

Kiss Me 1741

Chapter 1741 dealt with Ye Xiaomeng

“Not now, but one day.”

Hearing his words, Yin bei turned his head suspiciously, puzzled.

What did he mean by one day?

If it was before, she could still be considered as her parents' princess, but now that she had grown up, she would not dream of being a princess that only existed in fairy tales.

“Since it's for you, keep it well.”

“But it's too expensive!”

She did not dare to accept it, nor did she need it.

In the driver's seat, the man suddenly leaned over and leaned his face towards her. “Then wouldn't I be more expensive?”

“What do you mean?”

“With my current price, I can probably buy a truckload of such things.”

”...”

“Narcissist!”

He smiled lightly. “Then are you not going to accept me?”

She hesitated for a moment. “But I really don't need this thing.”

“If I say I need it, then I definitely need it.”

He turned around and the green light lit up.

Looking at his handsome side profile, even though Yin bei was puzzled by his words, she did not continue to ask.

“We're here.”

In the blink of an eye, Blue Spyker stopped in front of an abandoned garage.

After getting out of the car, Yin bei was still a little stunned when she saw the scene in front of her.

“What are you doing here?”

He pulled her along. “Let's go in first.”

The two of them walked towards the entrance. The moment they entered, Ah Nuo came up to them and bowed respectfully to shi mo. “Young Master.”

Why was Ah Nuo here?

Looking at Ah Nuo who came out of the garage, Yin bei was puzzled.

“Let Go! Let Go of me!”

Before she could recover from her shock, a familiar voice suddenly came from the garage.

It was ye Xiaomeng!

The familiar voice made Yin bei think of ye Xiaomeng first.

Right, she almost forgot that she was almost ruined by ye Xiaomeng!

The two of them walked into the garage under the light.

Sensing that someone was coming, ye Xiaomeng, who was tied to a pillar, immediately turned her head and saw Shi Mo and Yin bei walking towards her.

As soon as she saw Yin bei, ye Xiaomeng shrieked as if she had gone mad, “Yin bei, quickly tell these people to let go of me!”

Thinking about how she had almost been defiled by a few hooligans, Yin bei’s hands that were hanging by her side could not help but tighten. Then, with a cold gaze, she walked towards ye Xiaomeng.

“Why should I let you go?”

“What did you say?”

“I said that unless I die, the things that I have endured will definitely be repaid by you a thousand times over.”

“You...”ye Xiaomeng was completely stunned by Yin bei’s words.

She looked at Yin bei, then looked at Shi Mo, who was unmoved.

“You can’t do this to me!”

“Can’t? Give me a reason.”

“Yin bei, if you dare to touch me, I won’t let you off even if I become a ghost!”

“Don’t worry, I Won’t let you become a ghost. That would be too easy for you.”

Ye Xiaomeng didn’t know what she was going to do, but now that she was in her hands, she knew that she couldn’t escape.

“Which one of you has a knife?”

Yin bei suddenly asked as she turned her head to face the row of bodyguards.

The bodyguards looked at each other. They really didn’t have a knife.

“If you don’t have a knife, can you use a gun?”Arnold couldn’t help but ask. He thought that she was going to take care of Ye Xiaomeng. Compared to a knife, a gun was faster.

“Go and find a knife.”

Shi Mo, who was standing behind her, heard her and said.

“Yes!”

Arnold accepted the order and left. After a while, he found a very small fruit knife.

“What, what are you going to do?”

Seeing Yin bei, who was holding a knife, approaching her step by step, ye Xiaomeng’s face turned pale.

PS: Honey Babies, after reading this book, you can go and read Mi’er’s new book, Young Master Jue, busy late at night! Oh! It’s free for now, no money! Remember to add it to your collection

chapter 1742 be sentenced together?

Yin bei raised his hand and pressed the cold fruit knife against ye Xiaomeng’s face.

“What, what do you want...”

Ye Xiaomeng’s beautiful face turned pale. She glanced at the sharp blade that was pressed against her cheek, afraid that if Yin bei exerted force, the sharp blade would cut her beautiful face.

“Guess?”

Yin bei stared at her. Her frightened look made her feel very happy!

“You’re also afraid sometimes?”

“You... What are you going to do! ?” Looking at the sharp edge of the knife, ye Xiaomeng felt like she was going crazy.

She had nothing left. If even her face was ruined, how could she survive in the future?

“Such an obvious action, and you actually asked me what I’m going to do?”

As she said this, the small dagger in Yin bei’s hand pressed a little tighter against her cheek. The back of the knife cut across her tight skin. Every inch of movement made ye Xiaomeng Tremble in fear!

“No... Don’t...”

“Beg me!”

Looking at her, Yin bei looked at her mouth.

“I Beg You... Beg You... Don’t cut my face.” Ye Xiaomeng tried her best to shrink back, trying to avoid the dagger in Yin bei’s hand. However, her body was tied to a pillar, so she couldn’t avoid it at all!

Suddenly, Yin bei put down the dagger in her hand.

Ye Xiaomeng was a little surprised.

Was she planning to let him go?

She was still in danger, and Ye Xiaomeng could not relax at all. She looked at Yin bei with fear and trepidation.

Yin bei glanced at her and turned her head to look at Shi Mo's face.

"Together with this attempt to instigate others, how long can they be sentenced together?"

The corner of Shi Mo's lips curled. He walked over and wrapped his arms around her waist. "As long as you want to, you can do it for the rest of your life."

"Then let's do it for the rest of your life!"

"Alright."

After replying to her, Shi Mo turned his head and said to Arnold, "Send him to the first prison. Instruct them to keep a close watch on him."

"Yes!"

After saying that, the two of them turned around and walked out of the garage.

Ye Xiaomeng obviously knew about the first prison.

That was a place that only death row prisoners would go to. How could she do this!

"Yin bei! You'll die a horrible death!"

Hearing ye Xiaomeng's scream behind her, Yin bei suddenly turned around and walked quickly to ye Xiaomeng.

PA

A loud slap landed on ye Xiaomeng's left cheek just like that!

"You dare to hit me?"

However, Yin bei ignored her. After casting a cold glance at her, she turned around and walked in the direction where Shi Mo was standing. The two of them left the garage together.

"Yin bei! I Won't let you off even if I become a ghost!"

Yin bei stopped in his tracks and turned his head to look at ye Xiaomeng.

"Then you should commit suicide."

"What?" Ye Xiaomeng frowned, thinking that she had misheard.

"Because only by committing suicide will you have the chance to become a ghost. Otherwise, once you enter the first prison, you will only be able to live and die."

"Yin bei! You B * Tch!"

Ye Xiaomeng wanted to rush over and tear Yin bei apart, but her body was unable to move!

"Let's go."

Shi Mo held her in his arms and turned around to leave the garage.

No matter how ye Xiaomeng shouted, Blue World Jue had already left slowly.

In the car, Yin bei suddenly felt a little worried.

She turned around and looked at Shi Mo who was driving. "Will she really be locked up there for the rest of her life?"

"Yes."

"These don't seem to be serious crimes..." even though she wished she could kill ye Xiaomeng last night.

But on second thought, other than being shocked and a little injured, she was actually not that much of a problem.

Ye Xiaomeng already had nothing left. Wasn't this a little too extreme?

Thinking about it, Yin bei actually pitied ye Xiaomeng again.

Chapter 1743 Your Prince is here to pick you up

However, on second thought, there seemed to be a saying that went like this: if you don't seek death, you won't die.

Ye Xiaomeng's current situation was all because of her own actions.

"Soft-hearted?"

Yin bei turned her head and glanced at Shi Mo who was in the driver's seat. Then, she turned around and pouted. "A little bit, but it seems that this is the only way to restrict her freedom."

"Yeah, to prevent her from harming others again."

Hearing what he said, it seemed like it was true.

If she let ye Xiaomeng off this time, she might order others to repeat what happened that night the next time. At that time, it was unknown if she would be able to get away with it.

Just like that, killing two birds with one stone.

The car drove slowly and soon arrived at Beiguang District.

Got off the car, as the sky has been dark, Shi Mo did not go up to sit, watched her into the elevator, then drove away.

_____ * * * _____

The two-month summer vacation is finally over.

In a blink of an eye, Yin bei is a sophomore.

This semester, z university less than a person's figure, that is nianjiaojiao.

This let Yin bei also feel some surprise.

Ever since the last skiing event, she did not seem to see Nian jiaojiao anymore. Even if she did see her occasionally, it was only in the cafeteria or on the field.

She did not see her following behind Shi Mo anymore.

This was the best for Yin bei.

She did not hate Nian jiaojiao that much, and she did not want to turn against her because of Shi Mo..

Although their relationship wasn't that deep, at least when they went to visit her grandfather in the future, it wouldn't be so awkward when they met.

In the blink of an eye, winter arrived.

Another winter vacation was about to arrive.

"Hey, Bei bei, Tomorrow is Christmas. What are you going to do with Shi Mo?"

"I don't know!"

"What do you mean you don't know! ? You Don't have any plans?" Mu Dan stared at her with a look of disappointment.

"Isn't it tomorrow? I'll go ask Shi Mo after class!"

"That's more like it!"

Mu Dan stared at her and the two of them walked towards the school gate together.

When they walked out of the school gate, they saw the Spyker sports car that Shi Mo often drove.

"Go, your prince is here to pick you up!"

Smiling at her good friend, Yin bei happily walked towards the blue sports car.

After the previous danger, Shi Mo started to pick her up and send her home every day.

"Ye Xiaomeng has already been punished by the law. You Don't have to pick me up every day."

Shi Mo started the car and turned the steering wheel. "Picking you up has nothing to do with her."

Yin bei turned her head and looked at him in surprise. "Nothing to do with her?"

"Yes."

"But didn't you pick me up because of what she did last time?"

"That's just a small reason."

"Then what's the real reason?"

Shi Mo turned his head and looked at her. "Because I want to see you at all times."

"..."

This sentence was so sweet that it touched Yin bei's heart.

She lowered her head, unable to hide her shyness.

“Oh Right.” Yin bei suddenly turned her head and put away her shyness. She looked at Shi Mo seriously. “Do you have any other activities for Christmas Tomorrow?”

In the driver’s seat, Shi Mo was silent for a while before he spoke.

“Yin bei.”

“HMM?”

“Tomorrow, I might not be able to accompany you.”

“Why?” Tomorrow was Christmas, and it happened to be the weekend. Could it be that he had to go to the company to be busy again?

But if it was the weekend, their company should also be resting, right?

“Tomorrow, I have something to do.”

“Then, are you going to be busy all day?”

chapter 1744 Would you like to have dinner together in?

Yin bei was a little disappointed. When Mu Dan had told her about it, she had already planned a lot of activities to go on a date with him.

“No, I should be able to finish it before five in the afternoon.”

“Then shall we go to the movies tonight?” As for the activities that she had planned to go shopping during the day, she could just cancel them.

He turned his head and looked at her dotingly. “Alright. What movie do you want to watch? I’ll go buy the tickets in a while.”

“Mmm... I’ll see what’s good to watch First!”

As she spoke, Yin bei took out her phone and started browsing through the movies on meituan.

Unknowingly, the car arrived at Beiguang District.

It was still early. At this time, Nian Yuqing usually did not come back, and Mu Dan was not around either.

Today was Christmas Eve, so Shi Mo did not go back immediately. Instead, he sat on the sofa with her, choosing the movie they were going to watch the next night.

“This one!” Yin bei pointed at the sci-fi movie on it and decided happily!

Shi Mo glanced at it and replied, “Okay.”

Then, he bought the tickets in advance through his phone.

In the blink of an eye, the sky outside the window gradually darkened.

“Do you want to have dinner together?”

Turning his head, he glanced at the person leaning on his shoulder and asked softly.

Yin bei raised her head and revealed a mischievous smile. "Yes!"

"What do you want to eat?"

"En... I'll make noodles for you to eat, Alright?"

Shi Mo raised his eyebrows. "You want to eat at home?"

"En!" She nodded.

It was already dark. If she went out to eat, he would definitely send her back after eating. It was too much of a waste of time to toss and turn!

Furthermore, she had not eaten turkey noodles for a long time, and she really wanted to eat it!

"Alright then, I'll have to trouble you, my future wife." He looked at her from the corner of his eyes as he looked at her affectionately.

Yin bei was a little surprised, but she seemed to have gotten used to his sweet words, so she did not refute him!

"Then I'll go make it!"

As she said that, she jogged towards the kitchen!

In a short while, two sets of fragrant turkey noodles were ready!

After dinner, it was already close to 7:30 pm.

After Shi Mo left, Yin bei looked at the time. It was already so late, yet her mother was still not back.

Just as she was thinking about it, her phone rang.

It was Nian Yuqing Calling.

"Bei bei, mother won't be going back tonight. She has to stay at my employer's house to take care of the young mistress with a fever."

"She has to stay up all night?"

"Not really. I'm just afraid that if she needs anything at night, Madam won't be able to handle it by herself."

"Oh, then take care of yourself."

"Okay."

After hanging up the phone, Yin bei had nothing to do. She went to take a shower and then went to bed.

It was a lazy weekend, so Yin bei slept until very late before she woke up.

She rubbed her sleepy eyes and looked out the window. It was actually snowing.

“Wow, it’s snowing!”

Seeing the snow falling outside the window, Yin bei quickly got out of bed and went to the window to look at the sky full of snow.

This should be the first snow of the year, right?

However, looking at the snow outside the window, Yin bei felt a little disappointed.

It was such a rare romantic season, and it was also a weekend, yet Shi Mo had to be busy with work.

Mu Dan definitely did not have time to accompany her. She had to go on a date with haoyu!

That’s not right!

Yin bei, who was standing by the window, suddenly turned her head and looked at her own bedroom!

Mu Dan actually did not come back last night! ?

Her big eyes blinked twice. Yin bei took out her phone and was about to call Mu Dan.

However, she saw an unread message on the screen.

It was from Dan Dan: dear, I Won’t be going back tonight!

Looking at the time, it was actually 1 am.

Chapter 1745 the girls at the airport

This little girl, could it be..

Thinking of a possibility, Yin bei could not help but swallow a mouthful of saliva.

However, they were already 20 years old, and it did not seem like there was anything shameful about them?

“AH...”

Returning to the bed, Yin bei returned to the bed and formed the word ‘Big’.

“It’s Christmas today. One is busy with a date and the other is busy with work. Is she the only one staying at home? It seems a bit of a pity that she doesn’t go out at Christmas...”

Why not go out shopping? Maybe she could even meet Santa Claus! Make a wish!

Yes! It was a happy decision!

She got out of bed, washed up, and changed her clothes. Yin bei walked out of her room and left Beiguang residential area.

When she came downstairs, she bought a breakfast. While eating breakfast and drinking milk tea, she walked in the snow and enjoyed the beautiful scenery. It was also a romantic and beautiful thing.

When she arrived at the central square, there were many young couples crowded nearby.

Yin bei was the first to think of Shi Mo..

She wondered what he was busy with at this moment?

Should she give him a call?

As she thought about it, Yin bei smiled and took out her phone to give Shi Mo a call.

Just as she picked up her phone, she saw a message pop up on wechat.

It was Shi Mo!

She couldn't wait to open the message and saw a simple message: Merry Christmas!

After taking a sip of milk tea, Yin bei took her phone and replied: Merry Christmas! What are you doing?

Shi Mo: "Picking someone up. What About You?"

Yin bei: "Oh, I'm looking at the snow."

Shi Mo: "Is it good?"

Yin bei: "Yes! It's very beautiful!"

Shi Mo: "I'm sorry, I can't accompany you."

Yin bei: "It's fine. We can watch a movie together tonight."

Looking at the reply, Shi Mo's lips curled into a faint smile.

"Brother Mo!"

Not far away, a beautiful voice sounded.

From the car window, Shi Mo looked over when he heard the voice. He saw a slim and graceful figure waving her small hands at Wen Sheng.

He opened the car door, got out of the car, and walked toward the figure.

"You're back."

"Okay!"

Shi Mo took the white suitcase from her hand and put it in the trunk. Then, he opened the car door for her like a gentleman.

"Let's go to my house first."

"Okay!"The girl answered and happily sat in the front passenger seat!

"How are you doing over there?"

"I'm pretty good. I just Miss Daddy and Mommy Too Much!"

"You don't miss me?"Shi Mo turned his head and glanced at the girl before asking with a smile.

“Of course I do!”

Only then did Shi Mo smile in satisfaction.

“Wow, it’s snowing in country Z. It’s so beautiful!”

Looking at the snowflakes falling from the sky outside the window, the girl was in high spirits.

“Yeah.”

“Hey, stop the car! Stop the car!”

She suddenly spoke, and Shi Mo could only step on the emergency brake!

“What’s Wrong?”

She spoke in such a hurry, and he thought that she had left something behind at the airport!

The girl suddenly opened the car door and rushed out of the car without saying a word.

Because it was Christmas and a weekend, and it was snowing for the first time this year, the central plaza was already packed with many people who were watching the snow. Occasionally, one could even see the figure of Santa Claus.

And it was because the girl saw Santa Claus that she rushed out of the car!

Seeing the petite figure rush into the crowd, Shi Mo was worried for her safety, so he could only follow her out of the car and catch up to her figure.

The girl came to the back of a Santa Claus and patted his back. Then, she took out her camera and took a photo with Santa Claus!

Chapter 1746 Nian Yuqing’s call

Santa Claus smiled and took out a Christmas present from the gift bag for her. It was a Christmas Hat!

Looking at the hat that she took out from the gift bag, the girl was overjoyed. After happily taking it, she made a thank you gesture to Santa Claus before turning around and leaving.

As she squeezed into the crowd, Shi Mo could not see her at all. He could not help but feel a little worried.

Just as he was feeling worried, his back was suddenly slapped.

He suddenly turned his head and a Christmas hat was placed on top of his head!

“Brother Mo looks very handsome in it! It’s super cute!”

Seeing that his daughter was safe and sound, Shi Mo heaved a sigh of relief.

“I’m going back.”

“Let’s wait for a while! This place is too beautiful. I want to take a look around!” As she said that, the girl took out her phone and intimately held Shi Mo’s arm, taking a selfie!

Not far away, when Yin bei saw this scene, she was completely stunned.

Previously, she thought that she had seen wrongly. Wasn't Shi Mo busy with work at this moment? Why was he here?

Only when he turned around and saw that face did she confirm that the person standing in the middle of the crowd was him, and there was actually a girl standing beside him.

Especially their intimate interaction, they looked like a couple.

But why would Shi Mo lie to her?

Previously, he had said that he was picking someone up. Could it be that he was picking up that girl?

Looking at the couple in the distance, Yin bei felt a little stifled in her heart. However, she felt that Shi Mo was not a person who could lie.

Who Was That Girl? Could it be his client?

However, looking at her age, she did not seem to be older than her. She should not be a client.

She wanted to go forward and ask, but she was afraid of disturbing him. If it was a work matter, wouldn't she be too insensible.

After thinking for a while, Yin bei finally left the central plaza silently.

On the way back, her mind was filled with images of Shi Mo and the girl's intimate interaction.

He only had one sister, so who was this girl? How could she be so close to Shi Mo?

A series of questions buried deep in Yin Bei's mind. Before she could figure it out, her phone rang.

"Hello?"

"Bei bei..." Nian Yuqing's slightly choked voice came from the phone.

"Mom, What's Wrong?"

"Something happened to mom..."

Listening to her mother's words on the phone, Yin bei's expression gradually changed.

"Tell me the address, I'll be there right away!"

After receiving the address, Yin bei hurriedly hailed a taxi and rushed to the place where her mother worked!

"Can we go home now?"

On the other side, Shi Mo looked at the time and urged the girl.

After lunch, he had to meet with the client, hoping to settle things as soon as possible so that they could watch a movie with Yin bei in the evening.

"That's enough!"

The girl smiled sweetly. At this time, she already had a few Christmas presents in her hands. She happily returned to the car.

“How are uncle and aunt?”

“They’re fine.”

“Where’s sister Lian?”

“She often misses you and asks when you’ll be back.”

“Where’s Grandma and great-grandfather?”

“They’re both fine.”

Half an hour later, the car arrived at Shi Mansion.

“Mo Mo!” Shen Lanzhi was overjoyed when she saw Xiang Jingmo!

“Grandma!”

Xiang Jingmo walked over and held Shen Lanzhi’s arm intimately.

“You’re finally back. You should stay in the country and not go abroad!”

“Yeah, I think so too!”

“I’ll be leaving first.”

Looking at Grandma in the living room, Shi Mo said and planned to leave.

Chapter 1747 Nian Yuqing’s accident

It was already lunchtime. Shen Lanzhi could not help but ask, “It’s almost lunchtime. Should we leave after lunch?”

“There’s no need. We’ll have lunch directly with the clients when we arrive at the Villa.”

“Alright then. Drive carefully,” Shen Lanzhi reminded.

Shi Mo nodded and turned around to leave Shi mansion.

Just as he drove away from the main door, his phone rang.

He saw that the caller ID was ‘father’.

“Dad.”

“Wait for me at the entrance of the company. I’ll go with you.”

Hearing this, Shi Mo frowned.

“What’s Wrong?”

Normally, his father would not change his mind easily when it was handed to him.

“The president will be there too.” Shi Yuting’s calm and low voice came through the phone.

Shi Mo was a little surprised. It was just a business contract, but it could actually alarm the president of Z Country?

“Okay.”

At the age of 21, there were indeed some things that he had yet to experience. Perhaps it was because his father was worried, so he went with him.

At the entrance of the manor, Shi Mo turned his phone on silent before entering.

At this moment, one was the secretary of the Municipal Party Committee, and the other was the president of Country Z. he could not allow the slightest mistake.

The development of the corporation this time was very important to the Supreme Emperor, and it was also the first major project that he had taken over!

...

Noon.

Yin bei was still hungry as she came to a luxurious mansion.

She knew that her mother was working as a maid in someone else’s house, but she didn’t expect it to be in such a luxurious mansion.

She pressed the doorbell, and not long after, someone came to open the door and brought her into the living room.

“Mom!”

As soon as Yin bei entered the door, she saw her mother kneeling in the middle of the living room.

In front of her was a lady.

“Bei bei.” Seeing her daughter, Nian Yuqing had already stopped crying.

“Mom, What’s Wrong? Why are you kneeling here?”

Looking at her daughter, Nian Yuqing was worried.

“She’s Your Daughter?”

“Yes.”

Yin bei turned her head and saw the lady sitting on the sofa, looking down at her and her mother. Her eyes were filled with contempt.

“Why did you make my mother kneel?”

“If you did something wrong, you should kneel!”

Yin bei turned her head and looked at her mother in surprise. “Mother, what did you do wrong?”

“The eldest lady had a high fever last night and was unconscious this morning. The Doctor said that someone changed the medicine, but it really wasn’t me. I didn’t do anything...”

Yin bei suddenly turned her head and stared at the noblewoman!

“My mother didn’t do anything!”

The noblewoman smiled coldly, “So she didn’t do anything? She personally gave the medicine to my daughter last night. Even the water was poured by her! You’d better pray that my daughter is fine, or you’ll be in jail!”

“Madam, I really didn’t do anything! I have no reason to harm the young lady at all...”

“Didn’t? You flirt with my husband all day long, isn’t it to seduce him so that you can be the mistress of this house! ?”

“What...” Nian Yuqing frowned in disbelief, this was simply a fantasy.

It wasn’t that she wasn’t clear about the identity of this master, how could she have any improper thoughts!

If it wasn’t because she wanted to find a stable job, and her daughter finished university, she wouldn’t have come here to work as a helper.

“Hey! Don’t slander me!”

Hearing the noble lady’s words, Yin bei couldn’t help but get angry!

“Madam, you can accuse me, but how can you say such things?”

“I’m saying such things? How dare you say that you don’t know my husband? If you don’t know him, how can a commoner like you enter the Presidential Palace to work as a helper? !”

Chapter 1748 bullying

One had to know that those who were able to work here had to go through many investigations before they could enter. And this Nian Yuqing only needed one sentence to enter.

Staring at her wife, Nian Yuqing was not afraid at all. “I do know Mr. President, but I definitely don’t have the relationship you mentioned.”

The reason why she was fortunate enough to know the president of a country was also because of her husband. Once during a foreign trip, her husband was appointed to protect Mr. President’s safety. It was a meritorious service and he was promoted to deputy director after that.

“You admit it?”

“No! I got to know Mr. President because of my husband. If you are angry because of this, I can leave this place.”

She suddenly realized that the heavy responsibility of taking care of the eldest miss last night was deliberately arranged by the madam?

Because taking care of the eldest miss had always been nanny Zhang. She was suddenly asked to stay here yesterday. was there something else going on?

“Leave? You Wish! I’ve already sent people to investigate this matter. You can stay in the detention center until the investigation is done.”

After saying that, the noblewoman stood up and walked arrogantly to the second floor.

“Madam!”

“Hey! Stop right there!” Yin bei suddenly stood up and shouted at the president’s wife’s Back!

Ji Tingfang stopped and turned around to stare at Yin bei.

“I think you’re the one who replaced your daughter’s medicine, right? Or are you unloved in this family and deliberately venting your anger on my mother, trying to drive my mother away because of this?”

“What did you say! ?” In this family, no one dared to speak to her in such a tone.

In an instant, Ji Tingfang’s face couldn’t help but turn green as she stared straight at Yin bei!

However, Yin bei ignored her and pulled her mother who was still kneeling on the ground. “Mom, let’s Go!”

“Stop them!”

At her command, two bodyguards in black uniforms immediately walked out of the door and blocked the way of the mother and daughter!

“You’re the President’s wife. Are you trying to bully others with your power?” Yin bei turned her head. Her hands that were hanging by her side could not help but clench tightly!

Ji Tingfang smiled. “I just don’t want this murderer to go free!”

“Which eye of yours saw my mother kill someone! ?”

“Don’t be anxious if you want evidence. The truth will come out eventually.” As she said that, Ji Tingfang turned her gaze to the two bodyguards. “Send Nian Yuqing to the Procuratorate and keep her under strict supervision until the matter is found out!”

Upon receiving the order, the two bodyguards stepped forward one after another and held Nian Yuqing on both sides.

“Mom!” Seeing her mother being taken away, Yin bei panicked.

However, with her strength, she couldn’t even defeat the two bodyguards from the Presidential Palace!

“Bei bei, don’t worry about Mom. What you haven’t done is what you haven’t done! They can’t do anything to Mom.” What Nian Yuqing was worried about now was whether her daughter would be implicated.

“Mom...”

Yin bei was worried about the power of the presidential palace. This madam president obviously suspected that her mother was having an affair with Mr. President, so she deliberately created this matter. If she really wanted to do something to her mother, what should she do?

That's right, look for Grandpa!

At this moment, the only person she could look for was Grandpa!

However, Grandpa was just a businessman. Although he had some status in the business world, he didn't have any social connections in the officialdom.

She left the presidential palace in a hurry and wanted to call Nian Chengde. Perhaps she had rushed out of the gate in a hurry and bumped into a figure.

"Be careful!"

Yin bei looked up and saw an unfamiliar face.

Chapter 1749 Are You Alright?

"Are You Alright?"The Man's dark eyes stared at her.

Yin bei recovered from her shock. "I'm fine, thank you!"

"Yin Bei?"

Following that, another familiar voice sounded. As soon as she heard the voice, Yin bei turned her head in surprise and indeed saw Shi Mo standing beside the man.

"Shi Mo.."

"Why are you here?"Shi Mo walked over and unintentionally pulled Yin bei's arm away from the man's palm. His actions were filled with possessiveness, but his eyes were as gentle as jade, and his tone was incomparably gentle.

"I..."Upon seeing Shi Mo, Yin bei's nose suddenly felt sour.

Seeing that her expression was not right, Shi Mo's black eyes darkened. "What happened?"

"My mother was taken to the prosecutor's office..."

Shi Mo frowned. "What happened?"

"You Mean Nian Yuqing?"

Another voice sounded. Yin bei turned her head and saw a middle-aged man standing there with an extraordinary aura.

Yin bei didn't say anything because she was still stunned by the man's appearance.

Wasn't this man the President of Country Z?

Before Yin bei could say anything, the president had already walked into the villa.

Ji Tingfang had long disappeared from the empty living room.

“Baby, you’re Awake?”

Ji Tingfang’s voice came from the second floor and gradually approached.

Not long after, she saw her holding her daughter as she walked in.

“You scared mom to death.”

“Tingfang.”

The mother and daughter had just reached the stairs when they heard Mr. President’s voice.

Following them were two strangers. They were Shi Yuting and Shi Mo..

“You’re back.” Seeing Mr. President, Ji Tingfang walked down with a smile. The arrogance and despotism from before had long disappeared.

“Didn’t you say you were dealing with matters at the manor? Why are you back so early?”

Mr. President did not answer her question. Instead, he asked in a deep voice, “Did you get someone to bring Nian Yuqing to the Procuratorate?”

This was the presidential palace. Other than her personally giving orders, no one dared to come here and casually take her away.

Faced with his questioning, Ji Tingfang felt a little guilty, but half a second later, she said confidently, “She almost harmed our Ping ‘er. Naturally, she had to be brought to the Procuratorate for investigation.”

The president frowned. “Harmed Ping ‘er?”

“Yes!”

“My mother did not! It was you who suspected that my mother was having an affair with Mr. President, so you deliberately framed my mother!” In a fit of anger, Yin bei could not care less about the presence of others and exposed Ji Tingfang’s conspiracy!

After hearing what she said, in the presence of outsiders, Ji Tingfang immediately lost face and her face turned red. “What nonsense are you talking about! ?”

She glared at Yin bei, wishing she could get someone to throw her out of the Presidential Palace!

“I’m not spouting nonsense!”

“Is that really the case?” The president turned around and stared at his wife.

“I... I just sent someone to investigate.”

“Someone!”

“Sir.”

“Get Someone to put Nian Yuqing back and bring her back here.”

“What did you say? She’s just a maid, and you actually sent someone to bring her back here! ?”Hearing that she was going to bring her back, Ji Tingfang’s face immediately turned ugly.

She was the president’s wife, and she was the one who had asked someone to send her to the prosecutor’s office. But now, he had asked someone to bring her back. wasn’t that disrespecting her in public and embarrassing her?

“I hope you know your identity, what you should and shouldn’t do!”

“Why shouldn’t I do it! ? She’s a Vixen!”

“I think you’re too suspicious. If you don’t want to stay here, then go back to S City!”

He actually wanted her to go back to her parents’house?

Chapter 1750: you were shocked

How could ji Tingfang accept this? If she left, wouldn’t that give Nian Yuqing a chance to seduce him?

“Daddy, don’t blame Mommy. I accidentally took the wrong medicine and Mommy misunderstood the maid. Don’t be angry.”Lu Ping ‘er walked over and held Lu Baiyan’s arm affectionately.

Lu Baiyan doted on his daughter and didn’t say anything else.

He turned around and glanced at Shi yuting and Shi Mo who had arrived at the presidential palace together.

“Sorry for making a fool of myself.”

Shi Yuting’s gaze landed on Yin Bei’s face.

At Lu Baiyan’s invitation, the father and son sat down on the sofa.

“You should sit too.”Lu Baiyan turned around and said to Yin bei who was still standing there.

Shi Mo pulled her along and the two of them sat down on the sofa together without any reservations.

Lu Ping ‘er’s gaze never left Shi Mo the moment she saw him. She was in love for the first time, and her eyes were filled with love as she looked at Shi Mo..

Not long after, Nian Yuqing was brought back to the presidential palace.

“You’re in shock.”

Lu Baiyan looked at Nian Yuqing. Although he was the president, he had the same apologetic look as an ordinary person.

Nian Yuqing’s expression was indifferent. She did not speak but turned to her daughter, Yin bei.

“Bei bei.”

“Mom, Are You Alright?”Yin bei walked over and looked her up and down carefully. After confirming that her mother was fine, her heart finally settled down.

“Auntie.”

A familiar voice sounded. Only then did Nian Yuqing turn around and realize that Shi Yuting and Shi Mo were still in the presidential palace.

“Shi Mo..”

Shi Mo bowed slightly and nodded at her.

“Mr. Shi.” Looking at Shi Yuting on the sofa, Nian Yuqing bowed.

Seeing that Nian Yuqing had returned, Ji Tingfang, who was at the side, had nowhere to vent her anger. She turned her head away and didn’t want to say anything else.

“Mom, let’s go back. You Don’t have to be a helper here anymore!”

Yin bei knew very well that the reason why her mother was so humble was because she wanted her to finish university.

Looking at her daughter, Nian Yuqing also knew very well that after the Madam President made such a fuss, she could no longer stay here as a servant, so she nodded her head.

“Okay, Mom, go and pack your things.”

Turning her head, she bowed to Lu Baiyan.

Back then, when she was looking for a job, she accidentally bumped into him. Because she knew that her husband had died in the line of duty, she was kind enough to let her work in the presidential palace. She did not expect that his care for her would be met with the suspicion of the Madam President, naturally, it was not suitable for her to stay here anymore.

“Sir, thank you for your kindness and the care you have shown me over the past few days.”

“You don’t have to take her words to heart.”

“I’ve thought it through. It’s the same even if the helpers work there.”

As soon as she finished speaking, Nian Yuqing walked to the storage room. After packing up her things, she planned to leave with her daughter.

“Auntie.”

A voice suddenly sounded. Nian Yuqing turned her head and saw Lu Baiyan’s son, Lu Yichen.

“Young Master.”

“Stay. Don’t bother about my mother. She’s just too suspicious.”

“Yichen!” Hearing her son’s words, Ji Tingfang was furious!

“Thank you, young master. There’s no need.” Nian Yuqing declined politely.

“Mrs. Yin is looking for a job?”

Shi Yuting, who had been sitting on the sofa the whole time, suddenly spoke.

Nian Yuqing turned her head and looked at Shi Yuting in surprise.

“Yes.”

“It just so happens that my wife needs a helper. Why Don’t you go to her place?”

The sudden words surprised Nian Yuqing and Shi Mo..

What surprised Nian Yuqing was Shi Yuting’s words, and what surprised Shi Mo was..
