If she could entrust her daughter’s life to him, she would naturally feel at ease. The bad thing was that this relationship, which was not compatible with each other, would really have a good result in the end? If not, what would bei bei do?

Thinking of this, Nian Yuqing couldn’t help but Sigh. She turned around and brought her simple luggage back to her room.

Downstairs.

“It’s already night time. What other matters do you have to deal with?”

“Matters in the company.”

“... you’re still studying, yet you have to deal with matters in the company?”

At the door, Shi Mo stopped and turned to look at her. “An accident?”

Chapter 1686 we... are dating

“Yes!”She thought that these things would only start after he graduated!

“Last time, didn’t you see it in charm of night? That was also considered official business.”Looking at her, the corners of his lips curled up, forming a slight arc.

Yin bei was stunned.

Last Time?

“You’re talking about that time when you saved me?”

He didn’t say anything and just looked at her affectionately.

Yin bei suddenly understood.

Yes, he seemed to have said that he didn’t go to charm of night because of the sorority, but to help his father deal with some matters!

“But it’s already so late, you still have to deal with official matters?”

It seemed that the heir wasn’t as relaxed as they thought. It was already dark, but he still had to work overtime.

“Mm.”

“Aren’t you free in the afternoon? Why Don’t you finish it in the day?”

“Because that meeting will be at seven o’clock at night.”

Uh, seven o’clock?

Looking at the time, it was almost 18:20. It should be just in time to rush over.

However, there was clearly time in the day, so who would deliberately schedule the meeting at night?

Yin bei thought about it and felt that something was wrong.

Could it be..

She suddenly turned her head and stared at that handsome face. Could it be that he had delayed the meeting because he wanted to go to the north of the city to pick her and her mother up?

Could it be like this?

Looking at him, Yin bei was stunned.

If she asked him directly, wouldn’t it seem like she was overestimating herself? If it wasn’t, wouldn’t it be very awkward?

Thinking about it, Yin bei decided to forget about it.

“I’m leaving. Rest early.”

“Okay!”

She nodded.

The familiar scene was still the same as before. Shi Mo raised his hand once again and cupped her face. He planted a deep kiss on her lips before he could bear to leave.

Watching him disappear around the corner, Yin bei also turned around and went upstairs.

When she returned to her residence, she heard her mother cooking in the kitchen. She simply tidied up her things and went to the kitchen to help Nian Yuqing!

“Mom, let me help you!”

She walked to the side of the sink and started to help wash the vegetables.

“Oh right, Dandan called just now and said that she won’t be back for dinner,” Nian Yuqing suddenly said while cooking.

Yin bei did not turn her head and continued to wash the green peppers.

“Is that so? This guy, whether it’s school or vacation, he’s always with haoyu!”

“Haoyu is her boyfriend, right?”

“Yes, the two of them are very close!”

“What About You?” Nian Yuqing followed the topic and suddenly asked.

Yin bei paused in her actions of washing the vegetables. She was a little surprised by her mother’s sudden question.

“Me?” She turned her head to look at her mother, feeling a little guilty.

Nian Yuqing stared at her. “You and Shi Mo aren’t classmates, right?”

Yin bei lowered her eyes. As expected, she had waited until her mother took the initiative to find out?

“Why would you ask that?”

“Shi Mo is older than you. Logically speaking, he shouldn’t be classmates with you.” Such a smart Shi Mo would never repeat his grade, nor would he study late. No matter what, it was impossible for him to be classmates with her.

Logically speaking, he should be in his second year, right? Or perhaps he should be in his third year or fourth year.

After hearing her mother’s words, Yin bei suddenly came to a realization.

She had never thought about this problem.

With Shi Mo’s intelligence, it was indeed impossible for him to study a year later than her.

“We... are dating.”

As expected.

Looking at her daughter, Nian Yuqing’s brows revealed a hint of worry.

“Mom, don’t you like me dating too early? Or do you think Shi Mo is bad?”

“How could Shi Mo not be good? Whether it’s his character, appearance, or his illustrious family background, they are all impeccable.”

Chapter 1687 he and you, people from two different worlds

“Then do you think that I fell in love too early?”

“You’re already nineteen, there’s no such thing as early or late.”

“Then why do you look so worried?”

Nian Yuqing raised her eyes and stared at her daughter for a long time before finally speaking out the worry in her heart.

“Bei bei, do you like Shi Mo very much?”

Although Yin bei was a little shy from being asked this question, there was nothing for her to be shy about in front of her mother.

She nodded her head. “MHM!”

“Then have you ever thought about it? What if you like him the most and you’re facing the prospect of losing him? Would you be able to bear it in your heart?”

Yin bei was taken aback by her mother’s words.

Losing Shi Mo? How was that possible? Why did she feel that way?

“Mom, he’s fine. Why would I lose him?”

In the past, she had only felt that she might not be able to woo Shi Mo, but ever since they started dating, she had always felt that they would be together forever.

Shi Mo’s thoughts should be the same as hers, right?

“Because his identity is different from ordinary people.”

Yin bei was stunned for a few seconds, still somewhat at a loss.

“Are you worried that a rich person like him might only treat relationships as a game?”

“No, mother has seen how good Shi Mo treats you. What I’m worried about is...”Nian Yuqing hesitated. Although she had never experienced such things in a wealthy family, in movies and news, those who ended up in tragedy.., there were countless of them!

“Are you worried that Shi Mo’s family won’t be able to accept my current status?”

Seeing that her daughter finally understood, Nian Yuqing nodded.

Yin bei had never thought about this problem. Ever since she was young, as long as it was something she liked, she would be brave enough to pursue it. This was because only by persevering could the thing you liked belong to you.

She had also liked Shi Mo for more than ten years. She had only thought of how to woo him, but she had never considered that they were from two different worlds.

The abuse of relationships by wealthy families was not just a matter of movies. Just the romance novels she had read had many tragic endings.

Could such a melodramatic plot really happen to her?

Thinking of this, Yin bei could not help but feel a knot in her heart.

...

After the Qingming Festival, it happened to be Monday.

When she arrived at school early in the morning, Yin bei appeared rather listless.

Last night, she had been thinking about whether she and Shi Mo would end up together. As a result, she only went to bed at what time in the morning, and even her dark circles were showing!

The entire morning, she wasn't in the mood to listen to class. Instead, she spent the entire morning in a daze. It wasn't easy for her to last until the end of class!

Just as she walked out of the teaching building, her phone rang.

It was a message from Shi Mo: "Canteen, let's eat together."

Looking at the message on her phone, Yin bei pursed her lips and walked towards the canteen.

Just as she entered, she saw that Shi Mo had already bought a meal. He was sitting there, and his gaze happened to be looking at her.

Looking at the man not far away, Yin bei raised her hand and pointed behind her. Her hand gesture seemed to say: I'll go buy a meal.

Just as she was about to turn around, the man pointed to the opposite side of her plate.

Yin bei looked over and saw that there were two sets of lunch on the dining table.

He bought it for her?

Looking at the food and him, she walked over.

"You bought it for me?"

Walking in front of him, she glanced at the other set of lunch in front of him and asked.

"Yes."

She smiled very happily and then sat down opposite him. "Thank you!"

"Look, isn't that Shi Mo and Yin Bei? They're really dating, I'm so envious..."

Just as the two of them were having lunch, someone with sharp eyes spotted them not far away.

Chapter 1688 the appearance of Nian Jiaojiao

"Yeah, I'm so envious, but they're quite a good match."

“Say, why doesn’t this Yin bei participate in the school Belle Selection?”

Ever since ye Xiaomeng left z university, her title as the school Belle had fallen through. Initially, she thought that Yin bei would participate in this selection, but she still did not see her name.

“She keeps a low profile!”

“That’s right, no wonder Shi Mo only likes her!”

“Let’s eat, your Prince Charming is already taken, your dream should be over!”

“Dreams still have to come true, what if it comes true!”

“Come true? Look at her taking the initiative to buy food for her girlfriend, do you think your dream still has a chance to be seen?”

“Aiya, she knows that reality is impossible, so she’s just daydreaming. Why do you have to make it sound so cruel, it’s very annoying!”

“This is called the cruel truth!”

“Yes! Your servant obeys!”

Not far away, the two girls continued to eat their lunch while Shi Mo and Yin bei continued.

After lunch, the two of them planned to go for a walk again.

“Bei bei!”

After taking a few steps, a familiar voice suddenly came from behind!

For a moment, Yin bei thought that she had heard wrongly. This voice was..

She turned her head in shock and saw Nian jiaojiao walking over from not too far away!

This was Z University, why was she here! ?

Yin bei was rather surprised by Nian Jiaojiao’s appearance!

“Cousin, you...”

Nian jiaojiao walked over and looked at Yin bei with a smile. “You’re very surprised, aren’t you?”

Yin bei paused for half a second. “Er... A Little.”

“I transferred schools!”

“... transferred schools?”

“Yes!”

“So you’re also here at Z University Now! ?”

“That’s right!”

This Nian Jiaojiao really liked shi mo more than usual. No wonder she said she wanted to ask him personally last time. It turned out that from that day onwards, she had already planned to transfer schools to Z University!

“Hehe...”other than a few dry laughs, Yin bei really didn’t know what to reply.

“Bei bei, you have to take care of me in the future, because I’m not very familiar with this place.”

“Uh, sure...”

Yin bei really didn’t want to answer this ‘sure’.

Then, Nian Jiaojiao’s gaze fell on Shi Mo’s face.

“Shi Mo! You still remember me, right?”

Shi Mo glanced at her, but didn’t speak. It was hard to tell whether he remembered or not.

However, Nian jiaojiao understood that he had tacitly agreed!

“Where are you guys going?”

“UH, well, I have something to do with Shi Mo, so we’ll be leaving First!”As she said that, Yin bei hurriedly grabbed Shi Mo’s arm, as if she did not want Nian Jiaojiao to look at him anymore! “Cousin, if you have anything, just call me! Let’s Go!”

As her voice drifted further and further away, even though Nian jiaojiao wanted to say something, they were already far away, so she could only give up.

Since they were already at z university, there would be plenty of time to chase after Shi Mo from now on. There was nothing to be afraid of.

After dragging Shi Mo along for a while and making sure that Nian Jiaojiao did not follow, Yin bei finally stopped and let out a few breaths.

“Why are you running?”

Seeing her panting, Shi Mo could not help but frown.

Yin bei glanced at him. “My cousin likes you, right?”

“So You’re Jealous?”

“...”why was it such logic?

“I’m Not!”

“Then why are you running?”

Yin bei paused and was speechless.

Sometimes, this man’s train of thought was too clear!

Chapter 1689 weekend skiing

"I just... Don't want our afternoon to be disturbed!" Yin bei admired herself for actually finding such an impeccable reason!

In that case, he should have nothing to say, right?

"That's true." Sitting down on a patch of green grass and bathing in the sunlight, Shi Mo raised his head and looked up at the cloudless sky.

Yin bei also sat down and raised her head to admire the same piece of blue sky with him.

For Yin bei, the most beautiful thing was at this moment.

"Oh right, you said last time that you wanted to go skiing this weekend. My good friend wants to go too."

Hearing this, Shi Mo turned his face slightly and his deep eyes met hers. "You can decide this yourself."

"Won't it be troublesome?"

"No."

Yin bei smiled sweetly. Thinking about the skiing event this weekend, she couldn't help but look forward to it!

...

In the afternoon, after class.

Although there was no longer any threat from Qi Ming and Ye Xiaomeng, Shi Mo's daily pick-up and drop-off was still the same as before.

Yin bei had just walked to the school gate when she saw the familiar car parked in its usual spot.

She seemed to be used to being picked up and dropped off by him, and she enjoyed his care very much.

As she approached the passenger door, Yin bei reached out to pull it open.

Suddenly, Nian Jiaojiao's voice came from behind her.

"Bei bei!"

Hearing this familiar voice, Yin bei's hand that was touching the car door paused. She had a bad feeling about this.

Wasn't this Nian Jiaojiao too haunting? Other than when she was in class, she would appear behind her for no reason!

But no matter how much she hated her, what could she do? After all, she was her cousin. It didn't make sense for her to pretend to be a stranger.

If it weren't for the fact that she and Ke Meiyun had different temperaments, she wouldn't have bothered with her.

Yin bei turned around and saw Nian jiaojiao walking towards her. She chuckled.

“Cousin,” she called out politely.

“Bei bei, are you going back?”

Yin bei looked up, feeling that her words were nonsense.

School was over, why wouldn't she go home?

“Yeah.”

Nian jiaojiao couldn't help but glance at the luxury car behind her, and naturally noticed Shi Mo in the driver's seat.

He actually personally picked up and drove Bei bei?

Ignoring her speculations, Nian jiaojiao's gaze fell on Yin Bei's face again, and she smiled warmly. “Just nice, I also want to visit Auntie, and also see how your place is like!”

“...” was she really going to visit?

She had clearly seen that her gaze earlier had only made this decision after seeing Shi Mo..

Yin bei felt that Nian Jiaojiao's drunken intentions were not due to alcohol!

“UH, there's no need to visit. The place is pretty good too.”

Being tactfully rejected by her, Nian jiaojiao expressed her sadness and her expression suddenly darkened.

“Bei bei, do you... not like to interact with me? Is it because of my mother?”

Her sudden words stunned Yin bei.

She clearly had ulterior motives, but why did it seem like she was being petty in the end?

Damn it!

“No, I just feel that we're not outsiders, so there's no need to be so polite.”

“So, you don't hate me?”

“...” how could she say that she hated him if he asked her directly?

Yin bei chuckled, but she didn't put on a smile. “Why would I? You're my cousin!”

“Then, can I go back with you?”

How could she say no?

“Uh, there's nothing that I can't do. Let's go.” Since she had already said so, how could she have a second choice.

After saying that, Yin bei turned around and opened the car door. She sat in the passenger seat.

Chapter 1690 what did you say to him?

Naturally, Nian Jiaojiao sat in the back seat.

Along the way, Yin bei did not speak. Fortunately, the journey was very short, and they arrived at the residential area in less than ten minutes.

“Then we’ll go up first. Drive carefully.”

When they arrived at the apartment building, Yin bei looked at Shi Mo, showing her reluctance and concern.

“Okay.” Staring at her, Shi Mo responded softly, then turned around and left.

As his figure was getting further and further away, stretched by the Red Sun, Nian jiaojiao, who had originally planned to go upstairs with Yin bei, suddenly grabbed Yin bei’s hand. “Bei bei, I have a question to ask Shi Mo. Wait for me!”

After saying that, without waiting for Yin bei to react, Nian Jiaojiao had already turned around and chased after Shi Mo’s retreating figure.

Yin bei stood rooted to the ground, staring blankly as Nian Jiaojiao’s figure got closer and closer to Shi Mo..

What did she want to ask?

Looking at the two figures standing in the distance, Yin Bei’s heart suddenly stirred.

Was Nian jiaojiao going to ask him if there was anyone he liked? How would Shi Mo answer then?

Not long after, Nian Jiaojiao walked over again.

Then, Shi Mo’s figure disappeared.

In the elevator, Yin bei couldn’t help but ask Nian jiaojiao, “Cousin, what did you say to him just now?”

Nian jiaojiao looked up and glanced at Yin bei, but she made a shy expression, which made Yin bei confused.

“Nothing...” Nian jiaojiao lowered her head, and her expression clearly said that they had something just now!

What did she mean?

She didn’t want to say, and Yin bei didn’t want to ask anymore, so as not to embarrass himself.

The two entered the living room, and Nian Jiaojiao’s arrival added another pair of chopsticks to tonight’s dinner.

Even Mu Dan, who rarely ate dinner at home, was rarely at home today.

At the dining table, Mu Dan glanced at Nian jiaojiao. Although Yin bei’s cousin was quite cute, she did not like her no matter how she looked at her.

She felt that her innocent and cute appearance was fake!

“Jiaojiao, eat more.”

Nian Yuqing did not find Nian Jiaojiao annoying. Instead, she was very friendly to her.

After all, when she was in the Nian family, she did not not welcome the mother and daughter. Furthermore, she came here alone and personally came to visit her aunt. If she did not treat her well, sister-in-law would hear about it, it would probably lead to unnecessary disputes. She thought that if it could be avoided, she would try her best to avoid it!

“Thank you, aunt. Your dishes are still so delicious!”

Nian jiaojiao’s mouth was very sweet. No wonder the elders liked her!

Nian Yuqing smiled and said kindly. “Eat more if you like it.”

“Okay!”

Yin Bei and Mu Dan looked at each other, not knowing what to say.

Mu Dan really did not like Nian Jiaojiao’s pretentious look. She could not help but change the topic.

“Dear, have you told Shi Mo about what I Told You Yesterday? Can I go to the ski resort with you guys?”

Yin bei picked up a favorite noodle shrimp and took a bite. Then she looked at Mu Dan and said, “I told you, we’ll go together this weekend!”

“Really?”

“Yes!”

“Wow, I’m looking forward to it!” Mu Dan’s family was not very rich, so she was looking forward to this trip with the young master of a wealthy family!

On the other side, Nian Jiaojiao heard about Shi Mo again from the conversation between the two of them.

“Bei bei, what did you say about skiing just now?”

Hearing this sudden voice, Yin bei’s mouth that was chewing on food suddenly stopped. She had a bad feeling again.

“Nothing!”

It was best not to say this out loud. If she knew that they were going skiing with Shi Mo, she would definitely want to get involved again!
