

Kiss Me 1701

Chapter 1701 anxiously searching (1)

Not Here..

Hearing Shi Lian's reply, Shi Mo's heart thumped and he became more and more uneasy.

If she was still in this ski resort, it was impossible for her to not be in the service area.

And on the other side, Shi Lian seemed to have heard the clues in these words.

Brother would call to ask about Yin bei's whereabouts. Could it be that they were not together?

"Brother, Yin bei is missing?"

"Yes, I can't get through to her cell phone either. Tell Jing Han and Mu Dan to split up and look for her!"

Shi Lian was also a little flustered. "Alright, I got it!"

After saying that, the two of them quickly hung up the phone.

"Mu Dan, Yin bei is missing!"

Hearing that, Mu Dan's eyes widened.

Missing? How could a person who was perfectly fine be missing?

Although Yin bei looked like a carefree person, she was very smart. How could a 19-year-old like her get lost?

For some reason, Mu Dan suddenly turned her head and glared at Nian jiaojiao with her sharp eyes!

Nian jiaojiao was surprised by her glare. "What do you mean by that look?"

Mu Dan waited for her. "If anything happens to Bei, I'll blame you for this!"

Nian Jiaojiao was a little angry that she was suddenly charged with this crime. She was about to speak, but Mu Dan had already dragged her boyfriend and quickly went to look for someone!

"Hurry up and look for Bei bei!"

"Let's split up. Maybe it's in the ski resort."

Yin bei had just learned how to ski. He might have fallen and fallen in the snow. Because the ski resort was very big, no one had discovered him yet.

Seeing the figures disappear in front of her, Nian Jiaojiao hesitated for a long time before she finally left.

"Yin bei!" Mu Dan shouted Yin bei's name as she looked at the endless ski resort.

After half an hour of searching, Yin bei was still nowhere to be seen. Her phone was still disconnected.

"Yin bei!"

“Hello, have you seen a girl wearing a red ski suit? She’s not wearing a safety helmet. She’s very tall and very beautiful!” Shi Lian grabbed a person who was resting and asked anxiously.

“No!”

Where exactly is she..

“This is an emergency announcement: due to the Storm Tonight, please evacuate the ski resort before 17 o’clock and return to the hotel to avoid unnecessary injuries!”

Just as everyone was busy looking for Yin bei, the ski resort’s broadcast suddenly rang.

However, when they heard this emergency announcement, Shi Mo and Shi Lian became even more worried.

There was a storm tonight? In other words, they had to find Yin bei before 5 o’clock. Otherwise, the consequences would be unimaginable!

Shi Lian raised her hand and looked at the time on her watch. It was already 16:45!

That’s right, she could send a message to Yin bei through the broadcast.

Thinking of this, Shi Lian quickly left the ski resort and went to the broadcast center.

Very quickly, a message for a missing person was broadcasted.

“We interrupt this broadcast with an urgent missing person notice: Miss Yin bei, please come to the broadcast room immediately after hearing the broadcast. Your Friend is waiting for you here. “If anyone sees a miss wearing a red ski suit, please contact us as soon as possible!”

Only ten minutes had passed, and the broadcast certainly did not receive any feedback.

At Five o’clock Sharp, the sky had gradually darkened, and the staff of the ski resort had begun to clean up the ski resort and evacuate the crowd.

In an instant, the huge ski resort was deserted, and it was a vast expanse of whiteness.

And looking out like this, there was no sign of Yin bei.

Chapter 1702 Anxious Search (2)

Shi Lian, Mu Dan and the rest were also forced to return to the hotel. Only Shi Mo was still searching with the staff.

“Miss, why are you still here? The storm is coming soon, hurry back to the hotel!”

While cleaning up the scene, the staff saw Nian jiaojiao walking out from the side of the ski resort and could not help but feel a little surprised.

Shi Mo was not far away. When he heard the word ‘miss’, he thought he was talking about Yin bei. He quickly turned his head and saw Nian jiaojiao.

When he saw the position behind her, Shi Mo narrowed his eyes.

If he remembered correctly, the position she had just walked out of should be a place that was forbidden. Why would she go there?

Seeing Nian jiaojiao, the staff member suddenly remembered. "Are You Miss Yin?"

"I'm not. I'm her cousin."

"How about this, you should hurry back to the hotel. The storm is coming soon." At this time, he could feel the cold air approaching, and the wind was getting stronger.

"Um, haven't you found my cousin, Yin Bei?"

Just as the staff member turned to leave, Nian Jiaojiao suddenly stopped him.

"Not yet, I'm looking for her."

Nian jiaojiao listened and did not ask further. Instead, she hesitated for a few seconds before turning to leave the ski resort and walking towards the direction of the hotel.

After she left, Shi Mo's gaze turned towards the place where she had just walked to. A few seconds later, he strode over.

"Hey, sir! You Can't Go There! It's Dangerous!"

Shi Mo's dark eyes glanced over slightly. "What if my girlfriend is lying there?"

With just one sentence, the staff member was rendered speechless.

But was it possible? Such a large sign clearly said the word 'forbidden'. Who would be foolish enough to continue walking forward?

"But..."

Looking at Shi Mo's back as he walked away, the staff member was somewhat worried for him.

In the past, that place could have been used for skating. However, an avalanche suddenly occurred last year, causing people to be buried deep in the snow. From then on, it was banned to prevent any accidents from happening again.

However, as a staff member, it was not good to let Shi Mo go alone. Furthermore, the storm was about to arrive. It was too dangerous, so the staff member called for a few people to go together with Shi Mo..

"Sir, you really can't go any further. There's a steep slope ahead, so it's very easy to slip down."

Shi Mo glanced at the 'no skating' sign and looked at the ground. There were quite a number of skis marks on the ground, but most of them only went back to where he was standing.

It was probably because they saw the sign that they did not dare to go forward.

However, there were clearly a few skis in front of them. Because it was too messy, it was impossible to distinguish them.

Looking at the few skis, Shi Mo ignored the staff member's words and moved forward again.

It was already 5:30 pm in the evening. Due to the arrival of the storm, the sky was already dark. Other than the white snow, there was almost nothing else.

“Sir!”

Seeing him walking towards the steep slope, the staff member hurriedly pulled him back. If he continued forward, he might slide down!

It was easy to slide down, but it was very difficult to climb up.

Because the slope was too steep, it would be extremely difficult to walk up from the bottom!

Shi Mo walked to the edge of the slope and looked down. In the white snow, although his vision was dim, he could clearly see traces.

Following the traces, he continued forward. At the bottom of the landslide, there was obviously an ‘unknown object’ lying there!

“Yin bei!”

Without even thinking for a moment, Shi Mo rushed down!

Chapter 1703 questioning Nian Jiaojiao!

As he was not wearing a snowboard, he could only sit on the snow and slide down.

“Sir!”

Seeing that he was sliding down at a rapid speed, the staff member immediately turned his head and said to another person, “Hurry up and get the rope!”

“Yin Bei?”

Very quickly, he slid to the lowest part of the slope and saw Yin bei lying there. Her fair face was red from the cold, and there was a wound on her forehead. Her blood had also frozen solid.

Looking at Yin bei in his arms, Shi Mo was extremely anxious.

“Yin Bei?” He patted her face, trying to wake her up. However, after a few pats, Yin bei did not react at all.

At this moment, the wind was getting stronger, and the snow on the ground was being blown up. It was like a sandstorm, quickly blurring one’s vision.

“Not good, the storm is coming. We have to hurry back!”

At this moment, a few staff members slid down and helped Yin bei up from the ground.

However, it was a little difficult to bring her up from the unconscious state.

Shi Mo stood up and carried Yin bei on his back. Then, he held onto the rope and climbed up step by step.

At the same time, in the hotel.

Shi Lian, Mu Dan, and the rest were all gathered in a room, waiting anxiously.

Outside the window, bean-sized raindrops hit the glass with the wind, making a worrying sound.

The sky was already completely dark, it would be even harder to find Yin bei!

“Was it you? Did you do something to Yin Bei? !”

In the quiet room, Mu Dan, who was sitting on the sofa, suddenly stood up and roared at Nian Jiaojiao!

Nian jiaojiao was clearly stunned by her roar, and her clear eyes seemed to be filled with innocence.

“Me?” She pointed at her nose. She had been suspected since the afternoon.

But what right did mu Dan have to say that she had done something to Bei bei?

“Who else could it be other than you! ?” Mu Dan was furious. “Yin bei isn’t stupid. She wouldn’t have gotten lost. You must have done something to her!”

“Mu Dan, Yin bei and I are cousins. Although we don’t have much contact, what reason do I have to do that to her?”

“Isn’t the reason very simple?” Mu Dan said calmly. “You like Shi Mo!”

Her feelings of love were openly expressed by her. In an instant, Nian Jiaojiao was so embarrassed that she couldn’t control herself. She was extremely embarrassed.

However, there was nothing wrong with liking someone.

“That’s right. I do like Shi Mo. How many girls would not like a man like him? Don’t tell me that just because I like him, I’m going to harm my cousin?”

Mu Dan felt that Nian jiaojiao was pretending when she called him ‘cousin’.

She did not plan to let her come in the first place. It was all because of Shi Mo. she would follow him no matter what!

“Cousin? If you really treat Yin bei as your cousin, you won’t like the man she likes!”

In an instant, Nian Jiaojiao was speechless.

She liked Shi Mo, and she could not help it!

“You were clearly behind us in the competition this afternoon, but you suddenly disappeared. When I see you again, it will be at the finish line. Do you dare to say that you didn’t do anything to Yin bei during this period?”

“No!” It was a resolute answer!

After saying that, Nian jiaojiao continued to explain, “I’m very good at skiing. At the beginning, I was indeed behind you, but in order to catch up with Shi Mo and Yin bei, I slid to the front and wanted to catch up with them. However, I didn’t see the two of them until the finish line.”

Chapter 1704 Nianzhi Jiaojiao swears!

Hearing this, Mu Dan began to doubt.

Actually, thinking about it carefully, unless it was a super shortcut, it would be too difficult to go around the snowfield and be the first to reach the finish line.

“Then swear that you haven’t seen Yin bei during this period of time.” Mu Dan stared at Nianzhi Jiaojiao with her Phoenix eyes, still having doubts about her words.

“You!” Being pointed at her nose to make her swear, Nian Jiaojiao was the daughter of the Nian family, but mu dan actually pointed at her nose and said, “Mu Dan, don’t Push Your Luck!”

“If you don’t want others to know, don’t do it yourself. Since you haven’t done it before, why are you afraid of swearing?”

She wasn’t afraid of swearing, but being instructed by Mu Dan, who was inferior to her, made her feel that her dignity had been trampled on!

But in order to prove her innocence, Nian Jiaojiao had to compromise!

She raised three fingers. “I swear that I didn’t see Yin bei during that time! Otherwise, I will die a horrible death!”

After swearing, Nian jiaojiao could not help but glare back. “Is that alright! ?”

At this point, Mu Dan was completely satisfied.

But since it wasn’t Nian jiaojiao, could it really be that Yin bei had gotten lost on his own? Logically speaking, it didn’t exist.

That Fellow, Yin bei, was very clever. How could she lose her way so easily.

Was she injured?

But even if she was injured, she knew how to call for help? Could it be... that she was kidnapped! ?

Thinking about how her cell phone was still disconnected, Mu Dan couldn’t help but suspect that Yin bei might have been kidnapped by illegal elements!

“Kacha.”

At this moment, the door suddenly opened and Shi Mo carried the unconscious Yin bei into the room.

Seeing the two of them return, everyone in the room, including Nian jiaojiao, went up to welcome them!

“Yin bei!”

“Bei!”

“Brother, what happened to her? Her forehead is injured.”

“Go and find a doctor!” Shi Mo said to Shi Lian as he carried Yin bei to the big bed.

“Alright!” Shi Lian nodded repeatedly when she saw the injury on Yin bei’s forehead. Then, she quickly turned around and left the hotel room!

This place was far away from the city, and the storm outside was still mercilessly raging. It was obviously impossible to go to the city hospital, but there should be a doctor in the resort hotel.

“Oh my God...” Mu Dan’s face was filled with disbelief when she saw the dried blood on Yin bei’s forehead. “How did she get injured...”

“Go get some hot water. Also, turn the heat up to the maximum!”

In an instant, those who got hot water got hot water, and those who got heat got heat!

Not long after, the doctor arrived.

“How is she?”

After the examination, Shi Mo looked at the Doctor and asked.

The doctor put away his stethoscope. “Other than her forehead, there are no other external injuries. She should wake up soon.”

“Then, is her head okay?” Mu Dan asked anxiously.

“It’s fine. She must have hit a rock buried in the snow when she was rolling down. That’s why she fainted. In addition, the weather is cold, so her blood can’t circulate quickly. She should wake up when she’s warm.”

Hearing the doctor’s words, everyone heaved a sigh of relief.

After the Doctor left, Yin bei really woke up not long after.

“Bei, how do you feel? Does your head hurt? Is there anything else that’s uncomfortable?”

Yin bei had just opened her eyes when Mu Dan, who was standing by the bed, started to chatter non-stop!

Yin Bei’s head hurt a little, and she looked at Mu Dan resentfully.

“It didn’t hurt at first, but it hurt a little when I heard your voice.”

Mu Dan paused for a moment, then knocked her on the head. “You really have no conscience, do you know how worried I was when you went missing?”

Chapter 1705 There was another person

Yin bei grinned. “Thank you, Darling!”

Only then was mu Dan satisfied.

Then, Yin bei looked at Shi Mo and suddenly thought of the competition!

“Oh right! What was the result of the competition! ?”

Seeing that she was in good spirits, everyone heaved a sigh of relief for her.

As for the result of the competition..

“You got lost. The first place goes to your cousin,” Shi Lian said.

Hearing this, Yin bei looked at Nian jiaojiao, his eyes filled with complicated emotions.

Was she the one who pushed her?

Nian Jiaojiao was also confused by her strange gaze.

“Bei bei, you...”

“How did you get out of there?”

A warm voice suddenly sounded. Everyone in the room could not help but focus on Shi Mo’s face.

Yin bei’s thick eyelashes drooped down at his question.

“I went the wrong way and was just about to go back when someone suddenly pushed me down.”

As soon as she said this, everyone in the room immediately widened their eyes!

“Nian jiaojiao, it’s really you!” Mu Dan, who had just calmed down not long ago, exploded once again, pointing at Nian Jiaojiao’s nose and asking!

For a moment, Nian Jiaojiao was at a loss for words.

“It’s not me!” As she said that, her gaze turned towards Yin bei. “Bei bei, even you suspect me?”

That gaze just now was clearly doubting her!

Yin bei was actually not sure in her heart. She knew that Nian Jiaojiao liked Shi Mo, so she might have played some tricks on him. However, would she really be tempted to kill her just because of this?

It wouldn’t go that far, right?

However, this was her first time coming here. It was impossible for someone to push her down for no reason, right?

Yin bei raised her head. In the end, she did not dare to randomly suspect others. After all, this matter was not to be trifled with.

“I don’t know who it is. I didn’t see it clearly.”

“Bei bei, I do like Shi Mo, but I definitely won’t have any killing intent towards you because of this!” At this moment, Nian jiaojiao seemed to want to clarify this matter even more. After all, she did not want to take the blame, nor did she want Shi Mo to hate her because of this.

“Have you been to that place before?” Shi Mo suddenly asked from the side, his dark eyes staring at Nian jiaojiao.

When he asked, Nian jiaojiao frowned. “That dangerous place you mentioned?”

Shi Mo didn’t speak, his dark eyes seemed to see through her, faintly emitting a dangerous aura, causing Nian jiaojiao to feel a chill in her heart.

"I have been there, but that was when I was looking for Bei bei. Because I saw that warning sign, I came back."

Shi Mo's dark eyes narrowed slightly, half believing her words.

If it wasn't Nian jiaojiao, then it meant that there was another person here who wanted to harm Yin bei.

Who could it be?

"Let's stop discussing this matter."

"Brother, but Yin bei was indeed pushed down by someone. Aren't you going to investigate this matter thoroughly?" Shi Lian thought that he did not want to investigate this matter thoroughly, so she could not help but ask.

Shi Mo turned his head. "Of course I'm going to investigate. Furthermore," his sharp eyes emitted a cold light. "I want to investigate it thoroughly!"

Hearing him say this, Shi Lian could finally be at ease.

"Bring them down to eat first." He suddenly changed the topic.

Shi Lian was stunned for a moment before she understood.

"Alright!"

She turned her head and smiled at Mu Dan and the others. Shi Lian said, "Let's go down to eat first. My brother will be fine here!"

Mu Dan took a glance at Yin bei and Shi Mo and understood. She quickly pulled her boyfriend along and left the space for Shi Mo and Yin bei!

Chapter 1706 lie down obediently

After everyone had left, Shi Mo walked to the edge of the bed and sat down. His deep black eyes stared at her.

Following which, he raised his hand and touched the bandaged wound on her forehead. "Does it still hurt?"

Yin Bei's heart was filled with sweetness as she shook her head. "It doesn't hurt anymore."

He lowered his gaze and looked at her fair and clean face. "Did you really not see that person clearly?"

Thinking back to the moment she was pushed down the steep slope, Yin bei shook her head. "No, because that person was wearing a helmet and moving too fast. I couldn't see that person's appearance clearly."

"Then who do you suspect the most?" Staring at her, he continued to ask.

Yin bei was stunned for a few seconds.

Who Did she suspect the most?

"In the beginning, Nian Jiaojiao's figure flashed across my mind. I also suspected her, but after what she said just now, I felt that perhaps it wasn't her."

Shi Mo lowered his eyes. Her thoughts were the same as his.

"Are You Hungry?" He suddenly changed the topic. His eyes were as gentle as jade as he stared at her face. "I'll go get you something to eat."

"Okay!" Yin bei nodded. She was indeed a little hungry.

He smiled and raised his hand to pinch her delicate nose lovingly. Then, he got up and left the bedside.

"Wait, I'll be right there."

"Okay!" She nodded her head heavily once again!

Not long after, the door to the room was opened again. Shi Mo had prepared some food for her.

"Shall I feed you?" He suddenly asked while holding a bowl of porridge.

Yin bei was stunned at first, but then her heart was filled with sweetness.

However, she was injured on her forehead, not her hand. It seemed a little unreasonable for him to feed her personally?

"There's no need." She pouted and took the bowl of porridge from his hand, drinking it herself.

After drinking it and eating some snacks, Yin bei finally felt a great satisfaction in her life!

Not long after, Shi Lian, Mu Dan, and the others came back after having dinner. They wanted to see if Yin bei's condition was better.

"Your appetite is so good, it seems like there's nothing wrong!" Mu Dan couldn't help but tease her as soon as she entered.

"It's just a knock on the forehead. What can happen!"

"Since that's the case, can you come down and walk?"

"Of course!" Yin bei's spirits were indeed much better. As she said that, she was about to lift up the blanket and get out of bed, but was stopped by Shi Mo who was standing by the bed!

"Lie down obediently."

His voice was like an angel's voice, especially when he said those four words. It was simply poisonous!

Yin bei stared at the man in front of her with her phoenix-like eyes and her black pupils. "I'm fine..."

"Rest well tonight. Don't go anywhere."

When he was in the restaurant earlier, he heard Mu Dan and Shi Lian say that they wanted to go for a stroll because there was a night market not far from here. It was well-known from afar.

The reason why mu Dan asked that earlier was probably because she saw that Yin bei was in good spirits, so she planned to go out for a stroll tonight.

However, her injuries had yet to recover. Even if her spirit had recovered quite well, he did not plan to let her out tonight.

As Shi Mo's voice fell, his deep eyes suddenly turned towards Mu Dan.

Upon meeting his gaze, Mu Dan was stunned, thinking that she had said something wrong.

To be honest, even though she and Yin bei were good friends, when she looked at Shi Mo from time to time, the cold and noble aura that he emitted was really out of one's reach, and even a little fearful.

Especially those eyes, it seemed that only when they looked at Yin bei would they appear especially gentle.

And when they looked at people like them, they would feel a sudden chill.

Just as Mu Dan thought that she had said something wrong, Shi Mo suddenly said softly, "You guys can go by yourselves."

Chapter 1707 why do you have these things?

Mu Dan could not help but be startled. Her mind worked for quite a while before she finally understood the meaning behind Shi Mo's words.

So he already knew that she was planning to ask Yin bei if she wanted to go to the night market?

"Uh, that's good –"

"Where are we going?" Before Mu Dan could finish her sentence, Yin bei, who was lying on the bed, could hear the curiosity in her voice and could not wait to ask.

Mu Dan's gaze turned to her and then looked at Shi Mo..

At this moment, it was better not to tell Yin bei, right?

She was a person who loved to be lively. If she knew that they were going to the night market later, would she still be able to control herself?

"UH, haoyu and I plan to go shopping later."

Yin bei heard that and realized that it was so.

She thought that they were going out to play later, so naturally, she could not be absent.

However, if it was only Dandan and her boyfriend, then she naturally wouldn't be a third wheel.

As for the others, they naturally went as well. It was just that Shi Lian and the others weren't in the same room as Yin bei, so Yin bei wouldn't know if they left.

Just like that, the group left Yin bei's room, leaving only Shi Mo behind.

In the huge suite, Yin bei lay on the bed and glanced at the man sitting on the sofa chair. She saw that he was playing with his phone, as if he had completely ignored her existence.

“Shi Mo..”

Looking at the man playing with his phone, Yin bei felt a little emotional.

Shi Mo raised his head and glanced at her with a calm gaze. “What’s Wrong?”

Yin bei pursed her lips and hesitated for a long while before asking shyly, “Is the phone that fun?”

She had never seen him like playing with his phone, or would it be very boring to stay in the same room with her?

Shi Mo stared at her and noticed the slight dissatisfaction on her pretty face. He couldn’t help but curl his thin lips.

Then, he stood up abruptly and sat down beside her. He stretched out his hand and let her lean against his chest while he leaned against the headboard of the bed.

“I’m looking at the hotel’s check-in list and the people who entered the ski resort yesterday.”

Yin bei followed his line of sight and looked at his phone screen. The content was really the information of the resort’s check-in.

“Why do you have these things?”

Shi Mo glanced at her, but did not answer.

“Look carefully. Do you recognize any names or think you have an impression of them?”

Yin bei stared at the names on the information. They were all from yesterday.

Looking down, she suddenly frowned.

“Ye Xiaomeng...”

Hearing that familiar name, Shi Mo looked at her, then followed the list and saw ye Xiaomeng’s name as expected.

Could it be her? Or was it just a coincidence?

Yin bei could not be sure.

She thought that after ye Xiaomeng left z university, she would start a new life, but it did not seem to be the case?

Just as Yin bei was still uncertain, Shi Mo suddenly turned off the phone screen.

Yin bei looked up and looked at him in confusion.

“What’s Wrong?”

His black eyes glanced at her. “Wait for me.”

Standing up, Shi Mo left the room and went to the outer hall to make a call.

“Help me find out where a person named ye Xiaomeng is now.”

“Yes, Young Master.”

The call was hung up, and it rang again not long after.

“Young master, the Woman You Asked your subordinate to investigate just now left City Z for City s this morning. Her destination is exactly where you are now. “But she left there an hour ago and is now on a bus back to City Z.”

Chapter 1708 How Do You Want to deal with her?

Listening to the report on the phone, Shi Mo was silent for a few seconds before hanging up.

Turning around, he saw Yin bei standing at the door of the bedroom, staring at him with a pair of black eyes.

“Why are you up?”

Yin bei shuffled her slippers and walked towards him. “I’m fine. Were you investigating ye Xiaomeng just now?”

“Yes.”

“Did she do it?”

“Probably.”

Yin bei lowered her eyes and fell into deep thought.

“How do you want to deal with her?”

Pulling her to sit down on the sofa, Shi Mo looked sideways at her and asked.

Yin bei looked up and met his black eyes. “Deal with her?”

“Don’t you want justice for what she did to you?”

Looking at him, Yin bei lowered her gaze.

She naturally wanted to find ye Xiaomeng, but what was she going to say after finding her?

Ask her why she did it? But wasn’t that nonsense?

If it weren’t for her, the scandal between her and principal Qi Ming might not have been exposed to the public, and she herself wouldn’t have left z University because of it.

Therefore, she hated her to the bone, which was why she had this revenge on her today.

“Where is she now?”

“She left here an hour ago. She probably left early because she was afraid that we would find out what happened.”

“Then we’ll talk about it when we get back to City Z.”

“Okay.”

She could do whatever she wanted.

Due to the heater in the room, Shi Mo was only wearing a black and gray sweater. Yin bei looked down and happened to see the black string on his collar.

She raised her hand and took out the pendant from his collar.

Shi Moquan did not mind her actions at all.

“What is this?” Staring at the pendant, she raised her eyes and asked.

Shi Mo lowered his eyes and glanced at the lion’s tooth on the tip of her finger.

“Lion’s Tooth.”

Yin bei was a little surprised by this answer.

She thought it was some kind of stone, but it was actually a lion’s tooth?

“Why did you bring this with you?” She asked curiously.

“It’s a long story. Do you still want to hear it?”

She lifted her pretty face and smiled. “As long as it’s about you, I’m interested!”

The next moment, Shi Mo suddenly raised his hand and took the pendant down. “If you like it, I’ll give it to you.”

“... Really?”

“I don’t like it.” He smiled and asked back.

“No way! I like it very much!”

Yin bei held the pendant tightly in her hands. It was a very precious item!

“Uh, then... What should I give you?”

“Mm, I like something.”

She was curious. “What is it?”

As long as he said it out loud, she would definitely give it to him!

He stared at her and looked at her with deep affection. “It’s still early.”

“...” why did he have to pick a time to give something to her?

“We’ll talk about it after you graduate.”

His thin lips curled up as he turned on the television.

The two of them watched television for a while. At 21:35, Mu Dan and the others had returned from the night market.

However, when they walked to the door, Mu Dan thought about how Shi Mo was still inside, but she hesitated. Should she knock on the door or not?

What if, at this moment, Bei bei and Shi Mo were doing something? Would she disturb them if she went in like this?

The More Mu Dan thought about it, the more conflicted she became.

“What’s wrong? Why Don’t you go in?”

Seeing that she hadn’t made a move, Chen Haoyu, who was standing beside her, couldn’t help but ask.

Mu Dan turned her head and glanced at her boyfriend. A shy thought suddenly flashed through her mind!

“I...”

She stared at Chen haoyu, wanting to say something but stopping.

However, Chen Haoyu couldn’t guess her thoughts. “What’s Wrong?”

After struggling for a while, Mu Dan finally mustered up her courage!

Chapter 1709 Hurry up and graduate

“I think it’s still early. Why Don’t I go to Your Place First?”

Chen Haoyu couldn’t help but be stunned when he heard that. However, when he saw her suddenly blushing, Chen Haoyu seemed to have thought of something. His throat tightened and felt a little dry.

“It’s already 9:40,”he reminded her. Actually, it was already quite late.

For some reason, Mu Dan suddenly felt a little anxious.

“I said it’s already early. Do you want me to go to your room or not?”

“Of course!”Seeing her anxious look, Chen Haoyu hurriedly said!

“Then let’s go quickly!”

After saying that, Mu Dan pulled her boyfriend and walked to his room.

Time passed by minute by minute.

After watching a variety show, Yin bei looked at the time. It was already past 10 pm.

Why wasn’t Mu Dan back yet?

In the past, her date with Hao Yu wouldn’t be past 10 pm.

“Strange, why isn’t Dan Dan Back Yet?”

Shi Mo was a little surprised by this.

“I’ll make a call to ask.”

Yin bei was a little surprised when she heard that he was going to make a call.

Was he going to call Dan Dan? When did he get her number?

“You guys aren’t back yet?”

“We’ve been back for a long time. What’s Wrong?” Shi Lian’s voice sounded from the phone.

Shi Mo was stunned for a moment before he suddenly understood something.

“Nothing.”

As soon as he finished speaking, he had already hung up the phone.

“What do you mean?” Looking at him, Yin bei asked anxiously.

He turned his head and met her black pupils.

“You have a pretty good sister.”

Yin bei was stunned when she heard that. “What?”

The corners of his lips curled up, but in the next second, he lowered his face and sealed her pink lips.

The kiss lasted for a very long time. Shi Mo clearly realized that he was reluctant to part with her lips. However, the longer the kiss lasted, the more difficult it was for him to control the agitation in his body.

It really was a long wait.

It seemed that he would have to control himself in the future.

After the kiss ended, he released her, his eyes burning with passion.

“I’m going back. Call your little sister back.”

This sentence made Yin bei confused again.

Before he left, he was reluctant to stand up and pressed his forehead against hers. “Hurry up and graduate.”

Hurry up and graduate? What for?

While she was in a daze, Shi Mo had already stood up and left her and Mu Dan’s suite.

Yin bei snapped out of her daze and watched as his tall figure disappeared at the door. Then, she retracted her gaze.

What did he mean by those words just now?

With a puzzled expression, Yin bei was in a daze.

However, she didn’t delve further into this question. Instead, she looked at the time. It was almost 11 o’clock!

This girl, is she not planning to come back?

Without thinking too much, she took out her phone and quickly dialed Mu Dan's number!

The phone rang for a long time before it was picked up.

"Hello?"

"Why aren't You Back Yet?"

"Uh, I, I'll be back soon!"

Yin bei could hear that Mu Dan on the other end of the phone seemed to be a little nervous?

What was she doing?

But before she could speak, Mu Dan had already cut off the phone.

"Um, I'm going back!"

On the sofa, Mu Dan's collar was a little messy, and her face was red with embarrassment.

She stood up and tidied up her clothes. What a close call! She almost did something shameful with haoyu!

She was so embarrassed that she couldn't hide her embarrassment. She grabbed her bag and rushed out of Haoyu's room!

Looking at her fleeing back, Chen Haoyu let out a sigh of relief. In the end, he went to the bathroom and took a cold shower.

—

The next day.

After breakfast, they came to a small town here and bought a lot of local specialties. In the afternoon, they drove back to City Z.

Chapter 1710 just by You?

It was another weekend.

In the antique tea restaurant, Yin bei sat by the window.

"Ye Xiaomeng?"

Yin bei was a little surprised by the figure in uniform not far away.

Seeing Yin bei, ye Xiaomeng's hand holding the plate tightened. As soon as she turned around, she met her calm gaze.

After coming out of z university, without Qi Ming's backing, ye Xiaomeng could only drop out of school and work.

She actually didn't fall to her death last time and freeze to death?

Glancing at Yin bei, ye Xiaomeng ignored her. Instead, she turned around and sent the tea that the customer had ordered over.

When she came back, she happened to pass by the aisle beside Yin bei.

The moment she passed by, Yin bei suddenly stood up from his seat and blocked her path.

Ye Xiaomeng stopped in her tracks and stared at Yin bei with hatred in her eyes.

“What are you doing?” Ye Xiaomeng’s voice was very cold.

Yin bei’s expression was calm. “You should know very well what I’m doing.”

Hearing her words, Ye Xiaomeng naturally felt a little guilty.

She looked away. “I’m not sure!”

“This time, I won’t argue with you, but there won’t be a next time!”

Ye Xiaomeng looked up and frowned. “What do you mean?”

“You haven’t forgotten about what happened at the ski resort, have you?” Yin Bei’s face was a little cold.

Ye Xiaomeng felt guilty, but she admitted it frankly.

Since she could be directly suspected of it, she must have found evidence related to her in s city. Otherwise, Yin bei wouldn’t have suspected her without any evidence.

“What do you want?”

“I’ve said it just now. I Won’t mind this time. But if there’s a next time, I’ll definitely make you pay the price for what you’ve done.”

Ye Xiaomeng could not help but laugh mockingly, “Price? Just by You?”

“Of course not. I’m just an ordinary person. I definitely don’t have that much ability. But don’t forget what my father used to do.”

Ye Xiaomeng still didn’t feel the slightest bit of threat. She still sneered and said, “Yin bei, your father is already dead. Do you think the police department will help you investigate a case for the sake of a dead person?”

If it was a few years ago, it might have been easy to investigate a case.

But now, she no longer had any background. Who would care about the daughter of a dead person?

The word ‘dead person’ stirred up waves in Yin bei’s originally calm heart, and her hands that hung by her sides tightened slightly.

“Since you don’t know what’s good for you, then just wait for this prison disaster.”

“Prison disaster?” Ye Xiaomeng crossed her arms across her chest. “Yin bei, are you kidding me? I’d like to see how you’re going to send me to prison.”

Looking at the calm and collected ye Xiaomeng, Yin bei didn’t say anything else.

Not far away, Shi Mo's figure walked over, and Yin bei just happened to turn around, as if she was planning to leave this restaurant.

"What's Wrong?" Shi Mo walked over. Because the tea and snacks hadn't been served yet, she seemed to be planning to leave.

Yin bei raised her face, the corners of her lips curving up slightly. "I don't like this restaurant. Let's change to another one!"

Shi Mo's deep eyes looked at Yin bei and then at ye Xiaomeng. He seemed to understand.

"Let's go then."

As if no one else was around, the two of them held her fair hand and walked towards the entrance of the net tea restaurant.

Ye Xiaomeng stood where she was, tightly clutching her hand that was hanging by her side. Her pair of eyes stared fiercely at Yin bei's back!

Why did all the good things in this world be given to Yin bei, but the bad things happened to her!
