

**Kiss Me Goodnight, Mrs. CEO 1791 C1792 Sorry, I already have a fiancée**

“You should know that even though your father is the president of Country Z, I'm a citizen of Country C, so I'm not afraid of the power of the Lu family. “I believe that your father doesn't want to go against the Shi family, or do you want to?”He said coldly, the warning was obvious.

Going against the Shi family was simply stupid!

Lu Pinger was intimidated by his words. Her calm face suddenly rippled.

She was very clear about the power of the Shi family. This was also why she felt that the only man in the world who was worthy of her was Shi Mo!

Because he was from C Nation, and his father was once a man who couldn't even be bothered to sit in the position of President of C Nation. In such a prestigious family, naturally, only he was worthy of his status!

“I like you.”

Looking at the insufferably arrogant man in front of her, Lu Pinger suddenly spoke.

Although Shi Mo was a little surprised by this answer, his heart did not waver at all because of these few words.

“I'm sorry, I already have a fiancée.”

“Fiancée?” Lu Pinger frowned, obviously a little surprised by this answer.

She knew that he had been very close to Yin bei since university. After graduation, the two of them had been dating. When did they become fiancées again?

Lu Pinger's eyes flickered, and she quickly understood something.

He must have deliberately said that Yin bei was his fiancée in order to reject her.

With the Shi family's status in Z and C, how could an engagement be unknown!

“That's right.”

“I don't believe it.”

“That's your business. Whether you believe it or not has nothing to do with me.”

“Nothing to do with me?” Lu Pinger smiled lightly, but her black eyes were sharp. For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

She liked Shi Mo, but she did not like to be inferior to others.

Although Shi Mo's family background was prominent, in comparison, he was at most on equal footing with her Lu family. At this moment, he clearly did not put her, the daughter of the president, in his eyes.

She did not like this feeling!

Shi Mo frowned slightly at her smile. He could sense a hint of threat in her clear eyes.

“Ever since I was young, my parents have completely spoiled me. Whether it's at home or outside, no one has ever dared to go against my wishes. Because if there's even the slightest bit of displeasure, i... will be very angry!”

Shi Mo's brows were tightly knitted together. The meaning of her words could not be more obvious!

“So...” Lu Pinger raised her hand and played with the single ring on her index finger. The corners of her mouth had always hung a faint, calm smile.

It was as if no one in the entire world dared to disobey her and go against her.

“What exactly do you want?”

Her dark eyes glanced at the woman in front of her. For the past 24 years, the ferocious beast that had been sleeping deep in her heart had never been awakened. At this moment, it was starting to stir!

However, Lu Pinger, who had been careless, did not notice his cold expression. She only thought that he had compromised with her.

“I...” She looked up and saw a fruit basket that someone had brought to visit her earlier. “I want to eat an apple. Can You Peel it for me?”

Other than his family and Yin bei, this was the first time someone had instructed him to do something, and it was to serve her!

However, Yin bei was injured, so he had no other choice.

With a sullen face, Shi Mo walked to the table and opened the fruit basket. He took out a fruit and began to peel it with a knife.

“Eat.” After peeling an apple, Shi Mo handed it to her.

However, Lu Pinger smiled and said, “I suddenly don't want to eat anymore. I want to drink water!”

**Kiss Me Goodnight, Mrs. CEO 1792 C1793, go ahead and try**

Shi Mo was stunned, and his black eyes darkened.

Holding the peeled apple, his slender fingers tightened. If he exerted a little more force, the apple would definitely be crushed by him!

However, Lu Pinger seemed to enjoy this process.

It turned out that controlling the man she liked was such a happy and conquering thing!

She knew that no matter who it was, they would definitely be subservient to her, Lu Pinger!

Turning around, Shi Mo personally poured a glass of water for her.

This time, Lu Pinger did not say that she would not drink. Instead, she took the glass of water and took a sip. Then, she looked up at him. “I want to eat a banana. Can You Peel One for me?”

Shi Mo's slightly cold eyes lifted slightly and landed on Lu Pinger's face, which had always been smiling. His bottom line had already been touched.

“Where is Yin Bei?”

His voice was extremely magnetic, but it carried a chilling chill. A dangerous aura gradually spread.

Meeting his cold eyes, Lu Pinger was still somewhat afraid. However, with Yin bei in her hands, she did not believe that he would dare to do anything to her.

“Help me peel the banana and I'll tell you.”

She did not believe that there was no man in this world that she, Lu Pinger, could not conquer!

Her malicious eyes glared at her coldly. Shi Mo turned around, walked over, peeled the banana, and handed it to her.

As if she knew that this man in front of her could not be easily provoked, Lu Pinger was quite well-behaved.

She took the banana and ate it, but did not answer Shi Mo's question.

“Lu Pinger.”

She looked up at him.

“Don't test my bottom line. Otherwise, let alone you, the President's daughter, even your father, I have a way to make him step down immediately!” His face was as cold as ice, and his black eyes revealed a dangerous aura that could not be ignored.

This kind of danger was something Lu Pinger had never encountered before.

She was not sure if the Shi family's power could really make her father step down.

“If you dare to do this, I'll make sure that Yin bei never returns!” For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

Lu Pinger met his sharp eyes and refused to be outdone!

Ever since she was young, she had been used to being arrogant. She wouldn't allow anyone to use their power in front of her!

“Then you can try. If she loses even a hair, I'll Bury your whole family with her!”

“Shi Mo! How dare you!”

This was the first time someone dared to threaten her in front of her. In an instant, Lu Pinger couldn't help but be furious and her face turned ashen!

Shi Mo curled his lips. “Do you know what I hate the most?”

Lu Pinger was stunned and her black eyes glared at him.

“I hate women who overestimate themselves the most.”

“You!” He was obviously referring to her!

In an instant, Lu Pinger was even more furious. She, who was used to being arrogant, raised her hand and wanted to give Shi Mo a slap! However, he easily took it!

“Your father still has three years left. Do you want to pass these three years peacefully, or do you want to get off the horse early? Think carefully.”

“Shi Mo, do you think I'm afraid of You! ?”

“You're not afraid, but are you afraid that you might lose everything tomorrow?”

These words were indeed a threat to her. The hand that hung on the blanket tightened slightly.

“Aren't you afraid that I'll kill Yin Bei?”

“I've said before, if anything happens to her, your entire family will be buried together with her!”

“You!”

Lu Pinger gritted her teeth in hatred, but she could not utter a single word!

She had been pampered since she was young. If all of this were to come to naught one day, how would she be able to live on?

Her father would be stepping down three years later. No matter what, he was still a prominent family and a former president. However, if he was dismantled by Shi Mo, her Lu family would be left with nothing..

### **Kiss Me Goodnight, Mrs. CEO 1793 C1794 was on an abandoned yacht**

After much thought, under Shi Mo's sharp gaze, Lu Pinger obediently revealed Yin bei's whereabouts.

However, she was unwilling to accept this. Why was Yin bei, who was nothing, able to capture Shi Mo's heart?

“She's on an abandoned yacht at the dock.”

After hearing Lu Pinger's words, Shi Mo did not stay for long. He turned around and disappeared like a gust of wind in Lu Pinger's ward.

Yin bei had already been missing for a day and a night!

At the dock.

The dock in City Z was not small, so it was not easy to find it.

It took Arnold half an hour to lock onto an abandoned white yacht.

When he got on, the yacht was already empty.

The two female bodyguards must have received Lu Pinger's notice and left a long time ago.

The door of the yacht was locked by an iron chain. From the outside, they could not see what was inside.

“Young master, it's Here!”

As he approached the door and window, through the glass, Arnold caught a glimpse of a figure lying inside.

However, his face was covered with tape and his face could not be seen clearly. However, Arnold was very familiar with that set of clothes!

Hearing the sound, Shi Mo, who was still searching on another cruise ship, immediately rushed over!

The doors and windows were locked. Arnold took out his little silver gun. With two “Biubiu” sounds, the iron chain was broken and the door was broken open!

“Bei!”

Seeing the figure lying inside, Shi Mo's voice was somewhat hoarse.

He picked up the person on the ground. His heart was tightly gripped together, throbbing in pain.

The next second, he bent down and picked her up, walking out of the abandoned cruise ship. For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

Because she had not eaten or water for a day and a night, Yin bei had collapsed twice and fallen into a coma.

The black car sped towards Shi Mansion. There were doctors waiting there early in the morning!

The reason why she came to Shi Mansion was because Nian Yuqing had been waiting for news here early in the morning.

Looking at her daughter who was still unconscious on the bed, she was so anxious that tears were streaming down her face.

Zuo Weiyi, who was standing at the side, quickly comforted her, “The best doctors in the city are all here. Don't worry, Bei bei will be fine.”

Standing at the side, Shi Lian looked at the anxious Nian Yuqing and nodded her head in agreement.

Because they had not finished the examination, no one knew what had happened to Yin bei.

“Why did something like this happen all of a sudden? She rarely offends people, so why was she kidnapped...”

Up until now, Nian Yuqing still did not know that the person who kidnapped Yin bei was Lu Ping 'er, the daughter of Lu Baiyan and Ji Tingfang.

p- n-d-n-o-v-e-l、 (c)om These words made Shi Mo's heart tighten.

At this moment, the Doctor had already finished his examination.

“How is it?” Nian Yuqing was the first to rush up.

The Doctor looked at Nian Yuqing and then at Shi Mo. “Don't worry, Miss Yin is fine. It's just that she hasn't had any water or food for a long time, so she's in a state of shock. Hurry up and get some water.”

Hearing this, Shi Lian was the first to rush downstairs and pour a large glass of water.

Shi Mo took it and carried Yin bei on the bed. He fed her some water. Yin bei, who felt the water source, frowned slightly. She drank a few mouthfuls before she woke up slightly.

“Bei bei?” Looking at her daughter, Nian Yuqing asked carefully.

Yin bei opened her eyes and saw many concerned faces.

“Mom...”

“Bei bei, you're finally awake. You scared me to death...” Nian Yuqing couldn't help but cry again.

Yin bei propped herself up and tried to sit up. It took her a while to remember that she had been tricked by Lu Pinger!

Chapter end

**Kiss Me Goodnight, Mrs. CEO 1794 There wouldn't be a next time for chapter 1795!**

“How do you feel? Do you feel any discomfort?”

Hearing Shi Mo's voice, Yin bei turned her head and glanced at him before gently shaking her head. "I don't feel any discomfort, it's just..."

Lowering her head, she took a look at her long-starved stomach. Speaking of which, she hadn't eaten anything for a day and a night. She was so hungry!

Gulp..

Before she could speak, Yin bei's stomach had already started protesting.

"Quickly get the kitchen to prepare food. The more the better!" Hearing Yin bei's stomach grumble, Zuo Weiyi turned her head and hurriedly instructed the maid beside her!

After the maid heard this, she hurriedly went downstairs and got the kitchen to prepare a lot of delicious food!

After a full meal, Yin Bei's spirit had also recovered quite a bit. Her complexion had also gradually become ruddy.

Seeing her daughter's complexion restored, Nian Yuqing's heart finally calmed down.

But she still could not understand. Her daughter would not offend others, and she was not worried about others. Why was she kidnapped for a day and a night?

In Shi Mo's bedroom, looking at her daughter, Nian Yuqing, who was still lying on the bed, she could not help but ask, "Bei bei, who exactly kidnapped you?"

Yin bei placed the empty bowl of soup back on the tray. She pursed her lips and looked at her mother. "It's Lu Pinger!"

Nian Yuqing was no stranger to this name, but when she heard it, she was still slightly stunned.

Lu Pinger was the president's daughter. Why did she kidnap Bei bei? ?

"Why, why did she kidnap you?" For a moment, Nian Yuqing subconsciously thought that it was because of Ji Tingfang?

She was too suspicious and misunderstood what she had with the president. That was why she put this animosity on her daughter?

But it had already been two years and she had already left the presidential palace. Did Ji Tingfang have to do that?

Actually, Yin bei still did not know why Lu Pinger had kidnapped her.

"This... I don't know either." For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

After she was sent to the yacht, she had never seen Lu Pinger again.

She was also very curious as to why Lu Pinger wanted to frame her. She did not push her, did she?

"I'm sorry."

Just as the mother and daughter were talking, the door was suddenly pushed open. Shi Mo walked in and looked at the mother and daughter calmly.

“Shi Mo, what are you sorry for?”

Nian Yuqing frowned in confusion. She did not understand why he was apologizing for his daughter's kidnapping.

“Auntie, I promise there won't be a next time. Don't worry.”

He did not answer Nian Yuqing's question. Instead, he promised her that he would protect Yin bei from now on.

The mother and daughter exchanged glances with each other and did not understand what he said.

Yin bei's gaze fell on his handsome face. Could it be that the reason why Lu Pinger kidnapped her was because of... Him?

Nian Yuqing looked up and saw her daughter's gaze locked onto Shi Mo. she recalled that the two of them had never been alone ever since they came back.

Hence, she stood up and gave the space to the two of them. “You two chat. Mom will be leaving now.”

With that, she turned around and walked out of the bedroom.

The door was closed, but Shi Mo was still standing quietly on the spot. He looked at the person on the bed who was still haggard even though his complexion had returned to normal.

The reason why such a thing happened was all because of him. When he thought of this, he felt a faint pain in his heart.

“What's Wrong?”

Leaning against the headboard of the bed and looking at the silent him, Yin bei pursed her lips and asked in confusion.

Chapter end

**Kiss Me Goodnight, Mrs. CEO 1795 C1796 remained by my side**

Looking at her, Shi Mo walked over and sat down beside her bed.

“You've suffered.”

With just one sentence, Yin bei could instantly tell that he was blaming himself.

He smiled. “No, I'm just hungry. There's nothing else!”

He knew that she was just consoling him.

He raised his hand and gently brushed a strand of hair on her cheek. His voice was low and gentle. “Such a thing will never happen again.”

Looking at the tenderness on his face, Yin bei pursed her lips. Since she knew that she was kidnapped by Lu Pinger, she should have heard of the reason, right?

“You, don't you think that I pushed Lu Pinger?”

“If My Yin bei was so smart, she wouldn't have had a chance to take advantage of me.”

Yin bei was stunned. was he praising her for being kind or laughing at her naivety?

She pouted. “She was the one who said that she wanted to introduce me to a job. Who would have thought that he would suddenly fall and say that I pushed her!”

“That's why, the next time, before she tries to frame you, you should push her down first. That way, you won't be wronged for no good reason!”

“PFFT –”

Yin bei was amused by him and glanced at him. “How could anyone be like you!”

Seeing her smile, Shi Mo couldn't help but smile as well.

“Bei.”

“HM?”

“Stay by my side.”

”...”looking at him, Yin bei didn't quite understand.

They hadn't broken up yet, weren't they just always by his side?

“What do you mean?”

“The Overlord is very big, you can do any job you want. I promise not to interfere, and I won't announce our relationship to the company. But you have to be under my eyes, otherwise, I won't be able to feel at ease.” Staring at her.., his black eyes were extremely serious.

“Or are you willing to marry me who can't work at ease?” For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

Yin bei was shy. She knew that their wedding date was approaching, so she did not deny the question of whether she should marry him or not.

She knew that after this incident, he was probably worried about her safety, so he had to keep her under his nose at all times. Only then could he feel at ease.

“Could it be... that you're making a big fuss over nothing?” She looked at him. Although she was not very clear about Lu Pinger's intentions, it did not mean that she would keep an eye on her all the time, right?

“Whether or not I'm making a big fuss over nothing, I'll only feel at ease when you're by my side.” He sounded like he was asking for her opinion, but there was no room for refusal.

“Then, you really won't interfere with me?”

“No.”

“And you won't announce our relationship?”

“Before we got engaged.” Because after the engagement, even if he didn't announce it, the entire city Z would know.

“Then, if I made any mistakes, you'll definitely not interfere?”

“No.”

Yin bei smiled in satisfaction. “Then I'll consider it!”

“One minute.”

“That's too little! How can you think about it in one minute!”

“Then I'll give you a little more time.”

Huh?

Before Yin bei could understand, the next second, she felt the man's jade-like face suddenly approach her. Then, that familiar softness pressed against her lips..

“HMM...”

This was his bedroom. If his family came up..

Thinking of this, Yin Bei's heart skipped a beat. She hurriedly raised her hand to push him away.

However, he hugged her even tighter. His large palm held the back of her head, sucking the fragrance from her mouth.

Shi Mo was also very clear that this was his home. From time to time, there would be family members walking around, especially that girl, Shi Lian. She loved to chat with Yin bei all day long. If she really was here at this moment, if she suddenly barged in.., he was afraid that Yin bei would blame him.

### **Kiss Me Goodnight, Mrs. CEO 1796 C1797 moving out to live with me**

After a passionate kiss, he let go of her, but his black eyes were extremely hot, as if they wanted to burn his body to ashes.

Yin bei was also panting heavily.

After what happened last time, if he kissed her now, she would always become very shy.

“Move out to live with me,”he said in a hoarse voice as he looked at her with burning eyes.

Yin bei was stunned by his sudden words. She looked up at him in a daze.

“Move out?”

“Yes.”

She was stunned. “At Your House?”

“If you're embarrassed, we'll move out.”

“But...”then wouldn't her mother live alone?

Moreover, although their wedding date was approaching, they were not engaged yet. If they lived together, wouldn't people gossip about them?

Uh, it seemed that the current society was already very open-minded?

“Are you worried about Auntie?”

“Yes.” She nodded. She was indeed worried about this.

“You will marry me sooner or later. One day, she will have to live alone. Why don't we let Auntie move into our house?”

Hearing his words, Yin bei hurriedly shook her head. “Don't. My mother will definitely not agree!”

She knew her mother too well. She would never rely on others when she had the ability.

“Then, are you moving?”

“I... Will consider it.” She lowered her head, too embarrassed to hold herself back.

“Okay.”

He did not directly limit her time to consider this matter.

“Then, have you thought about what happened just now?” Looking at her, he asked softly. The corners of his mouth curled into a faint smile, sexy and charming.

Yin bei looked up. After the kiss just now, she almost forgot about going to work at the Overlord! For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

“How can I think about it in such a short time?” Besides, how could she have time to think about it in that short period of time? It was obviously taken away by his kiss!

“I have already thought about it for you. You will go to work at the Overlord Tomorrow!”

“Shi Mo!”

Yin bei wanted to protest, but her eyes met his deep and serious gaze.

“Do you know that I've been going crazy for a day and a night since you disappeared?”

One sentence replaced the thousands of words in Yin Bei's heart. Even if she wanted to protest again, she couldn't say anything after seeing the traces of heartache in his eyes.

Was that Lu Pinger really that scary?

After thinking for a while, she raised her eyes and met his dark eyes.  
“Alright!”

It was not until she nodded that Shi Mo finally smiled and pulled her into his embrace!

“Yin Bei?”

Just as the two of them were snuggling, a sweet voice that was neither fast nor slow, neither light nor heavy, suddenly sounded. Yin bei was so frightened that she hurriedly pushed Shi Mo away!

The two of them turned their heads and saw that the door had been pushed open at some point. Shi Lian stuck her little head out and stared at the two of them without blinking!

“Lian Lian, why are you...”in an instant, Yin Bei's face turned red. She was so embarrassed that she wished she could find a hole to hide in!

“Hehe...”looking at the two of them who were still snuggling together just now, Shi Lian chuckled. If it wasn't for her mommy asking her to come up and call for dinner, she wouldn't have wanted to come in and disturb the two of them!

“It's time to eat. I just came up to say that you guys should continue, continue...”she smiled shyly and retracted her head back before gently closing the door.

Shi Mo turned his head and saw that Yin Bei's face was still red from embarrassment.

“It's time to eat.”

“I'm not eating anymore. Go and eat!”She had only eaten for less than half an hour and her digestion was not that good!

“Then you sleep for a while longer. I'll go down first.”

“Okay!”

She nodded and watched his figure disappear into the master bedroom.

### **Kiss Me Goodnight, Mrs. CEO 1797 C1798 concern for future daughter-in-law**

Speaking of which, she had already entered Shi Mo's room many times, but this was the first time she had slept on his bed.

She pulled up the thin blanket covering her body and gently sniffed it. It really did smell like Shi Mo..

As she thought about it, Yin bei giggled foolishly in the room alone. She rolled on the bed, feeling the smell that belonged to Shi Mo..

After eating, she went upstairs and Yin bei actually fell asleep.

Because she was busy with the shop's business at night, Nian Yuqing went home at two in the afternoon.

Knowing that her daughter was fine, she wasn't worried anymore.

When Yin bei woke up again, it was already three-thirty in the afternoon. Yin bei slept quite contentedly.

However, when she woke up again, Shi Mo was no longer in Shi Mansion.

On the other hand, Zuo Weiyi brought a bowl of bird's nest with Shi Lian following behind her.

“Bei bei, you're Awake?” Carrying the bird's nest, Zuo Weiyi walked in. When she saw Yin bei sitting up, her face was filled with joy.

“Mother Shi.”

Seeing the mother and daughter walking in, Yin bei smiled. Her face still looked drowsy after waking up.

“How do you feel?”

“I'm pretty good.” Yin bei felt warm in her heart when she saw Zuo Weiyi's concern.

There was nothing wrong with her body. It was only because she did not drink water or eat that she looked listless.

“Here, drink this. Not only will it nourish your face, it will also nourish your body!” Zuo Weiyi smiled as she looked at her future daughter-in-law.

Yin bei lowered her eyes and looked at the thing that she brought over.

“What is this?”

“Bird's Nest! It's very delicious, Quick.” Regardless of whether she agreed or not, Zuo Weiyi had already moved over. For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

Helpless, Yin bei could only drink it.

After drinking it, she was about to put the empty bowl back into the tray, but Zuo Weiyi took it. "I'll do it!"

She looked like she doted on her daughter-in-law!

"Where's Shi Mo?"

Yin bei could not help but ask when she did not see Shi Mo even after waking up for so long.

"Brother went to the company, but she asked Mommy and I to keep an eye on you. You Can't leave before he comes back!" Looking at her, Shi Lian said with a smile!

Afraid that she would misunderstand, Zuo Weiyi explained, "Recently, your father Shi has decided to hand over all the matters in the company to him, so he's a little busy. However, he's only going to attend an important meeting. He'll be back in two hours at most!"

Her explanation made Yin bei feel a little awkward.

However, she didn't see Shi Mo, so she just casually asked without any other meaning.

"It's Alright, I was just casually asking."

"En!" Zuo Weiyi also smiled. "Are you hungry? Do you want me to get someone to prepare something for you?"

As she had eaten her lunch earlier, Zuo Weiyi was worried that she was already hungry.

In front of her future mother-in-law, Yin bei was more or less reserved. She smiled and said, "I'm not hungry."

"Alright then, you and Lian Lian can play. Mommy will go down and prepare afternoon tea and fruits for you!"

As she said this, Zuo Weiyi stood up, turned around and left the room,

shi Lian sat down on the bed. As she knew that her brother was not around, she was afraid that Yin bei would not be used to it, so she decided to talk to her more!

"Are you bored? Why don't we go for a walk in the garden?" Shi Lian suggested as she looked at Yin bei.

"Alright." After sleeping for so long, Yin bei was really bored and agreed with Shi Lian's suggestion.

In the garden, Yin bei kept listening to the interesting stories of their childhood. Shi Mo only returned when it was getting dark.

**Kiss Me Goodnight, Mrs. CEO 1798 C1799 was reluctant to go back**

In the evening, after dinner, Shi Mo sent her to Beiguang District.

At this time, Nian Yuqing was already busy at the stall.

"I'm home." Yin bei looked at the man who sent her back, pursed her lips and said.

He stared at her, the corners of his lips curled up. "Rest early."

“Okay!” She nodded.

Two seconds passed, but the man standing at the door did not leave.

“What are you doing?”

“I can't bear to leave.”

“But I still have to go back...”

But the next second, Shi Mo walked straight into the house and closed the door. Then, he hugged her slender waist. “Give me an answer soon.”

“What?”

Looking up with a pair of big clear eyes, Yin bei still did not quite understand.

“Move out and live with me.” His eyes were as gentle as jade, and his deep voice was like the strings on his fingers. It was exceptionally pleasant to the ear.

Hearing this, Yin bei could not help but blush.

“I, haven't thought about it...”

“So, try to be as quick as possible. I'm afraid I Can't Wait.”

“I know.” She was a little embarrassed.

Looking at her blushing little face, Shi Mo did not let go. Instead, he lowered his head and kissed her pink lips deeply..

In these two years, Yin bei had long been 'trained'to perfection by him. She stood on her tiptoes and began to respond to him.

However, her unintentional response provoked the flames of passion that he was trying his best to suppress!

Halfway through the kiss, he suddenly let go of her. Yin bei thought that it was over, but her eyes met his burning eyes.

“Move out tomorrow.”His voice was hoarse, and there was an impatient need!

Tomorrow?

But she hadn't had the time to tell her mother yet! For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

“But... Oh –”

Without waiting for her to speak, Shi Mo lowered his head and once again forcefully sealed her lips!

Yin bei could feel that his kiss had clearly become crazier and more domineering than before!

Her mind was stunned. could he be thinking of..

“Shi Mo...”

Under her muttering, Shi Mo suddenly bent down, picked her up, and walked towards her bedroom.

Even though her mother wasn't around, Yin bei was still a little nervous!

However, Shi Mo came menacingly, how could she stop him!

“Don't...”that numbing feeling made her almost go crazy, but she didn't know what to do to make herself feel better.

Shi Mo raised his eyes and looked at her extremely charming face. Then, he found the right spot to relieve the endless thirst in her body..

She was already a little weak. After a wave of lingering love, she was so tired that she could not open her eyes.

It was already 9:10 pm at night. Looking at the exhausted her, Shi Mo got up and carried her. Then, the two of them entered the bathroom together.

After rinsing her and changing into clean clothes, Shi Mo did not leave.

Nian Yuqing had to be busy until 10 pm before she came back. However, he was worried about leaving her alone in the apartment.

Looking at her exhausted and sleeping on the bed, Shi Mo got up and walked to the window to pick up his phone.

At the same time, Nian Yuqing's snack stall was busy.

While she was busy, Nian Yuqing received a call from Shi Mo..

Why would Shi Mo call at this time?

She took out her phone from her apron pocket and looked at the caller ID. After hesitating for a while, Nian Yuqing picked up the phone.

“Hello, Shi Mo..”

“Auntie.”

Immediately after, Shi Mo said something on the phone. Nian Yuqing's expression was slightly stunned, and then she smiled in relief.

“As long as you take good care of Bei bei, Auntie won't be worried.”

**Kiss Me Goodnight, Mrs. CEO 1799 C1800 where is this place?**

After hanging up the phone, Nian Yuqing stood rooted to the ground in a daze.

In the blink of an eye, her daughter had really grown up. Unknowingly, she had reached the age where she wanted to leave her side.

After taking a shower, Yin bei's sleepiness became even more intense.

Vaguely, she felt her soft body being picked up and her face pressed against that warm and familiar chest.

She frowned and opened her misty eyes. The man's exquisite jaw was right in front of her eyes.

“Where are you going?”

She lowered her head and looked at the person in her arms. A faint smile appeared on the corner of her lips. She said gently, “You continue to sleep.”

Yin bei frowned. Because she was too sleepy, she did not think much about it. She lay in his arms and continued to sleep.

Yin bei, who was in a deep sleep, did not know where her figure was. She only felt that he would pick her up and put her down from time to time. Then, she seemed to have returned to the bed.

Feeling the soft and comfortable bed, the corners of Yin bei's lips curled up slightly in her sleep. After finding the most comfortable position, she slept peacefully until daybreak.

In the early morning, the gorgeous sunlight shone through the French windows.

Yin bei, who was on the bed, flipped over and let out a lazy 'mm'sound.

Then, her black eyes opened slightly, and what entered her eyes was an unfamiliar white bedsheet.

She was still a little hazy, but when she turned her head, she saw the unfamiliar ceiling above her head again..

What's going on! ? where is this! ?

Subconsciously, she sat up abruptly and looked around the unfamiliar room.

She had no memory at all. Where exactly was this place?

She got up and lifted the blanket.

Shuffling in her slippers, she came to the French window.

Her wide field of vision allowed her to see everything. This should be an apartment in the Huanhai District, right?

Lowering her eyebrows, the blurry memories from last night gradually flooded into her mind.

Last night, she seemed to have been carried out of the apartment by Shi Mo, and then... She came here?

Just as she was thinking about it, she heard the sound of the doorknob turning. For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

“Click.”

Wen Sheng turned her head when she heard the sound, and indeed, she saw the door open.

Then, she saw Shi Mo walk in.

Seeing him, she smiled sweetly and walked over with a bit of a drowsy look. She directly put her arms around his waist. She was still wearing

the long pajamas from last night, and the top of her head was right in front of his chest.

“You're Awake?”

He raised his hand and lovingly stroked the hair that fell randomly on her cheeks.

She nodded and then raised her head. Her Bright Eyes looked at him.  
“Where is this?”

“Our home.”

She was stunned and a little stunned.

Their home?

“But I haven't told my mother yet.” It wasn't good to move in just like that, right?

He smiled, his eyes filled with affection. “Don't worry, I've already told her.”

”...”already told her?

“When did you say that?”

“That's not important. Go Wash up and have breakfast later.” He pulled her to the bathroom.

All the toiletries inside were brand new, one for each man and one for each woman!

It was the first time she felt the taste of a 'new home', and Yin bei was still immersed in the sweetness.

She was wearing a large, sleepy outfit. She took her toothbrush to the French window and looked down at the sea view of the entire Z city.

This place is so beautiful..

After brushing her teeth and coming out, Shi Mo had already prepared breakfast.

Looking at the table full of nutritious breakfast, Yin bei was a little stunned.

“You made all these?”

Shi Mo smiled faintly. “I'm not that amazing.”

“Yes!” She raised her hand and took out a fried dough stick. “In my eyes, you're that good!”

**Kiss Me Goodnight, Mrs. CEO 1800 Even if chapter 1801 didn't mention it, would I dare to bring you here?**

“How Powerful?”

Yin bei shaved her head as if she was thinking about this question. “HMM... so powerful that it can do anything!”

“Then you might be disappointed.” He smiled dotingly and lowered his head to take a sip of the porridge. “I didn't make these.”

Cooking was probably the thing he was the least good at.

“That's fine too! In My Heart, you're still perfect!” As she spoke, she happily took a bite of the fried dough stick!

However, even though she was happy, when she thought about how her mother would be lonely after being together with Shi Mo, Yin bei could not help but feel a little melancholic.

“Did you really tell my mother?” She raised her head as she ate and looked at him with uncertainty.

“Yes.” After taking a sip of the porridge, he raised his head to meet her black pupils. “If you don't tell me, would I dare to bring you here?”

Yin bei could not help but cast a sidelong glance at her and pouted. “Why wouldn't I dare? In country Y, you didn't even sleep and didn't ask my mother's permission to...”

As the words came to her mouth, she felt inexplicably shy.

“You mean, I have to ask Auntie about that before I can do it?”

Eh? It seemed... a little strange.

“Then you don't Dare!” As she said that, she lowered her head and continued to eat the porridge.

Seeing her shy look, he stopped teasing her. Instead, he took a document bag and placed it on the dining table.

“What's This?”

She glanced at it in confusion and asked.

“Your resume and ID. When you go to Supreme, you can report to the personnel department and go straight to work.”

Yin bei was stunned. She put down the bowl and spoon, wiped it with wet paper, and opened the document bag. Sure enough, it was her ID and a resume.

Her gaze fell on the man's face. “Didn't you say you wouldn't interfere?” For more chapters, please visit [pan\(dnovel.c\)om](http://pan(dnovel.c)om)

He raised his eyes and glanced at her. “If I don't interfere at this step, you might not be able to enter the Supreme Emperor.”

Listening to his words, Yin bei seemed to understand.

The Supreme Emperor only had two seasons of recruitment every year. This was not the time for recruitment yet. She definitely wouldn't be able to enter the Supreme Emperor!

She looked at the information on her resume. It was actually the planning department?

“This... What kind of work are you going to do?”

“You're going in as an intern, so the specific work will depend on how your leader arranges it.”

“Oh!” When he said that, she was very happy.

She wanted to start from the lowest level and did not want to have any background. Only then would she know how much strength she had.

After breakfast, the two of them went to the front of the Overlord building.

It was the peak period of work now. There must be a lot of staff going in and out of the Overlord Building. In order to not let others know that she was Shi Mo's fiancée, Yin bei asked him to drop her off at the first intersection.

Fortunately, the intersection was not too far away. After seeing her arrive at the company building, Shi Mo drove the car into the underground parking lot.

Walking into the magnificent reception, what greeted her eyes was the majestic aura of an overlord. No wonder so many graduates from famous schools were fighting to enter an overlord. This was simply a mythical group!

Following the demo map, she arrived at the personnel department.

This registration was very simple. Very quickly, Yin bei obtained her work permit and came to the planning department alone.

It was her first time having her own job. Yin bei was still a little excited. Just as she sat down, she saw a middle-aged man with black-rimmed glasses walking over.

“You... are Yin Bei?”

Seeing the person who came, Yin bei stood up from her seat. “I am!”
