

Kiss Me 1781

Chapter 1781 I plan to get engaged

When Yin bei heard this, she suddenly understood and smiled. "We're fine. Don't worry, the tornado didn't seem to have reached this side. It just brushed past the city we're in."

"Really?" Nian Yuqing frowned, still a little worried.

However, hearing her daughter's unperturbed voice, she should be fine.

"Where's Shi Mo?"

Yin bei instinctively raised her eyes and glanced at the man opposite her when her mother asked.

"He's fine too."

"That's good." Nian Yuqing felt a weight lifted off her shoulders.

Looking at the time, it should still be early in the morning in country Y, right? Thinking that her daughter might still be sleeping, Nian Yuqing did not nag anymore.

"Then you sleep a little longer. I'm hanging up. Ah."

"Okay." Just as Yin bei was about to hang up, she suddenly remembered something and said hurriedly, "Mom!"

"Okay?"

"We'll go back this afternoon!"

Hearing this, Nian Yuqing, who had not seen her daughter for a few days, was naturally happy. "Is that so?"

"Okay!"

"Then I'll see you tomorrow."

"Okay!"

While Yin bei was talking on the phone, Shi Mo had been watching her the entire time. When she thought about how she was on the phone with her mother, but she was sleeping on the same bed as Shi Mo, her face could not help but turn red again.

If her mother knew about this, she wondered if she would be blamed?

While she was still deep in thought, the phone in her palm was suddenly taken away.

Yin bei looked up. Before she could regain her senses, she saw the man's face suddenly approaching.

"You... What are you doing?"

His deep voice was slightly hoarse. "I'm hungry."

Hungry?

Before she could react, her lips were completely sealed by him in the next second.

“Wu—”

His hand skillfully reached into her pajamas and squeezed an indescribable area on her chest.

In just a short moment, the entire bedroom was filled with each other’s low gasps..

The second time was not enough. However, looking at her who was already extremely tired, Shi Mo ended up reluctantly.

He got up and took a shower. In the morning, he still had to go to the company to settle some final matters.

It was close to noon when Yin bei, who had just taken a nap, opened her eyes tiredly. At this moment, the other side of the bed was already empty.

She barely managed to prop herself up. When she turned her head, she saw a note on the bedside table.

She took the note and saw a very beautiful line of words: I’m going to the office. Call me when you wake up.

It was a simple line of words, but it revealed his thoughtfulness.

He must have been afraid of waking her up, which was why he didn’t call her when he left, right?

After putting down the note, Yin bei lifted the blanket. Just as she moved her feet, that familiar ache came back.

After taking a shower and changing into a new set of clothes, Yin bei finally gave Shi Mo a call.

At this moment, Shi Mo had already finished dealing with everything and was on his way back to the hotel.

After lunch, the two of them took a private plane back to Country Z.

After not seeing her for a few days, Nian Yuqing missed her very much.

However, other than her, Zuo Weiyi and Shi Lian were also standing at the airport entrance!

It turned out that Zuo Weiyi had specially picked up the two of them for lunch at Shi Mansion after she knew that they were back!

At the dining table, Zuo Weiyi’s expectant gaze darted back and forth between her son and Yin bei, as if she was trying to find some clues.

However, her son’s expression was too rigid. Just like his father, she could not tell what was going on at all.

As for Yin bei, every girl who ate at her future mother-in-law’s house seemed to be a little shy, so she could not tell what was going on at all.

Just as Zuo Weiyi was observing her expression, a deep and deep voice suddenly sounded.

“I’m planning to get engaged.”

chapter 1782 Did something happen

“I’m going to get engaged.”

In an instant, the entire dining room fell silent.

Shen Lanzhi, Zuo Weiyi, and Nian Yuqing all looked at him in astonishment.

After a long while, Zuo Weiyi finally came back to her senses. After the shock, she was naturally delighted. “Shi Mo, is what you said true?”

“Yes.” Shi Mo lifted his gaze and his gaze landed on Zuo Weiyi’s face. “Mother, I hope that the sooner the better. I’ll have to trouble you with this matter.”

He was not good at how these matters should be arranged, so he planned to leave it entirely to his mother to handle and make arrangements.

Zuo Weiyi was naturally overjoyed!

“No Problem! I’ll make arrangements. I guarantee that you’ll be satisfied!”

Shen Lanzhi also knew about Shi Mo and Yin bei’s relationship. In addition, they might soon have a great-grandson to carry, so she naturally would not object.

On the other hand, Nian Yuqing was still unable to get used to it.

Thinking about it, her daughter was almost 23 years old, and time really passed in the blink of an eye.

“Yuqing, you... Won’t object, right?” Seeing that there was no smile on her face, Zuo Weiyi couldn’t help but worry.

Was it because her son didn’t perform well and didn’t try his best to please this mother-in-law?

Upon hearing this, Nian Yuqing raised her eyes and met Zuo Weiyi’s cautious expression.

How could she find a reason to disagree with a future son-in-law like Shi Mo..

“Of course not.” She smiled. It was just that she was reluctant to part with him.

But on second thought, it was better to follow Shi Mo than to be by her side and suffer.

At the side, Shi Lian looked at Yin bei and then at her brother. This trip abroad seemed to be unusual!

“Brother, did something happen in country y this time? Why did you get engaged the moment you came back? Could it be...”

“Weiyi!” As someone who had been there before, Zuo Weiyi could not help but stop her daughter from speaking.

Among the three of them present, who did not have a tacit understanding? She was the only one who was foolish enough to ask. If she were to ask such a thing directly, the person involved would be embarrassed to death!

Sure enough, after hearing Shi Lian's words, Yin bei held her bowl tightly, her face almost buried between her legs!

She was simply too ashamed!

Looking at her mother, Shi Lian, who had understood the situation, immediately stuck out her tongue.

Actually, she was asking about the tornado incident in country Y. she had thought that the two of them had experienced a life-and-death moment, which was why her brother had suddenly come back and gotten engaged. She had not expected that she would accidentally ask about something else!

Haha, perhaps their Shi family would soon have another small member!

...

After lunch, Zuo Weiyi could not wait to choose an auspicious date with Nian Yuqing!

However, it was Zuo Weiyi's first time handling this matter. For a moment, she did not know whether it was because she was too excited or she was unfamiliar with it. After tossing and turning for the entire afternoon, she had no choice but to go upstairs and ask Shen Lanzhi.

In the end, the wedding date was finally set for three months later!

Shi Mo was also very satisfied with this time.

In the evening, it was not until after dinner that the mother and daughter returned to Beiguang District.

After taking a shower, Yin bei was just about to lie down when there was a knock on the door.

"Bei bei, are you asleep?"

Nian Yuqing's gentle voice came from outside the door.

Upon hearing this, Yin bei hurriedly got up and personally opened the door for his mother!

"Mom, not yet!"

Looking at her daughter, Nian Yuqing smiled and walked in.

"Come over and chat with Mom."

"Okay!"

Looking at her mother sitting on the bed, Yin bei walked over.

Chapter 1783 I'll Take Care of you

That night, the mother and daughter chatted for a long time. It was all about her childhood.

The next morning, Yin bei first helped her mother prepare the dishes for dinner. Then, she brought her resume and planned to find a job.

Just as she reached downstairs, her phone rang.

Looking at the familiar caller ID, Yin bei smiled and answered, "Hello?"

“What are you doing?” Shi Mo’s deep and pleasant voice came from the other end of the phone.

At the intersection of the residential area, Yin bei stood by the roadside with her resume in her arms, ready to hire a taxi.

“I’m planning to look for a job,” she said as she looked left and right.

“Looking for a job?”

“Yeah, I’ve been playing for a few months. I need to find a job quickly!”

“I’ll support you.”

”...” Yin bei retracted her gaze. She was very happy with his domineering attitude.

However, she was only 23 years old. She always hoped to have a job that belonged to her. That way, she would not feel that she was useless.

Back then, she had chosen to study foreign languages. However, after graduating, she felt that it was really difficult to find a job in this industry.

Of course, the main reason was that after graduating, she did not have much time to look for a job to help out her mother’s snack stall.

Last night, when she heard that her mother had hired a helper, she didn’t need her help anymore and could find a job with peace of mind!

“Thank you, but I still want a job of my own!” Pursing her lips, Yin bei told him her dream and goal.

As for Shi Mo, even if she didn’t work for the rest of her life, he would only support her.

However, if this was her dream, he naturally couldn’t bear to interrupt her.

Since it was her dream, he could not say things like ‘come to my company and be my secretary’. He always felt that the moment he said it, it would be like desecrating her dream.

“What kind of job do you want to look for? Let me help you take a look.” He did not know if she would mind if he did that.

“There’s no need. I want to look for it myself.”

Yin bei knew that he wanted to help her. However, if he, Shi Mo, really came forward, then the entire company in City Z would probably hire her! Because the name Shi Mo had already killed her resume and expertise!

“Alright then.”

Shi Mo also seemed to see through her thoughts, so he did not force her anymore.

After hanging up the phone, Yin bei hailed a taxi. Just as she was about to get in, she heard someone call her name.

“Yin bei!”

A sweet voice sounded, but it sounded very unfamiliar to Yin bei.

She turned her head and saw a pretty figure not too far away. Behind her were two people who looked like bodyguards.

But when she saw the face clearly, Yin bei felt like she had seen it somewhere before, but she could not remember where.

“You are?”

Looking at the person who came, Yin bei was stunned.

Lu Pinger smiled. “You don’t remember me?”

Yin bei was a little embarrassed by her friendly and warm attitude.

She really couldn’t remember.

“I’m Lu Pinger. Your mother used to be a maid in my house. Do you remember now?”

Yin bei was suddenly enlightened. Then, she was shocked!

Then, wasn’t this the President’s Daughter? ?

Oh My God!

“Miss Lu –”

“Shh –” seeing her shocked expression, Lu Pinger suddenly made a gesture of silence towards her. Then, she walked in front of her and said in a low voice, “Outside, no one knows my identity, so just treat us as friends!”

Friends?

Ha..

The corner of Yin Bei’s mouth twitched a few times. She did not have the fortune to be friends with Mr. President!

“Miss, do you still want the car?”
